ALMA MATER

What a wonderful school is ours to love,
With its ups and its downs and its joys;
What a wonderful banner of purple and gold
As it floats o'er her girls and boys.
What a wonderful school that I love so well,
With its wonderful rep so high,
So you've heard of the school that's true as blue,
What a wonderful school—Central High.

PROLOGUE . .

In this year of momentous occasions, both tragic and exhilarating, we Centralites have chosen freedom and the words of our Alma Mater to be the theme. Freedom indicates the love Centralites have for their country, while the Alma Mater pays tribute to Central High School. Bearing in mind these noble thoughts, we present the 1963-64 edition of the CHAMPION.

"With a good conscience our only sure reward, with history the final judge of our deeds, let us go forth to lead the land we love . . ."

JOHN FITZGERALD KENNEDY
—Inaugural Address

What a wonderful school is ours to

love, with its ups and its downs and its joys

Hail! The heroes!

Here he is, fans!

As Americans, we have the privilege of living in a country where all people have an opportunity for education and a choice of careers.

A Tribute . . .

MISS EDNA CROSS

Miss Edna Cross, who, for nearly forty years, was a member of the Department of History. She was held in high esteem by her students and by members of the faculty. She was keenly interested in her students both as an adviser and as a friend. She possessed an unusual knowledge of history and always made available to her students information from her own vast store of knowledge in addition to that found in the textbook. Her devotion to duty and her high standards of conduct were matched only by her keen wit and her unique and endearing personality.

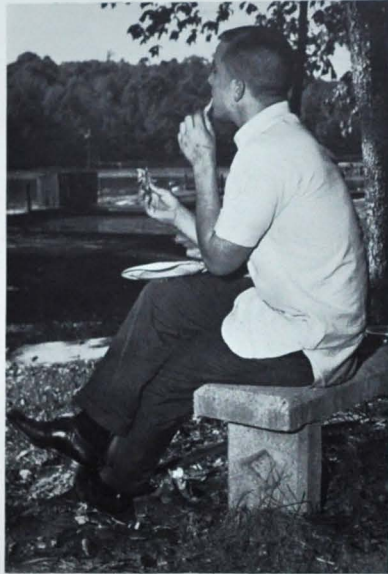

It was a privilege to all who were a part of Central High School to have known you, Miss Cross. You are one of the dedicated teachers who has made Central High School what she is today. You are truly one of the greatest!

In Memoriam

MISS LILLIE SCHWARTZ

In loving memory of Miss Lillie Schwartz, who passed away on Nov. 17, 1963. The Class of 1964 pays tribute to her forty-three years of devoted service as an instructor in language at Central High School. Her love for learning was matched only by her interest in the students who came under her instruction—demanding always that they give their best efforts to their work.

What a wonderful banner of purple and gold
As it floats o'er her girls

"Wonder if Plato ever tried it?"

Over all flies the Flag of the United States
—a symbol of honor, freedom, and the
pride of Americans. Over Central High
School waves a banner of purple and gold
—a symbol of honor, enthusiasm, and the
pride of Centralites.

"Are you kidding?"

and boys

"Naw. Couldn't be."

"It looks good to me!"

Satisfied?

Cheese?

What a wonderful school that I love so well

The pow-wow.

"Don't you touch me!"

With its wonderful rep so high,

Wild, man wild!

Central is an outstanding school in our wonderful country. It takes all students working together with the faculty through paths of service to keep Central's rep the very best.

It MUST be funny!

Harry's souvenir from City High.

So you've heard of the school that's true as blue

This is the Central way.

"It beats workin'!"

"I pledge allegiance."

... What a wonderful school, Central High

"Why tell ME? Tell Mr. O'Neill!"

Hey, Fred! Somethen's showin'!

Central's curriculum offers opportunities for students to prepare themselves for almost any career. We at Central believe in fun, frolic, and fellowship with classmates as well as serious study.

The chief and his able assistant.

The Principal

Dear Seniors,

This is an explosive age and the explosion of knowledge is a much talked about fact today. New information is presently being recorded at a monstrous rate which makes it impossible for an individual to read, much less to retain, even a small portion of it.

As a result of this explosion, three questions are of great importance to all of us. These are: What is worth knowing? What knowledge prepares us for the acquisition of new knowledge? What kind of an education is most likely to help us to become most proficient during a lifetime of learning?

To the Class of 1964, the fifty-seventh graduating class of Central High School, I extend my personal congratulations. I wish for each of you a happy and useful life. I hope that you have been challenged during your high school years whereby you will utilize your many abilities and attain your greatest potential.

Sincerely yours,

W. Hobart Millsaps

W. HOBART MILLSAPS

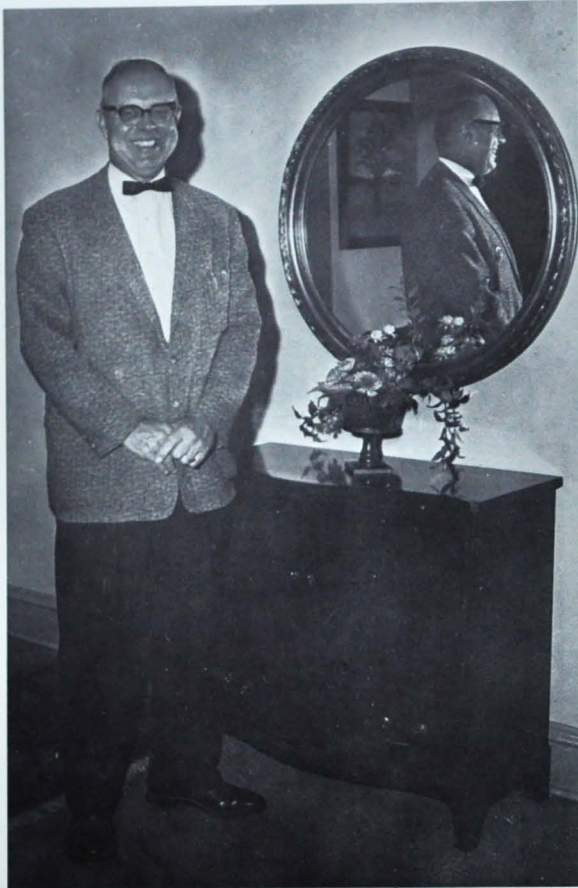

The Assistant Principal

Mr. W. Everett O'Neal, our competent assistant principal, is always willing to advise the student and handles many of Central's problems. Agile wits and a keen sense of humor personify his personality and make Central a more pleasant place in which to work, study, and play.

W. Everett O'Neal

"A reference??"

MR. LESTER NEWTON

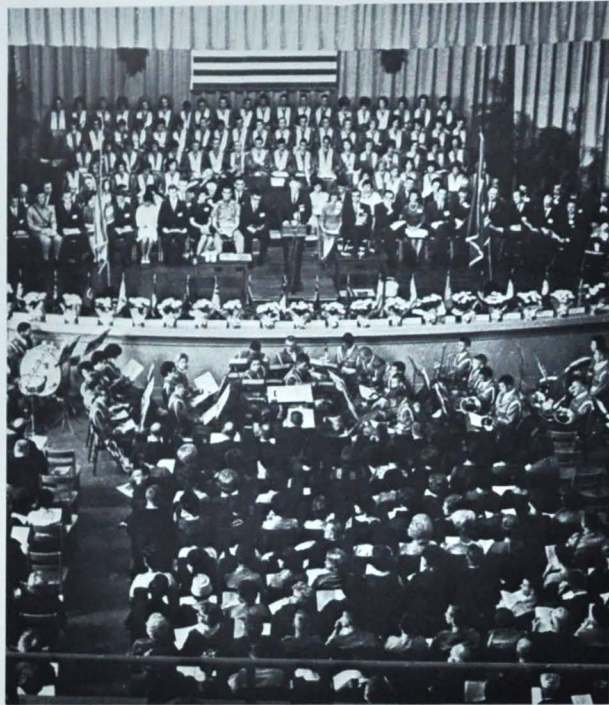

For the past twenty-two years, Mr. Lester Newton has personified the true characteristics of Mr. Central. Loyalty, devotion to duty, and the fullest manifestation of Christian living have been guiding lights for us, the seniors of the class of 1963-64. With the deepest feeling of gratitude for his many contributions to us, we dedicate our yearbook, the CHAMPION, to the one and only, "Coach" Newton.

Dedication

Bellamy Award Week . . . 1963

Bellamy Award

"Central's finest hour."

HISTORY OF THE BELLAMY AWARD

The Bellamy Award honors the free public school system in this nation and those schools which are alert to the true meaning of the Pledge of Allegiance. The Bellamy Award was devised to identify Francis Bellamy as the author of the Pledge of Allegiance to the Flag of the United States of America. It was established by Miss Margarette S. Miller, Portsmouth, Virginia, originator and director of the National Bellamy Award.

AN HONOR AND A CHALLENGE . . .

Ten outstanding factors won the Bellamy

- **Principal's Proficiency**—Mr. W. H. Millsaps, Central's conscientious and loyal administrator, has presented an excellent image of the school, staff, and alumni.
- **Freedom Foundation Awards**—In the past ten years, Central has received eight of the annual awards which are given for outstanding display of patriotism.
- **CHMAQUE Brochure**—Central High Means All-round Quality Education is a pamphlet sent to area junior high school students.
- **Alumni**—Central's active alumni association promotes scholarship awards and projects for the improvement of the school.
- **ROTC and Girls' Battalion**—"These units develop patriotism, respect for authority, and qualities of leadership."

- **Bible Classes**—These classes place emphasis upon the contribution of the Bible to history, art, literature, and music.
- **Teachers**—Central's teachers have an unusually outstanding record of long terms of service.
- **Public Relations**—Business-Industry-Education Days and community projects, such as the theme, "Improving Americanism," are examples of effective public relations programs.
- **Administration's Attitude**—The administration's willingness to teach all students and care for all phases of their development is typical of Central's attitude.
- **The Honor Code**—"This code exemplifies the Central Spirit."

Miss Margarette S. Miller, Director of the National Bellamy Award, and Judy Yarbrough, Award Student Co-Ordinator for the State of Tennessee.

Central High School, the newest member of the Bellamy Family of schools.

Mr. Marshall R. Taylor, Principal of Wausau Senior High School, Wausau, Wisconsin, will host the Bellamy Award ceremonies in 1964.

Mr. Hobart Millsaps, Principal of Central High School.

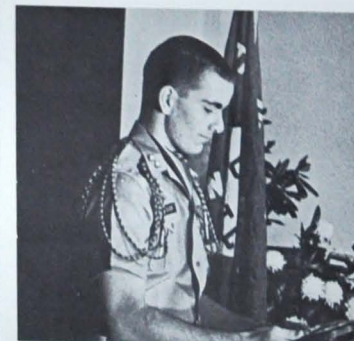

Miss Margarette S. Miller, donor of the National Bellamy Award.

The Honorable Frank Clement, Governor of Tennessee.

Bryant Millsaps introduces the student representatives from other Bellamy Award winning schools.

Russell Dugger, President of The Central Student Council, accepts the Bellamy Award for The Central High School student body.

GUESTS, NOTABLES, STUDENTS SHINE IN SPOTLIGHT

Miss Cora Mae Fitzgerald, National Bellamy Advisory Board, pays tribute to the late Estes Kefauver, Senator from Tennessee.

Mr. Roy F. Miller, Co-Director of the National Bellamy Award, presents an award for honorable mention to Mr. W. D. Human, the Principal of Clinton High School, Clinton, Tennessee.

The Pledge of Allegiance to the Flag of the United States was written by Francis Bellamy of Rome, New York. Bellamy was on the staff of *The Youth's Companion*, Boston, when he wrote the Pledge. It was first used on October 21, 1892, in an observance of the 400th Anniversary of Columbus' discovery of America.

Mr. E. B. Etter accepts from Miss Miller the Award for The Central High School Alumni.

Francis Bellamy, author of the Pledge of Allegiance to the Flag of the United States.

*I pledge allegiance to my Flag and (to)
the Republic for which it stands -
one Nation indivisible - with liberty
and justice for all.*

FRANCIS BELLAMY - 1892

On Thursday, October 10, 1963, Central's auditorium became a district court. At this time, persons from the local area applying for citizenship were naturalized.

Central's student council sponsors a picnic at Camp Dixie.

Guests and visitors gather at the Pan-O-Ram Club for State luncheon.

Hosts and guests take a cruise on the excursion boat, LAKE QUEEN.

Miss Derryberry chats with Central students and their guests.

Centralites and guests tour points of interest in Chattanooga and the surrounding area.

Students, teachers, and alumni make pilgrimage to Portsmouth, Virginia, as guests of faculty and students of Craddock High School.

Patriotic themes prevail on bulletin boards of Central.

Students from Maine to California come to Central for the Award presentation.

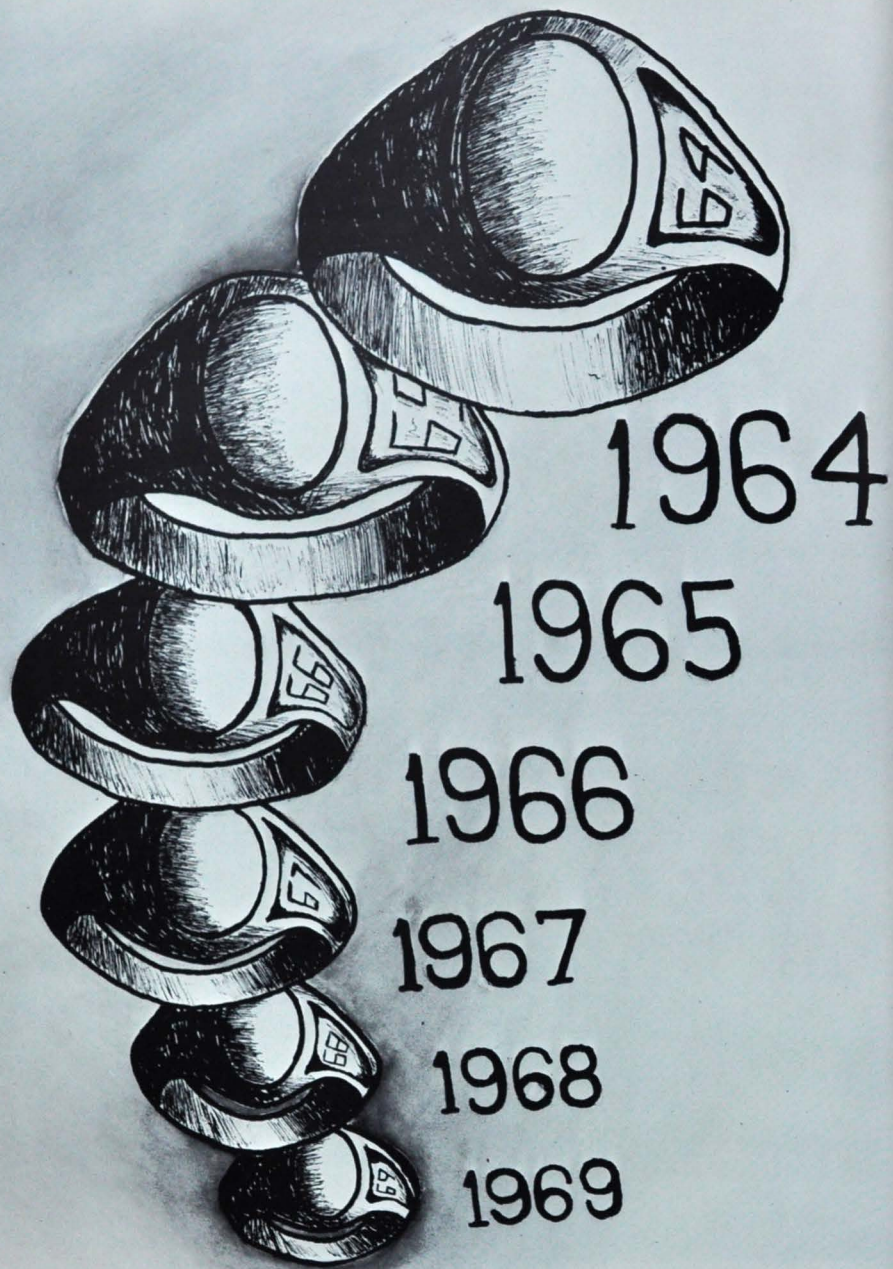

Central students, Judy Whitaker and Johnny Slaten, scan array of gifts from other Bellamy Award schools.

Central hosts and their guests.

Central honors Mayor Kelley.

Business Education

The Business Education Department has designed its program to meet the needs of all the students.

For those who plan to secure a vocational competence, excellent training is offered for secretarial, bookkeeping, clerical, or stenographic positions.

For those who plan to go to college, courses are included which give valuable basic training for their work there.

Lastly, for all students, the department provides a non vocational education which creates an appreciation and understanding of the business world.

Guidance

Guidance is an organized program through which we help boys and girls to understand and to use wisely the educational, the vocational, personal potentialities, and the opportunities which they have, or can develop. With such a concern, a wholesome climate should prevail for all students to develop in a positive planner. Counselors are willing to assist students with all school problems. Mr. Hale is the director of the program at Central, and Mrs. Okrasinski is the assisting counselor. Guidance services focus upon individual pupils. These services are thought of as organized activities designed to give systematic aid to pupils to assist in their learning about the large complex and changing world of opportunities.

Art

The objectives are to give the student a special means for personal and individual statement, thus helping to increase his realization of his own worth as one human being capable of doing something well and responsible for using well his peculiar abilities. They furnish the pupil with the special vocabulary of art: color, line, form, light, dark, paint, brush, pencil, paper, clay, stone, metal, cotton, silk, wool, and man-made fibers. It helps to arouse the imagination to the point where the pupil will strive to put into form his own ideas, rather than turn to "the book" for something to do. They furnish only what technical skill the pupil may need to express his idea. It gives some experience in a number of art areas so that the pupil may have some basis for choice in further art study.

History

The History Department, led by Mrs. Virginia Skates, offers a number of courses in order to improve the quality of citizenship and to help students understand national and world problems.

Tennessee history is taught in the seventh grade, and United States history is taught in the eighth grade. Bible is offered in grades nine through twelve. World history is open to sophomore, junior, and senior students; and American history is required in the senior year.

Music

Our Music Department is one of the best, with opportunities for all in almost any field of music in which one wishes to participate. By participation, we broaden ourselves and learn to distinguish that which is good and at the same time study music that will enrich our lives.

Home Economics

Students in the Home Economics Department get acquainted with the problems met by the entire family: physical, social, material, and emotional.

Consideration of individual problems such as reducing diets, personal grooming, and proper styling of clothes, adds to the self confidence of the individual.

One of the basic objectives of home economics is to raise the standards of home living. This purpose is provided by a program which includes budgeting, management, child care, clothing, planning, and preparation for nutritious and balanced meals.

Industrial Arts

The Industrial Arts Department is led by Mr. J. J. Fletcher. This department includes mechanical drawing, woodworking, printing, and auto mechanics with a major offered in each. The purpose of this department is to give students knowledge and guidance in practical skills useful for future occupations. This year there are three hundred fifteen students enrolled in these useful courses.

Social Science

The chief purpose of education is to train every student to become the best citizen he is capable of being. The social science subjects have the above purpose. They cannot achieve this aim entirely; they contribute to the achievement of it. Civics, economics, sociology, and psychology are comparatively new subjects in the curriculum. They are enriching subjects. They seek to acquaint the students with background and environment and to contribute to his maximum usefulness in our society.

Languages—English

The English Department, composed of thirteen instructors, offers courses to meet the needs of all students in the school. In addition to the basic courses in composition, vocabulary, and drill, special features of the department are courses in reading, journalism, creative writing, speech, and dramatics. Both school publications, the *Digest* and the *CHAMPION* are sponsored by the English department.

Mathematics

The mathematics curriculum consists of those courses, activities, and units of instruction designed to contribute to the common and specialized mathematics needs of secondary-school pupils. The curriculum places particular stress on developing accuracy and facility in the use of computational processes in practical situations. Provisions are made for pupils to develop skills and abilities in the mathematics areas of geometry, graphic representation and interpretation, elementary analysis, and scientific thinking.

Foreign Languages

In our Foreign Language Department we are trying to develop facility in reading and writing the language, together with a more realistic approach to understanding and speaking the language.

To achieve the latter, the role of the language laboratory in the instructional program looms increasingly important, since it provides regular practice in listening and repeating the foreign language as presented by educated native speakers.

Listening practice is intended to lead to the ability to understand the spoken language, and the language laboratory is of real value in attaining this goal, not to mention its value as a means of motivating the student in his language efforts.

The Department Heads . . .

Speech

The Speech Department offers beginning speech and dramatics to all students, grades nine through twelve.

The aim of the program is to help students to develop competency in participation of school and community activities.

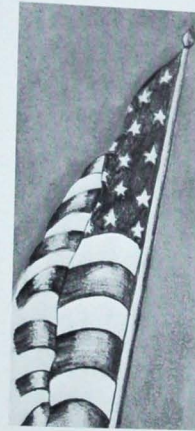

This department is responsible for the production of school plays, the presentation of speeches on Senior Day, Class Day, and Commencement.

Science

The Science Department is composed of seven instructors with Mr. J. Arlie Hoodenpyl as head. Within the department there is a composite one hundred and two years of teaching experience. Included in the department are general science, biology, chemistry, physics, and photography. During the present school year there are eight hundred fifty students enrolled within this department, whose purpose is to instruct the students in scientific knowledge and its practical application.

It's no big thing. You'll get over it.

... and what will you have?

Shelley makes star roll again.

Hum. Look at that good looking boy!

Hey, Mom, a couple of kids are coming for dinner.

Look at our new uniforms.

Poker game—Room 313—after school—be there.

Meet Central's Beatles.

We look up to our leaders.

Quick! Here comes Mrs. Skates!

Marching today?

R. O. T. C. at Central

The Reserve Officers Training Corps of Central High School was organized on December 29, 1919, when an order to establish such units in Chattanooga high schools was issued by the Secretary of the Army and signed by the Adjutant General and Chief of Staff.

This unit is now in its forty-fifth year of operation and has proved to be an important factor in discipline and behavior throughout its long history.

The military department offers three years of study, two of which are required. Classes are conducted on leadership, drill and command, map reading, care of cleaning of weapons and equipment, small unit tactics, first aid, and other subjects related to the history and organization of the Army.

*"So you've heard of the school
that's true as blue . . ."*

FOOTBALL

Looking back over the '63 season of the Purple Pounders the first thing that comes to mind is success. Although the Pounders were not able to capture the State Crown as they had in the previous year they finished with a fine record of five wins, five losses and one tie. The team's slow start was accredited, by many, to their youth and inexperience. Even though they were not able to capture the State title, the school supported them with that good old Central spirit.

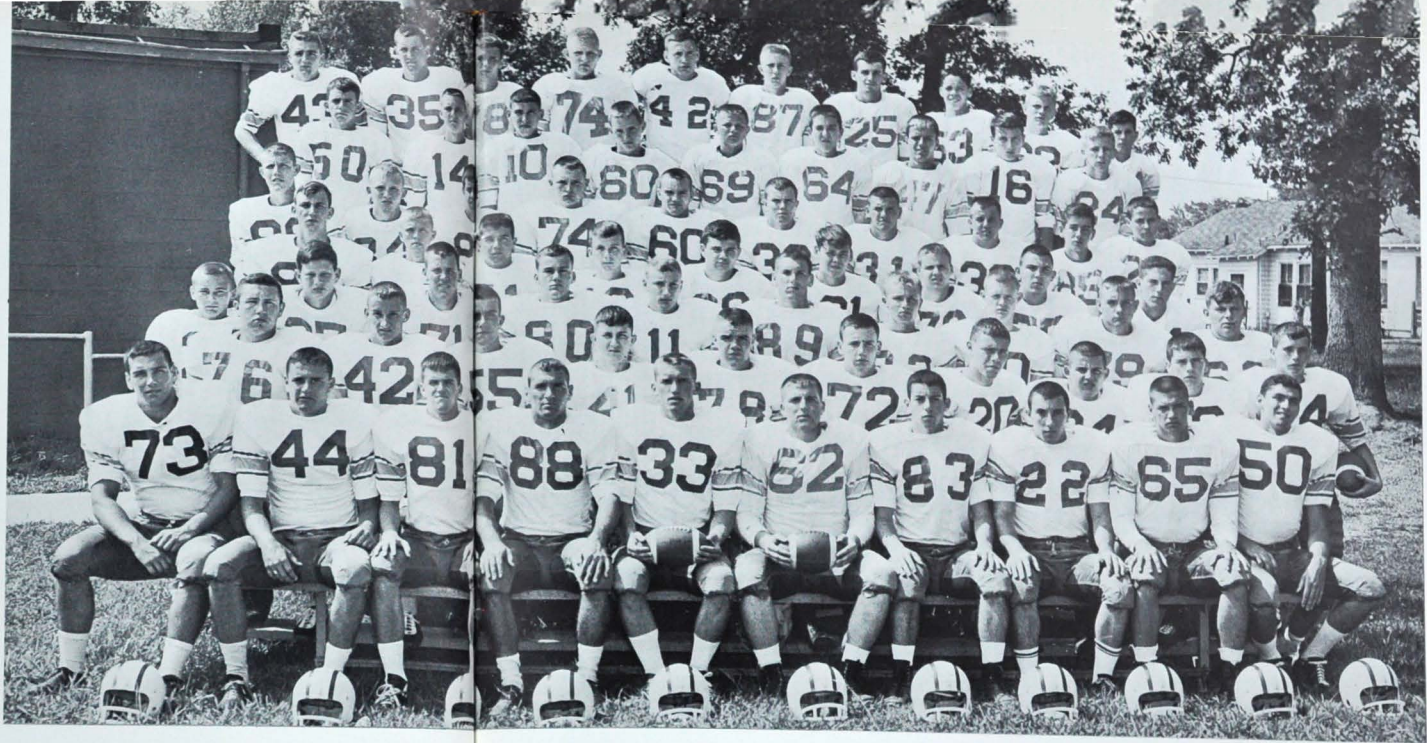

Our outlook for the next year is bright with the return of most of the first team. The backfield is looking outstanding under the coaching of coaches "Red" Etter and Jack Archer. The line should do equally as well with the help and encouragement of coaches Stan Farmer and Jake Seaton.

CENTRAL 6; JOHNSON CITY 21

Central opened their season this year with a loss to Johnson City. It was Johnson City's first victory over a Red Etter coached team in six meetings. Glen Altman sparked for Johnson City by completing two touchdown passes. The first pass came during the first quarter of play. The second touchdown pass for Johnson City came in the third quarter. The final Johnson City touchdown came in the fourth quarter. The single Pounder touchdown was made by Phil Lewis who went over from the three-yard line in the second quarter.

CENTRAL 0; GADSDEN 12

The Pounders suffered a defeat in their second game of the season to the Gadsden Tigers. This was the first time since 1910 that the Pounders have lost their first two opening games. The scoring was done in the final minutes of the game. The two Gadsden touchdowns were made on an eighty-yard drive and an intercepted Central pass. Unfortunately the Pounders never scored.

CENTRAL 33; CITY 7

After losing their first two games the Pounders decided it was time to start winning. The first victim of the Pounders wrath was their cross town rival City. The only City touchdown came during the first half. The rest of the ball game belonged to the Pounders all the way. Among the stars for the Pounders was sophomore quarterback Larry Shelly, who completed two touchdown passes. Others who helped the scoreboard change for Central were senior halfback Gary Quarles, sophomore fullback Phil Lewis, senior end Leon Fraley, halfback Bill Harless, and captain Johnny Slaten. Extra points after touchdown were made by Harless and Bryant Millsaps.

CENTRAL 0; KINGSFORT 6

Central lost a heart breaking ballgame against the number one rated Kingsport Indians in Kingsport. The only score of the game came during the second quarter of play. After a fifty-yard drive and an end zone pass, the scoring was over. The Pounders invaded the Indians territory only twice. The most outstanding offensive performers for Central were fullback Phil Lewis and halfback Gary Quarles.

CENTRAL 21; ELIZABETHTON 7

Central's second taste of victory came during the game with the Elizabethton Cyclones. Central's quarterback, Larry Shelly, completed three of six passes for 117 yards and one touchdown. During the second period Ken Pack went up the middle from the nine to score after Jerry Blancett took a twenty-five yard pass from Shelly. The third score came after a 55-yard run from Bill Harless. The only Cyclone touchdown came in the last minute and 54 seconds of the game.

CENTRAL 6; BRADLEY 7

Central's greatest rival, the Bradley Bears, shadowed the Pounders by one point. This was one of the most exciting games of the season. Larry Shelly sparkled by completing 14 of 23 passes for 155 yards. The Central touchdown came from an end zone pass from Shelly to Quarles. The extra point was missed by Central but not for the Bears who scored on a 45-yard run by David Cawood. Ed Becker, the Bears extra point specialist, booted the decisive point of the Bears game.

CENTRAL 7; BRAINERD 6

Brainerd gave Central one of the nearest most hard-fought games of the year. Brainerd scored first in the third period. The point after touchdown was missed. During the fourth quarter the hopes of the Pounders looked thin until sophomore quarterback, Larry Shelly, completed a pass to halfback, Ken Pack, who made the touchdown. The payoff came on an end zone pass from Shelly to Quarles. There was no scoring in the game after that.

CENTRAL 19; RED BANK 19

You might think that after a 19-19 tie, neither Central nor Red Bank had any kicks coming and that's how their defense played it. Central got started with a pass interception at the Lion 34. Two plays later Pack made the first T.D. for Central. The rest of the game was a nip and tuck battle up and down the field with each team scoring three touchdowns and one extra point. The three Central touchdowns came from Shelly passes and runs by Quarles, Pack, and Phil Lewis. David King provided the only Central point after touchdown.

CENTRAL 7; KNOX CENTRAL 21

Central's Pounders ripped back 67 yards with the opening kickoff but never got past the Bobcats 20-yard line after that as Central fell to Knox Central 21-7. After Central's T.D., that was gained by Gary Quarles, Carl Dunn and Marion Thompson sparked a drive for the tying touchdown. During the second half Knox Central didn't seem to have

CENTRAL 34; McMINN 6

Central Pounders found the scoring combination they have been looking for during this game. After breaking Gary Quarles loose with the opening kickoff he ran 89 yards for the first Central T.D. as Central proceeded in flooding McMinn in a 34-6 deluge the rest of the way. McMinn's lone touchdown came following the recovery of a fumbled punt at the Central 17. Leading the attack were sophomore quarterback, Larry Shelly, fullback, Phil Lewis, end, Jerry Blancett, Ken Pack, and halfback, Gary Quarles.

CENTRAL 35; NOTRE DAME 21

Central's Purple Pounders matched the dead eye passing of Q.B. Gregg McCall with spectacular long-distance runs, bringing the Irish to their knees and capturing the H.I.L. Championship. The running for the Pounders was done by fullback Phil Lewis and halfback Ken Pack. Pack and Lewis contributed long fourth quarter touchdown runs that put Central out of reach for the Irish. The outstanding quarterback for the Irish, Greg McCall, kept the Central defense on their toes. The winning game for the Pounders proved to be a chilly but exciting one.

a bit of trouble with the Ponders defense. Robert Watson of Knox Central found the second Bobcat paydirt. The third Bobcat T.D. came on a 60-yard run by Thompson. Top defensive players for the Pounders were Phil Lewis and Bill Harless.

Kneeling, Left to Right: Calvin Harrison, Lee Green, Danny Christian, Jimmy Dillard, Tommy Lawhorn. Standing: Kemzie Schultz,

Bob Burns, Harold Haggard, Bobby Johnson, Bud McBryar, Paul Brown, Sammy Warner.

GORDON (SNUFFY) SMITH
Coach

Central's Purple Pounders, coached by Gordon Smith, caught fire after a mediocre beginning and finished the season with the HIL AA championship, the District Nine trophy, and five HIL records.

The Pounders had an 8-8 record through January 17, then suddenly they pulled out all stops and rolled through thirteen opponents in regular season and tournament competition before being dropped in the Region III tournament by top-rated Lenoir City. The loss left the Pounders with a 21-9 over-all slate.

The Hamilton Interscholastic League (HIL) trophy was the second for the Pounders in the three years of the league's existence, but the trophy was just icing on the cake since the two key games in winning it were victories over City High.

The five HIL records the Pounders brought home were the individual scoring record for one game, Sammy Warner 46 points against Soddy Daisy; team offensive record for the season—671 points in 10 games for a 67.1 average. A tie with Notre Dame for team offensive record for one game came when Central scored 100 points against Soddy Daisy; the best defense for one game—Soddy Daisy held to 21 points; and the best defensive record for the year—the opposition held to a 44.6 point average.

COACH HALE

Baseball 1963

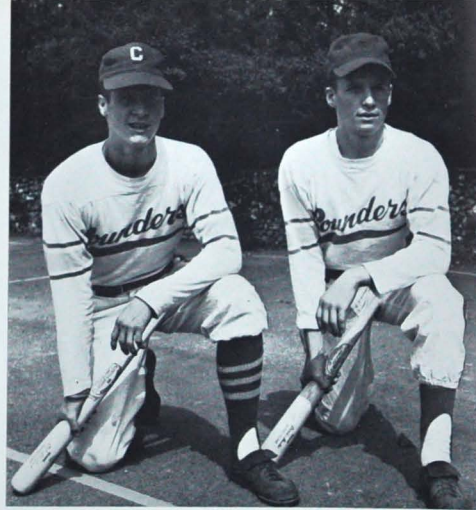

COMMENTARIES AND BEST WISHES TO THE '64 TEAM . . .

Bobby Etter and Jimmy Davis provided the leadership for the baseball team of 1963. The highlights of the year were the fine pitching performances turned in by Jerry Pace, Gary Quarles, Sammy Warner, and Ricky Jones. The opponents found it very tough obtaining runs and on several occasions Central found the opposing pitching just as tough. Jerry

Sloan led the team in the batting department with Bobby Etter and Jimmy Davis close behind. The graduating seniors wish the 1964 team the very best of luck. Several members of this team will be returning in '64 and many promising sophomores are also expected to fill the gap left by the graduating seniors.

First Row: Priddy, Sedman, Davis, Etter, Phillips, Thomas, Pace.

To the Graduates of the Class of 1964:

The officers of the Central High School Alumni Association are happy to extend greetings to the graduates of the Class of 1964. They are aware of your attainments and your ambitions. They wish for you success in proportion to your ability, ambition, and application. These are crucial days and we urge you to continue your progress in education by attending the college of your choice.

The Alumni Association seeks to serve Central High School. Our projects are too many to list here. We constantly are looking for ways to improve our school. In order to serve the maximum, we need each graduate to join our association. When you are in a position to assist us, we ask you to join in this cooperative movement for the assistance of our school.

We wish for you the best in the future and we ask you to, at all times, elevate the name of our school, community, and nation.

EXECUTIVE BOARD

Seated: Mrs. J. W. Sliger, Secretary. Standing, Left to Right: Mrs. James Gilley, 4th Vice-President; Mrs. George B. White, 1st Vice-President; Mrs. Arch Slaten, President. Not Pictured: Mrs. Woodrow Long, 2nd Vice-President; Mrs. Charles Silvers, 3rd Vice-President; Mrs. Harold McKaig, Corresponding Secretary; Mrs. Harry Phillips, Treasurer; Mrs. C. W. Sedman, Historian; Mrs. Whitt Aiken, Parliamentarian.

OBJECTIVES OF THE P. T. S. A.

- To promote the welfare of children and youth in home, school, church and community.
- To raise the standards of home life.
- To secure adequate laws for the care and protection of children and youth.
- To bring into closer relation the home and the school, that parents and teachers may co-operate intelligently in the training of the child.
- To develop between educators and the general public such united efforts as will secure for every child the highest advantages in physical, mental, social and spiritual education.

457 Dodson Avenue

 A detailed black and white illustration of a printing press. A large stack of paper is being fed into a series of rollers. A lightbulb hangs from a cord above the rollers, casting a beam of light onto the paper. The word "Platemakers" is written in a cursive script on the side of the rollers. Below the rollers is a bucket filled with ice cream.
