NHS Is Headed By Donna F. Blessing

Donna Faye Blessing, senior, was elected president of the National Honor Society at the first meeting of the year in the room of the sponsor, Mrs. John A. Shelton. Other officers chosen and installed were: Lucille Sulley, vice-president; Jean Tittsworth, secretary; and Sara Collins, treasurer's aide.

It is the duty of the president to preside at meetings, which come after school on the first Thursday of each month, and to welcome new members into the society. The vice-president serves in the absence of the president. The secretary takes minutes of all meetings and programs of the society, while the treasurer's aide assists the treasurer, who is Miss Rubye Nipper, head of the commercial department.

New officers are elected and installed each semester and no person may serve in the same office twice; the candidate for president may not be president of another club; however, the Ace Club is an exception.

All members of the National Honor Society on roll in the national roll book are presented a certificate of membership. It is a distinct honor to be a member of the National Honor Society since all members must be in the upper third of their class and must excel in leadership, character and service and scholarship.

THE DIGEST SPEAKS FOR CENTRAL

For the benefit of those who have waited each Thursday morning to see the Digest being distributed, but have been doomed to disappointment, the staff wishes to apologize for the delay, which has been due to circumstances beyond control.

Even at this late date the "Digest" wishes to welcome the new students. May this and the following years prove to you a success both scholastically and socially.

THE GREEN GRASS OF CENTRAL

Students of Central High School, as well as the citizens of Chattanooga, are highly appreciative of the efforts of Mr. W. H. Millsaps and Mr. Gordon Smith in the work they did toward improving the campus.

It was indeed refreshing to return to school this fall and see, instead of the bare, beaten yard of last year, a soft, green covering of grass and clover.

Students have been asked to stay off the grass until it has had time to grow well. Almost everyone has been unusually cooperative to this request, even though it is rather crowded around the entrance steps during the lunch periods.

As ye sow, so shall ye reap" is one of the unshakable laws of nature. The whole system of life is full of just compensation—measure for measure and like for like.

Mrs. Ida Longley

Mrs. Longley Retires; Served Thirty Years

"I have enjoyed every minute that I have been at Central and have loved every boy and girl under my instruction," stated Mrs. Ida Longley, who retired at the end of the 1950-51 term after thirty years of faithful service at Central.

The Hamilton County Department of Education lost one of its most loyal teachers when Mrs. Longley left Central. Her extensive experience and knowledge of human nature made it possible for her to deal with students in a most helpful and understanding way, for which she will be long remembered.

Mrs. Longley attended the University of Alabama, received her A.B. from the University of Chattanooga, received her Master's Degree from Columbia, and also studied at Oxford University in England. As a teacher her predominant subject was English, but she has also taught Latin, French, Greek and German.

Mrs. Longley has spent a great deal of time in England, Austria and Scotland and has traveled extensively in other European countries. Among the other countries she has visited are France, Germany, Switzerland and Italy. Her special interest in these countries was their literary shrines and art galleries.—M. Mc.

Pupils Estimate Flagpole Height

"Up a little and to the right. Hmm! Forty-two degrees." The preceding dialogue is typical of that heard among amateur surveyors from Mr. Bohr's physics classes.

The object of their experiment was to find the height of the flagpole in front of Central and also the diameter of the ball on top of the pole. Various methods were suggested by the students, but the most promising one was to chop the pole down. Mr. Bohr rejected this, as it would have defaced the school campus, so the poor pupils did it this way.

Armed with a transit, meter sticks and other supplies, they set forth on their venture. Our "modern George Washingtons" found degrees and worked out their formula.

As a result, Centralites may now rest assured that their flagpole is approximately seven feet tall and weighing at least 300 pounds.

Needed—By all seventh grade students: Periscopes for use on the third floor.
Lost—By Virginia Zott, four chairs, seven glasses, two lamps and one dog. These are believed to be in the possession of Silhouette Club members who had a slumber party at her home recently.

GLEN COPELAND

While everyone is thinking about football, let's not forget the past baseball season, which found several Central boys starring on various baseball teams.

One of those teams which was followed by many Central supporters was the Penney's team. This team was coached by E. B. Eitter and was outstanding in local and state play. Beside winning the state championship, the Penney's went to the Regional meet in Columbia, S. C., before bowing out. Among the Penney's team were such stand-out players as Jack Fryar, Bernard Epperson, Bill McBrayer, Jimmy Sloan, Jimmy Pack, Ray Powell and Bobby Hoppe. All of these boys are well known to Central students in the fields of sports other than baseball.

Miss Frances Tiernan of the social science department and Miss Edith Taylor of the commercial department attended a summer Human Relations Workshop at the University of Kentucky. Following that, by invitation, they went to, Cornell University at Ithaca, N. Y., where they were members of a seminar on Teamwork in industry.

Featured in this week's Parade of Pounders are Jack Fryar and Ken Hudgins, captain and alternate captain of the Purple Pounders football team.

Jack plays at the position of left guard and has proved himself a valuable leader as well as an outstanding player and sportsman. Fryar is treasurer of the senior class, a member of the "C" Club and regimental executive officer lieutenant colonel in the ROTC. Jack played baseball with the Central Ponneys, who went to the Regional Meet in South Carolina. One of Fryar's most spectacular plays was his 26-yard run against Knoxville Young to set up a touchdown.

Hudgins, the alternate captain, who has also been an excellent performer, is president of the senior class, a member of the "C" Club, colonel of the Central ROTC regiment and a boxer of renown. Hudgins is playing his third year on the varsity team and will leave a lasting impression at Central for his versatility in the sports field and his adeptness at latching passes while on the gridiron.

To entertain some people, all you have to do is sit down and listen.

**Central Opens Season,
Wins Over O'Keefe,
Fayetteville, Young**

The Purple Pounders opened what looks like another successful football season with a 20-0 win over the Fayetteville Tigers on Sept. 7.

The Pounders scored all three touchdowns in the second half, after they had played unimpressive ball in the first half.

The Pounders opened the second half by taking the opening kick-off for a touchdown on an 85-yard drive. Bobby Hoppe took it over from the five, and Jack Fryar booted the extra point, for 7-0.

Hoppe again scored when he took the ball over from the 13 for the second touchdown; Fryar again kicked the point to make the score 14-0.

The third touchdown was scored on a spectacular 72-yard punt return by Billy Hale. Fryar missed the point to make the final score 20-0.

Central continued along the victory trail by beating Knoxville Young, 25-0.

Jimmy Williams scored three times to keep up the Pounders' pace. His first score came on a pass from Jimmy Pack. The second was a one-yard plunge, and the third was on a pitch from Keny Riggs. The last touchdown came when Pack passed to Ken Hudgins, who lateraled to Ralph Creswell, and Creswell crossed the twin stripes. Fryar converted one extra point.

Williams again was the big gun as the Pounders beat O'Keefe of Atlanta, 13-7. Jimmy scored both touchdowns. His first was a 19-yard run and his second was a two-yard plunge. Jimmy Niswonger scored for O'Keefe on an 85-yard kick-off return.

Don't blame bad luck for all of your troubles. Bad luck is usually the outcome of bad judgment.

**Pounders Crush Red Bank Lions,
Kingsport to Remain Undefeat**

The Purple Pounders subdued the rear of the Red Bank Lions to a purr as they added their sixth consecutive victory, Oct. 6, at Chamberlain Field.

The Pounders scored late in the first quarter, where Jimmy Pack tossed a pass to Jimmy Williams, completing a 53-yard pass play for a touchdown.

Two scores were made in the second period, the first when Tillman punted 54 yards from deep in Purple territory to Bob Allison, who returned to the Pounder 38 and fumbled. Then Don Duncan scooped it in and raced 62 yards to score.

The other score came almost as the period ended. Pack passed to Williams, who took it on the Pounder 40 and ran to the line before he was stopped, and as he was being tackled he lateraled to Bob Hoppe, who made the score. Tillman scored in the third quarter on a 10-yard run from center. Again, in the third quarter, Tillman broke through center on the Purple 32 and raced to the goal.

In the fourth quarter Ken Riggs went 17 yards as the siren blew ending the game. Central 38, Red Bank 0.

Kingsport Game

The Pounders defeated Kingsport, 32-13, as they continued their winning streak.

The Pounders struck for two scores early in their first period, two more in the second and another in the third to down a fighting Kingsport team.

"The men who traveled most widely are those who have really seen what lies close about them at

**Pounders Lose, 14
To Miami Stingars**

Miami High once again outed the Pounders and this time 14-12 score in the muddy, muddy Bowl at Miami, with only a rain-soaked spectators looking on.

Both Stingaree scores came on the first half, as Wally plunged over from the Central yard line on each occasion.

The Pounders scored their tally in the second quarter. McBrayer fell on a Miami fumble in the end zone, and Central then just one point behind as extra point kick wide, leaving the score 7-6.

The second half opened with furious onslaught by the Central team and Miami was held standstill throughout the last by the Pounders' hard-charg forewall, and neither team was to score in the third period.

In the fourth stanza the Pounders began to move again and time weren't to be stopped. Fryar lateraled to Tillman, who slipped to Hoppe, and Bobbe w over the stripes standing up, make the final score 14-12.

There are sixty-five members in the advanced band at this time, but Mr. Walker, director, expects to add fifteen others by the time of the Central-Baylor football game.

Elmer Redwine, Graduate of '49, Calls Okinawa "Bermuda of the Pacific"

"The thing that has impressed me most since I have been out of high school is that I did not apply myself and did not learn what I should while in school," said Elmer Redwine, alumnus of 1949, who since leaving Central has been in the Air Force.

Elmer had his training at Lackland Field, Texas, Sheppard Air Force Base, Texas, and MacDill Field, Florida, from which place he was sent to Okinawa in the Pacific.

Elmer described Okinawa as the "Bermuda of the Pacific," an island about sixteen miles wide by 40 miles long. Since Okinawa is on about the same parallel of Ten-

nessee, Elmer found the climate much the same with little change from night and day temperatures. As an Air Force mechanic of B-29's operating out of Okinawa, Elmer considered the island a pleasant place to live. He stated that the scarcity of trees was very noticeable and was probably due to the war, but that the undergrowth was coming back.

The planes on which Elmer worked had approximately 87 missions and his group had probably participated in 200. He flew over Korea on one mission.

Elmer played fullback on Central's team in the year 1948-1949 when J. T. Vick was captain.

Colorful Military Review to Pass In Parade Tuesday Evening at 7:30

The ever-beautiful and dignified ROTC presentation ceremony, which is given annually at Frawley Field, will take place next Tuesday night at 7:30 o'clock. The sponsors will, according to custom, be dressed in the traditional white and gold uniforms and will carry arm bouquets of purple and gold chrysanthemums.

The program usually includes a review of the cadet corps and an exhibition by the Honor Platoon. And last but not least is the actual presentation in which the cadet officers introduce their sponsors to their subordinates.

The officers and their sponsors are: Colonel Kenneth Hudgins and Bobbie Nell Kolveck; Lt. Colonel Jack Fryar and Charlotte Staley; Lt. Colonel Bill Black and Arlene Hillis; Lt. Colonel Raymond Ling and Mary Katherine Kennedy; Major Frank Fuller and Kay Fry; Major Lowrey Lackey and Peggy Gossett; Major Bernard Epperson and Peggy Watkins Major Rex Ford and Jerry Fundinger; Major Billy Knowles and Dottie Waterhouse; Major Richard Buffington and Pat Williams; Captain Pruett Morrison and Geneva Monday; Captain Jimmy Williams and Barbara Pritchard; Captain Howard Blain and Jean Tittsworth; Captain David Patton and Doris Castle; Captain Bill Lankford and Lois Saxon; Captain Reginal Laasater and Margaret Smith; Captain Pat May and Joy Parker; and Captain Jack Allison and Virginia Zott.

The play is centered around the trials of Junior Conroy, an earnest adolescent, who is trying to arrange his first date with lovely Jeannie Matthews. Things are complicated by jealous "buzz" Fluge, Junior's parent, and his tag-along sister. His cousin Alicia and Aunt Alice again entangle him, and his chances look slim. Finally he eludes his family and goes on his date.

Allied Youth Chapter Organized at Central

Mr. Roy Berg, representative from Allied Youth headquarters in Washington, D. C., came to Central early in September to organize the first post in Chattanooga.

Howard Waller was elected president of the Central Allied Youth Post during a meeting held Tuesday of last week. Further elections will be held later.

A committee composed of the following was appointed by Mr. J. Pope Dyer of the social science department, to lead in the organization: Wanda Trimble, Gretchen Britton, Dot Wessel, Betty Rush, Howard Waller, Charles Chamption, Dan Wade, Joe Hacker, Mabel McCrary, Charles Smith, "Roughness" Martin, and Terry Scotts. Mr. Carl Chapman is serving as faculty adviser for the group.

The Allied Youth shows young people how they can have plenty of fun without drinking and provides a fellowship which makes it easy to be popular and still say "No" to drinking. Membership to this organization is open to all of the teen-age group who sign the pledge and pay dues.

P.T.A. Membership Drive Gains 917 New Members

The P.T.A. membership drive closed officially Wednesday, October 17. The total members gained were 917, while the total amount of money collected was \$458.50. Though the drive is over, parents are still urged to join, although memberships now will not count toward the party to be given the group of homerooms with the highest percent of parents and friends joining. As the Digest goes to press the winner has not been announced.

The officers and their sponsors are: Arlene Hillis, secretary; Kay Fry, treasurer; and Richard Buffington, Rex Ford, and Carolyn Barns, social chairmen. This staff maintains Central's book store and school bank. Miss Ruby Nipper is the sponsor.

Martha Byles Receives First Davis Scholarship

Martha Louise Byles, alumna of 1951, is the first college student to be awarded the Sam Davis Memorial Scholarship given by the Tennessee Division of the United Daughters of the Confederacy.

Miss Byles is now a sophomore at East Tennessee State College in Johnson City.

The scholarship, a gift of one hundred dollars each year, is awarded to deserving students of lineal descent of a Confederate soldier.

While attending Central, Miss Byles was president of the Library staff, pianist for the Varsity Glee Club, secretary-treasurer of the L. L. C., a member of the National Honor Society, and was on the Ushers Staff.

Bank and Book Store Officers Announced

Frank Fuller is serving as president of the Bank and Book Store Staff this year. The other officers are: Arlene Hillis, vice-president; Jean Tittsworth, secretary; Kay Fry, treasurer; and Richard Buffington, Rex Ford, and Carolyn Barns, social chairmen. This staff maintains Central's book store and school bank. Miss Ruby Nipper is the sponsor.

Queen Election

All students will vote on the four central nominees for Homecoming Queen November 1.

PREPARE FOR YOUR FUTURE NOW

The ant instinctively uses foresight and plans for the future. He collects his supplies all during the summer and makes ready his refuge for the cold, barren winter months. This method applies to high school students in a similar way. They should plan ahead to their entrance into college and like the ant should store up necessities for days to come. In the human sense the food would be the requirements needed for college. Too few think of these demands before it's too late to remedy their deficiency in them. Every year there are always those seniors who, even though they've been exceptionally good students, find out that they are not eligible to enter certain schools that might be their choice. This can easily be eliminated. Any student can so plan his entire high school course that year by year he finishes the subjects he'll need for college. The standard basic requirements for admission to college are four years of English, at least two years of a modern language, with four years preferred, three to four credits in science, and no less than three units of mathematics, with four years desired. The rest of the course may be filled in with electives of the student's choice. Such a background will furnish a base for any specified study later on and prove a dependable key to higher education.—K. H.

YOU'LL BE A MAN, MY SON

In Rudyard Kipling's poem, "If," there is found a very valuable lesson. In life we learn that we must discipline ourselves and adapt ourselves to the habits of others. We must learn to keep our heads when we are being blamed; we must have confidence in ourselves when others doubt us, and we must be willing to start from the beginning if we lose a race. In conclusion, Kipling says: "If you can talk with crowds and keep your virtue, Or walk with kings—nor lose the common touch; If neither foes nor loving friends can hurt you; If all men count with you, but none too much; If you can fill the unforfeiting minute With sixty seconds' full of distance run, Yours is the Earth and everything that's in it, And—which is more—you'll be a man, my son." Patience and the ability to get long with our fellow students are valuable assets. Everyone likes to have competition or to be challenged in this game of life. Since we are compelled to live and work with other people, is it not commendable to conduct ourselves that other people will be happy to associate with us.—C. S.

Kay Hoffmeyer, Junior, Enjoys Summer at Camp Fall Creek Falls With Girl Scout

The past summer was the highlight of six consecutive seasons of camp life for Kay Hoffmeyer, junior, at Camp Fall Creek Falls, Girl Scout Camp located near Pikeville, Tennessee. Last year eight of these campers organized a senior scout troop to carry on scout activities. The last and one of the most unusual projects of this unit was that of making an outside kitchen. This project progressed step by step from clearing the ground to building a trench fire and a bean hole in which they concocted and cooked many strange and delicious dishes. When the kitchen was completed the Ononta unit had open house for the whole camp.

Our Friends . . . Good or Bad

(The Digest Staff wishes to express appreciation to the I.L.C. for the following article.—Editorial note.) Friends always have a powerful influence, especially when a person is in his teens. The warm feeling of understanding and companionship that best friends give each other helps to build a secure, happy personality for the future. But sometimes this influence has its bad aspects, too. For example, at our age we may think it childish to play the game of follow the leader, but many of us may be doing just this unknowingly. We must try to be individual and self-thinking and not carbon copy of our friends. It is natural for us to see our friends' best characteristics, but we must remember we are human and being human we are prone to mistakes and misunderstandings. We must give each other the right to occasional human error—and to the understanding and forgiveness which is the test of true friendship. —Mary Ardeena Kellis.

Pleasant Trip Eases The Defeat at Miami

Aside from the disappointment of meeting defeat at the hands, rather toes, of the Miami High Stingers, members of the football team and those students who managed the trip had a wonderful time in the sand and sun of Miami and various other Florida resorts. The football team left on Thursday morning as did Morene McWilliams, Pat Coleman, and Shirley Tompkins, three students who attended, and arrived in Miami Saturday, where, despite the rain, the Panthers' debut was gloriously but came out on the losing end to the tune of two extra points. Morene and Shirley, however, spent most of their time racing back and forth from the nearest shelter to their seats, which vaguely resembled a Tennessee lake. The trip was highlighted by its visit to Marineland, where Jay, captain of the team was chosen "Guest Feeder of the Day." The group also visited Silver Springs and various other Florida attractions. The team returned home Tuesday following the game and school the next day.

Miss Schlack is also a graduate of U. C., where she won many honors. She did graduate work at the University of Wisconsin, winning her master's degree in 1946.

Hubbard's Gym Classes Take First Aid Course

Bandaged heads, legs, arms, feet and hands are a common sight around the girls' gym since the first aid classes have been meeting on Monday. Instructors for the classes are Mesdames Mildred Hundt, Sue Brown, Marion Bradley, Peggy Wiggins, and Mr. Robert Center. Some of the things being taught are the proper treatment for shock, artificial respiration, applying bandages, and the control of bleeding. If all of these are successfully passed, the girls will receive standard first aid certificates. For the girls who earned these certificates last year, traction splinting will be taken up, and if successfully passed, advanced certificates will be awarded.

Alumna Schlack Appointed U.C. Assistant Registrar

Miss Natalie Schlack, a graduate of Central, outstanding at student, and a former member of the Digest Staff, has recently been appointed assistant registrar to Dean Reuben Holland at the University of Chattanooga. Miss Schlack is also a graduate of U. C., where she won many honors. She did graduate work at the University of Wisconsin, winning her master's degree in 1946.

Who's Who

Into the Who's Who spotlight this week step a well known senior girl and boy, Miss Betty Jeanne Baskette and Mr. Bobby Joe Bowman. Miss Betty Jean Baskette, better known to you as Betty, entered Central from Lookout Junior High School in '49. Although Betty is an only child, she insists that she is definitely not a bit spoiled. She has been on the Office Force for a year and is also president of the Twixteen Club. If you should hear her singing "Because of You" as she goes down the hall, don't be surprised, as it is her favorite song. After graduating this spring Betty plans to become a dental hygienist. Mr. Bobby Joe Bowman, known around Central as Bob, entered Central from East Side Junior High School in '49. Bob is a First Lieutenant in R. O. T. C., he is in the Officers' Club, and is the secretary of the Disc and Diamond Society. His favorite song is "If." When asked what his ambition is, Bob replied, "I guess it will be to go to Korea."

School Bus 61 Carries Hilarious Load Pupils

It is Friday morning and the usual hilarity prevailed on bus 61 as it rolled up Bailey Avenue to its last stop. As the door is opened by Mr. Fouts, the driver, the students dismount, one by one. First off today is "Two Ton" Phillips, laughing as usual. Behind him came little LeBron Griffith and his best girl Wynene Darby. Don't they look cute? Out stumbles Bible Smartt, pulling Carolyn Smith with her. Wonder what is wrong with Betty Housley today? She looks somewhat worried. It must be that English test. And finally, last of all, came Barbara Hill and Louise Darby, searching anxiously for Ray and Ronnie.

Wondering Looks in the Seniors' Eyes!

"Breathe in, breathe out, you breathe in what he breathes out" were the queer sounds and funny words coming from Mrs. Flenkiken's room where the seniors are desperately trying to become members of the cast of the coming senior play entitled "Not in a Thousand Years." This comedy is to be presented December 7 in the auditorium of our school. Try-outs ended last Friday, so if you see some of the seniors walking around with a wandering look on their faces you'll know they found out their fate.

PARADE OF POUNDERS

One of the main reasons that opponents of the Central High Purple Pounders have scored only 41 points this year is the great job of linbacking that is being done by Bill McBrayer. His vicious tackles have caused members of opposing teams to treat him with great respect. His defensive play reached its peak against the Knoxville Young High Yellowjackets, as Mac was in on practically every tackle. He also played a great game against the Miami Stingarees, falling on a Miami fumble in the end zone for a Pounder touchdown.

His athletic abilities are not limited to football. He plays baseball and basketball, and is a member of the boxing team. He had the distinction of being the only Central athlete to letter in four sports last year.

He is also a leader in the school, as his abilities aren't limited to the sports world. He is a member of the C Club and the Officers' Club. He also serves the seniors in the capacity of secretary.

Junior Red Cross Is Divided Into Two Groups

Because of the widespread interest in the reorganization of the Junior Red Cross, the sponsors, Miss Edith Taylor and Mrs. H. B. Robinson, deemed it necessary to divide it into two groups. The senior group, the tenth, eleventh, and twelfth grades, meets on the first and second Tuesdays of every month in room 314 during chapel; while the junior group, the seventh, eighth, and ninth grades, meets on the second and fourth Tuesday.

Doris Castle heads the group as president with Wilma Taylor as vice-president; Bobby Kowlyck, secretary; and Dixie Griffith, treasurer. The junior group's officers are: Norma Hixon, president; Everett Gossett, vice-president; Charlotte Brown, secretary; and Mary Armstrong, treasurer.

DID YOU KNOW?

That when Central loses a game, City wins one?

That the Pounders have scored 187 points to their opponents' 41?

That if the Pounders defeat Baylor for they will be City Champions?

That Central does not play their traditional rival, City High, this year?

That one of Central's opponents later this season, Louisville Manu, has no female students? (Poor boys?)

That the Pounders play a game every week-end until November 9, and then Baylor on November 30?

That Jimmy Pack's little brother, Ronney, hopes that some day he will be a football star like his older brother?

That although Central was defeated by Miami, they out-played them?

That in 1945 the Pounders tied the Kingsport Indians 7-7?

That Bob Hoppe is the only sophomore in the starting line-up?

That Central beat Baylor 14-7 in the football seasons of 1938 and 1949?

That November 9 is Alumni Homecoming Night, on which the queen will be crowned?

Standard tests are to be taken in the high school attended under the supervision of the school on February 8 or 9.

Pounders Romp Over Tyner Hilltoppers 48-7

The Pounders followed the victory trail by subduing Tyner 48-7 in a free scoring affair which was sparked by Bobby Hoppe and Jimmy Williams with two touchdowns each.

The first score came as Pack passed to Williams and he went over from Tyner's 30 to break the scoring ice.

Hoppe's 12-yard run around left made it 13-0 and Pack's placement was good, making it 13-0. Lamar Fuson tackled McDaniel in the end zone two plays later for another tally. Williams went over from the one after Pack's pass to Hale set up the play. This left the score 21-0.

Another pass, from Pack to Hoppe this time, added another Central tally and Central led 28-0.

During the second half, with the second and third teamers doing most of the work, Central tried only one pass, which was incomplete. Two more markers were made in the third quarter by Robert Tate on a 39-yard run and a plunge through the center by Jack Mason, which made the score 41-0. The final Central tally came as Lamar Eaton fought his way through the center of the line to finish Central's scoring.

With Central's third team in the Hilltoppers marched 73 yards to score. The drive was climaxed as Bobby McKamey raced around left end to score.

Standouts for the Pounders were Ralph Cresswell, Bernard Epperson, Billy Black and Bobby Hoppe, all of whom made smashing tackles and were standouts on offense also.

One of the more distinctive groups bestowed upon the Central School Purple Pounders is the assistant high rating they have been near the top in both the Associated Press poll and the E. Litkenhouse ratings. The boys have been selected six times in the weekly poll as the team in the state; they have been lower than fourth place in the standings. Six times in a weekly poll as the University of Chattanooga's casins have played great football this year with the help of Central alumni. Jim Allison, Childers, and Wright Childers performing with a Moccasin, that has literally run away with opponents except the University of Tennessee, which is one of the teams in the entire nation. Moccasin has beaten four better small college teams. This was the only team in Tennessee to score three touchdowns in its first three games to score a firstly touted Volunteer. should all be extremely proud our alumni who are playing the Moccasin.

The "Battle of Books," in which all schools desiring may participate, will be heard over station WDEF Saturday, November 17. Mrs. Sanders through the Digest wishes to invite the students to see the displays that are set up for special events.

Mr. Frank Lovejoy, executive of Seony Vacuum, spoke to an audience of Central students in the auditorium Wednesday morning, October 24, at 9:45, on the subject of salesmanship.

As a test of a good salesman, Mr. Lovejoy propounded four questions: "Do you know how to take responsibility? Have you conquered fear? Have you mastered the capacity to control yourself? Have you sound moral standards?"

Mr. Callahan, of the Rossville Furniture Company, who introduced Mr. Lovejoy, presented Miss Ruby Nipper with tickets to be distributed among the students for the evening meeting of the Sales Executives Symposium at Chattanooga High School.

Central's Freedom Shrine Brings Surge of Patriotism and Pride

"... We mutually pledge to each other our lives, our fortunes, and our sacred honor." The preceding may well be called the oath of freedom in the United States. This bond of unity and democracy is exploited to its fullest history by the Central "Freedom Shrine." A new way to pay tribute to freedom, this shrine was presented to Central by the Chattanooga Exchange Club last year.

Have you noticed it? It's located just outside the entrance to the school library. The next time you pass by, stop for a few minutes and read some of the 28 different plaques. You'll find everything from the Declaration of Independence through the Instrument of

THE FAUCET by TWO DRIPS GLENN & DAN

Let's take a look at the Purple Ponders football team and see why they are tops in Litkenhouse ratings, and second in the A. P. poll, which is led by Isaac Litton of Nashville.

Not only have the Pounders played some of the toughest foes to be found, but have won all of these, with the exception of the Miami game. In this game, Central was defeated by only two points in a battle with the top-ranking school of Florida.

Among other foes which the Pounders have played was an exceptionally strong team from Atlanta. O'Keefe managed to hold the Purples to two T. D.'s while scoring one of their own.

The reason for Central's continued success is due to the hard-charging line and feet-footed backfield which have both been outstanding in teamwork and the excellent spirit shown, due to the work of Central's fine coaching staff which is headed by Coach E. B. (Red) Etter.

Girls' Basketball Team Narrows Squad to 30

This week the sports spotlight turns toward the boys' gym during fifth period and chapel. The girls are trying out for the girls' basketball team practice at this time. When the tryouts were first announced in chapel, approximately 70 girls tried out. Since then the number has been cut to 30. Among these 30 girls are Maxine Dixon, Lorraine Woy, Gloria Holsburg, Jeanette Andrews, Jo Ann McKenney, Wilma Ducker, Juanita Simon, Peggy Sells, who were out last year, and Wilma Taylor, captain, and Betty Rush, co-captain.

This year the seniors were asked not to come out as they would get to play only one year and then someone would have to be trained for their place next year. This year there will be more sophomore and freshman girls than usual.

This year's team is again under the skillful coaching of Mrs. Joe Hammack and Mr. Gordon Smith.

One on God's side is a majority.

Lt. Millard to Head Defense Committee

The Civil Defense Committee, headed by Mr. R. H. Bohanan, of Hamilton County, suggests that air raid instructions be a part of the health and physical education program of Central.

A committee was appointed by Mr. W. H. Millsaps to help carry on with this plan. Those participating are: Lt. Spencer Millard, chairman, and assisting are: Mrs. Reba Fuitts and Mr. Robert S. Wharton.

The purpose of the committee is to make every student aware of his responsibilities in Civil Defense. According to Lt. Millard, the committee hopes every student will become familiar with first aid procedures and emergency action necessary to save lives in case of an enemy air raid.

Sparkman and Reston Speak on U.N. Week

United Nations week and its sixth birthday were celebrated by a meeting of citizens of Chattanooga in the Central auditorium Tuesday evening. Two noted persons who spoke to a full house were Sen. John Sparkman of Alabama, United States delegate to the United Nations, and James Reston, foreign news analyst for the New York Times.

The master of ceremonies, Dr. W. G. West, introduced Sen. Sparkman, who spoke on aims and purposes of the U.N. He pointed out the similarity between the constitution of the UN and our own, and stressed the leadership that has fallen upon the United States.

Mr. Reston, with alertness and a ready wit, interpreted the UN in regard to current events and the international situation.

A high point of interest in the program was the interview by Mr. Reston of Sen. Sparkman on the World Court and other matters concerning world peace.

Later, questions were submitted by the audience to be answered by Sen. Sparkman or Mr. Reston. This part of the program was conducted by the International Relations Club of the University of Chattanooga.

Pounders Crush Bradley Bears As Tillman, Williams and Hoppe Score

The Central High School Purple Pounders continued along the victory trail by defeating the Bradley Bears at Cleveland by a score of 27-7 on Thursday, Oct. 25. It was the seventh win of the season for the Purple Pounders, one of the top-ranking TSSAA teams. They have lost one game. This defeat came at the hands of Miami.

The Pounders surged to the front in the first quarter. They scored 21 points in the initial canto. The 21-point explosion was ignited by Tommy Tillman, speedy halfback, as he scampered 70 yards for the first score to make it 7-0. Jimmy Williams, who leads the City Prep League scoring parade with 67 points, a 19-yard lead over the nearest competitor, scored the second touchdown on a 15-yard run. The third score came quickly on a 15-yard pass play from Jimmy Pack to Halfback Bobby Hoppe. Central's last marker came in the third quarter, and it was again Williams who took the ball over the twin stripes. The speedy Pounder star took a 19-yard pass from Pack to close out the Central scoring.

Coach Bales Begins Basketball Practice

Now that the mid-season of football has been reached, it is time to begin to think upon the sport which will follow when the pigskin has had its final fling for precedence.

In a short time the sport of basketball will reign supreme.

Coach "Bang Bang" Bales, probably the best known basketball coach in the city, plans to organize a school basketball league in which eight teams will participate.

These eight teams, by the process of elimination, will be reduced to only four. These four teams, by the same token, will compete until there are only two teams left. These two teams in turn will have a final contest in which to determine the school champion.

St. Aloysius to Be American Legion Game

This traditional game with the St. Aloysius Crusaders of New Orleans is expected to be another tough date on the Pounders' schedule. Last year they were host to the Pounders at New Orleans, where Central was the victors by a score of 27-7. The Crusaders played Central to a standstill last year, but they went down in the second half due to their lack of reserves. The game is scheduled for November 3, at Chamberlain Field.

Bradley picked up its lone touchdown in the third period on a 53-yard drive. Bill Bacon and Farrell Fisher led the march for the Bears. The score came on a 20-yard pass play from Tommy Newman to Bacon. Bacon was standing in the end zone as he took Newman's pass for a 27-7 score.

The Pounders go against the St. Aloysius Crusaders of New Orleans on the night of Nov. 3. They will be hampered in this tough game due to an injury to Bernard Epperson, a first-string guard. Epperson suffered an arm injury in the Bradley game, and he will be used sparingly against the Crusaders.

To become better citizens, Gen. Eisenhower's advice to a group of students was: "Tackle every task every day as if it were the most important of your life."

Eternal vigilance is the price of liberty.

PARADE OF POUNDER

Two halfbacks named Billy and the spotlight in this week's Parade of Pounders. They are Billy and Billy Hale. Black is a defensive ace, while Hale is a ball carrier.

Black has played brilliant defense in all Central games, though he is a star defensive player, he has what is probably the best average in yards rushing any back on the squad. Black tried the ball one time against etteville and went for eighty and a first down. Black is not a demon tackler and good passer.

Black also is a boxer and does well as a pugilist. He is lieutenant-colonel in ROTC and captain of the Disc and Drill Society. He is also a member of the Boys Hi-Y and a sergeant arms of the senior class. He entered in 1948 from East Side.

Billy Hale has run well this year from the halfback slot. His claim to fame is a spectacular run against Fayetteville. He took a long punt and ran 72 yards for a touchdown. He also scampered yards against the Kingsportians.

Hale entered from Lookout 1949.

Gretchen Britton Enjoys Pleasant Summer at Winona Lake, Indiana

A rare privilege indeed was that which Gretchen Britton had this past summer of attending the Winona Lake Bible Conference which was held at Winona Lake, Indiana, from June 28 until August 30.

This meeting consisted of conferences during the day, with an attractive speaker each evening, plus missionary or educational movies. No one, however, was required to attend these services. The conference grounds served as a Christian resort town where many people live the year around.

To Gretchen, the most inspirational speakers were those during the Youth for Christ Conference. Among these were Billy Graham, world famous evangelist, and Bob Cook, president of Youth for Christ International; also Cedric

REGULAR ATTENDANCE IS URGED

How many times has your name been on the absentee list this year? Do you stay out of school only for justifiable reasons? Are you a hard student for other students, or do you encourage them to attend school regularly? These are important questions for the average high school student today, and if they are not heeded at an early date, they may prove fatal to one's future.

This past week regular attendance has been promoted by the faculty and students. The campaign will be continued for the next few weeks. Being absent from school frequently makes the work of the teachers more difficult and causes them some confusion. However confusing it may be for the teachers, it is even harder for the students when several important assignments are missed.

Morally speaking, we, as students, have as much influence on our friends and fellow-students as the teachers. We are the ones who, after associating closely, influence each other to act and live as we do. Would you be proud to have a friend like yourself? Would that friend have a good influence upon you? Could you truthfully say that that friend was honest in all that he said and did? Would that friend always be prompt? Promptness and punctuality are most important characteristics.

Every student should feel his responsibility in the all-out drive for perfect attendance and see how many friends he can encourage to be in school every day. — C. S.

THE NEED FOR A GOOD VOCABULARY

Do you grow tired of hearing such words as cute, silly, pretty? Do you find yourself seeking in vain for a word to express yourself clearly? When you read, do you have trouble understanding the content? If these questions were answered with "yes," what you need is to increase your vocabulary.

Maybe you are wondering how to go about increasing your vocabulary. First of all, read, but keep that right hand man, the dictionary, close at hand. He can tell you the answers if you only take the trouble to consult him. When you have looked up the meaning, you still have not added the word to your vocabulary. It must be used. It has been said that when one has used a word three times it is his. By doing this people learn to avoid using words repetitiously, unnecessarily, and inaccurately.

Statistics say that a child of seven may know as many as 21,000 words; a child of ten may know 84,000, and a well-read adult should know from 120,000 to 250,000. School children add about 3,000 words to their vocabulary each year. How do you rate by these statistics? Are you constantly groping for the right word, or have you become a good conversationalist and writer by using an ample vocabulary? —

Book Review

Attention, horse lovers! There's another good Walter Farley book just off the press, called "The Island Stallion's Fury." The story is about Flame, a beautiful chestnut stallion and the leader of a wild band of horses, and Steve Duncan, a boy who, with the help of his friend Pitch, finds a hidden island on Azul Island.

Azul Island, an island in the Caribbean Sea, was once used by the Spanish as a supply base during their conquest of the New World. Pitch, who had discovered the secret entrance, had explored the island with Steve and had discovered the band of pure-bred Arabians. Together, they adopt an outcast foal and save its life. Everything goes well for a time, until Tom, Pitch's maniacal brother, threatens to destroy their hidden world.

"The Island Stallion's Fury" is filled with suspense and action. Don't miss this exciting sequel to "The Island Stallion!" — Barbara Sanders.

Who's Who

The young lady who's who this week is that busy senior, Arlene Hillis. She is secretary of the I. L. C., president of the Spinsterettes, vice-president of the Senate and Bookstore Staff, and a member of the Battalion, Girls' Hi-Y and National Honor Society.

Her ideal boy must be tall, dark, handsome, but she confesses that the most terrifying moments were when the car ran out of gas on a rainy burning desire to be an airline hostess.

On the other side we have a senior you've probably seen all over the school, Clifford Cus. His activities are cabinet member of the Senate, secretary of the Boys' Hi-Y, program chairman of the Hi-Y Club, feature editor of the Club and a member of the Diamond Club, Honor Society and Swing Band. He is also pianist for the Glee Club.

He'll all come off in the rain. Halloween, Halloween, oh what a rainy Halloween! Although it rained almost pouring "cats and Oh, she says I can't have them," students from Central High were desperately trying to paint pictures on the windows of Chattanooga retail stores. Buckets were sitting on sidewalks to catch water instead of going inside for picture paper. Poor Peggy Tucker painted and continued to wash it off. Lorayne Woy and June Sullivan, painting style show of skeletons, were fighting over black and yellow paint, as there wasn't enough. Each student was painting with- out the supervision of a teacher. Although the art students did have hard time, they are to be congratulated for their splendid work.

SPECIAL TRIBUTE TO BERT ROGERS

In the Centennial Issue of the Adiphan, the national publication of the Alpha Delta Pi Sorority, special tribute was paid to Bert Rogers, deceased alumnus of Central of 1947, in a full page under the heading, "She Wore the Diamond," together with a portrait of Bert.

This was a complete departure from custom to give so much space to an obituary notice, but in the case of Bert the editors considered her contribution through the years of membership in Alpha Delta Pi of such unusual nature that this special recognition was made.

Bert in her senior year at Central was in both the May Queen and Mr. and Miss Central courts. Among her numerous honors at the University of Chattanooga, she was selected for Who's Who in American Colleges, Betty Co-Ed of 1949-50 and head cheerleader of her senior year.

Bert, the daughter of Mrs. Blanche Rogers of the English department of Central, met a tragic death in an automobile accident last July.

Pins Are Pride of the Digest Editorial Staff

The word spread like wildfire. The Digest staff members with one accord descended upon the unsuspecting Miss Nipper.

What in the world could cause such a commotion? Could it be quarter tests or maybe even report cards?

It is really not quite so drastic. It is just that this is the first year the Digest editorial staff has received pins for its services, and the members were eager to see what they looked like.

The pins are quite attractive. They are gold with the design of an open book, quill pen and an inkstand. The word "journalism" is inscribed on them. The guard has the year '52 on it.

GLORY OF OUR CENTRAL CAMPUS

Hello, students, I'm the huge oak tree in the center of the beautiful green campus of which you are so proud. I speak to pay tribute to my friend who was cut down on Oct. 22. For many years there have been three of us helping to beautify the campus; now there are only two. We have watched Central grow from a few hundred to almost 2,000 students; now we have watched professors come and professors go. We have heard students plan parties, pranks and dates; we have shaded the boys and girls from the hot sun for many years as they stand or sit beneath our leafy arms. I am proud to be a part of the Central campus because I am a symbol of work, play and friendship, shared by each of the students throughout the years.

"Oakie."

DID YOU KNOW?

That the St. Aloysius Crusaders have four Sunday games?

That the Crusaders brought a record of one win, three defeats, and one tie to Chattanooga?

That the Pounders ended the 1946 season with a total of 348 points?

That the University of Tennessee is rated number one in the nation according to Litkenhouse and Associated Press?

That the University of Chattanooga has its most outstanding team in years?

That Georgia Tech is rated third in the nation?

That, according to some stories, football originated when a troupe of pirates were digging in the beach, when a skull was unearthed. The men, in a jolly mood, started kicking it; soon they had divided into teams. Some people believe this was the origin of the now very popular sport.

That success in the game of football depends primarily on skill in handling the ball, and skill in handling the boy.

Halloween Program Given on October 31

Pumpkins! Spooks! Black Cats! Witches! Ghosts! Magic! Brooms! Ernie musical!

All these were seen and heard during the physical education department's gym staff Halloween program which was given in chapel October 31.

Those who participated in the program were Martha Hitecock, Dottie Waterhouse, Doris Castle, Hillagarde Landers, Gloria Holsenburg, Jane Winfrey, Sally Allen, Pat Percy, Robbie Nell Kolwyck and Peggy Watkins. Marie Griffith, Carol Norrell, Imogene Pedigo, Peggy Sells, Doty Weaver, Nina Gravett and Deane Grosa.

The stage decorations were of Jack-o-lanterns, witches' kettles and a picket fence. The lights in the auditorium were out, with only the footlights burning. The shadow figures and stage setting created an atmosphere for real Halloween fun.

PARADE OF POUNDERS

Two stalwarts on the Central line this season have been Bernard Epperson and Raymond (Mo Mo) Ling, both of whom are seniors.

Epperson, who plays at guard position, was on the "All City" team and received "honorable mention" for the "All State" team. Bernard has been playing on the varsity three years and has been outstanding in his worth to the team. Epperson is in the "C" Club, Officers' Club and sergeant-at-arms of the Senior Class. Bernard also plays baseball and is alternate captain of this year's basketball team.

As a sophomore, Epperson came to Central from Lookout Junior High. Raymond, known to everyone as "Mo Mo," is playing his second year on the varsity squad and has proved himself most valuable to the team.

Ling, who came to Central from Northside as a sophomore, is also a sergeant-at-arms of the senior class and a member of the "C" Club, Officers Club and a lieutenant-colonel in the ROTC. Ling plays at the position of tackle on the football team.

Manual High to Be Homecoming Game

Central's homecoming game will be played with the top-notch Manual High team from Louisville, Kentucky. Manual, which is always one of the top-ranking teams in the south, will journey down for a night game on November 9. They are reported to have a powerful running attack that operates from the Notre Dame box.

The highlight of the night will be at half-time when the homecoming queen will be crowned. The queen will be picked from four candidates, Ariene Hillia, Pat Williams, Imogene Pedigo, and Kay Fry.

Freedom's Foundation Will Present Awards

Everyone was eligible to submit his own or any other person's or organization's material in the 1951 Freedom's Foundation General Awards program. Cash awards, plus honor medals and certificates of merit were offered in 1951. These will go to Americans who help bring about a better understanding of freedom by the things they do, write, or say.

Cash awards to be given in the general category are: three principal awards of one thousand five hundred dollars each, and fifteen awards of one hundred dollars each.

Awards to be made for entries in categories such as magazine articles, cartoons, campus programs, editorials, essays, photos, addresses and sermons are: one principal award of one thousand dollars, and five awards of one hundred dollars each. Honor medals and certificates of merit will also be given.

Materials entered must be based on activities of the school year 1950-51 to November 1, 1951.

Dr. Harold Chase of Boston University is chairman.

Central Library Staff Members Get Badges

The new brown and white emblems, which serve as passes, have been issued to members of the Library Staff.

These emblems are worn by the members only during the period they assist in the library. They are used as passes only when it is necessary to leave the library. The faculty approved this plan because it was found by the librarians to save time and effort.

The members have decided on brown gabardine skirts, white sport blouses, and white sweaters for their regular uniforms. This is the first year the Library Staff has worn a uniform.

Eighth Victory Notched by Cent. With 33-7 Win Over St. Alo

The mighty Pounders once again came through victory as Saint Aloysius went down to defeat by a 33-7 score.

Some 3,500 shivering persons watched the Cent shine go to work with amazing rapidity as Tillman up the right sideline for a 92-yard play on Central's scrimmage of the game.

The second six-pointer came on a pass from Jimmy Frank Ighou which was for a touchdown on a 55-yard play.

The second quarter opened Central leading 12-0. V went over from the 10-yd line after Tillman had run 55-y set up the score. The next came four minutes later when man found an opening and down to the 1-yard line which Hale scored.

After a fine half-time center by the band and battalion playing the American Legion Aloysius team came back enough vigor to push over for lone touchdown.

Hoppe scored the last marker on a well-executed play from Pack to Hoppe, took the ball and side-stepped way to the goal line.

The starting team came back try a last-ditch offense but only able to get to the New team's 19-yard line, and as the sounded Pack was caught back most at the midfield stripe.

While Wheat is starring now, it seems that other former Central stars will be leading the way for Tech's future teams. Bucky Shamburger and Norman Hofferman have also received bouquets from Dodd for performances with the freshman team.

Pat Williams Is Crowned Queen At Manual Game

In one of the most spectacular half-time shows of the Central football season, Pat Williams, senior, was crowned alumni queen before approximately 6,000 football fans at the alumni homecoming game between Manual of Louisville and Central, on Friday, November 9. Pat, dressed in navy blue, was crowned by Peggy Kistner, homecoming queen of last year. Composing Pat's court were Arlene Hillis, attired in a rust-colored suit; Imogene Pedigo in navy; and Kay Fry in purple. The candidates were driven onto the field in a black Packard convertible.

The theme of the Central half-time show was "A Day at Central." After saluting both schools, the band and battalion assisted by Joe Faulkner, Jo Ann Gamble, and Don Erwin, enacted a day in the life of any typical student at Central. The scene opened while sleepy-head Joe was still in bed. Other familiar scenes such as classes, lunch time, and end of school then homed. Back home then, homecoming completed. Joy returned to soft, comfortable, inviting bed. Manual's band, consisting of over a hundred instruments, came onto the field playing "Are You From Dixie." Theirs was one of the most magnificent performances ever displayed by a visiting band.

The Clothing Drive Will End Tomorrow

One more day remains in which to bring clothing that is outgrown but in good condition. These garments are to be left in the homerooms, and a representative of the Junior Boys' Hi-Y, sponsored by Mr. Stoner, will collect them. The clothing drive began November 12 and will close November 16. Last year Central High collected more clothes than any other school in Hamilton County. The homeroom which collects the largest number of clothing will be awarded a prize at the end of the drive.

New Members Initiated Into Ace Club Nov. 5

Eighth grade student: "Did you see those girls wearing blue jeans and plaid shirts to school last Monday when it was so cold? I didn't think you were allowed to wear jeans to school." The new members in the Ace Club are: Tevonia Gilbreath, June Wingo, Minnie Lee Skates Wilkins, Wrinkle, Vivian Huskey, Joana Henry, Wanda O'Hara, Pat Jackson, Barbara Bice, Martha Smack Lucille Sully, Charlotteathers, and Marie Elliott. To be eligible for the Ace Club girls had to make one class man, one color team, and one varsity team. The girls must be best players in school at bat ball.

Jimmy Pack Is Leader of Junior Class of 1951-52

The election of the Junior Class officers was recently conducted in the English classes of Miss Anne Moffitt, Miss Minnie Lee Morgan, and Mrs. Blanche Rogers. The juniors chose as their leaders for this year: Jimmy Pack, president; Don Duncan, vice-president; Kay Hoffmeyer, secretary; and Dot Wood, treasurer.

Jimmy, elected as president of his class for the third time, came to Central from East Side Junior High as a sophomore, and is a member of the C Club, Disc and Diamond Society, and is a quarterback on the football team.

Don Duncan came to Central from Lookout Junior High School as a sophomore. He is a member of the C Club and plays on the football team.

Kay Hoffmeyer came to Central from Eastside. She was secretary of her freshman class and treasurer of the sophomores. Kay is a member of the I. L. C., Senate Cabinet, Girls Hi-Y, and is a feature editor on the Digest staff.

Dot Wood came from East Side as a freshman. She is a member of the Shove-Offs and is a cheerleader.

KEY CLUB PLANS SQUARE DANCE

The Key Club is planning a square dance which is to be held sometime in December at the East Brainerd Optimist Club.

The club voted to sell tickets for \$1.00 which will entitle persons to enter whether stag or drag. Plans are for between 125 and 150 tickets to be sold and all students interested in obtaining tickets may get them from any of the Key Club members.

At the square dance a pair of new shoes will be given away (any size desired) to the person who holds the stub with the lucky number, which will be determined by a drawing from a hat.

Tentative plans call for the music of this festive occasion to be presented by a hillbilly band.

Boys' Hi-Y Accepts Four New Members

Four new members were recently admitted to the Senior Boys' Hi-Y. They are Charles Champion, Bobby Kington, Charles Holmes, and Melbourne Sneed.

The Hi-Y expects sometime this year to present in chapel some outstanding men. Dr. Dyer, the sponsor, says he believes that out of these men at least one of them might be able to come, if not all.

Frank Fuller is president of the boys' Hi-Y. The purpose of the organization is to train boys in Christian conduct, both in theory and in practice, and to equip the members for effective participation in the complex adult society of which they will soon be a part.

Cherry Blossoms and Snow on Ground Impress Ann Mott on Visit to Japan

Fujiyama, standing out like a great sentinel in the distance, was the first land Ann Mott, a sophomore at Central, had seen after a long sea voyage of about a month to Japan. Ann moved to Japan with her family to be with her father, who was in the Army in 1949.

Ann sailed from New York in December of 1949 and a month later she reached Japan. She attended school where her father was stationed in Camp Crawford, which is on the island of Hokkaido. "The people there are quite different from the people here in the states. They are very fond of baseball, skiing, and ice skating," stated

Ann. When asked what the most beautiful things there were, Ann replied, "The cherry trees in bloom and the snow on the ground impressed me as being the most beautiful scene I had ever witnessed."

Most of the food in Japan was frozen. Ann was glad to get back to the states because she enjoys the fresh fruits and vegetables.

Returning home to the good old U. S. A., the Motts brought with them from Japan furniture and equipment almost sufficient to furnish their home.

Ann lived in Japan for almost two years.

Four Digest Members Compile Honor Roll

The composers of the honor roll this quarter are: Kay Hoffmeyer, chairman; Geraldine Whaley, vice-chairman; Joan Murray and Wanda Howard, members. It is the duty of this committee to obtain from the homeroom teachers the names of the students in their homeroom who made either the honor roll or the star honor roll. After this information has been collected, the names are arranged in alphabetical order according to grade for the Digest. The publicity committee will use the list for publication in local papers. Next quarter Geraldine Whaley will serve as chairman of the honor roll committee.

Coming Events

Thursday, November 15—"The Battle of Books" presented by the library.

Friday, November 16—"Schools Keep Us Free." This program will be sponsored by the Key Club.

Monday, November 18—All students must report to homeroom.

Tuesday, November 19—A talent program will be given by some of the junior girls in the Girls' Hi-Y.

THE TRUE MEANING OF THANKSGIVING

It was a brave and determined, yet humble band who celebrated the first Thanksgiving. God had blessed them and they had gathered to give thanks unto Him.

In England all were persecuted who dared to advance any belief other than that of the Church of England. The Pilgrims were punished for this reason, but they did not conform to the English Church.

From Holland the Pilgrims set sail in the "Mayflower" for a home in the New World. This was a long and toilsome journey which many paid for with their lives, but they faced the hardships with courage because they expected to find the hardships with privilege of worshipping God according to the dictates of their own hearts.

They were happy in their new home and set aside a day to thank God for guiding them safely, for freedom of worship, and the many other blessings He had sent.

How far America has drifted from the true meaning of Thanksgiving! There is so much to be thankful for, yet how few will bow their heads in humble prayer and thank God for the innumerable blessings they have received from His bountiful hands.

EDUCATIONAL OPPORTUNITIES

Officials over the country have proclaimed this week, November 11-17, as National Education Week, declaring that the public schools are a part of the arsenal of democracy to the end that future generations of Americans may enjoy the same rights and privileges we have now.

Does the American high school student show an appreciation for the rare rights and privileges that are his by making the most of every opportunity to learn and improve and thus be a more valuable citizen of this great country?

The youth of no country in the world is more blessed with the privilege of advancing to the topmost round of success in his chosen field, if he so wills it.

A sad plight it is to find even a few who have no ambition for an education and to stay away from school, instead of seeking advantage to every opportunity to grow and develop into well informed, well trained, upright American citizens.

Time-Out For Daydreams

Study hall is a good place for daydream if you aren't disturbed by the antics of the persons sitting around you.

A person around you who well wonder what the difference is between daydreaming about your dream and daydreaming about your right arm around your neck very far-away look.

Do her right hand touches your left cheek. Then whip your left arm around until your hand touches your right cheek. Then jerk your arms away and then smack vigorously; feet above water.

Is Mary dreaming about a wonderful trip she took last summer or the dance tomorrow night.

Perhaps John is wondering why or not his Dad will let him drive the car for that very special with Joan tomorrow night.

Jim is looking worried about something. Could it be that fish tale that he took out this morning? You can never tell, may be behind those dreamy eyes for dreaming is a pleasing substitute for studying.

Rosco Rat Is Regular Rambler After School

Hello! Mr Roscoe, the rat. I do play playing "after school hours."

I say, old bean! Have you any B-A-N-G? What was that? I thought school was out! It sounded like it came from the second floor. I must run to see what it is. Oh! there it is again! It seems to be getting closer. Heres the pom. Oh! what a relief to find it's only coming from those boys in the detention room. Lockers are wonderful hiding places!

EAT....

Wasn't that art exhibit of chili supper last Thursday anything? The parents were amazed at the work presented by the classes.

The exhibit in the front has attracted the eye of many professors, as well as the exhibit in Derryberry's room.

Charcoal drawings, oil painting water color painting designs, a small house plan were displayed. Comments were made on the better color paints by Joanne V. Miss Morgan, and Wanda Miller paintings by Peggy Tucker and Arayne Woy; design by Ben Breneman, Sherwin Daniels, Bobby Locklear; charcoal drawing by Patsy Battle, Jessie Pines, Shirley Kevett; showcard painting by Barbara Peters and Lucille Chey, and the small house plan.

PARADE OF POUNDERS

Not only do Central's opponents dread the sight of Jimmy Williams, but so do the players in the City Prep League. Jimmy's continued success in crossing the twin stripes has given him 73 points, which is good enough to lead the City Prep League in scoring parade. His nearest competitor, Cecil Davis of McCallie, is six points behind.

Williams' great speed is matched only by his ability to slash holes in the opposing team's line. His running is not the only thing that causes other teams to dread his appearance. He has proved an excellent pass receiver, and is one of Jimmy Pack's favorite targets. His peak performance was in the Knox-Young game, when he scored all but four of Central's touchdowns. Williams also plays line backer on defense.

Jimmy is a cadet captain in ROTC, serving as company commander for C Company. He is a member of the "C" Club and the Officers' Club. He also serves the senior class in the capacity of vice-president. Williams came to Central from Northside Junior High School.

Pounders Score Twice in First Period to Defeat Manual by 14-0

The Pounders' ninth win of the season came over a strong Louisville Manual team as they stunned Manual with two quick touchdowns in the opening minutes of the game. The Pounders nursed their 14-0 lead during the rest of the game that saw both teams operated in midfield.

Early in the first quarter, Bill McBrayer, who played a great game, intercepted a Manual pass and returned it deep into Manual territory. Terrific Tommy Tillman began carrying the ball in his well-known quickie play off tackle. He ended up by carrying the ball over the one-yard line. Jimmy Pack added the extra point to put Central in front by a score of 7-0.

The second score came on the longest single drive of the night. The drive carried 55 yards to the touchdown. Pack was brilliant in this drive as he passed for the score. The play went from Pack to Hudgens. Pack again converted to close out the scoring.

Six thousand spectators not only saw some of the best football of the year, but they were treated to a magnificent half-time show. Manual's 100-piece band provided top notch entertainment, and then Pat Williams was crowned homecoming queen.

The second half provided plenty of thrills for the spectators. There was plenty of rough football in this part of the game that saw coaches go into the field four times to protest decisions. Bobby Hoppe and an unidentified Manual player were ejected from the game after the Manual players had attacked Hoppe.

Billy Black and Hoppe were outstanding on defense for the Pounders. Manual's offense was practically a one-man show, as Skeeters was easily the outstanding back for them.

Rev. Reidhead Tells of Work in Africa

Rev. P. W. Reidhead of the Sudan Interior Mission, spoke to the student body at the assembly Tuesday, of his work in that field of Africa. "We think in America we know everything about everything and have the finest of everything, but this isn't true," said the speaker. "Africa," he said, "is a land of fabulous history and culture and its lowest type of heathenism."

One of the projects of Rev. Reidhead in the mission field was that of making a written language of the heathen tribes and of writing a grammar primer and translating the Bible. He described this as a very slow process. In his concluding remarks he challenged youth to dedicate their life to Christian service.

Swing Band Presents Program in Assembly

The Central Swing Band, directed by Mr. Everett O'Neal, gave their second assembly program of the year November 5. The program had as its first number "All of Me." Herbert Hughes, senior soloist, was accompanied by the band in two numbers, "I Apologize" and "Cold, Cold Heart." Jimmy McDaris, alumnus of '50 and now freshman at the University of Chattanooga, sang "Sin." The losing number was "The World in Waiting for the Sunrise" by the band.

The members of the Swing Band of 1952 are: Don Cannon, John Riley, Roy Capeart, Billy McCormick, Reginald Lassiter, Johnny Parks, Marvin Turner, Richard Clinton, R. M. West, George Broom, Ed Meyer, and Clifford Curl. Walter Cox, former member, was guest performer.

THE FAUCET by two drafts GLENN & DAN

Once again Central is in the limelight as having the best ball team in the state, according to Professor Litkenheiser's statistical calculations.

"Lit" picks the Pounders as number one team in the state, defeating St. Aloysius by 28. Central has a power point of 100.3 and is second in the associated Press poll.

Although the Pounders seem to be favored in the A.P., it doesn't really matter, because the state championship is decided by the "Lit" ratings. The poll is a group of newspaperers who express their opinion by casting ballots.

If the Pounders cannot win over Baylor then it is probable that Central would rated first in both the A.P. and "Lit" ratings. Prediction of things to come. No. 1, Central will defeat the Tillman paving the way. Jimmy Williams will be the top scorer of the city. No. 3, Fryar, Bernard Epperson and Williams will be selected on all-state teams. No. 4, a probable mention will be received by Tillman, Pack, and McBrayer.

Senior Party to Be December 14

The officers of the Senior class met with Mrs. Shelton, head faculty sponsor, and the other senior teachers, Monday, November 12 to begin plans for their annual party. The committee decided upon a Christmas party to be given on December 14 from 7:00 to 9:30. The admission will be announced definitely at a later date, but it is expected to be about thirty-five to fifty cents.

To add color to this festive occasion it has been suggested that guests dress in costume. Some suggestions for costumes are as Father Goose characters, fairy tale personalities, characters from "Alice in Wonderland" and comic strips, or kid costumes.

The program committee in addition to a floor show is planning varied entertainment including folk dancing and square dancing with financing provided by Mr. O'Neal's Spring Band. There may also be a billiard ball. Seniors may also anticipate the arrival of Santa Claus.

Because this will be a Christmas Party, the decorations committee expects to carry out a red and green color scheme. They are arranging for a Christmas tree and a special chimney for Santa to make his entrance.

Junior Class Presents Chapel Talent Program

C. Cook; "Deep You" by Grady Haven; "Beep Purple", piano solo by Annie Carol Davis; "Blue Heaven" by the band concluded the program.

Mr. Ed Brown Relates System of Management, Initiative in Classes

"Teaching mathematics as a system of ideas," states Mr. Ed Brown, math teacher at Central, is the basis of the Democratized General Mathematics program which I now employ in my classes.

Mr. Brown has found that his system which teaches the student not only the value and management of money, but also develops the ambition and initiative is highly satisfactory. The plan works on its daily basis where as, each student is always busy without having to be told what he should be doing. On Mondays, pupils make what is known as a "pay-roll" in which they grade each of the members of their class. Tuesday

Paul Kreusi Westbrook Gives Sacred Concert

Paul Kreusi Westbrook, who is an alumnus of 1939, gave concerts consisting of sacred music at the Ridgefield Methodist, Red Bank Baptist, and Manker Memorial Methodist churches during the month of November.

Mr. Westbrook has answered the call to dedicate his talent to the work of Christ through the singing of sacred music. The programs are designed to include everyone because so many people are not able to hear a professional concert.

While serving in Europe in the Air Force Mr. Westbrook studied voice in Italy, France, and Germany. He received his formal training at the Cincinnati Conservatory of Music. Since then he has gained national recognition.

He is a brother of Pat Westbrook, senior!

Tomorrow Night Marks Football Climax as Baylor and Central Vie

One of the greatest pages in local football history will be written tomorrow night at Chamberlain Field when Central Purple Pounders take on the undefeated, but once-tied, Baylor Red Raiders. The game in itself will decide both the mythical City and State Prep Championships.

Baylor is rated as the top team in the state in the prep school ratings by Dr. E. E. Litkenhous. Central is the top-drawer squad in both the A. P. poll and the Litken-

hous ratings. Baylor's record now stands at seven victories and one tie, while Central has rolled up nine victories against a lone defeat.

Coach Humpy Heywood's Red Raiders have improved consistently. In their first game then won 7-6 from Marion, Alabama. Georgia Military Academy then blenched Baylor's otherwise perfect record with a 13-13 tie in their second game. After these two games, they began to run away from their opponents. They have defeated Alexander City, Episcopal

High, Edwards Institute, Kentucky Military Institute, Oak Ridge, and Notre Dame. Needless to say, Central's defeat was the 14-12 loss in the rain at Miami.

Baylor's chief asset is a powerful running attack. Central supporters remember the powerful running of Fob James. It was he who gave the Pounders a going-over in last year's game when Central went down to defeat.

Other rough riders in the Baylor backfield are Eddie Mates and Zeke Rolfe. Mates leads the Baylor team in scoring with 72 points. Rolfe has tallied up 66 markers and James has scored 25. James' scoring record does not indicate his true-worth to the Red Raiders.

James has come to his own as a passer his year, looking especially good against Notre Dame. Baylor's most improved department is their defense. It is being led by Captain Barry Heywood, who plays center, guard and line-backer.

Love thyself last: cherish those hearts that hate thee.—

Coming Events

Thursday, Nov. 29. Mr. John Robere will be in charge of the chapel program today.

Friday, Nov. 30. Pep meeting in preparation for the Baylor-Central game tonight.

Monday, Dec. 3. The football boys will be presented in chapel. All students report to chapel instead of homeroom.

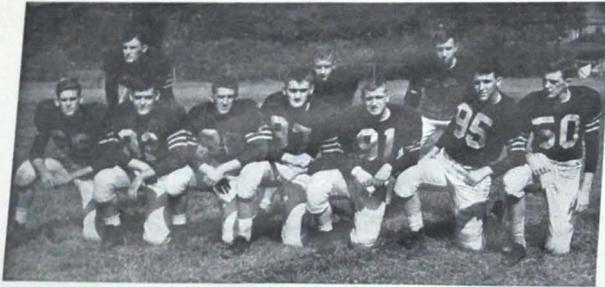

Tuesday, Dec. 4. The Girls Hi-Y will be in charge of the chapel program.

Wednesday, Dec. 5. The Exchange Club will present the Freedom Shrine to the students and faculty of Central.

Herbert A. Thurman Is Far East Photographer

Staff Sergeant Herbert A. Thurman, alumnus of 1948, is now on duty as a motion picture photographer with Detachment 1, 2nd Photographer Squadron, Air Pictorial Service in the Far East.

Herbert arrived in the Far East theater in July, 1951 and has flown several combat missions in B-29 Superforts as a combat aerial photographer.

Several of the Central boys who have been exceptionally outstanding while playing on the varsity this year are: Left to right; bottom row, Ken Hudgins, Mack Bishop, Bernard Epperson, Bill McBrayer, Jack Frayer, Don Duncan, and Frank Igou. Back row, Ralph Cresswell, Bill Hale and Ross Morgan.

Alumni Basketball Game To Be Dec. 3

Basketball practice which has been underway for the last few weeks is now narrowing down to the final stages in preparation for the alumni game to be held on December 3 and also for the Times Cup Series.

Some of the boys who have been spotted on the hardwood court during the practice sessions are: Hutson, Potter, Martin, Clay, Morgan, Sullivan, Kennedy, McMurray, Kincer, C. Cook, Grimes, Lewis, Gene Goodner, and R. C. Cook.

Some of the returning members of last year's quintet which helped compose a championship team are: Captain, Frank Igou, Bernard Epperson, Bill Goodner, and Bill McBrayer.

Last year Coach Bales' charges were favorites to come out as the top team in the Regional meet but were sidetracked in a game with Bradley in which the Bears came out victorious.

Officers' Club Defeats Sergeants' Club, 21-7

The annual football game between the Officers' Club and Sergeants' Club was unfolded at Frawley Field on November 16 with the Officers' team subduing the Sergeants by 21-7.

Standout players in the backfield for the Officers were: Jack Allison and Howard Blain while R. C. Cook was the Sergeant's best player.

The highlight in this "Blood Bowl" game came when Blain slid through a mud-puddle after making a diving lunge at Cook who went on to score the Sergeant's lone touchdown.

PARADE OF POUNDERS

PARADE OF POUNDERS—Doing their best to keep Central at the top in football are three Seniors: Frank Igou, Ralph Cresswell, and Lowery Lackey all of whom have been playing a good game of ball for the Pounders.

Igou came to Central from Look-out Jr. High as a sophomore and plays "end" on the football team. Igou also plays on Central's Basketball team and is serving as Captain of this year's team. Frank is a First Lieutenant in the ROTC and is a member of the "C" club and Officers Club.

Cresswell also came from Look-out Jr. High in '49 and plays "end". Cresswell is playing his second year on the boxing team and was undefeated last year.

Lowery Lackey came to Central as a Freshman from Anniston, Alabama, and has been playing on the varsity for three years. Besides playing at the position of "end" on the football team, Lackey is a member of the "C" club, Officer's Club and holds the rank of Major in the ROTC.

Purplettes Lose First, 57-43, to Sweetwater

The first game of the Central girls' basketball team was played Tuesday night, November 21, at Sweetwater, Tennessee. Sweetwater's team romped over the Purplettes to win by the score of 57 to 43.

The Purplettes played a practice game with Trenton, Georgia, after school, November 8. Since Trenton's team hasn't been able to practice because their gym burned, the score was not recorded for publication.

Composing the Purplette team this year are: Captain, Wilma Taylor, Co-Captain, Betty Rush, Lorraine Woy, Peggy Selis, Maxine Dixon, Wilma Ducker, Barbara Pope, Barbara Waldrop, Gloria Holsberg, Juanita Simon, Jeanette Andrews, Jo Ann McKinney, Betty Stroud, Geraldine Lee, Patsy Smith, Jo Ann Reid, Jo Ann Casey, Betty Scroggins, Ann Sneed, and Jo Ann Simpson.

Betty Slatten, a promising freshman forward, has gone back to her home town, Sparta, Tennessee, to live. The team and coaches were very much grieved at the loss of so promising a player.

Bob and Dick Salley To Participate In Scottish Rite Game

Identical twins, Bob and Dick Salley, will be in the Georgia Bulldogs' lineup against Georgia Tech's Baby Yellow Jackets in the nineteenth annual Scottish Rite game in Atlanta on Thanksgiving. Both Bob and Dick were grid stars while attending Central. Bob was all-city center while Dick lettered two years as a left end. They were also members of the basketball and baseball teams. This year they are attending the University of Georgia where they are majoring in business administration.

This game which is played for the benefit of the Scottish Rite Children's Hospital draws the largest paying audience for any freshman game in the United States. There is not a single free admission. Players, officials, and sports writers all pay to help some crippled child.

Art Committee Makes Scenery for Senior Play

The setting for the Senior Play "Not In A Thousand Years" which will be given tomorrow night, was designed and made by a committee of art students; Jo Anne Wolfe, Raymond Ling, Starr Vance and Betty Whitmore.

It is a three act play consisting of three different settings for each act, two being backyard scenes and one a bathroom scene. The objects of the play—the fence, trees, shrubbery, and a barbecue pit—were made by hand by the art committee. This will be the first time for several years that Central has had scenery changed for the different acts.

The Conroy's yard, with its ever arbor and towering green trees, furnishes a very suitable background for the exciting play.

Mr. S. E. Nelson, former principal of Central for thirty years, in his speech before the alumni group said that the thing that has made Central great is the fact that the Alumni and student body respond to every call.

Following the business meeting and gatherings of various year groups, a rousing pep meeting took place in the auditorium with the Central Band.

Derith Sutherland of Vermont Says Smaller Schools Are Advantageous

"The smaller school has an advantage over the large school, in my opinion, in that students come to know each other better," says Derith Sutherland, who entered Central this year from Thetford Academy, Thetford, Vermont.

The Vermont countryside is very beautiful with farming as its principal industry. The chief products are vegetables, grain, cranberries, blue berries, and strawberries.

Since Derith's father is an electrician with the T.V.A. and was transferred to Chattanooga for a special job of installing generators,

Derith and her mother came down with him. She has a brother, a senior in high school, who remained in Thetford Academy.

Derith says the school she attended had no gym as the students get exercise in their farm work which they do at home. For recreation they have ice skating and skiing. Derith was a member of the 4-H and the School Band.

The thing that impressed Derith most is the difference in the way Tennesseans and people from Vermont talk. "They don't understand me, and I don't understand them."

Senior Play To Be Presented Tomorrow Night

The Senior play, "Not in a Thousand Years," will be presented tomorrow evening in the school auditorium. This gay three act comedy has a cast of nineteen seniors and is under the direction of Mrs. Ken Flenniken.

The play concerns the trials of Junior Conroy's first date with charming Jeannie Matthews. Howard Waller plays the part of Junior, while Pat Williams portrays Jeannie.

Also in the cast are: Clifford Curl as Bert Arden; Nancy Swiger as Martha Conroy; Frank Fuller as George Conroy; Dot Wessel as Marjorie Conroy; Gerry Fundinger as Dilly; Emily Fortson as Mrs. Crisgray; Lucille Sulley as Mrs. Matthews; Joe Weaver as Nap; Mary Ardeena Kellis as Mrs. Bobbleton; Glenn Copeland as Morrison Vanderpool; Rowland Howard as Buzz Fleeger; Peggy Moore as Great Aunt Alice; and Patty Cobble as Cousin Alicia.

Pat Coleman, Sara Collins, and Jack Pratt are prompters.

"Buzz" Fleeger, Junior's arch rival, Mr. and Mrs. Conroy, and Junior's tag-along sister complicate matters for Junior. Then Cousin Alicia and Aunt Alice get involved, and chances again look doubtful. At last Junior eludes his family and has his first date.

Class of 1941 Plans Reunion for Dec. 14

The reunion meeting of the class of '41 will be held in the school auditorium on December 14.

Fred Helms, president of the class, said that plans have been completed. Luther Massingill, member of this class, will be the master of ceremonies. Arranging the program are Mrs. Shirley Gardenhire and Mrs. C. D. Broyles.

The class predictions will be read.

The "Champion" of that year was dedicated to Miss Ellen Mullnix, who will represent the faculty. Members of the present faculty and members of the class of '41 are Miss Bobby Hodges and Mr. Sam Stoner.

Digest Party

The Digest Staff Christmas party will be held December 14 during third period in Room 310. Members of the editorial, circulation, and printing staffs and Champion staff are invited. Tickets can be obtained from Miss King, Room 310. Admission is free but tickets are necessary. Students expecting to attend must make arrangements with their third period teacher.

A Christmas tree is being planned and the exchanging of small gifts will be a part of the program.

Mabel McCrary is general chairman of the affair.

PRACTICE GOOD CONDUCT

No matter how much knowledge from books one may possess, it may not be detected by a new acquaintance or a stranger; but there is one thing which speaks loudly wherever a person may be. Yes, one's conduct is seen by all, and it is from one's behavior that opinions are formed.

This all-important part of one's life is not learned in a day, nor can it be turned on and off as an electric light. Good conduct is a thing one must practice every day and constantly strive to improve.

Is a boisterous, impudent person very admirable? Of course not! He may gain attention and have people laugh at him, but what is their true opinion? People soon grow tired of his pranks, and he must find a new audience.

An important part of one's conduct is his classroom courtesy. When someone is reciting he deserves the undivided attention of all present. No speaking is ever important enough to be paid for with one's courtesy.

Teachers are public servants whose lives are devoted to teaching young people, and yet some students are so disrespectful as to talk when the teacher is doing his best to teach the lessons, or even to be impudent when things do not go as they wish. How does this speak for the individual who does it?

In class, as at all other times, a person is portrayed by his conduct.—M. McC.

MAINTAIN GOOD SPORTSMANSHIP

After the close of the football season most of us are inclined to let the school spirit go as it may, but we shouldn't forget that other sports are just as important as football.

Even though a few schools have better spirit than that which is found at Central, it could still be improved, if each student would look at himself as the person who makes or breaks the spirit of Central.

Often times we have wondered why so many fellow students show unsportsmanlike conduct in the classrooms, the halls, as well as at the football field. Could it be the desire for attention, or mere stupidity on their part? Perhaps we shall never know because few of them can explain their motive for the way they act.

Seldom do Central's gridiron stars act in a way that would be disrespectful to the school. They know the school is only what they make it, and the reputation built up by playing football could easily be destroyed by the lack of good conduct which would affect the school spirit.

As the basketball season comes, none should forget that the way he conducts himself at the games, is a reflection not only on him, but on the other students and the school as well.—G. C.

A Clean School

How many times have you thrown a piece of paper on Central's campus or in the halls? It is important to keep our school clean.

Visitors come to Central every day and their first impression of our school comes when they see the campus and enter the building. If papers are lying around, cluttering the halls, their impressions will not be good.

Waste baskets have been placed at convenient places over the school campus. No matter where you are, you would not have to walk far to put your waste in one of these containers.

When we are cleaning out our lockers, instead of leaving the paper in the hall, would it not look so much better if we put it in a wastebasket?

To keep Central clean, it takes the cooperation of all. If we all did our own small part, Central would be clean, with no paper scattered around.

The Digest staff extends appreciation to the I. L. C. for this editorial.

Book Review

"Dawn's Early Light," by E. T. Beebe, is a historical novel of Virginia during the American Revolution.

Julian Day, a young Englishman, was surprised to find the vague rumors he had heard in England concerning the American colonies intention to revolt very real and important to his new American friends. He realized it was impossible to remain neutral on the question.

Because his father died at sea, Julian intended to return to England as soon as he had earned enough money for passage. During his stay he had time to study the situation of the New World and finally decided to stay and help, in whatever way possible these people who had befriended him and had shown such devotion to their ideals.—M. L. H.

Cheers . . . And Jeers

Cheers to: Every student who has sold at least one magazine subscription for the magazine drive; Billy Knowles, top salesman.

Mrs. Flenniken's homeroom for being 100 per cent every day in November.

The boys' and girls' basketball teams, Dec. 21 because of good attendance.

The seniors and other students who have ordered their Champion.

The Christmas holidays, which aren't far away.

The senior party that will be here before long.

The talent programs given in chapel.

Dot Wessel, for being selected as Harvest Queen.

The substitute teachers, Mrs. McDonald and Mrs. Hall.

The students who have lanterns to carry to school so they can see to get home at night.

The lucky seniors who have successfully memorized "To be or not to be."

Jeers to: The teachers who give a lot of home work.

I Carry a Lantern To Lead Me Home

"Hello, John, what's that you're carrying? Surely, you're not going to put it in your locker, are you?"

"Why, this is a lantern, of course. Haven't you ever seen one before?"

"Where's the switch? What's that bottom part for? That's the place for the wick. Do you have a match?"

"What do you use a match for?"

"To light the wick, of course. First you put some oil in it, apply a match and presto, you have a light."

"But why all this ado about a lantern?"

"To see my way home so that I won't get lost. Haven't you heard about the new Hamilton County School Schedule? It seems that some of the students have had to carry a lantern in order to see their way to the bus stop in the morning. However, now I have to carry a lantern to see my way home in the evening."

"Good idea! It was dark last night when I got home. I think I'll get a lantern, too."

Homeroom Devotions

Thursday—Psalm 100. Yes, we too, can serve the Lord with gladness if we are happy Christians. A happy Christian is a thing to be thankful for.

Friday—Psalm 3. What more could you ask for than to know that we are never alone? Christ said that He would never leave us alone.

Monday—Psalm 103. Although friends fail you, your savior will not. Just try Him and find out for yourself.

Tuesday—Psalm 97: Christ is a solid rock; you can lean completely on Him. He will never fail you; you may be the one to fail.

Wednesday—Psalm 27. I know that my Redeemer liveth, don't you? If not, accept Him now as your Savior.

Behind the Scenes

"Hurry, quick, it's time for me to be on the stage! Run! Run! Oh, she fell! Oh, what happened behind the scenes of the School Play which is now in progress?"

The players know. Those prompters are really being wowed to death and if Mrs. Flenniken "batty" before long, think not of it as you would like, when characters don't learn the lines.

There's also romance back those scenes. Clifford Curl manages to forget those when there's Sara Collins to be prompted. Along with the work comes the time for fun, trying across the street we see my Dorsey. Rushing for a book!

Dot Wessel, Frank Fuller, E. Fortson, Patty Cobble, Lucille, Virginia Zott, and Pat Williams, yelling, "Save a seat for me!" last but not least, strolling a slower comes Mrs. Flenniken, weary, and tired from such strenuous practice with such seniors.

Question of the Week

What improvements do you should be made at Central?

Peggy Sells—Younger wavy hair.

Janita Simon—More boys in our floor!

Pat Armstrong—Ten minutes to dress for gym.

Dan Wade—Round up of homework-mad teachers and them to Siberia.

Martha Jean Wilson—Easier to get sooted tired.

Nell Morgan—Latin wavy hair.

June Sullivan—Another ball game.

Bill Morgan—Get rid of seventh and eight graders, because it is too crowded.

Glen Copeland—I think should be allowed to eat where we choose.

Wilma Taylor—Turn all "Hamlet" books!

Betty Rush—No budy ball. Jimmy Caldwell—I wish older sisters and brothers were graduate.

Richard Witt—Heat on my day mornings!

Wanda Patton—New at the old ones sound as if they are going to fall in.

Ronnie Hillis—No impromptu, just the school pep meeting on Friday.

"Sounds rash, doesn't he?" Bobbie Black—Prettier girls.

Jeannette Andrews—More sighted referees for the basketball games.

That Old Central Spirit

"A big fifteen for Nelson sounded through the auditorium the pep meeting on Friday."

Mr. S. E. Nelson, former principal and football enthusiast, appeared as he said once again to get uplift from that well known Central spirit.

In speaking briefly Mr. Nelson recalled a song once sung by Central students with that lingering thought "That Old Central Spirit there's nothing near it and work that it can do."

This pep meeting, the last of the football season and the Central pep meeting, served as a climax to the enthusiastic meetings of the year.

Football Team To Be Recognized by Church

The Avondale Baptist Church, which the Rev. Ralph Fields is pastoring, has planned a special service for the Central football team.

The service will begin at 7:30 on December 9.

Max Paris, quarterback, who attends this church, has stated that the team has been asked to come in a group and also that they will be honored as special guests.

The Glee Club and the Band Ensemble has been invited to provide the music.

Just . . . For Fun

"Oh, good morning, Brown. How are you today?" asked the pompous office manager.

"Fine, thank you sir. Only my name isn't Brown, it's Green," said the new employee.

"Green? Oh yes, so it is. You should have to excuse me. I'm color blind, you know."

What did the worm say as he crawled his way through a cucumber?

"Boy am I in a pickle!"

Thanksgiving Baskets Sponsored by Hi-Y's

Thirteen baskets filled with a variety of food ranging from salt and butter to chicken and turkey were provided by Central students as a Thanksgiving gift to less fortunate families of the Central community. The collecting and distribution of food were sponsored by the Boys' Hi-Y and the Girls' Hi-Y of Central.

Frank Fuller, Richard Buffington, Bob Bailey, Rex Ford, Billy Knowles, Charles Riley, Gene Standifer, Kay Fry, Gretchen Britton, Marlene Coulter, and Joyce Barkham distributed the food on Wednesday before Thanksgiving.

Cars were furnished by Kay Fry, Charles Riley, and Gene Standifer for placing the food in homes where it was needed. Places of distribution came from suggestions of teachers and pupils.

Mrs. Ken Flenniken's homeroom and Mrs. George Barton's homeroom each planned a menu for one good meal and everyone brought a certain food. In Mr. J. Pope Dyar's homeroom each pupil brought a food of his own selection. Each of these homerooms provided enough food of various kinds to fill individual baskets.

Cures for Hiccoughs

Anyone will gladly admit he knows nothing of the Chinese stock market reports, but when it comes to a cure for hiccoughs everyone seems to be informed. Some brilliant person will say knowingly, "Just put your head under your arm and count to 500 holding a cold glass of water against the back of your neck. Then when it has failed, he replies, "After all it will not cure drunkenness."

Other suggestions that have been submitted are:

Hop with the feet tied together up and down a flight of steps ten times, screaming loudly at each hop.

Roll down a long, inclined lawn snatching a mouthful of grass each time. The face is without. (I have tried them all without any effects except torn ligaments and upset stomach.)

CORKY'S CORNER . . .

BY CORKY JOHNSON

Well, Centralites, Friday night wound up another successful football season for the Pounders. It was also the time when four of our Cheerleaders said their adieu to high-school cheerleading. These were: Gerry Fundinger, Pat Williams, Frank Fuller and Ed Cornes. Some of the enthusiastic fans seen in the cheering section were: Billy Ray Champion, Barbara Adams, Leslie Greenburg, Wanda Miller, Jo Shannon, Carol McKown, Peggy Sells, Nancy Meadows, George Patterson, Jane Sullivan, Roy Capehart and Barbara Hill, Cecil Pearce, Jean Adamson, Betty Copenhaver, Betty J. Spaulding, Charles Bailey, Kenneth Baker, Robert Kington, Pat Rector, Jo Ann Gilliland, Carolyn Davidson, Barbara Prichard, Mary Black, Carole Narell, Jimmy Matheny and Virginia Zott, Sarah Trail, Iris Fisher, Gene Stanfield and Doris Morgan, Richard Buffington and Wanda Watson, Rex Ford and Peggy Rose, John Moore and Dianne Campbell, Bob Bowman and Pat Wagner, Charles Cooper, Buddy Knowles, J. B. Jones, Betty Oldham, Charlotte Stanley, and Irma Prater.

T. and I. Club Elects Trotter for President

Election of officers for the Trade and Industrial Club No. 9 was held recently, at which time Ben Trotter was elected president; Ed Cornes vice-president; Jo Anne Proctor, secretary; Shirley Thompson, treasurer, and Bobby Woods, reporter. With Mr. Gordon Smith as sponsor, the club was organized for the purpose of creating a greater interest in diversified occupations.

The Trade and Industrial Club No. 9 has recently made a trip to Smithville, Tennessee, where a Trade and Industrial Club encampment was held. About twenty of the members of the Central group made this trip. Mr. and Mrs. Gordon Smith and Mrs. Trotter were chaperones.

Guess what I saw over in section I during the halftime show. At first glance it appeared to be a concessions stand but later learned it was just Mr. Hootenpyle passing out hot coffee and cookies. Other teachers spotted in he stands were: Mrs. Skates, Miss Coppinger, Mrs. Flenniken, Mrs. Farnell, Mr. Talant, Miss Hooser, and Col. Bone.

It is good to be merry and wise. It is good to be honest and true. It is best to be off with the old love. Before you are on with the new.—Song of England.

POUNDERS EDGE BAYLOR, 26-20, FOR CITY CHAMPIONS

The few of the 13,000 football fans who saw Central in action for the first time against the Baylor Red Raiders on Nov. 30, now know why the Purple Pounders are rated as the No. 1 schoolboy team in the state.

After less than three minutes of play, the Red Raiders held a shocking 13-0 lead, but Central bounced back to win one of the most bruising offensive battles of the year.

PARADE OF POUNDERS

The men who punch typewriters for the Associated Press, have finally recognized the best football team in the state of Tennessee. They selected the Pounders in their last two polls. They picked the Chattanooga Central Purple Pounders as state Champions in their final poll. They at least waited until the final count to pick Central. The writers selected Oak Ridge as the runner-up team. At the same time, Prof. E. E. Lickenhouse, the difference-by-score expert, picked Central in his semi-final ranking as the top team. He ranked the Pounders at 100.7. He gave Baylor an identical rating as he placed them at the top of the heap in the prep school division.

Norman Hofferman has been promoted to the Georgia Tech Varsity after his performance in the Georgia Tech—Georgia Fresh game.

Central Girls Bow to Sweetwater, 53-47

The Girls' basketball team was set back last week as they lost to Sweetwater 53-41. From all appearances Central already has a good girl's basketball team this year. Although the Central girls lost by twelve points, they gave the Sweetwater girls a tough game.

Betty Rush showed her capabilities as she scored 19 of the 41 points. Wilma Taylor also was on the ball as she came second with 12 points.

The team is composed this year of: Forwards, Betty Rush, Lorraine Woy, Wilma Taylor, and Peggy Sells. Guards are Juanita Simon, Joanne McKinney, Jeanette Andrews, Joanne Simpson and Geraldine Lee.

Centralites Are Knot Hole Gang Champions

Twelve seventh grade boys composing the championship Knot Hole Gang team of Chattanooga were honored in a special chapel program last Wednesday. Coach Les Newton introduced the winning team composed of Kenneth Moon, Bobby Basket, Eddy Blalock, Charles Jackson, Lebron Griffith, Wayne Scott, Donnie Rockholter, John Werner, John Wood, Tommy Rowland, Billy Fletcher, and Gene Spriggs. These boys on their own initiative organized the team and through the help of Mr. Basket and Mr. Rowland, fathers of two of the players, played through the tournament and came out victorious.

Kenneth Moon, captain, presented the trophy to Mr. Millaps who in accepting it said that this was Central's first seventh-grade trophy.

Mr. Ray Evans, special guest, congratulated the boys and spoke of the value of Knot Hole training.

Members of TSSAA See Central Play

The girls and boys basketball teams of Central High displayed an excellent playing before the members of the T.S.S.A.A. on the night of November 28.

Mr. Webb Porter, assistant secretary, of the T.S.S.A.A. conducted the meeting by pointing out the rights and wrongs of the game being played by the two teams, and reasons for the corrections made for the group of coaches and referees of the city.

The purpose of the meeting, held for the benefit of the high schools, was to standardize the interpretations and basketball philosophy throughout the state.

Those coaches attending the meeting from Central High were: Mr. Gordon Smith, Mr. Stanley Farmer, Mrs. Margaret Hammack, Mr. E. P. Bales, Mr. Lester Newton, and Mr. Jake Seaton.

David Patten

Don Duncan

Another Pounder playing consistent ball for Central is David Patton, who has been outstanding in play at the tackle slot.

Patton came to Central from Rossville and is playing his second year on the varsity squad. Beside playing football, Patton also boxes for Central, is captain of "F" Company, a member of the Officers' Club, and sergeant-at-arms of the Senior Class.

The other player pictured is Don Duncan. Duncan has been playing for two years and be depended on heavily next at the tackle position.

Don has been noted for excellent play on the gridiron. He is the first sergeant of "C" Class, and a member of the Club.

Walker's homeroom showed greatest improvement in attendance with an increase of over 10 per cent. The drive was sponsored by the military club.

The homerooms which attained a 98 per cent attendance or above for the month will be dismissed on December 21 after the first period. The homerooms which reached this goal were Mrs. Flenniken's with 100 per cent; Miss Schwartz's, with 98.75 per cent; Mr. Tullant's, with 98.34 per cent; Mr. Willard Millsaps', with 98.33 per cent; and Miss Moffitt's, with 98.28 per cent.

Progress in Central's Library Has Made It the Largest in Southern High Schools

Amazing it is to think that the Central library, where it is possible to find information on almost any subject, was once no more than a closet with a few ancient history and Latin textbooks in it.

That is exactly what the library was until 1926 when the Southern Association of Colleges and Secondary Schools set up standards for school libraries. The second floor study hall was taken over and books were bought from the Chattanooga Public Library, who also furnished personnel to set up the Central Library. Miss Elizabeth Fisher was the first librarian.

During the depression there was very little money for books and no binding supplies. The librarians rose to meet the situation. Catalog cards were typed on typewriters discarded from the Commercial Department; they scavenged to get useful books

legendary characters who are expected to attend the annual senior festivity.

Besides the folk dancing and square dancing with music by the swing band, there will be a play featuring the Christmas fairy. Santa will make his appearance from a real set up of a chimney. Reading some of the letters he has received, Santa will present a number of gifts.

Seniors are planning to attend the Christmas party attired in a great variety of costumes. Among those present will be Martha Johnson as a little girl; Gay Lane as an old fashioned lady, Blyth Wood as a Scotch girl, and Arlene Hissis as Mrs. Santa Claus.

Committees

The committees to date are program, Mr. Arlie Hoodenpyle, Mrs. H. B. Robinson and Mrs. Ken Flenniken, Clifford Curl, Don Cannon, Pat Williams, Kay Fry, Frank Fuller, Jerry Fundinger, David Patten, and Roughouse Martin; refreshments, Miss Edith Taylor, Raymond Ling, and Bernard Epperson; decorations, Miss Mary Durrberry and Miss Earl Jones, Star Vance, Bill Black, Bill McBrayer, Joanne Wolfe, Martha Johnson, and Gay Lane; floor, Mr. Ralph Olinger and Jimmy Wilkies; tickets, Mrs. A. from any other library that did not need them; and worn books were rebound in anything from scraps of dress material to wallpaper samples. Through all this the library held together and progressed.

Much credit is due to Mrs. Clarence Kolwyck and Mrs. Mary Sanders, librarians, and Mr. S. E. Nelson, who took such an active interest in the advancement of the library.

In 1937 a new wing was built and equipped for the library, and was dedicated to Mr. E. Y. Chapin and named The E. Y. Chapin Library.

The library has grown from an humble beginning in a closet to the largest school library in the south, containing approximately 15,000 volumes with a circulation of over 8,000 in November. M.L.H.

CENTRAL EMERGES STATE CHAMPS IN "LIT" AND A.P. PO

Purple Pounders, State Champions, End Season, 10 Victories, 1 Defeat

This year the Pounders completed their most successful football season since 1943 by winning ten of the eleven games scheduled. Not only have the magnificent Pounders been proclaimed state champions by Litkenhous ratings but also the A. P. poll.

On the Pounders' rough schedule this year were games with Fayetteville, Knox Young, Atlanta O'Keefe, Kingsport, Red Bank, Miami, Tyner, Bradley, St. Aloysius, Louisville Manual, and Baylor.

Purple Cagers Bow to Central Alumni, 52-39

The Central Alumni defeated Coach ("Bang Bang") Bales' Varsity by a 52-39 score December 4. Eddie Connel was the leading scorer for the Alumni with 14 points, while Bernard Epperson led the Varsity with 8 points.

The Alumni led at all the rest stops 12-10, 23-17, and 38-29.

These players composed the Alumni team: Ralph Fickle, forward; Howard Sompayrac, forward; Eddie Connel, guard; Charles Saylor, center; and Harelin, guard.

Substitutes were Ralph Allison, Tommy Phifer, and Bradcock.

The Varsity team was comprised of these players: Bill Goodner, forward; Bernard Epperson, forward; Paul Kiner, center; Frank Igo, guard; and Tommy Hutton, guard. Substitutes were J. D. Lewis and Paul Potter.

The Pounders finished their regular season last year with a record of 24 victories and 2 defeats. These two defeats went to Andrew Jackson of Jacksonville, Florida, and Knoxville City.

Girls' Gym Classes Are Playing Soccer

The girls' gym classes have started playing soccer, a rough game with the same principle as football. The purpose of the player is to kick the ball of the opponent and make a goal if she can get by the guard.

Miss Sarah Hubbard's classes began the game with two weeks of practice, kicking the ball in zig-zags across the gym. This got them in line for the real games to follow.

The batball tournaments ended week before last, with the old team as victor. Before the tournaments can begin the best players in the classes are chosen to play on the color team.

PARADE OF POUNDERS

Another main cog in Central's well-balanced attack this year was Bobby Hoppe, star in the defeat of Baylor.

Bobby, also known as "Hippity Hoppe" after his fine showing in the Baylor game, has been outstanding on the gridiron during his two years at Central. Since Hoppe is but a sophomore, one can easily see why he will be recognized by all opponents as a dangerous runner and pass receiver.

Hoppe, with Tillman injured, was depended upon heavily in the Baylor game and retaliated by setting up the score for all of Central's touchdowns. Hoppe was also high in the list of the prep scoring parade.

Probably the best broken-field runner that Central fans have ever seen is Tommy Tillman.

"Terrorific Tommy," as he has been called by many, has kept the Pounders' ground attack moving at all times. In practically every game this season, Tillman has run wild. In the Louisville Manual game, Tillman displayed one of the best running attacks that a single player could put on. It was due largely to Tillman's running that Central was able to defeat Manual by 14-0.

Tillman will probably be back again next year and again make the Central offense click, thus assuring a successful season, and a record of which we can be proud.

PARADE OF POUNDERS

One of the starring guards for Central's basketball combines this year will be Jimmy Pack. Pack is being depended upon to help keep the Purple Pounders at the top of the local basketball heap. Pack is an excellent guard and he is not top notch player.

Pack was one of the shining lights in the very successful football season. He was an all-city quarterback. Jimmy pitched for Central's baseball team, and also performed for the Central American Legion team, which won the state championship.

He is a member of the C Club, the Disc and Diamond Society, and the Sergeant's Club. He is sergeant of "A" Company in the Central R.O.T.C. regiment. He also serves as president of the Junior Class. Pack has been president of his class in every year since he started at Central.

DID YOU KNOW

That the Pounders are City and State Champions.

That the Central Cagers won the Times Cup Series at the auditorium last year.

That out of the regular basketball season last year, the Pounders lost 2 out of 25 games and won five games in the tournament.

That in a basketball game good defensive play will keep down the score of your opponents and make the job of winning that game much easier.

That sports have an appeal for almost everyone next to the weather; people talk about sports more than any other topic.

That almost any pleasant activity whose main purpose is to exercise the body may be called a sport.

That in 1946 the Pounders were State Champions in football.

That the Golden Gloves begins in January.

Pounders Defeated In Times Cup Series

Central, defending Times Cup Series Champions, went down to defeat in the semi-final round in the tournament. The Purple Pounders tasted defeat at the hands of the Ooltewah Owls 41-40. Central led Ooltewah 14-7, at the end of the first quarter, but the score at the half was 17-17. At the end of the third quarter the Pounders led 31-26. Epperson, Igou, Kinser, and Pack all fouled out to weaken the Pounders. Lewis fouled Riggs in the winning moment of the game and Riggs sank the gratis shot to give Ooltewah the victory. Bill Godner was high for Central with 13 points.

Central beat Hixson in their first game of the series by a score of 41-36. The Pounders trailed Hixson for three periods, but pulled away in the final period. Epperson got 13 points, Godner racked 8, and Igou poured 10 points through the hoops. Big Bill Clark paced the Wildcats, as he scored 19 points.

For the first time in history two teams were awarded Championships were crowned in both the high school and prep divisions. Rossville's Bulldogs downed Ooltewah in the high school division to take home the coveted trophy. Notre Dame, one of the finest teams in the area, defeated McCallie for the Prep School Diadem.

Fred Fraley of Notre Dame was named most valuable player in the tournament. Three Rossville players were named to the high school All-Series Team. Bobby Case, Pete Day, and Lamar Byrd were picked from Rossville. Sonny Clark of City, Bill Clark of Hixson, and Frank Roberson of Ooltewah round out the team.

Central's followers aren't downhearted even though many observers think we won't have such a good basketball team this year as in the past.

Everyone was thinking the football team wouldn't be very good either but look at the record. Surprises always happen, so watch the Pounders basketball quintet, as the season rolls along.

The sportswriters of the Times and Free Press are commenting on the talent which the different teams in the area have. For Central they say we have Bales, which is as good or better than the other teams, because on the hardwood a team is only as good as the coach.

While Central is host to other basketball teams, let's remember that our school receives its reputation largely through conduct shown at the games.

Anchor Aweigh Club to Sponsor March of Dimes

The 1952 Fight Against Infantile Paralysis will be promoted at Central by the Anchor Aweigh Club through a March of Dimes drive beginning Thursday, January 24.

Half of the funds raised by the Hamilton County remains with the Hamilton County chapter, while the other half goes to the National Foundation for Infantile Paralysis to finance projects.

Infantile Paralysis has hit Tennessee in epidemic proportions for the past several years. Through the sponsorship of the Anchor Aweigh Club the entire student body will be given the opportunity to contribute to the March of Dimes.

Each homeroom is asked to appoint a representative to be in charge of collecting the money. Anchor Aweigh members will collect money from the homerooms on Thursday, Friday, Monday, and Tuesday. Prizes of \$5 and \$3 will be awarded to the two bringing in the largest amount of money. Students are especially urged to contribute on Tuesday as an admission ticket will serve as an admission to a hillbilly program to be presented by the faculty members who will be dressed in costumes.

The show will consist of such features as a jitterbug contest with Miss Bonnie Eichorn and Sam Stoner, Mr. Gordon Hushley and Mrs. Margaret Hambrick; folk games, a hog calling contest, and a child bride interview. (Who will the child bride be?)

Essay Contest Now Open to All Students

The Woman's Auxiliary of the Tennessee Medical Association is sponsoring an essay contest, "My Privileges in and Responsibilities to a Free Country."

All students are eligible to enter. The length of the essay is to be from 750 to 1,000 words. They are to be turned over to the local judges by February 1.

Each entry must contain your original definition of "A Free Country."

Junior Class Will Present "Glamour Boy" on March 7

The Junior Class play, "Glamour Boy," a comedy in three acts, by Esther E. Olson, will be presented in the auditorium on the evening of March 7. Tryouts were held January 14-15 and 21-22 in Mrs. Ken Flanniken's room. Each junior was struggling to get the part he chose.

The story of the play appears to be quite exciting. Chauncey Jay Mooney, an unathletic-looking fellow, whose widowed mother "worked out" was destined to be called Pee Wee by his classmates. He worshipped Georgia Belle Roberts, the high school charmer, from afar, and dreamed of her when he should have been studying his lessons. He liked publicity, and demanded that Oakville High produce some kind of champion and get itself into the news. But the dream didn't last. Miss Prescott berated Chauncey for writing a falsehood and ordered him to spend the remainder of the semester in Mr. Garfield's office. Then came the news! Everyone was astounded at what Chauncey had done. What had he done? Did it get him into more trouble than he was already in?

Millaps Elected to Board of Directors Of Adult Education

Mr. Willard Millaps, faculty member of the Mathematics Department was among 15 outstanding citizens elected to the board of directors for a new organization. The Adult Education Council of the Chattanooga Area, which was formed the night of January 8, 1952. This experiment conducted by the ARFA is being financed by the Ford Foundation and is sponsored by the Chattanooga Public Library.

The purposes of this organization are mainly to select a group of citizens who can interpret and express the need and interests of adult education, to prove that education, is an unending process, to aid other corresponding agencies, and to help and advise those who want to continue learning by themselves.

The cast will be announced in the next issue of the Digest. They will begin practice early in February so the answers to the above questions will soon be known.

Senior Class To Present Talent Show

Members of the Senior Class will present the last in a series of four talent programs tomorrow at assembly. The presentation will consist of about seven numbers, featuring seniors who possess various talents.

Lucile Sully, Emily Portson, Dot Wessel, and Patty Cobble will impersonate the Four Knights with "The Glory of Love" and another number which has not been announced to date.

Joe Weaver will give a negro sermon, and Robbie Martin, a piano solo. A vocal number will be given by Jeanette Meslor.

A committee composed of Mr. Everett O'Neal, Mrs. Ken Flanniken, and Clifford Carl planned the series of programs for the purpose of searching out talent among Central students and giving them an opportunity to display it.

The three programs of the series which have already been presented were: the first with talent from the seventh and eighth grades; the second presented by talented freshman and sophomores; the third starring junior class members.

Beside giving students an opportunity to display their talents, this talent searching series was conducted as part of the long range planning for "Champion Night," which is one of the outstanding events of the year to be presented early in April. A variety program of Central talent will be used for "Champion Night."

SUPPORT YOUR TEAM—WIN A GAME

Who is responsible for winning a basketball game? Many students would answer this question by saying, "Why, it's the players, of course." What chance do the players have without the wholehearted support of the school? By "the school" we mean each individual who excels to make up Central High School, which has always excelled in athletic events.

WORTHY GROUP—THE USHERS

One of the most valuable organizations toward the welfare of the school is the Usher Club. The forty-five girls who compose the Ushers were chosen from the upper third of their class. They give freely of their time and effort toward making our school a better place in which to live and work.

Book Review

The Bridge of San Luis Rey. When the famed bridge of San Luis Rey in Peru broke and precipitated five travelers into the gulf below, a Franciscan priest witnessed the calamity and thought: "Why did I strike with the thought?" This happens to those who try to prove to his incredulous converts that they are watched by God, he resolved to inquire into the lives of those five persons. Thus five otherwise unrelated lives are compiled by the priest to show the divine plan of their lives and deaths.

Hair Styles Gone To the Dogs in '52

"It's horrible." "Incredible." "Murder!" "It's atrocious." "Think won't they think of next?" "I'll get one." "I know that it takes about 125 curries to set it!" "Wonder where you can get one here." "They say it's taking the country by storm." "It has to be cut about every two weeks." "Do you think I'd look good with one?" "They just cost \$1.50." "They say it can be combed with the hands—like tossing a salad." "I just can't like you with one." At long last I learned what's causing all this buzzing around Central. It's the new Poodle Haircut offered by Loveman's. Keep on the lookout for who's the first Centralite to have one.

Mr. Gordon Smith Attends Sugar Bowl Game at New Orleans

The thing that impressed me most during my trip to New Orleans for the Sugar Bowl game was the mass of humanity moving toward the stadium before game time," states Mr. Gordon Smith. "Traffic was jammed in all directions from the bowl for a mile or more and streets were overflowing with people walking toward the stadium." Mr. Smith was only one of the group of coaches from Central who attended the Sugar Bowl game; leaving Chattanooga on December 31, and returning on January 3. The other members of the party were: Coaches Etter, Seaton, Farmer, Newton, Atchley, and Coach Farmer's brother, Mr. Steward Farmer.

Juanita Scott Spends Delightful Christmas Vacation in Washington

Juanita Scott, student, was one of several Central students and faculty members who spent a delightful Christmas vacation outside the city. Juanita with her parents drove to Washington, D.C. where they visited relatives, Mr. and Mrs. E. W. Camp, for a week. Traveling through the Shenandoah Valley in Virginia, Juanita was amazed at the high snow banks on each side of the highway. The Dome of the Capital and the Washington Monument were the first buildings recognized by the travelers, as they drove into the city. While there Juanita visited Smithsonian Institute, where first of the Wright and biplane where wax figures of all dentists wives are displayed. While in the Capitol she met the President's room, Senate Representatives Chambers, and Whispering Hall. The changing of the guard every hour at the Tomb of the Unknown Soldier in Arlington Cemetery was the thing that deeply impressed Juanita. There she witnessed a funeral.

Worry, worry, worry, won't I ever learn? If I had only paid attention in class. All this back-work to be finished! Woe is me! I can study for my English exam at the drug store. Cokes, comic books and studying do not go very well together. Time to return to class. Alas, Alas, I should learn my lesson. Next semester I'll be prepared for the exams. Could this have been you during the past exam week?

Resolutions Broken First Day of School

I was sleeping peacefully this morning when a strange noise woke me. Was it a burglar breaking my window or was it the telephone? Suddenly I realized that it was my alarm clock going off and I had only twenty minutes left to reach school on time. Oh, woe is school! This is just the first day of school after the holidays and I have already broken my New Year's resolution not to be late. Oh, well, better luck next time, I hope!

CORKY'S CORNER . . .

While I was cruising down Grayville Road last Friday night, my attention was suddenly called to a brightly lighted building in the offing. As I drew nearer, the sounds of "Do Si Do" and "Swing Your Partner" intrigued me, so to satisfy my curiosity, I decided to go inside. Upon my entrance many familiar faces of my fellow Centralites greeted me, and I learned that this was a square dance sponsored by the Pirates Club. Among these were: Lamar Miller, Earl Kinsey, Peggy Langford, Bill Clark, Ronald Daniels, Clarine Abbott, Johnny Sprague, Mary Pickett, Y. L. PARADE OF POUNDERS

Now that basketball season is dribbling along full speed, the sports light comes to rest on the position of the basketball team, Frank Igou. He takes to the court in the position of Forward—position which he holds down very successfully. He has played in all the past games and as this is being written, he has a total of 18 points to his credit. This is his second and will be his last year on the team.

Basketball is not his only sport. In the past season, he was out on the mighty State Champion Football Team. He played first string offense in all the games this season. It might also be noted that he made the first team in just one year.

Frank belongs to the "C" club and Officers Club. He entered Central in 1949 as a sophomore from Lookout Junior High.

Pounders Halt Bears' Streak at 14 Games

The Central basketball quintet earned the title of "bear killers" on Tuesday, January 15, when they beat the previously undefeated Bradley Bears by a 48-47 score. They cut Bradley's winning streak at 14 games.

The Pounders zoomed to a 17-5 lead at the end of the first stanza and led by 27-19 at halftime. Coach Lip Smith's Bears went into the fourth period trailing 9 points. The Bears poured 20 points through the hoops in the final period while holding Central to 12. However, the Bradley rally fell one point short as the Pounders came out on top.

Paul Kinser scored 15 points as he played his best game of the year. Bernard Epperson hit 11 before fouling out in the last quarter. Frank Igou played great ball as he was exceptional on rebound work. Frank bucketed 10 points. Clyde Kirk scored 14 points for Bradley.

Duncan and Tillman Elected to Lead Pounders Football Team in '52

Last Thursday night marked a salute to one of the greatest Purple Pounder football teams in years. The Aspers, "State Champs" in the Litkenhous Ratings and the Associated Press Poll, were magnified by many old-timers as having the best football combine in the history of Central. After a delicious turkey dinner, of which Epperson had his share, many awards were handed out. Among those receiving awards were Jimmie Williams, Ralph Crosswell and Bernard Epperson. Williams received a watch for having the highest scholastic average and a trophy for being voted the best "team man." Crosswell was elected to receive a new award, the "coach's" player award, given to a player designated by the coaches. Epperson, selected as the most valuable in the area, was presented the annual Tom McAn "bronze shoe" by J. B. Collins of the News-Free Press.

Centralites Belong To Confederate Club

Among the Central students who are members of the newly organized Confederate Club are Colonel Gene Stanfield, Major John Moore, Maj. Roy Bailey, Pvt. Rex Ford, and Pvt. Richard Buffington.

This club was recently organized by a group of boys in Chattanooga who feel that they are true Sons of the Confederacy. The club is under the able direction of General J. O. Jorges.

Purpose of the club is to keep alive the spirit of the South, to encourage loyalty to the Constitution, and to serve the community.

All members display a Confederate flag on their car. First meeting was Friday night.

The club is still open for membership to boys over 16. Contact General Jorges or Gene Stanfield.

Did You Know . . .

That Gene Hall and Ken Hudgins will be defending their titles in the Golden Gloves?

That the Boxing Team tied Tennessee Military Institute last year 3-3.

That the Boxing Team beat City last year by a score of 7-3.

That five Central players made the basketball All-Star team last year.

That evidence of boxing being practiced centuries ago has been discovered.

That basketball is the only major sport played in the United States which is of American origin. It was created by Dr. James A. Naismith.

That the first basketball game ever played was on Jan. 20, 1892.

The Faucet by Glen and Dan

As several different sports emerge into the limelight at this season of the year, it is interesting to note which will be the more popular as far as Chattanoogaans are concerned.

One of these sports which have been rolling along at a rapid pace is basketball, but the Golden Gloves meet is fast taking the spotlight.

As many Central boys will be wearing the Purple and Gold on the nights of January 28, 29, 30, and 31, one can readily see why many Central followers will be there to cheer their favorites on.

Cheering sections from the different schools will add much color to the ring engagements between. As many Central fans as possible are urged to attend the fights as the cheering sections do much to lift the boys' spirits.

Purplettes Beat Marion High, 29 to 19

Hello Folks.

Here's Scoopy, the girls sport writer, bringing you news of our Purplettes.

During the Christmas vacation they took a well deserved rest but started the New Year off with a bang by beating Laura Lee in the Peerless Woolens Icehouse on January 5. This is the first time they have come from behind to win by almost a 20 point lead.

On January 10 they played Marion County at the Central gym. The score was 29 to 19 in Central's favor.

Golden Gloves Meets Starts Monday

The Golden Gloves which start January 28 and continue through the 31st is one of the sports which highlight the year for Central's fight fans who cheer the boys in other sports as well as boxing.

As the annual Golden Gloves meet gets under way on Monday, teams from various schools and organizations will be competing.

The goal of the teams will be to win coveted trophies, presented by Sub-Novice and Open Division Team Winners. A trophy is presented each year to the "standing boxer" of the Tournament. Last year's winner of the prized possession was Central's Gene Hall, now a senior.

The Frye Institute which sponsors this meet each year has been promoting bouts down at the Frye in preparation for this year.

Several of the Central boys who have indulged in these flatline stings include: Gene Hall, Ed Patton, Bill Wright, Fred Chubers, Ken Hudgins, and other ambitious leather pounders.

Each winner in his particular weight class will receive a Golden Glove while runner-ups are presented a Silver glove.

Miss Mary Derryberry Visits Berea College

Miss Mary Lou Derryberry's recent visit to Berea College in Kentucky proved both interesting and informative.

Berea College is unique in that nearly every people living in the mountain areas and others who need to work their way through school are admitted. Some of the students serve at "Boone Tavern", an inn where the visitors stay. They receive is excellent in every detail. The food is grown at the College. They also have a dairy which offers jobs for many.

Berea College is especially noted for its fine woodwork and crafts. They make and sell beautifully designed furniture. In the past they copied old colonial patterns, but the present teacher is helping them to understand and use modern materials and to design meaning for the present day.

This exceptionally good designing department is a part of the Dramatics Course, which includes music, art, and literature. This course is required of every student. After finishing they may choose the particular field in which they would like to specialize. They have a very well trained faculty highly approved faculty.

TWELVE SENIORS SOLICIT ADS FOR 1952 CHAMPION

The week of February 21 through the 25 was reserved for a selected group of seniors to solicit ads for the "Champion." The group also spent their after school time and Saturdays for this purpose.

The seniors, who were chosen by Arlene Hillis on the basis of ability, honesty, and courtesy, include: Arlene Hillis, chairman; Earlene Laxson, Charlotte Staley, Jean Tittsworth, Doris Castle, Dottie Waterhouse, Wilma Taylor, Virginia Zott, Patty Cobble, Tod Wessel, Jack Allison, and Frank Fuller. After they had divided Chattanooga into six parts - Brainerd, McCallie to Green Avenue, Market and Cherry Streets, Lower Market and Broad Streets, East Ridge, and Broad and Chestnut Streets - the representatives divided themselves into groups of two each and visited the business firms of the section to which they had been appointed.

All advertisements are put on a voluntary basis, but five dollars is the minimum rate. When all the Ads have been turned in the representatives will receive ten percent of everything they have sold.

That the main portion of the "Champion" may be sent to the publishers by the middle of February is the aim of the staff according to Donna Blessing, editor.

FOOD FOR THOUGHT

Teen-agers today have too much freedom—or more than their fathers and mothers had. During the last war, they were given jobs which adults had held before. This made them feel they could take part in amusements which heretofore had been forbidden them.

We are given plenty of money; in some instances we are given cars; we stay out too late at night; in general we do as we please; often neglecting our school and home duties. We would feel lost if some of our privileges were taken away, although it would be for our own good.

KEEP CONDUCT UP TO PAR

Each year at the end of the semester there is a noticeable laxity among the students at Central. Perhaps they feel that they have done a half year's work and that now is the time for a good rest. Or else it is simply a form of laziness. The reason however, is unimportant, but the results are disastrous; at least the newest development is. It is to this that the disgraceful conduct of some students at the recent Tyner-Central basketball game must be attributed.

Future Hair Styles Derived From Animals

We have all heard about the latest hair "do's", the horsetail and the pig. But before long they will grow old so let's take a peek into the future.

The greeting written in today's style reads about as follows: "Sending the best Christmas wishes and prayers for Seminary Selves 2000 Hindus enrolled Bible Club."

Blanchard Mrs. Blanchard before her fix was Bula Dell Hagman alumna of Central and associate editor of the Digest of 1948.

Two years ago the Blanchards with their children returned Chattanooga on furlough. Their stay here both appeared in the Readers Digest.

The following are excerpts from that article: "she's real George all the way" was translated into "real squire, flash, excellent". A dolly is a cute girl, and a squirrel is a reckless driver of a mill (automobile).

Parents who thought they were hep to recent soda-fountain (squirrel-counter) slang now find that it's corny, and that solid and icky are "real nothing" words today. Anyone who falls back on such jaded expressions is a simple peasant or a smerk. Well, well, what will become of English?

Who's . . . Who

Peggy Watkins is the name. She's got the possession is her class ring and "Pop" she likes to

to go to college is her ambition; Fried chicken she likes to eat for nutrition. "Pop" is usually seen around the gym with eyes and sweat glands.

Her ideal girl must be brunette, sweet and fond of him. "Goodness" is his pet expression; "sweater" is his pet possession. Favorite foods are steak and cream.

WHEN EVEN MICE CAN'T STAND IT . . .

Squeaky and Winkie, two adoring little mice decided to get away from their comfortable little home. Their escapade which consisted chiefly of cat dodging and endless running led to much excitement.

But all that little fellows were weary of their chase and decided to rest in Central's spacious halls. It was night and all was peace and quiet.

As Karl Steele drew on a screen his picture, "Divine Providence" he was accompanied at the piano by Howard Skinner who sang "My Heavenly Father Watches Over Me".

Hiding Halvarson introduced the speakers and sang "Jesus Gives Me A Song".

Karl Steele's ability with his "Black Light" artistry was demonstrated both in his drawing skill, in the rapidity of his production, and in his lighting effects.

At the lunch period they enjoyed the mystery; their fright was dispelled when they saw the scrap paper. "Well, well, well" Maybe the students can stand the clutter, but mice can't.

Question of The Week

What is your favorite singer and favorite song?

Hildegard Landers—Doris Day and "Tell Me Why" Joyce Markum—Johnny Ray and "Tell Me Why" Sarah O'Grady—Johnny Ray and "Because of You"

Barbara Webb—Kenny Gardner and "Domino" Marie Smith—Mario Lanza and "Because of You" Jane Morris—Mario Lanza and "Give Me A Kiss To Build A Dream On"

Any Questions?

We'll begin with box, the plural is boxes. But the plural of ox is oxen, not oxes. One fowl is a goose, but two are called geese.

Central Sees Unique Religious Presentation

A unique religious program combining art and song was given at the assembly Thursday by four from the Merv Rosell evangelistic group in the Crusade for Christ Campaign which was in progress last week at Tennessee Temple College.

Hiding Halvarson, music master; Howard Skinner, concert artist, organist, and pianist; Karl Steele, head of Wheaton College Art Department, and Tom Freney, Central student body, composed the group.

25 Band Members Compose Ensemble

The Central High Ensemble, composed of twenty-two of the best players of the advanced band was organized again for this year making its ninth year in existence.

The ensemble has had its third rehearsal with the following members: R. M. West, George Broan, Gus Unger, Howard Waller, Tom Stroud, Joe Faulkner, Jo Ann Welch, Wade Green, John Riley, Ray Sharp, Dorothy Jones, Charles Harris, Margaret Smith, Betty Tassart, Patricia Wynn, Dot Hammon, John Parks, J. DYER IS GUIDANCE COMMITTEE HEAD

For all the seniors of Central High a guidance committee composed of a group of teachers has been formed. Mr. Dyer is chairman of this committee.

The committee has planned to help the students realize the need for a profession, to tabulate the different interests of the students and designate a vocational guide once day. At this time about 20 of the best professional men and women of Chattanooga will explain the advantages and disadvantages of the particular profession each student has chosen.

Such programs have been set up in other schools too. Mr. Dyer will speak in chapel at Carson-Newman College on February 8. Later he will speak to only those who are interested in teaching.

PARADE OF POUNDERS

In this week's Parade of Pounders we are presenting Gene Hall, a Senior, undefeated in the boxing ring.

Hall came to Central from Brainerd as a freshman and has been boxing four years. Gene is noted as an outstanding boxer and has had three brothers who were noted for their ring ability also.

Hall has won 24 consecutive bouts without a loss. This year Gene will be stepping up a notch in the weight divisions after winning the title in the 112 pound class last year in both the high school and Golden Gloves Open Championships.

Last year Gene received a trophy as the "most improved boxer" which was presented by the Frye Institute, sponsors of the event. In addition to the trophy, Hall received a Golden Glove and was presented a jacket for winning the Golden Gloves Open Championship.

He went to Nashville last year with the Frye team which represented Chattanooga in the Southern Golden Gloves.

A GOAL TO AIM FOR

Red Bank Will Host Region III Basketball Meet On Feb. 26 - Mar. 1

The site of the annual Region III basketball meet is scheduled to be held at Red Bank beginning on February 25. A meeting of the district coaches was held at Martin-Thompson's on Saturday and the plans for this meet was discussed.

Serving as tournament director will be Marion Perkins, head football coach at Red Bank and the event will be staged on Feb. 25, 26, 27, 28, and March 1. The coaches voted not to play on Feb. 29, in order not to conflict with the appearance of the Harlem Globetrotters here on that date. The championship affairs will be played on Saturday night, March 1.

Bailey and Casey Are Kiwanis Guests

Bob Bailey and Allen Casey from the Central Key Club attended the Kiwanis luncheon at the Hotel Patten on Tuesday, January 15.

The distinguished guests of the Kiwanis Club at the luncheon were: Mayor O'Griff, Judge Wilkes, T. Thrasher, Mr. Alfred Mynders, editor of the Times, Raymond Sparkman, president of the Junior Chamber of Commerce.

The purpose of the uncheon was to present the twenty-seventh annual "Distinguished Citizens Award" which has been given to an outstanding citizen since 1922. This year's award was presented to Mr. Dillard M. Griswold the past president of the American National Bank. He was given an inscribed loving cup and a certificate entitling him to a life time membership in the Kiwanis Club.

Entertainment was provided by the special Kiwanis Quartet who sang two short, but delightful numbers.

The Faucet by Glen and Dan

The Golden Gloves Parade of Champions is being held tonight, and every Central student should be there to boost the Central fighters. Year after year Central fighters have dominated the team.

Plenty of Central leather-pushers have been participating in the four day meet. Some of these boys are well known in local fistic circles. Among them are Gene Hall, Kenneth Hudgins, Paul Greenberg, Darwin Kennedy, Jack Allison, and Dickie Clayton.

It has been fine to see good turnouts at recent basketball games. The Pounders and Purplettes, while not playing spectacular ball, have turned in consistent performances.

One of the more disparing notes in the recent games has been the conduct of the under classmen.

The sportsmanship of the seventh and eighth grades has not been up to par with that of a true Centralite.

Purplettes Win 50-27 Over Tyner, Rush

The Central Purplettes continued to play consistent ball as they downed Tyner in a recent game 50-27. Central's girls played a great game as the forwards had a torrid scoring pace. The game held Tyner to 27 points while those of these being scored by Tyner forward.

Betty Rush, playing her second great game, flipped in 21 to pace game as the Purplettes. Wanda Taylor racked 18 points, while Lorayne Woy scored 15. Juanita Simon starred on defense as she continually came up with the ball. Geraldine Lee and Ed Smith played good ball on defense for the Purplettes.

Toomey set a torrid pace as Tyner as she scored 20 points in 27 points. Teamon hit 5 three pointers, and Satterfield played 22 points. Tyner's Rains played outstanding defensive game.

Col. Bone, Capt. Miller Named Chairmen of Alert America Parade

Col. George A. Bone and Capt. Robert G. Miller of the Central ROTC have been named as chairmen of the parade in the civil defense "Alert America" convoy arrives in Chattanooga on February 29.

Ten big tractor-trailers will bring to this city one of the free exhibits prepared by the Valley Forge Foundation, one at a total cost of \$1,500,000.

The exhibits deal with modern warfare and are designed to drive home the importance of

defense organizations in the community. It will be set up in the National Guard Armory where the public will be urged to inspect them March 2 through March 4.

The R.O.T.C. unit of Central will also take part in the parade. Other schools participating will be Central, McCallie, and Chattanooga High School.

An invitation has been extended to Governor Gordon Browning to present and make a talk.

One of the exhibits will be a dramatic action-diorama of potential enemy sabotage, nerve gas and germ warfare.

The goals of the Alert America campaign are to inform and convince 100,000,000 American people of the grim realities of today's threat of Kremlin aggression; to inform men, women, and children of what they must do to protect themselves if war comes; to convince the general public that civil defense is every citizen's duty and to help civil defense authorities enlist some 150,000,000 persons as volunteers.

Scholarships Are Open To Central Students

Mr. W. P. Bales, head of the Literary Department and Chairman of the Scholarship Committee, will hold a meeting in his room, Wednesday, January 30, at the 11:00 a. m. hour, for the purpose of discussing college scholarships with seniors interested in various fields. He has announced scholarships. Mrs. H. B. Robinson, Mrs. Virginia M. Skates, and Miss Helen Cross are other members of this committee.

The following is some information about a few schools that are offering scholarships to high school graduates.

St. Louis University in St. Louis, Missouri, gives fifteen scholarships a year for students who are especially interested in writing or journalism.

Stetson University, in Florida, gives ten full scholarships to high school graduates skilled in art, science, or athletics.

A total of \$25,200 in scholarships is given to students wishing to attend Southern Technical Institute, located in Chamblee, Ga.

There are about eight scholarships given each year at Agnes Scott College for women. They are for their scholarship awards on aptitude and English test scores.

The Elks National foundation gives fifteen thousand dollars in scholarships each year. These are given and essays written with these scholarships.

"SELLING AS A CAREER," IS ESSAY SUBJECT

"Selling as a Career" is the title for an essay contest which is being sponsored by the Sales Executive Clubs, the Local, and National Sales Executives. The purpose of the contest is to encourage American youth to explore the importance of selling as a career.

The essay must be a thousand words or less and is open to all junior high and senior high students who wish to enter. All essays from the Chattanooga area must be in by February 20.

The essays will be judged on the basis of originality, thought content, sincerity, clarity, frankness, unity, and simplicity.

The national prize will be one thousand dollars with a free luxury trip to San Francisco, while the local prizes will be two hundred dollars, first prize; one hundred dollars, second prize; and fifty dollars, third prize.

In recent years Carolyn Milburn, who graduated in 1951, and Kenneth Barton, who graduated in 1949, were among the winners.

\$362.67 Contributed To March of Dimes

In a four day polo drive recently sponsored by the Anchor's Aweigh Club a total of \$362.67 was received.

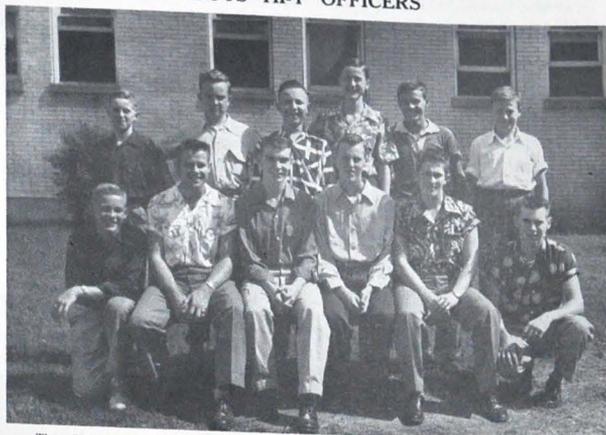

Mrs. Flenkinn's homeroom won the first prize with a total of \$39.26. Miss Cross's homeroom won the second with \$33.05, but since there was only a slight difference between the amount that her homeroom contributed and the first prize winner, both homerooms were given first prizes of \$5. These gifts were returned to the polo fund.

The money was collected every morning in the homerooms by the persistent members of the club. The homerooms with the largest amounts of money for the first two days each received a box of candy. These prizes were given to Mrs. Flenkinn's, Miss Cross's, and Mr. Field's homerooms.

Most of the students gave generously. In Miss Cross's homeroom some of the boys gave \$5 or more each. Mrs. Flenkinn's homeroom sponsored a cake sale for the purpose of raising money to donate to the cause.

Last year Hamilton County spent \$14,539.55 for infantile paralysis. Carolyn Thomas, Central's own head majorette received aid from this fund.

WHAT IS A TEACHER

When pupils come to school they expect their teachers to be there every day on time, to have a perfectly prepared lesson, and to be smiling regardless of the circumstances. Do lesson, and to be smiling regardless of the circumstances. Do lesson, and to be smiling regardless of the circumstances. Do lesson, and to be smiling regardless of the circumstances.

Teachers, however, are not mercenary. They are real people with real emotions, and real likes and dislikes. If accepted they will be good friends to those under their supervision.

Teachers are not dictators who only issue orders, but they are public servants who have a love for youth and who make them willing to work under the trying disadvantages of the teaching profession.

Boys and girls often receive assignments that seem hard and they think their teachers are terrible and intend only to make school take up all their time, but they fail to look any deeper than their own inconveniences. A teacher who is not worthy of his profession would do nothing that was not directed toward helping the student.

QUALIFICATIONS FOR HONORS

What is your attitude toward your friends when they are selected for an outstanding honor? Do you disregard them and their honor? Do you purposely establish an antagonistic feeling toward them? Do you remain calm, or do you show your feelings by an unfriendly and unsociable attitude if you are not selected to share the honor?

All through life we may expect to find circumstances under which we cannot always be pleased. Only we know us, and we should not take advantage of others who are not as fortunate as we. All people who are exalted do not deserve it and others who are overlooked may be better in all characteristics.

It is up to the student body to select its leaders. These leaders should be qualified to represent the school, their country, and their God. This is why that it is important for you to think about yourself—your ability to lead, your attitude toward others, and your social and scholastic standing—before you make your first opinions known to others. This careful preparation may save you several friends and cause many more people to like you.

Wanted to Rent: One Rat's Home

You know, I lead a rat's life. I moved to Central about 6 or 7 months ago hoping to find peace and quiet. Well, at first that's what I got as time marched on things really began to change. In September, I guess as I can't read too well and thus it's hard to read the name of the month on the calendar. One morning I was waked by hooping, hollering and the tramping of feet. My home was locked but always from pleasant books and the like in and cluttered up my home. If you were me what would you do? This was the question that confronted me about five months ago and still does. Could you help a poor little mouse solve his problem—Please.

A Visit To Candy Land

Have you ever been to Candy Land? If you have, you would more than likely never eat another piece of candy. While getting ads for the Champion, a visit was made to the Brock Candy Co. by Dot Wessel, Patty Cobble, Barbara Dutton, and Emily Fortson. It was very interesting to go from floor to floor catching different flavor of candy on every floor. Mr. Horton Corwin, superintendent of the Candy Department, served as guide through the building. The journey began on the fifth floor where the filling of a Brock Bar is made; the fourth floor is where the peanuts are roasted and then inspected and sent to a lower floor. The laboratory was the most interesting. (Did you know that one ounce of flavoring is put into 900 pounds of candy?) Then came the X-ray department. The candy passes thru an x-ray machine and is inspected for any foreign matter like grit or wood.

The first floor is the shipping department which ended the interesting visit to Candyland—Dot Wessel

Where Are the Fish?

- 1 medium size fish bowl
2 lumps of coal
1/2 cup of salt
1 cup of water
2 drops of blue and red ink

No, this isn't a lesson in chemistry; it's merely an attempt to beautify a school room. The salt is mixed with the water to form a beautiful blue color. This is placed on the bowl which is in the fish bowl. A small amount of water is also in the bowl. The ink is dropped on the small mounds of salt-blue on one side and red on the other.

This, we are told by Wilma Taylor, who introduced the idea here, will produce a beautiful array of colors on the sides of the bowl. If you hear cries of "Don't touch it!" sounding from Miss Walker's room, don't be alarmed, it's only her anxious homeroom protecting the "fish bowl" from the eager hands of other students and visitors.

The Lion's Roar

She was an old-fashioned girl and insisted that he ask her father for her hand before she would consent to marry him. He boldly ventured into the lion's den and told her father rather bluntly that he wanted to marry Kathleen. "Well, well," said papa, shifting his weight slightly in his chair, "and what do you do for a living, young man?" "I'm an actor, sir," he replied proudly. Her father shifted his entire weight to the balls of his feet as he suggested emphatically, "Then hurry up and get out before the foot lights."—Selected.

Wayne Malstrom, Cadet of Civil Air Patrol, Relates Its Importance

"Too few people are acquainted with the Civil Air Patrol and its work in Chattanooga," said Wayne Malstrom who is an active cadet. Malstrom who is an active cadet, and firmly believes in its value. The organization meets every Tuesday night in the pilots lounge of the Flyers Club. There are usually about 20 to 25 present. Col. Ernest Holmes is squadron commander. This is a squadron of the state of Tennessee which is a wing of the National Civil Air Patrol.

The squadron is in the process of having a cadet recruiting program under which it will invite boys and girls from the ages of 13 to 18 who are interested in all branches of aviation to join.

The purpose of the Civil Air Force is to train cadets in flight rescue missions and if necessary to search for lost air force. Each year there is an attempt to acquaint cadets with force life. They eat air force and follow the regular air force routine. They are taught to range with air force or army personnel weapons.

Wayne has attended to these encampments and feels were well worth while. The no compensation for one's experience.—M. H.

CORKY'S CORNER . . . BY CORKY JOHNSON

One of the recent Jo Stafford recordings, "Detour, There's a Muddy Road Ahead", might well have been the theme song of a group of Centralites, called the Silhouettes, who entertained their dates and other guests with a ham-fryer fry at the Everhart farm recently. The reason for the need of this song that night was everyone who was not at the party by some odd way got stuck in the mud.

Later in the week the Pounders went down to defeat at the hands of Murray County. In last game played at Chatsworth, Georgia, Central went down by a score of 87-52.

Bradley Girls Win By 1 Point Over Central

The outlook was bright in the first half of the game between the Central Purplettes and Bradley when Central got off to an early lead. Though the margin was small, the Purplettes held on firmly. At the end of the first period the score was 8-7. Betty Rush talked her first for Central while the first score for Bradley came by number 16 on a foul shot. The first half ended with Central leading 20-17.

The last half went faster with Central tying the score over and over. Each time Bradley pulled to the lead Central filled the gap. The tying of scores began at the end of the third period with a score of 28-28. In the last period with the crowd screaming, the score was tied with only four minutes left to play; Bradley pulled away and won 48-42.

With 18 to her credit Betty Rush made the highest number of points for Central.

PARADE OF POUNDERS

Leading the Central quintet through a consistent, though not spectacular, basketball season is Captain Frank Igou.

Igou is one of the best scrappers that these eyes have ever seen. Igou is a consistent rebound man on both backboards although he is not too tall. Igou is a talented, charge sort of ball player. He is a leader that inspires his men by his own actions.

Igou came to Central from Lookout Jr. High. Frank is playing his second year on the Central varsity. He was first string end on the State Champion football team. This was an accomplishment as Igou made first string in his last year. Igou is a member of the "C" club and is an officer in the R.O.T.C.

Another consistent performer for the Pounders has been Paul Kinser. Kinser is a rangy center who is playing his first year on the varsity. Kinser has steadily improved as the season has progressed.

The Fau... by Glen and I

In the final outcome of the recent Golden Gloves many fans were heart-broken as the participants and officials of the decisions made thought that without a school coach, to protest, decisions go to the schools that did not school-hired coach, especially long standing, rival school.

Monday night was the ring of these difference-of-decisions. Victims of the division against Central were: Clifford Meyer, Sh. Anderson, and 'Rough' Martin. These boys, in opinion, most fans in the auditorium, easily but the fights were to their opponents.

Tuesday night the pace continued with more questionable decisions as Walter Mooney, and Wright were involved in a sea, which found two other boys another by-gone rivalry get the decisions.

Wednesday and Thursday night the pace came to a complete standstill as the fights were called fair in our opinion.

The conduct of the different schools' representatives was usually good.

Five Central girls attending the ceremonies at U.C. Tuesday, February 5 in which thirty-four student nurses from Erlanger received their Basic Science Certificates, were Barbara Bell, Beverly Grayson, Joann Hunter, Dorothy Rich and Blythe Wood. These nurses had completed six months of pre-clinical science courses at the University of Chattanooga.

All senior girls interested in nursing were invited. Speakers for the affair were: Miss Eleanor McGilliard, chairman of the U.C. nursing program; Dean Maxwell Smith, Dr. David A. Lockmiller, President of U.C.; Miss Beatrice McGavin, director of nursing at Erlanger; Dean Dorothy Woodsworth, dean of students; and Dr. Branton, Supt. of Erlanger Hospital.

Following the ceremonies the guests went to the Student Commons for a social hour and reception with the nurses.

City-Wide Interschool Leadership Council Meeting Held at Central

Central was the host for the city-wide Interschool Leadership Council meeting which was held in the library at the sixth and seventh periods, Tuesday, February 5. The schools which were represented in this organization are: Central, McCallie, Baylor, Chattanooga High, Red Bank, Hixson, Soddy-Daisy, Girls' Preparatory, Tyner, Ooltewah, Sale Creek, Notre Dame, and Birchwood.

The officers of this city-wide council are: president, Jimmy Hudlow from McCallie;

vice-president, Forrest Cate from Baylor; secretary, Doris DeShay from Tyner; and treasurer, Arlene Hillis from Central.

Jim Doughdrill from McCallie led in prayer after the president had called the meeting to order. For the program a panel discussion on "Safe Driving" was carried on by members of the Youth Center and Lt. York of the Highway Patrol and Sgt. Taylor of the Drivers' License Bureau. This program had been given over the radio by these same members.

When the representatives from the various schools finished their questioning, the entire group was asked to take part. Sgt. York stated that teen age girls are safer drivers than teen age boys. At the close of the meeting it was decided that the next city-wide meeting would be as G.P.S.

Following the meeting, cookies and cokes were served while the representatives from each school became better acquainted.

Barbara Bell Wins In Essay Contest

Barbara Jewell Bell, senior, won first place at Central in the essay contest sponsored by the Woman's Auxiliary of the Tennessee State Medical Association.

The subject of the essay was "My Privileges In and Responsibilities To A Free Country." The contestant's own original definition of "A Free Country" was to be included in the essay. Second and third places were won by Betty Smith and Mabel McCravy.

Any student of a public, private, or parochial school in Tennessee, white or colored, including the homebound on hospitalized, was eligible to enter the contest.

The winning essays at Central will be sent to the local organization for judging and the winners there will be sent for judging in the statewide contest.

Master Sergeant R. L. Willmore Is Called to Army Reserve Commission

Master Sergeant R. L. Willmore, who is an instructor of Military Science and Tactics at Central, is to be called into active service soon on an Army Reserve Commission. He is being promoted to the rank of 1st Lieutenant.

Sergeant Willmore was born in Dalton City, Illinois, and received his formal education at Decatur High School. When asked why he made the Army his career, he replied, "I guess it was because I came from an Army family." Both his father and his grandfather were professional military officers.

Sergeant Willmore has had wide variety in his Army service. Following a period of service in Panama, he came back to the

states for a short term of duty and to attend the Officer Candidate School. Before being sent to England, he served for a time as Cargo Security Officer. This office sent him to such places as Africa and Italy on ships carrying supplies to American troops.

He was transferred from England to France where he served as a Stevedore Officer at Omaha Beach, where he was in charge of the crews who unloaded supplies. He was later placed in Command of a Prisoners of War Camp where there were about 3,000 prisoners.

Sergeant Willmore's assignments have taken him three fourths the way around the world and back to his present post at Central.

Miss Virginia Keegan, a navy civilian representative, gave a talk to the commercial classes, Tuesday February 5, at the third period.

She said that the Navy Department is extremely in need of stenographers and typists, to work as civilians in its headquarters in Washington, D. C.

The salaries are paid according to how well the requirements are met, but all accepted are paid well. Typing at forty words a minute and being able to take dictation in shorthand at eighty words per minute are required.

WHY WE CELEBRATE VALENTINE DAY

Today, St. Valentine's Day, we find a new year well under way. Sometimes we wonder if this modern age has not taken the meaning from our days of celebration. Unless we prevent it, those who come after us will never know about the customs of Valentine's Day or the other occasions that we celebrate.

On Valentine's Day of our time, it has been the custom to exchange Valentines or words of friendship. In the past in England and Scotland, Valentine's Day was marked by the giving of presents and by a young bachelor or maid receiving a mate. This probably came about through the notion of Chaucer and Shakespeare that birds first choose their mates on this day. Today, there is no special occasion whatsoever in celebrating a holiday or a special occasion except in undignified ways. We can celebrate and have a good time, too, if we conduct ourselves in the proper manner which is fitting for the occasion.

The world is what we make it, so let's challenge ourselves to revive the thoughtfulness, friendship, and love of St. Valentine's Day and all other special days, and preserve them for the coming generations. C. S.

ONE FINAL PLEA

Several efforts previous to this have been made to prevent students from littering in the Central corridors with ice cream cups and sandwich wrappers. Recently in a speech to the student body in chapel, Mr. Millsaps offered an ultimatum—either the corridors would be kept clean, or else the selling of ice cream would be stopped. Also the sandwiches would be eaten in the cafeteria only.

Should all of us be deprived of the benefits of these sales because of a few who will not do as they are asked? The profits which are made from the selling of ice cream are put back into the financing of the school. Many of the things that add to our comfort and to the appearance of our school come about as a result of this money. The next time you drop paper on the floor, stop to think of this.

It is such a simple thing to drop your papers or cups into the containers that are conveniently placed for this purpose.

One senior boy was seen picking up paper that some less conscientious person had dropped on the floor. This boy's action was brought to the attention of the entire school. If more of us were to follow his example, we would have a thoroughly clean school of which we all could be proud. G. W.

Teachers Bow to Cupid's Bows

Although the Hootin Holler Hoe Down is past, little did "Red" Foley" Etter and "Junie Bell" Barton realize all the romance they started right on the eve of Valentine.

Ed Brown, the fellow who drives the Buick, weeks ago bought his Valentine for Ethel York, but now that irresistible Blonde Bobby Hodges enters the picture. He will have to buy another.

Sam (Pretty Boy) Stoner says that at the Hoe Down cute little Bonnie danced away with his heart.

"Glorious Gordon" Atchley is in a quandry. He knows that sending a Valentine to "Susie Q" would not be nice, as Her Joe might object, but little Eva Taylor would be tickled to receive one all done up in hearts and lace.

Arlie Hoodenry, the country square dancer from the city, has decided to keep all the girls guessing until February 14.

Easel Items

The one class that is always busy on creative work is the art department. There is one room where there is always something interesting to see.

Oil paintings are always on display around the room. Some of the paintings that may be seen now are Raymond Ling's still life of shell on a burlap sack done in white, browns, pastel colors and green. There's June Sullivan's still life of two vases and plants done in brown, green, and yellow. Stanley Schmitt has just finished a landscape of the Market Street Bridge. Lorraine Woy painted a still life of a vase in front of a copper tray. Starr Vance did a self portrait. Carolyn Barnes painted a still life of two china ducks in front of bright colored drapes and Peggy Tucker a still life of a vase of jonquils, done in lavender, brown, green, and yellow.

Cupid's - - - Arrows

Cupid, with his bow and arrow has been shooting around Central recently. To the amazement of people he hit his target more than on one occasion. It is you what I mean. I'll mention a few who are sure of their intentions because they have had their boy's heart and his love Norma Wilson is one of those fortunate ones along with Marie and Dottie Robinson, and his favorite possession is his "C" favorite. "I'll Me Why" is "Mo fifth, Dottie Robinson, and his favorite possession is his "C" heart stings of Billie Ann Cole with a diamond. Of course she is a large group who are sure of their Valentines because they are into the "going steady" while still others are not sure of their Valentines even though she is doing his best to get around. Of course this is last year's girls, don't give up!

Whoopie! Leap Year Girls, its time to get to work since the Leap Year season is officially open. "What's the chance to try to catch?" In a census it shows that there are less men than women used to be. The boys have been spending every available moment to shy away from romantic proposals for the next few months. One male hold out says, "The real leap year the girls are a little more openly expressive. I'd like to see a 1288 a Scottish lass made me a little more properly for a "Romance". Her favorite song is "Ladies of both high and low estate to bespeke ye man she heard during leap year. The average bachelor indicates that he is flattered at the thought of a girl proposing to him, yet some of them're in the mood to get away from their just waiting for a right girl to ask them. Here's your chance girls!

Ushers Club Headed By Bob Swafford

The recently elected officers of the boy's ushers club are Bob Swafford, president; Gordon Peters, vice-president; Paul Greenburg, secretary; and Ronald Ferris, treasurer. Mr. Kenneth John is the sponsor of the club which meets on Tuesday at the chapel period.

Members of the club see most of the performances at the Memorial Auditorium and receive compensation for their work. Last week thirty-six ushers from Central worked at Holiday on Ice for five nights.

The club is open to sophomores, juniors, and seniors. New members are welcome and will be accepted if they leave their name with Mr. John in room 311.

PARADE OF POUNDERS

The following goes to show that being associated with Central Sports one can achieve wide recognition. Walter Ponder, has achieved fame with his football figures minutely drawn to scale, and matching color, for use in showing gridders a scouting report on a foe. Pundinger, spent much time on making these miniature players for Central coaches to use and gave Coach Etter a replica of a scoring play in the Central-Kingsport game at the football banquet.

The Washington Redskins have learned of Walter's talent and have asked him to get in touch with them about doing similar work for them.

The small model given to Coach Etter required approximately 26 hours of labor to complete. It was exact to even the smallest detail, in color, size, and numbers on the players, which showed a pass play from Pack to Igou for a touch-down.

Pierre V. Andreae Appears in Movie

Pierre V. Andreae, Central graduate of 1946, appeared in a recent movie, "Four In a Jeep" at the Park Theatre.

Pierre is studying in Switzerland and received a role as an extra when the movie was filmed there. He appeared in a cafe scene drinking a cup of coffee.

While at Central Pierre was a member of the Announcers' Club, Grady Literary Society, Senate, Science Club, Honor Society, and the Chemistry Club.

Pounders Lose to Rossville By 57-42, and to Jasper 50-34

Seniors on Gym Staff Choose Little Sisters

The seniors on this year's Gym Staff have chosen their "Little Sisters", prospective members of the staff who will take their place next year. The seniors and their little sisters are: Peggy Thornberry, Carolyn Lowrey; Peggy Sells, Elizabeth Duncan; Peggy Watkins, Nancy Delay; Imogene Pedigo, Martha Lesper; Doris Castle, Diana Campbell; Dottie Waterhouse, Billie Smart; and Bobby Nell Kolyck, Aline Hilton. Thursday, February 14, at Beatha's, the annual Staff Sweetheart Banquet will be held. This is when the "Little Sisters" are properly pledged and when last year's "Sweetheart", Barbara Drinnon, will announce this year's "Sweetheart."

The first Staff Sweetheart, the former Miss Georgetown Short, now Mrs. Bill Edwards of Valley Head, Alabama, has a "sweetheart" of her own born January 27. This makes two sweethearts for this year's staff.

stomped by the Rossville Bulldogs by a score of 57-42.

Rosville showed a well-balanced attack with all players sharing in the scoring. Reed McCroskey racked up 19 points to lead Coach Glen Wade's Bulldogs. Center Pete Day, in addition to playing a great rebound game, racked 14 points. Frank Igou hit 13 points for the "flu-riddled" Pounders. Bill Goodner and Paul Potter hit for 9 points each.

With only five players dressing, the Pounders went down before a vastly inferior Marion County team at Jasper. The Pounders were swamped 50-34. Central's "iron men" went down to an "iron five" from Jasper.

Bill Goodner led Central with 14 points. Herb Sullivan racked up 10 for the Pounders. Paul Kinser scored.

Ken Thompson starred for the winners as he garnered high point honors with 15 points. Don McNabb, who performed on Central's American Legion Champion baseball team last summer, outshined 14 points through the hoops for Jasper. Ed Cash made 11, with seven coming on free throws.

The Pounders meet the Red Bank Lions today at 1 P.M. in a District 9 tussle. They go against the Rossville Bulldogs tomorrow night at 7:00 in the Rossville gym.

Central Is Squad Champion of Golden Gloves Tournament

In the recent Golden Gloves meet the Pounders should have been awarded the over-all squad championship of the tournament. Central's claim was upheld by Bob Wilhite, director of the tournament.

The first tabulation found City High winner of the squad championship with 26 points, while Central was second with 18. The first tabulation, however, was not in accordance with the rules set by coaches and officials before the tournament. Points were figured on fights alone and didn't include undisputed champions. During the tabulation of points this agreement was overlooked in the rush.

Ken Hudgins, coach of the Central boxing team led the protest and after Wilhite conferred with Henry, City boxing coach, and other coaches of the schools participating, along with Frye officials the claim to the over-all trophy was upheld.

Central is the over-all squad champ with 34 points with City the runner up with 27 points.

WHY AMERICA SHOULD BE THANKFUL

As one looks back through the years and recalls the events which have taken place in February, he cannot help feeling a surge of patriotism and appreciation for the freedom which Americans enjoy.

Last week on the twelfth, citizens were drawn to memories of "Honest Abe" Lincoln and all of the things he stood for.

Abraham Lincoln is America's outstanding example of a self-made man. He was deprived even of what we consider bare necessities of life, but he had America!

Lincoln did not have the opportunity of every hour that was action; however, he spent in studying every hour that was not taken up with hard physical labor to escape starvation. He would walk for many miles to borrow books and read them with a pine knot as his only light. In his youth when asked his life's ambition he said that he would be President of the United States.

Lincoln realized this goal and is known as one of America's greatest leaders. He led his country through one of the most critical times in its history—the Civil War.

Tomorrow will mark another birthday of the father of our country. Yes, it was George Washington who as President helped the free United States get its start as a democracy after fighting in the battles when America was striving for independence from England. He saw the beginning and now Americans are reaping the harvest from the seeds sown by him and others like him.

EACH SPOKE HELPS MAKE THE WHEEL

There are many phases of the life of a great high school like Central. There are many people involved and all must work together like the parts of a great machine if in any way there is a desirable situation. There are the students and faculty, the office group, the cafeteria workers and last but not least the janitors and night watchman.

Sometimes students might be inclined to think little of the work of the janitors and yet how important it is to have a good janitor force, such as we have at Central, who are always on the job trying to keep the building comfortable, clean, and in order for those who come here. Little do we think of the effort that has gone into the comforts we enjoy from their services. We come into the building on a cold morning and find the hall and rooms clean, warm, and comfortable. This situation has been brought about by efforts made in late hours after school or in early hours of the morning while many of us slept.

Students could do much to help the janitors by keeping halls and class rooms clean and by seeing that seats remain as they should in the class rooms.

Are People Really As Idle as This?

Most of our time is spent in idleness with no work. The following figures prove it.

Every year has 365 days. If we sleep 8 hours a day it equals 122, leaving 243 days. Three weeks and one day holiday vacation; Christmas, Thanksgiving and Easter leave 221 days. There are 52 Sundays and 52 Saturdays leaving 147 days. We take 1/2 hour a day for lunch equals 17, leaving 100 days. Three months seven days summer vacation equals 99, leaving 1 day. This one day is Labor Day when no one works, and so we have left for work 0 days.

It's so—M. J.

Only a Dream!

Monday, February 11, was a normal day for most Centralites; we left school at the usual time and got home as usual. The average student went right to his studies. (?)

About five-thirty the paper came, I interrupted my studies to go through a few adventures with "Lil Abner and Smilin' Jack. As I read I saw on the front page, "Officials may close schools because of flu."

I went back and continued very hopeful of what tomorrow would bring. My English homework seemed to drift away into a chapel program. The announcements were being made, Mr. Millsaps said, "Due to the spread of contagious disease, school is dismissed until Monday."

As I was making my plans, as most other students, for my hollid- day I was abruptly pulled back from my trip by the yell, "Wake up and finish your homework." Too bad, only a dream.

A Look Into a Senior's Future Reveals Incomparable Excitement and

If a senior could look into the future, the rest of his school year would be something like this. Coming up very soon will be senior day. This is the time when the boys and girls will observe their first senior function. The shirts will wear freshly starched white and gay ties, the girls, lovely dresses or suits, high heel shoes, and hose, and if they are some of the fortunate few who have thought-beaus or fathers, will also be sporting a pretty corsage.

This is also the day when Mr. and Miss Central will be crowned from the candidates chosen by the student body.

Johnson, a former Central art student, on exhibition an abstract painting, "The National Federation," chose the paintings and was in charge of the circulation of the purpose of the exhibition, to show people who are interested in the kind of work done in all parts of the United States.

All types of painting were exhibited, including: complete abstractions, purely naturalistic paintings, and transparent wash colors.

Who's Who

When our girl of the week is a cute black-haired senior, Patty Cobble was came to Central from Richmond, Va. in her junior year. Patty is usually seen talking and laughing around the rotunda. Her pet possession is: "letter received for Honor Society;" favorite song: "A Kiss to Build a Dream On!;" favorite food: quail; pet peeve: same routine of "no letters!;" nickname: "Fatty" (mistaken for Patty). Her clubs are: Shove Offs, Hi-Y, Honor Society, I.L.C. and Ushers. Patty's ambition is to marry the right one and be happy. Her ideal boy is of medium height, brown hair and blue eyes.

Our boy of the week is Glenn Copeland, a senior. Glenn is usually seen with a gang of boys around the radiator near the rotunda. His pet peeve is a girl who goes steady, and he seems to enjoy talking on the phone all the time. His favorite song is "Rock City Boogie!;" favorite food, little green worms (how cruel can he be?); most precious possession, his class ring; and his favorite expression is, "Son of a Gun." Since Glenn has come to Central from Dickinson he has become a member of the Digest Staff, Hi-Y, Senate, Key Club, Allied Youth, Officers Club, and Disc and Diamond Society.

Cheerleaders Attend Banquet February 13

The annual Banquet of the Central High Cheerleaders was held on Wednesday, February 13, at 5 o'clock at Fehn's Restaurant in North Chattanooga.

Those cheerleaders attending were: Pat Williams, Ed Cornes, Frank Fuller, Dot Wood, Don Erwin, Jo Ann Gamble, Vannie Fry, Jane Wilson, Joy Mosteller, and Mr. and Mrs. J. E. Hammaek, chaperones.

The theme of the banquet was food, fun, and gab. From all this reporter can glean from the cheerleaders, the food took first place on the list. A few of the braver souls consumed flaming sundaes. These were made with sugar set on fire on top of the sundaes when they were brought in. The others consumed plain sundaes, that is, without the flame on top. Fun and gab took second and third places.

Miss Hubbard Chooses Girls to Receive P.E.'s

The Gym classes of Miss Sarah Hubbard have finished their third tournament. Three hundred and thirty-eight girls have made at least one or more class teams. If the girls make three teams they are given their P.E., which is a physical education monogram for playing in three out of all the classes have made their physical education award. The girls have played in the tournaments of bat ball, newcomb, and soccer.

There will be three more games for all the girls who wish to make their P.E.

Parade of - - - Purplettes

Featured in the Purple limelight this week are Betty Rush and Peggy Sells, senior forwards, who have helped account for many purple victories this year.

Betty's regular scoring and outstanding floor play have continually sparked the girls team for the last three years. One of her best performances of the year occurred during the Bradley game when she scored twenty points. Betty is adept at every form of shot and can hit from anywhere on the floor.

Betty is also a member of the Girl's C Club.

Peggy is now playing her second year on the Purplette team and has proved one of the most staunch substitutes they have ever had. Peg is always ready to lend a hand with her precision hook shot and smoking passes. Her rebounding and floor play has helped the team a great deal.

Peg is also vice-president of the Silhouette Club and a member of the gym staff and the Girl's C Club.

Hall Captures Southern Golden Gloves Championship at Nashville

Chattanooga's representation in the Southern Golden Gloves meet which was composed of Gene Hall, Jack Allison, Ken Hudgins, Ralph Cresswell, Leroy Duchene, and Mickey Neville, didn't fare too well at Nashville.

Only two of the six participants captured Southern Championships. These two, Hall and Duchene, represented Central and City so far as the schools were concerned.

Nine New Members Added to Ace Club

Nine members have recently been added to the Ace Club. The Ace Club is made up of the girls who have made their class team and also the color team. When they make these two teams, they are chosen for the varsity team. The new members made the varsity team by being selected as best from the soccer tournaments that recently took place in the girl's gym classes. The new members of the Ace Club are Jean Runyan, Bertha Bell, Jimmie Lee Smith, Stella Miller, Marilyn May, Shirley Holmes, Rosale Burrows, Pat Williams, and Martha Burrows. Officers of the Ace Club are: president, Charlotte Stailey, vice-president, Dotty Waterhouse, and secretary-treasurer, Peggy Thornberry.

The Faucet by Glen and Dan

Central boxing fans will always recall a boy who could well be named the hard-luck fighter. This is what many people think of as Allison.

Jack, after winning the 118 pound Golden Gloves Championship in Chattanooga, proceeded to Nashville with the Golden Gloves, and was handed a defeat, not in the ring, for he won easily; but defeat administered by the officials in a decision which should have given Allison the nod.

This isn't Allison's first setback, for last year also when Jack, the hard-luck boxer came out on the short end of raw deal.

Could it be that officials fail to realize that a boy is heartbroken enough when he loses fair and square, without having to give the decision to the other boy and make the real winner feel even worse, knowing that he really won.

Mr. J. P. Dyer's Social Science Classes Receive Freedom Foundation Awards

Central was signally honored through the Social Science Classes taught by Mr. J. P. Dyer in an announcement by the Freedom Foundation of Valley Forge, Pa. as one of fifty schools of the nation winning awards in a recent contest for an outstanding American program.

The extensive awards which Central will receive include an all expense trip to Valley Forge, May 1-4, for the teacher and a student, a "Freedom Lib-

rary" of motion pictures, books, recordings, and pictures on patriotic subjects.

The award came as a result of work done in Mr. Dyer's classes over a period of about a month last November when special study was made of American history and freedom. At this time the students wrote essays on freedom, studied historical documents, visited libraries and interviewed local people on this subject.

Mr. Brainerd Cooper, editor of the News-Free-Press and husband of Mrs. Cooper, Central school trustee, was a second place winner in this same contest for an editorial which he wrote in reply to an inquiry of a Central student.

For his editorial "You Already Have Freedom—Keep It", Mr. Cooper will receive a \$200.00 cash award. Other award winners include Senator Estes Kefauver and Chairman Douglas McArthur.

When Mr. Dyer and the student, whose has not yet been named, go to Valley Forge, May 1-4, they will visit national shrines and participate in radio and television programs.

U.C. Glee Club to Entertain Today

The University of Chattanooga Glee Club, under the direction of Mr. E. D. Bushworth, will present the assembly program today at 8 p.m.

The Glee Club and director have been to Central in recent years. Mr. Bushworth is in charge of the U.C. Glee Club, Band, and is also director of Public Music.

Central is one of the high schools of the city where the Glee Club is presenting programs.

Miss Rachel McAllister Holds Record As Chattanooga's First Bible Teacher

Chattanooga was recently awarded a silver certificate for being one of the few cities which have had Bible taught in the public schools for the past thirty years. Mr. Large of the Y.M.C.A., who went to St. Louis to accept the certificate, was asked to do so by Mr. Park McAllister, chairman of the Bible Committee.

Among the Bible teachers in the Chattanooga schools is Miss Rachel McAllister of Central, who holds the record of being the first Bible teacher in Chattanooga. Miss McAllister became interested in teaching Bible one summer when she was helping Dr. McCallie with summer work at McCallie School. Miss McAllister received her

Central Is Scene Of Key Club Convention

About one-hundred Key Clubbers from Red Bank, City, Tyner, Kirkman, and Central attended the Chattanooga District Convention at Central on Friday, February 22. The meetings began at 9:00 a.m. and continued till 3:30 p.m. Students from Crossville and Spring City were unable to attend.

One of the main purposes of the meeting was to elect a new Lieutenant Governor for the district. Andy Walters of City was elected. The entertainment for the group was supplied by talented members and some non-members. INCREASE YOUR CLUB ATTENDANCE

It has been brought to the attention of the club sponsors and some of the members that the attendance of all club meetings has declined greatly since last year. It is apparent that our chapel programs have grown so popular that we are the ones who are responsible for making them exist, and it should remain our responsibility to keep up the attendance.

Do you remember how proud you were the day you received your letter of invitation from your favorite club? My, how you swelled with pride and told your friends about it! But all of this is different now. Is it the clubs that have changed in the course of time, or is it you?

We are indeed fortunate to live under conditions by which we can organize clubs and supervise them for our benefit. We do not stop to think about such activities in other countries. It would be hard to find another country which would permit these organizations to be in their schools. The majority of our meetings are held during the school hours, and since a special time is set aside for them, the least we can do is to attend them regularly. If we do not protect this privilege now, we may not have it in the future.

WHAT WILL THE TINY BUDS SEE

Although spring will not officially arrive until next month, many signs of its coming have already been noted. Green grass is sprouting up in the yards; tiny buds are sticking their heads out to see what the old world looks like this year.

What will they think of the world in comparison to last year? Will they think that the people who live here have made it a better place for them to spend their short life of one summer.

Perhaps they will think that if they had the chance to live as long as we, they could have our country in much better condition.

The little buds learn a lot, even though they have such short lives to learn. Their schooling is what they see around them. All that they know is what we, the people say and do. If at times we act as a tribe of uncivilized people, they get the idea that is what we are.

It is up to us to try to make the world a better place in which to live. What can high school students do about this? We can learn now what is right and what is wrong and, then in later life, when we are the ones to run our country, we can see that it is run as it should be.—G. W.

About People

Miss Frances Tierman of the Social Science Department has returned to school after having suffered a broken ankle.

Peggy Kialer, Miss Central of 1951, was one of the initiates of the Pi Beta Phi sorority honored recently at a banquet at the University of Chattanooga.

Mr. W. H. Millaps has returned from Cincinnati where he attended a meeting of Secondary School Principals.

Miss Anne Moffitt is back in school after a recent illness. During her absence Mrs. Macdonald conducted her classes.

R. H. "Bobby" Duncan, graduate of 1950, has entered the Air Force Officer's Candidate School in New York to study jet flying.

Joyce Howard, alumna of 1950, went to Nashville to attend a meeting of the Tennessee Student Nurses' Council of which she is vice-president.

Gene Baskette, who was an alumnus of 1947 and played in the swing band, now plays with the Army Band in Camp Stewart, Georgia.

'Glamour Boy' Suffers Leap Year Practices

In most play practices many amusing incidents occur. This year's Junior Play, entitled "Glamour Boy," is no exception. Shirley Lord and Jerry Payne provide much amusement during these practices. In the play Jerry portrays a bashful beau for Shirley.

But Shirley is by no means a bashful sweetheart. Shirley looks up so adoringly into Jerry's handsome face. The other day Jerry asked Mrs. Flennikien, the director, if he had to look at Shirley when she looked at him so "mushy." To escape Shirley's loving looks and arms, Jerry backed up and fell over a chair.

This and other similar happenings lead this reporter to think that you will miss the best Junior Play in ten years if you don't see "Glamour Boy" on Friday night, March 7.

Easel Items

Item 1: The stage and poster committees for the Junior Play, "Glamour Boy," have started making preparations for the scenery and advertising. The stage designers are: Peggy Tucker, Stanley Schmit, Patsy Battle, Marilyn Rice, and Jo Campbell. The ones designing the posters are: Hubert Pickett, Mickey Breaker, Edwin Jones, Wendell Stansberry and Theodore Griffin.

Item 2: Miss Derryberry was recently asked to be a member of the Board of Art Association.

Item 3: Mirrors are of great demand to be used for self portraits. If you think you know what you look like, try to draw yourself sometime. Some of the students making self-portraits are Geneva Parker, Mary Templeton, Jack Odell, Shirley Wall, Shirley Kivett, Christina Stegall, Shirley McElhany, Sherwin Anderson, and David Mason. They have found drawing a self-portrait isn't as easy as it looks.

The Song of a Biology Student

Mr. Torrey is my biology teacher I shall not pass; He maketh me to show my ignorance before the whole class. He leadeth me beside the door. He kicketh me out.

Yea, tho' I walk through the valley of the shadow of knowledge, I learn not, for he is with me. His rod and his staff they scare me.

He prepared a lot of projects before me. In the presence of my classmates. He appointed my head with homework.

My eyes runneth over. Surely insects and protozoa shall follow me. All the days of my life and I shall dwell in the bug house forever.

Book Review

"The Ivy Years" by Earl Myers has its setting on the campus of Rutgers College about 1945, as Jeremy enters as a freshman. He is sensitive about a slight physical defect which may keep him from a career in journalism.

Jeremy is easily discouraged, but Professor Silvers, two fellow student's deaths, and a girl's love help him overcome his inferiority complex; by graduation he is no longer a boy, but a Man.

"Ivy Years" deals more seriously with college life than most other books of this type. It is lightened with humor.

Captain Robert G. Miller, Central R.O.T.C. Instructor, Finds Army Career Interesting

The Army as a career has proved to be interesting and well rounded for Captain Robert G. Miller, who is now an Instructor of Military Science and Tactics at Central. Captain Miller was transferred to the Central R.O.T.C. Department from Chattanooga High on January 7.

Captain Miller entered the army in 1941 and was sent to Panama after being stationed briefly in Mississippi. In 1942 he was given a commission as a Second Lieutenant. Following this he served in Africa, Corsica, and Italy. After World War II ended Captain Miller came back to the States for a period of about one year. He was again sent to Italy, this time for three years. Of the many countries he has visited Captain Miller says that

What? A Dateless Girl at Central

Some of our boys at Central are being caught dateless. Did I say boys—I mean girls. Even though it is leap year, come on boys, this is all right if you ask a girl a date. She'll go!

I thought Spring was the first day of spring will roll around. There comes the time for new romances, new love, new friends and everything. The warm weather is encouraging the thought of romance, but what is romance?

"Love is a feeling you get when you feel a feeling you never felt before." It's that feeling you have when you don't eat but can't seem to catch up on your sleep. It's been rumored that there was one of our girls are having trouble with two or three boys (How is that possible?) Let's not be affected by Share and share so all of our girls won't be going around dateless, especially, when there are so many boys here at school.

The Faucet by Glen and Dan

As the basketball season is in the home stretch, and the district, regional and state meets will be getting under way, let's not forget that our actions at the games reflect not only on ourselves but also on the school.

The great name of Central, which has been in the making for so many years, would easily be ruined in a short time by the conduct of the fans at the games.

As the Central team journeyed from one school to another, conduct of the students of these other schools has been much better than that displayed by the Central student body.

Why couldn't we make Central the "best" in conduct at games as well as first in sports? Many Chattanoogaans and students from other schools look down on Central because of the poor sportsmanship shown at games. Let's try to make Central the best in sportsmanship as in sports also.

Pepsi Cola Party to Be Held at Youth Center

The Council of the Youth Center announces a new program and special event on Friday evening, February 29, when the Pepsi Cola Company will entertain with a party.

Featured on the program, which will be broadcast over W.A.C.C., will be a unique horse race on the horse which the rider pumps as he races. The general favorite entertainment of square dancing as well as regular ball room dancing will also be a part of the evenings entertainment with Pepsi Cola for refreshments. Central students are invited.

Central Boxers Down Mitmen From Miller

The Pounders boxing team downed the Miller mitmen from Virginia by 4-3, on a seven match card.

Winning for Central were Gene Hall, Jack Allison, Ken Hudgins, and Ralph Creswell. After the second round Creswell's foe was practically out, and Ralph was awarded the technical knockout. Hall's bout was also of wide interest, as he fought the 1950 National 120 pound championship.

Central boys who did not receive the nod were Dickie Slaten, Barney Holder, and Charles McBrayer. In addition to the main card three exhibition bouts were fought. Two Central boys, King and Garner, won, while the Patten, Wilken bout in the 175 pound class was declared a draw. Judges were Smalley and Perkins while Joe Mattis refereed.

Pounders defeat McCallie by 56-49, Purplettes Win Over Lakeview

Tonight as the semifinals get underway in the Ninth District meet, it's anybody's guess who'll come out on top.

Saturday night finds the Consolation finals and Championship finals in both the girls and boys divisions. As Central's teams prepare for the meet, one invariably looks over the team's records in the past few games.

Purplettes Defeat Lakeview 37-35

The Central High Purplettes were host to the Lakeview six, Thursday, February 21.

The teams were evenly matched through most of the game. At the end of the first quarter the score was tied—nothing to nothing. During the second quarter Taylor's quickie shots, Woy's long shots and Rush's close basket shots began to drop through the hoop and at the half Central led twenty-two to nineteen.

The Central guards were by no means asleep. They were all over the place giving the Lakeview forwards a rough time.

During the last quarter the score was first in our favor and then Lakeview's. The last few seconds gave Central fans something to yell about. The final score was Central thirty-seven, Lakeview thirty five.

PARADE OF POUNDERS

Invading the purple spotlight of this week's Parade of Pounders is Juanita Simon, a senior. Juanita has been playing for Central for two years. She serves as guard of the team and has proven herself to be an outstanding rebounder and floor player. Her outstanding performance of the year took place at the game with Lakeview at the Peerless gym in Rossville.

In our other purple spotlight of the week is Gerry Lee, outstanding junior guard who is playing her first year on the Purple team. Gerry came to us from Dickinson in her freshman year. Gerry is outstanding in her rebounding and rebounding. Her outstanding performance of the year occurred during the Red Bank game when she forward the guarded score only five points. Gerry is also member of the Ace Club. Good luck to Gerry and Juanita!

During the process of refinishing, the classes were asked to make cookies for the P.T.A. tea, so along with the paint and varnish came the aroma of cookies. The prettier were hundreds of the soon there of fancy tea cookies.

SOUTHERN HOSPITALITY SHOWN AT CENTRAL

Southerners are eager enough to identify themselves as such to claim the honor that goes with it, but are sometimes slow to realize the responsibility which accompanies this distinction.

Central has long been known for her friendliness toward new students and visitors. It would be hard for a school as large as Central to have the proper spirit of friendliness unless everyone devotes a little time away from his own affairs and takes a genuine interest in the welfare of his fellow students.

The fine art department, band, library and athletic department play a large part in the school, but there is something more important that will cause a new student to realize Central is a school of which he can be proud and in which he should be loyal. It impresses him before he has been here an hour. That is the spirit of the people around him.

Being friendly is not merely something that helps others, but the one who is so thoughtful helps himself by developing his own mind and personality. By meeting new people and hearing their ideas and interests on subjects of importance, one broadens his views and is not likely to be blinded by ungrounded prejudices.

So remember our Southern heritage of hospitality. Be proud of it. Never let it down.—M. H.

PUNCTUALITY ALWAYS PAYS

Habits which are formed in one's youth are likely to grow and follow him through later life. Being late is no exception to this general rule and is one of the easiest habits to form.

There is seldom an acceptable excuse for tardiness, yet it continues to be a common practice among students and adults alike. Here at Central some pupils seem to disregard the fact that not being in class on time is a violation of school rules and saunter into classes several minutes late with no apparent concern.

There is a somewhat humorous angle to not being punctual, for one can not help being amused by a person who always manages to miss the beginning of things. It is usually the same student who gets to school late and fails to get to classes on time. School is only one thing affected by his tardiness; He is not punctual for evening activities. When he attends church, he invariably slips in when the services have begun.

Being late may cost much since it is seldom tolerated by employers, but these ills can be avoided by forming the habit of being where you are supposed to be at the time you are supposed to be there.—M. Mc.

To Gene Hall for defeating his opponents in the National Golden Gloves Meet in Chicago. To Carolyn Barnes who won a prize in Loveman's art exhibit. Jeers: To all the dust at Frawley Field and the hot football uniforms of spring football training.

To the students who throw paper and other objects down the rotunda. To the boys who grab a handful of spoons at the ice cream counter and throw them on the floor.

Central through the Digest wishes to express its deepest sympathy to Mrs. J. Frank Price in her bereavement in the loss of her brother.

School Time Change Brings Woeful Cries

"That change of time makes me so angry. Why, don't they make up their mind. I'll never be able to wake up as early as that to get to school on time." These were cries of the students on learning of the new time or should I say old time that began Monday. Now that the days are getting longer, it's a lot nicer to get out of school a little bit earlier than usual. Those students that were complaining about the old time are the same ones who are still griping about the new time. Everyone knows that you can't please everybody. They'll soon get used to it and love it.

Gene Hall Wins In Golden Gloves At Chicago

Gene Hall, Central's most talented leather pusher, is the first Chattanooga to win in the quarter finals of the National Golden Gloves Tournament of Champions since 1937.

Hall, representing the Southern Golden Gloves team in Chicago, has outclassed every opponent thus far. Outstanding young boxers from all over the country has met their Waterloo in the ring against Gene.

Hall began the hard-fought road to the semi-finals by a victory over Mike Martinez of Sioux City, on February 25.

Gene continued on his victory trail the next day by being awarded two bouts, one by default and the other by pounding out a decision over Bobby James of Muncie, Indiana.

Following these two wins, Gene moved into the quarter-finals against Johnny Palmer of Columbus, Ohio. Palmer was a fill-in for the '51 champion who was too busy with studies at Ohio State to box. Hall, after being cut on the nose, in the first round, went on to defeat Palmer in a well-fought battle.

Gene will, after taking a much-deserved rest, journey back to Chicago to enter the semifinals which will start March 7, with the finals being held the following day.

THEY ARE CENTRAL'S PRIDE

The election of Mr. and Miss Central should kindle in each of us a flame of pride for our school and for those who are well qualified to be candidates for Mr. and Miss Central. This election is not a popularity contest, and every one who votes should find out about his choice before voting. This is especially true of underclassmen who excel in with those who are deserving of something and who excel in character, leadership, scholarship, and service, the four principles upon which these candidates are chosen.

It will not be easy to choose two candidates—a boy and a girl—to represent your school. Know whom you are voting for and support your choice until the finish. It is better for you not to vote at all than to select someone who would not be a "feather in Central's hat."

In the past, Central has been fortunate in having qualified candidates and deserving winners of this great honor. Being a candidate for Mr. or Miss Central is as great an honor as being chosen, because of the principles on which the election is carried; so support those who are deserving and be proud of your Mr. and Miss Central. — C. S.

OPPORTUNITY KNOCKS BUT ONCE

The old saying, "Opportunity knocks but once," is familiar to most of the students at Central, but it is not often that serious thought is given this subject. In fact more often the case is just the opposite. True, youth should be a time on which, in later years, one can look and remember. But all the wonderful and care-free hours which he spent. But it is also true that a person can easily let an opportunity slip by in his youth that would have made his life much more comfortable and interesting in his later years. Too often, this is the case.

Most students are usually too busy or are having too much fun to think about anything, much less the seemingly far fetched idea of a secure future. And the result is that a great many promising young citizens have not prepared for nor planned a future. In reality they probably would not recognize a real opportunity if it did present itself. Nevertheless:

Hovel and mart and palace—soon or late I knock unbidden once at every gate. Seek me in raim and uselessly implore, If answered not, I return no more.

According to You (Editor's note - Mrs. Logan kindly contributed these lines) There's a sweet old story translated for man, But writ in the long, long ago— The Gospels according to Mark, Luke and John.

Of Christ and His mission below, Men read and admire the Gospel of Christ, With its love so unflinching and true, But what do they say and what do they think, Of the Gospel according to you? 'Tis a wonderful story that Gospel of love.

As it shines in the Christ-life Divine And, oh, that its truth might be told again, In the story of your life and mine. Unselfishness mirrors in every scene Love blossoms on every sod, And back from its vision the heart comes to tell— The wonderful goodness of God You are writing each day a letter to men;

Take care that the writing is true; 'Tis the only Gospel that some men will read— The Gospel according to you. —Author unknown

Book Review

DON SLATTON Second baseman Bud Walker was up for his second trial with the major league Blue Sox. The first time he failed became at the last minute, when he thought he had the job "sweated up"; the team bought a star to play second base. Everything went fine until right before the season opened, another young star was bought. A month later, the star was injured. Bud took his place and the team went on a winning streak. The star recovered, but the line-up couldn't be changed while the team was winning. The fans who liked the star, rooted against the Blue Sox. Bud Walker, who was a star at making double plays, was finally put out of the line-up. If you like stories of this kind, you should read "Fast Man on a Pivot" by Duane Decker.

Question of the Week

What's your opinion of teen-age drivers? Pat Coleman—Would be better if they used good judgment. Mrs. Flenniken—They are good but reckless. Joe Weaver—They should learn to drive with two hands before they use one. Pat Williams—Keep your eyes on the road; your hands on the wheel. Sammy Dorsey—Keep your mind on the driving instead of what's in the car. Billy Knowles—Remember that alcohol belongs in the radiator not in your stomach. Nelson Jinks—About average. Carole Norrell—What are you talking about? Of course, I'm good!

Kay Fry—The faster the better! Jean Tritsworth—Maniacs!

In the parade of Comus were Bible Story floats such as, "Samson and Delilah," "Garden of Eden," "Noah and the Ark," and "Jonah and the Whale." After the last parade on Tues-

CORKY'S CORNER . . .

BY CORKY JOHNSON

Gaiety ruled supreme Friday night when the Junior PLAY Cast was treated to a banquet at Betha's following Mrs. Flenniken's beaming countenance graced the top of the table. By the way—Shirley Lord and Jerry Payne were still casting those adoring (?) glances. (Better careful Jimmy!) Gene Goodner persisted in quoting some of his lines from the play. Pat Rector, Carole Norrell, Bobby Jo Spaulding, Mary Becker—

Jo Ann Gamble were busy with the time passing while the regular boys, and butter dishes up down the table. Walter Williams seemed to be quite worried about his prematurely grey hair.

Christine Campbell was silent most of the time. (Lonesome Chris?) She attended Central in 1943, 1944, and 1945. She was crowned Miss Chattanooga, Miss Tennessee and won a bathing beauty contest at Atlantic City in the Miss America contest in 1945.

Mrs. Kender is to be on the television March 14, in Chicago, where she now resides. She has been offered four movie contracts. She talked to Mr. J. P. Dyer's Social Science Classes on "Personal Problems and the Advantages of finishing school." Not having finished high school herself, Mrs. Kender said that she was trying now to read as much as possible.

Mrs. Kender has been married six years and is the mother of two children.

The visual education committee of Central High School has just purchased a new motion picture projector for the visual education program.

Parade of --- Purplettes

This week's Pounder spotlight turns to the Girls Basketball team and seeks out a junior forward and a sophomore guard.

Red headed Maxine Dixon is the forward. "Macky" came to Central from Harly where she was voted best girl athlete. This is her second year with the Purplettes. Her best game was with Lakeview here at Central when she broke the 35-85 tie in the last minute of the game.

Black headed Patsy Smith from East Side shares the spotlight with "Macky." Pat is a sophomore and this is her first year as a Purplette. Pat's best game was with Bradley played at Central when her guarding helped the Purplettes win. Pat is a promising guard for the Purplettes in her two remaining years at Central.

Industrial Y Wins State Championship

Ivey Bishop, Sammy Hudson, Johnny Arnold, Darrell Shipley, and James Cannon were the Central boys who played on the Industrial Y's basketball team in Nashville recently to win the Y's State Championship.

The first game was played in the afternoon. At the end of the game the score was tied 37-37. As the teams went into the overtime period Nashville Central scored a point. In the last five seconds of the game Sammy Hudson scored with a half floor shot to win the game 39-38.

The second game that night was not so exciting as the first, but the Chattanooga Industrial Y boys won 40-37 to win the Industrial Y's State Championship.

Hall Loses in Semifinals to James Hairston, National Champ

Gene Hall, after winning 30 fights in a row, was defeated by James Hairston of Kansas City. Hairston later in the evening won easily in the finals for the 118 pound championship.

Although decisoned by Hairston, before a crowd of 18,000 fans at the Chicago Stadium, had Gene been fighting the runner-up, whom Hairston defeated for the championship, he would have been the runner-up to Hairston instead of ending up in the semifinals.

The Faucet by Glen and Dan

Since most high school sports are at their lax season, let's take a look and see why.

Boxing reached its climax with the representations of different sections journeying to the national meet at Chicago, Chattanooga only remaining participant in the Semifinals and Finals was Georgia.

Football spring training is progressing as boys from last year's squad and many newcomers are going through the grind every afternoon. Many members of last year's backfield will be returning. The main effort will be toward filling the gaps left in the line.

Baseball is now taking the limelight as basketball and boxing fade out of the picture. Efforts will be made to find boys capable of filling the shoes of such boys as Lewis Henry, Norman Hofferman, and Bucky Shamburger, stars of last year's Central nine. Central played its first game of the season on April 9. A schedule of all games will be in a later issue of the paper.

Both staffs participated in a round table discussion and compared notes on how stories were assigned, written, and information obtained.

Rev. Emerson spoke on "The Results of the Lack of Religion." He stated that broken homes, crime, corruption and all sorts of unhappiness come from the lack of religion.

The First Mr. Miss Central Senior Day Ceremony was Simple—Miss King

"The first election and presentation of Mr. and Miss Central, which was sponsored by the Digest, was a very simple chapel program," said Miss Sally May King, sponsor of the Digest staff, when talking about the election of May 4, 1933.

According to Miss King, it was at the suggestion of Graham Crabtree, who was feature editor of the Digest, that a committee met in the office of Mr. Stacy E. Nelson to discuss the matter of showing some honor to two outstanding seniors. Mr. Nelson warned that every caution should be exercised to see that the election was not merely a popularity contest but that it should be based on the qualities of leadership,

character, and service. Through all the elections the Digest has never failed to emphasize these points.

Mary Marshall and Joe Kerr were elected Mr. and Miss Central by ballot in the Digest. Raymond Witt, Evelyn Blessing, Ben Tarver, and Helen Donaldson were the attendants for Mr. and Miss Central.

With the passing years this ceremony has grown both in interest and in elaborateness, so that it is now one of the outstanding and most beautiful programs of the year.

The faculty has through their interest and participation in the program added much to its effectiveness and beauty.—W. H.

SPRING COMES AT LAST

"Spring comes dancing, dancing In her gown of green, Pink and silver ruffles, Softest ever seen..."

MIND YOUR MANNERS

"Mind your manners" is one rule which should be acknowledged by the students who "act up" in the presence of a substitute teacher.

The teacher who substitutes in the absence of the regular teachers are giving up time they could be using some other way.

Did you ever stop to think what impression you have made upon that teacher? Or is it that because she is a substitute teacher that you should take unfair advantage and laugh when attention and respect would be more appropriate.

We should all be grateful for the substitute teachers who are always on hand to help out when they are needed, and we should show our gratitude to them by helping them in every way we can. They will respect us for help and understanding.—M. J.

Book Review

In "A Lantern in Her Hand" by Bess Streeter Aldrich, Abbie Mackenzie, like almost all other girls, dreamed of doing something great and was capable of doing it.

When she married William Deal, they moved to an unsettled Nebraska prairie where she was quite busy making a home and rearing children.

Abbie Deal makes many great sacrifices for her five children so that their dreams could be fulfilled.

After so many hardships one would think Abbie would have been discouraged with life, but she had gone through life with a song upon her lips and a lantern in her hand.

I advise all girls to read about the adventures, romance, hardships, and thrills of Abbie Deal's life.

McKenzie Offers 35 Business Scholarships

The McKenzie College of Business is now offering ten full scholarships valued at \$650 each, and twenty-five partial scholarships, valued at \$105 each.

The full scholarships will cover full tuition charges for the years 1952 through 1954 and the partial scholarships will cover part of the costs of 1952-53. The scholarships will be awarded on the basis of the pupil's interest in business as a career and profession, character and general worthiness, financial need, and the rank on the scholarship examinations.

Mr. Sherman Paul of McKenzie explained on Monday to seniors that there are two forms to be filled out, Form A, by the pupil and Form B, by the principal.

The applicant must secure a letter from one other person, not in the immediate family, who can give particulars concerning that applicant's character, ability, and general qualifications for a business education.

The scholarship examinations will be held around the end of April or the first of May.

The Faucet by Glen and Dan

Since very little is happening in sports here at Central, let's take a look at the baseball team which will bear the name of the Chattanooga Lookouts.

It's been several years since fans have had a first division club to support, but maybe this year the team will finish in the first division. Not because the Lookouts have what a good team, it's that the other Southern Association Clubs are as bad off as the Chattanooga team.

Fan attendance and support have been most unusual for a club which has spent it's time in seventh and eighth place for the last several years.

If Central students are as loyal to their baseball team as Chattanooga's are to the Lookouts, look for Central to have another winning team and possibly a state finalist even though there is no telling what the coming baseball season may hold.

Bayless, Senior, Wins Talent Search Contest

John Bayless, who is a senior, was recently named one of the twenty-nine winners of the Sixth Tennessee Talent Search which is sponsored by the Tennessee Academy of Science.

John was sponsored by Mr. Edwin Bohr, the physics teacher at Central. The project is on the theory of a shadow microscope and other inventions. The expects to become a biophysicist and wants to attend Vanderbilt University.

All of the entrants in the contest took a 2 1/2 hour examination and wrote a paper on their scientific project.

Golf Tournament To Open March 25

One of the minor sports which Central enters a team in golf. Last year's golf team won the State Tournament and the boys are hoping to be as fortunate this year and possibly win the Southern Prep meet also.

The boys composing this year's team are: Paul Crownover, returning member of last year's squad; Pete Crownover, member of '51 football team, David Patton and Ralph Creswell, members of '51 football and boxing teams, and Harold Layne.

These boys have been practicing every day in preparation for the coming season which begins on March 25. Central's main contender for city honors will be Baylor which has an experienced team, and gave Central a good battle for honors last year in the City Prep League.

Library Convention Meets in Johnson City

The East Tennessee Volunteer School Library Assistants Association will hold its annual meeting May 2, at the East Tennessee State College in Johnson City.

Last year Central and Chattanooga High School were co-hosts to the convention which was held here.

The librarians will lead discussion groups on various phases of the duties of library assistants.

Gym Classes of Miss Sarah Hubbard Begin Practice for Annual May Day

Miss Sara Hubbard's gym classes are beginning their practice for the annual May Day exercises.

The theme of this year's May Day will be a review of the four years the seniors have spent in gym.

The classes have selected Arlene Hillis, Donna Faye Blessing, Peggy Watkins and Doris Castle as candidates for May Queen. The candidates for king are chosen from the Military Department.

Mr. Hobart Millsaps Association Meeting

"Better Citizens through Better Schools" was the theme of National Association of Secondary Schools meeting in Cincinnati recently attended by Mr. Hobart Millsaps. He stated that it was one of the best professional meetings he had ever attended; it was an informal affair where the various problems of the American schools were discussed.

Some of the best speakers were Dr. Thurbury, director of World Air Lines; Dr. Harold Hunt, and Dr. Judd, member of Congress from Minnesota and former medical missionary from China. At the final session, Jessie Stuart spoke on "Education in a Democracy."

One of the outstanding events was the variety program given by seven high school from the area in and around Cincinnati. The program consisted of acrobatic stunts, dancing, and singing.

Mr. Millsaps attends four meetings of this type during the year.

Parade of ... OF POUNDER

Heading this week's Parade of Pounders are the four members of the golf team. As sport fades out and another set of by-gone sports are found trying new one, such is the case of Central golfers.

A mainstay of last year's team came from Brainerd Junior, is expected to be an even more consistent performer this last year.

A new comer to the sport though popular in other Central sports is Ralph Creswell, a representative to Nashville on Golden Gloves team, and played the football team.

A fourth player, well known other sports is David Patton, also boxed and played on last year's football team and turned fine performances.

Rounding out the golfing quartet is Pete Crownover. Crownover was also a member of last year's State Champ football squad.

Bobbie Koluyck Crowned Queen of Military Ball

Miss Bobbie Nell Koluyck, escorted by Col. Ken Hudgins, was crowned "Queen of the Annual Military Ball" in colorful ceremonies by Lt. Col. George A. Bone at the dance last Friday night in the gymnasium. The other candidates were: Arlene Hillis Kay Fry, and Pat Williams. The Queen was wearing a formal of white net over taffeta and was crowned with a crown of purple velvet and silver sequins. The coronation took place at the half-time period, and the officers lead-out followed as the officers, according to rank, and their dates filed through the arch of sabres and began to dance.

The gymnasium was decorated in the traditional red, white, and blue with silver stars. The ROTC sponsors and bouquets of other seniors were responsible for the decorations.

Ice-cold ginger ale over fruited lime sherbet and cookies were served by Arlene Hillis, Charlotte Stailley, and Jean Tittsworth. The tables were decorated with lace cloths and bouquets of giant daffodils and Japanese iris.

The music was provided by O. J. Bailey's band, and the no-breaks were: "Tell Me Why," "Because of You," "A Kiss to Build a Dream On," "Anytime," "Goodnight Sweetheart," and "Sin," the officers' lead-out.

Some of the guests were: Joe W. Taylor, Jack Allison, Joe D. Taylor, and Bill McKenzie.

Movie Is First Step Toward Civil Defense

"Pattern for Survival" the moving picture given in chapel during homeroom period Monday was the first step in the Civil Defense program now being directed by Captain Robert G. Miller, assisted by Mrs. Fults and Mr. Wharton.

This committee has planned the entire program and information which will be given through homerooms, chapel programs, and movies. This information will be the students what they are to protect themselves.

Two types of drills, the Three Minute Drill and the Flash Drill will be explained during homeroom periods. These drills are to protect and not to frighten the student.

First Aid stations will be set up to take care of minor injuries in case of an attack during school. These stations will be manned by faculty, and boys and girls will have special training in first aid.

Girls from the commercial department will be trained to keep records of the treatment given to those with injuries.

Junior Ring Order

The junior order for class rings is now being taken at the bank. The deadline will be April 16.

Connie Ragan and Lawrence Fults Enjoy Preparation for Central's Coronation

When the twentieth coronation of Mr. and Miss Central takes place today, Connie Jo Ragan and Lawrence Eblen Fults will be crowned as flower girl and crown bearer. The youngsters are very close friends, in fact they call themselves sweethearts.

Connie is the daughter of Mr. and Mrs. Conner Ragan and the only child in her family. She is three years old and has blondish-brown hair and blue eyes. She is very much interested in her dress which will be fashioned like Miss Central's. Although this young lady enjoys playing with dolls and paper dolls, most of her time is

spent in reading. Lawrence, the son of Mr. and Mrs. Lawrence Fults, also has blondish-brown hair, blue eyes, and is an only child. He remarked he wouldn't mind being in the program if he could wear a red tie instead of a black one. He will be dressed in a white suit, white shoes, and a black tie. His favorite hobbies are driving trucks, fishing, working puzzles, and "marking on the walls with crayons that won't wash off."

Last year's flower girl and crown bearer were Nancy Litz, daughter of Mr. and Mrs. David Litz, and Bryant Millspaugh, son of Mr. and Mrs. Hobart Millspaugh.

Bales Retires After 30 Years of Coaching

W. F. Bales, head coach of Central basketball teams for the last 30 years, has retired from his duties as coach of the basketball and baseball teams.

Coach Bales will continue to serve on the faculty as teacher and head of the history department. His retirement came at the suggestion of his physician, who told him to keep off his feet as much as possible because of a tendency toward arthritis. He will finish this year with the baseball team.

In "Bang Bang's" career as coach, he has turned out many championship teams, his baseball team of 1929 winning the Dixie championship, and that of 1943 the state title.

In his years at Central, Coach Bales has been liked by everyone with whom he comes in contact, and students as well as teachers have grown to respect the high ideals for which he stands.

"Bang Bang," one of Central's finest coaches, is giving his coaching duties over to Gordon Smith, who has been coach of th e girls team and girls' basketball team for three years.

A STITCH IN TIME

The fire drill is an old precaution against fire and everyone knows what to do when the signal is given. People carry out the three essentials of the least fear. Everyone silence, and calmness, without the least fear. Everyone knows that the building could be on fire, but there is no concern, because it is such a routine matter to march to the assigned places.

A new drill will soon be started at Central and the same call following of instructions that has long marked fire drills is expected to prevail. It will be the "Air Raid Drill" the purpose of which is to instruct students in what to do in case of atomic or conventional bombing.

Schools are organized for safety under ordinary conditions. Extra ordinary circumstances require further measures, so the Hamilton County Board of Education is playing its role in Civil Defense by planning for defense in the schools. It is believed that the best protection lies in a carefully planned and thoroughly practiced course of action based on the facts now known.

Of course no one expects an "Air Raid", but the drill will enable students to be familiar with the safe and orderly action which a raid would necessitate.

There is no reason for alarm, so when Captain Miller and his co-workers complete their plans and we begin practice, let us do so with utmost calmness.—M. Mc.

A FRIEND IN NEED IS A FRIEND INDEED

A friend in need is a friend indeed. A true friend is one of life's prized possessions, and an untrue one can do us a great deal of harm. We sometimes call our mere acquaintances friends, but are they really? A real friend walks in on you when you need him, but he is not there when you can depend on no matter how happy or how grieved we may be. We go to him when we are in trouble and can count on him to give us his best counsel.

We can rest assured that the true friend will constantly be by our side in time of need. Our so-called "fair weather" friends are the ones who are around when we really need them. They are around when there's some taking going on, but can't be found when there's a little giving to be done. We all have what is called "our gang," but how many out of that crowd are our friends? One of the most important things to remember is that to have a friend, one must be a friend.—C. J.

God grants liberty to those who love it, and are always ready to guard and defend it.—Daniel Webster.

Book Review

William Thackeray's great novel, "Vanity Fair," centers around the life of Rebecca Sharp. Rebecca didn't care whom she hurt to gain her own selfish ends.
At first she deceives both the reader and some of the other people in the book about her real character. But the reader will soon find out that her cruelty knows no limit.
She married Rawdon Crawley for the money she believed he would inherit. However, when they were married, his aunt cut him out of her will. Had Rebecca been a good wife, she might have brought out his best potentialities. However, her bad influence only magnified his faults.
"Vanity Fair" has been popular for many years, and after reading it, the reason is obvious. The plot is not as important as the character sketches.—Marilyn Talley.

Easel Items

The student in charge of the third period class was Raymond Ling.

Signs of Spring Are Seen in Various Ways

Not one objection was heard to the arrival of spring today early on March 20 at 11:14 a.m. For months during the cold, dark mornings and rainy days, this happy event had been anticipated.

All nature has been quietly making preparation and laboring for weeks to be in readiness for this long-awaited occasion. In the trees, though bare, bleak and apparently dead, the sap has been slowly rising ready to send forth leaves and blossoms. For days lacy little fringes have been in evidence on the oak and elm. Now, as if by an over night miracle, the fresh tender leaves are coming forth. One tree more precious than others, the weeping willow, came out a week or so ahead as the herald of this grand occasion.

Aside from the trees and flowers, at Central there are two signs, signs to tell that spring is coming—the new romances seen budding around the campus and the sleepy, dream-inducing spring fever that affects those in the class room.

Queen Spring brings in her wake parties, hay and tennis, soft ball, baseball and best of all, vacation.

Centralites Attend "Career Day" at T.P.I.

Approximately seventeen Centralites attended the Career Day which was March 17, at Tennessee Polytechnic Institute in Cookeville, Tennessee. This day was sponsored by the Cookeville Rotary Club.
The 3,000 visitors, representing fifty different high schools and their counties, were welcomed by Dr. Everett Derryberry, President of Tennessee Tech and heard a very interesting address by Dr. Willard Goalin, Professor of Education at Peabody College.
The group was later taken on a tour of the different departments of the campus. Host Winfrey, along with many others, was especially impressed with the music department and the wood working shop.
A most delicious lunch of fried chicken, along with sandwiches and ice cream was served the group at 12:00 in the magnificent new gymnasium.
After lunch the Rotary Club and the School were host to the well known "Noon Time Neighbor Program," which comes over Station WSM in Nashville. At this time all visiting senior class presidents were interviewed.
The General Assembly was also held in the gymnasium and the work was entertained by the "Tech Troubadours," the school swing band.

Navy Blue Wins Color Race for Senior Day

We are glad so many are here for the annual Senior Day race. They are lining them up at the gate. The race is about to begin—Bang! They are off and see the favorite of the race Gray Suit on Jack Allison on the rail and Light Brown on Earl Jackson coming up from the rear. In the back stretch see Pink and Gray on Alice Pledger, Yellow and White checked on Nancy Kelley, and last year's winner, Blue, on Richard St. Clair. Coming around the bend is Powder Blue on Gay Lane; closing in is Pink on Mabel McCrary. At the three quarter mark it's Blue and White checked on Martha Johnson running neck and neck with Light Blue on Tommy Heaps and Dark Blue on Woodrow Atherton. White on Charlotte Stalley is passing Tan on Jean Bonds but is closely followed by Red on Juanita Scott. Coming in the home stretch is Blue and White on Betty Baskett, but it's a photo finish with Navy Blue winning on Red Harris.

Local Legion Urges Spiritual Guidance

A letter was received on Tuesday, March 25, 1952, entitled "The Greatest Childhood Tragedy" to the faculty, students, and parents of the Central High School from the Summers Whitehead Post No. 14 of the American Legion of which Thomas H. Merrit is commander.

The letter states that churches are a part of the American way of life so why not bring children up to attend church. Juvenile Court judges say that the number of cases which they hear seldom is a boy or a girl brought before them who has regular religious training. They suggest that in addition to regular classroom education, young people need religious education also. The letter suggested that if you have not been attending church, to start Sunday.

To sum the complete story up the letter says "Let your form of religious worship (synagogue or church) help with your spiritual development."

Among the speakers were Lamar Dodd, of the University of Georgia, who spoke on "Art is Georgia." The president of Sarah Lawrence College, New York, stated that the school must curb the natural appetites of the child and strive to lead him into higher and more elevating experiences.

Into a very interesting and instructive week end, Miss Derryberry crowded two Metropolitan operas "Don Carlos" and "The Meistersinger" — and a delightful drama, "The King and I," starring Gertrude Lawrence.—P. A.

THE MIRACLE OF EASTER

Easter, like so many other religious holidays, has been commercialized to a great extent. Many adults think of it only as a time to join in the fashion parade. Children, generally speaking, no longer have the true meaning of Easter impressed upon their young minds. To them it is a joyful day when they dress in their best and hunt the beautifully colored eggs which the Easter bunny has hidden.

The true conception of Easter can be obtained only from the spiritual point of view. It is a day set aside each year to commemorate the resurrection of Christ, just as Christmas is celebrated as the birth of the Son of God.

Deaths are usually regarded as sad occasions, but Easter is a season of great joy to every Christian. Christ was willing to bear the sins of all, and after three days he arose victorious over death, Hell, and the cross and rising from the dead on Easter morning Jesus cleansed every believer from his sins and assured him of everlasting life in Heaven.

This, indeed, seems miraculous, and rightfully so; for it is the great miracle of the Savior of the world. Easter is one of the most inspirational seasons of the entire year and deserves everyone's sincere reverence.—M. Mc.

VALUE OF SPIRITUAL GUIDANCE

The American Legion is to be highly commended on its interest in the religious education and spiritual guidance of high school students. In a recent interest in spiritual matters its parents we learn that the interest in spiritual matters is decreasing rapidly and vast numbers of boys and girls are brought before the juvenile courts as a result of lack of religious training.

The school is not relied upon to teach religious education to each student, but voluntary services help to worship—no matter what our religion may be. We need to be reminded sometimes that we have this right which is denied most countries, and we should exercise it to see that it stays alive.

Although we begin our instructions about religion in the home, we can personally carry them wherever we go. We should respect our religion, and make it one of our daily practices to think about it. The American Legion says: "Let your form of religious worship help with your spiritual development. It can do a lot if you will give it a chance."—C. S.

Let us be of good cheer, however, remembering that the misfortunes hardest to bear are those which never come.

Lunch Line Scramble

Listen all students, and you shall hear.

Of the lunch line scramble through the year. It starts about fifteen minutes before the bell.

When the halls ring with the earthquake boom.

Who can forget this time of day? I say to you all—"If the bell rings and you stand unmoving, Hang on to something and don't be alarmed."

How they all crash, and clang, and roar.

When they rush the cafeteria door.

Oh, do they make those poor ushers sore.

So remember at lunch time don't block a door.

You might land up flat on the floor.—M. J.

Richard Slaten Attends Southern Intercollegiate Boxing Tournament

Richard Slaten, sophomore, recently made a trip with his family and a friend to Baton Rouge, Louisiana, to attend the Southern Intercollegiate Boxing Tournament held at the Louisiana State University.

Richard's brother Archie, alumnus of Central, and now a senior at the University of Miami was fighting in the tournament. Archie had had seven fights this year and having won all at the University was top seeded fighter for this tournament. At the Miami University he is majoring in Physical Education and Law.

Although Archie lost in the semi-finals in Louisiana, he had beaten his opponent from L.S.U. three times before.

While in Louisiana the Slatens visited the State Capitol building, Huey Long, which is 40 stories high, and is one of the most elaborate State Capitols in the U.S.

Between Birmingham and Tallapoosa the Slatens ran into part of the tornado which raged through Arkansas and other places over the week-end. The strong wind swayed the car making driving dangerous for about five miles.

The boxers of Miami University are now getting ready to take a trip to the University of Washington April 3, 4, and 5 to attend the National Boxing Tournament. Archie, captain of the boxing team and top seeded fighter, will make the trip.—C. S.

George took part in various inter-collegiate activities at Central, particularly in the public speaking department. He was one of the commencement speakers.

Bible Club Feted With Smorgasbord

The Bible Club was feted on Friday March 20, with a smorgasbord at the home of the club sponsor, Miss Rachel McAllister, where Christian fellowship was abundant.

Those attending helped in preparation of the supper. Joe Hacker and Betty Jo Whitmore led the group around the table. Beverly Grayson, Jo Ann Hunter, and Barbara Hill seemed to enjoy the moving picture being made by Miss Mary Moore, former Central High Bible teacher now teaching at Chattanooga High School.

Barbara Bell and Blythe Wood resolved not to talk so much after hearing recordings which had been made candidly.

A feature of the evening was a reading given by Barbara Bell about her boyfriend, "Lukey." Joe Hacker gave a sample of his oratorical skill.

Salem, surrounded by fifty-six beautiful acres, is a liberal arts college, although it offers other courses. It is a fully accredited school and offers three degrees—A.B., B.S., and B.M.

Dramatics and sports, including tennis and golf, are especially emphasized.

Seventeen states and eight foreign countries are represented there.

SENIORS TO REIGN SUPREME WITH TRADITIONAL JUNIOR DAY FESTIVITIES

The traditional pinafores, wash dresses, blue jeans and white shirts which symbolize Junior Day will be worn tomorrow by all Junior girls and boys. Junior Day is a day that Juniors look forward to with great expectation from the very first on to the last. This day is to the Juniors what Class Day is to the Seniors, for this is the day when Juniors reign supreme over all.

The event marks a mile stone in the journey through the school year. The ordering of class officers, the Junior-Senior Prom are the main posts, but Junior Day, as the name implies, takes precedence over all the other Junior events of the year.

Students will go to first, second, and third period classes. All students wearing identification tags will be dismissed five minutes before the start of each period from third period in order to be first in lunch lines.

Identification tags, designed to represent the traditional costume of Junior Day, will be given to students at the pre-school period by English teachers and will entitle them to special privileges throughout the day.

Leo Mahoney and Allen Jordan, Central alumni, sang bill billy songs, preceded by Clift McCrave of Knoxville singing "Mother McQueen."

The program concluded with the playing of "Amen."

Allen Casey and Charles Lamb Are Official Delegates to Key Club Meet

Other Central students who attended the convention were Sammy Rogers, Clifford Carl, Tommy Smith, and Larry Hickman.

This was the most interesting thing I ever attended. If boys from the nation could be heard from as inspired as these delegates were, there would certainly be fewer cases of juvenile delinquency," said Casey.

The host of this convention was the Dale High School Key Club at Knoxville. The Andrew Johnson Hotel was the headquarters of the

Dr. Lockmiller Speaks For Vocational Clinic

Dr. David Lockmiller of the University of Chattanooga briefly reviewed the vocational field at the opening speaker of the vocational clinic held on April 2. Dr. Lockmiller stated that one can go into a vocation intelligently, or he can go into a vocation like a round peg in a square hole. He said that many young people want something for nothing and wish to start where their fathers are today.

The individual should know himself, his talent, and ability and should go into the profession or field for which he is best suited, advised the speaker.

In naming the four fundamental factors to success in any field, Dr. Lockmiller said that character is essential, that good health is a definite advantage; ambition is necessary, that a sense of stewardship to help others and willingness to work are highly desirable.

Louise Darby Added to Digest Editorial Staff

Louise Darby, a member of the Sophomore Class, was recently added to the editorial staff of the Digest. She is also a member of the Nite Owls.

Before moving here in August, 1951, Louise resided in Smyrna, Georgia, where she attended Campbell High School. She was a member of the basketball team, a cheerleader, and a prospective member of the Beta Club.

FOUR DIGEST MEMBERS ATTEND HIGH SCHOOL PRESS ASSOCIATION

Lorayne Woy, Kay Hoffmeyer, "Corky" Johnson, Mabel McCrary, and Mr. Sam Stoner recently represented Central at the Tennessee High School Press Association held at the University of Tennessee in Memphis.

Following a period of getting acquainted and registering, classes on various phases of newspaper work began at ten o'clock Friday, April 4. Special sessions were held for individual criticism of school papers.

On Friday evening a banquet was held at the student center cafeteria. Mr. Frank R. Ahlgren, editor of "The Commercial Appeal" of Memphis, was speaker for the occasion.

An informal dance marked the end of Friday's affairs. Saturday morning was spent in business sessions for students and advisors. The T. H. S. P. A. elected Frank Smith of White Haven High School to serve as president for the coming year. Barbara Lane from Howard High, Nashville, will fill the office of secretary.

"The Central Digest" received "excellent" rating when the judges read their reports of all school papers represented at the general assembly.

During their trip the representatives will visit Freedoms Foundation, Valley Forge, Washington Memorial Chape, Washington's headquarters, Independence Hall, Betsy Ross House, and other national shrines in the area.

Also as a result of the contest entry Central will receive the Freedoms Library, which will be shipped here following the Valley Forge Pilgrimage. A Freedoms Foundation's honor medal will be presented to a representative of Central at regional awards ceremonies to be held during April.

Hi-Y Membership

The Girls Hi-Y will initiate new members April 22 at Assembly Period. All Freshman, Sophomore, and Junior girls who are interested in becoming a member are to give their names to a girl who is already a member or to Mrs. Logan or Miss Hodges.

FREEDOM IS EVERYBODY'S JOB

"Freedom is everybody's job." This is a slogan that has become so very familiar that we wonder how much has been said to it...

Just what, then, is each one's job? Freedom is an inclusive work, ranging from the right of each to be his own real self to the fullness of life in a free democratic society.

IMPULSIVE ACTION

"The moving finger writes; and, having writ, Moves on; nor all your piety nor wit Shall lure it back to cancel half a line."

The seriousness of impulsive action is vividly portrayed in Edward Fitzgerald's Mohammedan poem "Rubaiyat of Omar Khayyam."

Our Church, home, and country always have the need of men and women who have trained and disciplined their wills to be able to weigh the advantages and disadvantages of a situation with a clear and unprejudiced mind and to make serious decisions needed for satisfactory results with speed and competency.

As the Moving Finger of time writes the history of this generation. May careful decisions keep lines from being written—we would have canceled, or words washed out with tears.—M.L.H.

The Show Must Go On

"That Champion Night program was really good." Everyone seemed to enjoy the fine, talented actors who presented the program. The really went over with a bang! The Dramatics class put on several dramatic presentations such as good presentations of a real T.V. show, which proved a real success. Some of our Central students didn't know that we had such good looking girls for models. The most interesting of all the show of shows was the "behind the stage" scene. People were running around here if crazy wondering what to do next and where they were going. Some of the crys were: "I'm scared half to death," "I'm afraid I'll fall flat on my face, and "Oh do I really have to go through with this?"

Central through the Digest wishes to express its deepest sympathy to Stephen Phillips in his recent bereavement in the loss of his mother.

Arlene Hillis, D.A.R. Award Winner, Enjoys Airplane Flight and Week-End in Nashville

Arlene Hillis, Central's D.A.R. representative, recently went to Nashville to the D.A.R.'s state convention. Arlene left Chattanooga on Thursday night by plane and arrived in Nashville forty minutes later. This was her first time to fly, and when asked how she liked it, she replied, "It wasn't long enough to find out." On arriving she went to the home of her aunt where she stayed during her visit. On Friday morning at 9:00 A.M. Arlene went to the War Memorial Building to register with the other 190 girls who represented schools all over Tennessee. Later Friday they toured Nashville on a Greyhound sight-seeing bus. Among the places of interest visited were: the Hermitage, "A place everyone should see"; Fort Nashboro, and the Museum. Some things that interested her very much in the museum was a talking bird, and the telescope used for viewing the heavenly bodies. While there, the State President of the D.A.R., Mrs. Gupton, entertained the representatives with luncheon which was served on a lawn of her home. The other Chattanooga schools that were represented there were Tyner and Red Bank. On Saturday evening Arlene made the return flight after having a week end of fun, never to be forgotten.—J. B.

Ridgedale Neighbor Acquires New Pastor

Central's nearest church neighbor, the Ridgedale Baptist Church, has recently acquired a new pastor, Rev. W. Howard Ethington, who comes from the First Baptist Church of Columbus, Georgia. Mr. Ethington, who is a native of Louisville, Kentucky, received his training in that city. While at the University of Louisville, he was president of the Baptist Students Union, organist, and choir director in two churches. The former pastor, Rev. Ed Stallings, was often a speaker for the chapel programs sponsored by the Boy's and Girl's High School. Rev. Stallings resigned last year to accept the pulpit of the First Baptist Church of Ocala, Florida. There have been only visiting pastors at the Ridgedale Baptist Church. However, with the coming of Rev. Ethington Central hopes once again to have as a friend the pastor of this church.—W. H.

Question of the Week

Do you think students spend too much time on extra-curricular activities? You Movers: "Not enough." Leslie Greenberg: "What does that mean?" Charles Champion: "We should make classes extra-curricular activity so we would only have to go when we want to."

Rebecca Glenn: "No, not too much or too little." Paul Greenberg: "No, we let our school work interfere too much with our extra-curricular activities."

Terry Maynard: "No, definitely not." Richard Slaten: "No, about enough."

Delois Thurman: "Too much work and not enough extra-curricular activities, we don't have time for anything but work."

Carl Seals: "Some do and some don't. Generally most don't spend too much time."

Richard Champion: "Not enough, everyone should have a different club every period except chapel club and have classes then." Miss King: "A wise student will so plan his study hours that the extra-curricular activities will not interfere with his regular work."

Spanish Department Entertains at Chapel

The Spanish Department headed by Miss Mary Ellen Rice presented its annual assembly program on Wednesday, April 16. At this time a thirty-five minute film "Wings Over Guatemala" was shown.

Preceding the movie, Luther Massengill, the much talked about Senior X, amused the audience with his usual gay banter and emphasized the importance of Pan American Day. He urged all students to study Spanish in order to carry on the Good Neighbor policy. Senior X might have lingered with us had not two Latin American senioritas (Sally Allen and Charlene Harris) lured him back to Mexico.

Plans for a Spanish festival later in the year are now being made.

McKinley Bell Ringers Present Novel Music

Mr. and Mrs. McKinley from Morristown, Tennessee, presented a program in assembly Tuesday, April 1.

The first song, "When They Ring The Golden Bells For You and Me", was played on bells as a duet. This set of bells, the Belgian-Piccolo Bells, is the largest set ever to be manufactured, consisting of thirty-four. "Looking This Way", was the second number on the bells.

The next song, "In the Garden", was played on a gold-finished hand saw serving as a violin.

Following this was the song, "Sweet Hour of Prayer", played on "Instrument of Mystery". This instrument was invented by Leon Thurmano, and the music is made by harnessed static. This is the only instrument not played by touching it; the tones of it are controlled by the nearness of the hands.

The music for the final numbers was afforded by rubbing wet fingers around the tops of liquor glasses. The songs played on the glasses were: "Life's Railway to Heaven", "Jesus Paid It All," "I'll Sing You A Song Of That Beautiful Land."

In the past four years Central has won one second place and two out of three third places in the nation since 1949.

The match was fired in the armsory with Sgt. Bass and Capt. Miller officiating. Each boy on the rifle team is given individual medals and is presented a jacket from the school. The luncheon was served in the Home Economics Dining Room. Patsy Good, Jean Gilreath, Jane Sweeney, and Barbara Dutton were hostesses at the meal, which was prepared by Mrs. Mercer Clementson's second year classes. Miss Margaret Taylor's classes were in charge of the table setting and salad making.

The color scheme of purple and gold was carried out in the flowers, place cards, and decorations.

Music during the meal was furnished by Diane Gross at the piano.

Tournaments Featured in May Day Program

An unusual feature to be presented on May Day this year, is that of the six different tournaments played by the girls of the gym classes. The fourth period class will present this part of the program. The games to be represented are: batball, newcomb basketball, softball, volleyball and soccer. There will be a referee in charge of each game; they are naming them in the same order of the above games: Jo Ann Gamble, Dianne Gross, Christine Campbell, Nancy McAllister, Doty Weaver, and Nannie Smith.

There will be two teams playing in each game. The other girls in the class will be on one of these teams. Sections of the field will be marked off for each game. Each part of this performance will be preceded by the narrator, who will give the story over the loud speaker.

Archie Slaten Wins Boxing Championship

Archie Slaten, alum of Central and boxing champion while in high school, has advanced to further honors in this sport as a senior at the University of Miami.

A recent report of the NCAA annuals at Madison, Wisconsin, announced Archie as one of the ten champions in the fifteenth Annual NCAA Boxing Tournament which will take him to the Olympic trials at Kansas City and will make him eligible for individual trophies.

The tournament host was the University of Wisconsin squad.

According to a report from the Madison tournament, Archie turned in the night's upset victory over Everett Conley of Washington State, the collegiate lightweight king for the past two years. Archie undaunted by a record of Conley's twelve straight victories held the lead all the way through.

McCallie School Honors Bales

Central's "Bang Bang" Bales, retiring head coach of the basketball and baseball teams, was honored in a pre-game ceremony at McCallie on April 4. Coach Bales was presented a scroll and gift certificates in recognition of his 39 years of coaching at Central. Presentations were made by Dr. Bob McCallie and Russell Tate on behalf of the McCallie School.

The scroll presented Bales read as follows:

"In appreciation to William P. Bales—Christian gentleman, good neighbor, worthy competitor and true friend—who as basketball and baseball coach at Central High for nearly 30 years, has by his fine sportsmanship and splendid example contributed in a wonderful way to the cordial relations between Central High and the McCallie School.

Central will never have a finer coach and McCallie will never deal with a finer gentleman than you have proven yourself to be through the years. We, at McCallie, consider it a privilege to honor you and will always remember our close association with you with the greatest of pleasure."

Williams Is Standout in Southern Relay

Jimmy Williams, senior, won low hurdles and finished third in the 100-yard dash semifinal heats in Birmingham. Nearly 600 athletes from all over the Southern states were trying for the semifinals and finals. Williams was one of the top individual performers in the semifinals.

Jimmy was in the finals of Central running against men from Miami High, Ramsay High of Birmingham; Jordan of Columbus, Georgia; Marietta, Georgia; Lanier of Montgomery, Alabama.

The times were held down by a soggy track and a sharp head wind. At the midway point of the events were delayed because of heavy showers.

On Saturday in the finals Williams won the 180-yard low hurdles and second in the 120-yard high hurdles. Williams was on the ball shuttle team that won second place. He gave the second best individual performance.

Tommy Tillman was in the semifinals from Central also.

Burnell Pruett Returns to Central After Serving Over a Year in Marine Corps

Burnell Pruett has returned to Central after over a year's rigorous training in the Marine Corps. He was a member of the reserves and was called to duty during the summer of 1950. His early release was due to his entering the reserves at the age of sixteen. Burnell was first stationed at Camp Pendleton in Oceanside, California, under the leadership of Al Tom West. After a month he was transferred to San Diego to help train a new group. Other Central boys in camp were Jim Miller, Jug Henshaw, and Ralph Galloway. He studied at the Marine Corps School for Cooks and Bakers for about a year. Of the many parts

Reverend Emerson Is Speaker in Assembly

Reverend James W. Emerson, pastor of the Thankful Memorial Church and Chairman of religious education of the Chamber of Commerce, spoke on "What Made America What It Is and What Must be done to Keep it", at Chapel period, April 8.

He said that "Our religion is what made our country what it is and that it is the only thing that will make it survive."

Reverend Emerson said that "Because we are children of God, we have freedom of choice and opportunity, government by the people, equality under law, free educational system, and sense of generosity and charity toward those of other parts of the world."

Lt. Bray Speaks On Service Work for Girls

Lieutenant Lydia Bray, WAC and WAF recruiting officer of Augusta, Georgia, spoke to the senior girls in the study hall during homeroom period March 14 about the qualifications and opportunities of women in the services.

A girl who wishes to join the services must be between the ages of eighteen and thirty-four, must pass both physical and mental tests, and must be single. Girls under the age of twenty-one must have both parents' consent. According to Lieutenant Bray, a girl who goes into this type of career has the opportunity of meeting people, working for a college degree, and having the satisfaction that she is helping her country.

Lieutenant Bray emphasized that women weren't trying to replace the men, but were serving so that men might do hard tasks elsewhere that women couldn't ordinarily do.

The Central High School Band Department, under the direction of B. H. Walker, is presenting its annual spring concert Friday, April 25, in the school auditorium at 8:00 p.m. and a matinee for the students on the same day. The concert will consist of a varied program including marches, patriotic selections, overtures, novelties, solos, ensembles, and sacred numbers.

Delegates Elected For Boys' State

Gene Goodner, Jimmy Pack, and A. L. Evatt have been chosen from the Junior Class as Central's representatives to Boys' State, which convenes at Castle Heights, Lebanon, Tennessee, in June. The three alternates are Jerry Payne, George Louis Broome, and Dan Wade. These boys were selected on the basis of leadership, character, loyalty to the school, service, and character.

Boys' State is a civic organization sponsored by the American Legion, and the motto is "Learn by Doing." The main ideals of this organization are: to develop the art of clean sportsmanship, to emphasize the responsibility of leadership, and to teach the advantages of citizenship.

The faculty committee for selection of boys was Mrs. Reba Fultz, Mrs. Blanche Rogers, Miss Minnie Lee Morgan, and Mr. S. Q. Tallant.

The boys who attended the meeting last year were Frank Fuld, Don Robinson, and Rex Ford.

Features will include solists and ensembles who received a Superior rating in the state contest this year—trombone soloist, cornet soloist, and a cornet trio, by a spectacular, cheerful and descriptive novelty for which the Band Ensemble received 31 complimentary letters after playing it in a grade school chapel program. "Little Red Caboose is the title of the novelty.

SELECTION COURSES

With only a few weeks remaining in the school year, the time for registration and arranging schedules is fast approaching. Underclassmen will soon face the question of the decision of courses and the periods for classes for 1952-53.

There are two ways of registering. One way is to go at it in a hit or miss fashion—sign for the required courses and then fill in the remaining periods with whatever subjects were going to take. The second method, and by far the wisest and most desirable, is that of thinking through the whole year and deciding on those courses which will be most helpful in the work the student expects to do when he leaves school.

The person who plans to go to college will do well to follow in addition to the required subjects, his mathematics through the four years; foreign languages should not be neglected, and science should find its place in his schedule. Those who expect to follow a business career will take as many of the commercial subjects as time allows. Those interested in and who show special aptitudes in the mechanical arts should pursue courses in printing, mechanical drawing, auto mechanics, or wood work.

Central offers a variety of other courses for people of almost any talent or taste—music, art, Bible, home economics, and the social sciences.

Thinking and planning may determine success of one's high school career.

ARE YOU PROUD OF CENTRAL?

Central students should look around them, observe general conditions of the campus, halls, and lockers, and think of means by which they can be improved.

Last spring grass was planted, and for all summer it was watered and tended. This grass should be protected and walked on as little as possible; everyone should think twice before leaving ice cream cups, papers, and his lunch scraps lying around to clutter up the campus.

Visitors often come to Central, and students should have enough pride in their school to want to leave good impressions. When a book, paper, or anything at all is seen lying in the hall, someone should pick it up. If it is an article of value, it should be taken to the lost and found in First Aid.

When lockers are received, each student wants to have a clean, nice, new locker. In order to keep it so, students should refrain from drawing pictures, writing names with lipstick or pencil on them. This is damage to school property.

Central's Girls Upset by Federal Inspection

The other day upon entering Central I was amazed to see so many boys in uniforms with their ties straight, uniform without a wrinkle in them, and their shoes shined till one could see his reflection in them.

I found out they were merely having a "little old Federal inspection of the R.O.T.C. by an Army officer" as one sophomore interpreted it.

Central, through the Digest, wishes to express its deepest sympathy to Pat Westbrook in the loss of her father.

We Salute . . . Ware and Jacoby

The first teacher of the week is Mrs. Henry Ware who has taught at Central for the past twenty years. Since coming to Central she has been in the mathematics department. She is a member of the St. Marks Methodist Church.

Ware's favorite sport is tennis and her personality makes her a favorite among her pupils. She teaches Algebra II.

The second teacher is Mrs. William Dunlap Jacoby who is another Algebra teacher and has been at Central 23 years. She has been a member of the First Christian Church for the last twenty-five years.

She taught the Young Matrons Class for eight years and the Women's Class for ten. Her summer's are spent like most teachers—keeping house and traveling.

Second, a sophomore, who also wears it in a cute-looking short-cut—(whoops)—what kind of a hair style is that? He because there was a number "City Hospital." "Hopalong" appeared in "Suspense." Central Downs Rossville, 5 to 4, in Fifth Straight Win

Central's baseball team won their fifth straight City Prep League game Thursday, April 17, by defeating the Rossville Bulldogs by the slim margin of 5-4, on the Central diamond at Frawley Field.

The Pounders scored their winning run in the seventh inning when Dan Wade was walked, stole second, and came in on a double knocked by Ken Hudgins, catcher.

The Bulldogs chalked up their four runs in the fifth when Jimmy Pack walked three and gave up three hits to the Rossville nine.

Two of the other fortunate Pounders were Paul Potter and Jimmy Sloan, both of whom made three hits each. Central ran three hits ahead of Rossville with nine to their credit. Both the Bulldogs and the Pounders had one error against them.

Tom Mize led Rossville in batting with two hits.

Central's Baseball Team Is Riding High on Crest of 5 Wins

Central High's baseball team is now sporting the best record of any high school team around the Chattanooga area.

As this story is being written the Central diamond combine has to its credit four wins and no defeats.

In the season opener Central defeated Tyner by 4-3, to get off to a good start as Tyner has a good baseball team which has only lost to Central.

The next game found the Central lads coming out victorious over a strong McCallie team, in which the McCallie School honored Central coach, W. P. Bales as retiring baseball coach. The final score ended up with Central winning by 6-4.

With the team off to another successful season, the Balesmen played Tyner again in a City Prep League game and came out victorious as they won by 1-0. The lone tally came in the second inning after Wade had singled and stole second. Sylvester's single brought Wade home from second, with what proved to be, the game winning run. Central collected for only two hits while Tyner collected seven safes.

In a game played out of the City Prep League, Central blasted Bradley High by 8-4 in the game most recently played by the team as the biggest display of power this season has shown to mark a decisive victory.

PARADE OF POUNDERS

Boys appearing in this year's Parade of Pounders help comprise the baseball team and are also actively engaged in other Central High athletics.

Heading this list of players Jimmy Sloan, shortstop and captain of this year's team, who played for three years on equal.

Another boy who has done much to help make a winning combination is Bill Sylvester, who has been chief factor in several games coming through with important blows.

Making the most of every opportunity to play in sports is pitcher for the Balesmen, Jimmy Pack. Pack, besides being one of the mainstays on the mound, has been equally important in the batting department.

Probably one of the most outstanding positions on the team is that of catcher. Ken Hudgins has been ably holding down this position, and, in the Rossville game provided the winning run with base blow.

FAITHFUL TO THE END

As we approach the end of another school year there is such a flurry of things to divert our interest, that it is difficult to carry out responsibilities properly.

There are many essential elements in a well rounded high school education, but classes are of utmost importance. They are our first responsibility at school and should not be pushed aside to make room for everything we would like to participate in.

It is true that we have reached the "home stretch"; but it is the time to muster our greatest strength to enable us to win the race, for our past success will not tide us over the end. We are not stop working and expect our teachers to give us passing grades.

It is not all the students fault, however, for they must work under a great handicap. Sometimes it seems that class time is given over to things which are of relatively little importance, and students are required to attend. The value of a class period seems to be somewhat forgotten.

It has been said that a good student would so plan his extra curricular activities that they would not interfere with his regular work. We must take this advice, and when instances arise which require a decision between classes and outside activity, let us weigh the value of both before we push the class aside. M. Mc.

A TEACHER'S PRAYER

Dear God,
 Help me, that in my life-time, I might build one man or woman who will be worthy of thy love; one who will be strong enough to know when he is weak and brave enough to face himself when he is afraid; one who will be proud and straightforward in the effort, honest in defeat, and humble and gentle in victory.

Help me to build, O Lord, a citizen whose heart will be filled with truth, whose ideals and aims will be high; a man or woman who will master himself before he seeks to master others; one who will learn to laugh, yet never forget how to weep; one who will reach into the future yet never forget the past.

And, O Lord, when all those things are won, add, I pray, integrity that he might always walk uprightly; enough of a sense of humor that he may always be serious, yet never take himself too seriously. And lastly, give him humility, so that he may always remember the simplicity of true greatness, the open mind of true wisdom, the meekness of true strength.

Then, I, the teacher, will dare to whisper, "I have not lived in vain." Selected.

The Origin of May Day

Few people realize that May Day was observed by the ancient Romans who went in procession to the Grotto of Egeria. May Day was a public holiday in Medieval England and also during the Tudor reign. All the people arose at dawn to go a-maying, and bearing down to the towns. A may pole usually made of birch and adorned with ribbons and wreaths was the center of the procession. These were set up just for the day, but those in London made of durable wood remained there permanently. Since the Puritans disapproved of the may pole, Parliament passed a law in 1664; and during the Restoration may poles were again established. Twelve British soldiers under the direction of James II erected a may pole 138 feet high. The International Socialist Congress of 1889 selected May 1 as a national labor holiday, and many other countries observe the same day. Actually there is no connection between Labour Day and the May festivals.

Historic Implements Unearthed at Central

Ladies and gentlemen, let me present Professor Ivan Van Shookle, noted archeologist now excavating on the front lawn of that hallowed institution of Central High School. The Professor has made several extremely rare discoveries. For instance, last week he discovered a short flint, yellowish flint believed to have been used for writing purposes by a fierce nomadic tribe called the "Lunch Time Skippers."
 Also of interest was the discovery of a bottle with some kind of fluid in it. This rare find was labeled "Peroxide", but its use is unknown. It is believed to have been used during the "Chemical Head" era. This era preceded the famous time known as the "Shiny Dandruff" or "Old Baldy" age.
 Next came probably the greatest discovery of all time. This rare article was actually found on top of the ground! After days of close examination Professor Van Shookle pronounced the mysterious find to be a piece of rare Egyptian papyrus. However, after careful study it was later pronounced a piece of msa sapientum sometimes called banana skin.
 The Professor has asked that students please be careful of his excavations (?) as yesterday someone planted a piece of shrubbery in one of his most important diggings.

Temple College Group Entertains at Central

The Girls Hi-Y recently sponsored a chapel program which was given by a group of students from Tennessee Temple College.
 The students were introduced by Gretchen Britton. The first number was by the Quartet, which was made up of Don Jones, George Maggoner, Phil Lindsay, and Joe LaRogue, who sang "I Had a Dream, Dear" and "Every Day With Jesus." They were accompanied by Bill Holliman who played the piano. Next on the program was a saxophone solo "Over Shadows", by Ray Moore. The quartet returned then to sing "A New Day", "Down in Glory", and "Christ in Captain of the Mighty Thron." Ray Moore rendered another saxophone solo, followed by "We Shall All be Changed" done by the quartet. Following this Don Jones sang a special number. To conclude the program Don, by request, sang "I Won't Have to Cross Jordan Alone."

Bass Replaced By Martin in R.O.T.C.

Sergeant Kenneth Martin was introduced to the faculty at the last meeting as the latest addition to the R.O.T.C. staff.
 Sergeant Martin, who comes from Red Bank, had been in the service fifty-two months before coming to Central. His impression of Central seems favorable, although having been here only a week, he said "Central has an outstanding staff."
 Sergeant Martin is taking the place of Sergeant Vernon Bass who was transferred from Central for some unknown destination.
 Sergeant Bass, a graduate of Central High School of Charlotte, North Carolina, entered the Army in 1942, and served throughout the European Theater with the First and Seventh Armored Divisions. With the Ninth Infantry, in connection with the Second Infantry, Sergeant Bass fought in the Battle of the Bulge and the Roer Rocket.

Who's Who

Being a twin has its advantages and disadvantages. Although twins look alike and their names are times quite different. There are at least six sets of twins at Central, some of them are being featured in "Who's Who" this week.
 Dale and Gale McCord, sophomores, always dress alike, and their ambitions are to be nurses.
 Weldon and Wilburne Markham seniors, differ along certain lines. Weldon's ambition is to get married and his ideal girl is Kay Fry.
 Jean and Joan Turner, who have light brown hair and green eyes have college in mind as their ambition.
 Don and Wayne Roberts, though are not identical twins, have the same ambition which is to go to college. Don's favorite food is yogurt and Wayne's favorite is mangoes.
 Shirley and Charlotte Childress also have the same ambition, which is to get married. Their favorite sport is swimming.
 Johnny Brown, sophomore, and Tommy Brown, eighth grader, have the same favorite sport which is football.

The Faucet by Glen and Dan

Few of Central's baseball followers would have thought that their diamond squad could have such a successful season as they are having.

The team has been plugging away as a whole and have been winning the close one-run games as well as games in which they have a wide margin.

As if in a final tribute to Coach Bales for his years as the baseball coach, the team has been full of spirit and a fighting unit even when the chips have been down. It seems that the baseball team might be thinking about duplicating the fete of the football team. The boys who played on this year's football team and are members of the baseball team probably have installed this will in the other boys, et's hope this is so, for it would be a high achievement to have two state championship teams in the same year.

Mr. Stoner Serves On Journalism Committee

The Tennessee High School Press Association selected three teachers from Tennessee to conduct a survey of high school papers in the state at the annual convention held in Memphis April 4-5.

The purpose of the survey is to try to help high schools improve their papers. All teachers of journalism and teachers connected with the school papers will be asked such questions as; the amount of time spent on the paper each week.

The report will be combined and submitted to the state for suggestions and improvement.

Honors Received By Girls in Gym Classes

Many events have taken place in gym since the last story on girls' sports. One hundred and thirty-three girls have received their First Aid certificates.

During this year four hundred and thirty people made up teams in the six tournaments. Of this number one hundred and ninety people have received P.E.'s, by playing on three or more teams. Of the one hundred and ninety people receiving P.E.'s, between twenty and twenty-five will receive their school letter. This is the highest honor that can be attained by girls who play in tournaments. The soft ball tournament will be completed after May Day worries are over.

Cooper and Slaten to Attend Hi-Y Meeting

Charles Cooper and Richard Slaten have been chosen by the Boys' Hi-Y as delegates to the Hi-Y convention which will be held in Blue Ridge, North Carolina, August 10 through 23.

At the close of the game Central led the Lions with seven runs, eight hits and no errors. Red Bank had no runs, two hits, and one error. This was Central's sixth straight game with no losses making the Pounders the only undefeated team in the City Prep League.

Wednesday afternoon, April 23, Central had a return game with the Rosville Bulldogs at Rosville's field. The score was the same as the first game with Rosville, 5 to 4, and the Pounders winning again.

Paul Potter, Dan Wade and Ken Hudgins were the leading Pounders with two hits each. The only extra-base hit was a double by Jimmy Pack. Bill McBryar, Central pitcher, gave up only five hits to the Bulldogs.

PARADE OF POUNDERS

In this week's Parade of Ponders are several of the coaches who have helped mold the athletic teams into effective units.

One of these coaches, a comparatively newcomer to Central, regard to the length of time with the other coaches have been Central, is Gordon Atchley.

Coach Atchley, in addition to teaching science, has been coaching on the varsity football team and also the seventh and eighth grade basketball teams.

Another coach who has been Central several years is Gordon Smith. Coach Smith is head of Diversified Occupations Class and coach of the golf team.

In addition to these coaching duties Coach Smith will direct the boys basketball squad next year.

Coach Smith was appointed the basketball coach after W. P. Ball announced his retirement from coaching duties after this year, the advice of his physician.

Winning Streak Ends As Central Bows to Red Bank in First Loss

After the May Day celebration at Frawley Field, Central played Red Bank. Following the game most of the joy was lost in the sadness of Central's first defeat. The winning run was scored in the seventh inning by the Lions' Carlos Springfield. Springfield brought in three out of four of their runs.
