

CENTRAL HIGH SIGNS PUPILS

Registrations Taken All This Week

Students planning to attend Central High School this fall but who have not registered should report to room 203 at the school this week, between 9 a.m. and noon or between 2 and 4 p.m. It was announced by James E. Hale, guidance director.

Students who have registered but who must change their schedules should report to Mr. Hale at the same time, it was explained.

In another announcement related to the opening of school, Capt. Richard W. Brown, professor of physical science at Central, said that ROTC uniforms will be issued after the beginning of the school term and that the first day for issuing uniforms will be Sept. 5.

All students in grades seven, eight and nine will report to Central on Thursday, Aug. 30, at 8:45 a.m. All students in grades 10, 11 and 12 will report on Friday, Aug. 31, at 8:40 a.m. County School buses were scheduled to operate on both days.

Students will not report to school on Monday or Tuesday, Sept. 3 and 4, it was explained. Monday being Labor Day, and Tuesday being an in-service training day for teachers. All students will report to school at 8:40 a.m. Wednesday, Sept. 5, and all classes will be full period in length for the entire day.

Cushions Urged On Grid Helmets

Crest-type cushions at football helmets and emphasis on reducing unnecessary roughness tactics were suggested by a panel of athletic experts as measures for reducing injuries among high school players.

Comments on football injuries and how they may be reduced were made on a local television program, "The Question of the Week," sponsored weekly by the Junior Chamber of Commerce.

Guests were Coach E. B. Etter of Central High School, Dr. Earl Campbell Jr., local orthopedist and authority on athletic injuries, and Pat McHugh, former All-American football player at Georgia Tech and professional player and a veteran official of the Southeastern Conference. Robert E. Moore served as moderator.

The experts agreed that high school football is being played by more boys than in past years, accounting for an increase in injuries and deaths, but also that the game is rougher and is played harder, probably because youngsters attempt to emulate hard-playing professional stars whom they see in action each week.

Dr. Campbell suggested the "recoil" rubber cushion attachment, to reduce the effectiveness of their use in battering weapons by their wearers.

He pointed out that most football injuries involve the knees and ankles. He said head and neck injuries are rare but are usually more serious when they occur.

Central to Open For Enrollment Daily This Week

The enrollment books of Central High School will be open daily this week from 9 a.m. to noon and 2 p.m. to 4 p.m. for registration of all students who plan to attend and who have not already registered. Robert Millsaps, principal, announced Saturday.

James E. Hale, Central's guidance director, will be in the office during these hours. Students who have registered, but plan to change their schedule, should also report during the week.

All Central students for the 7th, 8th and 9th grades (junior high level) will report to the school at 8:45 a.m. Thursday for assignment to classes and distribution of supplies.

All Central students for the 10th, 11th and 12th (high school level) will report Friday at 8:45 a.m.

County school buses will operate both Thursday and Friday.

Students will not report either Monday or Tuesday, but will come to school at 8:40 a.m. Wednesday for the first full day of school.

Monday is Labor Day and Tuesday is in-service training day for members of the school faculty.

Community Residents Invited to Central

W. Hobart Millsaps, principal of Central High School, has issued invitations to students and parents from Murray Hills, Glen Mar, Hatcher Heights, Roberts Road and Old Harrison Pike areas to visit the school Wednesday night from 7 to 9.

Mr. Millsaps announced that changes in school bus routings will bring many students from these areas in the school.

Drills to Begin Tuesday

For Central High Band

The Central High School band will begin practice sessions for the marching season Tuesday at 8:30 a.m. and will continue each school day until school opens.

All old members and prospective new band members should register in the band room with Morris Bales, band director.

The schedule each day will be 8:30-10 a.m., marching practice; 10:15 a.m.-12:15 p.m., band practice; 1:30 p.m., remedial work and try-outs.

Brainerd, Hixson, Tyner Victors in HIL Jamboree

By EDIE DAVIDSON and RAY DEERING
If the 3rd Annual Hamilton Inter-scholastic League Football Jamboree is any indication of things to come, Brainerd, Hixson and Tyner are the teams to watch in local high school football this season.

Brainerd rolled over City 12-0, Hixson bumped Ochs was 14-0, and Tyner topped Notre Dame in the Friday night action preview at Red Bank's Rankin Field.

But, probably the most surprising event of the night was up-and-coming East Ridge battling perennial powerhouse Central to a 6-0 tie. In the other 12-minute encounter of the night Soddy-Daisy and Red Bank also battled to a scoreless knot.

The event, which was moved from the University of Chattanooga's Chamberlain Field in order to avert a riot, seemed none worse off for the shift in site. The crowd was estimated at about 1,000 people, and spectators who attended at Chamberlain Field last year. Rankin Field was obtainable for \$400 less than the cost of one night's use of Chamberlain Field.

Proceeds from the festival will be evenly divided between the 10 participating schools and will be used to help defray the expense of injury insurance for the many athletes on the squads.

FOUNDER PLUNGE: Central halfback Steve Bevil fights his way through the East Ridge line for 8 yards Friday night in the 3rd Hamilton Inter-scholastic League Football Jamboree at Red Bank's Rankin Field. The Pioneers and Founders battled to a 9-0 tie for 1 quarter.

The Sight of Purple

Central and City alumni had a lot of fun playing the oldtimers' game on the Yarnell Barnes Memorial program. And they are still having fun talking about it. "The sight of purple still does something," Central men say.

Bill Teppenpaw has his answer to that. "It was the first time I ever faced Central when Central beat City," he says.

Dickie Phillips and Butch Rigby Named Times' Players-of-Week

By RAY DEERING

Dickie Phillips, Central's rugged left speedy tackle, and Butch Rigby, Saddy-Daisy's powerful ground-gaining fullback, Sunday night were selected as The Times' back and linemen of the week, respectively, for their stellar performances last Friday.

Phillips, 250-pounder and occupant of the Pounders, was an important cog in the Prep Central machine which rolled past Saddy-Daisy's other state grid power house Clarksville by a lopsided 27-0 count Friday night.

The robust senior is a versatile grinder, according to Pounder coach E. H. (Red) Etter. "He could play anywhere," Etter noted. "Dick has good agility and speed. He's been playing line backer, offensive tackle and has been doing a good job centering on punts."

"He always winds up downfield, but contentedly," Etter continued. "He's been our leading blocker and tackler in our grading system which we use after every game. He wears contact lenses and, in addition, is a good pass catcher."

Etter said about the play of halfback Steve Bevil and Terry Pryor. "As the boys gave good effort Friday and when Bevil later caught the pass in the first quarter, there were eight downfield blocks."

Several of these contacts are scheduled for Friday and Saturday in the Chattanooga area. Central enters a strong Kingsport team at Chamberlain Field. Baylor and McCallie each got their first taste of All-South competition as the Raiders host Darlington Friday at 3 p.m. while the Blue travels to CMA Saturday night.

Central, Red Bank and Hixson came through with victories in the Hamilton County Junior High football league Tuesday, Central posting its second win to take the loop lead and the defending champion Red Bank team posting its 19th successive victory over four years.

Central topped East Ridge 8-0 on Wes Plamond, 20-yard run, the Pounders' second win in two outings. Two other Central threats were halted by Panthers.

Red Bank took Tyner, 13-0, in its first outing. Jack Floyd running seven yards and Buddy Allison plunging two for the Lion scores. Dennis Allison stood out for Tyner with his passing.

Hixson amassed 218 yards pushing to 18 for Saddy-Daisy in routing up a 21-0 victory. Terry Newwood scored on a 60-yard run and added another touchdown and Ronny Kursey tallied once for the Kittens.

SEVEN GAMES SET ON FRIDAY, ONE IN HIL

City, Tyner, Red Bank, Ooltewah, East Ridge, Baylor Hosts

By BOB GORHAM

News-Free Press Sports Writer
For the second straight week, Chattanooga area fans have a chance to see some of the state's big-wig football powers in action this time with the schedule sending Kingsport against Chattanooga Central here and Bradley's defending state champs to Oak Ridge on Friday.

Central, currently ranked No. 1 but a strong candidate for No. 1 after a convincing 27-0 win over 10th-ranked Clarksville, makes its second straight appearance at home and again meets a highly touted foe. The Kingsport Indians were in the No. 5 spot in the Associated Press poll last week and tied Morristown (No. 6) 7-7 Friday.

Central has had tough sledding against Kingsport the past three years, losing twice and winning by 7-0 last year on Glenn Jones' conversion. This kicking phase of the Pounders' game is destined to play a big part again this year for Coach Ed Etter's boys can do it all.

Jones can reach the goal line or vicinly on kick-offs with just a two-step approach and can punt with the best. And despite his extra-point kicking ability, that chore is handled by Bobby Etter, following in the footsteps of brother Gene, another of the coach's sons.

Bear, Pounder Game Could Decide Crown

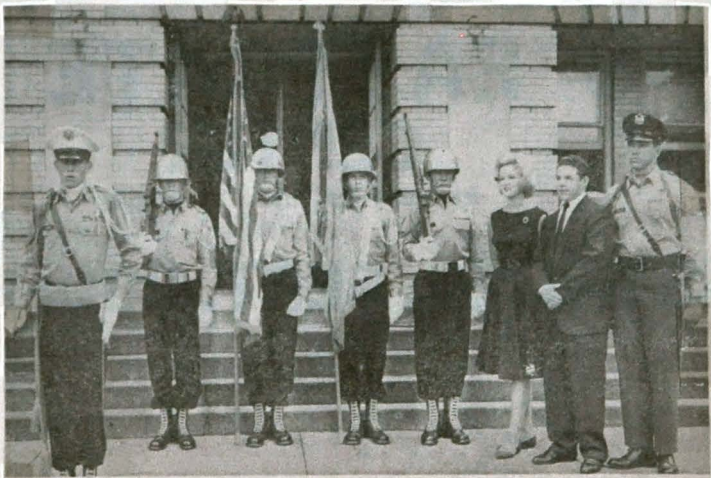

By UNITED PRESS INTL.

Bradley County, the leader, and Chattanooga Central, the runner-up, were far ahead of the rest of Tennessee today in United Press International's first high school football ratings of the season.

The two powerhouses, located about 10 miles apart, will carry over 10 records into tomorrow's game this weekend. Bradley, which hauled away a case full of high school athletic trophies last year, meets third-ranked Oak Ridge Friday and Central plays eighth-ranked Kingsport Dobyns Beaman.

If Bradley and Central continue to roll, their Oct. 5 game could decide the state championship.

Central Bids for Higher State Ranking Against Kingsport Here

Bradley and Central 1-2 in AP, UPI High School Football Polls

Central-Kingsport Game Is Feature At Chamberlain

Games in just one of Mississippi's attractive games here Friday night. Central, ranked No. 2 in the state, goes against the No. 6 team, Kingsport, at Chamberlain Field; Red Bank hosts unbeaten McMinn County; Southeastern County is at Oak Grove; Notre Dame is at East Ridge, and Hixson at Tyner.

Central-Kingsport Tilt at Chamberlain Tops Bill of Fare

By BOB GOHRAM

Nova-Free Press Sports Writer

With the first real football weather of the year in prospect, Chattanooga fans will look to six games here tonight with the bulk going to Chamberlain Field for the clash of the ranking powers, Central and Kingsport.

Other games held Rossville at City, McMinn County at Red Bank, Sequatchie County at Collierville, Notre Dame at East Ridge and Tyner at Hixson. Sody-Daley is on the road at Marion County for a 7:30 (CST) contest and Brainerd and Baylor are off this week. McCallie is at CMA Saturday.

There is no frost on the pumps yet but the temperatures are now low enough to insure some spiced-up performances by the griders and necessitate sweaters and jackets for the fans.

Central (3-0) is ranked second in the state and Kingsport (1-3-1) is sixth. This is the 36th renewal of a series that began on a mistake. It means Kingsport asked for a game and Central said it would send its B team, thinking it was Kingston instead of Kingsport wanting to play.

It has been no mistake to continue the series however, for annually these teams produce some of the finest football in Tennessee.

CENTRAL JUNIOR DOWNS RIDGERS

Red Bank, Hixson Victors in 1st League Tilt

Central Junior High broke through East Ridge's defense in the first quarter for a touch-down and made it stand up in a 6-0 victory in a Hamilton County Junior High League football game at East Ridge Tuesday afternoon.

In other league action, Red Bank defeated Tyner 13-0 and Hixson won over Sody-Daley 21-0.

Central's touchdown came on a 20-yard run by Wes Williams. Central threatened twice more but lost the ball both times on fumbles. Phil Lewis stood out for Central at fullback and linebacker.

Jack Floyd capped a 65-yard drive in the second quarter for Red Bank's first score, running 7 yards for the touchdown. Bud Allison changed 2 yards after a 46-yard drive for the third period score.

Bill Bond, Tom Wentz, and Steve Kille were singled out for defensive play for Red Bank and Floyd, Allison and quarterback Gary Sanders were praised for offensive play. David Jones, George Mitchell and Dennis Allison were sparks for Tyner. Terry Norwood scored twice on a 60-yarder, and Runny Karsney one in Hixson's victory.

Unbeaten Chattanooga Central widened its lead this week in the Roberts tri-state high school football ratings, moving 13 points ahead of challenging Bradley County.

Baylor, opening its season with a 7-0 victory over Notre Dame, moved out. Brainerd for third place, holding a half-point lead over the fourth-place Rebel and Chamberlain County. McMinn County managed to retain its hold on the No. 5 position.

Central Widens Lead in Ratings

A newcomer to the Top 10 is Oak Ridge, which opened its season Friday with a victory over Knox East. The Wildcats, who face Bradley County at home this Friday, hold 6th place and are considered a 7-2 point underdog.

Rossville, edging Cedartown 7-6 last week, slipped from 4th to 7th and Franklin County fell one place to eighth. Sevier, Daley and Notre Dame swapped positions this week, the Irish slipping to 10th.

Following Rossville in the Georgia ratings are Cedartown and Dalton and the top-ranked Alabama teams are Fort Payne, Scottsboro and Sylvia.

Last week Roberts correctly predicted winners in 24 of 27 games with one tie for a percentage of 88.9. The season total is 44 correct picks against 8 misses and 3 ties, an 83.6 percentage.

GAP CLOSER BETWEEN FOES: OAK RIDGE 3RD Top 10 Shaken Up But East State Teams Dominate

By BOB GILBERT
NASHVILLE (AP)—Bradley County winner of a 20-0 victory over Knoxville Young remained its No. 1 ranking in the state today, but Chattanooga Central and Oak Ridge closed in on the Bears.

East Tennessee again dominated the weekly Associated Press poll, grabbing off the first six positions. The biggest jumps of the week were those of Sevier (1-0), from seventh to four, and Oak Ridge (1-0), from ninth to five.

Morristown (3-0-1) and Kingsport Dobyns-Bennett (1-0-1) who tied 7-7, swapped places. Morristown is No. 5 and Kingsport No. 6.

A 44-7 victory by Madison (2-0) over Nashville Hillsboro pushed the Rams into the No. 7 spot. Madison may have the best record in Middle Tennessee, but observers aren't giving up on Nashville Ryan (1-1), which last week had a 40-0 decision to St. Xavier of Louisville, Ky., and the No. 8 poll position.

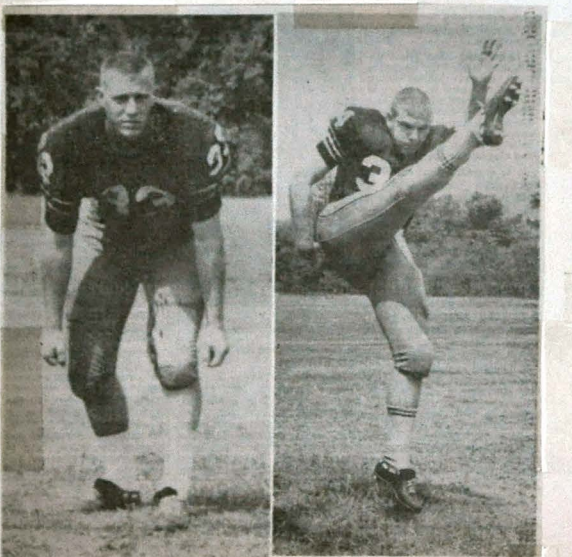

Johnson City, with only a 2-2 record, got enough votes on the strength of a 14-0 victory over Knox Central to place No. 8.

Two Memphis teams, Central (2-0) and CHHS (2-0), round out the top 10. Central literally smashed Nashville Linton, 17-7, sending seven Linton players to the sidelines.

Trailing 19-6 at halftime, Bradley (2-0) caught fire and scored three touchdowns within a six-minute period to down Young. Bradley picked up 11 first-place votes, while Chattanooga Central (3-0) got eight Central scored an impressive 27-0 victory over Clarksville, which fell from the top 10.

The top 15 has 10 points for first-place vote, 8 for second-place and won-lost records and first-place votes in parentheses:

POUNDER FULLBACKS—Tommy Turner, left, and Glenn Jones have been easy on the bulk of the fullbacking load for Central this year. Turner sees considerable playing time and has scored 23 points. Jones is a sparkling punter, extra-point specialist and kicker. Both will be in action against Kingsport here Friday at Chamberlain Field in the No. 2-ranked Pounders seek to protect their unbeaten record.—(Staff photos by Bob Sherrill.)

Baylor and Brainerd, third and fourth, respectively last week, were idle and remained steady. Cumberland county slipped from fifth to sixth and Rossville and Franklin County held onto seventh and eighth, respectively.

Noed Out Irish

East Ridge defeated Notre Dame 15-0 Friday and took over ninth place, dropping the Irish out of the top 10. East Ridge was ranked fifth in Roberts' first release. Boddy-Dalay, still undefeated and unscored on, is 10th.

To date, Roberts has correctly predicted outcomes of 65 games in 81 attempts. Last week's selections were accurate in 24 of 32 games.

CENTRAL'S RED' ETTER VIEWS HIS 151ST CAREER COACHING VICTORY

CENTRAL

Electors are voting the air around Central with curiosity and eager anticipation.

This past Thursday and Friday the Student Council held its elections for class representatives and homeroom representatives. Five students were selected from the senior class; four from the junior; three from the sophomore; two from the freshman; one from the seventh and eight grades; and one student from each homeroom. These students comprise the Student Council along with the executive members who are elected to the council in the spring.

At the last meeting of the Student Council, it was decided to sell stationary with the school seal and name to help raise money for the State Student Council Convention for which Central will host in the spring.

Many sophomores will be grooming with sore muscles Tuesday from practicing cheers. Try-outs begin today and the final try-outs will be held Thursday in assembly. Two boys and two girls will be selected by student applicants from the eight finalists selected by the cheerleaders and a faculty committee.

Electors for class officers will vote this week. Students will also vote for officers through the Kongs. The senior class will also elect its officers in a class meeting in the auditorium.

Intelligence and occupational interest tests will be administered to grades seven through eleven beginning today and continuing through Friday. These tests are administered to determine a student's strongest field of study and to let a student see where improvement is needed.

The student body was presented an assembly program Thursday by Mr. Ernie Palomquist, the creator of the miniature, hand-carved Kingling Brothers' Circus. Mr. Palomquist spoke to the students about the importance of a hobby and presented some of his tiny carvings.

A new reading program at Central is being initiated by Mrs. Jane Ross, reading advisor. This program supplements the English classes and is taught to increase a student's reading speed and comprehension.

Anybody want to buy some candy and doughnuts? This is a familiar question to members of the Central Band and Civil Battalion, who have been earning money to finance their trip to Elizabethton Friday night.

Central has been invited to attend the Bellamy Award Ceremony for 1962 in Waterloo, Iowa. A student-faculty delegation has been selected to visit Waterloo Oct. 8 through Oct. 12. The representatives are: Miss Marjorie Ozle, Miss Mildred Major, Principal W. H. Millizee, Mrs. J. Pogue Dyer, Superintendent Sam McCool, Alice Petty, Russell Duggs, and Sandra Hale.

2 SERGEANTS TO ROTC HERE

Jenkins to City, White to Central

M. Sgt. Luther V. Jenkins and Staff Sgt. Waymon L. White have been assigned as ROTC instructors at Chattanooga High and Central High schools, respectively. It was announced.

Sgt. Jenkins, a veteran of 18 years in the Army, served in Korea and Japan in overseas assignments. He was a member of Gen. Douglas MacArthur's honor guard three years. He also served in Berlin for four years. He and his wife, Dixie, and two sons and a daughter reside in Lakeview, Ga.

Sgt. White has had 10 years in the service, including overseas tours in Korea and Germany, where he did patrol duty on the Berlin Wall. He also coached the European championship rifle team. He and his wife, Margaret Beverly Baker of Oswego, N.Y., reside in Red Bank.

CHATTANOOGANS AT VANDY—Ex-Batboys David Longley (holding the ball) and ex-Central ace Grady Wade (kicking) will be familiar faces on the Vandy squad in the Commodore opener with West Virginia Saturday. Longley is playing defense this year after falling behind other quarterbacks the past two seasons. At 6-3, 202, he is a senior and is a business administration major and economics minor. He lettered in baseball last spring. Wade's booming strikeouts and placements have made a name for the Chattanooga but he may be seen in regular tackle competition Saturday. His play has been one of the surprises of the Vandy fall training. His major is English, his minor, psychology, and he, too, is a senior. The first field goal he kicks this year will set a Vandy record. He kicked two last year.

7 Area Players on Checklist For AP's Player of the Week

By BOB GORHAM

Red Bank's chances of dropping defending state champ Bradley in the 22nd renewal of their football rivalry Friday at Cleveland took a setback yesterday with the loss of quarterback John Davis, the Lions' regular safetyman. The Red Bank-Bridley clash is one

of the big ones among 12 involving Hamilton Interscholastic League and area teams this weekend, but only four are in Hamilton County—McCallie at City, East Ridge at Colleton, Tyner at Brainerd and McMinn County at Soddy-Daisy.

It will be homecoming for Soddy-Daisy with a queen being chosen from among Peggy Warner, Carol Elliott, Linda Hatfield, Connie Lewis, Mary Lou Johnson and Barbara Brown.

In other tilts, Central's top-ranked Pounders go to Elizabethton. Roseville is at Kingsport. Notre Dame at Meigs County, Hixson at Whitwell, Baylor at Bristol, Lakeview at Valley Point and Chattanooga Valley at Model High.

Davis suffered a knee injury in a dum my scrimmage and was operated on at Erlanger Hospital yesterday to have torn ligaments retied. His leg will be in a cast for six weeks and he will be out for the year—and possibly next year.

Davis may miss the basketball season too for the Lions. He also is a top-notch golfer.

In the Associated Press Linebacker and Backs of the Week balloting, seven Chattanooga area players were nominated. They included Bobby Eiter and Dickie Phillips of Central, Edwin Gans of Soddy-Daisy, and Tom Childers, Andy Ballinger, Richard Norton and Larry Link of Bradley.

Eiter kicked a field goal and five straight extra points in Central's big win over the sport while Phillips won a game in the Central line play.

CENTRAL IN LEAD IN JUNIOR LEAGUE

Edges Soddy-Daisy While Tyner Knocks Hixson From Undefeated

Central took over the top spot in the Hamilton County Junior High League Tuesday night on the basis of its 7-0 victory over Soddy-Daisy and Tyner's conquest of previously undefeated Hixson 15-12.

Central quarterback, Eddie Hudson found Wes Plemmons open just 20 seconds before the half and connected for a 55-yard scoring pass play to beat Soddy-Daisy at Engel Stadium.

Tyner quarterback Dennis Allison did all of his team's scoring which came first and last. After Hixson came back to lead the game in the third period, Allison rolled out to the right and scampered 23 yards for six points with 2:10 remaining in the game.

Central is now 2-0. Hixson, with a 2-1 record, matched Central last week in a scoreless tie. Tyner won its first game in four starts.

Ables Injured—Red Bank QB Davis Out—Central Works in Rain

Soddy-Daisy's undefeated, unscathed on Trojans, meeting perhaps their toughest test of the football campaign Friday night, will be showing their wares in a homecoming crowd looking forward to celebrating the team's fifth victory.

Central, the state's top-ranked team, welcomed the chance to meet in the rain at the home of the Wetshady, preparing for Elizabethton. Coach E. B. Redi Eiter said Elizabethton has a strong ball club and an exceptional quarterback in John Mills, considered the best back in East Tennessee by many.

Other games on tap this weekend are McCallie at City, Chattanooga Valley at Model, and Roseville at Ringgold. Lakeview is idle. Howard High plays its first home game of the season against Central High of Murfreesboro and Robert T. Washington travels to meet State Vocational School in Pikeville tonight.

CHATTANOOGA HEAD MAJORETTE—Carolyn Ball, left, a senior from Chattanooga, has been named head majorette for 1967 of Middle Tennessee State College's high-stepping "Band of Blue" Corps. Others, left to right, are Patricia Ann Harris, Nancy Moore, Ann Sanders, Suzanne Patty and Carolyn Hale. Miss Ball and Miss Hale were majorettes when they attended Chattanooga Central High School.

Notre Dame, Central, Red Bank, Rosville, Hixson, Baylor, Valley on Road

By JAY SEARCY

Seven local high school football teams take to the road today for games tonight but there will be action aplenty around the city.

Central Travels

Central High's top-ranked Purple Pounders venture to Elizabethton. It will be the first meeting in history between the two football teams. The scrappy Cyclones feature one of the finest quarterbacks in Upper East Tennessee in John Mills. Central will be after victory No. 3.

Central, Hixson Tie

Central and Hixson battled to a scoreless tie Thursday night at Engel Stadium in a Hamilton County Junior High School Football League encounter.

While there was no scoring, there were several standouts. Russell Keady and Terry Newwood were offensive stars for Hixson, while David Fairbanks, Eddie Leach and Joe Davis were the defensive attack stars.

Central was led by Phil Lewis, Steve Putnam and Eddie Houston in offense and Joe Standifer and Steve Carroll on defense.

YOUTH CENTER COUNCIL: Officers were installed at a recent meeting of the YM-YW Youth Council by Patten Abshire. From left; Sharon Ervin, Central High, secretary; Glenn Jones, Central High School, sergeant-at-arms; Ronnie Brown, McCallie, president; Nelson Bowers, Rosville High School, vice president; Kitty Gilbreth, City High, chaplain.

Same Song, Another Verse

It was just a year ago today that Central was voted the No. 1 team in Tennessee football in the Associated Press poll, a spot the Pounders assumed again this week.

A year ago, Central had a 4-0 record and had just finished beating Kingsport—just the same as this year. One difference occurs: Last season the Pounders had an off date after Kingsport and then lost to Bradley. This time there is no open date as they go to Elizabethton Friday.

Then comes Bradley.

Many are bemoaning the fact that Central doesn't play Oak Ridge this season. About the only way to compare them is through a 45-minute scrimmage they held just before the season started. That ended in a 6-6 tie.

How about matching them in a bowl game if both go through with spotless or near-perfect records? The Power Bowl could do a lot worse for opponents.

Looks at the High Schools

After several looks at the local prep on Friday nights, it can be said that Central and Brainerd are most impressive.

The Purple and the Columbia Blue outfits show greatness and a steady flow of sound football. Central is bigger, but is no faster. Central against Clarksville was perfection. Brainerd glittered against Tye. (Inability to park within 3 miles at the Brainerd-East Ridge game kept us away from that one.)

Of other teams seen, Rosville was impressive.

Notre Dame shows ability to move the ball.

McCallie played well against City High. Baylor was truly amazing in its goal-line stands against Notre Dame. City has been spotty, but shows some improvement.

It is fine that Central gets high honors in the weekly state poll. Why is Brainerd given a better recognition?

If things keep going as they are now, Central and Brainerd would make a perfect matchup in the Power Bowl. Do you agree, Bob Turner, intschmacker deluxe?

CENTRAL

"We Want Bear Meat," is the theme of every Pounder as we begin this week filled with tension and excitement preceding the Bradley-Central football game.

Last Thursday in a class meeting Bobby Eiler was chosen to lead the class of '63 as president. The other officers are Dick Phillips, vice president; Francis Gaugli, secretary; Judy Jackson, treasurer, and Steve Bevil, Sgt. Campbell, Charles Glenn and Tommy Turner, marshals.

The band and battalion traveled to Elizabethton Friday night on their first trip of the season.

The band officers for this year are: drum major, Mike Dorsett; captain, Steve Tingle; first lieutenant, Lynnette Tribble; Billy Nyeck, Ann Lynn Tolmie and Carl Berring; second lieutenant, Sandra Hale, Lynn Mosley, Ronald Whitmore and Jimmy Hubbard; and band sponsor, Pam Catlett.

Francis Gaugli is leading the Girls' Battalion as major for the '63 season with Betty Richardson and Judy Whitaker as captains. The lieutenants are: Shirley O'Neal, Pam Meyer, Sue Pickering, Lynda Smith and Linda Crutchfield.

The P.T.S.A. Central's newly formed Parent-Teacher-Student Association, held its first meeting last Thursday evening. Mrs. Arch Stiles, P.T.S.A. president, announced that the annual Hamberger Fry and Parent's Night will be Nov. 13.

The National Honor Society will have its first meeting of the school year this Thursday. Officers for the first semester will be elected. Mrs. Flora Ware, algebra instructor, has been selected to be the club's new sponsor.

Miss Minnie Lee Morgan, sponsor of the Champion, the school yearbook, has selected Jay Larson to be the editor-in-chief of the year.

The seniors have had their pictures made for the yearbook this week as the Champion staff begins work on the book.

The Key Club met Thursday for its first meeting with Gary Adams serving as the club's new president. The other officers are Steve Bevil, vice president; Jerry Sanders, treasurer; Terry Farr, recording secretary; and David Gillett, corresponding secretary. The boys decided to have their annual calendar sale with Central girls as calendar pictures. The calendars will go on sale in early January.

Central was glad to welcome "hamo" her assistant principal, Mr. Everett O'Neal. Mr. O'Neal missed the first four weeks of school because of illness.

No. 1 Football Teams in Tennessee, Georgia Play Here Friday Night

CENTRAL AND ROSSVILLE IN TOP TILTS

Bradley, Dalton Foes; Red Bank, City High, Notre Dame Hosts

By BOB GORHAM
Knox-Free Press Sports Writer

Rossville, a perennial Georgia power and currently ranked No. 1 in AA football in that state, takes on Dalton Friday in what appears to be the last big hurdle if the Bulldogs are to defend successfully their 2-AA North title.

Dalton is ranked sixth in the state at the moment and both teams are undefeated. Rossville with a 5-0 state and Dalton 4-0. They meet at Rossville's Hatcher-Memorial Field and share the spotlight with Central, the No. 1 team in Tennessee, which meets Bradley at Chamberlain Field.

That gives Chattanooga a corner on the market as far as eye-catching football pairings are concerned this week. Bradley is posted seventh in the AP standings and third in UPI.

Central-Bradley, Rossville-Dalton Top Grid Card

Defending state football champion Bradley County and Tennessee-independent Chattanooga Central Club at Chamberlain Field tonight and Rossville, the AA power in Georgia meets Dalton at Hatcher-Memorial Field in a battle of subelites.

Central and Bradley County will be meeting for the 36th time since the scholastic rivalry began in 1917. Central has won 22 according to records, and Bradley seven with three ending in ties. The 1959 score, however, is not available and not included.

Bradley defeated Central 147 last year en route to the state crown. This year Central has its eyes on the title but has Bradley and four other hurdles to clear.

Central Coach "Red" Effer said a few little things were worrying the club but nothing serious. He mentioned that end January states is still bothered by Charley horse but that he would play.

"We fear the worst and hope for the best," Effer said. "Central will be looking for victory No. 6 while Bradley will be after its fifth victory in six starts. Bradley's only defeat was to Oak Ridge, 35-20.

Lester Newton, Central business manager of athletics, said there are plenty of good unserved seats remaining. He said these may be a few reserved seats—Section C on Oak and J and K on Vine—available today at the Cherry Street sports stores.

Central Stuns Bradley, 25-2 In Battle of Football Giants

If anyone had any doubts or misgivings as to which high school football team is number one in Tennessee, all doubts have been removed today. At least here are few around who won't argue that Chattanooga Central deserves the honor, hands down. Central, known, feared and respected down through the years as one of the most consistent schoolboy winners in the Volunteer state, displayed its awesome power and confidence in a smashing 25-2 victory over Bradley County.

With a capacity crowd—estimated in excess of 13,000—looking on, Coach Red Eitter's team—already entrenched as the state's No. 1—displayed this expected bitter taste of their true strength with flying colors.

After spotting Bradley a 2-0 advantage in the opening minutes, Central roared back into a vengeance with a half point on fans were treated to some of the most savage, head-bonking, leather whipping football ever seen here.

Although it was clean, line play was vicious and deadly in many players wearing the field throughout to lick their wounds. Central lost fullback Tommie Turner with a final quarter with a broken ankle.

And as the score indicates, Bradley was beaten both physically as well as on the scoreboard. When the final whistle blew, Bradley's mammoth tackle, Terry Parks, was seated on the sidelines with a leg injury. Also with him were end Larry Link and fullback J. J. Boudler. Injury and Franklin Lennons, who was admitted with a knee injury.

There were other players who had bruised galore but of a less serious nature.

Bradley fans, who filled out the stadium with a cheer and many moistened eyes, could hardly believe what they saw. What had been expected was a bitter battle of attrition and—just never materialized.

With the exception of a few moments in the opening stanza, the match. Penalties stymied many a Bradley gain in the opening half, but more often than not, it was the bull-like rushes of Central's Dickie Phillips, Don Randall, Charles Glenn and George White that crashed many a Bradley runner to the ground.

The Bears opened fast, initially backing Bradley, breaking loose on the second play from scrimmage and rambling into the end zone with a 43-yard run. But it was nullified by a backfield in motion penalty.

Minutes later after the Bears had surrendered the ball, Bradley enjoyed the momentary success of the field. With Central's defense in a state of confusion, Bradley's Richard Jones and Jimmy Smith punted from deep in his own territory. from scrimmage. The 170-pound speedster broke through a gaping hole up the middle, out of the end zone and ran unmolested to paydirt. Etter again added the point for a 10-2 edge.

Late in the fourth period, the Pouncers got their second safety, following a brilliant punt by fullback Glenn Jones. Kicking from the middle, booted a "rain maker" which rolled dead and was covered on the Bradley side.

On the first play, Bradley fumbled in the end zone and Central again trapped Bears for an 18-2 lead.

Final Central TD came in the closing moments when Steve Bevil took a punt on the Bradley 10, and ran all the way to the end zone. Etter added the point to close out the scoring.

Central had one TD called back early in the fourth period when James hit Bevil on a screen pass and Bevil raced 43 yards to score. But it was nullified on a clipping penalty.

In addition to the linemen mentioned already for Central, other Pouncer stars were Parks and Bevil who were the biggest offensive threats.

Bradley's Andy Ballinger was the standout on the ground while Tom Childers completed nine passes in 23 attempts.

Bradley's most serious threat came in the second quarter when the Bears drove to the Central 10, only to lose the ball on downs.

Central Tops Bears

PURPLE BOUNCE BACK TO WIN 25-2

**Parks, Bevil Lead Attack
Before 15,000—3
Saleties Score**

By JAY SEARCY

Central High's Purple Pouncers, led by Bradley County lightning-quick opening, fought doggedly from behind Friday night for a 25-2 victory in a battle of the Tennessee high school football powers.

The wide open end wild-life game was played at Chamberlain Field before an overflow crowd estimated at 15,000. There was hardly a place to stand, and no one could remember the stadium being so full.

The victory, the sixth straight for Central's No. 1 ranked team, was the first for the Purples since the two teams met in 1917.

Behind First Three

There were three safeties when Andy Ballinger's punt, one by Bradley in the first quarter that put Central behind for the first time this season.

Central halfback Terry Parks, the workhorse for the Pouncers, set up the go-ahead touchdown on a 30-yard run in the second quarter, scored on a 68-yard burst in the third period and set up over 130 yards for the night.

Halfback Steve Bevil, whose outside spritz brought the Bears to the feet, recovered the night, added a touchdown in the fourth quarter, taking a sack from Terry Parks and skirting 42 yards down the sidelines for a touchdown in the final period. Quarterback Harry Phillips, who led the Pouncers to 236 yards piling, scored on a one-yard sneak, the touchdown coming after a set-up run in the second period.

Stunned by Bears

Bradley County's speed and force stunned Central at the beginning and the Pouncers had their backs to the wall most of the first period. Although the Bears' biggest threat was stalled at the Central 10-yard line, Quarterback Tommie Childers, who completed 9 passes in 23 attempts, was a threat on every play.

Halfback Andy Ballinger, who played as defender and spear other was an effective runner for the Bears.

Bradley opened like a hurricane, with the Bears' line almost broke away on the opening kickoff, but fumbled when he hit at the Bradley 45. Bradley recovered a fumble.

Bradley's most serious threat came in the second quarter when the Bears drove to the Central 10, only to lose the ball on downs.

Bradley's most serious threat came in the second quarter when the Bears drove to the Central 10, only to lose the ball on downs.

In the second quarter Central, led by Bradley's 34-yard line after taking a short punt and in eight plays jumped on Harry Phillips one-yard sneak. The touchdown was set up by a 20-yard gallop up the middle by Parks. Etter, kicking from the 15-yard line behind a penalty, made the extra point and the Pouncers led 7-2 with 1:30 left in the half.

Bradley tried desperately to score in the few remaining seconds before halftime, but three long sacks by quarterback Tommie Childers failed. And with 20 seconds remaining the Bears went into punt formation. A high snap by Childers resulted over the head of punter Jack Wilson, who was standing on his own goal line. The ball went out of the end zone giving Central a safety, and making it Central 9-2 at intermission.

Bradley tried desperately to score in the few remaining seconds before halftime, but three long sacks by quarterback Tommie Childers failed. And with 20 seconds remaining the Bears went into punt formation. A high snap by Childers resulted over the head of punter Jack Wilson, who was standing on his own goal line. Parks, Crow Top Stars

Central Halfback, Brainerd Guard Selected As Local Prep Grid Standouts of the Week

By JIM FELDER

Terry Parks, Central's senior halfback who was a big man in the Pounders' come-from-behind 25-2 romping over Bradley County Friday night has been named as the Times Back of the Week.

The nod for Lineman of the Week goes to Brainerd left guard Mike Crow, who repeatedly pressured Red Bank runners in the Rebels' 7-0 decision Friday night.

Parks started things off early in the all-important battle of Tennessee and simply refused to stop. He carried 33 times and came out with a grand total of 353 yards rushing. Crow, who caught a 34-yard pass, set up a go-ahead touchdown in the second quarter when he handed it to Bradley's 7 and scored a touchdown on the second play of the second half with a 43-yard run after legging it made on the previous play.

This week's Central for the Ridge crew, Franklin was very little to say.

"They're number one in the state, aren't they?" he laughed. "That's common sense."

Central Back Turner Suffers Broken Ankle

Central High fullback Jimmy Turner suffered a broken ankle in the Central-Bradley County football game at Chamberlain Field Friday night. Turner was hurt in the second half. It was the only major injury suffered by the No. 1 ranked Purple Pounders, who defeated Bradley 25-2.

Central, with a 6-0 record, next meets East Ridge. The Pounders meet Red Bank, McMinn County and Knoxville Central in order to finish the regular season.

Record Crowd and Power Bowl Talk

Charles Wrench, 120 superintendent of grounds and buildings, was abuzz over the overflow crowd at Chamberlain Field Friday night when the Purples and the Bears collided.

Not since the Baylor-Central game nine years ago had the stadium been filled, he said. And this time, the people were overflowing much more than at the Baylor-Central game. This was the biggest crowd at Chamberlain since the City-Central game ending the series years ago. About 16,000 saw the game.

Before the game, spectators were cleared from the extra bench space on the sides. But before the night was over, these same spaces were full of men, women and children, as were both end zones and the bank at the southeast corner.

Among those cleared from the Central bench early were Robert Turner, Power Bowl player, and sports writers.

What are the prospects of matching Central and Brainerd in the Power Bowl and when will it be played? The wizard who matched City and Central last fall should be able to call his shot this year.

Perfect Counter Play

As the game progressed, Central grew very, very sharp. Bradley kept hurting Terry with penalties, especially mammoth penalties.

Two offensive thrusts stick in mind. One was Terry Parks' burst through the line to the 7 to set up the second period touchdown. He couldn't have been shot out of a cannon then. The other was a perfect counter play, a touchdown by Parks on a 48-yard run. After running one play to the right, the Bears' offense started another in the same direction, slipped the ball to Parks and went on to the right, carrying out his fake to perfection. While the defense sought out Phillips, Parks split through left guard and was off and away. The play execution was superb.

If announcer Bill Ballinger's voice seemed to waver a little on the public address system at times, Central fans will have to forgive him. SETTLING UP TD: Glenn Jones, Central High's 210-pound fullback, crashes through the middle of Bradley's line to set up a touchdown for Pounders. The hard-plunging Jones carried the ball to the Bears' 1-yard line from which Steve Bevil scored in the second quarter.

Pounders Vs. Pioneers Week's Grid Feature

City, Soddy-Daisy, Tyner, Notre Dame in Host Roles

By BOB GORHAM
News-Free Press Sports Writer

East Ridge's Pioneers, overlooked in pre-season prognostications, hold a 5-1 football record today and this week prepare for their major test of the year—a date with Chattanooga Central's Pounders, the No. 1 team in Tennessee. This will be the seventh straight week Central has taken on a team with a glossy record. Johnson City and Clarksville were 1-0, Kingsport 2-0, Elizabethton 3-1 and Bradley 4-0 when they challenged Central and came away on the short end of the score. Decatur, Ala., was in its first game of the year and lost by only 21-13, the best showing of any team against Central so far. Decatur now is the No. 3 team in Alabama.

The Central-East Ridge Hamilton Interscholar League battle on the Pioneers' field highlights the card here this week. In other games in town, Hixson is at City, Red Bank at Soddy-Daisy, Onitawah at Lakeview, Sewanee Military at Notre Dame, Elba County at Tyner and Bradley at McCallie.

This will be Central's first game in the HIL, East Ridge is 3-1.

Rosville, the No. 1 AA team in Georgia goes to West Fanning and Brainerd is at Meigs County. Baylor entertains Columbia Military Saturday afternoon.

Coch Coach Edter of Central expresses deep concern for the bout with East Ridge, a team which battled his Pounders 6-0 in the Jamhoree at the start of the season.

East Ridge displayed a knack for passing in that brief one-quarter encounter, and Charles Roberts handling in several beatles. Central on the other hand has since shown adeptness at pulling in enemy losses, Steve Bevil being the chief theft artist with six interceptions.

Bevil was brilliant against Bradley with two interceptions and a total of 27 defensive points, highest achieved by a Pounder all year in Edter's grading system.

Central will be minus Tom Turner, who with a broken ankle suffered against Bradley.

Central plays only two league games, against East Ridge and City, in the next two weeks.

The HIL standings:

Team	"A" Division		All Games
	W	L	
Central	5	1	10
East Ridge	4	2	10
City	3	3	10

Tyner, Baylor, Central Win Junior Games

Quarterback Dennis Allison ran 25 yards in the first period and then added the extra point to give Tyner a 13-12 victory over previously undefeated Hixson Friday in a Hamilton County Junior High League football game.

The Hixson loss, coupled with a 7-0 win by Central over Soddy-Daisy, gave the league led to Central on a 3-0-1 record. The Central triumph came on a 33-yard pass from Eddie Hudson to Wes Flemmons.

Allison scored the other Tyner TD on a two-yard run, but Hixson took a 12-6 lead in the third quarter on two scores by Terry Norwood, one a 50-yarder. In a nonleague game, Baylor scored a 15-2 win over Red Bank, the second loss in a row for the Panthers. Hixson handed them their first league loss ever last week.

Greg Eaton, a lanky ninth grader from Eaton Rouge, La., took a pass for the first Raider TD and Terry Sellers of Lookout Mountain romped 75 yards with a punt for the other.

Eaton was the ace with his runs and pass receptions all night as the Raiders won their 16th straight over a six-year period.

Central Wins Junior Title At Red Bank

Central converted a Red Bank fumble on the first play of the second half into a quick touchdown and went on to defeat the Lions 14-13 for the Hamilton County Junior High League football title Tuesday night.

Central finished 5-0-1; Red Bank was 4-2. Central's Phil Lewis went 18 yards for the first score in the second period, but Red Bank marched 30 yards with the ensuing kickoff. Buddy Allison scoring from the 6 with 53 seconds before the half.

Red Bank received to start the second half and fumbled at its 12 on the first play. Steve Carroll leading the recovering Central players. Lewis ripped off tackle on Central's first play and then added the 14th point on a run.

Red Bank marched late in the game for another score, Gary Sanders scoring on a wide sweep on fourth down from the 10, but the run for the tying point failed. Central took the kickoff and ran out the clock.

Miss Linda Richardson was crowned Red Bank's homecoming queen at the half.

Tyner closed its season with a 40-0 whipping of Soddy-Daisy. Miss Linda Hicks was crowned the Tyner homecoming queen.

Comparing Pounders, Wildcats

Many fans are asking: "If Central doesn't play Oak Ridge, they both wind up undefeated, how will we know which is best?"

Ordinarily, comparative scores for one or even two games against mutual opponents don't show much, but there is a much greater yardstick to measure these titans by—they play EIC mutual foes: Johnson City, Bradley, McMinn County, Elizabethton, Kingsport and Knox Central.

Central beat Johnson City, 14-0; Oak Ridge won 20-19 on a touchdown on the last play of the game and the extra point after time ran out.

Central beat Bradley, 35-3; Oak Ridge won 33-20, giving its final touchdown when Bradley tried for a first down on its own 22 and missed with about two minutes to go.

Oak Ridge beat McMinn, 39-7; Central plays the Cherokees next week.

Central beat Elizabethton, 19-0; Oak Ridge plays "Bevy" Nov. 2.

Central beat Kingsport, 34-7; Oak Ridge plays the Indians Nov. 5.

Central plays Knox Central Nov. 9, Oak Ridge plays the Bobcats Nov. 12.

With both teams playing practically the same schedule, it shouldn't be hard to compare them when the season ends.

Chattanooga Central has 11-0. Red Bank, McMinn County and Brownsville Central remaining on its schedule.

We Know Who Will Win

It is a rare occasion when we stick our neck out to make a prediction on the outcome of a football game but tonight is an exception. Although we don't pretend to be psychic and don't even own a ouija board, we know who is going to win the Bradley County-Chattanooga Central football game.

In fact, we can't miss. So without beating around the bush we'll just say that "Red" is going to win. And he will. Before the boys' Moccasin Band starts coming for us, let's explain our position. There's a catch to our prediction, of course.

You see, Coach Harold (Red) Henzie coaches the Bradley County Bears and Coach E. B. (Red) Etter is at the Chattanooga Central helm. So either way, we can't lose.

Another safe prediction is that the Bears can't lose tonight either—they'll get their money's worth—when Central and Bradley clash at Chattanooga field.

For this classic, which pits two of the state's top-ranked football teams, has all the earmarks of a state championship ride on the outcome.

If Central should win, the Pioneers will be prohibitive favorites to hand Coach Etter his seventh state title since taking over the Central reins in 1947. Although the Bears are fourth in first place in state rankings with a perfect 5-0 record. It appears that, by clearing this big hurdle, the Pioneers could virtually wipe out the title-harrying national catastrophe or widespread epidemic of some sort.

Bradley, presently ranked third in one system and seventh in another—after holding down the top spot earlier in the year—could enhance its position considerably by winning. The Bears are 4-1 on the season after being a 23-20 decision to powerful Oak Ridge two weeks ago.

Central holds a decided edge in this colorful series under Etter's direction by virtue of a 9-5-1 advantage since the two neighboring powers started playing in 1947. Bradley has emerged victorious in the past three outings, coming out on top 27-14 in 1959, 14-7 in 1960 and 13-7 a year ago.

Injuries are likely to play an important role in deciding the victor.

Central figures to be in good shape with the possible exception of Don Randall, a 185-pound senior guard who has a broken hand. But Randall has played with it in this condition for three games and isn't likely to be out long.

At Bradley County, injuries have reduced the Bears' forward wall to a critical stage, especially at tackle. Curt Moore, a 180-pound regular, is sidelined—perhaps for the rest of the season—with a broken arm which is inflated on him in the Oak Ridge match.

Darrell Murray, 240-pounder, is out with an infected leg and Bill Johnson, 180-pound reserve, is presently incapacitated with the flu. This leaves only Terry Harmon, mammoth 280-pounder ready to answer the call and he is handicapped, somewhat, with a sprained ankle.

You can see why Henzie is concerned about his squad's ability to contain the Central offense.

"We were short on tackles to begin with," Harold Johnson says. "We could have made it with Moore, I think, but now things are tough."

"I have had to do considerable shifting around with my personnel," Bob Johnson, my regular center, is now playing defensive tackle. And Richard Norton, my regular full-back, plays guard on defense.

"David Williams, reserve center, will be playing his first game as a linebacker tonight and Jimmy Wilson, who has missed two games and was in only four plays against Oak Ridge, will be at one linebacker spot. Wilson, a first-string quarterback prior to being sidelined, has been out with a concussion."

"Other than this," Henzie laughed, "we are ready to go!"

"The spirit of the team is real good and the boys are looking forward to it."

It might be added that fans throughout this area are also looking forward to this one tonight.

Central Rakes East Ridge 35-0, Wishing in on Pioneer Errors

By BOB GORHAM

News-Press Staff Sports Writer

On the fourth play of the Central-East Ridge football game last night, East Ridge's Gary Hutchinson recovered a fumble on the Central 32. At that moment, there wasn't one fan among the more than 5,000 jammed into Shanks field who would convince Central eventually would win by 35-0. But it happened as the Pioneers, ranked No. 1 in the state, proved that champions get their crowns by

taking advantage of every opening mistake as well as relying on their own capabilities.

East Ridge failed to capitalize on the early break fumbling the ball right back to Central on the Pioneers' first play.

But again Central gave the enemy a chance after an exchange of kicks. On fourth and two at the East Ridge 17, Central was stopped for a three-yard loss and the Pioneers took over at the 40.

The Bears again looked in the Pioneers' direction.

On the second East Ridge play, Steve Bevil intercepted a pass, the right tail and pumped 43 yards for the first Central score.

One of five interceptions Central amassed as the East Ridge's passing attack was the one that didn't get another one and Dickie Phillips, Harry Phillips and Terry champion got the others and in addition, Tommie Slaton came up with a fumble at the end of one of the few passes East Ridge did complete.

All these interceptions to a kickoff off East Ridge paid, and an 18-yard East Ridge punt, the right tail and pumped 43 yards for the first Central score.

"It could have battled right down to the wire," Central coach Red Etter said. "The margin was not indicative of the way the teams played."

Central really socked away the decision with three touchdowns in the second period.

The 18-yard punt, partly blocked by end Scott Campbell, set up the first Terry Parks started the 45-yard drive with an 11-yard pass to Harry Phillips, a 13-yarder. Jones went over from the 2 on fourth down.

Bobby Etter, who suffered a broken shoulder later in the game, converted for the second time.

Harry Phillips' interception of a pass that hit end Charles Roberts and bounced off started the next Central move. East Ridge had moved to the Central 49 at the time. Phillips romped back to the East Ridge 45.

Two passes by Bud Kelly over 15 yards to Bevil and 17 yards to Campbell were the key gains in the move. Campbell's reception was in the end zone for the score as he nudged a defender out of the way.

Central recovered the ensuing kickoff at the East Ridge 33 and Neil Kapowitz had an 18-yard burst over center in the first string. Central's first drive. Phillips scored from the 5 on a keeper and it was 28-0 at the half.

East Ridge came back battling in the second half, led by the line play of Larry James, Charles Jones and Larry James. But the deficit was too great.

Central went without further points until just after the start of the fourth period when Bevil pulled in his second interception at the Central 19 and returned it to the 23. The Pioneers moved to the 49, with Bevil contributing a 17-yard run.

That play broke off tackle and scored 51 yards to score. Jones converted.

East Ridge's final offensive efforts were thwarted by another pass interception, this time by Champion at the 18. Central also had Harry Phillips at the Central 23 and a fumble recovery by Tommie Slaton at the East Ridge 35.

East Ridge, which had tied 0-0 with Central in the jamboree and looked good passing offense with three completions, found the going rough last night as the Pioneers rushed well and covered perfectly.

Central had a wide edge in the statistics, gaining 180 yards, net rushing to 54 for East Ridge. Central passed for 44 yards and East Ridge 16. Central recorded two opposition fumbles.

Central had 12 first downs to five by East Ridge 35.

Chattanooga Central 7-0 and Oak Ridge (-0) remained 1-2 in The Associated Press high school football poll Saturday and probably closer to the question they must eventually ask:

If both teams remain undefeated, how will we know which is better?

Central and Oak Ridge won't play each other this year, as they did in 1961, unless a bowl match is set.

From 25 ballots cast by sports writers and broadcasters, Central received 13 first place votes, 23 poll points and a mention on six out of nine ballots.

Oak Ridge drew one first place vote, 11 seconds and 201 points. Central beat East Ridge 35-0 and East Ridge stopped McMinn County by 37-7.

Jackson (-1), a team that lost its way to a Mississippi team and then ran five straight jumpers from No. 5 to No. 3.

Brownsville (-6) battered Butts Greer Academy in a non-Associated Press ninth to sixth. Brainerd (-6) and Springfield (-7), both winners and losers, remained the seventh and eighth teams.

Unbeaten Memphis South Side 66W climbed into the top 10 after defeating Memphis Cadislock 10-0.

Chattanooga Central, Oak Ridge and Jackson maintained their 1-2 lead.

Tennessee's highest high school football in HPI ratings came off the very top of the poll.

Previously fourth-ranked McMinn County dropped a 27-14 verdict to Christian Brothers, moving to seventh place. The top ten also barely edged CEIS into 11.

East Ridge Hosts Central in Top Prep Football Game Tonight

By BOB GORHAM
News-Press Staff Sports Writer

While Central and East Ridge go at it tonight in only their second meeting of what promises to be a spirited rivalry, Steve Dams and Saddy-Dawson are hosts to couple of teams they started playing in 1940.

The rest of the leaders in their winning habits, Chattanooga Central easily disposed of East Ridge 35-0. The mighty Pioneers, getting 13 of 15 first place nominations, have now outscored their Tennessee opposition 158-9.

Readily battling Oak Ridge, runners-up to Central for four consecutive weeks, stayed in the lead with a 35-7 victory over McMinn County.

Jackie did nothing to hurt its prestige with its 63-0 massacre of Park. The Golden Bears have gained ground steadily since an early season loss.

East Tennessee got five losses in the top ten and West Tennessee 10.

The Zenith of Coaching

Every year, Chattanooga Central can be counted on to have an alert, well-coached football team. The same can be said for several other schools. But one incident that almost occurred in the Central-Bradley game—and one which would have brought as many raised eyebrows as if Zea Zee Gaber had ridden a white horse down the field—a Mrs. Godiva—is worth noting.

GORHAM

While checking on Bradley before game time, gives an indication of how thoroughly Central prepares for each game—and why the Pounders are tough to beat.

There are others who prepare equally as well, we are sure. But success is synonymous with Central.

Incidentally, Etter says the Menikau Bowl in Jacksonville, Fla. has first call on the Pounders for best success performances and that game if he is wanted.

The likelihood of Central and Brainerd being paired in the Power Bowl here is almost extinct.

"At the present time, we are not anticipating playing in any bowl game," Etter says. "We have been contacted by the Exchange Bowl in Kingsport, the Clinic Bowl in Nashville, Tobacco Bowl in Hartsville, the Power Bowl and a new group which is trying to start a bowl game here.

"But we made a verbal commitment with the Jacksonville people last year and if they want us, we will keep that commitment.

"If this doesn't materialize, I would say our getting together with Brainerd for a regular-season game is more of a possibility than playing in a bowl."

About Bowls

There is one thing about bowl games that makes them unattractive to football teams. High school football pays the biggest share of the financial load for the school's athletic program. By playing in a bowl game, participating teams get a share of the gate receipts, usually 30 or 33 per cent.

But if the teams just get together on their own, they can share the gate 50-50 rather than 30 or 33 per cent as in a bowl. One advantage is that in a bowl game, the sponsoring organization has a ready-made ticket selling set-up.

Some of the proceeds from most bowl games goes to charity and this is a worthy endeavor. And because of the post-season college bowl games, there is something glamorous about the name "bowl game." But strictly from a financial point, it is more profitable for the teams to make their own agreements.

And one other thing regarding Central's situation:

Right now the Pounders are No. 1 in the state. Let's assume they finish undefeated and still are No. 1 at the season's end. What does Central have to gain by playing in another game and taking a chance on getting knocked off? And not just Central—any team for that matter.

Remember a couple of years ago when Kingport declined to play Bradley in the Exchange Bowl when Kingport was No. 1 and Bradley No. 2? That was the reason.

If Central and Oak Ridge finish 1-2 in the polls, the real "natural" for bowl promoters would be to pair them—and Kingport's Exchange Bowl already has thought of it.

But it will never happen.

The football coaches here last year expressed their desire that the polls be discontinued, citing various reasons for their dislike of them.

But the kids who do the knocking week after week, and all the fans following the team, pour upon the ratings each week with the appetite of a piranha fish.

It means something to the team to get a good rating and they play as much for that as anything else.

CENTRAL HAS GLASSY MARK ON DEFENSE

Brainerd, Bledsoe, Polk, South Pitt, Etowah on List

BY BOB GORHAM

There are 22 football teams in Tennessee that still are undefeated, six from the Chattanooga area including Chattanooga Central, the No. 1 ranked team, and fans hereabouts get to see the best in the business week after week.

East Ridge, with a 5-1 mark, challenges Central to head this week's card here. In other games, Hixson is at City, Red Bank at Solly-Dalry, Collewah at Lakewood, Sewanee Military at Notre Dame, Rhea County at Dyer, Bradley at McCallie and Fries at Chattanooga Valley.

Head games this week send Knoxville to West Panna and Brainerd to Meigs County. Boynton beats Columbia Military on Saturday.

Joining Central on the unbeaten list are Brainerd, South Pittsburg and Polk County with five wins each, and Bledsoe County and Etowah with six apiece.

Among those winning six games, Central has the best defensive record, allowing only 22 points. Bledsoe has allowed only 24 in six. In addition, Etowah has the No. 1 and No. 7 scorers in the state in Tommy Terry and Donnie Locke. Terry has 88 points and Locke 72.

East Ridge coach Mack Franklin says his Pioneers have had good practices this week and the boys have had good spirit. He added:

"We feel we can stay on the field with Central."

The only injuries to the Pioneers right now are hamstringing fullback Mike Odum and new back James City. Odum was hurt in last week's game, suffering a bruised thigh, and sustained a muscle slightly in practice yesterday.

Central Faces East Ridge Here Tonight

BY JAY SEARCY

Bradley County, whose trackbacks thrilled thousands here last week before leaving under Central High pressure, returns to Chattanooga tonight for a bout with McCallie, one of eight scheduled locally tonight.

Central, firmly entrenched in the state's No. 1 position, will take its football circus for a stand at East Ridge, where the single-wing Pounders hope to snuff their throats.

Coach Red Etter made slight adjustments this week after fullback Tommy Turner received a gash during injury in the Bradley game. Glenn Jones, who has been alternating with Turner at fullback, will take over the job and Neal Kaporwitz, a halfback, has been substituted at fullback in reserve. The Pounders are undefeated in six games.

CENTRAL
As the first quarter of the school term draws to a close, many seniors are beginning activities for the close of their high school days.

The graduation invitation committee was selected last Thursday by Miss Ruby L. Nipper, head of the bank at Central. This committee will meet on Nov. 13 to accept the invitations. The students on the committee are Betty McGhee, Bobby Eiler, Sandra Elice, Terry Farr, Frances Gault, Judy Jackson, Dick Phillips and Steve Jett.

Approximately 20 seniors interested in attending the University of Tennessee were invited to attend the UT-UC football game in Knoxville on Saturday. The Central students were part of a delegation from the Chattanooga area schools, who traveled to UT in charter buses. While at the University, the students toured the campus, had a free lunch and attended the ballgame before returning home Saturday night. Six members of the Central Senior Club sang in the chorus at the East Tennessee Education Association meeting in Knoxville Friday afternoon. The six students are Judy Yarbrough, soprano; July Estes, soprano; Nancy Neesler, alto; Molly Brown, alto; Ronnie Holland, tenor; and Louise Wade, bass.

Saturday, the officers of the Student Council will attend a state meeting of the Student Council Association at Peabody College in Nashville. The Central delegation will meet with students from Hillsboro High, state president, and Madison High, state vice president, to discuss plans for the state convention which will be held at Central April 19-20.

The students attending the Tennessee Association of Student Societies meeting are E. H. Dugger, Dick Phillips, Marion McChure, Bryan Milligan, and Frances Gault. Miss Michaela Mize, sponsor of the Student Council, will be in charge of the Central students.

The Future Business Leaders of America selected last Tuesday 21 new members for their club. The business teachers submitted names to the club of eligible girls. The club then voted for the new members from this list. The 21 girls receiving the highest number of votes were elected into the club.

This Friday the student body will vote for homecoming queens who will be announced Nov. 8. The candidates nominated by the senior class are Nancy Bradford, Janice Rogers, Frances Gault, Betty Richardson, Marjorie McClure and Judy Jackson.

Five plans will make this week for "Junior High Night." After the homecoming game with Knoxville Central, there will be an open house held by the Student Council in the school study hall. Free tickets to the game will be distributed to six area junior high schools: East Tennessee State, Sevier, Bert Long, Lookout Valley, Freely and Lookout Junior High.

Something special was added to our pep meeting last week for the

CENTRAL
Today began a week filled with excitement and action of homecoming and the state championship as Friday's game with Knox Central draws near.

The Central Band, under the direction of Mr. Morris Bates, is already busy practicing for the halftime activities with even a special number or two including oldie goodie.

The football team, too, is diligently practicing as this fast football game with Knox Central will determine whether we win the state championship. Friday night after the homecoming game, an open house will be held in the school study hall. This is part of the "Junior High Night." Free tickets are being distributed to area junior highs to the homecoming game with Knox Central and to the open house.

Today marks the beginning of the clothing drive at Central. This project is directed by Mr. S. T. Shiner, history instructor. The purpose of the drive is to collect clothes for the needy students of Hamilton County. At the close of the drive Friday, Nov. 16, prizes will be given to the homecoming team, the most garments and to the student bringing the largest number of clothes.

"I Like Books," a skill written by our assistant librarian, Mrs. Mary Campbell, will be presented in assembly on Tuesday. Central Library Staff will present the skill to emphasize National Book Week, Nov. 11-17.

Central's Alumni Association will hold its annual banquet this Thursday at 7 p.m. in the school study hall. The highlight of the evening will be the election of next year's officers. The girls Tri-Hi-Y, sponsored by Miss Bobbie Ruth Hodges, will serve for the banquet. Tickets are now on sale for \$1.50 and can be obtained from the association officials.

Today begins the rush season for the social clubs at Central. There are seven social clubs, each which has a school sponsor. First rush cards are given today inviting the girls to an afternoon party. Next Monday, second rush cards will be given to invite the members to a supper party. The first rush parties are on all different days, but the second rush parties are on the same night. Therefore, the

girls must choose the club they prefer for the second rush party. In the weeks following second rush cards are given to the new members. The seven social clubs and their sponsors are Anchors Aweigh, Mrs. Reba Fulte; Nile Owls, Mrs. H. L. Barger; Show-Offs, Mrs. Flora Ware; Silhouettes, Mrs. Martha Cover; Spinstrettes, Mr. K. W. Johns; Twix Teens, Miss Dorothy Walker, and the Vagabonds, Mrs. Margaret Hammack. Miss Bobbie Ruth Hodges, club coordinator, is in charge of the rush rules and regulations. Congratulations to the new junior high cheerleaders! This year's squad is composed of six of last year's members and nine new members. The former members are, ninth grade, Bobbie Phillips, Gloria Sampson, Sheila Wess and Linda Dahl, head cheerleader; eighth grade, Nancy Feagans and Jayne Funk. New members are, ninth grade, Peggy Daugherty, Darlene Coe, Ginger Brooks; eighth grade, Kathy McQueen, Sue Davis, Marcia Gulas, Mary Stewart, Deborah White and Norma Bowers.

Men in white uniforms scented with paint have become a familiar sight on the first floor here at Central. The print shop and the auto mechanic shop have already received new coats of green paint. The Industrial Arts Department, girls' gym, the band room, and the first-floor corridors can expect a coat of fresh paint, too. These freshly painted walls are a welcome sight to Central.

NEW RECOGNITION IS GIVEN CENTRAL

Report of Bellamy Award, Times Editorial Put in Congressional Record

Central High School, winner of the National Bellamy Award for 1962 for outstanding contribution to good citizenship, has "made" the Congressional Record.

Central's principal, W. H. Hillman, has just been informed by Sen. Mike Mansfield that he (Mansfield) had informed the United States Senate of the honor bestowed on Central. The Chattanooga Times editorial from the Congressional Record is as follows:

The following is printed in the Congressional Record: MR. KEFAUVER, Mr. president, I would like to bring to the attention of the Senate the fact that Central High School of Chattanooga, my old hometown, has been selected as the 1962 winner of the Bellamy Award.

As my colleague from this State is named for Francis Bellamy who wrote the Pledge of Allegiance to the American flag. This award is related among the States and is given annually to a high school which has made an outstanding contribution to good citizenship.

The senator from Iowa (Mr. Miller) sometime ago advised the Senate that the 1962 winner of the Bellamy Award is West High School, of Waterloo, Iowa. I am pleased to announce that, in recognition of Chattanooga Central's selection as a next year's award winner, there will be participating in the Iowa group this coming Columbus Day.

Mr. W. H. Hillman, principal of Chattanooga Central; Mr. Sam P. McConnell, superintendent of Hamilton County schools; and the Tennessee program chairman, Mr. J. Pope Dyer.

An editorial saluting Chattanooga Central for its excellence in citizenship and for its winning of the Bellamy Award for 1962 appeared in the May 18 issue of "The Chattanooga Times," and I ask unanimous consent that it be printed in the Appendix of the Record.

There being no objection, the editorial was ordered to be printed in the Record, as follows:

HIGH CENTRAL

Long hailed by its alumni and friends as the best of all high schools, Chattanooga Central to-day assumes its place in a distinguished company of educational institutions honored nationally for their excellence. The tribute comes in the announcement of Central as the 1962 winner of the Bellamy Flag Award.

The award is a memorial to Francis Bellamy, author of the Pledge of Allegiance to the flag, and is made annually to the best high school in a given state adjudged by the sponsors to have the finest all-around record in keeping alive our American heritage. Central won over 67 other Tennessee schools.

Along with the award is a thousand-dollar check which goes to those who hold it in respect as a school, we join in congratulating its principal, W. H. Hillman, his faculty, and, of course, its students. All of them in addition to those who set the standard in years gone by, are a part of the proud achievement.

As gratifying as the award itself is, the honor is more gratifying if it came to the school. Among the points specifically cited were the principal's proficiency, the school's record for winning Freedom Foundation awards, the interest of its alumni, a teaching corps alert and sensitive to the pupils' present and future needs, and the school's commitment to its honor rolls.

Knowledge in such things as these do indeed mark a school as a "training ground for good citizenship" in the words of a congratulatory letter from Secretary of Commerce Luther Hodges.

With him, and a host of other leading Americans who wrote us salute Central with pride.

18 Schools Enter Rifle Match Here

Eighteen schools will take part in an invitation ROTC rifle match at the Chattanooga Rifle Range on Hunter Road this morning with VFW 468 and Chattanooga Rifle Club as co-sponsors.

City, Central, Baylor and McClellan are hosts. The visiting teams are Benedictine of Savannah, Decatur, Ga. High, Athens, Ga., Chattanooga Rifle Range, on Hunter Road this morning with VFW 468 and Chattanooga Rifle Club as co-sponsors.

The trophies will be presented by Gen. Elmer Chapman, commander of the 12th U.S. Army Corps.

Students of Central High's social science department, headed by J. Pope Dyer, visited public facilities Friday to study the health services offered in Chattanooga. This group is at Erlanger Hospital. They are watching a chemical analysis by Wade Marsh, chief medical technician, and Mrs. Lorenz Wood, director of nursing. Left to right in the rear are Paul Brumhead, Jerry Lane, Linda Cruz, Gloria Miller, Rocky Love, Lloyd McEachern and the hospital assistant administrator, J. E. Elliott. The health project continues until February.

These five Central pupils were among a group who passed to examine equipment at Memorial Hospital. David Gillette assumed the role of a patient and let nurse Armosa Abernathy take his blood pressure. Looking on left to right are Judy Kerley, Frances Gault, Ed Morris, and Martha Kile. The demonstration was conducted under the supervision of David A. Denton, assistant administrator of the large general hospital. Other students went to the Children's Mercein Bond Psychiatric and Tennessee Tuberculosis hospitals.

Dr. Robert B. Hagood, director of the Guidance Clinic, is questioned by (left to right) Patricia McBryar, Janice Orr, and two other students about the function of the clinic in the community's fight against mental illness.

CENTRAL
 "Love of God and Country" is the theme being exemplified at Central as the Student Council sponsors the assembly program today.

The presentation of songs by the Central ROTC will be outside on the Bales Field at the beginning. Abstinence, and American flags will be presented to each classroom and New Testaments to each student. These are being given to the school by the Guides Society, VFW, and American Legion.

The purpose of the program today is to instill in the minds of the students a greater patriotism for America.

Thursday, Nov. 12, seniors will participate in Vocational Day. At 1 p.m. the program will begin with a panel discussion conducted by Mr. Wayne Steel, vice president. Afterward each senior will attend two classes concerning the vocations in which he is most interested.

Centralites will enjoy a half-day holiday Wednesday because of the annual Business-Industry Education Day observed at Central. Wednesday morning the business men will visit some of the class rooms and will attend a luncheon followed by a program in the auditorium.

Thursday night Central will open her doors to parents and friends at the annual Open House and Hamburger Fry, which is sponsored by the P.T.S.A. After the supper and visitation the Central High Band, Varsity Glee Club, and String Ensemble will present a program in auditorium.

Teacher-Appreciation Day will be observed Friday by the Central students. The Future Teachers of America Club is planning to present each of the teachers with an apple and is decorating the bulletin board for the occasion. The Digest, the school paper, is working with the P.T.A. preparing for the day with plans for a special edition of the paper.

Mr. H. T. Braddock was elected president of the Central Alumni Association last Thursday at the annual banquet. The other officers are: vice president, Mr. John Lauster, Mr. Leon Haley, and Mr. Jim Orrick and secretary-treasurer, Mrs. Flora Ware.

The String Ensemble, directed by Mr. K. W. Johns, has been chosen to provide musical entertainment tonight at the Teacher-Appreciation program at the Read House. The program is sponsored by the Hamilton County Council of P.T.A.

Last Friday's pep meeting for the homecoming game had quite an added attraction. Five of the alumni majorettes performed at the meeting.

As Central closed one athletic season this past Saturday night she opens another when the basketball team meets Tyler on Nov. 20. Bill Thomas has been chosen captain of this year's team.

Central Likely to Go to Florida for Bowl

By BOB GILBERT
Both Red Bank and Sevier have bowed and Notre Dame has bowed bids called today to play in Nashville's Clinic Bowl and the Irish in the Power Bowl in Cleveland and all that remains post-season now is to see if Central goes back to Florida for its sixth appearance in Jacksonville's Menikoff Bowl.

The Pounders made their first appearance in a Florida bowl in 1953, playing Miami Senior in the Miami Kiwanis Bowl. Then came five straight appearances in the Menikoff Bowl beginning in 1958. Central has agreed to go back this year if asked, and there seems little doubt now that will be invited. The Pounders are undefeated in nine games, have the best defense second in the state in allowing only 10.7 points and are ranked No. 1 in Tennessee.

NO. 1 CENTRAL ON THE ROAD AT McMINN

Central, the No. 1 team in Tennessee, meets a McMinn squad this week in the road. Their only mutual opponent is East Ridge. McMinn lost to the Pioneers 34-6. Central whacked East Ridge 34-0. One thing the fans will be looking at is the outcome Central has against six chessmen who are paired with Oak Ridge. The No. 2 team in the state, Oak Ridge won 38-7.

Central Just One Step From Unbeaten Season

McMinn County Falls by 34-6; Pounders Face Knox Central Next

ATHENS, Tenn.—Chattanooga Central's Purple Pounders pounded out a rosy 34-6 victory over McMinn County here Friday and now are just one step away from what should be their seventh state high school football title. The next foe is Knox Central on Nov. 9, the last hurdle toward an undefeated season of 10 games.

Central crunched out a 20-0 half-time lead on McMinn and then turned the game over to reserves for a big portion of the second half.

Glenn Jones burst over tackle from the 6 for the first Purple TD, climaxing a 74-yard drive. It wasn't long until a short McMinn punt gave the ball to Central on the Cherokee 24 and Terry Parks went the last 22 yards.

McMinn struck back on a 58-yard pass from Tim Vestal to Bobby Kyle and then Vestal missed over from the 1, but an interception by Steve Bevil, his ninth of the year, set up McMinn's third score before the half.

Kelly Kutz hit Parks with a 20-yard pass and Harry Phillips ran 15 yards in the 66-yard drive. Neal Kaplowitz scored from the 3.

In the third quarter, Jones got loose for a 54-yard burst and then Gary Quarles wound things up with a one-yard scoring move.

Bobby Etter kicked four of five extra-point attempts. Central led the statistics with 20 first downs to McMinn's eight and in rushing yardage, 204 to 22. The Pounders also suffered 85 yards in penalties to McMinn's 15.

Central Raps McMinn 34-6 For 9th Straight Triumph

ATHENS, Tenn.—Chattanooga Central, the state's top-ranked high school football team, left little doubt in the minds of the honors. The unbeaten, united Purples rolled over the McMinn County Cherokee 34-6 for their ninth straight triumph of the season.

Big fullback Glenn Jones was in the second half, and stuck the big workhorses for the fourth defeat of the year. However, he got three-point assists from speedy Steve Bevil, who picked up large chunks of yardage all night, although he did not get into the scoring column.

Jones rammed 6 yards off right tackle for the first touchdown in the opening period, and then rammed 54 yards over left guard in the third period.

Other Pounder touchdowns came on a 16-yard sprint by Terry Parks, a three-yard plunge by Neil Kaplowitz, and a one-yard plunge by Gary Quarles. Bobby Etter converted on four out of five placements.

McMinn's tally came on a one-yard quarterback sneak by Tim Vestal.

The Pounders opened the scoring by driving 74 yards in seven plays. Jones carried over from the six. Tim Vestal, later a short McMinn punt put the Chattanooga boys in business at the McMinn 24. The playmaker Parks sprinted 18 yards to the goal.

The Cherokee countered with a nine-play, 56-yard march with six minutes left in the first half. After a Vestal-to-Bobby Kyle aerial potted up 38 yards on one chunk, Vestal was over from the one. The placement attempt failed.

An interception by Bevil gave Central the ball again before intermission. The Pounders drove 80 yards in 12 plays to score with a 25-yard pass from Kutz Kelly to Parks and an 18-yard scamper by Harry Phillips the big gainers in the drive. Kaplowitz capped the push from the three.

Central used reserves freely.

Loaded Up

Almost the entire team loaded up on fried oysters despite the warning. "That made us mad," Farmer said. But they were to get madder.

Oak Ridge, which was at that time an infant in varsity athletics, had ideas of an upset. Central couldn't score and by halftime Etter was in no mood to pamper his athletes. He sent the Pounders to the end zone where they sat alone until intermission was over.

"Coach Etter wouldn't even let me go talk to them," Farmer said with a laugh. Oak Ridge went on to win 6-0.

"There's been something like that ever since we started," Farmer said, "and I've been complaining all these years."

Etter points out, incidentally, that teams are not "dropped" from a schedule. Schools sign one- or two-year contracts and they are either renewed or they are not.

No East Ridge Game

Central will likely have some new teams on its schedule next season. East Ridge Coach Mack Franklin said he does not plan to "renew" their two-year agreement. Other schools on the Pounder schedule due for a renewal are Clarksville and DeCATUR, Ala.

All Hamilton County schools will run into scheduling difficulty for 1961. Schools will open one week later than year and teams cannot play until classes are in session. That will cause some shuffling this year when coaches bargain for two-year contracts.

For Coach Farmer
A column last week referring the Oak Ridge Central football series prompted Central Coach Eric Etter to approach Assistant Coach Stan Farmer with this remark:

"Why don't you tell him the truth? Tell him the real reason we quit playing Oak Ridge."

Farmer laughed heartily at their private joke then went into an explanation.

"You know I've been complaining about the Oak Ridge trip ever since we started playing them. Something always happens. Now Coach Etter says he was just doing me a favor by dropping Oak Ridge."

Farmer then went back a few years when Central made its first trip to the Atomic City. Security guards were posted at entrance gates to the city and each player was checked thoroughly. There were frequent holdups. Passes had to be secured in advance and any last-minute change meant trouble and delay.

Then before the game Farmer and Etter began looking for a place for the team to eat. There were few in Oak Ridge at that time. Finally a cafeteria was found and Etter warned his players to eat a plain meal, nothing fancy, nothing heavy.

Real Togetherness

The two brothers are No. 1 at Central, both on the football field and in class. Here quarterback Harry Phillips, left, and brother Dickie, a tackle, walk to practice after classes, then don battle gear. Pounders Face Knoxville Central in Top Prep Game Here Tonight

By JAY SEARCY
Chattanooga Central, Tennessee's top-ranked high school football team, makes a final bid for its eighth state championship tonight at Chamberlain Field against highly regarded once-beaten Central High of Knoxville.

Thursday's rain soaked Chamberlain Field but the Weather Bureau said the rain should stop in the early hours today. A spokesman said there would be only a slight chance of light rain by game time. Temperatures in the 60s are predicted at 5 p.m.

Season Finale
It will be the final regularly scheduled game for Brainerd, Red Bank Central, East Ridge, Lakeside and Hixson, although Brainerd, along with Red Bank and Notre Dame, are scheduled for post-season battles. And Knoxville and Lakeside still have Region championship games to play.

It was expected to be a hard-fought game between Central and Coach E. B. (Red) Eiter's team who will compete in the 20th season with the Pounders tonight, will be after his second undefeated campaign. The 1957 team won 10 straight, but bowed to Lee High of Jacksonville, Fla., in the Meznick Bowl. Central will likely be tied to Meznick Bowl again this year should the Pounders win tonight.

The Pounders may be without the services of tackle Charles Glenn, who missed

school Thursday because of illness. Coach Eiter won't know until sometime today whether the 240-pounder will play.

One other starter is on the doubtful list, speedy halfback Steve Bevil. Bevil has been suffering an ankle injury since before the McMinn County game two weeks ago and hasn't been able to practice. Eiter "will try to see how he does," but may call on Neil Kaplowitz or Jim Croover to replace him.

Turnover Practicing
However, fullback, Tommy Turner, who suffered a leg fracture in the Bradley County game, returned to practice this week and may be available.

The Pounders, who have turned back nine straight opponents and allowed only four touchdowns, are virtually assured of the state championship with a victory tonight. Central has led the state points most of the season and is considered 22 points better than Knox Central by one rating system. It would be the seventh state crown for the Purple and Red since 1948. Their only other state title came in 1926 under coach Dean Peterson.

CENTRAL TILT POSTPONED TO SATURDAY

By BOB GORHAM
Weather Forecast Service, Weather Bureau
Rain played havoc with the high school football schedule tonight as the cancellation of the Lakeside-Hixson game and the postponement until Saturday of the Chattanooga Central-Knox Central game.

The big game—Central vs. Knoxville—will be held over a day.

For weeks now, Chattanooga Central and Oak Ridge have been 1-2 in the high school football rating systems and virtually nobody has given much of a chance to Knox Central.

Now comes the final two weeks of the season and Knox Central gets a chance to do something about its title aspirations—all the Bobcats do is play Chattanooga Central here Saturday and Oak Ridge next Friday.

Both Chattanooga and Oak Ridge are undefeated with 8-0 records, respectively. Knox Central is 7-1 and rated No. 8. Victories over the two big teams would assuredly give the state championship to the Bobcats.

The extra day's rest will benefit Chattanooga Central, whose Steve Bevil is hampered with an ankle sprain and Charles Glenn has been ill this week.

Coach Red Eiter's crew is pushing for another state championship, a possible trip to Florida in the Meznick Bowl, and a second undefeated season for Eiter.

KNOX CENTRAL POUNDER FOE AT C.H. FIELD

The clouds began blowing away early today and the weather prediction said the rain should stop by game time. The Chattanooga Central rolls onto Chamberlain Field in its bid for a state football title against Knoxville Central at 8 o'clock tonight.

The game, delayed from Friday night because of the inclement weather, sends the unbeaten Pounders against the once-beaten Bobcats in Central's try for a second unbeaten season in Red Eiter's 20-year coaching career.

Before Central and Knoxville tangle, McCallie entertains Darlington at 2:30 in the Tornado homecoming.

MOH is, now 3-1 for the week, finishes next week against TMI.

Booker T. Washington hosts Nashville Pearl in its homecoming game at 8 o'clock in the only other game here tonight.

Central will be out to impress one and all with a big victory tonight. Oak Ridge, the No. 2 team in the state and driving hard to overtake the Pounders, is slaughtering everybody as much as possible in their push for the No. 1 ranking.

Knox Central could be the key to final standings.

After meeting Central here tonight, the Bobcats take on Oak Ridge next week. And of course, Knox Central's defeat both teams, no one could deny the Bobcats a title.

Central Tilt Reset Tonight; McCallie Will Play at 2:30

By JAY SEARCY
Heavy rains, which rained off and Friday as predicted, caused postponement of the Chattanooga Central-Knoxville Central football game and forced Lakeside to cancel its game at Hixson.

Central will go ahead at Chamberlain Field tonight at 8, McCallie plans to play against Darlington at 2:30 p.m. and Booker T. Washington will entertain Nashville Pearl at homecoming at 8 p.m.

A Weather Bureau spokesman said the rain should stop sometime during the night and said there was a chance of sunshine breaking through Saturday afternoon. Predicted winds should help dry the soggy grounds. Temperatures in the 60s are predicted at game time tonight.

A big crowd is expected for the Central game in spite of the possibility of adverse weather. Over 1,000 tickets were sold in Knoxville.

The once-beaten Knoxville team will come with the idea of being the first to knock off the top-ranked Purple Pounders. An impressive victory for Coach E. B. (Red) Eiter's team will virtually clinch the state championship. It is the final game of the regular season for Central and closes out the 20th season for Eiter at the school.

Eiter said the team's would make every effort to play despite the weather tonight. The Knoxville team has a date with Oak Ridge next weekend.

Charles Glenn, who missed school because of illness Thursday, was back in school Friday and Eiter said he expected the tackle to play.

Knoxville, with seven victories, has shut out the opposition in its last four opponents. Its only loss was to Johnson City, a team as high as the Purple defeated 14-0 earlier in the season.

PURPLES WIN 14-9, REMAIN UNDEFEATED

By JAY SEARCY

Chattanooga Central, battling desperately to save an undefeated record and the No. 1 ranking, managed with a 14-9 victory over Bobcats from Knoxville Central Saturday at Chamberlain Field Stadium.

Tempers flared, balls flew and an estimated 8,000 spectators fawned to enjoy it all. A fight, which broke out in the front of the Knoxville bench and spilled to the center of the field, cost the better part of 15 minutes to stop it.

Chattanooga Central coach E. R. Bledt Eiler said his players were attacked by angry fans as they attempted to make their way to the team bus outside the field.

Within minutes after the game ended, an unfortunate incident in the vicinity of Chamberlain Field, 111 historic Knox County High School, where several witnesses witnessed "Police officers said they had no clues as to the identity of the troublemaker."

The area was covered by city police officers and auxiliary personnel, all assigned to traffic duty. In addition, police officers were ordered to the area to prevent further vandalism. Officers in these cars were also ordered to assist in the taking of the names of the owners of the cars.

During the fray, Chattanooga Central tackle Dickie Phillips was surrounded by attacking Knoxville players and carried to the Knoxville sideline by the shoving mob which he received several blows to the face and body. He collapsed returning to the field and had to be helped off. Coach Eiler said he was not badly hurt.

Two Knoxville players, Alvin Dorell and Lee Jones, were taken to Campbell Clinic but it was not learned whether their injuries were results of the fight or the game itself.

The victory for the Purple Panthers completed the second undefeated season in the 35-year coaching career of Coach Eiler and a possible eighth state championship in the history of the school.

But the visiting Bobcats, undefeated before Saturday night and ranked fifth in the state by the Associated Press, in use of a well-timed defense, took advantage of frequent breaks and plugged doggedly for small yardage in a turnover second half that almost proved tragic for the Pounders.

Tracy 14-3 going into the second half, the pressing Bobcats forced the Pounders into repeated mistakes and bobbin' erratically, late in the fourth period, pushed across a touchdown.

It came after Knoxville's center and Bailey felt or fumbled just at Chattanooga's 3. Then, just as it appeared the Knoxville drive was stopped, a Bobcat reaching penalty gave the Bobcats new life and in five plays from the 26, fullback Tom Casalek ran in a turnover second half from the three-yard line. Tom Casalek kicked the extra point.

The Bobcats got the ball twice more, but one desperation pass ended in an interception, the play which ignited the fight, and another resulted in a fumble as the game ended.

The Pounders looked as if they were going to march through the lighter Knoxville line as the game opened. They won 50 yards in seven plays on their opening series for a touchdown.

Terry Parks, using his hands on the ground to keep balance after being hit, went 12 yards to the Bobcat 26. Dan Stevens Blevell tore loose up the middle for 27 yards to the Knoxville 3. In two plays, the Purple Panthers sneaked into the end zone and Bobby Eiler kicked the point after.

and the Pounders went 80 yards to score just before the half. Quarterback Buzz Kelly threw a screen pass to Parks and the speedy halfback dashed 42 yards to the Knoxville 14. Then Harry Phillips went 15 on the second play and on the third Tom Turner, playing his first game since the Bradley County game, bulled in for the score from the 2.

The "water bucket" play, which seemed for Chattanooga Central, seemed to start the Pounders unraveling. After a lineout, the Pounders walked leisurely to the line and Dickie Phillips, who was a stand-out defensively, threw the ball back toward Park. It was short, however, and the Pounders lost 22 yards.

That play prevented the block-out from that point Chattanooga suffered four 15-yard penalties, an intercepted pass and a fumble. Knoxville, running a side-earle single wing, so completely dominated the second half, the Pounders managed only one feat down and 41 yards rushing.

Among the spectators were Oak Ridge coaches Jack Armstrong and Don Borchering, scouting the Bobcats. Oak Ridge will play Knox Central next Friday night.

Central to Play In Menink Bowl

Chattanooga Central's defeated football team Monday accepted an invitation to play in the Menink Bowl in Jacksonville, Fla., Dec. 7. The game will be in the Gator Bowl stadium.

Central Coach E. R. (Red) Eiler accepted the invitation over a special telephone hookup that amplified the conversation in Principal Robert Millsaps' office and at the Menink Club meeting in Jacksonville.

It will be the sixth appearance for the Purple Pounders in the nation's oldest high school bowl. An opponent for the Pounders will be announced Thanksgiving Day, according to Van Eiten Bent, chairman of the club's selection committee, who extended the invitation to Central.

Purples Vote Menink 'Yes' If Asked

By JAY SEARCY

Chattanooga Central Purple Pounders voted Saturday night to play in the Menink Bowl in Jacksonville, Fla., Nov. 30 if an invitation is extended. The majority vote came minutes after the team won its 10th straight game 14-9 over Knoxville Central.

The Menink Bowl committee, formed by the school, will meet at noon today to decide who it will invite to play in the season, celebrated their 50th in the 30th consecutive post-season athletic school of the old Knoxville bowl in the city. The game is played in the Gator Bowl stadium.

Bent said he will telephone Central coach E. R. (Red) Eiler at 1:40 p.m. today. In addition to Central, the committee is offering teams in Massachusetts and Louisiana. If the Pounders is invited it will be the fourth appearance for them in the Menink Bowl. They played there five times, beating Miami and Florida State and losing three to Lee. Their opponent will probably be Lee High again.

Central has demonstrated its football prowess to the state. The season-long show included victories over Johnson City, DeFatur, Ala., Clarksville, Kingsport, Elizabeth, Bradley County, East Ridge, Red Bank and McMinn County plus Knoxville Central.

He then singled out the fumbled punt that led to Knoxville's first scored touchdown and a 15-yard penalty that sent the Knoxville touchdown drive going just when it appeared it had been stopped.

Then there was Terry Parks' yard run to Knoxville's 15 on a double reverse that was called back because of a clipping penalty and on the next play a Knoxville lineman, Tim Helton, caught a misguided "whop" pass from Pounder quarterback Buzz Kelly.

"Water Bucket" Dripped But the "water bucket" play which backfired, seemed to bar the proud Pounders from what monumental it follows by a blocked punt. They was practiced the trick play at week 7, I guess we can't do 50 yards in a game and Dickie Phillips can't get a foot up and throw," Eiler said after the game.

After a timeout on the Central 43, the Pounders drifted leisurely into position without going into a huddle. All the linemen were on the right side of Dickie Phillips, the backer moved 11 yards back, looking for the "water bucket" were waiting to huddle. Suddenly Phillips picked up the ball and threw it down and to the right. It was to dash down the right sideline behind 17 blockers against a surprised, out-of-position Robert team. The Bobcats were surprised, but so was Chattanooga. Phillips' throw was a errand and Parks' coverage only to fall on it for a 22-yard loss.

Eiler regretted that the fight started the game, but said he was not at fault. "We kept our benches reserved off the field and if they had done the same thing it wouldn't have been so bad," Eiler said. Eiler had a verbal exchange with Knoxville Coach Frank Boring during the fray. Boring said something about the Chattanooga boys fighting and Eiler remarked that he had only 11 boys on the field while Knoxville's entire team was involved.

Coach "Boomer" Boring, like Eiler, said he regretted the temper flareup and was at a loss to explain it. He thought his Cats played as well as they could, "against the best team we've played this year. We put the game aside, however," and said "We play another week in Ocala, we'll be back and we saw them win 26-14 over Kingsport the other night."

"I do not see anyone to know what started the brawl, but this pressure was intense and the boys were keyed up. The blocks and blocks were crushing and the game was very close," Eiler said. Eiler was

football prowess to the state. The season-long show included victories over Johnson City, DeFatur, Ala., Clarksville, Kingsport, Elizabeth, Bradley County, East Ridge, Red Bank and McMinn County plus Knoxville Central.

What every Central player, fan and coach would like now to know is—was it enough? The Pounders, leaders in the state polls throughout most of the season, celebrated their 50th undefeated season in 20 seasons after coach E. R. (Red) Eiler after the Knoxville victory. Coaches were thrown into showers, there were victory cheers and back-slapping in addition to normal post-game dressing-room confusion.

But while the celebration was in progress coach Eiler interrupted a conversation to yell this warning to his boys: "I hope you know what you're doing. We haven't won this thing yet."

Coach Dickie Phillips' anxious Wild cats, who have been breathing down the Pounders' necks all season in the polls, get a crack at Knox Central Friday and it

proceeds without saying what they'll try to do. An impressive victory by the Riders could swing the crown in their direction. Before Saturday's game, Central held a 2-2-point edge over Oak Ridge in one popular statewide rating system and in another, compiled by a Nashville paper, the Pounders led by only 14 points. Don Roberts' area ratings prepared for The Times, had Central in the front by 31 points and the Associated Press poll gave it a 10-0 lead for Oak Ridge.

"Nightmare," Eiler Says Eiler, whose teams have won six of the seven state crowns in the school's history, wasn't pleased with the Pounders' Saturday night performance. "It was a nightmare," he said. Eiler said he thought Central was a much better team than that showed against Knoxville. "I feel we are three or four touchdowns down," he said. "But that doesn't speak well for us, does it? We didn't show it. We made a lot of mistakes. We said, 'and they hurt us.'"

The Pounders have a game scheduled in Knoxville against the Bobcats next season. Eiler refused, but he said Saturday's outcome the winner of it now. He said the school principals should be the ones to decide.

Undefeated Central Awaits Meninak Bowl Bid, Eyes State Grid Title

Darlington Edges McCallie Tornado On Extra Point

By BOB GORHAM
Staff-Press Sports Writer

Chattanooga Central wants to go to the Meninak Bowl in Jacksonville, Fla., and the Meninak Bowl wants Central, so all that remained today, it appeared, was the formality of issuing the invitation and the acceptance by the undefeated Pounders.

By special telephone hookup, the Meninak committee was to call Central at 1:40 today. The odds are about 90 to 1 that it will present the invitation for the Pounders' sixth appearance in the post-season classic, set on Nov. 20.

"We have been interested in Central, not only because of our vast friendships, but because of their great record," Van Kitten Best, chairman of the selection committee, said today.

His 10 a.m. indicated strongly that Central is the committee choice.

Central voted to accept the bid shortly after posting a 14-9 win here over Knox Central Saturday night, a victory that was sweet because it completed an undefeated season for the Pounders, but sour in that they played a poor second half.

A source close to the team said the Pounders were eager to atone for their performance against a team Coach Red Elier said he feels they should have beaten three or four touchdowns.

Central started in great style, going 30 yards for a touchdown the first time it got its hands on the ball. A second score was added before the half on an 80-yard drive, but deterioration set in when a trick play backfired.

It continued in the second half as the Pounders were beset with penalty after penalty and finally gave up a touchdown to the visitors, only the third TD allowed a Tennessee team all year.

If the Pounders go to Jacksonville, the foe likely will be Robert E. Lee High again. Lee is No. 2 in Florida right now, having lost only to Miami Senior, the No. 1 team, and tied by Miami Edison, the No. 3 team.

Central defeated London High 35-13 in 1955, lost to Lee 6-7 in 1956, lost to Lee 9-14 in 1957, defeated Lee 21-7 in 1958 and lost to Lee 7-19 in 1959 in other Meninak appearances.

Central Retains Slight Edge Over Oak Ridge in Roberts' Ratings

Oak Ridge, making a desperate bid for the Tennessee High School football championship, reduced Chattanooga Central's lead in the Roberts Rating to less than a point this week. The Chattanooga trade area ratings are prepared especially for The Times by Don Roberts.

Oak Ridge, which conquered Kingsport Dobyns-Bennett 62-14 last week, trails the undefeated bowl-bound Central team by seven-tenths of a point in the Roberts list.

The only change in the top five in U.S. Roberts Ratings was in the fifth and sixth spots. Bradley, sixth last week moved up to fifth.

Bradley remained No. 3 and Russellville was fourth.

Specialties—weight, agility, sportsmanship, scholarship, versatility.

All these qualities describe the 1962 News-Free Press All-City football team, which includes four returnees from the 1961 squad.

Making the team for the second year in a row are Dickie Phillips of Central, Jim Clark and Gary Tucker of Brainerd, and Norman McMinis of McCallie.

The offensive team is composed of: Billy Wren of Rossville and Scott Campbell of Central at ends; Jim Clark of Brainerd and Edwin Gann of Soddy-Daisy at tackles; Dickie Phillips of Central and Larry James of East Ridge at guard; Jim Hodges, East Ridge, at center; E. G. Cline of Brainerd, quarterback; Doug Fryer of Rossville, Terry Parks of Central and Gary Tucker of Brainerd at halfbacks, and David Brown of Tyner at fullback.

The defensive unit is composed of: Mike Crowe of Brainerd and Don Randall of Central, ends; Mike Levi of Soddy-Daisy and Norman McMinis, McCallie, tackles; Steve Goldsmith, Brainerd, middle guard; Glenn Jones, Central; Larry Clemmons, Red Bank, and Sherold Walker of Rossville, linebackers; Steve Bevil of Central and Jim Morgan of Brainerd at halfbacks, and Paul Painter of Rossville, safety.

This has been the most unusual football year in history here with three undefeated teams, one team with an 8-2 record and one 8-3 and some which have suffered through campaigns with little or mediocre success.

Because of the powerful teams here—Central, Brainerd and Rossville undefeated, and Soddy-Daisy 8-2 and East Ridge 8-3—these teams understandably dominate the team.

Central, almost sure to be Tennessee state champion in all the polls, places six men, Brainerd, which went through its second straight undefeated season, places five, and Rossville, headed into the Georgia playoffs after being pushed in only two contests, places four.

COACH OF THE YEAR

Central's Red Etter, whose Pounders appear headed for their seventh state football title under his tutelage in the past 20 years, is the 1962 News-Free Press "Coach of the Year."

Etter's fine aggregation this year played an extremely tough schedule, including the best in Tennessee and an Alabama team. It finished with a 10-0-0 record.

This is the second undefeated season in Etter's coaching career. He has had only one losing season in 20 years.

Central Places 5 Players on Times' All-Greater Chattanooga Team

Phillips and Tucker Head Voting—11 Schools Are Represented on Squad

Central, Brainerd and Ross-ville, all unbeaten and untied for the season, dominate The Times All-Greater Chattanooga football team for 1962.

Central, bound for the Men-ink Bowl in Jacksonville, Fla., led in the voting of 13 coaches and The Times sports staff, placing five on the 22-man squad. Brainerd and Ross-ville each placed four.

The team, selected from a list of 55 players nominated by the coaches, is represented by 31 of the 33 Greater Chattanooga high schools.

Dickie Phillips, 6-1, 205-pound senior tackle from Central and Gerry Tucker, 5-11, 185-pound halfback from Brainerd, were the only unanimous choices. Phillips was on The Times' 1961 team. He and Tucker are popular candidates for all-state honors. Tucker is the state's scoring leader with 138 points.

Besides Phillips from Central are Scott Campbell at end, Don Randall at guard, George White at center and Terry Parks at halfback. These stalwarts were instrumental in the success of a team which topped 10 straight foes, scored 248 points and allowed only five touchdowns. Another standout, Central performer, Steve Bevil, missed making the team by an eyelash.

One coach, filing his ballot, commented, "If you picked the entire Central starting lineup, you wouldn't have a bad all-city team."

Joining Tucker from Coach Ray Coleman's team are end DeWayne McCombs, 6-foot, 175-pound senior; repeater Mike Crowe, 5-10, 175-pound senior and, and quarterback E. G. Cline, a senior who stands 5-9 and weighs only 140 pounds. Cline, also a repeater, is the smallest member of the team.

Central's Phillips, one of the most highly sought prep players in the Southeast, is quick thinking on the field and knows the test passes of football. He plays and hits hard and commands respect from his opponents but at the same time is a gentleman.

During the Bradley County game, a crushing body block by Phillips sprang Steve Bevil on a 42-yard punt return for a touchdown. Phillips quickly jumped up and helped the unsteady Bradley player to his feet.

Central's smallest lineman is also the smallest lineman on The Times team. He is Scott Campbell, who caught three passes this year, all for touchdowns. And Coach E. B. Reed of Etter said of him "He makes no defensive mistakes."

Randall is Central's fastest lineman and trails only Phillips in team blocking. Another good blocker and rough defender is George White, the second junior on the squad.

Parks, a 5-10, 175-pounder was the leading ground gainer for the Founders, averaging almost eight yards a carry. Perhaps one of his greatest, although far from the longest, runs of the season was a 33-yard balancing act against Knoxville Central in the final game. Trapped behind the line and hit, Parks caromed off, stumbled forward and pushed off the turf twice with his hands to keep from falling. The plays which came on third downs and long yardage, kept a touchdown alive in a game that was won by a 5-point margin.

Central's Etter Chosen As All-Star Coach-of-'62

Eugene Bonaparte Etter, the amiable redhead who has held the coaching reins at Central High 20 years, is The Times' 1962 Greater Chattanooga football coach of the year.

Etter, who got his first coaching job almost 30 years ago through an employment agency, guided the '62 Purple Pounders through an unbeaten season, to a Menink Bowl invitation and the probable Tennessee state championship.

The 10 victories this year brought the masterful redhead's record to 127 victories, 32 losses and eight ties. He has had only one losing season and his teams have won six state crowns.

Etter, a native of Warren County, is 49. He is married to the former Miss Helen Gross, who was Miss Central High in 1929. They have two sons, Gene, 23, a professional baseball player and former Tennessee tailback now serving a six-month tour of duty with the Army, and Bobby, a senior at Central and kicking specialist for the Founders football team.

Etter would seem out of place anywhere but in coaching. It has been his life and although it is full of pressures, he says it is "a most rewarding occupation."

Do you think you would be happy doing anything else? He was asked.

"There are times when you feel like you would like to get away from the pressures," he answered in a laugh. Then seriously he said he would consider something else "When I feel like the burden of coaching is greater than my rewards."

Etter coaches football on the field, but he thinks about it all day and up into the night. "He sits around the house with pencil and paper," his wife Helen said. And there are times when the redhead will jump out of bed to get down a play. "I've awak-

E. B. ETTER

ened many times in the middle of the night with a play on my mind," Etter said. "Sometimes it works, sometimes it looks better at night than it does on the field, though." He admitted.

Etter's football started when he was a student at Central in 1927.

"I never got beyond the B team," Etter remembers. "They called us grasscutters back then."

Etter's parents were teachers and perhaps that explains why he was two years ahead of his age group when he graduated at Central at age 16. He played football at the University of Chattanooga but the halfback "warmed the bench again," he said.

Graduating during the middle of the depression, Etter set out to find a job, and a coaching position at a private school near Henderson, Tenn., was his first. "About was room and board,"

Etter said. The next year he became assistant football and head basketball coach at Morgan School, then a private school in the Mid-South Association. From there he went to Brainerd Junior High here and later became principal of Park Place Grammar School.

He served as assistant to Coach Dean Petersen at Central in 1942, then took over the head coaching duties "temporarily" in 1944 when Petersen was called to military service. He's a permanent fixture now.

J. Armstrong Beats Drums, Says Cats Could Nip Central

Etter, Henslee, Henderson See Pounders With Better Defense

By BOB GORHAM

Head-Free Press Sports Writer

Oak Ridge Coach Jack Armstrong has brought the controversy of whether his team is better than Chattanooga Central right out in the open, and according to an Associated Press story, he says he thinks his Wildcats could beat the Pounders. But Coach Red Etter of Central differs with that opinion and so do plenty of other coaches, including Coach Harold Henslee of Bradley's defending state champions and McMinn's Bob Henderson.

Bradley and McMinn were two of the six mutual opponents played by Central and Oak Ridge.

"As far as Chattanooga Central is concerned, I think our club can beat them anywhere at any time," Armstrong declared.

"I think people can look at the comparative scores of our games with mutual opponents and decide," Etter said. "We each played Johnson City, Bradley, McMinn, Elizabethton, Kingsport and Knox Central."

The teams scored only 21 points against us and 66 against Oak Ridge and they still have to play Knox Central tonight. We defeated Johnson City 14-0 and they won only 20-10 by scoring in the last two seconds and adding the extra point after the game.

"We beat Bradley 20-2 and they won 35-20, getting a late touchdown what Bradley gambled for a first down deep in its territory and didn't make it."

"Every one of the teams we each have played has scored more against Oak Ridge than us. And they had the advantage of playing four of them after we did and knowing what our score was."

"Never during the entire season were we in any real danger of losing a ball game. We trailed only twice during the entire season and never in the second half against a Tennessee team."

Bradley's Henslee says he thinks Central has "a better defensive club and they are bigger. They also have a better kicking game. The only advantage Oak Ridge might have is a slight edge in backfield speed."

"Of course, on a given night, either might win."

Henderson's McMinn team lost to Oak Ridge 30-7 and to Central 34-6.

"Central probably was better on defense against us," Henderson says. "We moved the ball against Oak Ridge some. Offensively they were about the same against us."

And as the controversy rages, Armstrong says his game tonight against Knox Central is

might against Knox Central is worse, including Coach Harold Henslee of Bradley's defending state champions and McMinn's Bob Henderson.

"But if Chattanooga Central had been willing to play, we certainly would have loved a crack at them."

One wag cracked: "If Oak Ridge happens to finish first in the Associated Press or United Press International poll and Central carries its trip to the Menomink Bowl, I wonder if Oak Ridge still will want to play."

Bulletin Board

CENTRAL

State champions or not? This question is prevalent in all Central's minds as we anxiously await the ratings in Tuesday's football polls.

With Oak Ridge, our arch rival for the No. 1 position, defeating Knoxville Central only 13-7 Friday night, Central is still a likely candidate for the state championship.

Principal W. H. Millsaps is leaving Saturday for Dallas to attend a convention of the Southern Association of Colleges and Schools. He will return Nov. 29 after participating in a panel discussion and attending lectures by the nation's leaders in education.

Central's clothing drive concluded Friday with over 17,000 garments collected. Mr. Sam Stoner's home room was the winner of the contest for collecting the most garments. His home room won with over 3,000 garments.

The Student Council is beginning work on the school clean-up campaign. The various service and social clubs are responsible for designated areas of the school. The club which performs the best job of improvement of its area will receive special recognition.

Today, Centrales will be treated to a feature movie, "Tenhouse of the August Moon." The funds received are to be used for school maintenance expenses.

Last Friday, Teacher Appreciation Day was observed at Central. The members of the Future Teachers Club each presented a teacher with an apple. The main bulletin board was decorated by the "Digest" staff for the day. Also Friday's edition of the school paper was dedicated to the teachers.

On Nov. 15 and 16, Miss Audrey Ford, a home economist for White Lily Flour Co., visited the home economics classes and demonstrated the uses of flour.

The successful Business-Industry-Education Day last Wednesday at Central is partly accredited to the fine work of some of Central's teachers, Miss Minnie Lee Morgan and Mrs. Reba Fultz.

The Key Club has announced the calendar girls for its calendar which will go on sale in January. The 12 girls are Nancy Bradford, Janice Rogers, Maridon McClure, Lynette Tribble, Frances Gault, Ruth Grese, Frances Gant, Judy Jackson, Martha Kile, Diane Hense, Marceon Cavin and Betty Richardson.

"Menak Bowl or bust" is the goal of Central's band and battalion as they delicately sell Christmas candy and wrapping paper to earn money for the trip.

Central will enjoy the Thanksgiving holidays as we get out of school Thursday and Friday. Happy Thanksgiving holidays to everyone.

POUNDER LINE ACE CHOSEN BEST IN CITY

Award Based on Grid Ability, Scholarship And Leadership

Dickie Phillips, 210-pound tackle, who was a principal cog in Central's drive through an unbeaten 10-game schedule to the Tennessee high school football championship, today is named winner of The News-Free Press and Thom McAn Trophy as Chattanooga's outstanding football player of 1962.

Phillips, a three-year letterman, two-time News-Free Press All-City selection and almost a sure bet for All-State honors, won over a field of nominees as closely ranked as ever before in the competition.

The award is based on football ability, scholarship, leadership and sportsmanship.

Phillips' football ability is well attested to, he led Central in both offensive and defensive grading points under Coach Red Etter's system this year and called his team's defensive signals as alternate captain.

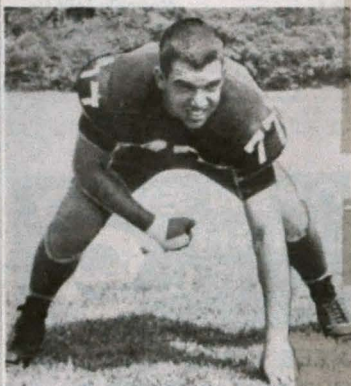

He is an A and B student at Central and is cadet commanding officer of the ROTC unit. He is vice president of the senior class, vice president of the Student Council, a member of the Key Club and a member of Dues and Diamond.

Phillips attended the Fellowship of Christian Athletes encampment this past summer representing his school.

Others nominated for the honor were E. G. Cline of Brainert, Paul Painter of Rossville, Larry Mullins of City, Larry Clemmons of Red Bank, Claude Herman of Notre Dame, Terry Stiles of Oglethorpe, Larry James of East Ridge, David Brown of Tyner, Hoyal Crawley of Hixson, Jim Morgan of Bayton, Norman Melvin of McCallie and Butch Rigby of Soddy-Daisy.

The winner here each year is entitled to compete for a \$1000 annual scholarship to the school of his choice. The personal award to each winner is one of his own football shoes bronzed and mounted on a walnut base.

Previous winners here include Bob Lacey of Red Bank, Central Bill Clark of Hixson, Bobby Hoppe of Central, Ray Moss of Central, Billy Baker of Rossville, Voris Williams of City, Eddie Lane of Central, Paul Van der Grint of Red Bank, Gary Herbst of Notre Dame and Paul Tessmann of McCallie.

Etter Reminds Oak Ridge Dropped Central Once Also

Pounder Coach Rebutts Armstrong's Statement Over '62 Grid Schedule

By BOB GORHAM

The yowls of discontent from Oak Ridge by Wildcat Coach Jack Armstrong because his team was not included on the Chattanooga Central football schedule this year brought a reminder today from Central Coach Red Etter that Oak Ridge dropped the Pounders back in 1950—and nothing was said.

"We started playing Oak Ridge in 1947 and they beat us the first year 8-0," Etter reviewed. "Then we won by 41-21 and 51-15 the next two years. They dropped us, as all went to other teams have done over the years, but we didn't cry about it."

The series wasn't resumed until 1952, when an 18-18 tie was played and then it was dropped again for three years. "The teams have played each other since 1956 until this year, when another interruption came."

The hulahoos this year is primarily because Central won the mythical state championship and Oak Ridge finished second in all but one recognized rating system.

Armstrong was quoted in a Page 1 story in the Oak Ridge newspaper this week as saying "Central dropped us because we're above them and we don't want to play us if they had to play us." He has made similar statements to papers in Louisville, Ky., Jacksonville, Fla., and elsewhere.

In the story, Armstrong said Johnson City has asked to be included on their schedule. It is impossible for every team to play everybody else."

and he invited Central to replace Johnson City.

Johnson City came within two seconds of dumping Oak Ridge this year, losing 20-19, with the winning extra point being scored after the game ended.

Etter has said previously that Oak Ridge was replaced on Central's schedule because he wants to concentrate more on local competition and that his team no longer could meet every top team in the state unless other highly ranked teams did likewise.

"We and Oak Ridge played six mutual opponents this season and our defensive record is better than theirs against those six," he said. "As for the other four, I dare say the four we played would have fared pretty well against the four they played."

"There have been many champions in these polls down through the years and many of them didn't play us, but we didn't decline their achievement because we weren't included on their schedule. It is impossible for every team to play everybody else."

CENTRAL RALLIES TO NIP RED BANK

Pounders Win 35 to 34
—Thomas Sets Pace
With 12 Points

Central, trailing for almost three quarters, rallied in the second half at Red Bank Friday night to defeat the Lions 35-34 in the first Hamilton Interscholastic Basketball League test for each club.

It was a stern test for the defending AA Division Pounders and they barely passed before a packed house, thanks to baskets by Bill Thomas, Bobby Johnson and Bud McBrayer, a desperate attempt at controlling the ball the final five minutes and a sudden wildness of Banker shots.

Central's Danny Christian drew a back-court foul as the third period buzzer sounded and made the shot to pull the Pounders to a 27-27 deadlock. That shot, taken as the teams were getting final quarter instructions at the sidelines, proved to be the winning margin.

Hit From Baseline

In the fourth, Thomas, Central's "big man," hit in close and Johnson dumped one from the baseline at 6:04 for a 31-27 Central lead. Bud, at 5:44, Central's rebound were joined when Thomas fouled out.

Tim Morris drove for a layup and was fouled. He converted and, at 5:18, put the Lions ahead 33-31 with two more free throws. After the departure of Thomas, Central began freeing the ball. Bill, when forced back to the offensive, Johnson hit a follow-up shot to regain the lead at 5:33 with 3:01 left.

Red Bank broke through the trees for nine shots in the final three minutes and missed the first eight. The ninth, a crisp by Bobby Jackson, fell with 3 seconds left, but Central had already got the "odd point" lead on free throws by McBrayer and Jerry Pace.

Red Bank had taken advantage of a sluggish Central attack with an early lead and, at one time, held the game's biggest margin of 16-11 near the end of the first half.

Morris was the game's top scorer with 13 points, one better than Central's Thomas. Johnson had 9 points and was the top rebounder with 13 grabs. McBrayer had 7.

35 Rebounds

Team statistics reported 35 rebounds for Central and 19 for the Lions. Red Bank hit 8 of 19 free throws and had 13 field goals. Central hit only 5 of 14 free throws but hit 15 field goals. Bud had 7 of the Lions rebounds and Don Cox had 6.

Central's Bees made it a perfect Pounder night with a 50-40 triumph over the baby Lions.

Red Bank's Cox wore a patch over his left eye. In a head-on collision during practice with B-leasener Bruce Cox, his wound required five stitches and nine days of Bruce.

Area coaches, enjoying a night off, took advantage of the game to do some scouting.

Due to opponent's jumbling in the lane too quickly, Central's Johnson and Red Bank's Cox had 3 continuous free throws. Johnson missed all three and Cox hit his last effort.

CENTRAL 35—McBrayer 7, Johnson 11, Thomas 10, Christian 10, Cox 5, Pace 4, Jackson 3, Morris 13, Red Bank 34—

CENTRAL THUMPS WINLESS TYNER

Central won its first game of the young basketball season Tuesday with a 44-28 victory over winless Tyner in a slow-moving contest at Tyner.

Forward Bob Johnson was high-point man for the Pounders with 16. James Pike, also a forward, was high man for Tyner with 13.

Tyner has lost four straight. CENTRAL 44—Johnson 16, Thomas 8, Pace 4, Christian 10, Bryant 10, O'Connell 10, Tyner 28—

UNBEATEN, UNTIED MINGLE: Brainerd and Central High football captains, and coaches, were honored Wednesday at a luncheon given by the Jaycees at Hotel Patten. The captains are, left to right, Brainerd's E. G. Cline, DeWayne McCamish, Central's Scott Campbell, Dickie Phillips. Phillips was named to the 1962 All-State football team Wednesday.

Four members of the 1962 Associated Press all-state football team are monuments to the proposition that you don't have to be with a big winner to be a star. Tackle Bobby Morel of Battle Ground Academy, virtually a diamond in the rough this season, experienced a 2-7-1 record after having played on BGA teams that won 21 and lost only one in 1960 and 1961.

Pulsak (5-5) contributed full-back Glenn Waser to the all-state team. Franklin County (5-4-1) offered end Roger Lewis and Fayetteville (5-3-2) supplied guard Joe Graham.

Phillips With Winner

In contrast, tackle Dick Phillips and his Chattanooga Central teammates won 10 and lost none in the regular season and will play Robert E. Lee High of Jacksonville, Fla., in the Dec. 7 Memorial Bowl at Jacksonville. Another Chattanoogaan, halfback Gary Tucker of Brainerd, was a second team choice along with end Bob Peterson of Bradley County.

Guard Steve Sadowski played a key role in Oak Ridge's 19-0 season. And halfback Bill Robertson was the driving force behind Sevierville's 10-1 record.

Morristown, home of all-state end John Reitz, scored an 8-0-3 season. He was the only player to be named offensive and defensive on the 22-man All-Big Seven conference team.

Others named to the honor squad are center Ben Gambill, Nashville MMA (5-3-1), quarterback Steve Spurrer, Johnson City (7-4-1); and halfback Robert Medina, Jackson (6-2-1).

Together, the eleven teams represented on this year's all-state team compiled 78 victories, 28 losses and 10 ties.

Joe Graham, who received the most votes among the linemen, is a repeater along with BGA's fiery tackle, Morel.

An all-star unit, a line averaging 191 pounds and a backfield that moved the ball 5.141 yards on average reflect the power of the 1962 Associated Press All-State high school football team.

Only five of the 11 schools represented finished among the state's top 10. Furthermore, tackle Bobby Morel of Battle Ground Academy played on a team that won only two games.

The other tackle is Dick Phillips, defensive signal-caller for Chattanooga Central which captured the No. 1 spot in the final AP state rankings.

Central, Brainerd... Jaycees Cite Footballers

The Chattanooga Junior Chamber of Commerce today honored the coaches and co-captains of Central and Brainerd Senior High football teams which have gone undefeated this year.

President Howard Sompayrac said the record of the two teams has "meant a lot to the Chattanooga area and reflected well on our area."

Representing Central High, the state championship team, were Coach Red Etter and co-captains Dickie Phillips and Scott Campbell.

The Brainerd team, which hasn't lost a game in two years and stands third in the state ratings, was represented by Ray Coleman and co-captains E. G. Cline and Wayne McCamish.

The Brainerd team recently won the "Clinic Bowl" in Nashville, a Jaycee co-sponsored event to raise funds for crippled children, defeating Madison High. Mr. Sompayrac pointed out:

"The team members, captains and coaches are good public relations representatives for this area," he continued.

Color films of the Jaycee national convention at Las Vegas were also featured on the program at the Hotel Patten luncheon meeting.

Whatta You Gonna Do???

The announcement of The Associated Press high school All-State football team today without Brainerd's Gary Tucker is the kind of "oversight" that defies an explanation.

But to save the feelings of the Rebel fans, here is a feature they:

The AP team is chosen by vote of newspapers and radio stations which subscribe to AP service. Each has a vote. Many do not exercise this franchise, just as many qualified voters fail to cast a ballot in an election.

Chattanooga has seven AP members. Four cast ballots. Based on the number participating, it required eight votes to earn a first-team spot. Tucker received six.

Somebody around the state failed to read what they put in their papers or what they used in their spots broadcasts. All Tucker did was gain over 1,100 yards in 11 games as Brainerd went undefeated. He led Tennessee in scoring with 150 points. He averaged 50 yards per carry.

That ain't enough?

But another unbelievable side to this "all-state" team is the fact that five boys from the only one from the West Tennessee area . . . and not a single boy from the tough Memphis Prep League!

Anyone who has watched Memphis Central or Memphis South play Chattanooga Central here can attest to the quality of football played in Memphis. To think that not a single boy there is all-state caliber is unbelievable.

By the AP's own poll, Central ranked No. 1, Brainerd No. 3 and Memphis Central No. 6 in the final ratings. It seems inconceivable that only one man from these three teams rate all-state selection.

Of course, the one who did make it—Central's Dickie Phillips—is a standout. He plays both offense and defense and led the Pounders to the state championship and deserves congratulations.

But a more equitable method of choosing such all-star teams must be adopted if it continue to mean something to be selected. When omissions such as that of Tucker and other qualified boys are evident, the flavor turns from sweet to sour.

Fortunately, there is an all-state team picked by a board of sports writers. This team is nearly 30 years old and is generally acknowledged to be THE all-state team. It will be interesting to see the boys chosen by the men who devote considerable time to covering prep sports—and who are acquainted with the athletes' achievements.

Central Up for National Rating

Central's state champs have been asked to supply statistics in the National Sports News Service in Mississippi for a possible national ranking this organization compiles.

Miami Senior High was picked as the No. 1 team in 1960 (Kingston was ninth that year) and Massillon, Ohio, was No. 1 last year.

Jaycees Honor Central, Brainerd

Howard Sompayrac, the Jaycees energetic president, wanted some of this rib-tasting, untied stuff to rub off on his club, so at Wednesday's Hotel Patten meeting he had the coaches and captains of Central and Brainerd High's football teams as special guests.

The players ate together—Dickie Phillips and Scott Campbell of Central and DeWayne McCannan and R. G. Cline of Brainerd—Coaches E. B. (Red) Etter of Central and Ray Coleman of Brainerd said a few words. All were given all-city certificates.

Etter, after finishing his chopped-steak luncheon, said his boys were busy getting ready for the Maniak Bowl game in Jacksonville Dec. 7. The Purples were No. 1 in the Associated Press ranking, and deserve rating as one of the best Central teams ever.

Brainerd Congratulates Central

Coleman, who hasn't lost a game in his two years as a high school football coach, congratulated Central and said he believed Etter would have played Brainerd but for a previous commitment to the Florida bow.

On the matter of football games with Central in the future, Coleman said that a round-robin schedule among the five AA teams (City, Central, Brainerd, East Ridge and Red Bank) was to come up at an early meeting. He said that in arranging last fall's schedule there was a conflict on Red Bank's schedule and the Lions asked McMinin to switch dates. "Had they been unable to do so," Coleman said, "Central agreed to play us."

Brainerd Opens Cage Play With Victory Over Central

The Brainerd Rebels opened their basketball season Tuesday afternoon and took a big 40-34 HIL 'AA' victory over host Central High School.

The loss was the first for the inexperienced Pounders who have won two games this season. Central's scoring was topped by Bill Thomas who netted 9 points and Doug McHenry with 7.

Brainerd's Bill Giles used a drive at the basket to perfection to lead his team's scoring with 19. He and Mike Keefe, who had 10 points, grabbed off the majority of the Rebel rebounds.

Brainerd used a very effective man-to-man defense which bottled the Pounders up in the first quarter as Brainerd jumped off to a 12-6 lead.

Bobby Johnson was a strong rebounder for Central as was Tommie Turner.

It's That Time Again

By JIM FELDER

It won't be long before the midnight hour arrives which will turn certain successful high school football players into potential Cinderellas for the highest bidding college.

Saturday midnight, Dec. 8, college scouts will be given a free hand to sign whomever they find willing to sign on the dotted line and agree to attend that college on an athletic grant-in-aid.

It's a mad scramble. It has been so in the past and the presence of many scouts in this area indicates it will be no different this year.

A check of the coaches last week revealed some far-fung interest in some of the local lads. The list is not complete because as each day goes by, another athlete is approached or another college contacts a boy who has had other offers.

While this is not a list of definite offers from colleges, it is an indicator of which colleges have expressed interest in which high school football players.

Gary Tucker of Brainerd and Dickie Phillips of Central top the list with both having either feelers or direct offers from most of the Southeastern Conference schools.

"Phillips is the most sought-after boy we have," coach Red Etter said. "I guess almost every school in the South has contacted him at one time or another." West Point has also expressed great interest.

William Jones, Steve Devitt, Harry Phillips and Charlie Hitt also have received feelers from SEC schools. In addition, Memphis State has also expressed interest.

Everybody Goes

The Central team will stay in the Mayflower Hotel in downtown Jacksonville. A coaching staff of five, three managers and about 50 players will make the trip. Thirty-one players will go by train, leaving Wednesday afternoon and arriving Thursday morning. A bus load of players will leave early the day of the game. Every player who stayed out the entire season is making the trip. The team will leave Jacksonville Saturday night and will arrive in Chattanooga Sunday noon.

Bill Nash, WDDO sportscenter who follows Central, told the Central students at a prep rally recently, "I can picture the headlines of the papers after Central wins the Memphis Bow championship. They'll read: 'CENTRAL CLAIMS THE SOUTH.'" Nash instantly became the most popular speaker at the school in years.

'I WAS A TEEN-AGE DRACULA' will be presented by Central High seniors Friday night at the school. In rehearsal are, first row, Regina Grizzle, Patsy Gilley, Jo Newman, Sharon Ervin, Linda Crutchfield, Becky Bridges, Judy Jackson; second row, Bonnie Holland, James Sanders, Phil Adams, Patricia McBryar, Wanda Gilreath, Frances Gault, Doyle Harding, Joe White, John Chastine.—(Staff photo by Jim Mooney.)

Central Leaves Today

Central's Purple Pounders, No. 1 ranked football team in Tennessee, left today by train for Jacksonville, Fla., where they will play Robert E. Lee High in the Menisk Bowl Friday night.

It will be Central's sixth appearance in the bowl game, oldest in the United States. The Pounders have won twice and dropped three decisions, all the losses being to Lee High.

CENTRAL

Menisk Bowl Bound is the thought of all the Centrales preparing to leave for Jacksonville Thursday morning.

Monday night the band and battalion presented a talent program, "Pounders on Parade," to help finance the Florida trip. The program had five routines by the majorettes, a precision drill by the Poudrettes, a special group of battalion girls, a skit by the cheerleaders, and several numbers by the band plus some other surprises.

Christmas baskets? It does seem early to be thinking about Christmas baskets. This project sponsored by the Student Council is usually the school's most successful drive. On Dec. 26, the baskets will be displayed on the auditorium stage for the Christmas program and then delivered to the needy families in the Chattanooga area.

The Varsity Glee Club, under the direction of Mr. E. W. John, is busy practicing for the Christmas program. This year the glee club is presenting an extremely difficult program for a high school glee club, selections from Handel's "Messiah." Seems that we have a treat in store for us.

Central is very proud of and congratulates Dickie Phillips for being the only area football player to be selected for the first team of the Associated Press All-State football team.

Last Friday, Nov. 30, the annual training program for the PTA Association was held at Central. Interested parents and officers of the PTA attended a panel discussion on "Teen Problems." Bill Carter, Joe Zerbach, Janice Rogers and Sandra Gary were the student participants with Mr. J. Pope Dyer, head of the social science department, in charge. Evidently the discussion was very successful. The discussion was planned for 30 minutes but continued for two hours with parents questioning the students.

Thirty senior girls taking home economics will take the Betty Crocker Homemakers of Tomorrow test. The Central winner will receive a specially designed pin and will be eligible for the state contest. Entrants are listed on

"Three home economics knowledge" and attitudes.

The social science department has announced this year's health project, "Health Facilities in Our Community." As part of the project, on Nov. 24, members of several local health organizations visited various homes in the school.

The Cinema Club recently elected its officers for the 1962-63 year. The officers are Bob Kinoy, president; Paul Broadbent, vice president; John Haynes, secretary-treasurer and Jerry Lewis, repairman. The members of this club aid the teachers in their audio-visual teaching.

The rifle team of Central is practicing every day after school for the matches which it plans to enter at the first of the year. Senior Phil Howard is captain of the team. The other starting members of the team are Stanley Hall, Larry Rogers, John Layne and Clifford Pope.

The senior play cast deserves a big bouquet of roses for the Friday night.

Bobby Johnson Scores 14 Pounder Points—Abney LaFayette Leader

Central's Purple Pounders edged the basketball Ramblers of LaFayette, Ga., 46-44. At the Central gym Tuesday afternoon as Bobby Johnson paced the Pounder attack with 14 points.

LaFayette's Abney hit 14 points and Peppers added 13.

Central was able to hit only 30 per cent of its shots from the floor while LaFayette connected on just 24 per cent.

Central led throughout the first quarter but never over three points. In the second quarter the Ramblers took the lead at 23-21 and 25-23 but as the half ended Central was back in front 27-23.

After the intermission both teams had trouble finding the range and Central could never pull out in front over two points.

Early in the final stanza LaFayette grabbed the lead at 36-33. Then Central took over again and led by four points up to the final seconds of the contest when LaFayette narrowed the margin to two points.

ETTER SPARKLES FOR POUNDER '5

Purple Pacer in HIL TIT —Brown Giles Shine for Irish Quintet

By RAY DEERING
Diminutive Bobby Etter, Central's fancy guard with a dead-end jumper, calmly brought his Pounders from behind twice in the closing minutes Tuesday night and then added a couple of insurance points to give the purple-clad invaders an exciting 48-45 verdict over Notre Dame. The nip-and-tuck clash was a Hamilton Intercollegiate League AA Division affair and the victory gave the defending champions a 2-1 league mark, good for second place behind Brainerd's 1-0 worksheet. Notre Dame has yet to chalk up an HIL victory in two loop-outs.

Etter, the master playmaker after entering the contest in the second period, paced the Pounders' scoring effort with 13 points. Guard Jerry Pacer was the only other Centralite to reach double figures as he contributed 10 markers.

Giles High Man

Tony Giles, lanky forward for the Irish, captured high-point honors for the night with 15 tallies. Forward Chris Brown followed with 13, all of them in the second period.

The Irish were the first to draw blood, when with 5:01 remaining in the first stanza, Tommy Bruno sank the first of two successive free throws. From that point, the lead changed hands on four occasions in that period with the Pounders assuming an 8-7 advantage as the second period started.

Notre Dame's scoring in the second quarter all belonged to Brown. The wiry forward hit consistently from the corner in the tiny Notre Dame gym until the Irish had an 18-13 margin with three minutes remaining before halftime. Then he added a couple more from the line to offset a pair of charity tosses by Dan Christian and a long felder by Harold Haggard and the Irish had a 20-17 advantage at intermission.

Central caught the Irish with 5:07 left in the third period when a long jumper by Jerry Pace sent the Pounders soaring into the lead, 27-28. Again the lead shifted rapidly until a jumper from the keyhole by Joe Weller with six seconds showing gave the Irish a 35-33 third-quarter margin.

Discovered Key
Then in the breathtaking final period, after Bruno had hit a short one from the side for the Irish, Etter discovered the key to the Notre Dame zone defense. The crafty athlete hit on a beauty from far out, but Giles quickly matched the deed. Notre Dame led 39-35. Then Bill Thomas, Pounder center, swished in a free one. Haggard did likewise and Etter popped the cords again from outside and the tilt was in a 38-38 deadlock.

From then on it was a battle between Etter and Tommy Giles. Giles hit from the corner and Etter followed, cool and collected, with his archaic jumper. That made it 43-all with 2:20 left. After Notre hit the defending Dame had missed a couple of short attempts, Bud McBrayer chipped in from the side, making it 45-43 Central with 1:42 left and the Pounders were on top for good.

Etter tried a freeze with 0:49 showing, drew a foul from Giles and sank both throws. Notre Dame's wily hit from his corner with nine seconds left, making it 47-45 Central. Etter drew another foul, made it good, and the Pounders had their victory.

CENTRAL BOARDS CHATTANOOGA CHOO-CHOO: The state champion Central High football team waves a warm goodbye at Union Station on Wednesday, leaves a cold Chattanooga skyline behind and heads for Jacksonville, Fla., where Friday night it meets Lee in the annual Meninak Bowl football game that closes the South's schoolboy season.

The Pounders later toured the Lee High campus and had lunch at the Baptist Home, the beneficiary of the bowl proceeds this year. The money will be used to build a recreation park at the home.

Central Plays in Meninak Bowl Tonight

By JAY SEARCY
Chattanooga Times Sports Writer
JACKSONVILLE, Fla.—Tennessee State High School football champion Chattanooga Central, undefeated and untied in 19 games, test the strength of Florida's second-ranked Robert E. Lee High of Jacksonville here Friday night in the 30th annual Meninak Bowl game at the Gator Bowl. Game time is 8:15 p.m.

The Purple Pounders hope to do what no other Central team has ever done—go all the way undefeated. The only other Central team to finish a regular season unbeaten was defeated here in the Meninak Bowl by Lee in 1937. This will be the sixth appearance of the Pounders here. They have won only twice.

Visiting Chattanoogaans left snow behind but found little relief from the cold in Jacksonville. Unseasonable Florida weather swept across Florida Wednesday night and a low of 26 was forecast for Thursday night. Temperatures in the high 30's or low 40's are predicted for game time Friday night. The weather bureau promised clear skies, however.

Lee High is one-beaten, having lost to state champion Miami Senior High. The Generals were led by Coral Gables, the state's third-ranked team.

Central arrived from Chattanooga at 7 o'clock Thursday morning after a 15-hour train trip, and was greeted at the station by Meninak officials, the Lee High football team,

students and a blaring band.

The Pounders later toured the Lee High campus and had lunch at the Baptist Home, the beneficiary of the bowl proceeds this year. The money will be used to build a recreation park at the home.

After lunch and a brief rest the Pounders held a light workout at the Gator Bowl stadium, then returned to the hotel and reviewed movies of the Coral Gables-Lee High game. Head coach E. B. (Red) Elter briefed the boys on their assignments, then sent them to their rooms and to bed.

Elter reported all personnel in top condition.

Seven bus loads of Chattanooga students, including the band and girls' drill team, are en route to Jacksonville and a group of parents also chartered a bus for the trip. In addition, numerous Florida boys have traveled to Jacksonville to cheer on the Central team.

The 1962 Lee team is lighter than the other Central teams have faced in the past. The line

averages slightly more than 170 pounds per man. Two all-city players lead the Generals, halfback Rex Ritters, 165 pounder, who is the team's leading scorer with 65 points and center-guard John Tullis, 185.

A 160-pounder, Sam Williams, takes care of the fullback chores and leads the Generals' defense.

Primarily a ground team, the Generals will rely upon Ritters, Williams and halfback Dan Manny for their offensive punch. Speculating Jacksonville fans consider Chattanooga a slight favorite.

A crowd of about 10,000-15,000 was expected for the game, but cold weather may keep many of them away.

A band festival is scheduled an hour before kickoff. The Central band will join eight local high schools in the affair.

STATE KINGS BATTLE LEE IN MENINAK

Cool Weather Greet Purple Pounders At Jacksonville

By BOB GORHAM
Free Press Sports Writer
JACKSONVILLE, Fla.—Chattanooga Central's Purple Pounders, more blue from the frigid weather that hit here 24 hours ago than purple that betis their rank as kings of Tennessee high school football, worked out in the Gator Bowl Thursday and then sat by waiting for their sixth appearance in the Meninak Bowl there tonight.

The Pounders, in fine physical shape, really got the red carpet treatment when their train pulled into town about 30 minutes late early Thursday morning.

A delegation of students and the band from Robert E. Lee High School, opponent of the Pounders in the bowl game, was on hand at the station ready with yella, music and hot coffee.

After a bus ride to the downtown hotel, escorted by Meninak officials, came a visit to Lee to get acquainted with the student body.

The team will have lunch at the Baptist Children's Home, which will benefit by the biggest share of the proceeds from the charity game.

The team looked at game movies last night and went over strategy. A visit to the mayor's office, more sightseeing and the usual trips offered visiting dignitaries were on tap today.

A crowd of 10,000 is expected tonight.

Unbeaten Central has scored 248 points in 10 games this year. The Generals, second-ranked team in the state of Florida, have an 8-1-1 record.

This is the 30th annual Meninak Bowl and sponsors claim it is the oldest high school bowl in the nation. In previous visits Central has won two, lost three.

The weather here, in the high 70s most of the week, suddenly turned cold Wednesday night and a low of 26 degrees was predicted for Thursday night and a high in the mid-40s for Friday.

There was wind up to 30 miles per hour most of Thursday, but this was due to stop today.

The players "bunked" in the same coach they rode in on the trip down, but were suddenly awakened about 2 a.m. when the temperature rose to nearly 100 degrees.

It suddenly cooled off, however, and then it was cold the rest of the way.

The Pounders were kidding Steve Bevil about making the second all-state team this week as an end. He played eight years in junior high school, he said, and was happy to be chosen at any position.

Making the trip on the train with the players were coaches Red Elter, Jake Seaton and Stan Farmer, along with Principal Robert Campbell, former Central gridders Eddie Lance, Ned Thaxton of Martin-Thompsons and the writer.

More players were due to arrive Friday in the company of coaches Jack Archer and Jim Hale.

DZVONIK, MERCER STAR FOR DYNAMO

Pounders Held in Check by Stout Defense of Phifer's Machine

By JIM FELDER

City's Dynamo completely outclassed Central in the finals of the Brainerd Invitational Basketball Tournament Saturday night to walk away with the championship by a lopsided 50-26 score. In the consolation game, Saddy-Daisy fought off Red Bank for a 50-35 victory giving the Trojans third place.

City coach Jim Phifer threw the height in the lineup with both Mike Devonik and David Mercer starting. Both centers, Devoni stands 6-5 and Mercer is 6-4. The strategy paid off big with Devonik using his size to the utmost on both defense and offense.

Basically, it was City's defense that told the tale. Scrappy Bobby Etter just couldn't get his bottled-up Pounders moving and City dominated the first-half show to come off smiling with a 24-16 advantage.

Central coach Gordon Smith pulled a surprise at the start of the second half and yanked his first string and inserted five players who had not seen much varsity duty this season.

The contest changed from high speed basketball to something resembling "you bounce the ball off my basket and then we'll run down and bounce it off mine." Central fans took great joy in the scrapping Pounders, but the score continued to mount.

Immediately after the City-Central contest, City, Central and Saddy-Daisy received trophies for the first three places and Red Bank took home the game ball for fourth place.

An all-tournament team included Jerry Klassen and Devonik of City, Halford of Saddy-Daisy, Etter of Central and Chris Brown of Notre Dame.

Tournament director Ray Coleman laughingly congratulated City assistant coach Jim Dukess after the game by exclaiming, "nice B-team game, coach."

POUNDERS' PACE NIGHT'S TOP MAN

Purple Pops Irish—Hawks Yield to City—Trojans, Lions Win Handily

TONIGHT'S GAMES

7-55 City vs. Central
8-00 City vs. Red Bank

By GEORGE SHORT

The eight-team field in the first Brainerd Basketball Invitational was sliced in half with a final Thursday night leaving Central, City, Red Bank and Soddy-Daisy in the semifinals tonight in the Rebels' gym on South Moore Road. Jerry Pace of the Purple Pounders was the pacemaker as Notre Dame was whipped 48-28. Pace popped in 20 points for the night's high in the four-game program that attracted 1,000 paying customers.

City High blew hot and cold, but managed to defeat Kirkman's Hawks 30-17 in the closest contest, but it, like the rest, had little suspense as to the outcome by halftime or a little later.

Red Bank got wound up in the second quarter to shake off East Brainerd's 23-12 lead.

The host Rebels of Brainerd, likewise, lost an early lead of almost as they went down swinging before being reversed, Soddy-Daisy 48-37.

Tonight at 7:30 the schedule calls for the Trojans to meet Central. At 8:45 City plays Red Bank. The winners meet Saturday for the championship after the third-place game between tonight's losers.

Team Staff

Aside from the Pace performance, there was nothing approaching a sensational one-man show. And the Central team effort belied that description after breaking away from an 8-8 first quarter with the Irish and their Chris Brown directed offense that lacked rebounding to succeed.

In fact, Central's showing was easily the best of the night—offense, defense, tactics, etc. All other losing coaches—and the winning one, too—voiced their teams had an off-night. Perhaps they did, but Red Bank showed flashes of form with a 17-point second period led by Don Cox's scoring and the board work of Bobby Etter.

And City got going enough for 25-point halves as Jerry Klassen popped six first-half points and Tommy Carter contributed nine last-half points.

Soddy-Daisy punctured the hopes of Brainerd by sending three men into double figures—led by Sid Levy's free-throw prowess and last-half hustling and sacking by Cliff Hatfield, guard who hit three fourth-quarter buckets for 12 total points a peg ahead of John Graham, who matched his number—11.

Brainerd and Central Winners in 'AA'

Rebs Clout Red Bank, 63-39;
Pounders Trim Trojans 3rd Time

By BOB GORHAM

News-Free Press Sports Writer

The "AA" race in the Hamilton Interscholastic League has just about turned into a two-team affair between Brainerd and Central with the Rebels having a slight edge at the moment. Both won Wednesday, Brainerd routing Red Bank, 63-39, with good, basic basketball and Central took Soddy-Daisy 42-56, riding heavily on Bobby Etter's 30-point performance.

The results left Brainerd atop the league with a 6-0 record in Central next at 5-1. The loss was to Brainerd early in the year. All the other teams in the division have lost two or more.

Brainerd was working such simple things as inside screen plays against Red Bank for easy crop shots. The Rebels combined this easy operation with backcourt control and that was the difference.

Bill Giles, who got a late start, came on for 19 points to lead the Rebs and Mike Keefe did most of the board work and had 18 points.

Bobby Jackson was best all Red Bank had in the first half, getting 19 of 14 points and finishing with 16.

Central has been winning its ball games with big second and third quarters and yesterday was no exception.

The Pounders fell behind 15-2 at the first period, but tied things by half time. Then after some rest and a discussion pe-

That red and blue streak you see racing through the Hamilton Interscholastic Basketball League is Brainerd's Rebels, who at the start of this week faced the formidable task of playing three "AA" games—two who today are sitting atop the league with three more victories under their belt.

Victim No. 3 of the week was Soddy-Daisy last night by a 37-50 score to make the Rebs record 4-0 in loop play. All three wins were achieved in the Rebel gym.

City kept its chances alive by dropping Notre Dame, 48-36, in another "AA" game. Types ran the "A" mark to 5-1 with a 48-44 win over Sale Creek. Hixson stayed undefeated by rapping Lakeview, 75-40. Central continued its upward march by tipping Shelbyville 58-38; Ooltewah broke a long losing streak, downing Chatfield Valley, 57-40, and Baylor walloped Webb School, 74-44.

CENTRAL DOWNS SHELBYVILLE 58-38

Special to The Chattanooga Times

SHELBYVILLE, Tenn.—Chattanooga Central, trailing most of the game, moved ahead in the final period and managed a 58-38 basketball verdict over Shelbyville High here Friday night. Danny Christian led Central with 19 points. Bobby Etter followed with 15. Shelbyville's Buddy Funn was top scorer for the Rebels with 16. He hit 10 straight free throws but missed on his 11th attempt, a shot that would have tied the game. Central now stands 11-7 for the year. Shelbyville has a 10-3 record.

It was all overlooked somehow in the scramble of games, Bobby Etter, established himself as Hamilton's interscholastic League one-game scoring record with those 30 points against Soddy-Daisy last week.

Central and Brainerd are about the hottest teams around right now. The Pounders, led by Etter's playmaking and the Rebels, return to form by Bill Thomas, have taken six of their last 11.

VICTORY IS FIRST IN HIL 'AA' PLAY

Pounders Lose Bill Thomas—Brown and Giles Lead Notre Dame With 14

Notre Dame grabbed off a surprising 60-30 basketball victory over Central Tuesday afternoon in the Pounders' gym with Chris Brown and Tom Giles pacing the Irish attack with 14 points each.

It was the first Hil AA victory for Notre Dame in five games.

Central was playing without the services of its 6-2 center, Bill Thomas who suffered a knee injury in practice and now has it in a cast. Thomas was credited with being more than partially responsible for a Central rise in recent games. He was out earlier in the season with two different phases of a sprained ankle and influenza.

He is not expected to return to action for at least two weeks.

The Irish pulled away fast in the first quarter of action with Joe Watters, Tony Gillis and Tom Brown demonstrating rebounding power.

Central's scoring ability spluttered badly in the third quarter. Midway through the final period, the Irish had widened the lead to 35 points—43-8. The Pounders went into a full court press and closed it to the final margin—nine points.

Bobby Etter was again the high scorer for Central. He had 17.

Notre Dame's James disposed of Girls' Preparatory School 45-31 in the Irish gym Tuesday when Mickey Jo Lavechcia connected for 21 points and Carol Monroe had 22. Tom Hill was the GFS high scorer. She had 13.

Central Class Sets Reunion

The Central High School Class of 1943 plans to hold its 20th reunion April 27 at the school. It was announced today by H. D. Gang, general chairman.

The class had a reunion on the 10th and the 15th anniversaries, he noted, adding that "we want this to be the biggest and best yet."

"The class of 1943 is one of the biggest ever graduated in Central's history. I believe it is 435 students," he said.

"Of course we have lost contact with many of our classmates, but we hope they will get in touch with our contact chairman, Ruth Ling Gates, 4212 Golfview Drive (telephone 628-4770 or 265-6811). Also, anyone who has information that would help us contact classmates should call Ruth."

Weapons Taken at Central High

Five .22-caliber rifles and enough ammunition to stage a L.A. in American revolution were stolen in a burglary at the ROTC armory at Central High School Thursday night. The break-in was discovered early Friday morning.

Sgt. James F. Shields, ROTC instructor, told detectives the burglars carried off 7,000 rounds of .22-caliber ammunition for the rifles. The weapons and bullets are the property of the U.S. Army.

The armory was entered by cutting a walllock on an outer door at the Riley Avenue entrance and forcing open several locks in the gun storage room. Detective LeRoy Kington investigated the burglary. The Federal Bureau of Investigation also entered the case.

CENTRAL CLOUTS LENOIR CITY FIVE

Pounders Prevail, 49-29, as Etter Scores 18—7 for Richmond

By JIM FELDER

Central's Pounders slowly thawed out first to defeat visiting Lenoir City 49-29 Friday afternoon in a basketball contest that didn't exactly leave everyone limp with excitement.

The Panthers, a Region II entry, were ineffective in shooting practically anything in the first half and could scrape together only five points in the first quarter—the first point coming on a free throw by Barry White when only 3:16 remained in the period.

Central, representing Region III, stumbled right along in the early portion but fortunately found some resemblance of an attack when Danny Christian hit a jumper from the side, Bobby Elter fired from the key and Sam Warner salvaged a free throw.

The Pounders outbounced the black-shirted visitors 45-21. But effective rebounding coupled with ineffective shooting kept the Central score from mounting very rapidly.

Lenoir City really had a problem with ineffective shooting plus ineffective rebounding.

Central Richmond, Lenoir City's scoring ace who is currently clicking along with a 17.3 point average was held to only seven. He finished second in his team's scoring with Barry White nailing eight.

Etter turned up in the first half and fired in three quick jumpers to start the second half before the Panthers had time to set up. He finished the top Pounder with 18 points after coming out midway in the third period.

He spurred for four points at the end of the first quarter which momentarily threw some class into the battle. The first came on a steal at the top of the circle in enemy territory. He drove full court with a defensive man right beside him and laid it in. Then he closed out the series by driving up the middle of Lenoir City's defenses for another layup.

Lenoir City connected for 27 per cent in the first period, 35 in the second and third and dipped down to an 18 per cent in the final quarter for a 26 per cent over-all average.

Central started out even colder but shook off a first-period 25 per cent. The Pounders hit on 38 per cent the second period, 41 the third and 44 in the final for an over-all 34 per cent.

LENOIR CITY: 29—White, 7; Christian, 6; Rogers, 2; Burns, 2; Warner, 2; Elter, 1.

CENTRAL: 49—Warner, 8; McFarland, 7; Elter, 18; Etter, 17; White, 11; 14 14 18—29.

The City-Central Tradition

The renewal of the football rivalry between Chattanooga High School and Central High School is good news for Chattanooga, far beyond the interest that sports fans have in it.

City and Central are outstanding institutions that have served many local citizens over many years and should have a friendly and competitive relationship constructive for both. It is proper that there be a rivalry with good will between these schools, and

the City-Central football game is a symbol of it.

Central has a more magnificent football victory record than City; we hope in the years ahead the rivalry will bring closer competition. But more important than victory is a spirit of good sportsmanship and participation.

Central and City are to be commended for their agreement to renew the City-Central football game, and supporters of both schools will continue to support it.

CENTRAL DOMINATES

Central, starting a new combination, had too much defense and rebounding strength for Lenoir City, which didn't get on the scoreboard for over four minutes at the start.

The Pounders held Donnie Richmond, who came in with a 17.3 scoring average, to only seven points. Central's Bobby Elter was the only man in double figures with 18.

So sticky were the Pounder defenders and so cold were Lenoir City on what shots the Panthers did get that they hit for only 28 per cent. Central wound up at 44 per cent.

City's Dynamo, the new leader in the Hamilton Interscholastic League's "AA" division on a 6-1 mark, gets a quick challenge for the lead this week from an old nemesis, Central's Pounders.

The Dynamo, possessor of a 30-2 record, has defeated Central twice, but it was much closer the second time around. Central is 4-1 in the league and their meeting Friday at City will be the high light of the week's contest that includes eight HIL games.

There is the only one that will affect the leadership in either division. Hixson, the "A" pacer,

The baby Pounder basketball team will play the Notre Dame junior high team tomorrow at 1 p.m. in the Central gym.

Many students have expressed concern for Miss Edna Cross, American History teacher, by the many flowers and cards sent to her during her illness of the past month.

Mrs. Flora Ware, sponsor of the National Honor Society, announced that officers for the second semester will be elected at the next meeting of the society on Feb. 7.—ALICE PETTY.

City Downs Central 55-43

East Ridge Advances To 2nd in 'A' Section Soddy-Daisy, Kirkman, Ooltewah, Hixson, McCallie Are Winners

The fact that City has a 7-1 record in the Hamilton Interscholastic League's "AA" division gives the Dynamo an inside track to the title after a 55-43 win over Central last night, but a peculiarity of the scheduling has City playing its closest pursuers, Central

and Soddy-Daisy, in the final two games—in the Pioneers' state Trojans' home gyms.

Both Central and Soddy-Daisy have 4-2 marks and of Central's four games remaining, three are at home. Of Soddy-Daisy's four remaining contests, two are at home.

Soddy-Daisy moves into a championship race with Central by trimming Red Bank 56-51 last night.

NO. 8 FOR CITY

City made it three in a row over Central for the year as the Dynamo increased its season's record to a classy 21-2.

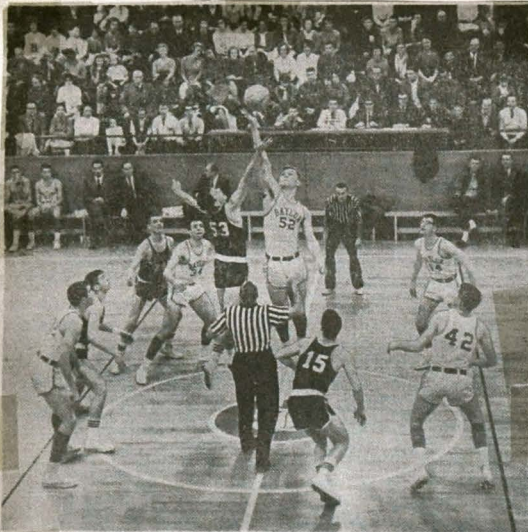

The fans took turns yelling "We're No. 1." Central getting its kicks after a contract was signed between the schools to begin playing football again and City after the Dynamo had carried out a 55-43 basketball win by shooting 43.9 per cent.

Terrific rebounding by 6-6 Fred Mercer, who pulled 18 shots of the boards; some fine playmaking by Tommy Carter in the final period on fast breaks; and 15 points by Jerry Klassen turned the tide City way.

The Dynamo had a 9-point lead in the second quarter, but frittered it away to an edge of three at the half. The Motors of Jim Pifer quickly rebuilt the bulge in the third period and rolled home.

City had practiced only one day this week. Pifer giving his charges some time off to overcome a "mental stressness."

Bobby Johnson was outstanding for Central with 19 points and 15 rebounds.

CENTRAL BOMBS BRAINERD 68-34

Pounders Keep HIL Hopes Alive as Bobby Etter Leads the Attack

Central kept its flickering hopes alive in the HIL basketball chase Tuesday night by blasting Brainerd 68-34 on the Rebel hardwood.

The Pounders also averaged an earlier loss to Brainerd, one which was ultimately forfeited to the Central quintet.

A very small crowd witnessed the rematch in which the cast was altered some. In the first battle the Rebels were riding high with Mike Keefe and Bill Giles leading the way and Bill Thomas was the big gun for Central. All have since departed, along with Bobby Johnson, Thomas' sub, who missed Tuesday's game with a leg injury.

Thus, with those missing, the encore appeared to be promising. However, Bobby Etter, Central's ace playmaker, was to be the difference.

Jerry Pace set the pace in the early Central attack with four first period fielders. Then he stopped scoring and Etter picked up the Central torch that was to burn brighter as time ticked on. Etter, especially adept in his floor play, hit 5 of them at a minimum of 15 feet from the goal, the other on a steal. From the line he was 3 for 3.

Central Leads at Half
Brainerd could not get its attack rolling. The Reds trailed 18-4 at the first stop, scoring on an E. B. Cline fielder and a feed by Cline to Claude McClure for the other. By halftime Central led 37-15 and the outcome was in evidence.

A full court press sent Brainerd to within 16 points (26-42) at 4:50 left in the third, but it backfired in the last 1:42 when Sam Warner hit four straight close in shots. Warner parked under the basket, took the feeds and rattled the nets. He scored 11 straight Central points and finished with 13.

The slender McClure continued to be the brightest light in the Brainerd attack. He led his mates with 15 points.

The triumph ran Central's HIL mark to 5-2, good enough for second spot, while the loss dropped Brainerd to 1-7.

Central also dominated the game statistically, hitting 30 of 44 shots from the floor to only 21 of 44 for the Rebels. The Pounders grabbed 33 rebounds to 24 for Brainerd and hit 8 of 12 free throws while the Reds converted 12 of 17.

Brainerd's Rees salvaged a bit of glory by dumping the Baby Pounders 68-37.

HOPPE TO COACH SEQUATCHIE HIGH

Former Central, Plainsman Star Will Succeed Doak, Who Returns to Irish

Bobby Hoppe, former Central High and Auburn University football great, said Thursday he will succeed Larry Doak as head football and basketball coach at Sequatchie County High School in Dunlap, Tenn.

Doak, former University of Chattanooga football player, will return to Notre Dame High where he coached one year before taking the Sequatchie position two years ago.

Hoppe, recent graduate of Auburn, will fill in the remainder of the basketball season as head coach starting Monday. Doak's assistant duties on head football coach Tom Clary's staff also start Monday.

Hoppe, who earned All-State, All-Southern and All-America honors at Central, will be competing into his first coaching job. The 27-year-old athlete considered one of the finest ever to come out of Chattanooga, is planning to meet today with Sequatchie County School Superintendent Grady Griffith in Dunlap.

Central, Brainerd Vie In Basketball Feature

Kirkman Wins 4th in a Row, Irish Lose; Owlettes' Mark 9-1

Central tries to break a two-way tie for second place in the Hamilton Interscholastic League "AA" race tonight when the Pounders go to Brainerd for the top game in six scheduled here.

The Pounders were a 40-34 victim of the Rebels early this season, but things have changed considerably since then. For instance, Brainerd now is minus two big guns who helped achieve this victory and Central has picked up considerably.

Right now, Central is tied with Seelye Day at 4-2 in the H.I.L. "AA" division. City leads 41-7. A win tonight will move the Pounders into undisputed possession of the runner-up spot temporarily.

To Be Game, Central Agree to Resume Football Series

3RD LOCAL RIVAL FOR 63 PURPLES

Hope for HIL's Revival Spurred as Teams Idle for 20 Years Paired

By GEORGE SHORT

Notre Dame, football rival of Chattanooga Central in the 1920s and '30s, will resume gridiron relations with the Purple Pounders next fall, it was learned by The Times and continued Thursday night.

The decision by the Irish comes on the heels of a City-Central agreement which was announced two weeks ago. The contract signing will take place Saturday morning. Details of the 2-year contract are to be worked out. The date of the game is Nov. 1.

The move by the Irish increases the chances that the now-defunct Hamilton Interscholastic League football league can be reorganized early in the 1963 and 1964 seasons. The Notre Dame contract will bring to three the number of Chattanooga teams playing the Purple Pounders. Red Bank has played Central for the past three seasons. East Ridge has played Central for the last two seasons but does not plan to renew its contract.

According to Central coach E. B. Eiter, Brainerd has been offered a date on the 1963 Purple Pounder schedule but has had no indication that it would be accepted.

Chattanooga high school coaches will meet Saturday at 10 a. m. at Martin-Thompson Living Goods Co. for the purpose of organizing the league.

City and Central signed a contract in the 1963 and 1964 seasons at the halftime of the City-Central basketball game at City High Jan. 15, resuming an age-old rivalry after a lapse of 27 years. The Notre-Dame-Central series started in 1927 when Central won 17-0. The teams played 17 games and when the series ended in 1954, Central had won 13, lost 1 and tied 2. They played one time since then, in 1958, and tied 1-1.

The only Notre Dame victory came in 1950 when the Irish, with a human squad, turned back the Purple Pounders in a sea of mud at Chamberlain Field. The Irish were coached by Bill Coughlan and a little scabback by the name of Paul (Toughie) Jones was the Irish hero of the day.

The series ended after Eiter's first year at Central when the Pounders won 69-0.

Notre Dame had an enrollment of slightly more than 400. Central's enrollment is about 1,000 for the high school grades.

Football Coach Tom Clary, who was instrumental in getting the Central contract, said he hoped to add City and Red Bank to his schedule whenever scheduling dates permit. The teams had no corresponding open dates for the coming season.

Eiter said he felt the game was another step in getting the Chattanooga schools united into a league for the people of Chattanooga.

Rev. J. J. Driscoll, Notre Dame principal, echoed those feelings. "We are happy to play Central and help to get nearer a completion of the HIL as we feel it should be," Father Driscoll said. "We've tried to get all local teams on one schedule but have been unable to do so. We are glad that Central is not afraid to play Notre Dame."

The principal and his athletic director, Rev. Francis X. Fehring, said "In 1942 we defeated the 1961 state champions (Bradley) and in 1961 we'll be trying to beat the 1962 state champions (Central)."

City-Central, Soddy-Daisy-Red Bank

Games Top Basketball Schedule

By BOB GOULMAN

Two of the top-notch winter games of any basketball season—City vs. Central and Soddy-Daisy vs. Red Bank—highlights tonight's basketball schedule.

Both are crucial Hamilton Interscholastic League "AA" games, and victories for Central and Soddy-Daisy are "musts" if the Pounders and Trojans are to stay in contention for the "AA" title. City is romping right now toward the crown with a 7-3 league record and a 24-2 season mark, including an 11-game winning streak. Both Soddy-Daisy and Central have lost twice in the league and a Central victory would give the Pounders a 6-2 mark in the HIL and leave City at 7-2. If Soddy-Daisy wins, the Trojans will be 5-2 and still have a chance also.

A win for City will assure a Dynamo of at least a "B" for the title after the Central game. City plays Soddy-Daisy in the final game of the season Feb. 19, so the "AA" race could go right down to the wire.

The City-Central game is in Central's gym at 7:30. Soddy-Daisy visits Red Bank with the girls' game starting at 7 p. m.

City, Central, Ooltewah Victors in Basketball

McCallie Downs Baylor, 62-58; Brainerd, East Ridge Dropped

Hamilton Interscholastic League teams won three of five games with outside foes last night, City continuing its climb toward state prowess by downing Nashville Lipscomb, 79-66; Central pulling back to down Bradley County, 55-45, and Ooltewah tripping

Central scored its second victory of the year over Bradley County, but it took real come-back effort by the Pounders to do it.

To start with, Central was playing without its ace, Bobby Eiter, who suffered a burned hand and a pulled muscle and had an ingrown toenail removed within the past week.

Then in the rough-and-tumble game, Bobby Johnson fouled out before the first half ended. Two other regulars followed, and Central played the last five minutes with four reserves in action.

The Pounders caught up at 23-23 in the third period and gradually pulled ahead. Bradley hit 20 of 28 free throws in the first half for a five-point lead, but could convert only three of 11 in the second half.

Danny Christian pumped in 25 points in a great clutch performance to lead Central's scoring.

CHRISTIAN PACER IN BEAR SKINNING

Danny Scores 25 Points in Central's 55-45 Comeback Victory

Danny Christian, smooth, often unnoticed Central guard, steadied the shaky Pounders with a rapid-fire shooting exhibition Friday afternoon that gave Central a 55-45 comeback-behind basketball victory over rival Bradley County.

A near capacity crowd of about 1,500 at Central watched the 5-11 burrhead pump in 25 points and send the Pounders sailing after a rough, first-half voyage.

Christian's long jump shot started a sudden, second-half turnaround which pulled the Pounders from under a 5-point deficit and gave them a 12-point lead at one time.

His hot streak started just as the suddenly cold Bears entered a disastrous 4-minute, 57-second scoring silence which left them behind and beaten.

Bradley opened like wild fury, taking a 12-0 lead which lasted more than half the game. Central matched the Bears on field goals but Bradley converted 20 of 28 free throws in the fouled-first half to stay a step ahead. Central went to the foul line 19 times in the first half and made 15 times good.

47 Fouls Called

In all there were 47 fouls called which forced three Central regulars and one Bradley County to the bench. Big Bobby Johnson was forced out on fouls with more than two minutes remaining in the first half. Harold Haggard and Bud McGray went out midway in the fourth period and Bradley's Robert Babb followed shortly thereafter.

In addition, Central was playing without its top scorer and floor leader, Bobby Eiter, who had been practicing despite a badly burned hand but was sidelined because of a Charley horse suffered in drills.

Christian and Jerry Pace each hit quick baskets after the second half opened and Sammy Warner tied it at 33-33. Christian, who hit 10 of his points in the third period, then put Central ahead for the first time, 35-33, with 3:44 remaining in the quarter.

Bradley's Ronnie Stratton tied it at 37-37 but Christian came back with four straight field goals that put the Pounders out of reach.

Bradley converted only three of 11 second half free throws and missed repeatedly from the floor, ending the second half with only 13 points for its efforts.

Bradley's top scorer was Gary Godfrey, who had 11 points.

Central Trips Trojans, Giving HIL Cup to City

By RAY DEERING

Central "gave" City a championship Wednesday.

The Purple Pounders defeated Sody-Daisy 35-17, assuring the Dynamite of the Hamilton Interscholastic Basketball League's Class AA championship.

The Trojans of Sody-Daisy had held a faint hope for a tie with City, but needed to conquer Central to keep the spark alive.

The Trojans are now 5-3 in HIL play. The Dynamite sport an 8-1 HIL record with only one game left to play, by no means "backing into" the title. With the triumph, the Pounders gained possession of the league's second spot with a 3-3 week-end.

Wednesday's tilt at the Central gym was a make-up from Tuesday, when snow forced Hamilton County schools to close.

Danny Christian, having to play the role of both shooter and ball handler in the absence of Bobby Etter who was out with a leg injury, had a strong second half and scored in 20 points. He shared high point honors with Sody-Daisy's Bill Henry.

Bobby Johnson, Central's therapy sophomore center, played steadily throughout the contest, sinking 15 points and controlling the boards for the Pounders, who grabbed 34 rebounds. Sody-Daisy had 25.

All told, it was the Central defense—a light man-to-man—that meant success for the Pounders. Mike Levi, muck center and sharp shooter for the Trojans, was held to 12 points. Sody-Daisy used a 3-2 zone throughout.

It was not a day of accurate shooting for either club. Central hit 82 per cent of its shots from the floor, while Sody-Daisy sank only 39 per cent.

The contest was tied on two occasions. After Central had managed a quick first-quarter lead, Sody-Daisy knifed the tally at 10-10 with 1:29 remaining in the period. But Johnson and Bud McBryar hit in the closing seconds and Central had a 14-10 lead going into the second period.

The second stanza was nearly even. At intermission the Pounders led by 21-19. In the third quarter a jumper by Henry with 2:38 remaining sent the contest into a 29-28 deadlock, but the Pounders quickly went ahead again on Johnson's swisher from the key and Central never trailed after that.

CENTRAL HIGH WINS 2 FREEDOM AWARDS

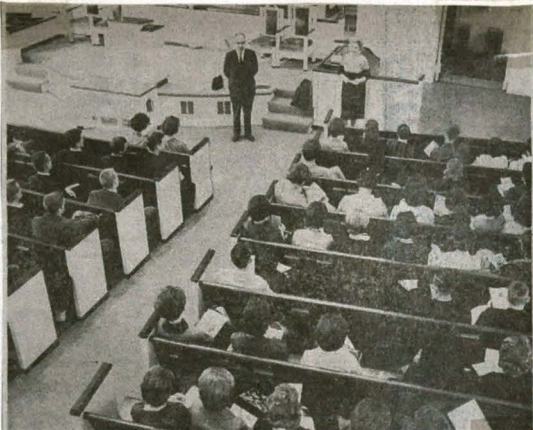

Central High School won double recognition from the Freedoms Foundation of Valley Forge, Pa., in awards announced Thursday.

Lee S. Anderson, editor of the News-Free Press, received a medal for a public address.

In the radio category, Station WBAC at Cleveland was an honor medal winner.

CENTRAL EDGES HAWKS BY 45-37

It was the biggest surprise of the tournament and came on the heels of Central's narrow escape over Kirkman's dark horse Golden Hawks, 45-37, before some 1,800 uproarious fans.

Defending Champ Central Meets Red Bank in District 9 Meet Tonight

HIXSON SHOWS POWER, WINS EASILY, 75-44

 Defending champion Central and dark horse Kirkman got into action in the District 9 basketball tournament tonight, but they will have to shoot better than a TV cowboy hero to erase the memory of Hixson's Wildcats in the finale of Monday's opening program.

Notre Dame and Tyrer start tonight's card at 6 o'clock, then Kirkman plays on East Ridge and Central takes Red Bank.

 Notre Dame's Fighting Irish, Central's Purple Pounders and Kirkman's darkhorse Golden Hawks swept into the quarterfinals of the District 9 High School Basketball Tournament at City High Friday night.

The Irish dumped Tyrer 68-57, Kirkman eliminated East Ridge 57-50 and Central breezed past Red Bank 69-46. A crowd estimated at 1,500 watched the completion of first round play which reduced the tournament field to eight teams.

Top-seeded City takes on Brainger at 8:15 tonight and Hixson's fourth-seeded Wildcats will meet Marion County at 7. The quarterfinal round will be completed Thursday night when Central meets Kirkman and Notre Dame plays Saddy-Dalay. Semifinals are Friday, finals Saturday.

Central, which had beaten Red Bank four previous times this season, used a tight man-to-man defense that bottled the Lions, but caused a foul-filled 'ry. Twenty fouls were called in the first half alone and Pounder forward Bud McBrayer was sitting on the bench with five personals midway in the second period.

Central center Bobby Johnson found a gap in Red Bank's zone defense and cashed in repeatedly from behind the foul line on jumpers. He finished the game with 22 points, hit for both teams. Danny Christian connected for 18 points 14 in the first half. Floormaster Bobby Etter closed with 12.

Bobby Bird and Don Cox each had 13 points for the Lions.

The victory was the 20th for Central against 12 losses.

horse comeback effort for Kirkman and within minutes the lowering Hawks were just two points behind, 38-36, with 3:51 remaining.

But the Hawks suddenly turned cold. Four times they got the ball with a chance to tie, but in eight shots they went pointless and the Pounders finally raced away.

Bobby Johnson, Central's center, kept the Hawks from running away with the score in the first period. He scored eight of his 16 points in the first quarter, bringing the Pounders back from a 3-0 deficit. Central caught up a 8-8 then pushed into the front 12-10 at quarter's end. Kirkman never led again.

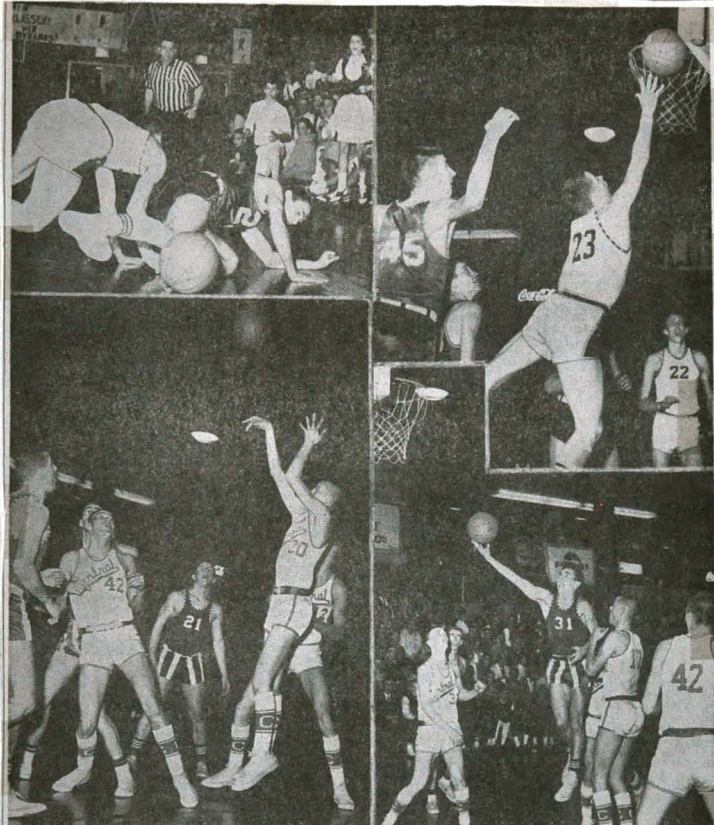

Raymond Clark, Vic Bankston, Bobby Ferguson and Harry Frank, all well over the 8-foot mark, were rebounding giants. But floor mistakes and Central's steal-crazy guards prevented the Hawks from controlling the ball for long. Ten missed free throws also hurt the Hawks.

Central led Kirkman's scorers by 10 points at Johnson, with 16 and Christian, with 10, scored Central.

City Nips Hixson 65-64 to Gain District 9 Finals Against Central

DISTRICT 9 ACTION—The sensational action of the District 9 basketball tournament semifinals is captured in these photos as City nipped Hixson 65-64 in an overtime and Central won over Notre Dame 50-38. In the upper left, Hixson's Bobby Cronan and City's Jerry Klassen (dark suit) dive for a loose ball as referee Paul Schwarz looks on. At the upper right, Cronan dives through for a layup and two of his 22 points as Dave Mercer (45) claws at a handful of air. Bill Vandergriff (23) waits if the shot is missed. Lower left shows Central's Sammy Warner pushing up a jump shot for two of his 16 points. Watching, left to right, are Tom Bruno, Central's Bud McBrayer (42) and Johnny Hennen. In the lower right photo, Notre Dame's Tommy Giles barrels through for a layup past Danny Christian (32), Bobby Johnson (12) and McBrayer in a desperate come-from-behind effort.—(Staff photos by Jim Mooney.)

A half-time blackboard talk for strategy to spring loose Jerry Klassen and the biggest rebound of 6-6 Dave Mercer's life, plus an instinctive move, sent City's top-ranked Dynamo into tonight's District 9 basketball finals on a 65-64 overtime win over Hixson.

The meeting between the "AA" and "A" champs of the Hamilton Interscholastic League will rank as one of the most exciting in district tournament history and followed on the heels of a wild 50-38 Central victory over Notre Dame in the other bracket.

City and Central, the defending champ, meet tonight after Hixson and Notre Dame vie for third place—and the third spot from this district in the Region 3 meet next week at Athens.

The blackboard strategy by City came after Hixson built up leads as high as 13 points in the first half and went to the dressing room with an eight-point margin at 31-23.

Coach Jim Pifer set 6-4 Gary Culver at the right corner of the free throw lane. Klassen, who had only three fielders in the first half, repeatedly drove to Culver, stopped and fired over him as the two Hixson defenders spread. And on occasion, Culver broke for the bucket on a rollout and took a pass from Klassen.

The manuver worked to the point that Klassen got six buckets in the third period and Culver three. That erased most of the big Hixson lead and left it a swatout the rest of the way.

City never caught up until the first play of the fourth period. Tommy Carter first one up for a 48-48 tie. But the fired-up Wildcats moved back ahead and had a 60-57 margin with 19 seconds left.

Klassen hit again to make it 60-59 and here Hixson's all-city ace, Gary Hall drew a foul. The Wildcats were sensational on the line all night, hitting 18 of 22, but fate decreed that Hall should miss this one.

He rebounded his own shot, however, but instinctively fired the ball back at the basket. That was the key to City rebounded, and with six seconds left, Carter was fouled and tied the score.

In the overtime, City got the tip and controlled the ball for 73 seconds before Klassen worked the inside rollout out to Carter for a crisp. It was the first time City had led in the game. Bill Vandergriff, who was sensational in rebounding for Hixson, retailed with the three-point play to send Hixson back ahead at 63-62.

Carter added a free throw for a 63-63 tie with 48 seconds left, and then Vandergriff hit one for another Hixson lead.

City came down, a shot fell off and here Mercer slid his big shoulders under the hero's mantle too. He took the rebound, jumped and banked in the fielder that was the margin of victory.

Klassen led the scorers with 27, Bobby Cronan had 22 and Hall 20 for Hixson. Carter had 18 for City and Vandergriff 16 for the Cats.

City played without Capt. Lloyd Blackburn, ill with bronchitis. Hixson was without Jackie Jenkins most of the last half after he fouled out.

Central too was without one of its aces, defensive specialist Jerry Pace, who was pressed, but sat disconsolately on the bench.

Sammy Warner, who replaced Pace, took up the slack admirably, pitching in 16 points for scoring honors. Danny Christian assumed the defensive chores, being paired against Notre Dame's hot-shooting Chris Brown, and Christian made a believer of Brown by hitting him to two-field goals.

Central's Tom Bruno shot Brown shot only three times in the first half.

Central's victory was hard-earned, the Pounders falling behind in the early stages and then seeing the score tied at 14, 16, 22-all.

That last knot came in the third period, but here the Pounders ran off 13 straight points for a commanding 35-22 lead and it was enough to withstand a final push by the Irish.

Warner hit eight of his points in the last period to dim any Notre Dame hopes of catching up.

Tonight's battle for the title will find City and Central meeting for the fifth time this year. City has won all four previous, by scores of 59-26, 39-37, 55-43 and 67-53 in that order.

The victory made City's record 52-4 for the year. Hixson now is 16-7. Of those losses, six have come by a total of 14 points. The Wildcats have lost three games by one point, two by three and one by five.

Central's defense has been a standout of the tournament. The Pounders now are 22-12 for the year and have held their record under 30 points three times and under 40 points 8 times this year. In only three games, have

ATHENS, Tenn.—Hixson's Wildcats scored an upset in the first game of the Region III basketball tournament here Monday night with a dramatic 50-47 victory over Polk County while Central was dropped by defending state champion Bradley 63-56 and the Sale Creek girls defeated Englewood 51-46.

STRATEGY WINS

A full-court press used only twice by Bradley County, but most effectively, spelled disaster for the Pounder hopes. Central, victor over Bradley twice during the regular season, scrapped on even terms until the first press was put in late in the second period. The move so stymied Central in the last two minutes that the Pounders fell from a 25-22 lead to trail 29-24 at the half.

From then on the Bears were in command with strong rebounding and a little guard Terry Stanfield, coming through with crucial shots all during the contest.

Central, slightly outbounded throughout the first half, experienced the full press again with four minutes remaining in the game. It was thrown in at a point when Central looked as if it might make a late-game comeback.

The frantic Pounders, facing the stalling tactics of the Bears with a 6-point lead, 36-30, started pressing for possession of the ball and Bradley County rode in on seven free throws.

In the last four minutes, only Bobby Eiter, playing one of his finer games of the year, was able to score for Central. One came on a jump shot from the top of the circle and the last came when he stole the ball and drove full court with a twisting layup.

Stanfield finished the game with 28 points and a terrific defensive job to his credit. Gary Hedfrey added 16 more. Post Central Bobby Johnson had 15, Eiter 13, Sammy Warner had 12 and Danny Christian scored 10, before fouling out in the third period.

TESTIMONY BY MILLSAPS

At House Hearing On Junior ROTC

By MARY ANN PARDUE
News-Free Press Washington Bureau

WASHINGTON — W. H. Millsaps, principal of Chattanooga's Central High School, is scheduled to testify today before a House Armed Services subcommittee which Wednesday started hearings on the Junior ROTC program.

The subcommittee is considering a bill introduced by its chairman, Rep. E. Edward Hebert, D-La., to expand the Junior ROTC from 535 to 2,000 units. The measure would scotch plans announced earlier by Secretary of Defense Robert McNamara to do away with the junior training program. Also, in submitting the defense budget for the fiscal year starting July 1, McNamara failed to include the approximately \$2 million required for continuation of the high school training program.

During the course of the hearings Monday, however, Assistant Defense Secretary Norman Paul announced that the Defense Department has agreed to continue the Junior ROTC program for another year. This about face by the department was indicated by Hebert in a news release on his bill last weekend.

In opening the hearings, Hebert said and other members of Congress had received "thousands of letters" protesting McNamara's plan to close the Junior ROTC, and urging continuation of the program, which is administered by the Army.

He said the Army's earlier reasoning, in wanting the program stopped indicated that "since Junior ROTC graduates are neither commissioned nor recruited directly into the Army, the program does not directly contribute to the

Army's military effort, and consequently, is not justified."

Hebert said he was "intrigued" by this reasoning, which amounted to an admission by Army officials that "they have made a mistake in spending the taxpayers' money for almost 50 years in supporting this program."

He said he was "utterly amazed at this sudden cynical and shortsighted reputation of a program which has provided the country with inestimable benefits for almost half a century."

Hebert said it would be impossible to even estimate the number of boys who were motivated toward a military career by early ROTC training, and added:

"No one can question the fact that many of the outstanding military leaders in each of the military services during our last three wars have had their personal qualities of leadership, character and respect for authority nurtured and developed in the junior ROTC program."

Millsaps Speaks for Central, City; Summitt Gives Views of Legion

By MARY ANN PARDUE

WASHINGTON—Two Chattanoogaans testified before a congressional subcommittee Thursday in support of legislation to continue the high school ROTC training program.

W. H. Millsaps, principal of Central High School, addressed the subcommittee in behalf of junior ROTC units at both Central and Chattanooga High Schools, and Robert M. Summitt, a Chattanooga attorney, appeared as a representative of the Tennessee American Legion of which he is a past commander.

Central Principal Offers to Testify

WASHINGTON — A Chattanooga high school principal has offered to testify at hearings on the Junior ROTC program scheduled to get under way Wednesday by the House Reserve Components subcommittee of the Armed Services Committee.

W. H. Millsaps, principal of Central High School, urged Rep. E. Edward Hebert, subcommittee chairman, commending Hebert's bill which would expand the junior training program to 2,000 units in comparison to 253 now in existence in secondary schools throughout the country.

The high school military training program "teaches respect and self-discipline," Millsaps told Hebert, adding "I think the junior program does much to prevent juvenile delinquency."

This Friday the long awaited event of the crowning of Mr. and Miss Central of 1963 will take place in the school auditorium.

Mr. W. H. Wharton, printing instructor, announced last week that the faculty and students will meet on the basketball court next week. The faculty members who will play are Coach Jack Archer, Mr. James Hoover, Coach James Hale, Mr. Tony Mattali, Mr. Don Brown, Sergeant Waymon White, Specialist Thomas Bricker, Mr. Phil Olinger, and Coach J. M. Seaton. The students playing will be Tommy Bradcock, David Haddock, Randy Bankston, Denny Painter, Bud McBrayor, Hoby Johnson, Danny Christian, Ronnie Lances, Gary Pense and Tommy Lawhorn.

Central's Rifle Team has been named second place winner in the Tennessee Rifle Championships after firing at Memphis, on March 9, with 11 state teams. The team also placed two out of the top three riflemen in the state: Larry Rogers, second, and Phil Howard, third.

The Student Council has set a goal of 1,000 dozen do-nuts to be sold and approximately 90 percent of that goal has been reached. The prime purpose of the Council do-nut sale is to raise money to augment funds for the state convention to be held next month.

Two home economists were speakers recently in Mrs. Martha Coe's second year home economics classes in observance of American Home Economics Week, March 4-8. Mrs. Ruth Benson from the Chattanooga Gas Company and Miss Audrey Ford, home economist for the White Lily Flour Co. were the two speakers.

Last Friday night the club presented the highlights of the 1962 football season in movies shown to all interested persons in the school auditorium. It was an experience for many to relish the thrills leading to the state championship.

The Sophomore Class has been planning a sock hop to be held April 11 in the study hall from 8 to 11:30 p.m. This will be the first time the Sophomore Class has ever sponsored a function especially for themselves.

Many sleepy eyes and tense nerves will be common around Central this week as studying for those quarter exams starts into full motion. Next Monday the fourth and final quarter of the 1962-63 school year will begin.

BOBBY ETTER

Central
Enter a sparkplug

To use an ancient, but completely accurate expression, Etter was the sparkplug that kept the Central Pounders running. The fine guard set up practically all of Central's plays and at times was seen literally shoving his men into position. One of the finest shots around, Bobby fired from the outside and drove with the best of them when defenses taped up the middle. Playing with temperance and a weakly content, Etter led his club to the finals of the district for a trip to the Region.

LEAVE FOR WASHINGTON, Robert Summitt left and Hoby Johnson followed to testify before the Senate Armed Forces Committee in behalf of ROTC.

Summitt not only urged continuation of Junior ROTC, but recommended that it be made compulsory for two years. "Even though at this time we are emphasizing armaments in the form of missiles, planes and rockets, we have to have a trained man behind the weapon who is capable of making proper and correct decisions in time of great stress and strain," he emphasized, adding that a cadet who has completed the junior training has a solid background for military service in the event of war.

GREAT TRADITION
Summitt praised the Chattanooga junior training corps and said the American Legion feels the high school ROTC program "has caused a great tradition to arise; it has caused the good in boys to be precipitated into leadership" and "provided discipline where other discipline might not be prevalent."

Summitt also presented the subcommittee with photostated copies of an editorial from The News-Free Press of Jan. 12, entitled "ROT's value," which pointed out that during World War II, "ROTC students were literally almost halfway through basic military training in relation to those who had not had ROTC."

The Legionnaire also placed in the record letters from two fellow Chattanoogaans — Charles B. Bartin Jr., a graduate of Chattanooga High, and V. B. Stoenicher, graduate of Central, both of whom emphasized the Junior ROTC training had been helpful to them in achieving officer status during their military service.

Chairman Hebert of the House Reserve Components Subcommittee presided at the hearing. The Chattanoogaans followed a battery of congressional witnesses, all of whom supported the Junior ROTC program. They were Reps. Lester D. Penn, Avery, B-Kans., and Matthews, D-Hawaii.

DZOVNIK OUTSCRAMBLES FOES: Mike Dzvonik (51) is on his way to another rebound for City in second-half action of the District 9 finals at City High Saturday night. Dzvonik is sandwiched in between Central's Bud McBrayer (43) and Bobby Johnson (12) while Bobby Eiter (44) awaits a tip that never came. City's David Mercer (45) is in the foreground.

CENTRAL TOPPLED BY DYNAMO RALLY

Dzvonik Second-Half Star in 58-55 Game—Hixson Trims Irish 52-46

By JAY SEARCY

Fate-smiling City High, down 16 points minutes before halftime, staged another of its patented fiction-fitting comebacks and slipped rival Central 58-55 at the wire for the District 9 High School Basketball Championship Saturday night.

An overflow crowd of better than 2,000, noisy enough to drown out thunder, roared with each shot from the opening to the frantic final seconds at City High.

The championship drama came after Hixson High's sprited Notre Dame, City Central and Hixson will begin battling again Monday for a chance to play in the State Tournament, which opens March 11 in Nashville.

City draws Meigs County in its first game, Central faces defending state champion Bradley and Hixson meets Polk County. Times will be set at a Region meeting today at Athens.

Mike Dzvonik, a 6-5 forward playing the finest game of his career, led a second-half charge that brought the favored Dynamos from the brink of defeat. He ended the game with 23 points and 15 of them came in the second half.

City's ever-pressing Cinderella men hacked away at a seemingly unmountable lead and finally caught the Pounders mid-way in the final period. Close ahead, the Maroons held tightly and crept across the finish line on free throws which came from Central's desperation foulings.

The dramatic rebound by the Dynamos overshadowed a spectacular show by Central guard Bobby Eiter, who played for the second straight night sick and

EITER GETS 30

Eiter finished with 30 points, getting 18 of them in the last quarter in a desperate effort to stop the thundering City assault. City, hitting only 25 per cent of its shots in the first half, found itself behind 50-14 as the end of the first half neared.

After scoring only one point the first six minutes of the second quarter, the Dynamos suddenly opened their guns and cut the 16-point deficit in half by intermission.

Central, connecting on 48 per cent of its first-half shots, cooled in the second and the Dynamo, recharged for the second straight night at halftime, began closing in. By the end of the third period City was behind only four points, 40-36, as Dzvonik started to work.

Two minutes deep in the final period Dzvonik hit a fielder to reduce the Central margin to 1 point, 47-46, and with 4:22 remaining, Jerry Klassen, star of City's semifinal overtime victory over Hixson, put the Dynamos ahead 48-47 on two free throws. The City lead grew to five points and the only Central gun in action was Eiter, who stole the ball for a layup and hit on a long jumper to narrow the gap to one point in the last minute. But Dzvonik quickly dumped in another one and City rots free through the rest of the way.

It was City's fifth straight victory over the Pounders this year and increased the Dynamos record to 33-4. Central, defending District 9 champion, has a 22-13 record.

Behind Dzvonik in the scoring was Klassen with 13. Danny Christian followed Eiter with 14. Both teams had a starter out of ill. Capt. Lloyd Blackburn for City and Jerry ace for Central.

Klassen, Carter Stars of Overtime Victory—Irish Bow to Central 50-38

By JAY SEARCY

Little Jerry Klassen, a miracle worker with the basketball, spearheaded a sensational comeback that gave City High a dramatic 65-64 overtime victory over Hixson High in the semifinals of the District 9 Basketball Tournament at John B. Steele Gymnasium Friday night.

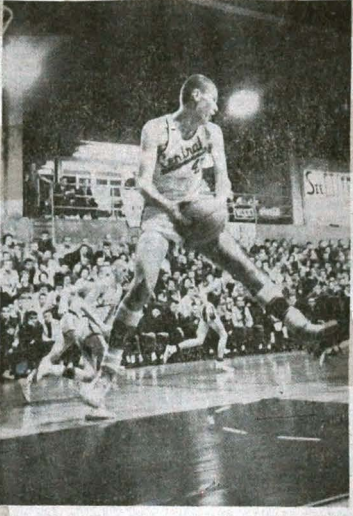

Klassen was just one of many heroes as the Dynamos jerked victory from under the high-riding, upset-sure Wildcats in the final 43 seconds of an overtime period. The victory, witnessed by a capacity crowd of about 2,000 screaming fans, put top-seeded City in the tournament finals tonight against Central.

Central dashed the hopes of Notre Dame 50-38 in the opening semifinal game. The Irish and Hixson clash tonight at 7 for the unclaimed berth in the Region III tournament. City and Central, assured now of Region trips, meet at 8:15 for the District 9 crown.

Irish Fell in Third

Notre Dame, making a determined bid for its second upset in as many nights, fought Central on even terms until midway in the third period when the Pounders soared to a 33-22 lead. Notre Dame started the second half four points behind but caught up at 22-22 on shots by Chris Brown and Tom Bruno and free throws by Tony Gilles and Johnny Hennen. But just as quickly the Irish luck turned and for the next five minutes and 12 seconds the Notre Dame tins were silent.

The Pounders never let up and led by 11 when the last quarter got under way. That lead expanded to 13 before the Irish began moving again. Baskets by Bruno, Tom Gilles and Gilles narrowed the gap to seven at one point but Sammy Warner, filling in for regular forward Jerry Pace, pumped through eight points and left the Irish behind for good.

griff (22) and City's Mike Dzvonik (51) and David Mercer scrap for ball. At extreme right is Hixson's Bob Cronan (23). City staged a dramatic comeback to win in overtime.

Warner was high for third-ranked Central with 16 points. Bobby Johnson and Bobby Eiter each had 11. Brown's 12 points were high for the Irish.

Eiter, who played a stand-out floor game, left the victors to play. Teammate Jerry Pace, stricken by flu, was unable to dress.

Needed for Athletics . . . Central Heads Thank Board For Retaining Glenwood Site

By J. B. COLLINS

Three top officials of Central High School and the alumni association have sent letters to members of the county school board expressing appreciation for action last Thursday in refusing to sell a 17-acre tract in Glenwood used for years by Central for athletic and other purposes.

Letters to the board and to Supt. Sam McConnell were sent by Hobart Millaps, principal; E. B. (Red) Etter, athletic director, and by H. T. Braddock, president of the Central High Alumni Association.

Representatives of Notre Dame School last week petitioned the county school board to sell at least a portion of the Glenwood tract as a site for a parochial school.

The board rejected the petition, holding that the board needed the property for school purposes.

The three Central officials pointed out in their letters that despite claims to the contrary by those seeking to buy the property for Notre Dame school, Central is making "full use" of the property now, has been using it for years and plans to continue to use it in the future.

'OVER \$100,000'

Principal Millaps said the property and improvements, including the school's only track house and dressing facilities for football and other teams, represents an investment of taxpayers' money of "over \$100,000."

Mr. Etter, coach, teacher and athletic director at the school for the past 21 years, described the use of the field as follows in his letter, addressed to Supt. McConnell:

"You may or may not realize that if we had lost our field, it would have been impossible for us to carry on our program. We use the field house and fields throughout the year. Some 100 to 120 boys, high school and junior high, use it for the fall months. Approximately that same number are accommodated during spring football.

"A group of track teams use it for early conditioning in the late winter. Our junior high baseball team practices there in the spring. Throughout the summer the field and equipment are used by boys who practice on weights and aerobics as well as running for condition and developing fundamental skills. Also the girls drill squad makes use of the field during the summer months.

"We are the only county school without a home playing field for football games and through your help we have been happy to use the U.C.S. stadium for our home games. For our practice field and field house to have been taken away would have been disastrous. We have absolutely no space at the school for dressing, practicing or storage of equipment. Although the field is some 10 blocks from school, our boys think nothing of walking this distance, if necessary, each day after school. I am certain that it would be impossible to find a nearer location for us. There must be hundreds of areas which could be found without taking our facilities from us."

'WRATH DOUBLED'

In a letter addressed to Leslie Hudson, chairman of the county school board, Mr. Millaps said, in part:

"Plans express our gratitude to the entire board of education and to Mr. McConnell. We appreciate not only your concern for Central High School but your intense interest in all of the schools in our system. The great majority of our people know of your desire to offer outstanding educational opportunities to the youth of our area. It irks us intensely when someone questions the integrity and sincerity of purpose of our school board. The wrath is doubled when those who would point out an accusing finger are not intelligently informed on all aspects of the issue."

Mr. Braddock, in a letter addressed to the school board, said, in part:

"The loss of the Glenwood property would not only be a great and damaging blow to Central and to the school's program, but it would also be an irreparable loss to the future public education of our community.

"From things that have been said one might think this property was not and has not been used. I am sure you know this is not the case and I doubt if other similar school properties are used more or are so well kept.

"By your action in this matter you have demonstrated your desire to protect that with which you have been entrusted. For this we commend you and pledge our support."

'All-Central-High-School' Commission Now Rules City

By J. B. COLLINS

Chattanooga now has an All-Central High School City Commission.

All four of the commissioners—Dean Peterson, George McInturf, A. L. Bender and James (Bookie) Turner—all attended Central High.

And City Judge Graham is also a Central alumnus, making five of the six officials inaugurated Monday former students of that school.

Only Mayor Kelly is not a Central. He attended preparatory school while a page in Congress.

Not only is Vice Mayor Petersen an alumnus, he taught or coached the three other city commissioners.

Commissioner McInturf was a member of the first Central team Mr. Petersen coached in 1925. In 1928 Mr. McInturf was captain of the Petersen-coached Central team that was undefeated.

The vice mayor took advantage of his common background with

the other three commissioners in a little fun play at the first commission meeting Tuesday. After he was elected vice mayor by unanimous vote, as was expected, he said he may be calling on some of the other commissioners to do some of the speech-making and greeting work accruing to the vice mayor . . . "especially on some cold, rainy night when I don't want to go out."

USUAL

The vice mayor post usually goes to the commissioner receiving the greatest number of votes in the election. Mr. Petersen led the field in the primary.

Commissioner McInturf, who was the vice mayor the past four years, made the motion that the honor be accorded Commissioner Petersen.

And Commissioner Turner participated in some first-season stenciling with his former teacher. When the vote was taken on electing Mr. Petersen vice mayor, Commissioner Turner sang out "No!" then grinned and added, "I mean yes."

FIVE CRADOCK STUDENTS—Five students from Craddock High School, where Miss Miller is office manager, are also here. They are Patsy Hicks, Ray Stratton, Randall Bryant, Linda Mitchell and Ellen Butler, who will be the school's official representative to the award ceremony next fall.

The Bellamy Award is given annually to one school in a state. The award recipient is chosen as being representative of the state's outstanding high schools.

The Bellamy Award for 1966 will be presented to a Wisconsin High School. The winner from that state will be announced officially May 18, Francis Bellamy's birth date.

The Bellamy Award is an honor for the entire city of Chatta-

Larry White Regional Golf Tourney Winner

Central Ace Shoots One-Under 69, McColl Has 71, Malarkey, Davis 72

By BOB GORHAM
News-Treas Sports Staff Writer

Rivermont's continuously improving golf course proved quite a challenge to the field in the regional tournament Thursday, but Central's Larry White managed to cut a stroke off par to win the individual title and his coach, Jack Archer, managed to cut his thumb severely by breaking a club while swinging at a ball in some heavy rough.

White shot a 34-35-69 despite a four-putt and a three-putt green. He was the only one to beat par, City's Bruce McColl was next, with a 71; defending state champ Mike Malarkey of City had a 72. John Davis of Red Bank a 72 and Colin Aldridge of Tyner a 73, including a double eagle on the short 410-yard par 5, 15th hole.

White birdied No. 4, 5 and 18 and eared the 15th with a 25-foot putt.

Davis was three under par for the last 15 holes, but played the first three five over. Aldridge holed out a four iron from about 180 yards on the 15th.

City won the team championship with a 303 total. In addition to McColl's 71 and Malarkey's 72, Mike Marlowe had a 76 and Dudley Meadows an 84. Brainerd was next at 213, Ricky Richard and Alan Farmer shooting 74, Alvin Blumberg 79 and Bobby Calhoun 84.

Notre Dame was third, Jim Vach firing a 76, Ronnie Walker 79 and Prescott Richter a 80 and Chris Chapman an 83.

A field of 26 teed off in the event and the three top teams plus the next 10 individuals qualified for the state at Nashville June 5-8.

Archer shot a 73 to tie Red Bank's Hutch Lewis for the title in the coaches' division. He snapped the shaft on his wedge while playing some extra holes, the jagged metal ripping his thumb and the club shaft gouging him in the side.

Central's Award Flag to Fly at Capitol Saturday

REP. W. E. BROCK III, SENS. ALBERT GORE, ESTES KEFAUVER SHOW FLAG

A special U.S. flag to be presented to Central High School next October as the 1963 Bellamy Flag Award, an annual presentation in honor of the author of the Pledge of Allegiance, will be flown over the U.S. Capitol Saturday.

The flag will be received by W. H. Millsaps, Central High School principal, during award ceremonies on Oct. 11. Several well-known speakers from over the nation are expected to participate in the traditional ceremony. Twenty-one other high schools which

previously won the award will be represented here at the ceremony.

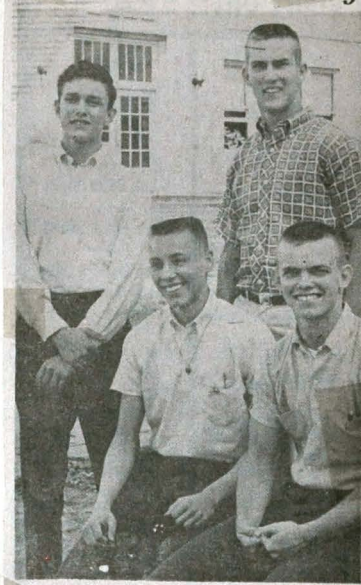

The ceremonial flying of the award flag over the Capitol each year is directed by Miss Margarette Miller, founder and donor of the Bellamy Award. She is assisted by Sen. Harry S. Byrd of Virginia. May 18, Armed Forces Day, is also the birthday of Francis Bellamy, in whose honor Miss Miller founded the Bellamy Award on Columbus Day 1942.

Miss Miller, of Portsmouth, Va., has been a crusader for

patriotism for many years. Her interest in Francis Bellamy, an early 20th-century American journalist, began in 1936 when she learned that the grave of the Pledge of Allegiance author lay unmarked in a Rome, N.Y., cemetery.

Central High School, which competed with 56 Tennessee high schools for the award, won the honor based on "principal proficiency, alumni accomplishments and student good citizenship practices in the school and community."

Larry White Has 69 Round For Region Golf Honors

By EDDIE DAVIDSON

Central's Larry White, a long-hitter with a short crew-cut, will lead this area's delegation to the State High School Golf Tournament at Nashville's Shelby Park June 5-8.

The 6-2, 150-pound junior won the Region individual championship Thursday at the Rivermont Golf and Country Club course. White had a 69, one under par for the 6,074-yard layout to finish two strokes ahead of City High's Bruce McColl.

Defending state high school champion Mike Malarkey, also of City, was three strokes back of the leader, along with Red Bank's John Davis, at 72.

Because of final examinations at most of the high schools in the area, only 25 youngsters participated in the Regional tourney. And because the first three teams, plus the 10 lowest scorers who are not members of the three low teams were eligible for the State Tournament, all but four players in the field will get to go to the Nashville meet week after next.

Sparked by McColl and Malarkey, the City High Dynamo took the regional team trophy with a four-man, 18-hole total of 302. Mike Marlowe tacked on a 76, and Dudley Meadows completed the lineup with an 84. Runnerup honors in the team trophy went to Brainerd with 311, while Notre Dame was third with a 314 aggregate. The Brainerd delegation will consist of Ricky Richard and Alvin Farmer, who had 74s, Alvin Blumberg Jr., who had a 79, and Bobby Calhoun, who posted an 84.

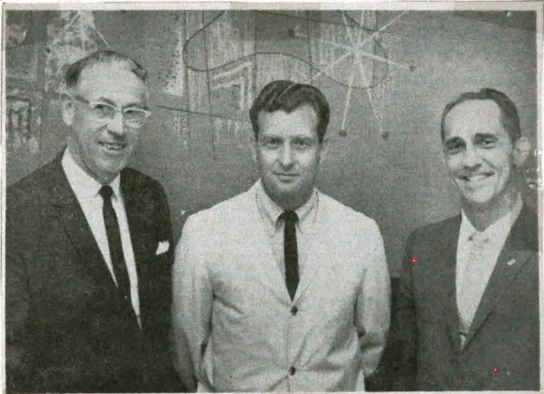

The Irish foursome was Jim Vach with a 75, Ronnie Walker with a 76, Prescott Richter with an 80, and Chris Chapman with an 83.

As it turned out, everyone who shot 85 or better qualified for the State meet.

White played fairly consistent golf, hitting 16 greens in regulation. "But my putting killed me," he moaned. His pre-setting round included one three-putt green (the 3rd) and one four-putt green (the 14th). Although he knocked in a three-footer on the 4th hole, a 40-footer on the 5th hole and a 10-footer on the 18th for birdies, and a 25-footer on the 15th for an eagle, he needed 33 putts for the round, 14 on the front and 19 on the back.
