FROM THE HEART OF
CENTRAL COMES...

In Tribute To

MR. SAM T. STONER

The class of 1968 delights in dedicating its edition of the *Champion* to Mr. Sam T. Stoner. Although possessing a ready wit and an affable manner, Mr. Stoner, nonetheless, demands that his students persevere in their pursuit of knowledge. Mr. Stoner has taught history at Central for eighteen years. He serves as chairman of the annual clothing drive, sponsors the Cinema Club, and formerly assisted the *Digest* as business manager. Mr. Stoner, an alumnus of Central, has an A.A. degree from Tennessee Wesleyan College, a B.S. degree from Middle Tennessee State University, and an M.A. degree from Peabody College. He has done graduate work at the University of Tennessee. He is president of the Social Studies' Teachers of Tennessee and also president of the Social Studies' Teachers of the East Tennessee Education Association. In addition to these honors, Mr. Stoner holds membership in many other state and national organizations. Not only are we proud of Mr. Stoner's academic achievements, but we also salute him as a friend to the students of CHS.

In Honor of

MRS. BLANCHE KALB

Being a member of the Central High faculty for forty-one years, Mrs. Blanche Kalb devoted the greater span of her life to teaching English. Among her many endeavors at Central, Mrs. Kalb was the sponsor of the "Night Owls," a former social club at Central. She plans to continue her activities by enlisting in a field of social work in the near future.

MISS ETHEL YORK

Miss Ethel York served as a teacher of home economics at Central High for fourteen years. She had previously taught English and home economics at Soddy-Daisy High School for two years. Now that she has retired from teaching, she has time to pursue some of her many creative interests. Her leisure time activities include hiking, shopping for antiques, and experimenting with different recipes. Although Miss York misses teaching, she is enjoying her retirement.

Delegates from different states assemble.

The National Bellamy Award Is Presented . . .

Lynn presents coonskin cap to Flowing Wells High School.

Lynn Button, Jay Maveety, Governor Jack Williams, Miss Margaret S. Miller, Superintendent Sam McConnell, and Mr. Millsaps.

To Flowing Wells High School

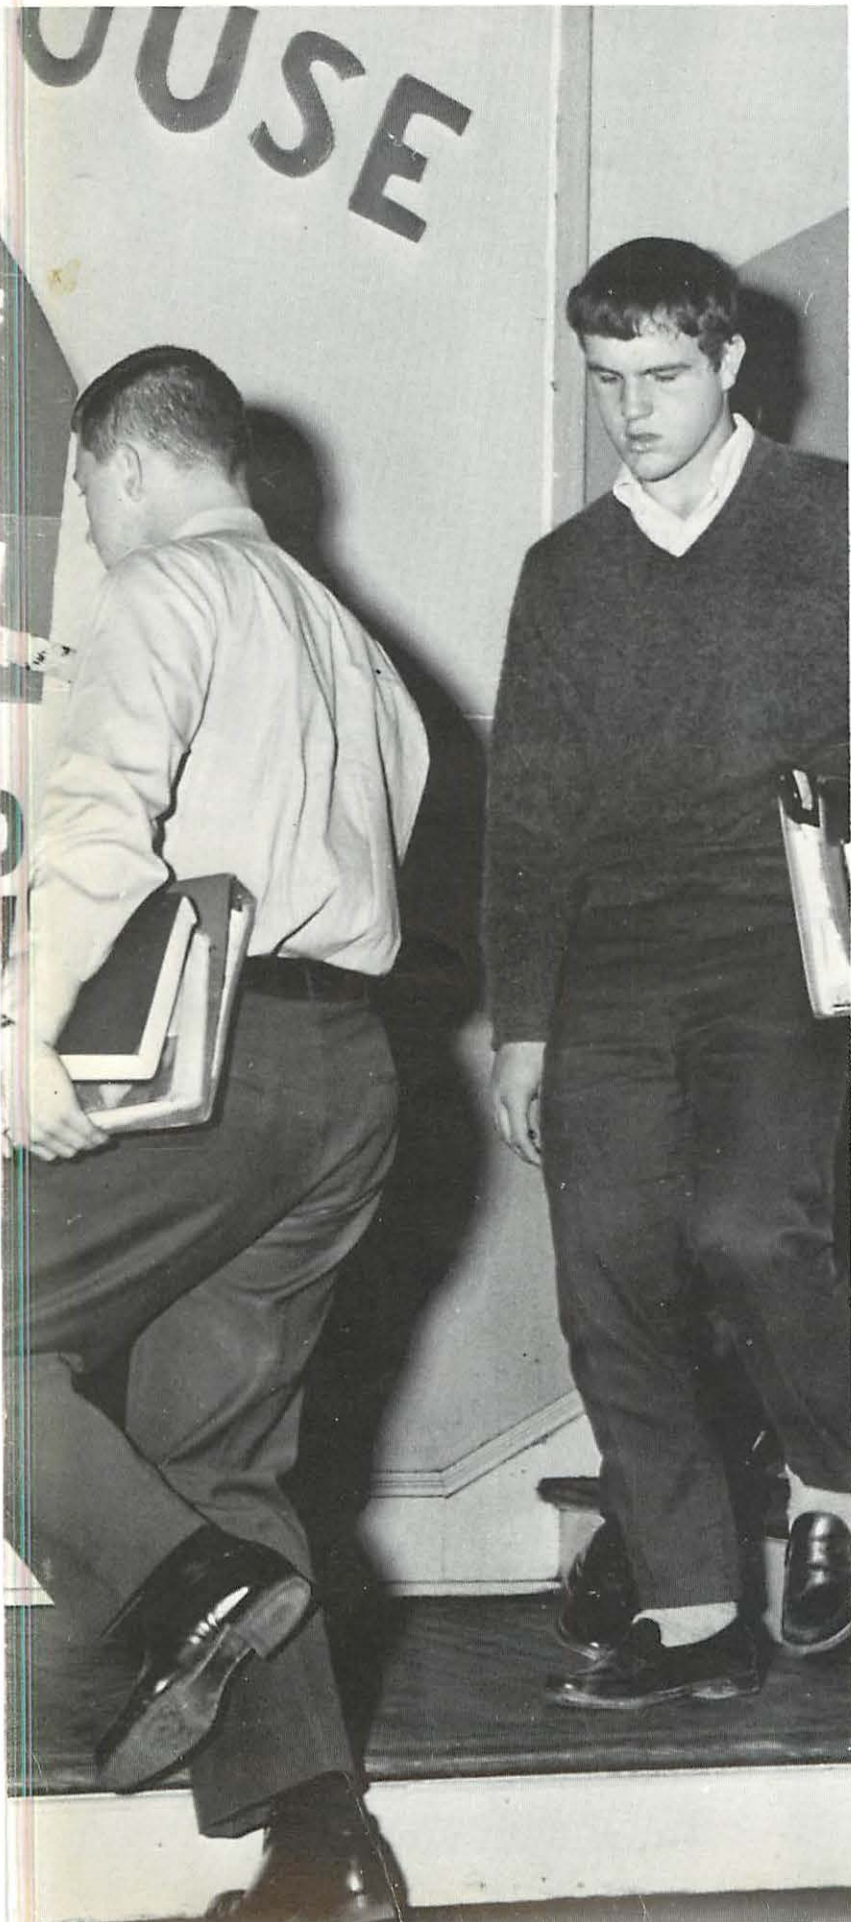

In 1963-64 Central became the proud recipient of the National Bellamy Award. This award was created by Miss Margaret S. Miller of Portsmouth, Virginia, to acclaim Francis Bellamy as the author of the Pledge of Allegiance to the flag of the United States of America. The bestowing of this honor upon Central was due to these ten qualifications: principal's proficiency, Freedom Foundation Awards, CHAMAQE brochure, alumni, ROTC and Girls' Battalion, Bible classes, teachers, public relations, attitude of the administration and the Honor Code. This year, 1967-68, Flowing Wells High School, in Tucson, Arizona, was the recipient, and the delegates from Central were Lynn Button and Jay Maveety. Mr. Millsaps and Superintendent Sam McConnell accompanied Lynn and Jay on their trip. Central High School joins with other schools in congratulating Flowing Wells High School for its distinction as a National Bellamy Award winner.

Our delegates board plane for Tucson, Arizona.

WILL TO TEACH

Mr. W. H. Millsaps, Principal

Dear Seniors,

Today a great battle is being fought for the minds of men. For this battle to be won in such a manner to enable civilization to endure and advance, it is important that our leaders not only be accurately and adequately informed but also that they be logical and rational in their decision-making process.

There are many areas of human endeavor which need positive leadership. The most important one, in my opinion, is in the realm of moral and spiritual values. No civilization has long endured in which there was moral and spiritual decay. It seems apparent that there is a need for all of us to evaluate our basic purposes in life and re-establish

our goals, remembering to put "first things first" and to fulfill our obligations to God.

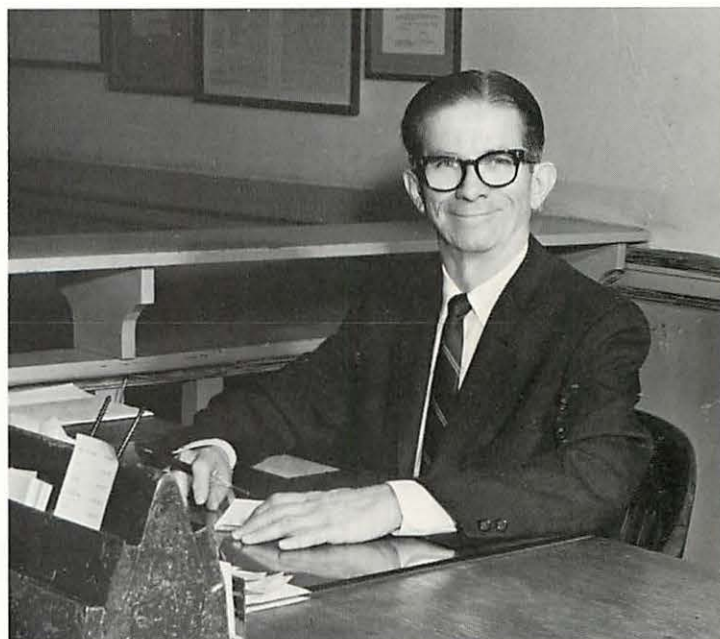

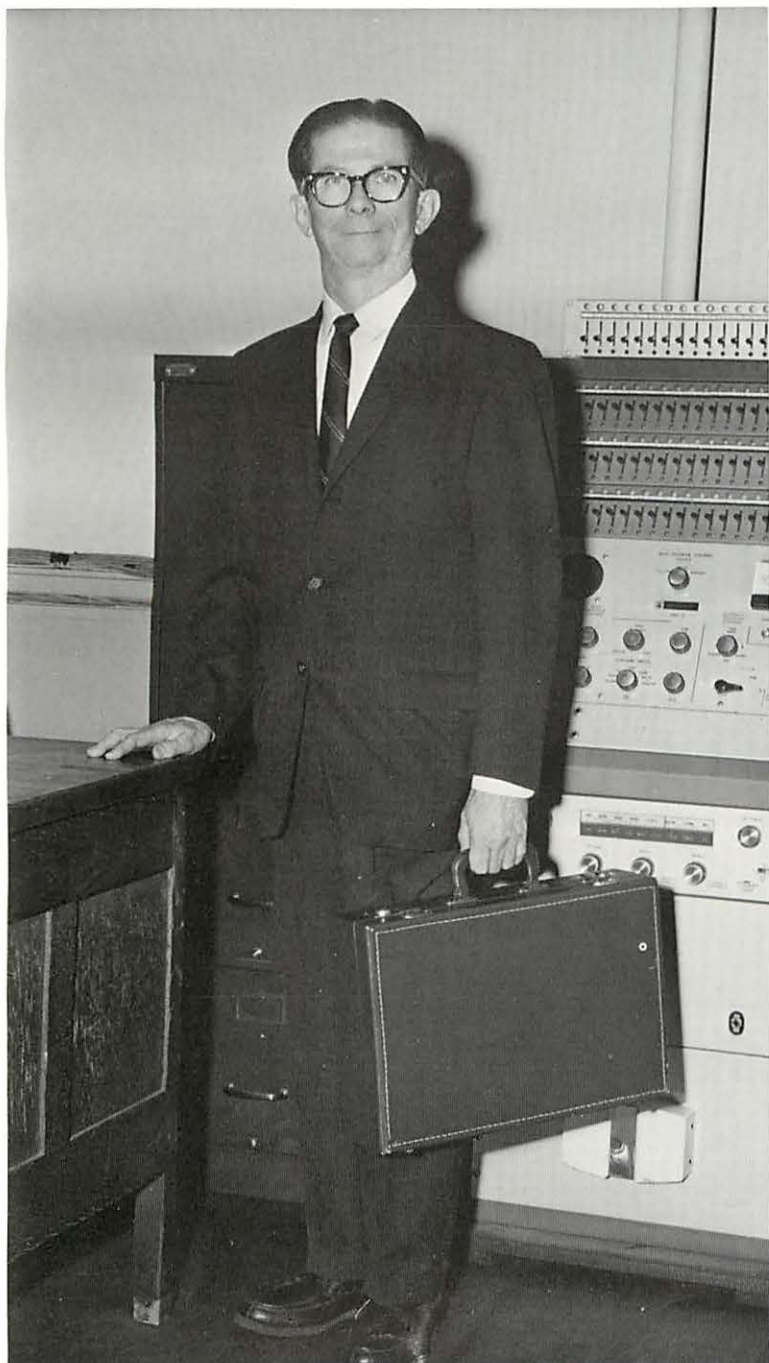

Another area that cries out for good leadership is that of human relations. In all the world there is a great need today for men of good will. There are those who would sow seeds of hate, discord, and distrust among us. In the battle for our minds, let us choose carefully and wisely those who would lead us. If we have opportunities to serve as a leader, let us lead intelligently, rationally, and justly. As you are graduated from Central, we wish for you a happy, useful, and rewarding life. We cherish your continued interest as we treasure the past and begin to build for the future.

Sincerely

W. H. Millsaps

Mr. W. E. O'Neal, Assistant Principal

Mr. W. Everett O'Neal, our competent assistant principal, attended the University of Chattanooga, where he first received his bachelor of arts degree, then returned to get his masters degree. He has been a member of our faculty for the past twenty-five years. His special interests are music and photography. His bright intellect and keen wit make for a unique personality. Although his job requires much firmness, he is held in high esteem by not only the faculty, but also the students. He is always willing to assist those who seek his aid. We respect his position and regard him as a sincere friend.

Department of Art

The purpose of the Art Department is to give a special means for individual expression, thus helping to increase the realization of one's own worth as a human being capable of doing something worthwhile, and responsible for using well his peculiar abilities. Experience is offered in drawing with pencil, ink, charcoal, chalk, and other mediums; in watercolor and oil paints; in ceramics; in weaving; in sculpture; in print making; in stitchery; and various other crafts. A library of about 500 volumes is kept in the Art Department and is immediately available when needed.

MISS MARY LOU DERRYBERRY

MRS. VIRGINIA SUMMEROUR

Department of Business Education

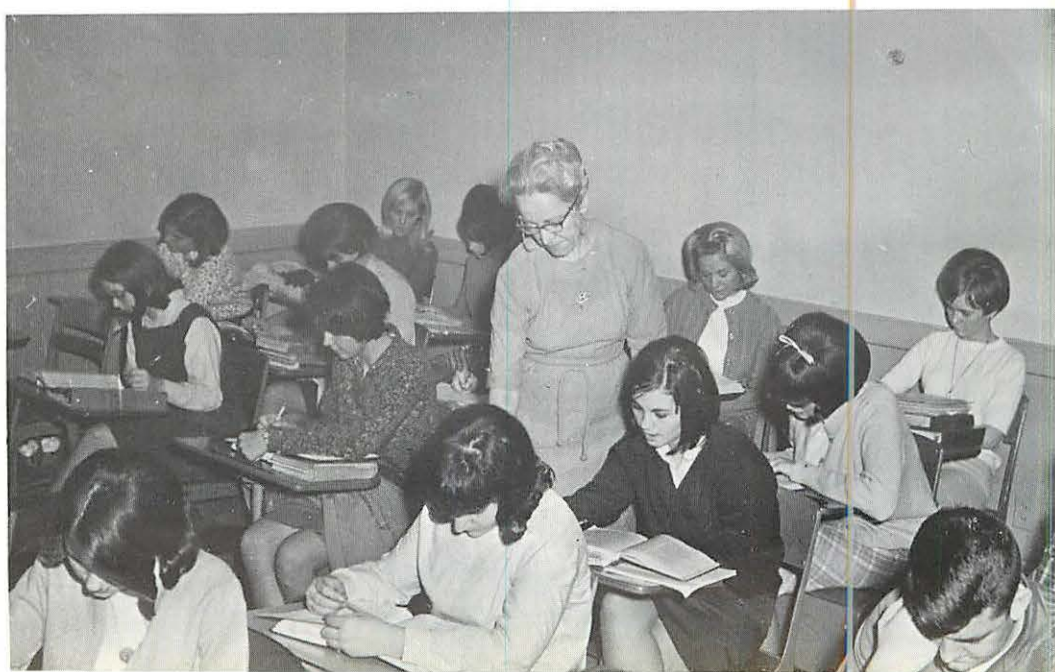

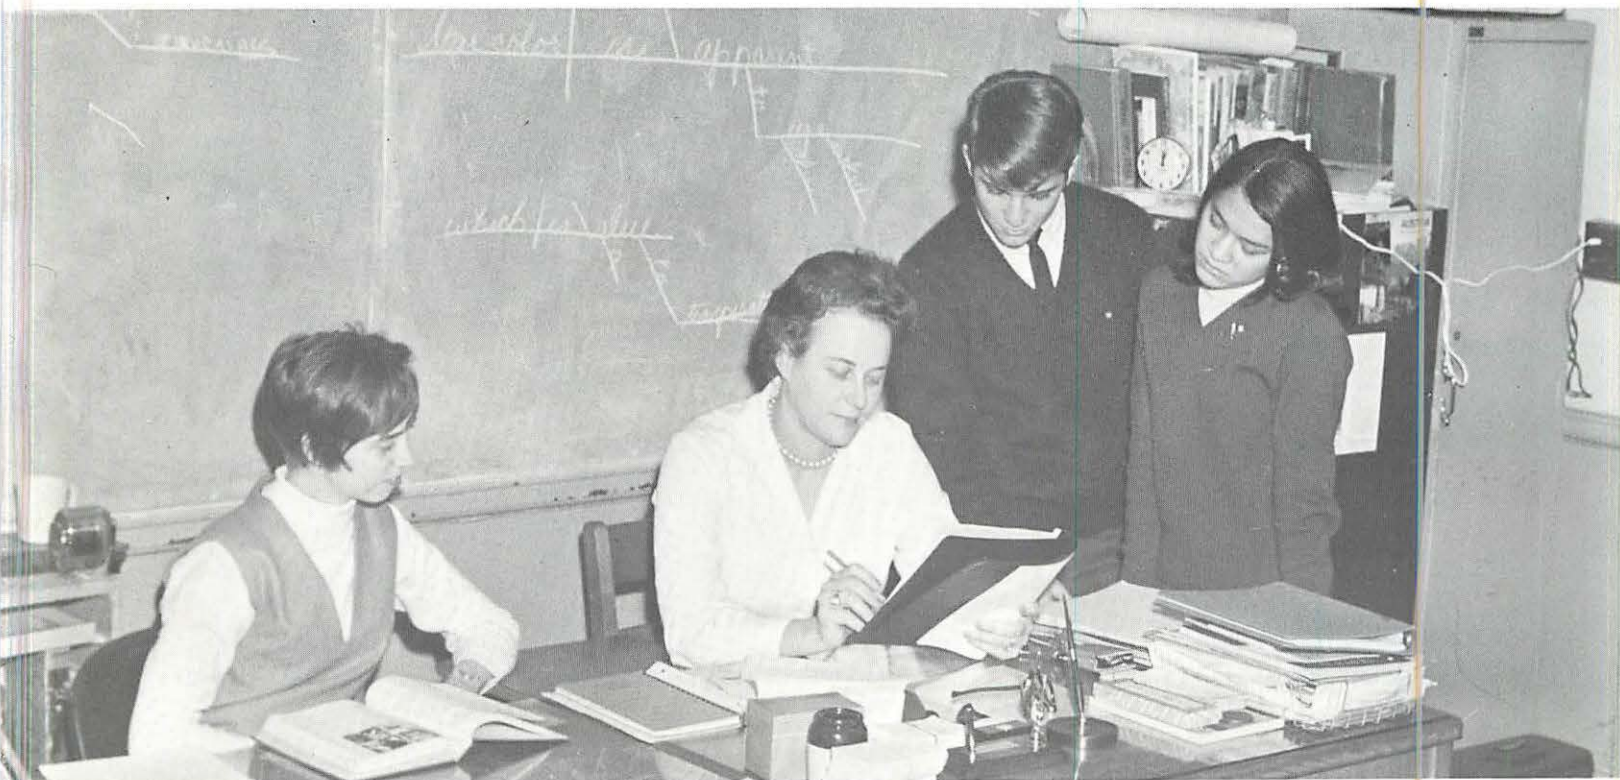

In our economic society, every student needs an understanding of business principles to help him in his everyday life. Many students desire skills which will enable them to obtain employment in the business field. The Business Education Department offers a curriculum to meet these needs. Students may choose from the following courses: two years of bookkeeping; two years of shorthand; two years of typewriting; office training; general business; one semester of business law; and one semester of salesmanship. A student may obtain a major in any combination of these business courses.

Department of English

The excellence of English in the Space Age is of utmost importance. Competence in communication is vital to the control of soaring rockets and of everyday affairs in our complex world. Correct interpretation of the printed page conveys information essential to understanding changes in present day life. Concepts of grammar facilitate expression. Literature gives the student perception into the world in which he lives; and creative writing provides an outlet for ideas in a disciplined, expressive form. To lead satisfying lives, we must be better equipped in English than ever before.

MISS MINNIE LEE MORGAN

MRS. MIRVINE OKRASINSKI

Department of Guidance

Guidance is an organized program through which we help boys and girls understand and use their potentialities. Counselors are willing to assist students with problems related to choices of curriculum, academic progress, and college or career planning, as well as personal problems which may affect the student's adjustment. Mrs. Okrasinski is the director of the program at Central, with Mr. Wood assisting. Guidance services focus upon individual pupils and are designed to aid students in their learning about the complex and changing world of opportunity.

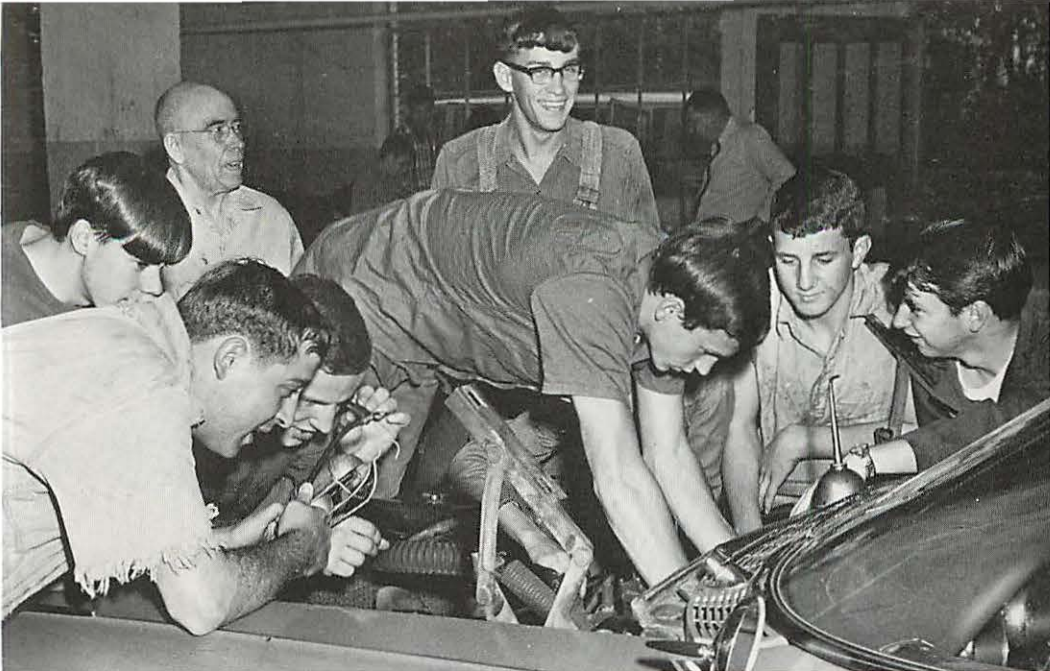

Department of Home Economics

This department deals with problems of the entire family—physical, social, material, and emotional. Consideration is given to individual problems such as dieting, personal grooming, and proper styling of clothes and hair. Laboratory skills are developed and add to the self-confidence of the individual. The basic objective of home economics is to raise the standards of living in our homes. This purpose is provided by a program of studies which includes budgeting, planning, and preparation of nutritious and balanced meals, and an understanding of the necessity for personal hygiene and home sanitation.

MRS. JANIE SHROPSHIRE

MR. J. J. FLETCHER

Department of Industrial Arts

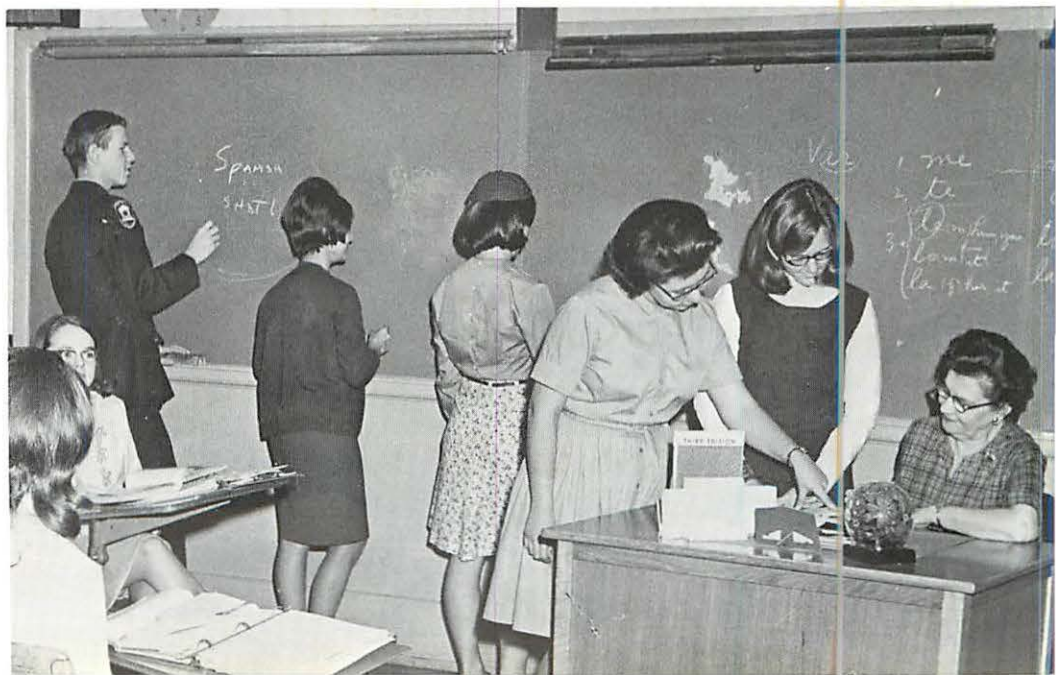

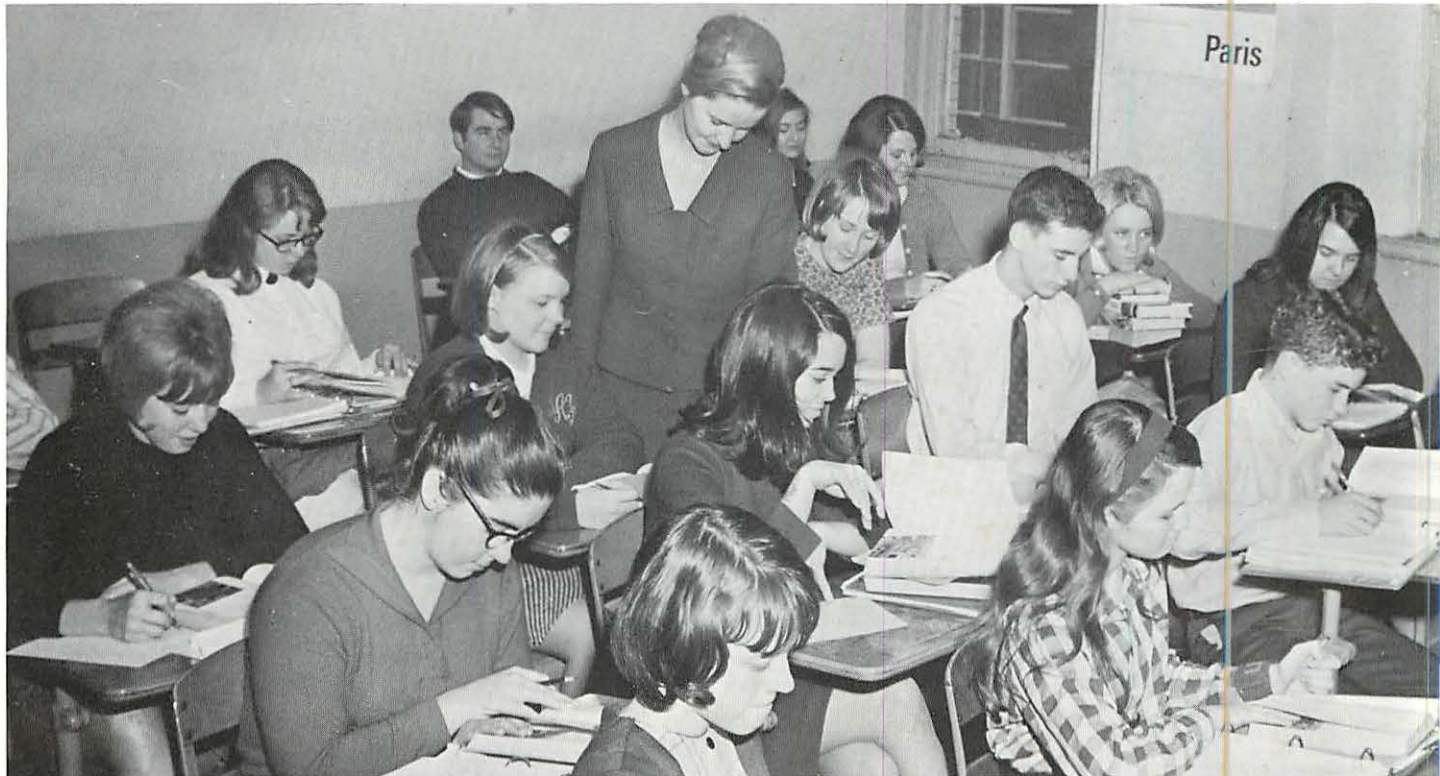

The Industrial Arts Department includes: mechanical drawing; architectural drawing; blueprint reading; woodworking; printing; and auto mechanics. In architectural drawing one learns the basic fundamentals of mechanical and architectural drafting. Wood shop teaches him the basic theory necessary for the handling of tools and mechanics of woodworking. In printing one learns to set type and to operate the presses and other equipment, and auto mechanics teaches him to use the tools and to repair the different units of the automobile. A major may be obtained in any combination of industrial arts courses.

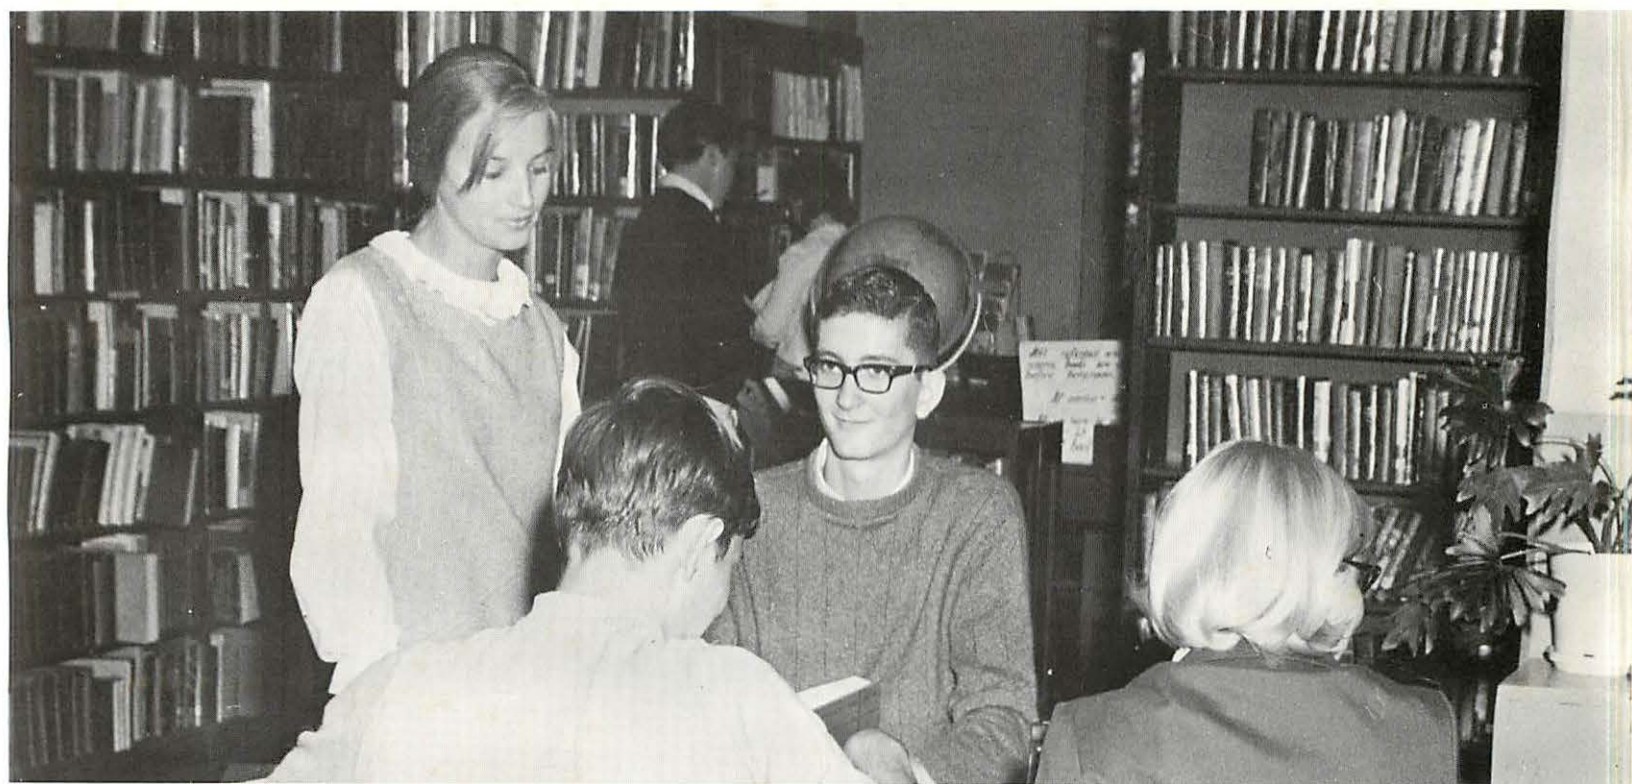

Department of Foreign Languages

In our Foreign Language Department we are trying to develop facility in reading and writing the language together with a more realistic approach to understanding and speaking the foreign tongue. To achieve the latter, the role of the laboratory in the modern foreign language looms increasingly important and affords real motivation for the student. Furthermore, we believe that, in this shrinking world and jet age, great emphasis should be placed upon language study, for this could be the key to a better world understanding and open doors to many exciting careers.

MISS MARY ELLEN RICE

MISS ELLEN MULLENNIX

Chapin Library

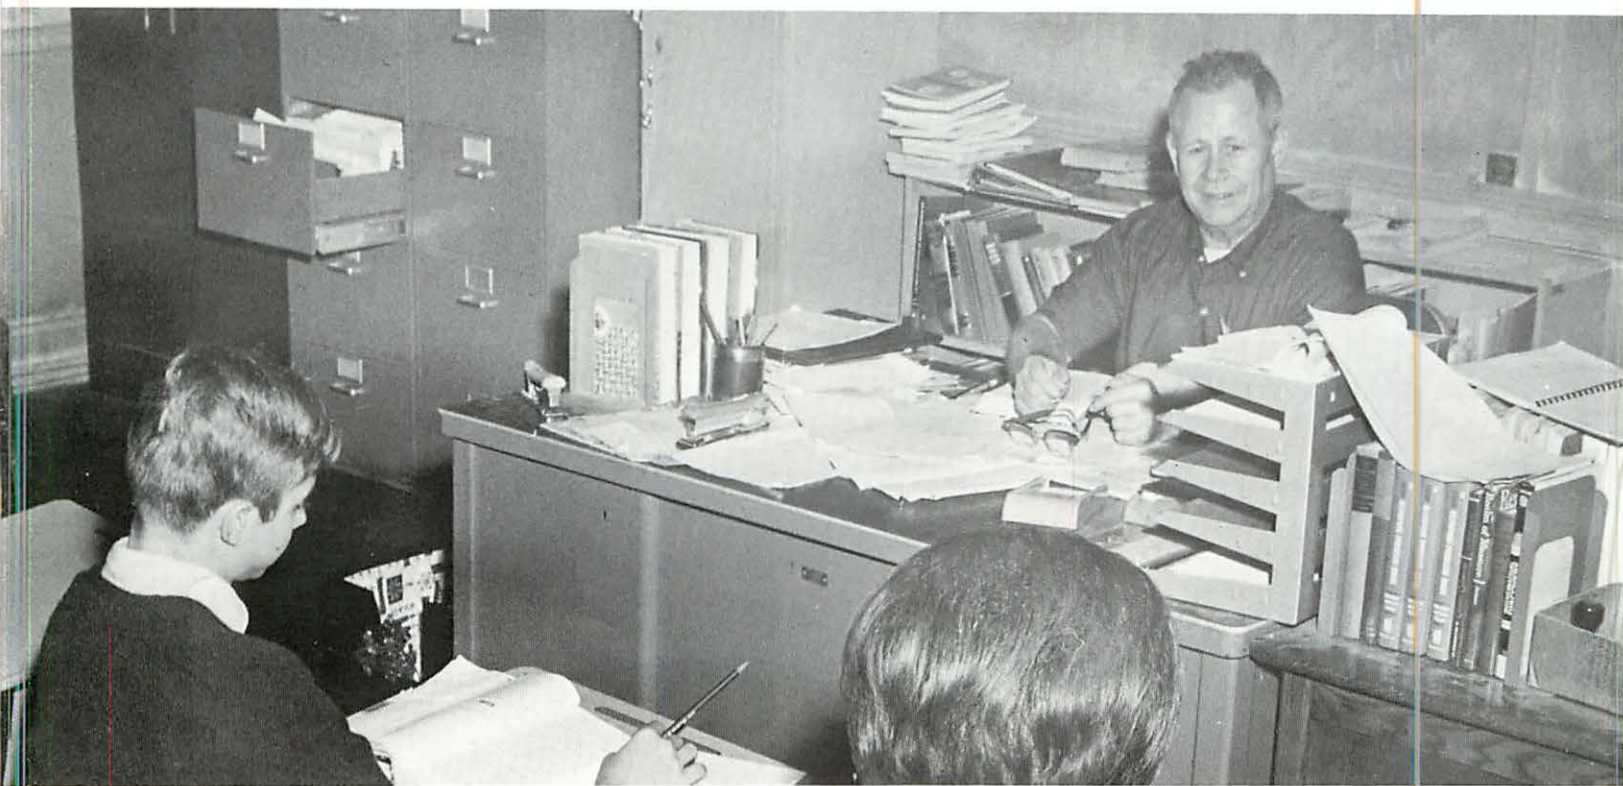

The E. Y. Chapin Library, the largest and only endowed public library in Tennessee, consists of approximately 19,000 volumes. Its major purpose is to serve the aims of the total educational program by (1) providing a rich variety of books and audio-visual materials; (2) offering leadership in developing techniques for their use; (3) making available facilities, services, and equipment for the selection and use of instructional materials. Two librarians and twenty student assistants take pride in their library and in their service to their school.

Department of Mathematics

The curriculum places the proper amount of stress on developing (1) understanding, accuracy, and facility in the fundamental process of computation; (2) ability to use the problem-solving method; and (3) an understanding of the nature and structure of mathematics so that students can apply it to entirely new areas. The curriculum includes concepts and processes of modern mathematics upon which technical and scientific progress depends. Attention is given in learning activities to fundamental principles of mathematics and significant applications are made within the learner's range of understanding and interest.

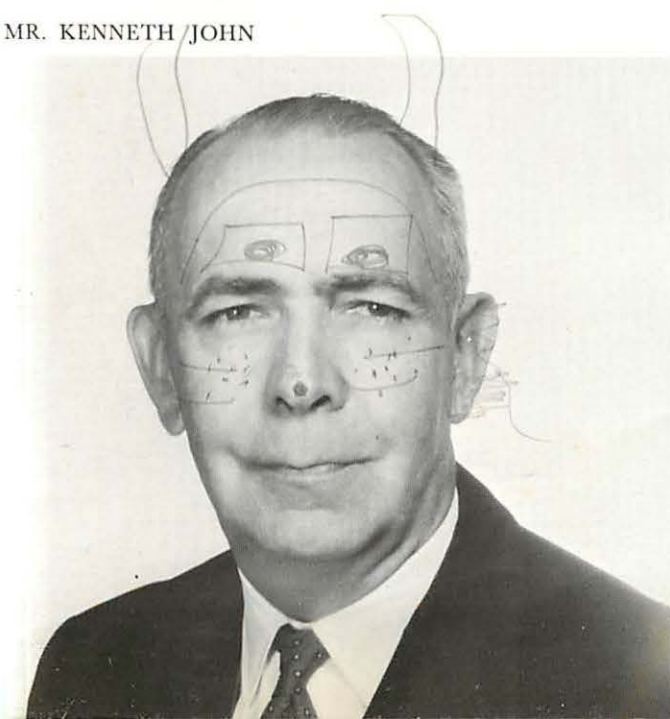

MR. GORDON SMITH

MR. KENNETH JOHN

Department of Music

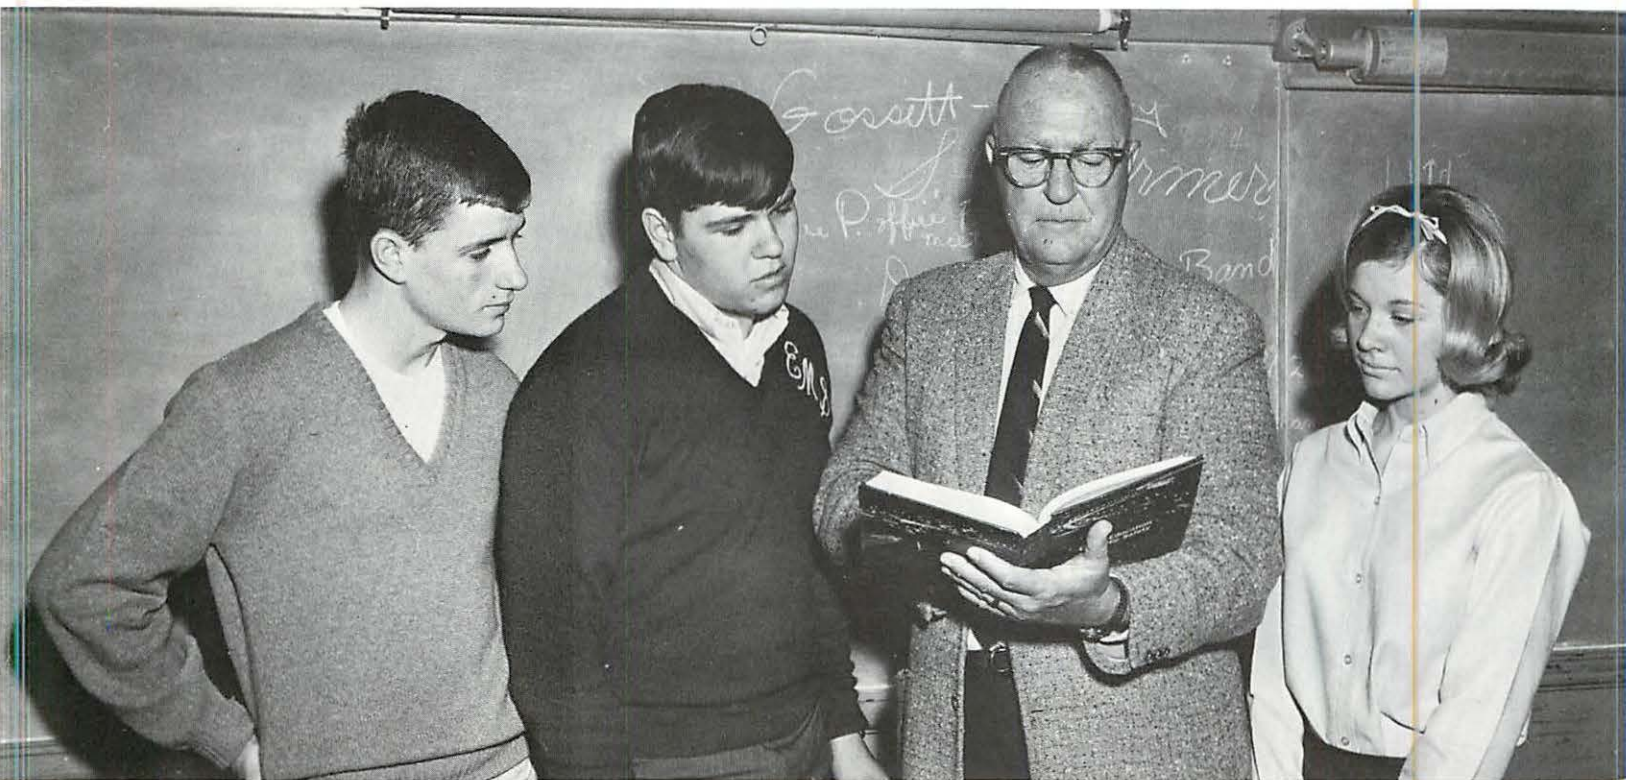

Music is the universal language understood by all people. Each person has his particular form of music that he prefers. We try to offer Central students the opportunity of participating in and listening to all these forms. Three classes in vocal and six classes in instrumental music, from beginners to the advanced classes, are offered to the students. Many programs, concerts, and musicals that are presented to the public come from our advanced classes. We give our students the fundamental knowledge to further their education in music or to make music their avocation.

Department of Physical Education

It is the objective of our Physical Education Department to meet the needs of the individual in the fields of Physical Education, Health, and Recreation. It is our purpose that our students be surrounded by a wholesome and healthful environment and pervaded by the spirit of play and marked by joy and happiness. To develop a spirit of competition and fair play so related to the social structure of our great country is our aim. To develop skill and habits which carry over into later life and motivate leadership among all students is our goal.

MR. STANLEY FARMER

DR. EDWARD OWENS

Department of Science

The Science Department, in keeping with the philosophy of the school, attempts to provide the type of instruction that will give to each student a more meaningful and useful insight into life through the sciences. A curriculum, including General Science, Physical Science, Biology, Photography, Chemistry, Physics, and Advanced Biology for senior students, provides one thousand students, studying the sciences, with a well-balanced program. A major may be obtained in any combination of science courses.

Department of Social Sciences

The chief aim of the Social Studies Department is to train students to become the best citizens of which they are capable. This is a dynamic age, and the various social studies courses seek to acquaint students with the major problems, international, economic, social, educational, and religious, that confront us and to attempt possible solutions. The transmission of the heritage of this great nation is greatly emphasized. In this rapidly changing world all high school students need courses in the Social Studies field. The courses offered in the department are World History, Bible, American History, Economics, World Geography, Sociology, and Psychology.

PURSUIT OF KNOWLEDGE

In Memoriam

"... The cold and lifeless body
That was once a mighty king,
Now lies there in the silent hall.
It's odd what death can bring..."
—Marcia Gulas

THOUGH ITS JOB'S COMPLETED

Old Central's time is nearly up;
She'd go on if she could.
They'll just build on in Harrison;
That's probably twice as good.

No other school in Tennessee
Has honors that compare,
'Cause when Central is competing,
First place she will not share.

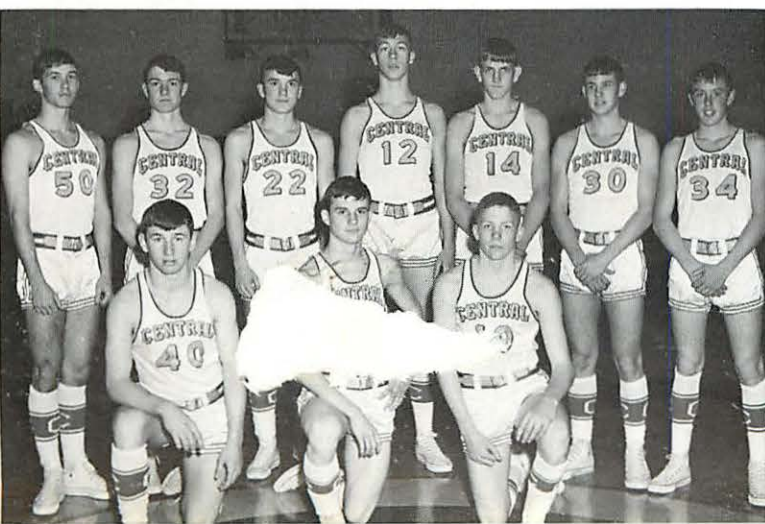

In football, or any other sport,
We use head and shoulder.
People say, "The reason you win,
'Cause ya'lls' boys are older."

One thing that's famed more than the rest,
You can always hear it.
It never fails; it's always there,
That old Central Spirit.

Many have tried to surpass us.
Their tries were very bold.
We'll cherish those fighting school colors,
Our own PURPLE and GOLD!

Though its job may be completed,
The new school on its way,
I'd rather wear a steel helmet
At old Central any day.

— Mike Perkins

A Head Above The Crowd

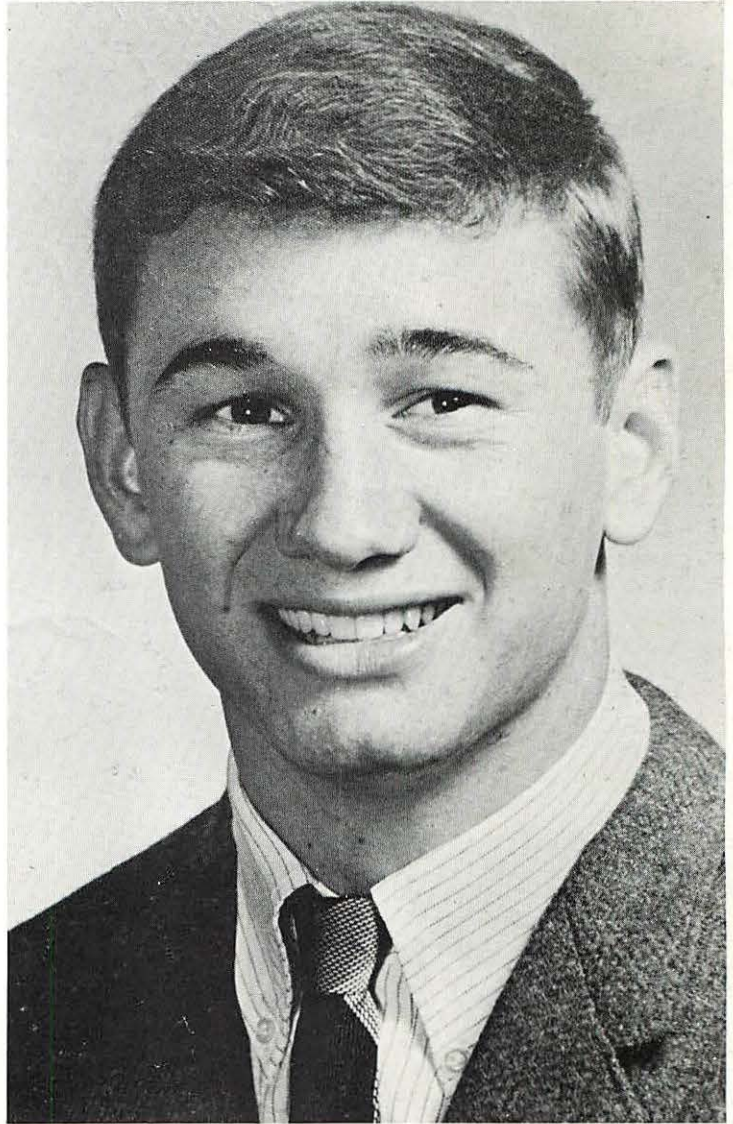

A few hundred dead by drowning, a hundred in a heat wave, fifteen thousand a year by murder, fifty thousand with the automobile—and it all means nothing. It just means nothing to us. But one boy, one bright and shining boy. one handsome, muscular high school boy in a football uniform and a city—a whole state—plunges into black mourning. Mike Perkins dead! You hear the news and drop whatever you're doing and you cover your face with both hands to blot out the image. Mike Perkins is dead! Mike Perkins full of life, full of purpose, full of a mysterious fear that he couldn't do enough. Mike Perkins is dead!

And so we wonder. We look to the doctors and the coaches and we wonder about the causes and they shake their heads, for they cannot answer. They can't answer because the causes lie deep and simple—a hunger in a single soul, multiplied a million times; a hunger in a stomach, multiplied a million times; a hunger for achievement, for joy; muscles and mind aching to grow, to play, to create, to succeed, multiplied a million times.

This was Mike Perkins, a sentimental young man given to tears and to furies, believing himself to be indestructible, deceiving himself into believing that a fighting spirit could be stretched indefinitely.

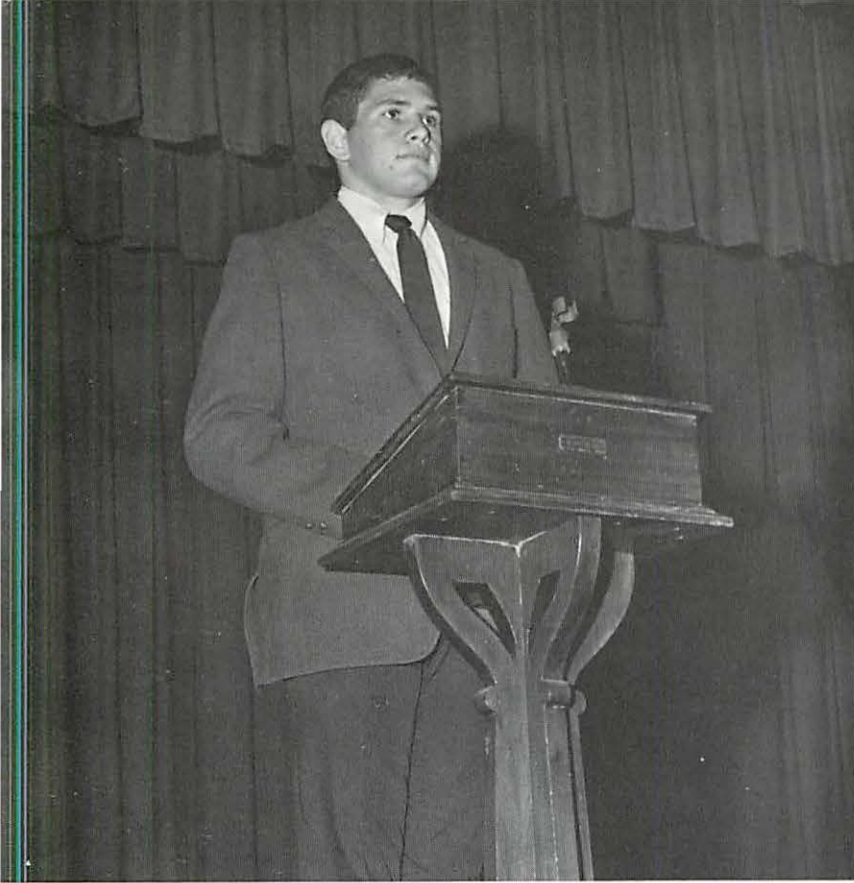

No one could have stopped this boy, not the doctors, not the coaches, not anyone, because they didn't know. They didn't know that the one motivating force in him was the constant urge to be better, to do more. He had to be something beyond the ordinary, had to keep his head above the crowd.

Mike Perkins had to play football—for the hunger, for college—for everything he had ever wanted.

Get off me before I . . .

CENTRAL VS. RIVERSIDE

The Pounders romped over the Riverside Trojans 26-0, September 2, in home gridiron action. Mike McCoy plunged one yard to open Central's scoring and Mike Perkins snagged a short toss from Pat Chadd in the second quarter to score the second touchdown. The pounders took the second half kickoff and marched 60 yards in four plays. Jimmy Mullican ran sweep end for 27 yards for a touchdown. In the fourth quarter Ricky Holder hit pay dirt on a one-yard plunge. The effort capped a 13-play, 75-yard drive.

CENTRAL VS. CITY

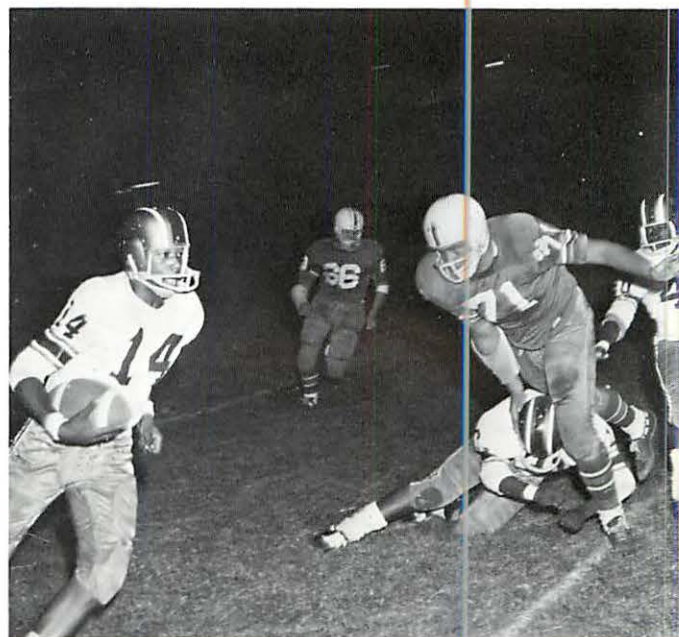

Playing under heavy rains during the second half of the game, Central's gridmen defeated the City High Dynamos 6-0 in an HIL tilt, September 9, on the U C field. Central's only touchdown came during the first quarter on a four-yard sprint around left end by junior halfback Reuben Justice.

CENTRAL VS. BAYLOR

After winning its first two games, the Purple Eleven was handed its first loss of the season by the Baylor Raiders 23-0. Central's troubles began on their first play when Pat Chadd's pass was intercepted by Rob Healy who streaked 78 yards for a Baylor touchdown. Despite their efforts, Central's deepest penetration was to the Baylor 20 and this came late in the game.

CENTRAL VS. HOWARD

Central's Purple Pounders dropped their second game of the season to the Howard Tigers by a score of 20-6. The loss left Central with an HIL record of 2-1 and an overall record of 2-2.

Hey, this guy's trying to trip me.

Have ball, will travel.

CENTRAL VS. BRADLEY

Led by the running ability of Jimmy Mullican and the ball handling of Pat Chadd, the Purple Pounders posted a 26-7 victory, September 29, over the Bradley Bears to end a two-game losing streak. Mike Perkins was fatally injured in the first play of the second half of this game.

CENTRAL VS. RED BANK

Central and Red Bank tied 7-7 in HIL "AA" tilt Friday night, October 13. Central scored first with 5:01 left in the first half on a six-yard run by Gary Hamrick. Fumbles plagued both squads as each moved close to their opponents' 25 only to cough up the ball on fumbles. Central is now 3-3 in all games and 2-2 in HIL.

CENTRAL VS. EAST RIDGE

The Central Purple Pounders beat the error-prone Pioneers, 21-0, Friday night, October 27. Pat Chadd, Reuben Justice, and Bill Ridge accounted for a touchdown each, and Jim Barclay kicked three extra points to round out the scoring. Central recovered four fumbles and intercepted one pass that led to two of its scores.

CENTRAL VS. KIRKMAN

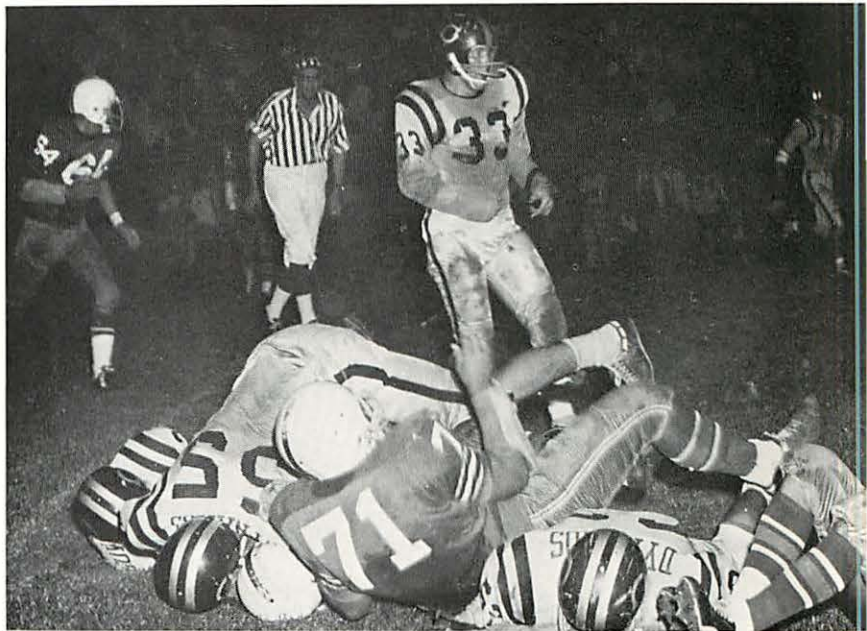

The Golden Hawks of Kirkman were the victims of the Pounders on November 3, as Hamrick ran for twelve points, and McCoy and Mullican piled up six points each in a 27-13 victory.

CENTRAL VS. NOTRE DAME

The Pounders, on November 10, smashed the Notre Dame Irish 35-7 in their eighth game with offensive stars Justice, McCoy, Hamrick, and Dexter Fearing scoring the touchdowns.

CENTRAL VS. BRAINERD

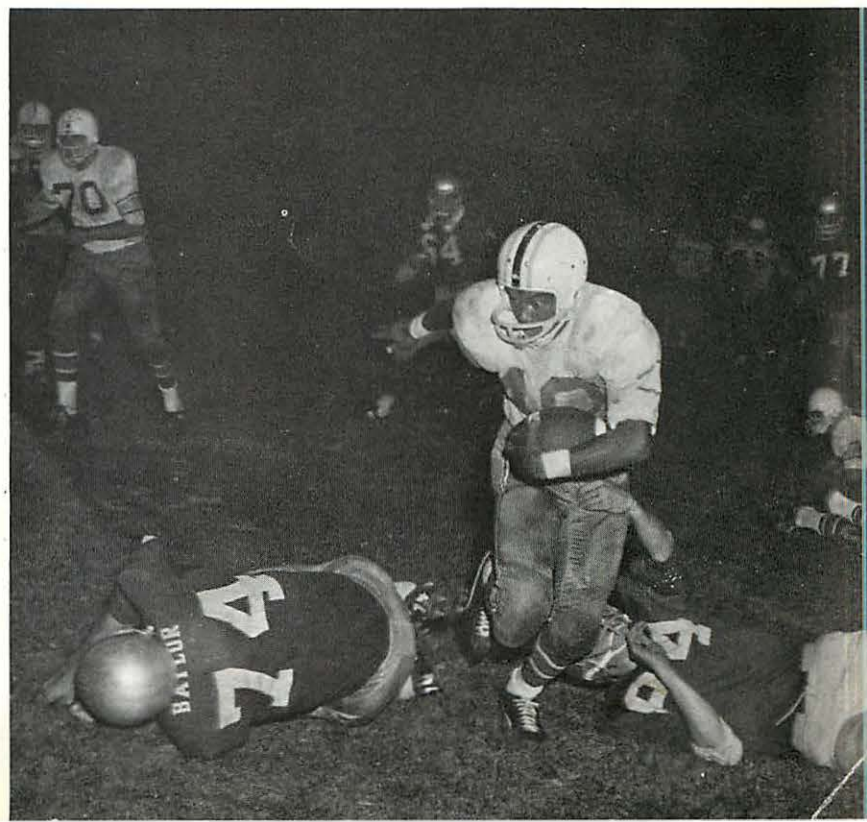

Central's determined defensive unit held the late-charging Brainerd Rebels at bay in the final two minutes of the game Thursday afternoon and came away with a 14-12 victory before some 3,000 Thanksgiving Day fans under bright blue, cloudless skies at Cumberland Field.

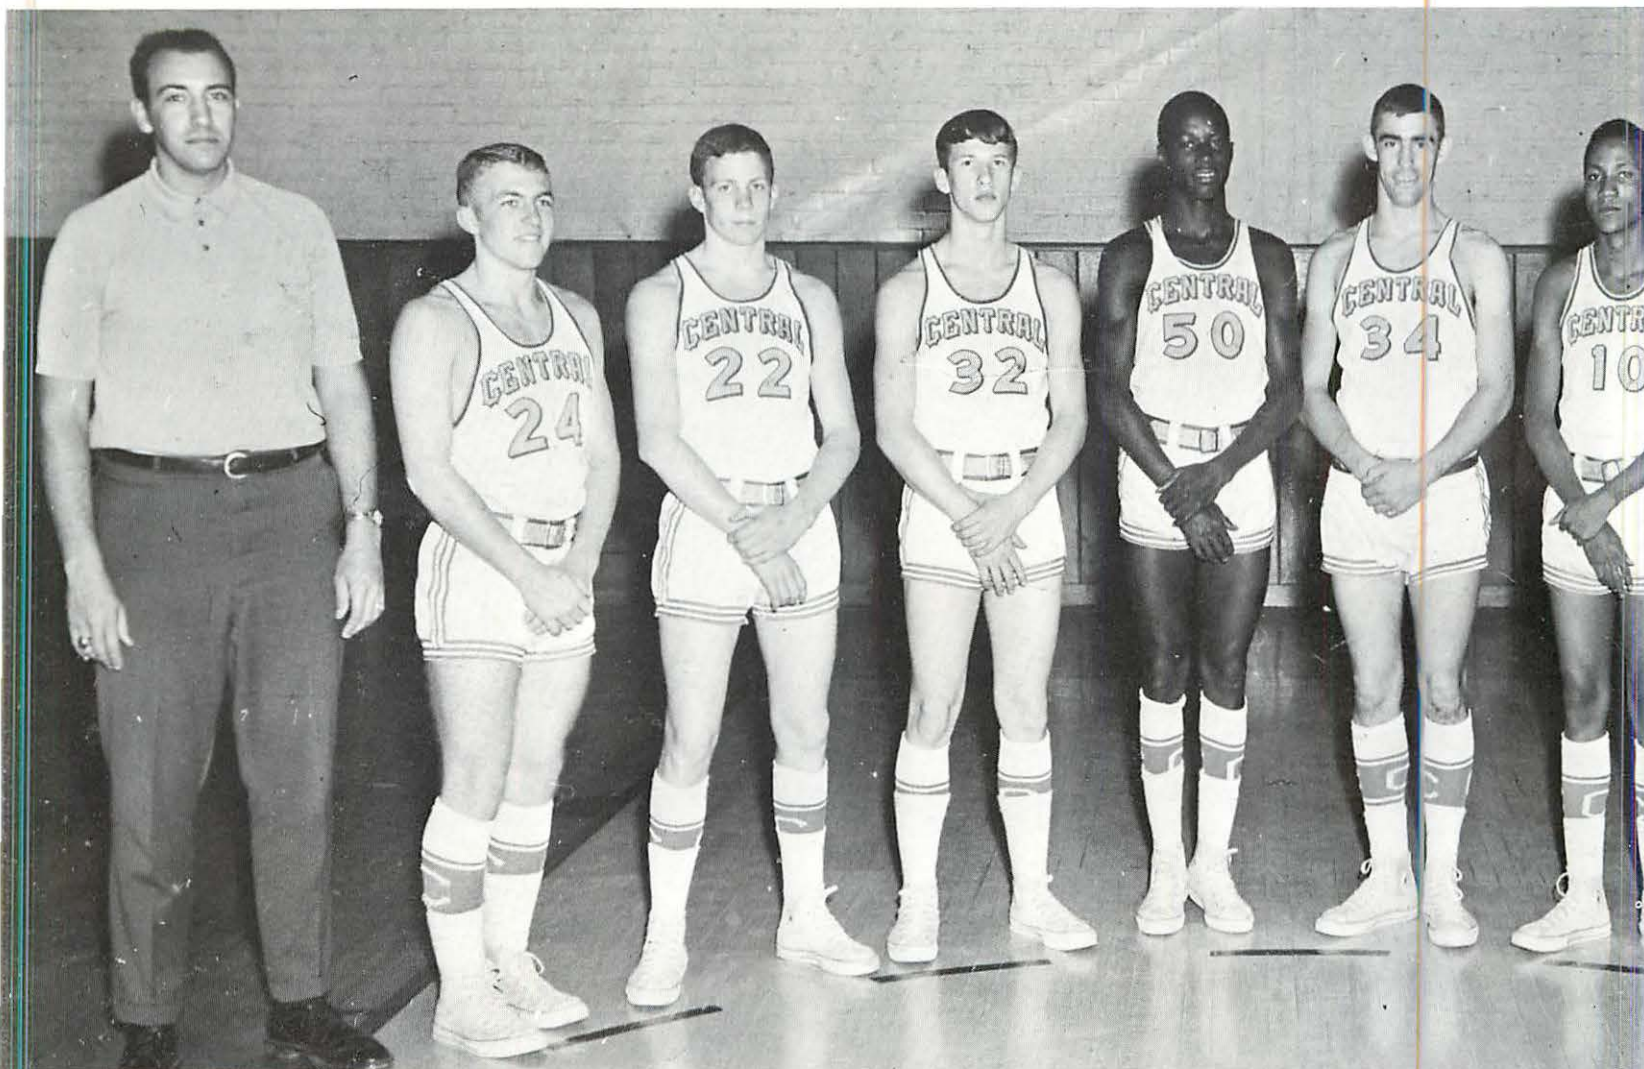

Should I get down with them, or not?

The Brainerd win by Central moved the Purple Pounders into second place in The Hamilton Interscholastic AA Division with a 5-1-1 league mark. The Pounders also have a 7-2-1 over-all record.

Move! I'm coming through.

Basketball 1967-1968

Carson McCord with perfect shot.

The "Purple Pounders," coached by Gordon Smith and Edward Test, had a good season with seventeen wins and nine losses. Striving for good sportsmanship is one of the main objectives of this basketball team. Sportsmanship is characterized by a feeling of pride in one's school and a displaying of respect for one's opponents. In their effort to build a fine team, Coach Edward Test and Coach Gordon Smith do an excellent job in promoting good sportsmanship to the team. It is necessary for the coaches to set the example by which the team is to follow.

Central placed fourth in the District 9 tournament, but succumbed by a score of 38-36 to McMinn Central in the Region 3 tournament. Although the 1967-68 season may not have been the greatest in win and loss columns, the spirit and sportsmanship of the student body and the team were equal to the traditional effort of former Centralities.

Baseball 1967

The Purple Pounders' baseball team, coached by Edward Test, finished the 1967 campaign in the competition of area high schools with a record of ten wins and three losses. Not only did the Pounders emerge victoriously in the district and regional tournaments, but they also advanced to place second in the state.

In the pitching department were the talented Kin Choate, Denny Painter, Charlie Rogers, and Steve Wehmeyer. Captain Terry Bouldin and Alternate Captain Gary Matlock led the outstanding nine to be victorious in ten games in the regular season schedule, but the team was downed by Baylor 2-3; Riverside, 0-2; and Oak Ridge, 5-7.

The men who received the title of Times All-City were Choate, Leonard, Matlock, and Painter, and All-Tournament winners chosen by area sports writers and casters were Choate, Painter, and Rogers.

Golf

The 1967 Golf Team consisted of Wes Gilliland, Terry Hackney, Tommy White, and Pat Chadd. Although the team had some losses during the season, Central won the Region A Tournament with a total score of 315. The 1968 team consists of Wes Gilliland, Larry McGill, Pat Chadd, and Eddie Netherly. Winning the Region title again should be a certainty this year if we get the cooperation from all of the team.

Track

The track team is a group of boys who have the determination and the capacity to excel in speed. Last year the track team composed of Sammy Lee, Buzz Adams, Mike McCoy, Tommy Braddock, and Melvin Waldrop won one match and lost four. Fostering a will to succeed and the ability to move with ease, this year's team should bring home many victories.

First Row: Terry Hasden, Michael Hawkins, Harvey McCoy, John Overton, Steve Wooten. *Second Row:* Jesse Murphy, Rudolph Chambliss, Archie Griffin, Anthony Crutcher, Alphonso McCane.

Wrestling

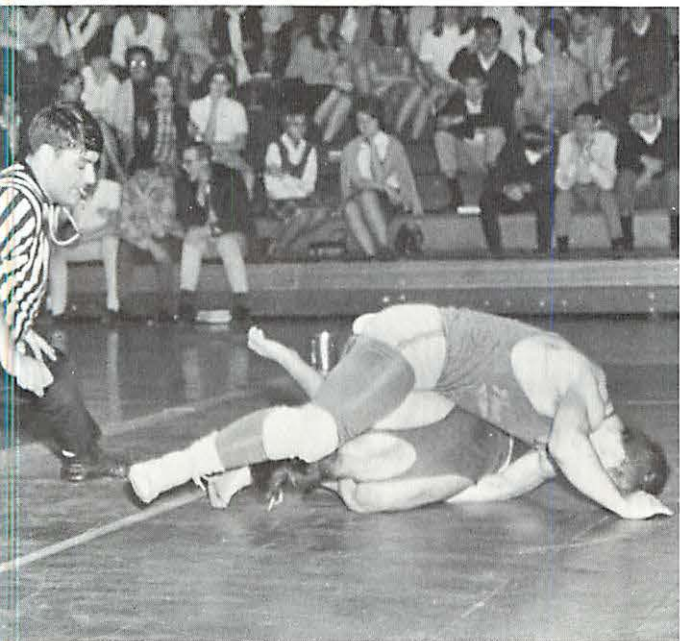

Wrestlers seeing action were Seniors: Captain Jim Long and Gary Locke, Jimmy Sedman, Terry Farmer, and David Sharpe; Juniors: Glenn Rievley, David Ashley, Mike Love, Rueben Justice, Rick Holder, Tim Thornhill, and Courtney McInturff; Sophomores: Tommy Sedman, Randy Finnell, Gary Dake, and Bob Crabtree. The managers were Harold Downs and Lewis Williams.

105 pounder Glenn Rievley led the team with a 12-0 seasonal record, third place in the Region Tournament, and first place in the State Tournament. 168 pounder Jim Long finished with a 13-0 seasonal record and captured third place in the Region Tournament. Rueben Justice, 156 pounder, and David Sharp, 148 pounder, both placed third in the Region and State Tournaments.

TO THE GRADUATES OF THE CLASS OF 1968:

The officers of the Central High School Alumni Association are happy to extend greetings to the graduates of the Class of 1968. They are aware of your attainments and your ambitions. They wish for you success in proportion to your ability, ambition, and application. These are crucial days and we urge you to continue your progress in education by attending the college of your choice.

The Alumni Association seeks to serve Central High School. Our projects are too many to list here. We constantly are looking for ways to improve our school. In order to serve the maximum, we need each graduate to join our association. When you are in a position to assist us, we ask you to join in this cooperative movement for the assistance of our school.

We wish for you the best in the future and we ask you to, at all times, elevate the name of our school, community, and nation.

OFFICERS OF THE ALUMNI ASSOCIATION

Seated: Miss Bobbie Ruth Hodges, 2nd Vice-President; Mrs. C. W. Sedman, President; Sam Crough, 1st Vice-President.
Standing: Mrs. Margaret Hammack, Recording Secretary; Mrs. M. E.

Indermill, Parliamentarian; Francis Williams, Treasurer; Mrs. W. E. Few, 3rd Vice-President.

OBJECTIVES OF THE P. T. S. A.

To promote the welfare of children and youth in home, school, church and community.

To raise the standards of home life.

To secure adequate laws for the care and protection of children and youth.

To bring into closer relation the home and the school, that parents and teachers may co-operate intelligently in the training of the child.

To develop between educators and the general public such united efforts as will secure for every child the highest advantages in physical, mental, social and spiritual education.
