SENTER OF
CLASS OF
1975

Mrs. Summerour Remembers Her 30 Years At CHS

"Since I became a member of the faculty of Central High School in 1956, there have been so many highlights, and I could not begin to list all of them. However, my first year was a memorable one; it was the year for celebrating the Golden Anniversary. I was thrilled to be featured in the newspaper as one of the newest women on the faculty along with a lady who was among the first women teachers at Central."

"Another major event that stands out in my mind is the year that we received the Bellamy Award. It was also the year that I became chairman of the Business Education Department."

"The opportunity to serve on the committee for planning the *New Central*, to participate in the ground-breaking ceremony, and the dedication of the new complex was quite rewarding."

"Central has always been known for so our program in recognition of our Bicentennial was one of excellence, proud to be an American and a leader."

"Through my thirty years at Central, the pleasure to be associated with so many outstanding administrators, teachers, and patrons that could possibly be found is an honor to be part of a school that has a reputation for attaining excellence in the education of our students."

"The highlights for the 1985-86 school year were being chosen the CHAMPION of the year and receiving the 30-year award."

I walked a mile with pleasure;

But oh, the things I learned from him
When sorrow walked with me!

WE'RE BEGINNING OUR JOURNEY

Freshmen

Big Shots Begin Again

On August 19, 1985 a new group of students came to join us here at Central. They were taking a big step because they were coming from the middle school where they were the so called "Big Shots" of the school. But that all changed. They came to Central as freshmen. They were yelled at, had things thrown at them, and much more just because they were freshmen. Some of them made it alright but some of them were scared and they hated it. But now they have realized that being a freshman isn't as bad as they thought and they have really started to like Central!

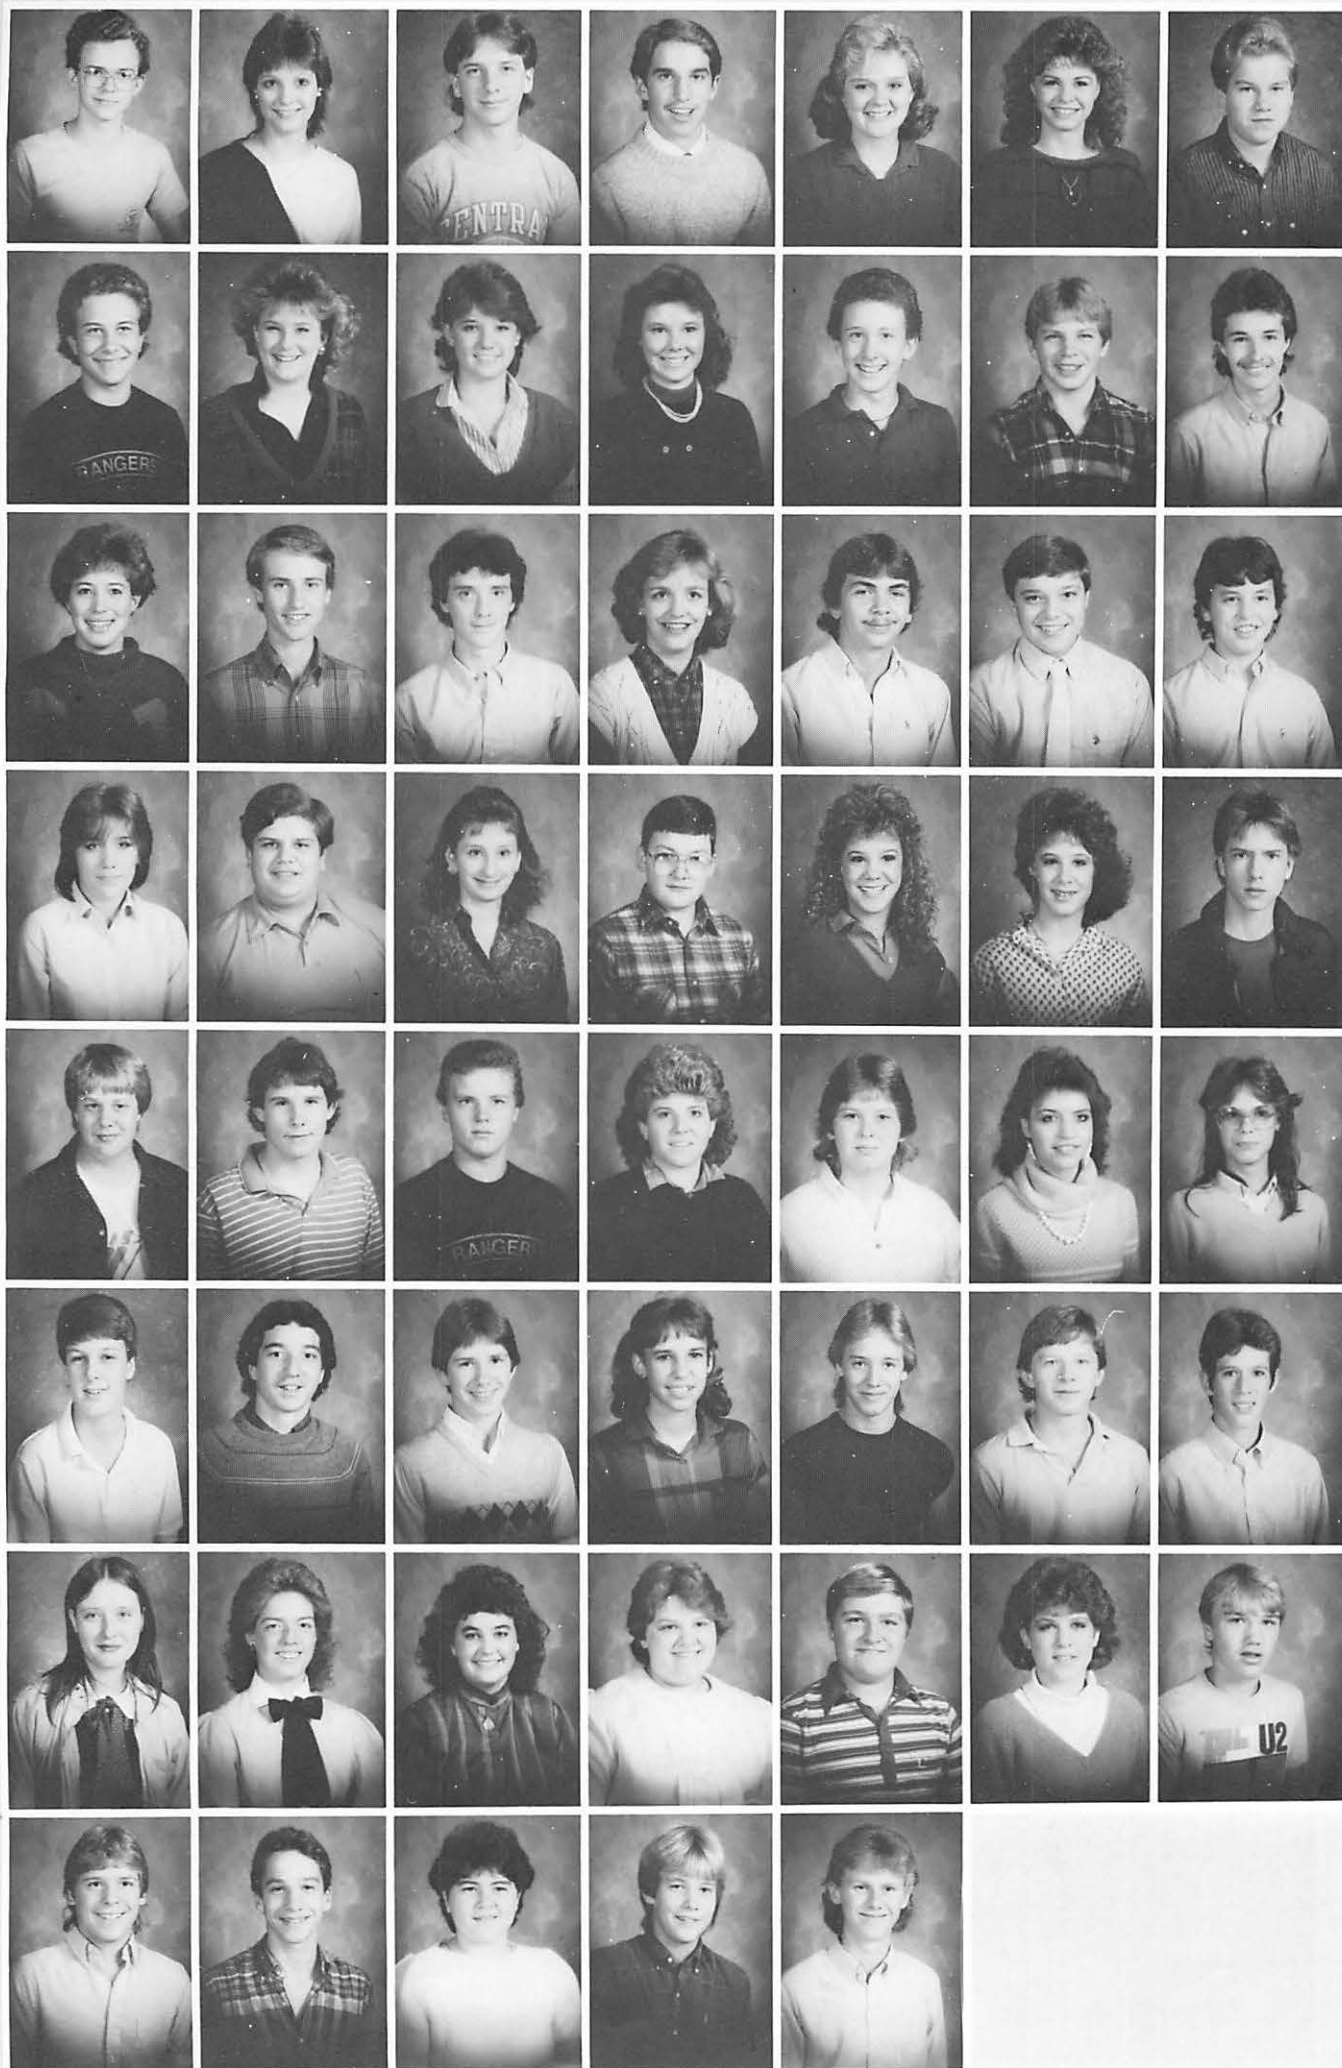

We here at Central would like to tell all of you freshmen that we may seem to be mean and heartless, but that's the way we treat all the freshmen! You will enjoy doing the same thing when you are an upper classman. Then you will realize that we weren't just doing it to make you think we hated you, it's a tradition!

WELCOME TO CENTRAL!!!!!!

Baseball

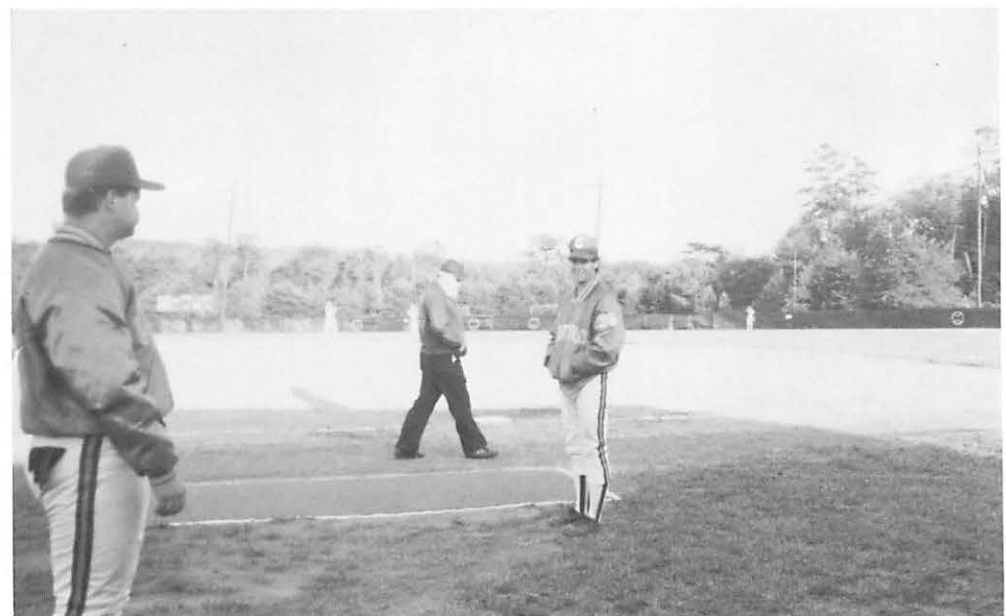

The baseball team didn't have much experience coming back this year and wasn't supposed to be a big winner, but it is our tradition to win. And someone forgot to tell our players because our record is 21-11. Overall we feel we have had a successful season. We wish we could have been as successful as in the past, but it wasn't meant to be.

SENIOR DAY SPEECH

1986

Virginia J. Summerour

Mr. Preston, Mr. and Miss Central, Members of the Court and Attendants, Class of 1986, Faculty, Students, and Guests:

Today is a very special one that I shall remember and cherish for the rest of my life. I want to express my sincere appreciation to you seniors for choosing me to represent the faculty as your 1986 Champion Dedicatory. I also want to congratulate Vicki and Buddy the class representatives, and all of the students who have participated in today's program.

Seniors, you have the distinction of graduating in a year of some very significant anniversaries. One hundred years ago, in 1886, France presented the Statute of Liberty to the US as a gift to a people who valued freedom and sought to share it with others. It was only 21 years later, in 1907.

Affixed to the Statute of Liberty are these words: "Give me your tired, your poor, your huddled masses, yearning to breathe free, the wretched refuse of your teeming shore; send these, the homeless, tempest-tossed to me: I lift my lamp beside the golden door." Many of our seniors and friends have been inspired by these words as they came searching for the freedom that you and I treasure and are able to enjoy in so many ways.

Are we not able to correlate the purpose of the founding of Central High School with that of the Statute of Liberty? Central was founded so that thousands of young people with eager minds and a hunger for knowledge would have an opportunity to enter these "golden doors of learning." Many of you are following in the footsteps of grandparents, parents, brothers, and sisters who also chose to receive preparation for their future by entering these "golden doors."

So often we take opportunities for granted. We behave as if we think circumstances ought to change for us, when really it is we who should work to change the circumstances around us. Each of you was born with a potential for something special; it is up to you to develop that potential for something special; it is up to you to develop that potential. Life becomes hectic at times and some people rush through and ignore many of the good things that they should enjoy. I encourage you to set a positive goal and direction for your life. It means you will need courage, perseverance, patience, and enthusiasm. Oh, there will be times when you will be tempted to give up simply because your first attempt at something does not bring the results that you desired. But you only have to have faith and keep on trying. Failure is never an excuse for quitting! There is a line from a song that was popular several years ago that says, "You've got to have hope, miles and miles of hope." And Helen Keller advised us, "Keep your face to the sunshine and you cannot see the shadows."

If you expect to have a happy, meaningful life, you must prepare for it. You have begun this preparation as a student, and I urge you to continue to make it an on-going process. Dr. Robert Schuller, a well-known person in the field of positive thinking has said that "Success is waiting for the person who is willing to get up and get moving in the right direction. It will require much effort and determination from you. It has been said that success is that place in the road where preparation and opportunity meet; but too few people recognize it, because it often comes disguised as hard work."

Each of you represents an integral part in this world; I hope you will have dreams that will be the gateway from your present to your future, and that you will not miss the beauty of life. The natural scenery around us is never the same; every landscape and every season has its unique beauty. Life is much the same way. Thank you again for allowing me this opportunity to share this special day in your life.

A Chorus Of "Oh, No"
at Mrs. Darby Smart's surprise retirement

Tomorrow

We've had our times together
Which will not be soon
forgotten;
But now it's time that we move
on
And reach for realms of
tomorrow.

Our dreams are dreams; our
hopes are hopes.
And we will reach for the
future,
But today is today which is
here and now
For tomorrow is uncertain.

We've reached the place in our
lives
Where our goal is to live;
To do our best; be who we are;
And give what we can give.

Will Class Of 1986

We, the graduating class of Central High School, do hereby declare, make and publish this as our last will and testament, as presented this sixteen day of May, nineteen hundred and eighty six, by me, Robert Blackburn, the appointed executor of the Central High School Class of 1986.

We, Billy and Darrin, will Mike McCrimmon a new name, Snooter.

Class History

The class of 1986 left the good reputation it had acquired while at Brown and adventured expectantly up the hill to Central to begin a new life called "High School". Mrs. Cathy Robbs and Mrs. Betty Lee, as class sponsors, had the enviable task of breaking in the new freshmen.

Our first act of business as a class was the election of officers. We chose Kathy Haley, President; Tracy Collier, Vice President; Traci Brown, Secretary; and Kelley Turner, Treasurer. In October we were fortunate to host a political rally featuring the talents of singer/actor Jerry Reed and Governor Lamar Alexander. Our class had 7 Freshmen cheerleaders, 3 representatives on the track team, 23 members in the freshmen chorus, 19 people in band, a tennis player, and 2 weightlifters. Cindy Green was named to the AA-All-State Softball team. Our band took an exciting trip to Florida where they visited Disney World and Daytona Beach, and performed at Sea World. Best All-Around student from the freshmen class of '86 was Jeff Delashmitt.

Our second year at Central was under the leadership of President, Robin Lowe; Vice President, Kelly Frierson; Secretary, Traci Brown; and Treasurer, Stacy Frazier. Three sophomores participated in the All-State East band clinic in Bristol, Tennessee. The band also traveled to Washington D.C. where they performed on the grounds of our nation's capitol. Sophomores on the cheerleading squad were Angelique Floyd, Cathy McCaedell, Christy McMasters and Karen Niles. Julie Defriese qualified for the state golf tournament. Thirty sophomores were in the Concert Choir who received superior ratings at the Brainerd Festival for Choirs. The basketball team went 11-18 on the year winning their last 7 in a row. Michael Spohn attended the Hugh O'Brian Leadership Seminar. Best-All-Around was Buddy Barnes.

Our Junior year was marked by a first ever soccer team at Central. Bart Thau made the All-County

Class Prophecy

Soccer team. Winston Reels, Wayne Perkins, Todd Wofford, and Steve Davis were part of the State Championship Baseball team, and Cindy Green played on the girls State Championship Softball team. The Pounders dominated the AA-Baseball Scene in Chattanooga. Our girls tied the Seniors 6-6 in the Junior/Senior Powder Puff game. Central's football team finished in a disappointing 4-5 on the year but was able to participate in the 2nd longest football game in TSSAA history against Knox. West. In academics we placed 14 new members in the National Beta Club. The class officers were President, Michael Spohn; Vice President, Laura Kaley; Treasurer, Bart Thau; Secretary, Cathy McCardell.

Our Senior year, beginning 2 weeks earlier than usual, was kicked off when Central was the proud host of Contemporary Christian artist Phil Driscoll who dazzled a gym full of fans with his silver trumpet. The officers chosen to lead us through our final year were President, Michael Spohn; Vice President, Cris Shelton; Secretary, Cathy McCardell; Treasurer, Dennis Newell. The boy's basketball team had their best season in modern history, compiling a 25-6 record. Todd Wofford and James Newby placed on the All-District team and Todd was also an Honorable Mention to the All-State team. Laura Kaley made the All-State girls basketball team. Boy's State Delegates were Michael Spohn, Bart Thau, and Eric Light while Vicki Evans and Laura Kaley were Girl's State Delegates. Mike Moore, Winston Reels, and Michael Spohn were selected to the All-City Football team. Jody Parrott was named the MVP for the football team. Michael Spohn represented Central High at the Freedom's Foundation at Valley Forge. Mr. and Miss Central for the class of 1986 were Buddy Barnes and Vicki Evans.

From concerts to State Baseball and Softball champions to one of the longest football games in history, we the class of '86 did it all. God bless you the class of '86.

— Eric Light

I, Greg Mann, have been chosen by my classmates to foresee their futures. Ten years from now the class of 1986 will be a highly diversified group. At their ten year reunion, many strange tales will be told.

After graduating from the Air Force Academy, Captain Michael Spohn will be given his first command at a base in the Phillipines. However, he will be shot down by his own troops. Bart Thau will be offered a pro soccer contract making three million dollars a year, but he'll turn it down because he just didn't have time in his schedule. Tracy Smith will open a day care center. Angelique Floyd will host her own aerobics show for people with chronic neck twitches. Curt Beaty will use his physique to get a part as the Stay-Puffed Marshmallow Man in Ghostbusters II. Todd Wofford will be playing basketball for the 76ers but won't know how much money he's making because he can't count that high. Stacey Frazier will host the show of the late Dr. Ruth. Shannon Johnson will realize he is white. Hector Gomez, alias "Wayne Perkins", will be deported back to Mexico when it is discovered that he is really 34 years old and that his green card expired in 1979. Mike Moore will open a factory that makes platform shoes for guys who want to look their girlfriends eye to eye. Steve Davis will become a female impersonator. Pam Nelson will lose her job on the CONTACT hotline because she literally talks people to death. Kelly Turner will open a lingerie boutique for underdeveloped women. Steve Askew will combine his skills as a mechanic and a groundskeeper by opening a garage for high performance tractor engines.

And so it shall be at the 10 year reunion, June 1, 1996.

Keith Clonts joined the Peace Corps and be stationed in Barbados; however, he will quit after two weeks to become a Rastafarian

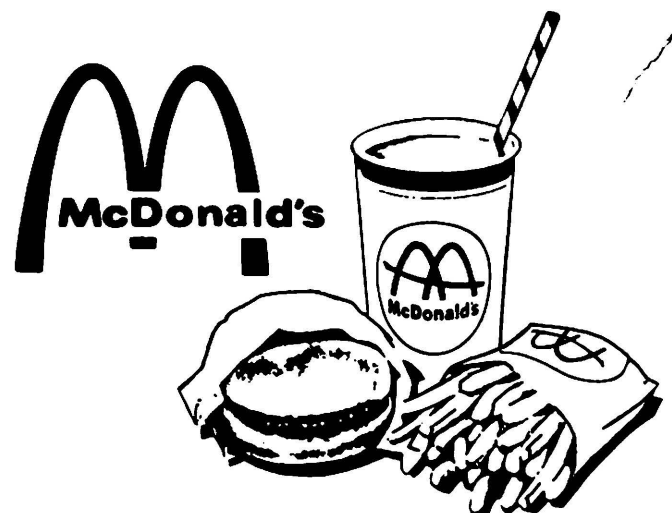

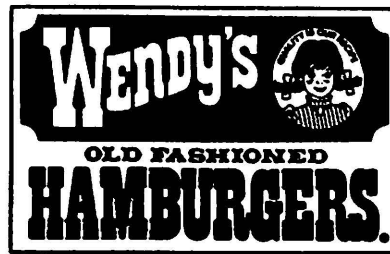

priest. David Hempy will become a driving instructor at Crashen Driving School. Scott Wyers will miss the reunion. He will be doing time after being stalked by the FBI for eleven years. Agents say it was the biggest drug bust in the U.S. history.

Vicki Evans wanted a job that will suit her hair style, so she became a rock singer. Chris Camp will become the National President of the Hank Williams fan club. Laura Kaley will quit school at Oxford to become the first white female Harlem Globetrotter. Gene Lesely will become a door-to-door vacuum cleaner salesman because it's the only job he could find to suit his personality. Tracy Brown will become a speech therapist for people with obnoxious northern accents. Billy Evans will become the lead guitarist for Black Sabbath. Buddy Barnes will turn down a pro basketball contract to become a hairstylist in Tiajuana. Rusty Lloyd will become a ballet dancer. Sara and Susanne McCallie will reveal to the world that they're not really sisters and that it was all done with mirrors.

Terry Wall will fall asleep on a New York subway and never be heard from again. All of Tim Nabors' freckles will grow together making his entire body a nice shade of green. Blake Moon will become a summer camp counselor for third graders so that he can work with people on his own maturity level.

Leesa Long will get a job as a ranger at Yellowstone National Park after getting a degree in Forestry at UTC. Drew Martin will marry Mary Hickman and have six children because that's a good number for playing Dungeons and Dragons. Kirstein Noerager will become district manager of Krystal.

Finally, Karen Niles will brown-nose her way to the top of the UTC cheerleading squad but then quit to elope with some awesome guy that nobody has ever seen or heard of.

The Principals Address to the Class of 1986:

Class of 1986 today marks the ending of one of the most memorable times in your life. Many years from now, each of you will look back upon your High School years and speculate on all the events and emotions you experienced during that time in your life.

Tonight you have been challenged to live for today, to excel, to be happy and to inspire. As you strive for these goals set a straight course. It's important to know where you're going. If you have nothing as your target, you're likely to hit the center of nothing with amazing accuracy.

This is your lifetime. Live it so that you can experience the fulfillment of your dreams. You do not give up, think of your dreams everyday, do something everyday to make your dreams come true, and dream to give happiness to someone else.

During your lifetime, there will be numerous encounters with failure. All of you will experience some drawbacks sooner or later in your lifetime, but the real secret of achieving success is being able to recover from your misfortune and immediately begin building again. It is essential that each of you learn from your mistakes and immediately begin building again. You must learn from your mistakes and accept discouragement so that you may gain confidence to face life.

It has been stated that some people spend so much time making a living that they have no time to enjoy life. Our world has much beauty and peace to offer. The real meaning to success in life is not hard to discover. Don't let material gain be the primary purpose in your life. You will not have everything in life that you want, accept what you have and be satisfied and happy with it and find pleasure in it.

This is your life. It will be exactly what you make it. Your success will depend largely upon what you want to put into it. It is up to you to utilize your talents and take the initiative necessary to attain success.

May God guide you and be with you as you take your life in your hands and strive to make this world a better place.
