## THE CREED OF THE CLASS OF '61

I believe in cherished memories  
of friendships so dear,  
In the guidance of trained leadership  
from year unto year,  
In intellectual endeavors—  
high scholarship to attain,  
In fellowship with classmates—  
strength and honor to maintain  
In wholesome fun and frolic,  
in entertainment, light and gay  
In a strong and noble America—  
patriotism here to stay;  
In clean and worthy sportsmanship—  
fighting hard to win,  
In bearing social graces—  
to rise above the din;  
In walking paths of service  
where other feet have trod  
In climbing ever upward  
to walk one day with God.

## In Tribute to

After forty-three years as instructor in language at Central High, Miss Schwartz retired from active classroom teaching. Her love for learning was matched only by her interest in the students who came under her instruction—demanding always that they give their best efforts to their work.

### Miss Lillie Schwartz

Miss Schwartz, we hope that your philosophy regarding *survivors* from toil will be like that of Rabbi Ben Ezra, who said:

"Grow old along with me  
The best is yet to be  
The last of life, for which the first was made.  
Our times are in his hand  
Who saith, "A whole I planned;  
Youth shows but half. Trust God; see all;  
nor be afraid!"

## IN MEMORIAM

### MISS EARL JONES

In loving memory of Miss Earl Jones, who, on April 16, 1968, passed from these earthly haunts into the ethereal classroom of THE MASTER TEACHER—

The Class of 1961 pays tribute to her thirty years of devoted service to the young men and women who lighted their lamps at her touch of wisdom, love, and understanding.

PAUL CHRISTIAN

## IN MEMORIAM

On April 23, 1968, the students at Central were saddened on this beautiful spring day, when news was received that Paul Christian, seventeen years old, was drowned while trying to swim across a wide slough of Chickamauga Lake, near the Fairview Community.

Central lost a quiet, reserved, and dignified young man who was always cooperative and willing to do his part regardless of the task. Paul possessed the priceless qualities of a pleasant disposition, unselfish spirit, and a Christian character. Paul was an active member of the First Cumberland Presbyterian Church.

Paul was the son of Squire and Mrs. Thomas W. Christian, 3807 Midland Pike.

Mrs. Berger at work.

## Dedication

*Mrs. H. L. Berger*

Mrs. Berger began her career at Central in 1933. Although her tenure was interrupted in 1942, she returned in 1943 to resume her position as a teacher of English.

It is with sincere pleasure that the Champion Staff dedicates the 1961 volume to Mrs. K. Maxwell Berger, the student's friend, a wise counselor, and an untiring worker. Her devotion to Central cannot be excelled.

The Millage Twenty-Fifth Wedding Anniversary

## Principal

*W. H. Millage*

Dear Seniors,

The president of a famous university once proposed the following suggestion to his students. He told them to try to imagine what they would be like at sixty—not how they would look or what they would be doing, but what kind of persons they would be then. He urged them to examine themselves objectively and to decide, if they continued to live in their present manner, whether they would become the kind of persons they themselves would admire, love, and respect.

I should like to challenge you to reflect on the same question. At your age, when the mind is overflowing with questions and excitement, how people think about such things. How timely and profitable such personal research can be! There is much work in the thought that what a person is going to be at fifty or sixty he is becoming at twenty.

If driven under your peaceful dreams, enthusiasm, and vigorous light-heartedness, there are solid elements of kindness, fairness, security, unselfishness, humility, intellectual honesty, self-respect, and love for God and man, you will have a fine foundation upon which your life will stand in later years. If these qualities are missing, you are building on sand.

The following lines of Philip James Bailey express a thought that I should like for you to remember:

We live in deeds, not years; in thoughts, not hours;  
In feelings, not in figures on a dial;  
We should count time by heart-beats,  
By heart-beats.

Who thinks most—loves the saddest—needs the least.

Sincerely yours,  
W. H. Millage

## Assistant Principal

*W. Everett O'Neal*

Mr. Everett O'Neal, our very competent assistant principal, is always ready and willing to be of service to the students. Among his many duties are advising with the students and listening to their problems. High scholastic standing, combined with a keen sense of humor are two qualities which are characteristic of his personality. These qualities combined with years of experience make him a person who is capable of fulfilling the role of assistant principal.

## Business Education

The Business Education Department has designed its program to meet the needs of all students.

For those who plan to secure a vocational competence, excellent training is offered for secretarial, bookkeeping, clerical, or stenographic positions.

For those who plan to go to college, courses are included which give valuable basic training for their work there.

Lastly, for all students, the department provides a non-vocational education which creates an appreciation and understanding of the business world.

## The Fine Arts

### ART

The Art Department is led by Miss Mary Lou Derryberry. It gives the students a knowledge of the fine arts and prepares them for a career in the art field.

The purpose of this department is to teach students how to appreciate and understand art and with this tool open the way toward a more meaningful life.

### MUSIC

Our Music Department is one of the best with opportunities for all in almost any field of music in which we

wish to participate. By participating, we broaden ourselves and learn to distinguish that which is good and at the same time study music that will enrich our future.

### SPEECH

The Speech Department offers beginning speech and dramatics to all students, grades nine through twelve.

The aim of the program is to help students to develop competency in participation of school activities and community.

This department is responsible for the production of school plays, the presentation of speeches on Senior Day, Class Day, and Commencement.

## Diversified Occupation

The Diversified Occupations Program was established in 1948 at Central High School. This was one of the earliest state programs to be established and has been in operation since.

Diversified Occupations is a part-time training program operating on a cooperative basis between the school and employer, in which the student spends one-half day in school and one-half day in employment. The program is available to boys who are at least sixteen years of age.

## History

The History Department, led by Mrs. Alfred Barton, offers a number of courses in order to improve the quality of citizenship and to help students understand national and world problems.

Tennessee history is taught in the seventh grade and United States history is taught in the eighth grade. Bible is offered in grades nine through twelve. World history is open to sophomores, juniors, and seniors. American history is required in the senior year.

## Home Economics

Students in the Home Economics Department get acquainted with the problems met by the entire family, physical, social, material, and emotional.

Consideration of individual problems such as selecting dress, personal grooming, and proper styling of clothes, adds to the self confidence of the individual.

One of the basic objectives of home economics is to raise the standards of home living. This purpose is provided by a program which includes budgeting, management, child care, clothing, planning and preparation for nutritious and balanced meals.

## Industrial Arts

The Industrial Arts Department is led by Mr. J. J. Fletcher. This department includes mechanical drawing, woodworking, printing, and auto mechanics with a major offered in each. The Diversified Occupations Department, led by Mr. Gordon W. Smith, is also included. The purpose of this department is to give students knowledge and guidance in practical skills useful for future occupations. This year there are three hundred fifteen students enrolled in these useful courses.

## Mathematics

The mathematics curriculum consists of those courses, activities, and units of instruction designed to contribute to the common and specialized mathematics needs of secondary-school pupils. The curriculum places particular stress on developing accuracy and facility in the use of computational processes in practical situations. Provisions are made for pupils to develop skills and abilities in the mathematics areas of geometry, graphic representation and interpretation, elementary analysis, and scientific thinking.

## Science

The Science Department is composed of seven instructors with J. Arlo Houdangyi as head. Within the department there is a composite one hundred two years of teaching experience. Included in the department are general science, biology, chemistry, physics, and photography. During the present school year there are eight hundred fifty students enrolled within this department, whose purpose it is to instruct the students in scientific knowledge and its practical application.

## Social Science

The chief purpose of education is to train every student to become the best citizen he is capable of being. The social science subjects have the above purpose. They cannot achieve this aim entirely; they contribute to the achievement of it. Civics, economics, sociology and psychology are comparatively new subjects in the curriculum. They are enriching subjects. They seek to acquaint the student with his background and environment and to contribute to his maximum usefulness in our society.

### ENGLISH

The English Department is composed of twelve instructors who have the task of motivating students to think. In the study of grammar and composition, we strive to teach students to speak and to write correctly and effectively. In the study of literature, we strive to enrich the lives of students by introducing them to the masterpieces of literature; to make the literary experience meaningful to them; to enhance reading skills; and to stimulate vocabulary growth.

## Languages

### FOREIGN LANGUAGE

In our Foreign Language Department we are trying to develop facility in reading and writing the language together with a more realistic approach to understanding and speaking the language.

By sharing the same thought processes, the person who speaks and reads another's language will come to understand how he thinks, how he sees relationships, and how he interprets experiences.

The role of the language laboratory in the instructional program seems increasingly important.

"Alices in Wonderland?"

BEN HER!

THE FIRST DEPRESSION WAS NEVER THIS BAD!  
OKAY, WHERE'S YOUR STAMPS?

WHAT'S ROVER GOT THAT I HAVEN'T?

THIS IS THEIR THIRD TIME AROUND! WHAT GIVES?

WATCH IT, CLUMSY! YOU'RE ON MY PINAFORE!

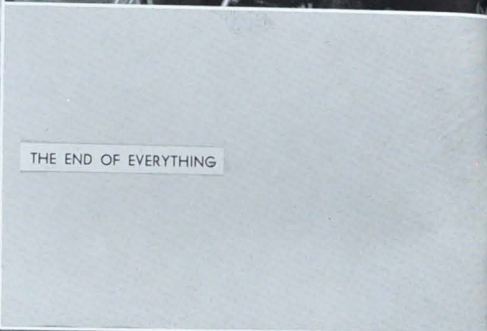

BRAIN WASHING!

THE THREE STOOGES

THE END OF EVERYTHING

AND WHERE THEY STOP NOBODY GOES!

CHOW NOW!

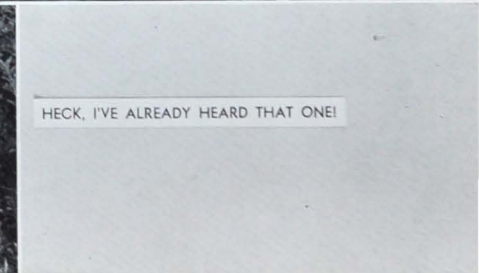

JUST LIKE IN REAL LIFE!

LISTEN TO THE MOCKING BIRDS

HECK, I'VE ALREADY HEARD THAT ONE!

## WHAT-ME WORRY?

Mr. and Miss Central

GERRY ROBINSON

JERRY SHUFORD

These three things express the feeling that I experienced on Senior Day when I was crowned Miss Central: a great honor, a great thrill, and a great challenge. Being selected the girl to represent the wonderful name of Central High School has truly been the highlight of my life. Now my responsibility is to live up to this honor and represent my school in a way in which I should and to the best of my ability. As I leave Central this year, I pass on a challenge to each girl to strive for this honor which I shall always deeply cherish.

*Gerry Robinson*

It is hard for me to find words of expression for the gratitude and appreciation I feel in being chosen the boy to represent Central. In recognizing this honor, however, the tremendous responsibility and the challenge which presents itself must also be seen and taken to heart. Graduating in Central's fifty-fourth year, I can look behind and see one of the longest records of great achievements ever presented by a single school. Central's spirit and fierce pride in knowing and readily accepting her challenge cannot and never will be excelled. My hope is that I can live up to within sight of the realization of her highest ambitions.

This page is dedicated to the Four-Year-Honor Students of the class of 1961. These students have maintained a 3.5 average or above in their high school subjects. It is from this group that we select our commencement speakers. The valedictorian ranks highest, scholastically, in the class, and the salutatorian ranks second. The class representative is selected at a senior meeting, and the faculty representative is chosen by the faculty.

These students have worked hard to maintain their averages and they deserve the honors that are given them.

## Department Honor Students

During the second semester of each year, the teachers of the various departments at Central select certain students who, by their outstanding work and the virtue of their achievements, have best represented that department and are therefore accorded the recognition of being Department Honor Students. The CHAMPION takes pleasure in presenting the Department Honor Students of the Senior Class of 1961.

## Candidates for Royalty

Among the much coveted honors at Central are the various royalties. It is an honor to be selected as a candidate for one of these places, but it is indeed a mark of distinction to be chosen as queen.

The homecoming Queen nominees were selected by the senior class, through their English classes. The entire student body voted on these nominees and selected the queen. She was crowned at halftime of the annual homecoming game.

The five Military Queen candidates were selected by the boys in the Military Department. To be a candidate, the girl must be one of the military sponsors.

The May Queen candidates are girls who have all A's in physical education. The queen is crowned at the annual May Day exercises.

The Reserve Officers Training Corps came to Central in 1919. The excellence of this organization has influenced the entire school.

The first two years of R.O.T.C. are required, being optional in the senior year. The course instructs boys in equipment and its care, map reading, drill and command, and many other phases of army routine.

Capt. P. R. Womble, Professor of Military Science, is head of the department. The instructor in charge is M/Sgt. J. C. Davis. The class instructors include SFC R. G. Sizemore, and SFC B. J. Gilbert.

The four military organizations at Central are the Disc and Diamond, Honor Platoon, Rifle Team, and the Drill Team.

The 1960 Purple Ponders

## The 1960 Ponders

The 1960 Purple Ponders  
Coaches: Archer, Hale, Seaton, Farmer, and Etta  
Managers: Jolley, McGlohon, Cooper

The 1960 edition of the Purple Ponders was one of the most colorful ever witnessed by the followers of Central High. While losing five games, the Ponders still managed to finish fourth in the state in the Litkenhouse ratings. Losing to State Champion Kingsport and second ranked Bradley County by only one touchdown each and to perennial power Etowah County of Attala, Alabama, the Ponders still compiled a marvelous record considering the competition. Lady Luck seemed to cast her light on the opponents as Bradley County scored on the first play of the game, and Kingsport scored the winning touchdown with only twenty-five seconds remaining on the clock.

Captained by able leaders Benny Hartman and Aaron Watts, the Ponders had such outstanding offensive stalwarts as Jerry Shuford, Don Giles, Charles Ladd, Tommy Aiken, and David Kilgore. Defensive stars were numerous too, as All-City "Hoggie" Lasater and Dickie Byers were backed up by Jim Collins, Benny Cuzzort, Harry Phillips and Sid Ballinger.

The prospects for next year are very bright as the corp of backs should be outstanding under the tutorage of Coaches "Red" Etter and Jack Archer, and the linemen should develop under Coaches Stan Farmer and Jake Seaton.

Giles sweeps the end against Huntsville

### Central 12; Johnson City 0

September 2

After a scoreless first half, the Purple Pounders struck for touchdowns in the third and fourth periods to win their opening game against Johnson City. In the third quarter Johnson City punted to the Central nineteen yard line. Led by Jerry Shuford, Tommy Aiken, David Kilgore, and Benny Hartman, Central immediately moved to a touchdown. A few plays later Don Giles intercepted a pass on his own thirty-eight and raced sixty-two yards for the final score.

### Central 23; Memphis Central 0

September 8

Using a new "T-punt" offensive formation, Central had little trouble in disposing of Memphis Central for their second win of the season. Central gained 267 yards while holding Memphis to 94 yards. With Harry Phillips and Jerry Shuford alternating at quarterback, Central scored touchdowns in the last three periods. Glenn Jones, a sophomore, kicked a 43 yard field goal. Don Giles, Charlie Ladd, and Tommy Aiken starred at the halfback position.

### Central 0; Etowah County 13

September 17

The Pounders met defeat in their third game of the season at the hands of a tough team from Attala, Alabama. In the second quarter the Blue Devils scored on a pass to end, Richard Battles. Two plays later Central fumbled, and Etowah County scored in 13 plays. Central got its only break of the game when Hoggie Lasater blocked a punt on the Attala 25 yard line. The Pounders couldn't take advantage of the blocked punt, and the game ended 13-0.

Hold on Aiken!

### Central 6; Kingsport 13

September 24

Central lost a heart-breaking ballgame against the state champions on Chamberlain Field. After a scoreless first half, Kingsport scored on a 74-yard drive in the third period. Central was held scoreless until late in the fourth quarter when Tommy Aiken took a pass from Jerry Shuford and rambled to Kingsport's 18 yard line. Central scored two plays later. Kingsport then took the kickoff and marched 62 yards for the final score.

### Central 7; Bradley 14

October 7

On the first play from scrimmage, Bear fullback Dennis Stafford reeled off a 73 yard touchdown run, and Bradley added another score late in the first period to defeat Central 14-7. Led by Jerry Shuford, Central also scored a touchdown in the first period. The rest of the game was a defensive battle with neither team scoring again. Central recovered two fumbles deep in Bradley territory, but could not take advantage of these breaks.

The "Goal Line Waltz"

### Central 28; Huntsville 7

October 13

The most thrilling exhibition of Pounder team work of the season was on display for this homecoming night. Don Giles played one of his finest games while gaining 90 yards against the outclassed Alabamans. Central began their Halloween tricks by scoring two touchdowns in the first half. The second half was no different. Central scored two additional touchdowns in the third quarter. Huntsville's lone touchdown came in the last quarter against Central's third string.

Ladd Goes For Glory

### Central 20; Red Bank 0

October 21

Led by Benny Hartman, Harry Phillips, and Jim Collins, the Purple Pounders rolled over Red Bank for their fourth victory of the season. Central put together drives of 96 to 49 yards to score their first two touchdowns. The final touchdown was scored on a 50 yard pass play from Harry Phillips to Jim Collins. The margin of victory would have been greater, but a 44 yard run by Tommy Aiken was nullified because of a penalty.

### Central 6; Greenwood 16

November 4

After the long ride from Chattanooga, Central seemed sluggish as Greenwood dealt them their fifth loss of the season. The Emeralds opened the scoring in the first period as they recovered a fumble and went on to a touchdown. Central took the kickoff and moved to its only touchdown of the night. The drive was sparked by a 51 yard run by Benny Hartman. However Greenwood came right back to score again, and Central could not make up the deficit.

### Central 20; Oak Ridge 33

October 28

In the most highly publicized game of the season, Central met defeat at the hands of the Ridgers. The Wildcats showed their power in the opening minutes by scoring in a freak play. The Pounders bounced back by driving 64 yards for a T. D. The statistics of the game were in Central's favor. Central made 21 first downs while holding Oak Ridge to only 15. This defeat tied the series between Oak Ridge and Central—four triumphs each and one tie.

### Central 33; Knoxville Young 0

November 11

The Purple Pounders solved the mystery of Knoxville Young's single-wing variation and coasted to an easy 33-0 win. Central's offensive proved superior early in the game when they scored two quick touchdowns in the first quarter. The second quarter was similar to the first as Central added two more scores. Central's final score came in the third quarter. Young's only offensive effort came late in the fourth quarter but was quickly stifled by the Pounders.

I've got it!—Almost!

# 1960-'61 Basketball

Coached by Gordon Smith, the Central Pounders pounded 21 victories and were offset by 10 defeats.

One of the strongest points of Central's attack this year was rebounding. On many occasions Central controlled the boards against teams of greater height. Jerry Shuford led in this department although Wayne Steele, Eddy McGhee, Wayne Billingsley, and Larry Westcott consistently turned in fine performances.

Several Pounders received individual honors this year. Eddy McGhee received the W. P. Bales trophy given to the boy most valuable to the team. Jerry Shuford was a member of both the All-City and the Ninth District Tournament teams.

Central placed third in the Ninth District Tournament played at the John B. Steele Gymnasium. The season ended March 6 when the City High Dynamos defeated the Pounders in the opening round of the Region III Tournament played at the Bradley County High School gymnasium.

Five lettermen, Eddy McGhee, Jerry Shuford, Wayne Billingsley, Bob Puffer, and Joel Brown, will graduate this year. Returning lettermen for next year will be Wayne Steele, Larry Westcott, Larry Hicks, Aaron Masters, and Jack Woods. These boys, in addition to some promising prospects from this year's B-team should make a good team for next year.

"I've got it!"

## 1960 Baseball

## 1960 State Baseball Champions

First Row: Ronnie Pack, Gilbert Trusley, Wayne Huling, Ken Hudgins, Ed McGhee, Lloyd Benton. Second Row: Mike Drake, Dan Page, Ray McGlaughlin, Kenneth Mink, Morris McDowell, Mike Shirley, Bert Brown. Third Row: Ronnie Burns, Ronnie Kendall, Monte Stewart, Jerry Shuford, Bill Millsaps, Larry Wescott, Ed Love, Coach. Hale.

Way to go, boys!

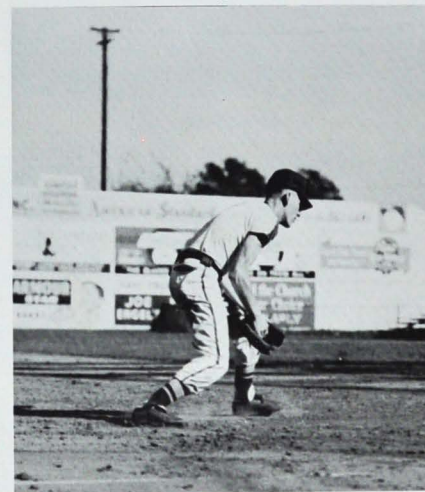

Aww, ya blind, Ump!

The 1960 baseball season for the fighting Purple Pounders was truly glorious and memorable. With a remarkable 20-2 record, the Pounders certainly showed rugged consistency by defeating the toughest teams in the state. After sweeping the District and Regional Tournaments, Central invaded the state contest to bring Memphis Tredwell, Johnson City, and Antioch High tumbling from their victory dreams.

There is not enough to be said for the brilliant coaching of Jim Hale, and the powerful slugging of Bert Brown (.455), Kenny Hudgens (.405), Wayne Huling (.385), Jerry Shuford (.365), Eddy McGhee (.342), and Gilbert Trusley (.300), plus the incredible pitching of Ronnie Pack (8-0), Larry Westcott (4-0), and Monte Stewart (8-2).

We wish to sincerely congratulate Coach Hale on this wonderful season, and also to wish him and the 1961 team the best of luck in the up and coming season. We feel confident that with the traditional 'Central Drive,' that has through the years brought our school the finest students and the highest honors, they will once again be able to bring home the well deserved title of STATE CHAMPIONS.

Steady, Eddy!

Pant, pant . . gasp . . pant!

I hope this ump ain't blind!

# Central Digest

# Student Council

Elected to positions of group responsibility by their classmates and faculty, the members of the student council have built an impressive record of service in the tradition of Central High School. The experience they gain while serving their school helps prepare them for future roles of leadership in their community and nation. To become an integral part of school life, the council has sponsored educational, social, and service projects: Awards Day, honoring scholarship achievement in each department: Honor Code, formulated to rally students around an ideal of exemplary conduct; Advisory Committee, Junior Prom, Commencement Dance, Christmas Baskets, Open House, and presented nationally known lecturer, Dr. Von Ruda. The success of these projects may be measured in terms of the cooperation of all concerned.

Getting Things in Order

Service With a Smile

The Officers

The Staff

The Bank and Bookstore Staff has served Central for many years. The Staff is one of the most servicable organizations in the school and performs such duties as: operating the bank and bookstore and serving as cashiers. In this way the members gain valuable business experience and training which will be of benefit to them in later life.

The students on the Staff are recommended by the faculty. From these students the members of the Staff select those which they think will make the best members.

We wish to express our appreciation to the members of the Bank and Bookstore Staff, who serve everyone willingly and with a smile. The Staff is sponsored by Miss Ruby Nipper, who is head of the Business Education Staff.

*To the Graduates of the Class of 1961:*

The officers of the Central High School Alumni Association are happy to extend greetings to the graduates of the Class of 1961. They are aware of your attainments and your ambitions. They wish for you success in proportion to your ability, ambition and application. These are crucial days and we urge you to continue your progress in education by attending the college of your choice.

The Alumni Association seeks to serve Central High School. Our projects are too many to list here. We constantly are looking for ways to improve our school. In order to serve to the maximum, we need each graduate to join our association. When you are in a position to assist us, we ask you to join in this cooperative movement for the assistance of our school.

We wish for you the best in the future and we ask you to, at all times, elevate the name of our school, community, and nation.

OFFICERS OF ALUMNI ASSOCIATION

*Best  
wishes*

*. for a wonderful future!*

EXECUTIVE BOARD

Seated, left to right: Mrs. Duane Dixon, Second Vice-President; Mrs. Walter Pickering, Fourth Vice-President; Mrs. M. E. Indermill, President; Mrs. Whitt Aiken, First Vice-President. Standing: Mrs. James DeFries, Historian; Mrs. Erwin S. Pease, Treasurer. Not Pictured: Mrs. Arch Slaten, Third Vice-President; Mrs. Harold McKaig, Recording Secretary; Mrs. George White, Corresponding Secretary.

## OBJECTIVES OF THE P. T. A.

- To promote the welfare of children and youth in home, school, church, and community.
- To raise the standards of home life.
- To secure adequate laws for the care and protection of children and youth.
- To bring into closer relation the home and the school, that parents and teachers may co-operate intelligently in the training of the child.
- To develop between educators and the general public such united efforts as will secure for every child the highest advantages in physical, mental, social and spiritual education.
