

THE 1962 CHAMPION

CENTRAL HIGH SCHOOL
CHATTANOOGA, TENNESSEE

John F. Kennedy
President of the United States of America

THE WHITE HOUSE
WASHINGTON

January 18, 1962

Miss Gwen Hamilton
Editor
Champion
Central High School
Chattanooga 4, Tennessee

Dear Miss Hamilton:

This is to acknowledge your letter to the President. In connection with your request, perhaps you might like to select quotations from some of the enclosed releases to include in your yearbook.

SPECIAL MESSAGE ON EDUCATION TO THE CONGRESS OF THE UNITED STATES

"Our progress as a nation can be no swifter than our progress in education. Our requirements for world leadership, our hopes for economic growth, and the demands of citizenship itself in an era such as this all require the maximum development of every young American's capacity.

The human mind is our fundamental resource. A balanced Federal program must go well beyond incentives for investment in plant and equipment. It must include equally determined measures to invest in human beings -- both in their basic education and training and in their more advanced preparation for professional work. Without such measures, the Federal Government will not be carrying out its responsibilities for expanding the base of our economic and military strength."

A PROCLAMATION BY THE PRESIDENT OF THE UNITED STATES OF AMERICA
AMERICAN EDUCATION WEEK, 1962

"The education of our people should be a lifelong process by which we continue to feed new vigor into the lifeblood of the nation through intelligent, reasoned, decisions. Let us not think of education only in terms of the past, but rather in terms of the infinite potential of the human mind that can be realized through education. Let us think of education as a means of developing our greatest abilities, because in each of us there is a private hope and dream which, fulfilled, can be translated into benefit for everyone and greater strength for our nation."

Please convey to the students of Central High School the President's deep appreciation for the time and effort expended by their organization in his behalf during the Presidential campaign of 1960, also extend his cordial greetings and best wishes for a continuing and ever-growing interest in affairs of government on all levels -- from local to international.

Sincerely,

Ralph A. Dungan

WHAT IS CENTRAL HIGH SCHOOL?

The Spirit of Central High School

By day, Central High School looms in the mist and the sun and has a soul. From the mountains and the valleys gather students who mingle together in the corridors.

It is the teachers, leaders, boys and girls, flowing in and out all day, who give our school its spirit of dreams and thoughts and memories. Smiles and tears of each Centralite go into the heart of our school just as do those of the administrators who lead our school.

Toward the end of the afternoon, all work slackens and jobs go slower as students and teachers feel the day closing on them. One by one the floors are emptied, as classmates slowly walk down the hallways.

By night, Central High School looms in the dusk and the stars and has a soul.

HONOR CODE OF CENTRAL HIGH SCHOOL

I PLEDGE TO:

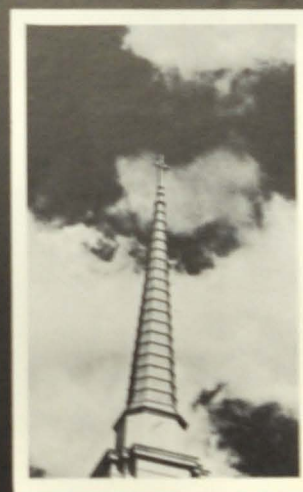

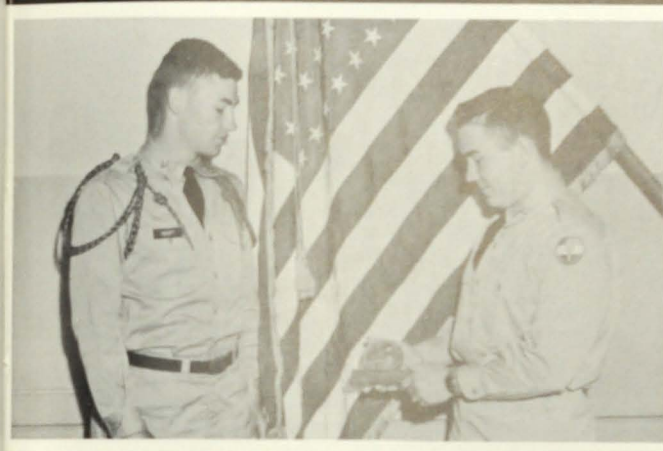

Uphold the honor of my school by being honest with myself, my fellow man and God.

Be friendly and helpful to all with whom I associate. Use my influence against any type of unfavorable conduct.

Follow the Golden Rule by showing respect for property and persons.

Emphasize in all my school activities that HONOR is synonymous with the CENTRAL SPIRIT.

BELIEVER

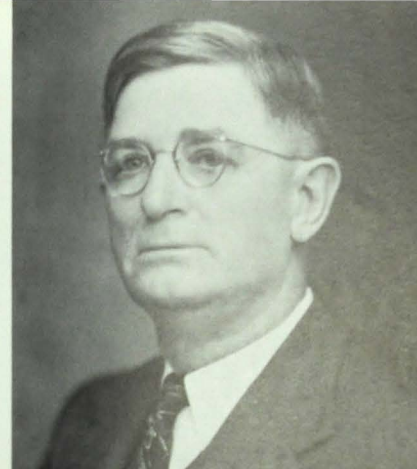

MR. J. M. SEATON

In Honor of

It is with genuine appreciation that the Senior Class dedicates the 1962 CHAMPION to Mr. J. M. Seaton, manual training teacher and athletic coach.

With an understanding of the students' problems and with a deep concern for their welfare, Coach Seaton gives generously of his time to help them and to serve them. His sincere interest in Central and his willingness to work for both the school and students distinguishes him in the classroom and on the athletic field alike.

To Coach Seaton, who for seventeen years at Central has proved himself a friend to all, we dedicate this book.

IN MEMORIAM

MR. STACEY E. NELSON

The memory of Mr. Nelson, who was principal at Central for thirty years, is bright in the minds of his "boys and girls." Our hearts are made sad by his passing, but we are made glad in the remembrance of his loyalty to Central. Just as you loved Central, Mr. Nelson, Central High will always love you.

A Tribute

MISS MARGARET TAYLOR

Both Miss Taylor and Miss Moffitt retired after a combined total of fifty-five years' service to Central, where their guiding hands and willing hearts are greatly missed. Their devotion to the duties incumbent upon them was an inspiration to faculty and student body. We wish them happiness and good health in the future.

MISS ANNE MOFFITT

Our Assistant Principal

Mr. Everett O'Neal, our assistant principal, handles a great deal of Central's problems and is always on hand to help and advise the students.

His sense of humor is highly favored among the students, helping to make Central a more pleasant place in which to work, study, and play.

W. Everett O'Neal

Our Principal

Dear Students,

Early in the year in which you will graduate from Central, an American settlement made the winter of 1918-1919 the worst that could have been in any other year. In that Christmas celebration there was a time to travel the Atlantic Ocean, covered in ice that froze the sea.

How challenging it is to live in this rapidly advancing age!—an age in which there seems to be an explosion of technical and scientific knowledge. The next few years will probably demand a greater degree of mental discipline and scientific training than young people have experienced in past years. Many more disciplines will have to be made if you are to make the best contribution to society of which you are capable.

It has been said that the test of intelligence is the ability to wonder. May a wondering fire within you have an intensity that you will have an opportunity and find living in that burning spirit. May you always be a positive force for good in the progress of mankind.

Sincerely,

W. H. McLaughlin

Business Education

The Business Education Department has designed its program to meet the needs of all students.

For those who plan to secure a vocational competence, excellent training is offered for secretarial, bookkeeping, clerical, or stenographic positions.

For those who plan to go to college, courses are included which give valuable basic training for their work there.

Lastly, for all students, the department provides a nonvocational education which creates an appreciation and understanding of the business world.

Art

The aim of the art department is to develop visual literacy. We mean by this to train the pupil to be aware of what he sees in terms of light, dark, color, line, shape, form, and texture. The Art Department strides to develop this awareness not only in painting and sculpturing, but also in landscaping architecture, and in everything else that lies before the eye.

Music

Our Music Department is one of the best, with opportunities for all in almost any field of music in which we wish to participate. By participating, we broaden ourselves and learn to distinguish that which is good and at the same time study music that will enrich our future.

Speech

The Speech Department offers beginning speech and dramatics to all students, grades nine through twelve.

The aim of the program is to help students to develop competency in participation of school activities and community.

This department is responsible for the production of school plays, the presentation of speeches on Senior Day, Class Day, and Commencement.

Guidance

The Guidance Department is the newest department at Central High School. It was set up to aid students at Central while they are in school and prepare them for their role in society after graduation. The guidance program is designed to properly place students in areas for which they are best qualified and in which their interests lie. The department provides students with occupational information so as to make them aware of subjects needed in order to meet job requirements. Information concerning colleges and other higher institutions of learning is made available to those students who are interested. Counselors are willing to assist students with all school problems. Mr. Hale is the director of the program; and Miss Hodges, Mr. Brown and Mr. Hoodenpyl serve as counselors.

Home Economics

Students in the Home Economics Department get acquainted with the problems met by the entire family: physical, social, material, and emotional.

Consideration of individual problems such as reducing diets, personal grooming, and proper styling of clothes, adds to the self confidence of the individual.

One of the basic objectives of home economics is to raise the standards of home living. This purpose is provided by a program which includes budgeting, management, child care, clothing, planning, and preparation for nutritious and balanced meals.

History

The History Department, led by Mrs. Alfred Skates, offers a number of courses in order to improve the quality of citizenship and to help students understand national and world problems.

Tennessee history is taught in the seventh grade, and United States history is taught in the eighth grade. Bible is offered in grades nine through twelve. World history is open to sophomore, junior, and senior students; and American history is required in the senior year.

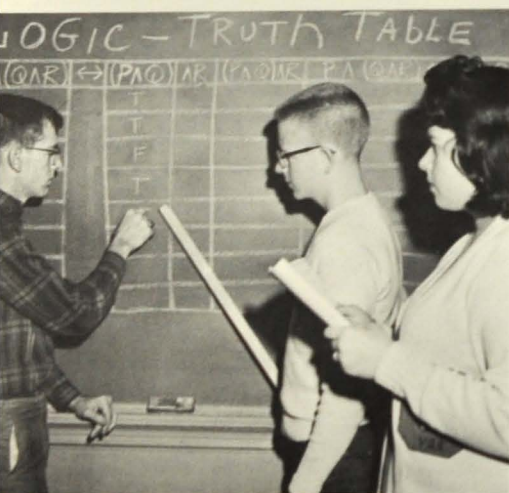

Industrial Arts

The Industrial Arts Department is led by Mr. J. J. Fletcher. This department includes mechanical drawing, woodworking, printing, and auto mechanics with a major offered in each. The purpose of this department is to give students knowledge and guidance in practical skills useful for future occupations. This year there are three hundred and fifteen students enrolled in these useful courses.

Mathematics

The mathematics curriculum consists of those courses, activities, and units of instruction designed to contribute to the common and specialized mathematics needs of secondary-school pupils. The curriculum places particular stress on developing accuracy and facility in the use of computational processes in practical situations. Provisions are made for pupils to develop skills and abilities in the mathematics areas of geometry, graphic representation and interpretation, elementary analysis, and scientific thinking.

Science

The Science Department is composed of seven instructors with J. Arlie Hoodenpyl as head. Within the department there is a composite of one hundred and two years of teaching experience. Included in the department are general science, biology, chemistry, physics, and photography. During the present school year there are eight hundred and fifty students enrolled within this department, whose purpose is to instruct the students in scientific knowledge and its practical application.

Social Science

The chief purpose of education is to train every student to become the best citizen he is capable of being. The social science subjects have the above purpose. They cannot achieve this aim entirely; they contribute to the achievement of it. Civics, economics, sociology, and psychology are comparatively new subjects in the curriculum. They are enriching subjects. They seek to acquaint the student with his background and environment and to contribute to his maximum usefulness in our society.

Languages

FOREIGN LANGUAGE

In our Foreign Language Department we are trying to develop facility in reading and writing the language, together with a more realistic approach to understanding and speaking the language.

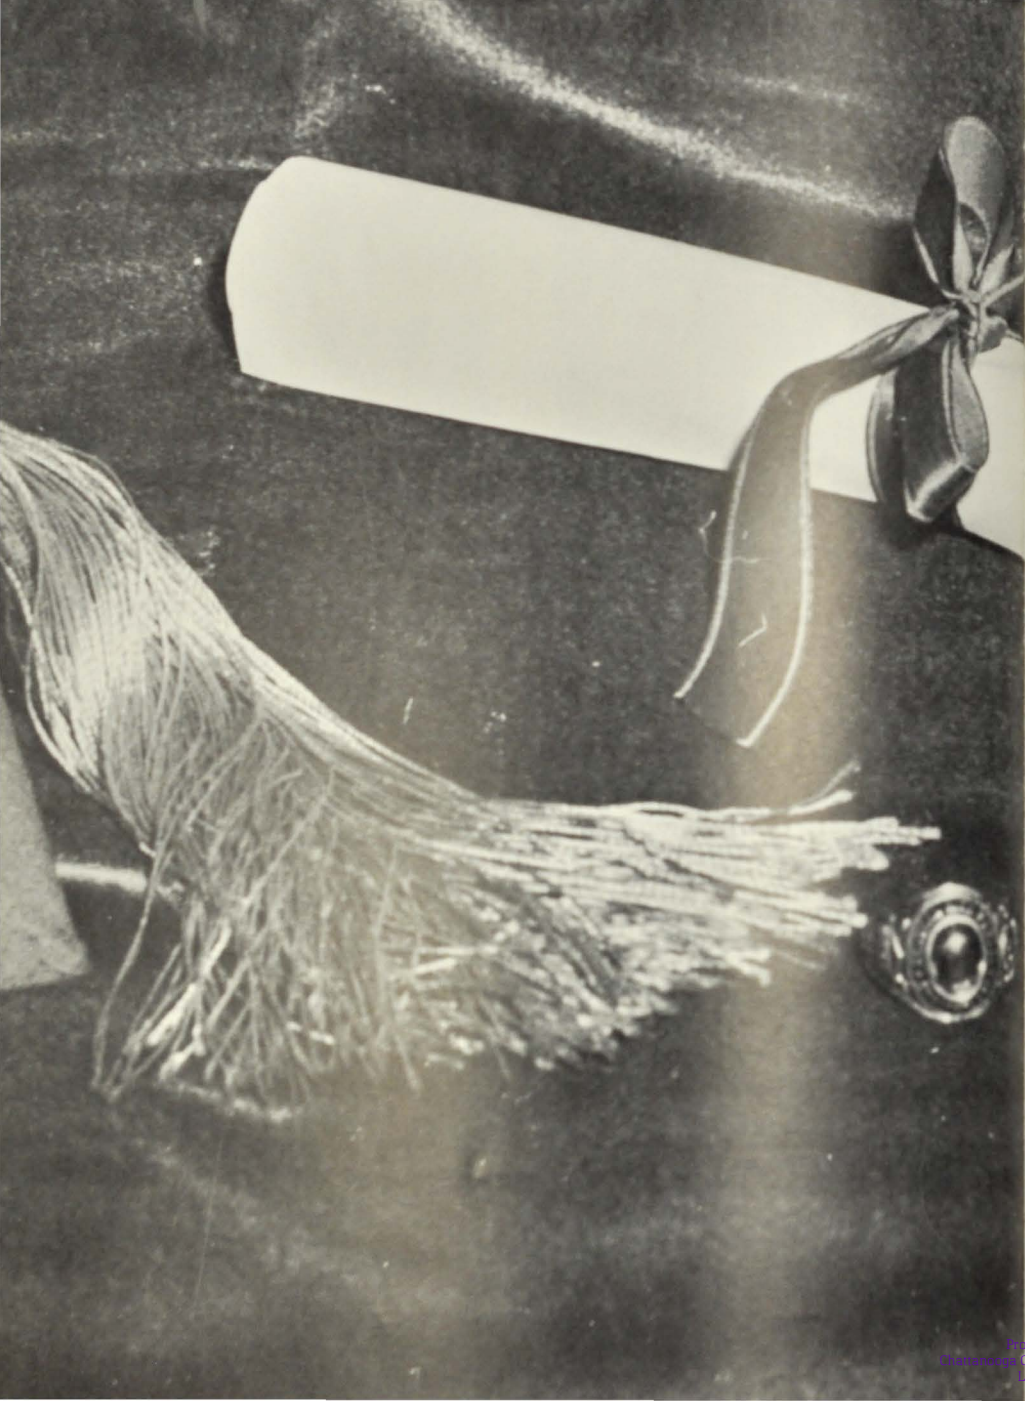

To achieve the latter, the role of the language laboratory in the instructional program looms increasingly important since it provides regular practice in listening and repeating the foreign language as presented by educated native speakers.

Listening practice is intended to lead to the ability to understand the spoken language and the acquisition of a language laboratory should be of real value in attaining this goal, not to mention its value as a means of motivating the student in his language efforts.

ENGLISH

The English Department is composed of twelve instructors who have the task of motivating students to think. In the study of grammar and composition, we strive to teach students more effective ways in which to express their thoughts, and in the study of literature we strive to enrich the lives of students by introducing them to the masterpieces of literature; to make the literary experiences meaningful to them; to enhance reading skills; and to stimulate vocabulary growth.

Colonel Daniel S. Winton and Miss Terry Watson

Captain Richard W. Brown

M/Sgt. Hammonds

SFC Gilbert

The Reserve Officers Training Corps of Central High School was organized on December 29, 1919 when an order to establish such units in Chattanooga high schools was issued by the Secretary of the Army and signed by the Adjutant General and the Chief of Staff.

This unit is now in its forty-third year of operation and has proved to be an important factor in discipline and behavior throughout its long history.

The military department offers three years of study, two of which are required. Classes are conducted on leadership, drill and command, map reading, care and cleaning of weapons and equipment, small unit tactics, and other subjects related to the history and organization of the Army. Teaching these classes is a staff of instructors consisting of Sgt. Brasher, M/Sgt. Lochrane, and SFC's Shelton, Shields and Sizemore. SFC Gilbert is the non-commissioned officer in charge of the department, and M/Sgt. Hammonds is the Administrative NCO.

This year a new attraction was added to the department in the field of tactical training—a mock battle was staged between Central and Chattanooga High School, and blank ammunition was issued to those chosen to participate.

THE 1962 PURPLE POUNDERS

COACHES: LEFT TO RIGHT: Seaton, Farmer, Etter, Archer, Hale.

AWARD WINNERS: Scott Campbell, Bill Thompson, Bill Rich, Tommy Aiken, Dan Page, and Charles Ladd.

Coach Etter congratulates new captains, Scott Campbell and Dick Phillips.

The 1961 Football Season

Starting the season off with flying colors, the Centralites cheered the Purple Pounders on as they finished seventh in the state in the Litkenhouse ratings with a record of eight wins and two losses. After losing to State Champion Bradley County, the Purple Pounders also met defeat when they faced the Oak Ridge Wildcats on Homecoming Night. Luck seemed to be in the hands of the opponents as Bradley scored in the first and fourth quarters. Because of injuries, the Pounders were not able to score until the last fleeting minutes of the game.

The Oak Ridge Wildcats were able to score in every quarter because of the fumbles and penalties which hurt the offense and defense of the Pounders.

Despite the defeat by these tough teams, the Pounders did not lose their undying spirit and went on to victory in the remaining games.

Led by captains Tommy Aiken and Dickie Byres, the team also had such outstanding offensive players as Charles Ladd, Bill Rich, Bill Thompson, Dan Page, Kenneth Mink, Jimmy Waldrop, Flody Keith, Don Richardson, and Steve Bevil.

The leading defensive stars were Dickie Phillips, Bill Thompson, Jimmy Waldrop, Scott Campbell, Charles Ladd, and Bob Thompson.

Under the guidance of Coaches "Red" Etter and Jack Archer, the corps of backs should be outstanding next year. The linemen should also stand out under the leadership of Coaches Stan Farmer and Jake Seaton. The 1962 Purple Pounders look forward to a very eventful year and the seniors wish them the best of luck.

CENTRAL JOHNSON CITY

14
0

For the fourth year in a row the Pounders topped a highly ranked Johnson City team. Charles Ladd started the year off right by blasting 61 yards on the first play from scrimmage, and then right before the half Tommy Aiken galloped 35 yards to paydirt. The Pounders' tough defense held the Hilltoppers scoreless as they came out on the long end of a 14-0 score.

CENTRAL GADSDEN

20
14

Central came roaring from behind to make a fine last quarter surge and pulled ahead of the Gadsden High Tigers. The Pounders collected their second win in two outings by scoring two quick touchdowns in the last quarter. The Pounders were led by Charles Ladd, Tommy Aiken, and Glen Jones in collecting the hard fought victory.

CENTRAL CLARKSVILLE

14
7

In a hard fought battle the Pounders squeaked by the Clarksville Wildcats by 14 to 7. Central was sluggish on offense during the game but managed by way of its rock-ribbed defense to eke out the close victory. Central scored in the second quarter on a 25 yard drive and again in the fourth quarter on a 38 yard screen pass to Charles Ladd. Clarksville scored on a 39 yard drive in the third quarter but was unable to tally again as the Pounders marched to their third straight victory.

CENTRAL KINGSPORT

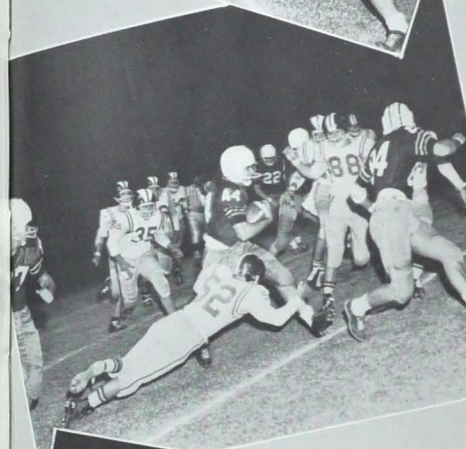

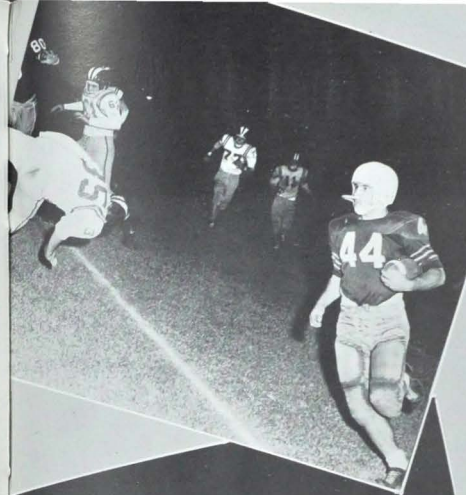

7
6

Probably the most exciting game of the year was Central's 7-6 win over top ranked Kingsport. The Pounders struck first on a 62 yard punt returned by Tommy Aiken and the extra point was made by Glen Jones. Kingsport couldn't dent the tough Pounder defense until late in the third quarter. The point afterwards was missed and the Pounders left J. Fred Johnson field with a long awaited victory over arch rival Kingsport.

CENTRAL BRADLEY

7
13

The Pounders, playing their worst game of the season, could do nothing right as Bradley County beat Central 13 to 7. Bradley tallied in the first and fourth quarters and held the Pounders scoreless until the waning minutes of the game. The Pounders, hindered by injuries, were beat for the game but still put up a terrible scrap. The loss came to the Pounders after they had won four straight.

CENTRAL CITY

21
8

The Pounders took up the old Central tradition of beating City again as they romped to a 21 to 8 victory. The Dynamos did happen to score a softy and a touchdown on a record fumble and an intercepted pass, but for these 8 points the Dynamos paid dearly as the Pounders dominated the play by scoring 21 points in the second and third quarters. The Pounders, led by Steve Bevil and Bill Rich, rolled up 280 yards in rushing while the defense played true to form by holding the Dynamos to only 100 yards in the total offense. This victory put a satisfactory finish on the 8-2 season for the Pounders.

CENTRAL EAST RIDGE

39
6

The Pounders bounced back from their first setback to romp East Ridge 39 to 6. Central pleased the crowd by displaying a lightning offense that rolled for 23 points in the second quarter. Long runs were the order of the night as Charles Ladd went for 87 and 78 yard tallies and Tommy Aiken spirited 22 yards on a draw play for another score. Terry Haupt added a 21 yard tally for the Pounders and two softies accounted for the rest of the score.

CENTRAL RED BANK

20
0

For the second year in a row the Pounders came out on the long end of a 20 to 0 score against the Red Bank Lions. Tommy Aiken and Charles Ladd were the possessors of the mercury heels as Tommy Aiken went for touchdowns on runs of 27 and 71 yards. Charles Ladd contributed a 38 yard scoring scamper. The hard hitting Pounder defense crushed the Lion runners time and time again to hold Red Bank scoreless. A complete rout of the Lions was stopped as Coach Etter gave his subs experience in the third and fourth quarters.

CENTRAL OAK RIDGE

7
26

In their only other loss of the year the Pounders suffered from the lack of Dame Fortune. Luck was not with the Pounders as fumbles shackled their offense and penalties hurt the defense. By taking advantage of the breaks the Wildcats scored once in every quarter. The only touchdown by the Pounders was an 87 yard kickoff returned by Charles Ladd. The game was a hard fought one and the tackling and blocking for both teams was vicious.

CENTRAL KNOX YOUNG

7
6

Once again the Pounders showed their come from behind spirit as they marched to a 7-6 victory in the final regular season game of the year. A nine yard dash by Tommy Turner with one minute, sixteen seconds left in the game and the point after by Glen Jones copped a fine 55 yard scoring drive. The Pounders then fell on an onside kick and ran out the clock for its eighth victory of the season.

1961-62

Basketball Season

The 1962 basketball team of Central High School proved to be a big surprise.

Under the leadership of Captain Wayne Steele and Alternate Captains Aaron Masters and Larry Hicks, the Purple Pounders compiled a record of twenty-two wins against only six losses—losses by one, two, or three points. They piled up a total of 1609 points against opponents' 1256 in regular season play. Seeming to want to keep their new gym clean, the team suffered no defeats there. Their seven-one record in the newly-formed Hamilton Interscholastic League gave them the AA Crown.

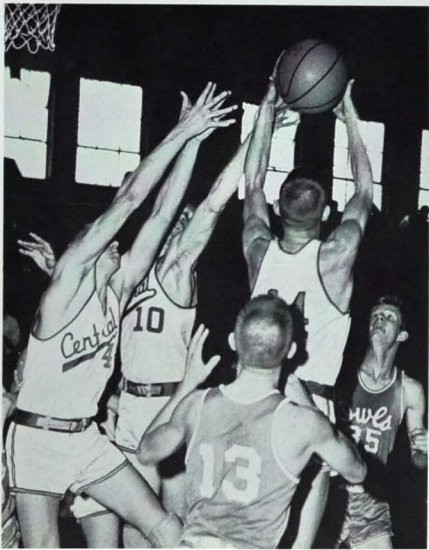

Tournament time rolled around and the Pounders were ready to go. Three successive victories led the way to the District Nine trophy. In the process three men, Wayne Steele, Bill Thomas, and Jack Woods made the all district team.

On their second night in the regional tournament, the Purple dream of a state championship was shattered by the Tigers from Meigs County. For their outstanding play, Larry Hicks, Wayne Steele, and Jack Woods were elected to the all regional team.

More honors came as Captain Wayne Steele was selected for the all-state squad.

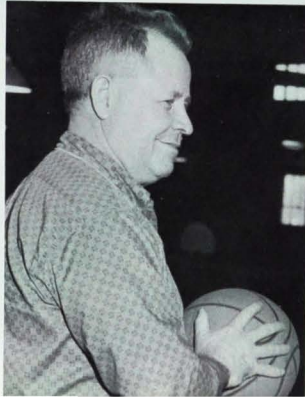

The 1962 squad had four seniors—Larry Hicks, Aaron Masters, Wayne Steele, and Jack Woods. All four were starters.

Mink, Barry Hudnall, Ronnie Priddy, Bobby Etter, Bill Rich, Ronnie Pack—Co. Capt., Dan Page Gary Westcott, and J. C. Pollard; THIRD ROW—Coach Hale and Aaron Masters.

The 1961 Baseball Season

The Captains—Red and Ed

Under the leadership of Captains Ronnie Pack and Eddie McGhee, Coach Jimmy Hale's Purple Ponders rolled to a season record of eight wins and three losses and an overall record of thirteen wins and only five losses. They were champions of the District Tournament and co-champs of the Knoxville Round Robin Tourney.

Leading the hitting department for the Purples was Jerry Shuford with a phenomenal .517 batting average. Other leading hitters were Ronnie Pack, Eddie McGhee, Aaron Masters, Lloyd Benton, and Johnny Lasater. Leading pitchers were Jerry Shuford and Ronnie Pack with 11 of the team's victories and only 1 of the losses.

Some of the big victories for the Ponders were over Soddy-Daisy, City, Tyner, and Red Bank.

The year's lettermen were: Ronnie Pack, Eddie McGhee, Jerry Shuford, Johnny Lasater, Lloyd Benton, Aaron Masters, Ronnie Kendall, Gerald Griffith, Kenneth Mink, Larry Whitten, Jimmy Davis, Bobby Etter, Larry Westcott, and Benny Hartman.

The returning award winners will be Lloyd Benton, Jimmy Davis, Bobby Etter, Aaron Masters, and Kenneth Mink. It is hoped that these boys, along with many promising sophomores, will carry the Ponders to another fine season and possibly to a state championship.

The Bank and Bookstore Staff has served Central for many years. The Staff is one of the most serviceable organizations in the school and performs such duties as operating the bank and bookstore and serving as cashiers. In this way the members gain valuable business experience and training which will be of benefit to them in later life.

The students on the Staff are recommended by the faculty. From these students the members of the Staff select those which they think will make the best members.

We wish to express our appreciation to the members of the Bank and Bookstore Staff, who serve everyone willingly and with a smile. The Staff is sponsored by Miss Ruby Nipper, who is head of the Business Education Department.

The council is dedicated to improving scholarship, giving additional opportunities for leadership and service, promoting cooperation between the student body and faculty, and initiating projects to improve Central High School. Among the educational, social, and service projects sponsored in 1961-62 are Awards Day, honoring scholarship achievement in each department; Honor Code, formulated to serve as a guide of exemplary conduct; Assembly Speakers, chosen to stimulate interest in world problems, ex-governor Frank Clement and Mr. John Popham; Junior High Programs, organized to encourage prospective students to choose Central; community center rallies, initiated last summer to boost Central; Junior High and Open House, held after the Red Bank-Central game; Junior Prom, Commencement Dance, Christmas Baskets, and Radio Station WPAG.

To the Graduates of the Class of 1962:

The officers of the Central High School Alumni Association are happy to extend greetings to the graduates of the Class of 1962. They are aware of your attainments and your ambitions. They wish for you success in proportion to your ability, ambition and application. These are crucial days and we urge you to continue your progress in education by attending the college of your choice.

The Alumni Association seeks to serve Central High School. Our projects are too many to list here. We constantly are looking for ways to improve our school. In order to serve to the maximum, we need each graduate to join our association. When you are in a position to assist us, we ask you to join in this cooperative movement for the assistance of our school.

We wish for you the best in the future and we ask you to, at all times, elevate the name of our school, community, and nation.

OFFICERS OF ALUMNI ASSOCIATION

EXECUTIVE BOARD

SEATED LEFT TO RIGHT: Mrs. Harry Phillips, Recording Secretary; Mrs. Arch Slaten, 1st Vice-President; Mrs. Whitt Allen, President; Mrs. Charles Silver, Treasurer; **STANDING:** Mrs. R. C. Gilliland, 2nd Vice-President; Mrs. George White, Corresponding Secretary; Mrs. Allen Farris, 3rd Vice-President; Mrs. Walter Pickering, 4th Vice-President.

OBJECTIVES OF THE P. T. A.

- To promote the welfare of children and youth in home, school, church, and community.
- To raise the standards of home life.
- To secure adequate laws for the care and protection of children and youth.
- To bring into closer relation the home and the school, that parents and teachers may co-operate intelligently in the training of the child.
- To develop between educators and the general public such united efforts as will secure for every child the highest advantages in physical, mental, social and spiritual education.
