THE

## I M A G E

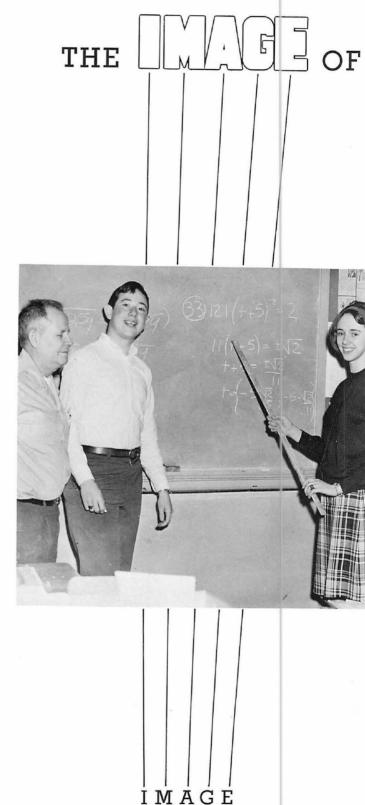

### STUDENT

Without students, schools cease to exist; with students, a school, especially CENTRAL, resounds and overflows with life. CENTRAL, containing 1497 vivacious, enthusiastic students, which arrive each day eager to acquire their education, projects an IMAGE of liveliness. This IMAGE further sketches itself through the various student activities with which CENTRAL scholars involve their daily lives; students government, numerous aptitude tests, and the vending of multitudinous articles (do-nuts, calendars, and tickets, to name a few) exemplify the truly great spirit of CENTRAL. To cast an accurate reflection of the GREAT CENTRAL STUDENTS is the purpose of this GREAT CENTRAL CHAMPION!!!!!!

Academic accomplishment is not always easily obtained. Considerable hard work and serious study command the spotlight in the show of scholarship. At CENTRAL all students strive for this spotlight, and many of CENTRAL's fine scholars merit the honors. The National Merit Scholarship Finalists, Semi-Finalists, and Letter of Commendation winners plus the Bellamy Award, Freedoms Foundation Awards, and scholarships to numerous outstanding colleges justify every claim to the superior academic level of CENTRAL. This IMAGE is second to none!

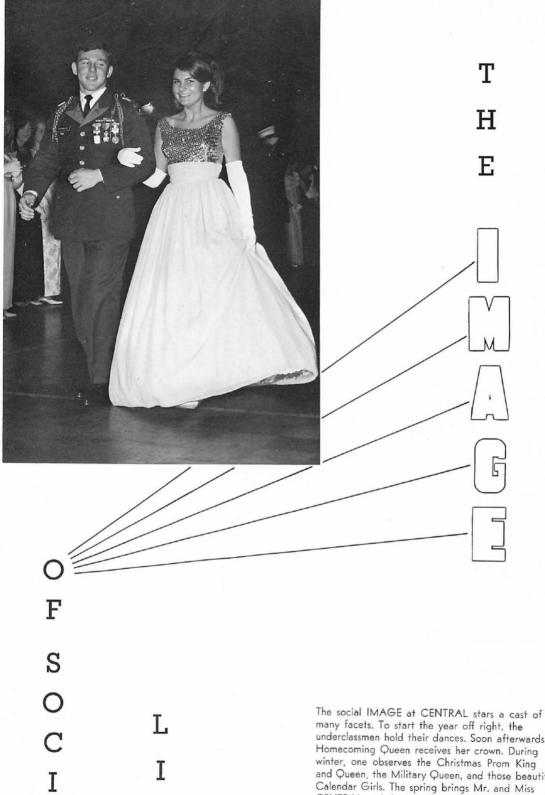

## SCHOLARSHIP

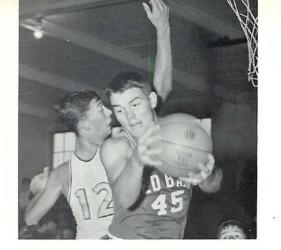

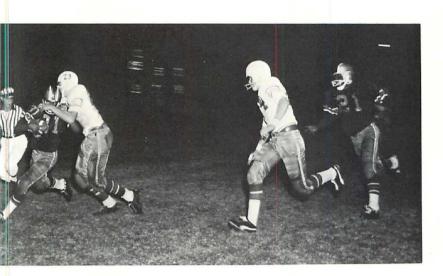

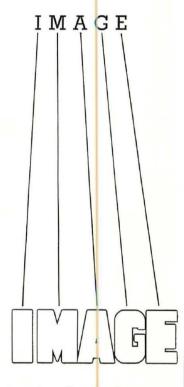

many facets. To start the year off right, the underclassmen hold their dances. Soon afterwards, the Homecoming Queen receives her crown. During winter, one observes the Christmas Prom King and Queen, the Military Queen, and those beautiful Calendar Girls. The spring brings Mr. and Miss CENTRAL and the May Day Festivities. Sprinkled throughout this heavy schedule of happenings, are the so-called minor events: class and classroom picnics and festivals, class plays, and club banquets. Every superb listing of social activities must have a piece de resistance; at CENTRAL, this is furnished by the Junior-Senior Prom, loved by all!

A

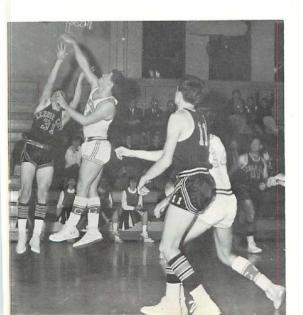

E

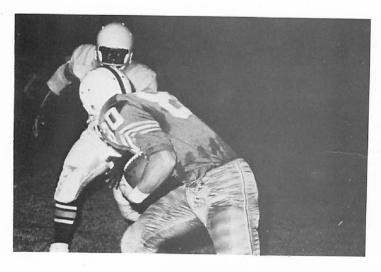

### POUNDED AN

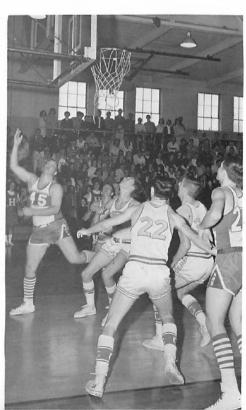

Excellence and great sportsmanship reflect the glorious image of sports at CENTRAL. A string of honors, fine playing, and victories accompany the tremendous spirit and tradition of sportsmanship in every CENTRAL sport. Under the guiding gaze of Coach Etter and his assistants, the CENTRAL football squad entered the Tullahoma Sportsmen Civic Bowl and emerged victorious.

## IN SPORTS

THE IMAGE

OF LOYALTY

Loyalty. Many critics of our younger generation remark that they believe delinquency results from the absence of loyalty to God and to fellowman. The IMAGE of Loyalty at CENTRAL discredits this concept, for CENTRAL students were prime factors in the presentation to CENTRAL of the Bellamy Award, the highest loyalty recognition in this nation. Whatever else we are remembered for doing, we shall be known for this IMAGE of Loyalty.

AN

14

## OF THE EXTRAS

"All work and no play . . . makes school a dull place . . ."
CENTRAL, dull? Never! What with plays, movies, and sports events among those other "special happenings," no one in his "right mind" could call CENTRAL unexciting. The image of the "extras" at CENTRAL is constantly on the GO-GO!

## IN TRIBUTE TO MISS MARJORIE OGLE

With pleasure and pride, THE CLASS of 1967 dedicates this CHAMPION to Miss Marjorie Ogle. Teaching English at CENTRAL for eleven years, Miss Ogle has brought recognition to herself as a superior teacher. She is esteemed by the students, parents, and faculty members. Serving as sponsor of THE CENTRAL DIGEST for seven years, she has led THE DIGEST to several honors, including a Superior rating by the Tennessee High School Press Association. The CHAMPION Staff and the Class of 1967 treasure our association with Miss Ogle and wish her happiness in the future.

Mr. Willard Millsaps Mrs. L. C. Peoples

## IN RECOGNITION OF RETIRED TEACHERS 1967

Mrs. Virginia Skates Miss. Dorothy Walker

### Central Recipient of National Bellamy Award

In 1963-64 Central became the proud recipient of the National Bellamy Award, which was created by Miss Margarette S. Miller, Portsmouth, Virginia, to acclaim Francis Bellamy as the author of the Pledge of Allegiance to the Flag of the United States of America. The bestowing of this honor upon Central was due to these ten qualifications: principal's proficiency, Freedom Foundation Awards, CHAMAQE brochure, alumni, ROTC and Girl's Battalion, Bible Classes, teachers, public relations, attitude of the administration and the Honor Code. This year, 1966-67, Cherry Creek High School, Englewood, Colorado, was the recipient; and Central's delegates to their ceremonies in Colorado were Nancy Feagans and David Haddock. They were accompanied by Mr. Millsaps and Miss Mildred Major. Central High School joins other schools in welcoming Cherry Creek to the Bellamy Award family.

David and Nancy display gifts to be presented to Cherry Creek.

Homeward bound

Miss Major, David Haddock, Nancy Feagans, and Mr. Millsaps.

Delegates gather from different states.

Nancy presents plaque to Cherry Creek at the ceremonies.

Patriotic beginning.

## ECHOING THE SIGHTS OF HAPPINESS

#### DING! DING! SCHOOL IS OUT! LET'S GO HOME!

"Her future is planned; Third finger, left hand."

"Fred Astaire has nothing on them."

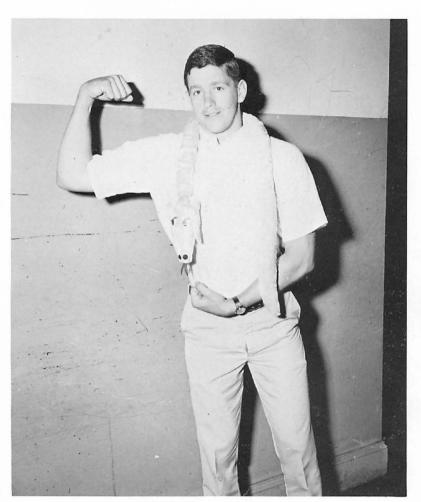

The numerous and varied activities of the Central High student are almost always amplified in the summer season. However, about the middle of April all students, particularly the seniors, are bitten by a wandering bug which leaves them stricker with a strange symptom identified as "spring fever." Of course, there's work; but the subject most talked about is play—the fun on the beach, the park picnic, that big game coming up in June, shouting and singing, laughter and silence. This is the peace found by students in the freedom of summer.

"My date just took off with whom?"

"And when I showed up with these, Mr. John threw me out of the class."

"Like a page from a Wild West Thriller; His title should be Lady Killer."

"Sure. I ALWAYS curl my hair with spoolies."

Go, Pounders!

"No! No! THIS is OUR goal!" "Three hours at the beauty shop and for what?"

"Humph . . . just as I suspected; I see him helping her into the car."

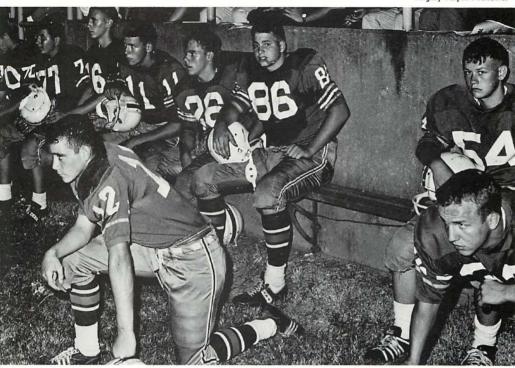

Spirit, the most important ingredient of any sport, enlivens and promotes a football or basketball game. Central's cheerleaders help start, gain and hold this traditional spirit. Whether the game is played at home or away, a group of cheering students, portraying true spirit for Central, is always there rooting the Pounders on to victory. The school spirit exhibited by the students of Central High is the very framework which provides the background for a winning team. Whether the Pounders win or lose, the student body still exhibits a loyal spirit for its alma mater.

"Come over here and let's talk. I'm beginning to worry about you, Mary Ann."

#### SPIRIT IS THE BACKBONE OF ALL SPORTS AT CENTRAL

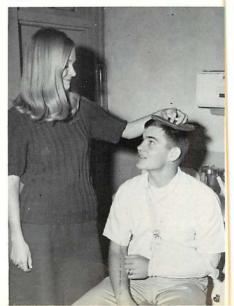

"Some people just don't know when to go to class!"

### 2 BITS, 4 BITS, 6 BITS, A \$1.00; ALL FOR CENTRAL, STAND UP AND HOLLER!

One of the most exciting and challenging of Central's activities is pep meetings in which the entire student body takes an active part. Under the direction of the cheerleaders, the students participate enthusiastically and let go with the old school spirit to support the team. The charging Pounder, the exuberant cheerleaders, yelling students, a faithful and dedicated radio broadcaster, these are the instruments of Central High's school spirit. This is the spirit which is felt in the thunder of pep meetings in the auditorium and sensed in the roar at Chamberlain Field.

"Who did you say that boy was that you hung in your locker?"

"Guess who? where? and when?"

"What were we discussing? Oh, yes, hurricanes."

"Money isn't everything. But it's way ahead of whatever is 'n second place."

"If you are inquisitive; if you enjoy searching for solutions to scientific problems, then try a Simplicity dress pattern."

"Members of National Smile Week."

"Your thumb I could understand. But how anyone could get their NOSE caught in a rifle . . ."

"Some people get all the breaks!"

"Here come those 'ghosts' again."

"Would you believe they're going to another feature movie?"

#### ENTHUSIASM IDENTIFIES THE LIFE OF A CENTRALITE

Identity comes to a person when he relates himself to other people—this may be done by sharing a warm handclasp, by being a sympathetic friend, or by working with others in an attempt to make a project successful. The true identification of a Centralite is displayed when he shows with enthusiasm that he wants to do and be all these things which relate him to other people. To attain identity he must live life and seek to impart it to other people.

"We thought there were laws against Child Labor."

"When you get to this muscle right here, you make a sharp U-turn to the left."

"Are you SURE these are still in style in Russia?"

#### CUPS RUNNETH OVER WITH

#### CLASSWORK AND HOMEWORK

While in this academic setting a student may be influenced by surroundings, people, ideas; but in the final analysis it is up to him to make his place in the world. He may become a carbon copy of the crowd, or he may dare to develop the unique resources that will make him, an individual. People, places, ideas, and activities will influence him, and if he is a serious and inquisitive student he will examine these parts of his life and evaluate their impact on him.

"Once upon a midnight dreary, as we pondered, weak and weary."

"Don't get too close to him. He's a reject from Moccasin Bend."

"This can't be my locker. Nothing fell out when I opened it."

"'Twas the eve before the finals and all through the study hall there was something different. People were studying."

"I don't care what you did at the State Reform School for Boys. At Central High one does not throw paper at the teacher to get his attention."

"A few stragglers at the end of a picket line."

"Mr. Towery calls this the 'Hawaiian-Surf' hair style."

"What's that '66 Senior doing in the picture?"

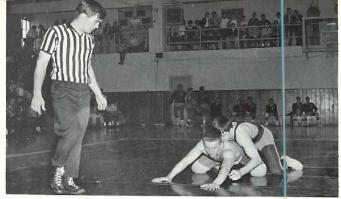

"I wish Debbie would introduce me to that yummy dis over there."

"Miss Stitcher! So YOU'RE the one who put fizzies in the water fountain!"

"I have your name, but what's your phone number?"

"I realize it was just a little Karata Chop you gave me. but referees some imes get mad about these things."

"Gee! I didn't know I had a 28-inch head!"

"Why do I think you've been using too much hair spray? Because my face is stuck to your hair."

## THE PULSE OF THE SCHOOL VIBRATES TO THE BEAT OF SPECIAL EVENTS

"Quit! That tickles!"

"No, we don't give 'trade-ins' on 1966 CHAMPIONS."

On February 14, 1967, the hushed silence was suddenly broken by several consecutive noises. Clash! Bang! Rumble! Rumble! Squeak! In the middle of all this confusion one might happen to peer from behind his homeroom door and see excited, flushed-faced seniors rushing eagerly down the stairs toward the auditorium door. Today was the day orders were to be taken for caps and gowns to be worn on that glorious night in May when the Senior Class of 1967 would proudly participate in Graduation Exercises.

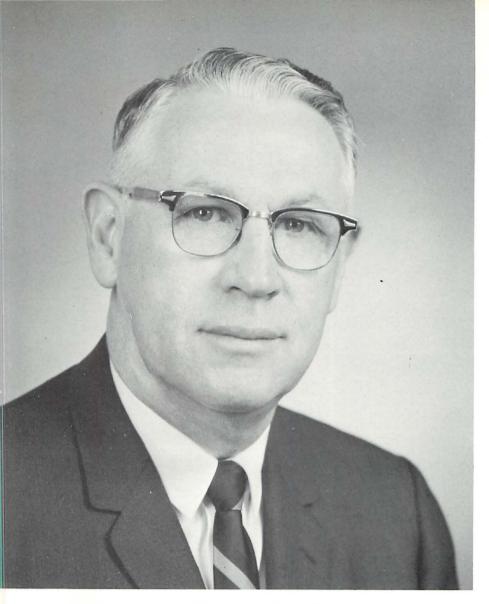

"Okay, gang. This is how the Monkees do it."

SYMBOLIZING LEADERSHIP AND GUIDANCE

# Mr. W. H. MILLSAPS PRINCIPAL

Dear Seniors.

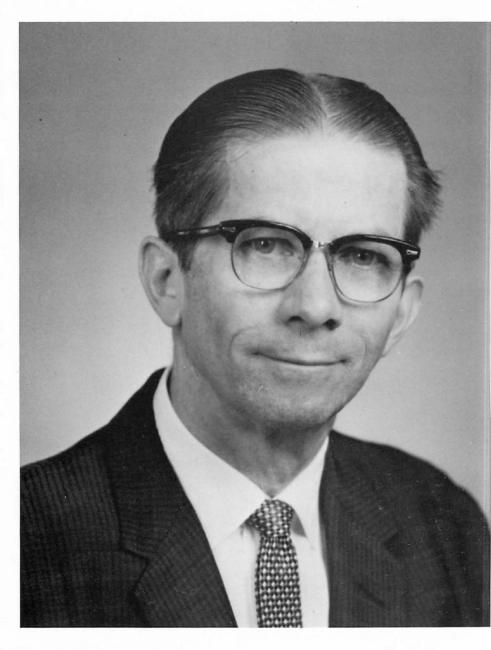

In this age, we have a grandstand seat from which to observe many significant and dramatic developments. One development about which we have not given much thought is the fast decline in the ranks of the doubters! Who doubts the impossibility of anything now? Prior to the period in which we are living, men broadened their horizons slowly and reluctantly. Not too long ago skeptics said the automobile would never replace the horse. Leonardo da Vinci, the

Italian artist and scientist, predicted during the Fifteenth Century that men would do their traveling by air. Eminent thinkers then and later scoffed at the idea. Less than three generations ago, people were laughing at the Wright brothers. What is next? Space ships? Interplanetary communications? Undersea cities? Medical developments presently inconceivable? Other fantastic scientific and technological achievements? Truly one world?

The future is for those who prepare for it.
Franklin D. Roosevelt once said, "The only limit to our realization of tomorrow will be our doubts of today. Let us move forward with strong and active faith."
The challenge is yours—doubt not!

Sincerely,

rinnelsaps

### Mr. W. E. O'NEAL ASSISTANT PRINCIPAL

Mr. W. Everett O'Neal, our talented assistant principal, is always willing to help students who seek his guidance. His bright intellect and keen wit makes for a unique personality. Although his job requires much firmness, he is held in high esteem by the faculty and students. We respect his position and regard him as a sincere friend.

MISS MARY LOU DERRYBERRY

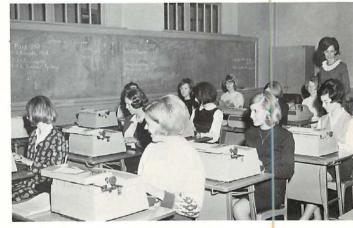

#### DEPARTMENT OF ART

The purpose of the Art Department is to give a special means for individual experience, thus helping to increase the realization of one's own worth as a human being capable of doing something worthwhile, and responsible for using well his peculiar abilities. Experience is offered in drawing with pencil, ink charcoal, chalk, and other mediums: in watercolor and oil paints: in ceramics, in weaving, in sculpture; in print making; in stitchery; and various other crafts. A library of about 500 volumes is kept in the Art Department and is immediately available when needed.

# DEPARTMENT OF BUSINESS EDUCATION

The Business Education Department offers a curriculum consisting of the following subjects: two years of bookkeeping, shorthand, and typewriting; office training; general business; one semester of business law and salesmanship. From these ten subjects, students are able to secure the necessary training for employment upon graduation, in one of the following office positions: bookkeeping, clerical, secretarial, or stenographic. Basic business education courses—bookkeeping, business law, general business, and typewriting—provide the skills, the understanding and appreciation of the business world that all high school graduates need for a more successful life. Typewriting should be taken by all college-bound students.

MRS. VIRGINIA SUMMEROUR

MISS ELLEN MULLENIX

#### E. Y. CHAPIN LIBRARY

The E. Y. Chapin Library, the largest and only endowed public school library in Tennessee, consists of approximately 19,000 volumes. Its major purpose is to serve the aims of the total educational program by (1) providing a rich variety of books and audio-visual materials, for use of teachers and students; (2) offering leadership in developing techniques for the use of these materials; (3) making available facilities, services, and equipment necessary for the selection, organization, and use of instructional materials.

Two librarians and twenty-five student assistants take pride in their library and in their service to their school.

# DEPARTMENT OF ENGLISH

The excellence of English in the Space Age is of utmost importance. Competence in communication is vital to the control of soaring rockets and of everyday affairs in our complex world. Ability to digest all a printed page conveys is essential to understanding developments in twentieth-century life. Concepts of grammar facilitate expression. Literature gives the student perception into the world in which he lives. Creative writing provides an outlet for ideas in a disciplined, expressive form. To lead satisfying lives, young people must be better equipped in English than ever before.

MISS MARY ELLEN RICE

# DEPARTMENT OF FOREIGN LANGUAGE

In our Foreign Language Department we are trying to develop facility in reading and writing the language together with a more realistic approach to understanding and speaking the foreign tongue. To achieve the latter, the role of the laboratory in the modern foreign language looms increasingly important and affords real motivation for the student. Furthermore, we believe that, in this shrinking world and jet age, great emphasis should be placed upon language study, for this could be the key to a better world understanding and open doors to many exciting careers.

#### DEPARTMENT OF GUIDANCE

Guidance is an organized program through which we help boys and girls understand and use their potentialities. Counselors are willing to assist students with problems related to choices of curriculum, academic progress, and college or career planning, as well as personal problems which may affect the student's adjustment. Mrs. Okrasinski is the director of the program at Central, with Mr. Wood and Mrs. Spaulding assisting. Guidance services focus upon individual pupils and are designed to aid students in their learning about the complex and changing world of opportunity.

MRS. MIRVINE OKRASINSKI

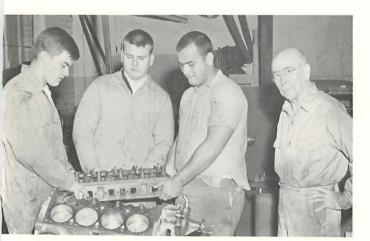

MRS. JANIE SHROPSHIRE

#### DEPARTMENT OF HOME ECONOMICS

One of the basic objectives of Home Economics is to raise the standards of home living. This purpose is provided by a program which includes budgeting, management, child care, clothing, planning and preparing balanced meals, house planning, home furnishings, and consumer living. Students acquire a better understanding of the importance of proper selections and use of personal items; a broader knowledge in purchasing; develop a better understanding of the effects food nutrients have on health; learn about planning for the needs of the family; learn to make better use of time and develop better personality traits.

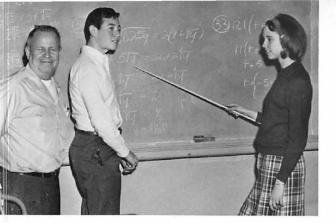

#### DEPARTMENT OF INDUSTRIAL ARTS

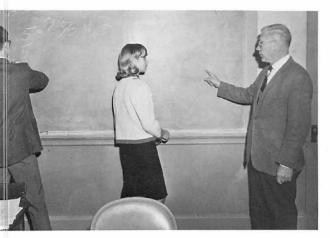

The Industrial Arts Department includes mechanical drawing, architectural drawing, blueprint reading, woodworking, printing, and auto mechanics. In architectural drawing the student learns the basic fundamentals of mechanical and architectural drafting. Wood shop teaches him the basic theory necessary for the handling of the tools and mechanics of woodworking. In printing the student learns to set type and to operate the presses and other equipment, and auto mechanics teaches him to use the tools and to repair the different units of the automobile. The student may obtain a major in any combination of industrial arts courses.

MR. J. J. FLETCHER

MR. GORDON SMITH

#### DEPARTMENT OF MATHEMATICS

The curriculum places the proper amount of stress on developing (1) understanding, accuracy, and facility in the fundamental process of computation; (2) ability to use the problem-solving method; and (3) an understanding of the nature and structure of mathematics so that students can apply it to entirely new areas. The curriculum includes concepts and processes of modern mathematics upon which technical and scientific progress depends. Attention is given in learning activities to fundamental principles of mathematics and significant applications are made within the learner's range of understanding and interest.

#### DEPARTMENT OF MUSIC

Music is the universal language understood by all people. Each person has his particular form of music that he prefers. We try to offer to the students of Central the opportunity of participating in and listening to all these forms. Three classes in vocal and six classes in instrumental music, from beginners to the advanced student, are offered to the students. Many programs, concerts, and musicals that are presented to the public come from our advanced classes. We give our students the fundamental knowledge to further their education in music or to make music their avocation.

MR. KENNETH JOHN

MR. STANLEY FARMER

# DEPARTMENT OF PHYSICAL EDUCATION

It is the objective of the boys' and girls' Physical Education Department to meet the needs of the individual in the fields of Physical Education, Health, and Recreation. It is the purpose that our students be surrounded by a wholesome and healthful environment and pervaded by the spirit of play and marked by joy and happiness. To develop a spirit of competition and fair play so relative to the social structure of our great country is our aim. To develop skill and habits which carry over into later life and motivate leadership among all students is our goal.

# DEPARTMENT OF SCIENCE

The Science Department, in keeping with the philosophy of the school, attempts to provide the type of instruction that will give to each student a more meaningful and useful insight into life through the sciences. A curriculum, including General Science for Junior High students, Physical Science for more advanced ninth grade students, and Biology, Photography, Chemistry, Physics, and Advanced Biology for Senior High students, provides one thousand students, studying the sciences, with a well-balanced program.

DR. EDWARD OWENS

MR. J. POPE DYER

# DEPARTMENT OF SOCIAL SCIENCE

The main objective of the Social Science
Department is to train the student to be a
contributing and participating citizen in this
changing age. The members of the department are
striving assiduously to teach accurate knowledge
and to provide activities that will challenge the
pupil to his maximum achievement. We attempt to
create a climate of learning that is
pleasant and profitable.
In the Social Science Department students are
offered a wide range of subjects—Tennessee History,
United States History, World History, Bible,
Civics, Economics, Sociology, Psychology,
and American History.

# DEPARTMENT OF SPEECH

Oral communication is a necessary and stimulating part of daily life, and learning to improve oneself can be a pleasurable and profitable experience. Our purpose is primarily to develop in our young citizens a liking for oral expression and an awareness of its increasing importance. It is toward these ends that we have directed our efforts, emphasizing aims related to our philosophy, in order to give every student a reasonable degree of satisfaction in oral expression.

# SENIOR CLASS **OFFICERS**

#### THE CLASS OF 1967

The Class of 1967 must leave Central High Never again to be an intricate part of the Pouncer family-Enjoying unionship between brothers and sisters Of that great Purple household! There will be reunions and visits-Not the same as Central's being "ours." We are left with memories, fond memories-Pep meetings, sports events, dances, A drooping rotunda's friendliness, The warmth of that wonderful Central Spirit. Each has left its indelible mark. We, also, have left our mark on Central-For she is "ours"

Yet, we cannot keep her forever. To you, the underclassmen, We yield our cherished Purple and Gold Banner! Then Central, too, is yours, The school that's true as blue-THAT WONDERFUL SCHOOL-

"I hope someone comes along soon; I've been holding this plaster up since 2nd period."

Something new in garbage cans.

Some students prefer "intellectual" entertainment.

Roll call for the Easter Parade.

"It's easy, just flap your arms like this."

"The perfect place for books."

Admiring our trophies.

President, Mike McCoy; Vice-President, Mike Perkins; Secretary, Sue Navel; Treasurer, Ruth Core.

This CAPtion was too much for me.

Even a bee could not disturb our study.

Is THAT me?

I promise I'll do it right next time.

# Re-Scan Required

Eat your hearts out, Juniors.

I think I have claustrophobia.

It is difficult to be a father to six boys.

Gee, it's fun to work with money.

You'll never believe the answer to that question.

President, Ricky Holder; Vice-President, Michelle Tinker; Secretary, Cheryl Reed; Treasurer, Cathy Rooks.

"I know you can't see the formula, but it's still there."

RONNIE HOLDER Halfback RIVERSIDE

MIKE McCOY Halfback

BUZZ ADAMS Halfback

REUBEN JUSTICE

CENTRAL

The Pounders opened their football season by a close

victory over Riverside. After a slow first quarter, in which neither team could score, the overwhelming power of the Pounders swept over the Trojans for a thirty-five yard touch-

down. This run by Buzz Adams proved to be enough to set

the team on its way to victory. The team's defensive efforts

the rest of the game held the Trojans without a score and

determined the first victory for the "Mighty Purple."

CENTRAL

CITY

Central captured their 16th consecutive win from City as the Purple Pounders ground out a 13-0 victory. Central's two scorers were Denny Painter's 39-yard end run, and Mike McCoy's 2-yard lunge with 22 seconds left. Although fighting against a strong City defense, Central's dependable line opened holes for the sparkling running backs, McCoy and Hamrick. City's only scoring threat was halted by Pat Booth, who recovered a City fumble on the Central 16.

CHARLES PUCKETT

PHIL LAMBER

CENTRAL

BAYLOR

Central's Denny Painter showed why he was an All-State candidate as he scored one touchdown, passed for another, and kicked three extra points as Central rolled over Baylor 27-6. The Pounders were in their accustomed style, as they kept the Raiders jumping by mixing the running of Gary Hamrick and Buzz Adams and the pass-catching ability of Mike Perkins. Although Baylor scored the first touchdown this season against Central, the Pounders looked like a State Championship team.

CENTRAL

HOWARD

After winning its first three games, Central dropped a close one to Howard by a score of 7-6. Central's running backs Hamrick, McCoy, and Adams couldn't find holes, as the big Howard line bottled them up. Each team scored a touchdown, but Denny Painter's extra point missed. A long fourth-quarter touchdown run by Buzz Adams was called back on a backfield in motion penalty. Neither team could move after this, and Central tasted its first defeat of the season.

CENTRAL

BRADLEY 6

Rebounding from their loss to Howard, Central trounced Bradley 34-6. The homecoming night game proved to be one of the Pounders' finest offensive games of the season. Denny Painter starred as he connected with Justice on two long scoring passes, and acquired scores from Gary Hamrick, Mike McCoy, and Rex Smith. The first score came as Smith recovered a Hamrick fumble in the end zone. After that the Pounders couldn't be stopped, as they went on to score five touchdowns.

CENTRAL

BRAINERD 21

The Brainerd Rebels were too much for the injury-ridden Pounders as Central lost its second game of the year 21-0. Doing without the services of Central's running back Buzz Adams, and other first-string players, the Pounders fought valiantly but couldn't stop Brainerd's strong line and quick backfield. Even though Central carried the ball to the Brainerd I-yard line, the Rebels' stalwart defense stopped the Pounders without a score.

RONNIE MINNIS Tackle

WAYNE LLOYD Tackle

TIM THORNHILL Tackle

JOHN CRAWFORD

A NEW SPIRIT AND ACTION!

Denny Painter's passes and Ed McNutt's running were the key points in Central's 33-6 victory over Red Bank. Although hampered by injuries, Central's offensive functioned beautifully. McNutt put the Pounders on the scoreboard as he raced up the sideline for a 91-yard touchdown run. The next time Central had the ball, Painter threw to McNutt who went 22 yards for another touchdown. The rest of the game was dominated by Central as Painters complete 6 passes for 222 yards.

CENTRAL 10 EAST RIDGE

After the Pounders' touchdown in the first quarter, the game settled into a defensive battle. Although East Ridge came up with many scoring threats throughout the game, they just couldn't seem to get through Central's defensive line. The line, consisting of Melvin Waldrop, Ron Minnis and Pat Booth, held East Ridge to less than 100 yards rushing. With 27 seconds left, Denny Painter kicked a 25-yard field goal to give the Pounders breathing room.

With its offensive getting seven touchdowns and the defensive holding Kirkman to only 160 yards rushing, the Pounders throttled the Hawks 40-14. Central's backfield racked up 36 points as Painter threw one rouchdown, ran two more touchdowns as Adams and McCby ran for two touchdowns apiece for the Pounders. The scoring started on the opening kickoff as Buzz Adams took the ball and ran for a 90-yard touchdown with the game only ten seconds old. The game blew wide open after this and the Pounders went rampant, scoring 40 points.

CENTRAL 27 NOTRE DAME

The Central High Pounders finished their regular season with a 27-13 win over Notre Dame. This win gave Central an 8-2 record and set the Pounders ready for their Civic Bowl in Tullahoma, which Central won by a score of 12-6. Central's Denny Painter and Gary Hamrick ed the Central offensive. It was a see-saw game even though Notre Dame's defense scored both of their touchdowns.

### POUNDERS CLIMB, DIP, SOAR THROUGH '66-'67 SEASON

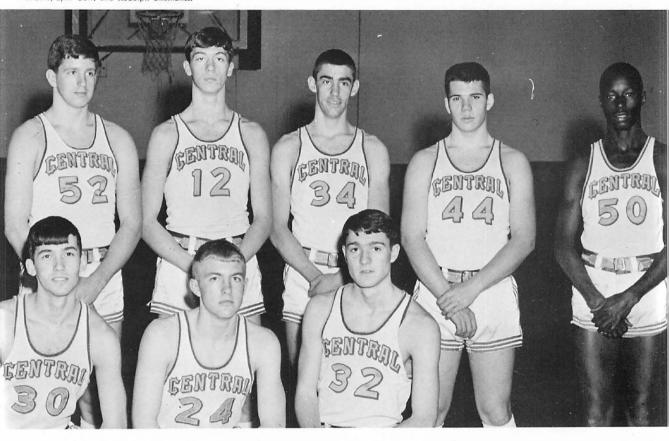

Of the many virtues a winning team needs, one of the most important is good sportsmanship. Not only a necessity for the losing team, but also for the winning one. Sportsmanship is an intangible feeling of pride in your school and the respect this pride holds for your opponents. Sportsmanship can be evidenced by both the team and by the spectators. Although Coach Smith has little control over the spectators, he does have command over the team; and he and his staff do an excellent performance in the field of procuring superior sportsmanship for the entire team. It is, of course, a necessity for the Coach to set the example by which the team follows. During a game, Coach Smith never lets his temper flare; and thus, it is very rarely you see a CENTRAL player in a serious squabble, much less a fight. This is something we should be really proud of, for it is an outstanding accomplishment in itself. Although this may not have been the greatest season in the measure of win, loss columns, the spirit and the excellent sportsmanship the team exerted was equaled by the undying loyalty the CENTRAL rooters had. In the future we hope that Coach Smith and his staff receive the utmost cooperation from players and fans to prolong the CENTRAL streak of sportsmanship.

First Row: David Haddock, Larry McGill, Tommy Braddock, Second Row: Sammy Lee, Harvey Epperson, Denny Painter, Carson McCord, Kenny Choate, Lynn Carr, and Rudolph Chambliss.

#### LOOKING FORWARD TO A GREATER FUTURE

to be found in the area, ours is the best. Central Junior High's football squad, the Baby Pounders, show that the future of the Purple Pounders is in strong and capable hands.

Among the big stars for the Baby Pounders were Mike Underhill, Bob Few and Willie Foster. The spirit and excellent sportsmanship that these leaders and their fellow teammates portrayed are evidence enough that they will be magnificent additions to the wonderful version the senior high has.

After watching the Baby Pounders, the upcoming Centralites are Looking Forward To A Great Future!

Of the many excellent Junior High Football teams

Although lacking the experience or height of a winning ball team, Central's Jr. High pulled through the season to win the County "A" Championship. The boys, who were drilled in the fundamentals of the game, surprised everyone with their scrappiness and determination. Coach Archer commented that the boys were the most diligent and hard working team he had ever coached, Although they had no experience, they turned the other team's mistakes into victories. Led by the scoring of Steve Holmes and and team spirit of Willie Foster, Bob Few, and Gary Brooks, the team finished a very satisfactory season.

Dukes in Action!

Coach Eddie Test and Coach E. B. Etter.

The '66 Diamond Squad of the Purple Pounders completed a good season as they finished fourth in the state. Inspired by the stable pitching of Freddie Dukes and the heavy batting of Epperson, Choate, and Painter, the Pounders had a 9-1 record for the regular season, and the Purple Pounders emerged victorious in the district regional tournaments by defeating Soddy-Daisy and Calhoun, respectively. As the Diamond nine's only loss was to McCallie, they redeemed themselves by beating McCallie in the rematch 7-1 with Duke's no-hit game. Some outstanding performances were by Painter and Epperson both retiring seniors. Dukes, Donahoo, and Burns shined as they played their last season for the Purple Pounders. Another player who was only a junior and will be returning to the Purple lineup is power hitter Kin Choate, an . outstanding outfielder and pitcher. Although the season record was extremely gratifying, there were also some disappointing times, as in the final of the State Central lost third place to Fulton High School by a score of 3-2.

# CENTRAL GOLFERS PROVE THEMSELVES DETERMINED LINKSMEN

The Golf Team coached by Jack Archer entered into its sixth years of golfing. The team consists of: Larry McGill, Tommy White, Wes Gilliland, Terry Hackney, and Pat Chadd. The team plays in the H.I.L. and has a very fine chance of placing men in the state.

GOLF TEAM—Greg Hartman, Tommy White, Coach Jack Archer, Terry Hackney, Larry McGill, Wes Gilliland.

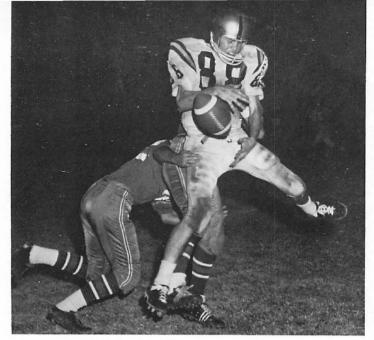

Coach Etter's wrestling team finished a successful season with Reggie Raines winning all state honors and Johnny Gross and Taft Walden placing second in the state. To be a wrestler one must be in excellent physical condition and have a lot of stamina. Next year's team will lose many seniors, but should do fine.

WRESTLING TEAM—First Row: Taft Walden, Johnny Gross, Chuck Salmond, David Ashley, "Ox" Vandergriff, Second Row: Clindon Norris, Rev Smith, Reggie Raines, Glenn Rievley, Jerry Fortner, Coach E. B. Etter. Third Row: Jimmy Long, David Penney, Gay Locke, David Sharp, Terry Farmer.

WRESTLING MAKES FORWARD PROGRESS ON CAMPUS

"Hang on to what 'cha got."

"Over you go."

# TAKING A GLIMPSE AT EXCITING MOMENTS!

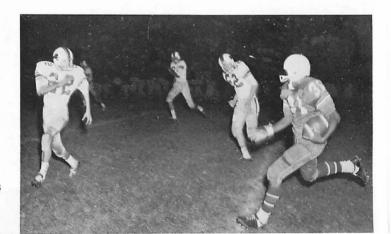

"Hey, buddy, you don't have to get mad and eat up the field."

"Don't push. I'm running as fast as I can."

Alright you guys. Close in on him."

Little Sisters

# GIRLS' PHYSICAL EDUCATION DEPT.

The selection of a gym staff and its sweetheart is one of the many activities of the Girls' Physical Education Department. Each senior on the gym staff selects a little sister.

Staff Sweetheart

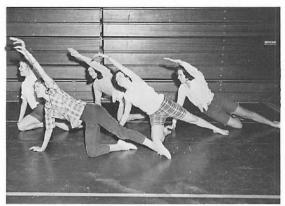

The sweetheart is chosen by the whole gym staff and sponsors. Each spring our department also presents a May Day program. The queen and court are selected by the girls' cym classes and the king by the Key Club.

Volleyball

May Day

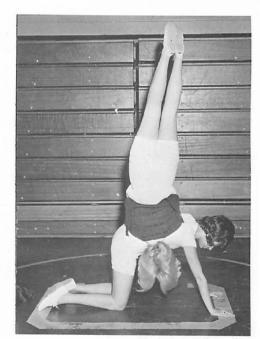

The Central desert sure is . . . ah-h-h-HOT!

Don't smack me-hit the ball!

But I can't reach my toes!

Heads, I win; tails, you lose.

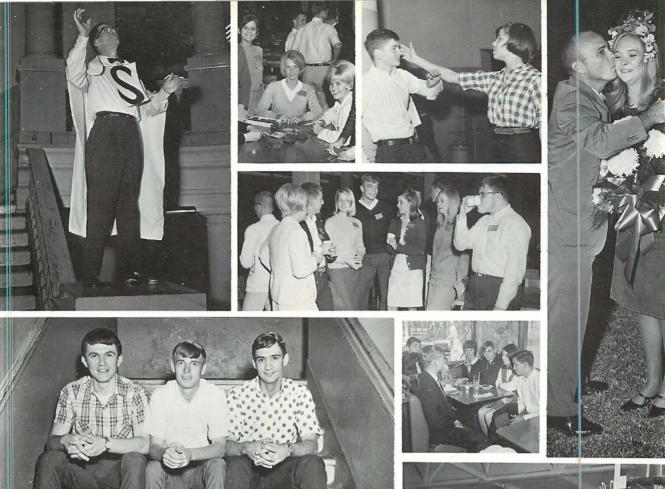

Are you sure this is the correct way to play basketball?

Each year the girl's physical education department presents to the students various activities. This year two new activities were taught—soccer and modern dance.

Rainy day softball?

## THESE ARE OUR LEADERS . .

The Reserve Officers Training Corps at CENTRAL HIGH SCHOOL was established by order of the Secretary of War, Washington, D.C., December 29, 1919, Bulletin No. 43. During the forty-eight years since its beginning, ROTC has become an integral part of the school curricula with its basic mission to lay the foundation of intelligent citizenship by inculcation in the cadet of habits of precisior, orderliness, courtesy, correctness of posture and deportment, leadership, and respect for loyalty to constituted authority; and to give the student basic military training. Classes are conducted on leadership, drill and command, map reading, care and cleaning of weapons and equipment, small-unit tactics, first aid, and other subjects related to the history and organization of the Army.

#### To the Graduates of the Class of 1967:

The officers of the Central High School Alumni Association are happy to extend greetings to the graduates of the Class of 1967. They are aware of your attainments and your ambitions. They wish for you success in proportion to your ability, ambition, and application. These are crucial days and we urge you to continue your progress in education by attending the college of your choice.

The Alumni Association seeks to serve Central High School. Our projects are too many to list here. We constantly are looking for ways to improve our school. In order to serve the maximum, we need each graduate to join our association. When you are in a position to assist us, we ask you to join in this cooperative movement for the assistance of our school.

We wish for you the best in the future and we ask you to, at all times, elevate the name of our school, community, and nation.

OFFICERS OF THE ALUMNI ASSOCIATION

Seated: Mrs. George White, Parliamentarian; Mrs. Joseph Hammack, Recording Secretary; Mrs. Woodrow Long, President; Mrs. C. W. Sedman, 1st Vice-President; Mrs. Rebecca Haskins, Life Member Award Winner. Standing: Mrs. Emory McCarty, 2nd Vice-President; Mrs. J. C. Robbins, Treasurer.

### OBJECTIVES OF THE P. T. S. A.

To promote the welfare of children and youth in home, school, church and community.

To raise the standards of home life.

To secure adequate laws for the care and protection of children and youth.

To bring into closer relation the home and the school, that parents and teachers may co-operate intelligently in the training of the child.

To develop between educators and the general public such united efforts as will secure for every child the highest advantages in physical, mental, social and spiritual education.
