"Cauldrons" of ideas. Central will have its "Vilnius" at all times with its prepared at the hands of J. B. Brown, Junior High and Central.

Central is beginning with high school building which resulted in the purchase of extensive athletic facilities when J. B. Brown was hired.

Central's athletic facilities are planned to starting with the beginning of students.

Construction began shortly after the end of Christmas holidays and will be completed by the end of the year.

The school will be supported by the city and the state.

The new school will serve the immediate section of the city of Hamilton. The school is located on Highway 88 area from the city of Hamilton. Lake Hills, Murray Hill and areas up to Wolfcreek Creek.

Cost of the construction is about \$2,600,000, but equipment and furniture are expected to reach the total to roughly \$1 million, according to Dr. Sam P. McConnell, county school superintendent.

Construction is by T. U. Parks Co. and architect is Ted Franklin Jr.

Central and J. B. Brown occupy 66 acres of land. The site allows for a practice field and track, a football playing field, four harding tennis courts, a baseball field, two softball fields, four badminton basketball courts and a gym area for ROTC and handball.

Admission were made in the present building in 1922, 1935 and 1937.

Central enrolled 260 students in its first year. The school was the first in Hamilton County to offer a full four-year course. Home economics, industrial arts and teacher training were offered first in this area at Central, which has been fully accredited since 1918.

Only four principals have served during its history. They include Prof. A. E. Durrath, who served from 1917; Prof. John C. Moore, 1918-21; Prof. S. E. Selby, principal for 20 years; and A. E. Durrath, who began the 1950's.

Expanded attendance at Central High School in the school year of 1969-70, the number of students is expected to reach 1,000.

## Central Students to Go In Circles

Property of  
Chattanooga Central High School  
Library

Central High School students will literally be going around in circles when they report to their new school in September.

The school was designed with round "pods" of house offices, classrooms and laboratories.

It even boasts a round gymnasium, complete with a soaring "astrodome" roof.

The new facility, on Highway 58 in Harrison, is expected to be completed at least by the end of July, Assistant Superintendent Carlyle Elliott said Thursday.

Some areas which are ready for preliminary inspection include the industrial arts, art and home economics classrooms, Elliott said.

The entire complex will be air conditioned except for the gymnasium, thus aiding in maintenance operations and prolonging the life of the structure.

Construction of the school began just after Christmas. Initial cost was set at about \$1.5 million but equipment and furnishings will push the total to just about \$2 million.

The contractor is T. U. Parks Co. and the architect is Ted Franklin Jr.

The school features four circular "pods" grouped in a square around a larger one. The outer pods contain classrooms and laboratories while the larger one houses counseling rooms, the principal's office, faculty lounges and library.

It is the dining arrangement that will seem strange to Central students at first. The high school will have no kitchen at all since food will be prepared at nearby J. B. Brown Junior High School and carried to Central. Students will eat in a large "commons" area that is also to be used for student meetings.

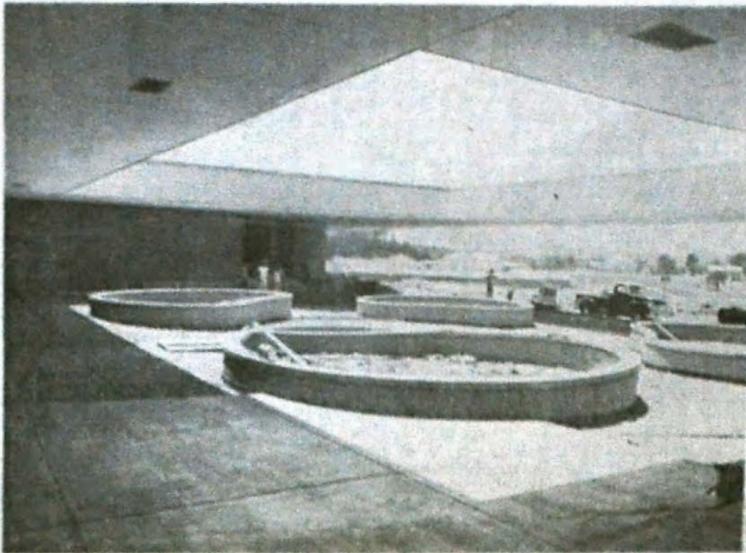

The high school also will have no auditorium. Meetings involving the entire student body will presumably be held in the gymnasium. Elliott said Thursday there are no "immediate" plans for construction of an auditorium.

**About 66 Acres**

Central and J. B. Brown occupy about 66 acres of land. The Central space will include room for a football practice field and track, a football playing field, four hardtop tennis courts, a baseball field, two softball fields, four hard-surface basketball courts and a drill area for ROTC and band.

The school, however, will not have a gridiron for its games this fall, however. The county board of education was refused permission by the University of Tennessee at Chattanooga to allow Central to play its games at Chamberlain Field. So the high school team will travel around in various county schools for its games as it did last year.

The school enrollment will drop slightly this fall. There were approximately 1,058 students in grades 10-12 last year at the old school on Dodds Avenue. An enrollment of about 900 students is expected in September at the new facility.

**Unusual Features**

Central principal Hobart Millsaps, justifiably proud of his new school, recently pointed out some of the facility's unusual assets:

"This will be a functional school," he said. "The design is not 'way-out' but is according to modern educational planning. It's being built to encourage good learning."

**Other offerings:**

--An "agora" (open forum) court, where students can gather to discuss events.

--An emphasis on outside approaches, thus giving students more exposure to fresh air.

--Provision for closed-circuit television in addition to the inter-communication system.

--A library to house 30,000 volumes, making it one of the largest high school libraries in the South.

--A business education department featuring wireless headsets for students.

## Central High School, Highway 58, To Be Opened, Dedicated Sunday

By BILL CAYTELL

Central High School's multimillion dollar school plant on Highway 58 will be formally dedicated and opened at 2 p.m. Sunday afternoon in the inauguration.

Curtis Johnson, president of the National Association of Secondary School Principals, will be the featured speaker.

The special guest list includes national, state and county officials, principals of all area secondary schools and patrons of Central High School.

Registration for visitors will begin at 1 p.m. Guests will be welcomed in the administrative core where copies of the program and the school newspaper will be distributed.

W. Hubert Millspaugh, now serving his 20th year as principal of the school, will serve as master of ceremonies.

Central County Judge Frost will greet the visitors. The prayer of Highway 58 will be formally dedicated will be by the Rev. Eugene B. Norris, pastor at Northminster Presbyterian Church and president of the J. B. Brown Junior High School PPA.

The Varsity Glee Club, directed by K. W. John, and the band, directed by Robert Dogan, will perform together for "The Star Spangled Banner" and "America the Beautiful."

Responses will be given by Coach E. B. Filler for the faculty; Bobby Downs, junior class president, for the student body, and the Rev. Samuel R. Spence for the patrons.

An open house will follow the formal ceremony. ROTC cadets will be stationed throughout the school.

An increase in teacher salary and the reduction of class loads headed on progress made in 1969 in the Hamilton County School System.

Usually the progress in educational systems is measured in the number of new buildings and the construction completed during a year, however, due to a lack of money for capital outlay, Hamilton County wasn't able to do much building during the year.

One reason for the lack of construction was the rejection of a \$9-million bond issue last April.

The county system, however, did take one step forward when the new multimillion dollar Central High School was opened at Harrison.

Construction on the new building had been under way for more than two years and was completed in time for the 1969-70 school year.

Asst. Supt. Carlyle Elliott said that in addition, five double relocatable classrooms were added in the system because of overcrowded conditions.

Schools where the relocatable classrooms were placed were Westview Elementary, Harrison Elementary, Gann-Middle Valley Elementary and Hixson Junior High.

There was also cafeteria re-

modeling at Lacy Elementary and a new cafeteria was completed at Hillcrest.

In addition, the school board approved preliminary plans for a senior high school addition at Lookout Valley Junior High School, and the bid on construction will be let in the near future.

### RED BANK

The board also began looking into plans for an addition at Red Bank High School, and the preliminary plans for the addition were approved early this month.

School Supt. Sam McConnell commenting on progress during the past year, said most of the progress made in the school system "resulted from state money."

"We've been able to reduce some class loads at the lower level and we used some of the money from the state for increased consulting positions at the elementary and secondary levels," said Supt. McConnell.

Most of Supt. McConnell's comments centered around the efforts being made by the Board of Education and the faculty to update the system's personnel policies.

He said the efforts to update the policies for professional personnel came about as a result of a conference in Gatlinburg last summer.

"We developed suggested poli-

cies for professional personnel in that meeting," he said.

Later, he commented, the policies were taken by the Hamilton County Education Association, which is in the process of amending and recommending policies dealing with hiring, promotions and dismissals.

"It will give the board a direction it hasn't had in the past," said Supt. McConnell.

"I think this has resulted in a feeling of respect for all personnel and the board of education that has not previously been evident and the continuation will certainly encourage the board and the professional people to keep the channels of communication open at all times," he said.

### BUDGET

Asst. Supt. Jack Rodman, in charge of the faculty end of the school system, noted that the school budget for 1969-70 included an increase of some \$600,000 for instruction.

"One of the biggest gains as a result of the increase in money is the increase in teaching applicants," said Mr. Rodman. "We're not hurting for teaching applications."

Mr. Rodman noted that there are no vacancies in the school system at this time and "unless salaries go up elsewhere" the system should be in good shape next year.

He noted that the system had decreased its number of non-regular teachers from 53 in 1960-69 to 43 in 1969-70.

"We're moving forward," said Mr. Rodman. "We are not standing still. If we could get the money we need, we could go a lot faster."

## RELEVANT HUNTER

Central High School, which has a structure of thousands of Hamilton students in its 100-year history, faces its own "graduation" this year.

The faculty and students are completing the final year of an extensive program of building, remodeling and doing away with old structures.

Principal W. Hubert Millspaugh, who has guided Central's evolution over the past 10 years, admits he never thought there would be a day when the old structures would be completely gone.

"The day the new building was completed by June, this will give us three months to move on further and complete the new building," he said.

Millspaugh seems with pride to discuss the new facility. Although structure in every

corner of the school is being replaced, the process is a

gradual one. The new building will be built in the same style as the old buildings, but with modern educational planning.

to expedite completion of the athletic complex for use this fall.

"If we are going to use it (the stadium) for this year's games, we do not have much cushion in there for construction," Tom Claxton of the boosters club said.

A delegation from the school appeared to present the board with a set of plans, to ask its guidance and financial assistance.

Supt. Sam McConnell pointed out if the board handles the bids, it could not accept them until after the new budget for the 1931 fiscal year, which begins in July, is approved.

The club and alumni association are cooperating in a \$20,000 fund-raising drive, and have asked the county to participate on a matching basis.

Earlier, the board had been told the entire complex would cost \$78,000, but Claxton said new estimates indicate the price will be \$108,000.

The work also will include a track layout and a baseball field. The work will include American cohesion. Specific idea is to accept joint Dem party in the United States then to move forward Dem membership in the In

firm financial commitment, but assured the delegation it would participate to whatever extent possible under the new budget, which has not been considered by County Council yet.

The fund-raising drive has produced \$20,254, it was announced Tuesday night.

In other action, the board: —Agreed to schedule a time to see "Innocence Defied," a filmstrip provided by the John Birch Society, at the insistence of a four-woman delegation headed by Mrs. Earl Delaney.

She said sex education and "family life programs" are being prepared by the U. S. Department of Health, Education and Welfare for teaching across the country. "We don't want any sex education programs," she told the board.

—Approved a request for development of a baseball area for an organized youth program at Thrasher Elementary School, at no cost to the board.

—Authorized summer school at East Ridge Elementary, Hixson High and Red Bank Junior High.

have dreamed, planned and worked diligently in order to see this day finally be a reality."

In the dedication issue of the school newspaper, The Central Digest, Millspaugh, who this year marks his 20th anniversary as principal at Central High, said:

"We like to think of this wonderful new school plant not as an accomplishment of a few people in a short time but as the culmination of the hopes and vision of those who have known Central and have loved her during the last sixty-two years."

Two Central High students, Jim Stratigos and James C. Barclay received awards of national importance during the ceremonies. Stratigos was presented the first Bellamy Flag Award emblem by Dr. Margarette S. Miller of Portsmouth, Va., an official for the Bellamy Program. Stratigos was given the first emblem issued for "outstanding excellence" as Central High's representative in the 28th annual Bellamy Award Program at Hampton, Mass.

Special Prayer  
Cooldige requested a special prayer in remembrance of the 1,300 families of American servicemen held as prisoners or missing in Vietnam. He explained the ROTC award to Barclay is one of three issued annually by the Army.

Dr. Sam F. McConnell greeted the approximately 1,000 persons attending the event along with Arnold Stulec, chairman of the Hamilton County Board of Education.

Curtis Johnson of St. Paul, Minn., president of the National Association of Secondary School Principals was guest speaker. Most of his remarks were addressed to the parents of Central High students.

"Adults should complement young people for their achievement and progress," he said as he described the effects of education on contemporary society.

Special Remarks  
Principal Dr. Charles A. Millspaugh said that the new school is a symbol of the community's faith in education. He said that the school is a place where students can develop their individuality and learn to live with others. He said that the school is a place where students can learn to be responsible and to contribute to the community.

## INTERESTING FACTS ABOUT THE NEW CENTRAL HIGH SCHOOL

### VITAL STATISTICS

1. Contains 137,123 square feet, with volume of 2,207,356 cubic feet
2. Total cost of building--\$2,539,522
3. Total cost per square foot--\$18.52
4. Total cost of equipment--\$315,533.08
5. Student capacity--1,000 with service area for 1,500

### BUILDING DESIGN: ROUND VS RECTANGULAR

1. In a rectangular building 20-22 per cent more space is used in the corridors.
2. In a round building only 8-10 per cent is used in corridor space. Therefore, total space saved by building in the round is 19,197.22 square feet. This space has been utilized for instructional purposes.
3. The cost in money saved by building in the round is \$355,528.44.

### SPECIAL FEATURES

1. The building is designed to control heat, light, and sound.
2. Food service is supplied by a satellite kitchen.
3. The roof is self-supporting, and the roof lines give a spacious overhang.
4. Terrazzo floors are used throughout the building.
5. The walls in the corridors and rest rooms are glazed tile.
6. Teachers' offices are located in the center of each instructional area.
7. The center of the school plant is the Instructional Materials Center, which houses more than 20,000 volumes.
8. Conduits are provided for closed circuit TV.
9. Four open courts add an aesthetic aspect to buildings.
10. The spacious gymnasium seats 1,500 and has a spectacular triodectic dome and mercury vapor lights.
11. The well-equipped armory has adequate storage and classroom space as well as a combination indoor drill area and small arms firing range.
12. Modern laboratories are located in the areas of Home Economics, Language Arts, Reading, and Science.
13. Carpeting is featured in the Administration Area, Business Education Department, Instructional Materials Center, Instrumental and Vocal Music Area, and in the Teachers' Offices Area.
14. A functional guidance suite aids the students.
15. The agora with plaques and seating area accommodates students and visitors.
16. Large tempered glass windows give the feeling of openness.
17. The modern infirmary has a full time school nurse.

### CAMPUIS FEATURES

1. Football practice field and track
2. ROTC drill area
3. Baseball field
4. Two soft ball fields
5. Area for physical education and marching band
6. Four hard-surfaced basketball courts
7. Four hard-surfaced tennis courts

### FUTURE GOALS

1. An auditorium, for school and community use, which seats 1,200 has been planned, the design being compatible to the present building.
2. A football stadium is to be constructed on east side of football field with a potential seating capacity of 5,000.
3. For future classroom expansion, Area F has been designated in the present plans.

Dear friends:

It was so good to visit at your magnificent new school building last weekend and to participate in the dedication ceremony. Most delightful was the opportunity to see many old friends again, on the faculty, and to meet some of the newer members. I suppose at Central I know more of the staff than at any of the other Bellamy Award schools, so it was a distinct pleasure to greet J. Pope Dyer, Mr. O'Neil, Mr. Johns, Mr. Stoner, Miss Dole, Miss Morgan and others.

I am writing, particularly, to thank all of you for the lovely message - my white orchid. I was able to wear it again the following night, November 10, when I addressed a Norfolk, Virginia PTA. It is still in excellent condition.

All my best wishes go your way for quality teaching and continued fine rapport with your young people.

Sincerely,

## No Young Feet to Keep Down Grass

For the first time in more than 45 years, the Central High School building on DuBois Avenue has been silent in the waning summer

days of September. Only memories remain for its students who have moved to the new, round building on Highway 58 at Harrison.

## Old Central High Offering for Sale Mementos of Past Starting Tomorrow

### Desks, Chairs, Etc., To Bid Winners

By TOM GILLILAND  
Times-Free Press Staff Writer

Anybody who ever attended Central High School during its 45-year history at its DuBois Avenue location and who wants to buy a memento of his or her yesteryear school days will have the opportunity tomorrow.

The county education department is disposing of the last several hundred pieces of furnishings of the now-occupied building, and Carlyle Elliott, assistant superintendent for grounds and buildings, said there will be two men at the old school house from 8:30 until 3 to accept offers on wanted items.

For example, "Meisdy and David," whoever you are and wherever you are, if you want a memento of the love you once had for each other you can bid on the old wooden desk that one of you carved your names on a long time ago. And the

same goes for "Tommy C. and Patti D."

And for all you once-budding Rembrandts, this is one of the last chances you'll have to salvage for posterity some of the art work you penciled on your desktops in your younger days.

There are even specials for those who were "teacher's pet"; many of the almost antique wooden desks used by teachers are among the items that are now lined up in a long row in the main-floor hallway just waiting to be salvaged for memory value.

And for the "book worms" who spent countless hours doing research in the library there are the old straight-back chairs, each with "library" still stenciled faintly in block letters on the back.

If there are any yesteryear Romances who would like to have the personal locker that once meant so much to them as a point of rendezvous for between-class romances they now have the chance to salvage them as souvenirs — but they'll have to take an entire row of the lockers.

Mr. Elliott said that most of the furnishings that have any usefulness in the county school system have already been salvaged from the building and that what remains is considered

The Hamilton County Council today approved the sale of the old Central High property on Dodds Ave. to McCallie School and Ridgedale Baptist Church for a total price of \$275,515.

The bulk of the property went to McCallie for \$250,000 while the Baptist Church received one-half block, located at the rear of the church, for \$25,515. The property bought by McCallie includes the old Central High building and gym.

It is understood that McCallie will probably demolish all of the buildings except the gym.

The property became available last fall when Central High moved to its new facilities at Harrison.

The property has been the subject of controversy for the past several weeks as the result of a suit filed in chancery court by a local mortician, Eugene Turner, who claimed the property should be sold at a public auction rather than by sealed bid.

# Old Memories Renewed at Central

A LOOK FROM THE OLD ROTUNDA—Members of the City Commission were escorted through the new vacant Central High School building on Dodds Avenue this morning by Carlyle Elliott, assistant superintendent of county schools. (Continued From Page 1)  
 jectivity of the City Commission are alumni of Central, when it was on Dodds Avenue, a good deal of the time was consumed in remembering.

Commissioner S. Dean Petersen not only graduated from the "Old Central" but he returned to teach and coach football there for some 16 years. During part of that period both Commissioner James B. Turner and Mayor A. L. Bender were students there.

Commissioner Turner was a pupil of Commissioner Petersen's, which has often been the occasion for a joke, since the two fellow city commissioners are well known for their political incompatability. In fact, their opposition at times has been downright bitter.

### EMPTY AND SILENT

But all differences were forgotten today as the old grade perused the new empty and

unheated halls. In Commissioner Petersen's old classroom he and Commissioner Turner (who was his pupil there) reminisced for several minutes.

But before the mood could move from nostalgic to maudlin the Commissioner Petersen returned to normal by observing, "Well, I still can't teach him anything."

Commissioner Petersen entered Central in 1917 and graduated in 1921. He returned in 1925 as a teacher and coach and served 19 years, took a two-year leave and returned for 11 more.

Mayor Bender graduated in 1904 and Commissioner Turner in 1903.

The City Commission made no official decision today on whether they were interested in buying the building for future educational needs.

Mayor Bender said he was "a little disappointed" in the

condition of the building after seeing it empty of furnishings for the first time and after several months of being empty.

Members of the commission said they wanted to check with the city school board about their desires in the matter and further with county officials about the buying price and estimated cost of rehabilitation before making a final decision.

# OLD CENTRAL HIGH TO BE INSPECTED

THURS. 11/19/69  
 City Commission Visit Set for 9 This Morning—Offered for Sale

The City Commission will inspect the old Central High School Building this morning at 9, it was announced Tuesday.

The County Council has the building, abandoned by the Hamilton County Board of Education with the opening of the new Central High this fall, on Highway 26, up for sale and has offered it first to the city of Chattanooga.

Commissioner Petersen said Tuesday that several members of the Chattanooga Board of Education have shown little interest in the city buying the property.

### Renovation Costly

One of the problems is, it is understood, that the cost of pulling the building into usable condition is more than some board members feel would be justified.

Mayor Bender has indicated his personal belief that the property should be purchased.

He has pointed out that if the need for elementary school space increases as is expected with the building of apartment projects in the Golden Gateway there may be a need to convert the old Second District school, now the home of the Chattanooga Center for Continuing Education, into an elementary school. In that case, Bender suggested the Chattanooga Center could be moved to old Central High if the city owned it.

# COUNCIL FILES CENTRAL REPLY

## Old Central High School Property

Members of the Hamilton County Council today filed an answer to the petition for an injunction forbidding it from selling the old Central High School property at sealed bid.

Chancellor Ray Brock Jr. on Friday issued a temporary injunction forbidding the council from selling the property before him.

The injunction was requested by Eugene Turner, a brother to Fire and Police Commissioner James B. Turner.

The answer, filed by County Atty. Jim Turner, denied that it would be "in the best interest of Hamilton County that this property be sold at public auction, but, to the contrary, it is the defendant's judgment that it would manifest best interest of all the citizens of Hamilton County that the same be sold subject to sealed bids and the conditions heretofore approved by the Hamilton County Council."

The answer also denied that the legal notice in which the property was advertised "was arbitrary and unreasonable."

It alleged that the council will show to the court that the council has "every legal right to sell and dispose of this property as, in its discretion, it deems advisable."

## COUNTY ORDERED TO HOLD UP SALE OF CENTRAL HIGH

### Brock Sets Hearing on Disposal by Sealed Bid Vs. Auction

By MIKE LOFTIN

Chancellor Ray Brock Jr. Friday granted a request by Eugene Turner, a Chattanooga funeral director, that the County Council be temporarily restrained from selling the old Central High School property by sealed bid rather than by public auction.

The chancellor ordered the council and County Manager Ray Proctor, defendants in the action, to appear before him at 1:30 p.m. Wednesday to show cause why the order should not be made permanent.

Sealed bids on the sale of the Dodds Avenue property were scheduled to be opened in Proctor's office at 10 a.m. Monday.

The council authorized the sale of the property last month after receiving an response from the city of Chattanooga, in whom it had been offered at its appraised value to be used as a school.

In his declaration, Turner said he was filing his class action on behalf of all taxpayers of Hamilton County, "whom he verily believes have a specific interest in the disposition of this property."

The property, Turner stated, has considerable value as a public school to be remodeled for children living in East Chattanooga, East Lake, Highland Park and other areas nearby. Further, he added, the cost of reconditioning the school's interior "would not be exorbitant" because it is of sound masonry construction.

Students in the areas mentioned are now bused to the new Central High School in Harrison.

Turner said he had received information "from a reliable source" that the property's value is in excess of the appraised value.

Turner said Judge Frost had told him the appraisal was between \$200,000 and \$300,000.

He added that Judge Frost had told him that if the city did not buy the property at the appraised value, it would be sold at public auction so that the county could get the highest possible bid.

An independent appraiser has informed him the property's value is greatly in excess of the figures quoted by Judge Frost, Turner said.

Moreover, he added, it is not in the best interest of Hamilton County taxpayers for property to be sold without the public being advised of the appraised value. Neither should it be sold to "a private school such as McCallie School when the City of Chattanooga and its citizenry have a greater need for the facilities for educational purposes," Turner stated.

The notice also gave the county the right to waive any or all formalities in receiving the bids and to accept or reject any or all of them.

Turner's petition was filed for him by Atty. Jess Parks.

## Central Building Put Up for Bid By the Council

After trying unsuccessfully to interest the City Commission in purchasing the old Central High School on Dodds Avenue, the County Council voted Wednesday to put the property up for bid.

The action came on a motion by County Judge Frost, who expressed disappointment that the commission had not responded to letters on the subject.

The property was vacated last fall when Central High moved into a new \$3-million facility at Harrison.

"We will advertise for bids on the property in a package or any part of it, and we will accept the best bid, taking into consideration the use to which the property will be put," Frost said.

He added there are some people interested in the property but did not identify them. He said he and members of the council have felt for some time the property could best be used by the city for school purposes.

The city would not be excluded from submitting a bid on the property, he said.

Councilman Carter Patton said he would like to see the city officials show an interest in the proposal, "but we can't wait forever."

Judge Frost read from three letters exchanged between him and Mayor Bender. The first, from Frost to Bender, dated Sept. 17, stated:

"Sometime ago the Hamilton County Board of Education authorized the County Council to handle the disposition of the Central High School property on Dodds Avenue. It was the thinking of the council that appraisal by a qualified appraiser should help us determine the value of the property.

"This letter is to advise you and the city commissioners that the County Council has authorized me to offer the Central High School property to the City of Chattanooga for school purposes at the appraised value."

Mayor Bender responded with a letter dated Oct. 14 which said, in part:

"I am sorry for the delay in answering your letter in regard to the Central High School property. However, I have turned it over to the school board for their consideration.

"I think by all means this property should be utilized as a public facility, and as soon as the school board reports back, I hope we can have a meeting of the City Commission and

The city did not reply until Wednesday morning, shortly after the property had been sold. City coordinator, Curtis Swift, delivered a letter from vice mayor S. Dean Petersen, to county Judge Chester Frost, advising Judge Frost that "no department or agency of the city government has finalized any request to the board of commissioners for it to purchase the old Central High School property; consequently, Hamilton County should feel free to dispose of the property as it may deem in the best interest of the people."

The County Council had offered the property to the city of Chattanooga last Sept. 17 at its appraised value of \$234,000, however, the city did not reply to the offer before the court case two weeks ago.

# CITY CLASHES WITH CENTRAL IN AA OUTING

## Riverside Entertains Brainerd; Hixson Hosts Edge Ridge

By TERRY HARDWICK

Soddy-Daisy clashes tonight with Red Bank in what may be the closest contest on today's nine-game schedule.

The all-winning Trojans, who closed the 1964 in their first meeting, will be at home for the 8:15 outing. Red Bank has suffered lone losses in its past five games.

The City-Central skirmish matches two big rivals who went down to the wire in their last outing. City is shooting for its 12th consecutive victory and more solid ranking in the major polls. The Trojans will have a home-court advantage for the tilt.

City leads the HIL AA Division with a 5-1 mark and also holds the best over-all start at 16-3. The Trojans must win to assume its first-place role.

Riverside has an afternoon engagement against visiting Brainerd which stands only 0-6, but was improved rapidly as of late thanks to only three points to City in its last outing. The Trojans are 10-3, 3-1 in the HIL AA. The Rebels are 2-4 in the top.

Howard, beaten narrowly by Riverside Friday, visits Notre Dame at 8 tonight in another HIL AA contest.

A pair of HIL A battles are scheduled with East Ridge going to Hixson and Tyner entertaining Ooltewah. East Ridge has a slender lead for third place in the league while Hixson is winless. Tyner and Ooltewah have similar 1-4 loop charts. Both games are set for 8 p.m.

Union Station Creek aims for No. 14 tonight as the Panthers crackle-hot gym. Bessie County provides the opposition.

Kirkman, which has split seven in its games overall (3-3) and in the division (2-3), eyes another victory at Birchwood tonight. The Rebels, perennial champions of the A division, are ineligible for title competition because they don't play Soddy-Daisy and no game against Birchwood counts in the league standings.

Lobreville is scheduled to entertain North Whitfield in a Region 7-AA match tonight.

Chattanooga Valley's game with Sevier County has a postponed start because of inclement weather.

# Central, Brainerd Dominate AA Squad

Central and Brainerd grabbed 17 of the 22 positions on the Hamilton interscholastic AA League football team picked by the coaches. But in the A division the break-down was more balanced with Red Bank placing five, East Ridge and Hixson four each and three each going to Kirkman, Soddy-Daisy and Tyner.

The AA backfield has Brainerd's Fred Robertson at quarterback with teammate Joe Collins at nose halfback and, City's Rick Alsbrooks at the other and Henry Radford of Central at fullback.

City headed ten in the team, Alsbrooks and offensive guard Ronnie Robertson.

Howard had a pair of linemen selected, tackle Larry Ashford and defensive end James McGhee. Riverside's lone representative was tackle Charlie Andrews.

Red Bank's Cyril Rowser nabbed the quarterback slot on the A division team with the Lions' Bobby White at one halfback spot and Tyner's Mike DeRossett at the other. East Ridge's Chuck Strickland is the fullback on the glimmer line.

Red Bank Coach Frank Cooper called it "the greatest win we've ever had," and who's to argue with him? Certainly not the Central High Purple Pounders who lost to the Lions for the second straight season Friday night at Rankin Stadium, 20-0.

Bobby White, Tom Patrick, Sam Gortney and Randy Ragan were the heroes of the hour for the Lions, now 3-1 on the season. All are seniors at Red Bank and hold the distinction of having never lost to the Pounders, and they didn't want to start Friday night.

White, who isn't called "Whizzer" for his device, set the first two Red Bank touchdowns after the Lions had fallen behind 14-0 early in the third period. One came on a two-yard effort and the other on a lightning quick 25-yard scamper. After the Pounders went back in front 20-14, Patrick returned George Kilgore's kickoff in yards to knot the game again. Then Ragan added an all-important extra point to put the Lions in front 21-20 with less than four minutes remaining in the game.

Linebacker Gortney then picked off a Randy Goinn aerial on the last scrimmage play of the game and ran a back 63 yards for the last TD of the exciting contest.

White was the most outstanding back on the field as he gained 123 yards in 20 attempts, and played an outstanding game at defensive cornerback. He intercepted one pass and returned it 33 yards to the Central five to set up the biggest Red Bank thrust in the first half. He also made a number of tackles on the Pounders' hard running backs, Henry Radford and Jim Hunt.

"The reason I call this our biggest victory is because we came from 14 points behind to win," said Cooper. "White, Gortney, Patrick... played tremendous games, but you can't single out anybody in this game. You have to credit everybody on offense and defense."

"We don't consider this win an upset. We fell all along we were as good as they were. We tied Central 7-7 two years ago and beat them 14-7 last year, so we felt we were as good as they were."

Central, now 4-2, played the first half as if they were content to grind out a methodical victory over the Lions and they seemed to be own their way to going just that.

Central drove 63 yards in nine plays, with one 15-yard penalty against Red Bank for their first TD, scored by Radford on a 50-yard plunge. Mike Cagle ran across for two points. Cagle set up the second Central TD on a 23-yard return of a punt to the Red Bank 26. Radford got this one from two yards away six plays later. This time Jim Hunt failed on the two-point try.

Red Bank drove 63 yards after the kickoff, the big play being a 54-yard pass from Jarrell Reeves to Joe Swafford. The Lions drove 46 yards in

Brainerd leads the 1968 Chattanooga Times All-City football team with four members with Red Bank, Hixson, and Central each placing three players on the annual glimmer squad. City and Hixson each have a pair of selections with Notre Dame, Tynes, Saddy-Daisy, Howard and East Ridge one each.

Included in the 23-man squad are four who were named to last year's squad as well. Earning their second all-city honor are Brainerd's Ed Nelson, Central's Bobby Downs, East Ridge's Chuck Strickland and Steve Evans of Tynes.

Coach of the Year honors go to Pete Potter whose Brainerd team finished with a 10-0

record. Going into the final game the Rebels were second in the Associated Press poll.

In addition to placing fullback-linebacker Nelson on the team, the Rebels also have end Tommy West, quarterback Fred Rohrdanz and tackle Ken Stansell on the all-city club.

Bruising fullback Henry Radford, and guard-linebacker Alan Houts join Downs as Central's representatives on the team.

Hixson is represented by fullback James Clark, center-midfielder Stuart Shankles and guard-linebacker Denny Beene.

The running of Red Bank's Bobby White earned him a spot on the club and he is

men, Sam Gortney and Bob Savell.

From City are guard-linebacker Ronnie Robertson and fullback-linebacker Ken Starling.

Fullback David Sessions and tackle-linebacker Harry Hixson represent the Hixson Wildcats.

Notre Dame end Steve Greene set a school record with 43 catches earning him an offensive end post.

A pair of fine tacklers, Howard's Larry Ashford and Saddy-Daisy's Duke Moore round out the first team.

Quarterback Rohrdanz, a wiry 145-pounder, directed Brainerd in all 10 of its victories. He was a pointed field general who manipulated his

running backs effectively and passed well when it was required. Although small, he was tough enough to take the necessary punishment to pick up vital yards himself if the situation dictated.

Clark was one of the big reasons Hixson finished with a sparkling 5-1 record. The 165-pound tailback finished with over 1,000 yards on the ground and 98 points. He also was a regular defensive back and hit with authority.

White, at 145 pounds the lightest of the running backs, displayed intense desire and time and time again his second and third efforts netted him and the Rebels a couple of yards.

66 points.

Radford, the Mr. Inside of the Central offense, was slowed by a sprained ankle part of the year but in the games the 210-pounder was healthy he made his presence known. He finished with 36 points and on more than one occasion was close to the 200-yard mark rushing in a single game.

Nelson, 180-pounder, combined strength with the ability to cut and maneuver while picking up yardage for the Rebels. A stellar linebacker also, he played the last part of the season with a painful foot injury which would have hobbled a less-determined player. He scored seven touchdowns.

Starling was called "The

On" by his teammates. For half the season he carried the brunt of the Pioneer running attack and as would be expected the opponents keyed on him, but he still gained extensive yardage.

Starting carried the ball 127 times, netting 743 yards for a 5.8 average. He finished with 40 points and was, on most occasions, "old dependable" in the Dynamo backfield.

Sessions hit the line with the authority that his 250 pounds carried and he also blocked with the same authority. Many times his assignments in the Hixson backfield was to help open a hole and this he did. But he could also get the tough

athletes ever at Brainerd, made numerous big plays for the Rebels. On offense he caught passes in clutch situations and when playing defense made key pass interceptions.

Givens playing for a winless team, caught 45 passes for over 700 yards. His sure hands were a bright spot in an otherwise dismal Irish season.

Stansell was probably the strongest linebacker playing in local high school football. His jarring tackles were an every-game site.

Savell, 190-pounder, and Robertson, 195-pounder, were both solid, dependable players all year. On defense they were hard to fool and both fought their way to the ball.

Ashford's fierce play

game was against Webb School when he bounded the highly-touted quarterback Chip Howard all over the field and this played a part in a 9-0 Wildcat victory.

Guards Alan Houts and Denny Beene are both 180-160 and 165 respectively, but mighty tough. Both double as linebackers. Both are dedicated players who give 100 percent if necessary to win.

If you saw any Red Bank games, you heard Gortney's name over the loudspeaker. It seemed he was in on every tackle. A stocky 5'9, 170-pounder, he was quick to the ball and liked to hit.

Downs is a steady and capable performer at the almost unnoticed offensive center post. As a linebacker he made big plays all season for the Pioneer.

Shankles is called by Hixsonville coach Lynn Mardock, "a 100-per cent football player." His play at center and middeguard was sparkling. For his game against Dalton he was named Lineman of the Week in Georgia.

Moore was a consistent fine performer at tackle, and

Ashford's fierce play prompted one coach to comment that he could play in college right now. He ran over people who tried to block him.

Coach Ed McBroom referred to Evans as "the best lineman I have ever coached." The Ram tackle combined strength with speed and had several outstanding games.

Hixson tackle-linebacker Harry Hixson was praised by coach Tony Martino as being "certainly one of the best in the city." Possibly his best

big plays all came in the

linebacker. Sharkles is called by Rossville coach Lynn Murdock, "A 100-per cent football player." His play at center and mid-guard was sparkling. For his game against Dalton he was named Lineman of the Week in Georgia.

Moore was a consistently fine performer at tackle, both on offense and defense for the Trojans. Injuries took their toll of the Trojans weakening them the last half of the season but Moore didn't weaken.

# West Top Vote-Getter on Fans' All-City Grid Team

## Rebel Star Is Named Captain of Squad Picked by Fans

By WINT GAMMON JR.  
Tommy West, stellar end for western Brainerd received the most votes in the balloting for the Fans' All-City team and has been designated as captain of the 23-man contingent.

The 6-3 performer was mentioned on 207 of the 629 ballots. Rebel quarterback Freddie Alsobrooks was the next highest vote getter, polling 200 and Notre Dame end Steve Givens followed with 242. Brainerd tackle Ken Stansell was the only other player to get as many as 100, winding up with 103.

The All-City team picked by you fans was slightly different from the one we announced last Sunday.

There were two differences in the backfield. We named City's Ken Stansell and Hixson's David Hixson, but when the votes were tabulated they showed that you had selected City's Rick Alsobrooks and Brainerd's Joe Collins in their spots.

We agreed on Brainerd's Ed Nelson, the top-vote-getter among the running backs with 233. Red Bank's Bobby White, 220 votes; Chuck Strickland of East Ridge, 205 votes; Henry Rohrdanz, Central, 178 votes; and Clark of Rossville,

Alsobrooks polled 223 votes and Collins 104 to join the all-city crew. Rohrdanz' 333 votes made him a runaway choice as the

quarterback for the team. We had only two ends on our team, West and Givens, and there was no dispute there. You

tremely scattered after picking and Howard's Larry Ashford. Hixson with 162 and Underhill

and for the fourth spot of our four tackle choices. We

trials' Mike Underhill in place of Ashford. After Stansell's 220 vote-getter among the guards

## Central, Brainerd Have Five Members—627 Votes Are Cast

Rossville's Denny Beene but you named Central's Jim Barclay instead. Barclay received 116 votes.

The centers are the same on both teams. Hobby Boys of Central and Rossville's Steve Shankles were far ahead of the field. Downs got 260 votes and the Rossville star 101.

We actually received 647 ballots but 27 had to be voided because of not complying with the voting instructions.

On the last day we received 65 letters which contained over 100 ballots.

Probably the farthest point from which a ballot was received was Maconing, Pa. Somebody in Maconing helped Ragan, West, Evans, Houts, Downs, Rohrdanz, White and Radford make the Fans' All-City team.

The fact that no more than three players from the same team could be mentioned on any one ballot coupled with the rule that all eleven positions had to be filled on each ballot made it extremely difficult for one school to try to elect unusual number of its own players and we had no indication that our fourth was anyone even tried.

The clash Friday between Rossville and Red Bank ends together a pair of sports events that have only one each.

The ballclubs have recorded five shutouts and in another of their triumphs, only a safety kept the other team from ending with a goose egg on the scoreboard.

The team has allowed only four home runs this season, three in the last in South Cobb and the other in the 21-7 victory over Spruceview.

Baseballers responded with home runs in Ochsena, McCollie, Maconing, Dalton, Spruceview and Cherokee County.

The Bulldogs are 164-06-06 in the last 167 games, 106 of them in the last 167 games. They have scored 1,000 runs and 24 points. Waymond Hood has added 30 points to the offense which is directed by Coach Mervin Johnson.

Meanwhile the Jags have been shutout by Hixson, 2-0; Pines County, 1-0; and East Ridge, 1-0. They handed Notre Dame a 2-0 loss, rolled over Red Bank, 1-0, and won at the Park County, 2-0.

Frank County's club outscored Central, 2-0, and sustained a surprising 1-47 loss at the hands of Tyrer.

Where, though? The determined senior back is the team's leading runner, with 100 yards and 10 touchdowns. Earl Hardy leads the team in touchdowns and a total of 20 points.

The Central-Kittawa game, originally scheduled for Friday, has been rescheduled for Saturday and will start at 1:30 on the Golden Hawk Park.

Also on the Friday card is the collision between subsection players of the area's second-best team, which was scheduled in its first two outings but kept its game and now has won six of its last seven. The Wildcats are 1-1-1 in their last three games and 2-0 in their last two. They lead the state in 300-yard runs and are tied for first in the state in touchdowns with 10.

Also on the Friday card are the games with East Ridge, Pines County, Dalton, Maconing, Valley Park, and Ochsena, Tyrer and Franklin County, and Cleveland High a

### East Ridge Homecoming Victim In Tough Defensive Struggle

By STEVE PARKER

The departure of 2,000 football fans from Tyner's stadium during the second quarter of action between Central and East Ridge wasn't caused by a demonstration, or by mass revolt, or even by displeasure in the game—it was just that the spectators would probably have dreamed, had they stayed

any longer.

A tremendous downpour drove most of the brave crowd away, but those who remained saw

coach "Red" Eder's charges slip past a snafu and inspired band of Pioneers 7-0, in an error-filled Hill encounter.

East Ridge lost three fumbles and Central, two, as both teams fought an even tussle for most of the evening. The lone tally came on a nine-yard Randy Goins-to-T. L. Young pass, 2:45 left in the first half.

East Ridge gained possession on their own 29-yard line, after halting a serious Pounder at-

tempt. Unable to advance, the Pounders went in kicking spot. Steve Jones, to point for his 33. But as Jones got the kick away, he was upended and a 16-yard roughing-Chuck Strickland penalty was assessed against the Purple and Gold.

The motivated Pioneer offense then began to click. An 11-yard Daryl Massengale-to-Tom Rhyme sent placed the ball in enemy territory at the 48. Utilizing the excellent running of fullback Chuck Strickland and elusive halfback Tom Mitchell, East Ridge had marched to the Purple Pounders' 28.

But on second down, the versatile Strickland took a hard off from Massengale, burst out of his backfield, and was hit viciously by defensive linemen

seven-point bulge which they never relinquished.

With little over two minutes remaining in the final quarter, east Ridge began their drive of the game. From his 32, Massengale looked up with end Robert Williamson for a 18-yard gain, followed by Strickland's eight-yard gallop to the midfield stripe.

But an incomplete pass to Rhyme and a crucial off-sides penalty against the fighting Pounders, put a crimp into the Riders' futile hopes. On second down from his own 45, Massengale went back to pass, but the swift Cagle was right there to make the interception and end East Ridge's relentless effort.

Central now stands at 6-2 while the Pioneers are 3-4-1 on the season.

Central's 1970 season record is 6-2-1. The Purple and Gold's record is 3-4-1.

## Yother, Underhill Prep Standouts

RICK YOTHER

MIKE UNDERHILL

Soddy-Daisy quarterback Rick Yother and Central tackle Mike Underhill have been named The Times' Back and Linebacker of the week for their outstanding performances over the weekend.

Yother, a 6-1, 178-pounder, directed the Trojans in a comeback 20-14 victory over Tyner. He ran a pair of touchdowns, one 87 and 87 yards, and passed for the third. He finished with 96 yards on 12 carries.

Underhill, a rugged 6-1, 250-pounder, made several tackles, did a good job of blocking on offense and added a vital fumble recovery in the Pounders' 24-7 triumph over City.

Other backs who glittered were: Freddie Rohrman, Ed Nelson and Joe Collins, Brainerd; David Stanfield, Randy Huxman, Soddy-Daisy; Chuck Strickland, East Ridge; Mike Johnson, Bobby Allison, Tyner; Pete Summers, James Clark, Raymond Hood, Rossville; Darrell Williams, Hixson; Eddie In-

gram, Soddy-Daisy; Steve Givens, Fred Decosimo and Bill Glascock, Notre Dame; Lincoln Fuge, Eddie Waterhouse, Rex Von, Brad Bosworth, Baylor; Ron Robertson, John Collier, Joe Burns, City; Jack Moore, Bobby Downs, Steve Marchi and John Maffaro, Central; Tom West, Ken Stansell, Brainerd; Johnny Wallin, Jerry Hixson, Lamar Lasley and Jerry Hardeeman, Hixson; Emmanuel Butler, Ooltowah; Alan Neal, Eddie Turner, Steve Baley, Rossville; Duke Moore, Baylor; Cowan, Jim Roddy, Mike Wiley, Soddy-Daisy; Steve Sid Jacobs, Maynard; Ron Roach, Ooltowah; Ed Lester, Tyner.

The crowded Pioneer defense then began to click. An 11-yard Daryl Massengale-to-Tom Rhyne aerial placed the ball in enemy territory at the 48. Utilizing the excellent running of fullback Chuck Strickland and elusive halfback Tom Marshall, East Ridge had marched to the Purple Pioneers' 20.

But on second down, the versatile Strickland took a hand-off from Massengale, burst out of his backfield, and was hit viciously by defensive halfback Mike Cagle, causing a fumble. The alert Cagle pounced upon the loose ball, snuffing out a valiant effort by the aroused Pioneers of coach Ray James.

With 1:08 remaining in the first half, Central was forced to punt from the East Ridge 20-yard line. Johnny Turner's 20-yard boot put the Pioneers in deep trouble at their own six. On the first play from scrimmage, the 130-pound Massengale fumbled and Central guard Bob Few recovered for the Pioneers at the nine.

Quarterback Goins, trying to take advantage of the fortunate situation, wasted no time in chalking up what proved to be the game-winning TD. He faded back, straightened up, and found Young, a wingback, at the Ridgers' five. The crafty senior side-stepped one Pioneer, balled over another, and crashed into the end zone with the ball. The defender crashing to the ground. Mike Pratt's PAT gave Central a

"They got up big signs and kept shouting how Howard was going to Whoop us good," commented Central coach, "and middle guard Bobby Downs." "We come out to show them what kind of impression it left on us."

And show them they did. E. H. Holt's Tiger Pounders shambled Howard's idea of Brainerd Field Friday night with a tough defense.

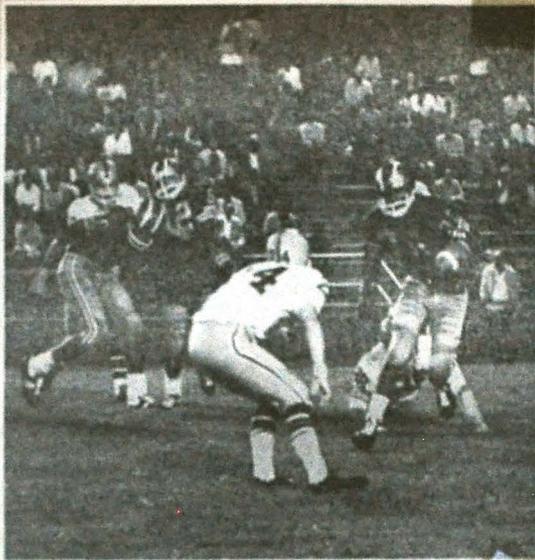

"Tough isn't the word," commented Eiler. "We knew with all our injuries on offense, we would have to beat Howard with our defense. Guys like Mike Underhill, Downs, Jim Barclay and Alan Hoots really came through for us."

Central held Howard to a mere three yards rushing and only 28 passing as the 4th ranked and still in contention Pounders took advantage of numerous Tiger mistakes to run up the big score.

A little 130-pound tackle, Jim Hoot, capped a 20-yard drive midway the second quarter with a seven yard punt touchdown for the first and Howard panicked.

The Hostin' Tigers made their first mistake on a punt attempt when the center kicked the ball from the 31 to the one with Downs making the tackle and Hunt carrying it again for a score and 14-0 lead as Henry Bradford ran the extra point.

Seconds later Mike Cagle intercepted a pass and returned it 23 yards to the 28 where Bradford was in three plays later.

Holt scored his third, and final TD early in the third quarter to cap a 62-yard drive while the subs took over and made it 20-0 on a pass from Tommy Youngblood to Johnny Turner with 1:38 remaining in the third period. The final drive was setup by a blocked punt by Hoots.

Howard had minus yardage to lose in the fourth period when Melvin Nelson picked up a Central fumble and rambed 40 yards for the Tigers only score.

Seconds later Nelson recovered another fumble and Howard began a drive but Jennings was thrown for a 21-yard loss on the final play of the game to erase the double digit rushing yardage.

"Mulligan looked real fine as a substitute tonight," emphasized Eiler. "In fact, we had a lot of young folks come through tonight. We are going to have troubles though if some of our hobbled don't get well for the Brainerd game in two weeks."

## CENTRAL TO FACE RUGGED DEFENSE INTILT WITH RAMS

By WERT GAMMON JR.

If the regular-season statistics carry over into the Civic Bowl Saturday night in Tullahoma, the Central offensive unit will face a difficult task when the Pounders take on Madison.

The Rams, led by all-city tackles, Rick Mosier and Huston Ragan, held their 19 opponents to a meager average of 79 yards offense a game and had only 26 passes completed on their all season. And the secondary picked off 28 enemy aerials.

Madison faces a Central team which averaged just over 200 yards a game running in its 10 outings and three times, against White Station, Bradley and Notre Dame, went over the 300-yard mark on the ground.

Red Eiler, who has been studying three of the Madison game films, commented, "They have a very well-balanced team. Their two big tackles both look good. They run a version of the Houston triple option which we haven't seen this season and also a type of four-man front on defense which we haven't played against."

"There was primarily a running game and don't do a lot of passing. They have a running back named Lonnie Saddler who is particularly good at finding daylight."

Eiler said that he had seen Madison the Bradley, East Ridge and Kirkman films and that the Madison coaches had seen the Notre Dame game.

Madison coach Cliff Goodman, who officiated in the state basketball tournament two years ago in Memphis, said that Central looked to him like a very fine team.

"They have the size and (Henry) Bradford is a fine runner. If you clog up the middle on him, (Mike) Cagle will hurt you outside. They have another outstanding player in (Bobby) Downs. On defense he just seems to smell the football and know where it's going," said Goodman.

About his team Goodman added this, "As our quarterback Mike Sarti goes, so goes our team. We get a lot of yardage out of Saddler and David Bell, but Sarti leads us."

The Ram mentor added that his club had been averaging 200 yards offense per game and 279 of it was on the ground, bearing out the fact that his team did not pass much.

"This game gets under way at 7:30 Saturday night in Tullahoma."

Hunt scored his third and final TD early in the third quarter to cap a 60-yard drive while the refs look over and made it 22-0 on a pass from Tommy Youngblood to Johnny Turner with 1:28 remaining in the third period. The final drive was setup by a blocked punt by Hunt.

Howard had minus yardage to late in the fourth period when Melvin Nelson picked up a Central fumble and rushed 62 yards for the Tigers only score.

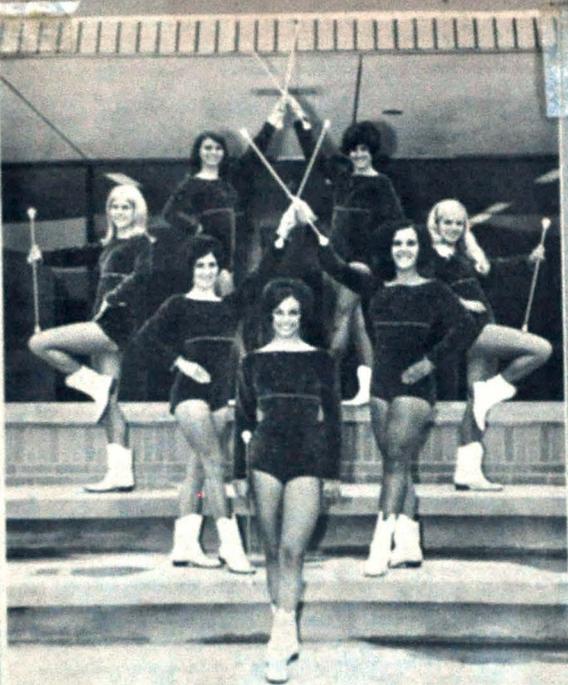

Seconds later Nelson recovered another fumble and Howard began a drive but Jennings was thrown for a 21-yard loss on the final play of the game to erase the double digit rushing yardage.

"Morison looked real hot as a substitute tonight," emphasized Eller. "In fact, we had a lot of young folks come through tonight. We are going to have troubles though if some of our holdovers don't get well for the Bradford game in two weeks."

Penalties kept Howard bottled up throughout the game as the Hunter Tigers totaled 119 yards for the game as compared to Central's 25.

A rather light card this week signals the end of the regular season football slate with the exception of McCallie which winds up its schedule Nov. 22. The Brainerd Rebels face an invasion from Bearden High, a strong entry from Knoxville.

Central, with a Civic Bowl bid already signed, meets Notre Dame at East Ridge, Kirkman plays host to Red Bank. TMI is at McCallie and Douglas County at Rossville in a 5-AAA game.

Roddy-Dalrymple entertains Whitwell, Riverside goes to Nashville to meet North High and Lakeview plays host to Headland. Headland is from East Point, Ga., and Baylor at Darlington.

# McCallie-Hardy Set In Only Meet Today

## East Ridge Juniors, Irish Bees Also Earn Wrestling Victories

By CONNER GILBERT

News-Free Press Sports Writer

Only one wrestling match is slated for today, that being a junior high match between Hardy and McCallie on the Blues' mat. The event is set to start at 3:15.

In Tuesday's action, Central, Notre Dame, East Ridge and Cleveland earned victories in the high school division, while East Ridge remained unbeaten in the junior high division.

The Purple Pounders evened their record at 4-4, when they upset five-riddled Tyner 26-31. Notre Dame blasted Hixson 41-4, East Ridge routed Kirkman 40-4, and Cleveland downed Riverside 21-11.

Only two pins were recorded in the Central-Tyner meet, one by each team, but the stunning upset of the night was Central's Alan Houts taking a 2-2 decision over Gary Highfield in the 147-pound class. Houts only threw one punch, but only three seconds left to hand the Rams his first dual meet loss of the season. Kevin Kuhse recorded the Tyner pin, while Jim Holman got the Central pin.

In a couple of hard-fought matches, Central's Ray Painter pulled a second-period reverse after getting an escape in the first period to take a 3-2 triumph in the 130-pound class. Randy Fennell also used a second-period reverse on Charles Layton in the 147-pound class to post a 2-0 victory for the Pounders.

The Pounders' Jack Moore and Keith Rivley were still out of action due to injury, while Tyner was minus four regulars due to the flu bug.

Notre Dame pushed its record to 5-4 as they downed Hixson, but Harry Hixson of the Wildcats continued his unbeaten streak at nine, when he took a 1-1 victory over Chris Cowan.

While the Irish varsity was gaining a triumph, the B team handed Soddy-Daisy a 33-4 setback. The Trojans' Don Sneed, unbeaten, but occ-tied, gained his eighth victory, a 2-0 triumph over Smitty Giles.

Improving East Ridge gained its sixth victory of the season as Steve Roden remained unbeaten in dual meets, as he pinned Don Posey. Kirkman's Jeff Goulart took a 2-0 victory in handing Lee Winters his first dual meet loss of the season. Two of the Pioneers ran their records to 7-1 for the season. Jerry Brock and Chuck Strickland each recorded pins in improving their record.

Jamie Parkinson ran his victory string to eight as he paced the Cleveland victory. The only blemish on his record is a tie with Billy Ward of Red Bank. Fred Fisher gained his sixth victory, marred only by a tie, while Randy Jarrett and Keith Beck ran their marks to 8-1 for the season.

Undefeated and untied East Ridge Junior High had little trouble as they blasted Hardy Junior High 43-7 in gaining their ninth triumph of the season.

Fairfield, Ala., will keep its scheduled dates here this weekend with Baylor and Notre Dame. The Alabama team will visit Notre Dame Friday at 7:30 and will take on Baylor at 1 o'clock Saturday afternoon.

East Ridge will take a weekend trip to Nashville, where they will face Hillwood Friday afternoon and Maplewood on Saturday afternoon. The matches will be at 4 and 8.

## Phillies Choose Pat Renfro

The Washington Senators team may be the Philadelphia Phillies gain.

Pat Renfro, Red Bank's pitching ace of the past three years and now a student at Gulf Coast Junior College, was selected by the Senators in the summer draft last year. But the young Renfro and the Senators didn't agree on terms because of a disagreement on wages.

Now the Phillies are taking a chance on the 6-5, 230-pound Chattanooga, Renfro was drafted in the second round by the Philadelphia club, the 20th player to be selected in the major league lottery.

Gulf Coast Junior College won six of eight games in the fall with Renfro playing several positions. He hit .267, cracking four safeties in 15 tries, one a home run. He won one game in relief.

Renfro has not decided whether to sign or stay in school. However, he and Phillie scout Dale Jones will meet next week to discuss the situation.

Renfro is the brother of Eddie Renfro, a pitcher in the Cleveland Indians organization.

# Madison Tackles Draw Praises From Etter

## LaFayette, East Rome Match To Decide 7-AA Championship

By DAN COOK  
Madison Press Sports Writer

Brainerd High School has turned down an invitation to play in the Hill Bowd at Memphis and will not participate in any postseason game, it was announced today.

Christian Brothers of Memphis is the host team in the Memphis clash. The Rebels were extended an invitation after top-ranked wire pull team Brownsville turned down an offer.

"I pulled each of the selectors individually about the possibility of playing in the Hill Bowd," said head coach Pete Potter. "They were so enthusiastic I let them down after Brownsville had led them to believe that the two teams would play in a postseason game that they felt they would have meaning in gain and everything to lose by going to Memphis."

The Rebels' mentor said he was glad the team had the alternative and expressed appreciation for the offer made by the Memphis Lions. He added that he was relieved since "it would have been a tremendous task to get them up for a game like that after such an emotional letdown."

"It was my decision. I didn't try to influence them," Potter pointed out.

Meanwhile, various other area prep football teams began preparations for postseason contests. All of the playoff games this week will be played Friday night.

London (8-4), the Region 3-AA winner, battles Knox-South (8-1), I-A champ, at 7:30 p.m. at Evans-Collins Field in Knoxville. Another area team, South Pittsburg (8-1), faces Ochsida (8-2) at Elbert County High School at 7:30. Winners of these two games will advance to the finals of Tennessee's playoffs.

A Georgia contest finds East Rome (7-3) battling LaFayette (11-4) for the Georgia 5-AA championship.

Two local teams will participate in the best action. Central (11-1) meets Madison in the 7-AA annual Civic Bowl at Tallahassee, while Red Bank (8-2) plays p.m. Thanksgiving at the Ochsida.

Other weekend bowl action finds Kingston battling Knoxville Central at 7 p.m. CST in the Crutcher Bowl at Crutcherville on Saturday. Another postseason attraction at Rockwood, the Jaycee Bowl set Thanksgiving Day, pits Whitwell (8-2) and Sweetwater (9-1), with kickoff time at 2 p.m.

Unbeaten Brownsville voted not to participate in a bowl, head coach John Hooper said.

"The boys were disappointed about not being able to play in the playoffs," Hooper said, referring to the first-year Volunteer State play-off set system among the TSSAA's four regions.

"We had been working for the past season," the coach added. "We were invited to several bowls, but turned them down."

"The boys decided against the bowl game because it was two more weeks of practice and some of them had already made plans for Thanksgiving."

The Memphis game's sponsors were expected to seek an opponent for Christian Brothers from among Jackson, Covington and Whitehaven.

LaFayette will be trying to duplicate a regular-season win over East Rome when the two teams play again Friday. Coach Robin Williams is wary of the

...as, despite their three losses.

"We beat them earlier, but it was a close game," he pointed out. LaFayette won the first game 33-3.

Williams calls East Rome quarterback Bill Shippert one of the best backs around.

"They've got a real tailback in Fletcher Parks. He has real good speed and Guy Wardlaw is a big man in their line."

Wardlaw's an SEC college prospect standing 6-2 and weighing 230."

Meanwhile, Central High coach E. R. Reed) Etter was warning the facts about Madison, which will also bring an 8-2 mark into the game.

"They don't depend too much on their passing. They're a rushing club," he said. "They have two potential All-State tackles and two good halfbacks."

Etter said Central quarterback Randy Genov, who has a torn cartilage, would have undergone surgery at the end of the season, but would be able to play in the clash.

However, standstill guard Jim Barclay suffered a concussion on the opening kickoff of the Kirkman game and is out. He suffered a concussion on the opening kickoff of the Brainerd game earlier in the year and was hampered at another point of the season by an ankle injury.

Central's regular-season game by far a local team remains in the football calendar, with LaFayette traveling to Dalton, Ga. for a 2:30 p.m. Saturday

# Intra-Squad Game Due To Be Played in March

## 57 Candidates, Including 13 Local Boys, Expected Out Here

By ALLAN MORRIS  
Madison Press Sports Writer

Some 57 players are due out when the UTC Moccasins launch their earliest spring football campaign in years Tuesday.

The early start will give the Mocs a chance to finish the 25 days of drills, allowed by the NCAA,

before the start of spring vacation, the last week of March, and not be "split" into two seasons, as in recent years. It will also give some of the boys a chance to participate in other spring sports, according to Coach Harold Wilkes.

"I hope the weather is good so we can practice four days per week," Wilkes says. "I'll set the date for the annual spring intra-squad game some time this week, but plan now to have it sometime around March 26."

Wilkes and his staff of Joe Geri, Ray Silmetz, Ron Durby, Tom Weathers and Don Shaver have plenty of work ahead for themselves, to fill holes caused by graduation of such stars as Yogi Wolfe, Rocky Wolford, Richard Manning, Joe Cardwell and others.

Many of the 57 are inexperienced, including several non-scholarship boys, who have asked to come out. Fourteen lettermen have been lost, and 25 are due back, plus two from 1968. On the squad are the following local boys: Robert Smith, Roddy-Daisy; Don Adams, Jim Cooper, John Bommer, Pete James, Clay Steve Jackson, Bobby Smith, Jim Philpot, Steve Devitaque, East Ridge; Larry Mercer, Kirkman; George Hobboch, Notre Dame, and David Carroll and Lynn Gary Central.

Ground-Breaking Activity

- Prayer by the Reverend W. M. Bobo, President of the Booker T. Washington High School Parent-Teacher Association

May 20 1969

We, the faculty of Central High School, petition Dr. Sam P. McConnell, Mr. Wylie Gross, and members of the Hamilton County Board of Education for the privilege of having a formal hearing.

The purpose of the hearing is to have an opportunity to state our case:

1. We were unjustly reprimanded by a predominantly activist group, known Black Power advocates, on Monday, May 19. We do express appreciation, however, to those who presented constructive criticism.
2. We protest the fact that the students in the moderate black and white group and their parents had no representation and are continuously discouraged from presenting their viewpoints.
3. We think that the Board has been unfair to the faculty and to the students of both the black and white moderate groups.
4. The offending individuals are not held responsible for disturbances and flagrant disregard for rightful authority. This radical left segment is excused from their violent acts.
5. Responsibility for their actions is placed upon the faculty. As an outgrowth of the power of this radical left group, we feel that an increasing number of students is joining the radical right wing. This division will further increase the antagonism between the left and right groups.
6. Our moderate white student representatives at Monday's meeting were intimidated by the radical black students. The white moderates were dictated to by the black radicals who gave them their directions as to the course of action that the moderates must accept. These were the same tactics used on the faculty. The hands of teachers are tied by the indecision of the School Board to enforce law and order.
7. Law and order are absolutely necessary for an atmosphere conducive to learning, which is the atmosphere desired by the majority of our students.
8. No official support appears available to our principal and to Coach Archer, both having been slanderously attacked.
9. The guests taking part in the discussions regarding the above matters represented only the radical black side; no representatives of Central High School have been heard.

## Irish Shade Pounders 58-49 in City Tourney

Russell, Eaton Pace Hosts; Balance Too Much for Central

By SAM WOOLWINE  
News-Free Press Sports Writer

City High's winning streak stands today at six after clipping upset-minded Brainerd by 79-67 Monday night in the second game of the City Hooped Robin, but the Dynamo coach, Jim Pfeifer, was seemingly more impressed with the Rebels' effort than his own team's.

In the opening game of the tournament, Notre Dame used a balanced attack to average an earlier loss to Central, shaming the Pounders by 55-49.

Tonight's action finds City meeting Notre Dame in the first game and Central engaging Brainerd in the second. The first contest begins at 7 p.m. with the second to follow immediately after the first.

Pfeifer seriously picked apart a synthetic effort early while praising the effort of Brainerd.

"I feel like we were lucky to beat them. When we played them at Brainerd, they didn't look bad. They've got a good ball club and I'm just satisfied that we won," he remarked.

The veteran City coach was especially displeased with his team's performance on the boards, even though his statistician had the Dynamoes winning the rebound battle, 21-20.

"We didn't get too much at all on the boards tonight. In fact, at times we were out of it twice, at least, in the first half we had leads of six points and once we had them by seven, only to take the ball down court and throw it away," he concluded.

In the first game, the Irish took a commanding 21-7 lead at the end of the first quarter. The Pounders widened the lead to 19 at halftime, 35-23.

The lead remained at 19 going into the final quarter at 43-23, but Notre Dame couldn't find the basket for the first three minutes of the last act. Three baskets by Jerry Mackey and two by George Lane shrank the lead to 47-41.

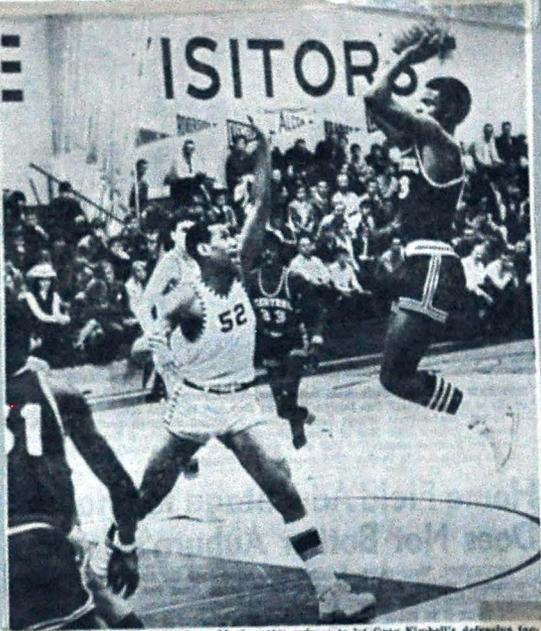

But the Irish refused to wilt under the pressure as it held the Pounders to one point for the remainder of the game to win by 55-49.

Greg Kimbell scored 14 points to pace the Irish, but he was aided by Steve Givens with 12 points and Ralph Kimbell with 11. Lane led the Pounders with 18 markers.

Brainerd jumped off to a lead quickly on a five-foot jumper by Dick Greene, but City shot out in front by 6-4 on a long jump shot by Randy Russell. The Rebels never led again, although the game was tied four times later in the game.

Lebron Clayton's board play in the first half kept the Dynamoes in the lead. The 6-2 forward pumped home 11 points, most of them coming on follow shots as City took a slim 40-30 lead at the half. A 10-foot turnaround jumper at the buzzer by Greene brought the Rebels to within two.

Guard Jim Elliott tied the game at 46-40 with a 10-foot shot early in the third quarter. The game was tied three more before a foul shot by Alan Brooks put the Dynamoes in the lead for good at 44-42.

Central could only get 27 against the taller visitors and it was senior Jerry Mackey pacing the way with eight.

Central on two occasions, went more than five minutes without scoring. During that time, Riverside was scoring 23 points.

Riverside made 13 of 24 foul shots and Central made 13 of 24.

The Riverside B team walloped Central, 80-25. In the night's opener, Frank Jones led the Trojans with 19 and Johnny O'Neal added 12. Isaac Jones paced the junior Pounders with 11.

Scoring: City—Wanda 14, Andrew 7, Baker 15, Daley 4, Givens 4, Gorman 5, Greene 4, Hester 4, Givens 4, Taylor 4, Wray 4, Wray 4.

Central—17—Stinson 4, Mottley 4, Morgan 4, Lester 4, Blanton 4, Daniels 4, Murray 4.

Riverside—11—20 19-20.

Central—11—13 12-13.

# Soddy-Daisy, Hixson, Central, Howard on District Cage Card

First-round action will begin at Notre Dame tonight. (left) Hixson, to play, London suffered a head injury when he crashed into the District Boys' Central clashes with Howard) A decision will be made today on whether 6-4 Soddy-Daisy forward Joe London will be able to play. London suffered a head injury when he crashed into the District Boys' Central clashes with Howard) A decision will be made today on whether 6-4 Soddy-Daisy forward Joe London will be able to play.

The Trojans of coach Sid Lay boast a 21-1 mark, the only loss coming at the hands of Sale Creek, and are co-champions with the Panthers of the Hill. A division, Hixson, suffering through one of its worst cage seasons, posted a 9-11 record.

Howard compiled an 11-4 mark while Central finished with a 5-16 worksheet.

There will be eight main line games match up this way: top-seeded Riverside vs. Tynes Sale Creek against the winner of the Central-Howard game. Red Bank against the Hixson-Soddy-Daisy winner, an Brainerd against Birchwood.

Unseeded Brainerd produces the only major reversal of form in the meet when it ousted second-seeded City by an 80-40 count on the tourney's opening night.

Although neither team won, the Birchwood victory over Oaklawn Saturday night 58-54, must be considered something of an upset since Birchwood won only six games during the season and had posted a district tournament victory in five years.

Guard Jim Elliott tied the game at 44-44 with a 20-foot shot early in the third quarter. The game was tied twice more before a foul shot by Alan Brooks put the Dynamics in the lead for good at 44-42.

City had several six-point leads early in the fourth quarter, but the determined Rebels wouldn't let the Dynamics pull away. However, with less than two minutes to play, the desperate Rebels began to foul and the hot-shooting City free throwers sank nine of 13 to make the final margin 79-67.

Actually, the difference in the game was at the charity stripe where City hit 21 of 29 shots for 72.5 per cent while Braimard hit a temperate 13 of 26.

The Rebels were much warmer from the floor, connecting on 27 of 34 field goals for 79.4 per cent while City hit only 24 of 70 for 34.3.

Randy Russell paced the Dynamics in scoring with 22 points while guard Mark Eaton poured in 20. Clayton added 17. Elliott, a quick guard, led Braimard with 21 while Greene scored 14 and Davis May added 12.

City is now 4-3 while Braimard is 4-4. Notre Dame is 2-4 and Central is 1-7.

CENTRAL (24) — Berger 2, Luster 4, Jones 4, Lane 10, Gordon 4, Mackey 2, Hunter 4, Miller 1, Murphy, Brown.

## STAN, JACK APPROVED BY COUNTY BOARD

### New Founder Coach First Since Etter Came in 1943

By SAM WOOLWINE  
News-Free Press Staff Writer  
For the first time since 1943, Central High School has a new football coach.

As expected, the Hamilton County Board of Education named Stan Farmer to the post of athletic director and Jack Archer as head football coach. Farmer and Archer succeeded E. B. (Red) Etter who retired last month and coached a similar position at Baylor School.

Farmer, a Navy decorated Navy veteran of World War II, has been at Central as an assistant football coaching captain since 1947. He coached at City High for four years before joining Etter's staff 23 years ago.

Archer joined the Central football staff 19 years ago, upon graduation from the University of Tennessee at Chattanooga.

The Hamilton County Board of Education today officially named Jack Archer head football coach and Stan Farmer athletic director at Central High School.

Each appointment had been expected, as they will succeed E. B. (Red) Etter, who resigned recently to become head football coach and athletic director at Baylor School.

In other action before the board, members of the Central High School Alumni Association and Central High School Boosters Club asked for matching funds to construct a football stadium at the new Harrison facility.

The group did not mention a specific amount in its request to the board. There was not an immediate estimate of a cost for a stadium.

Last year the University of Tennessee at Chattanooga, which operates Chamberlain Field, would not permit high school games on its field.

and patrons of Sale Creek High School concerned over the condition of the gymnasium there. They expressed a need for a new gym, rest rooms and new boiler facilities.

The meeting followed an incident last week in which Joe London was injured when his head apparently struck the wall of the gymnasium during a basketball game between Sale Creek and Socky-Daisy cagers. However, the Sale Creek citizens said the meeting was scheduled long before the injury at the gym.

The Sale Creek gym was built in 1958 at a cost of \$30,000. The group was expected to ask the board of education for a new gymnasium with larger playing area.

## IDEAS ON SCHOOLS MUST BE WEIGHED, MILLSAPS ADVISES

### Says Educators Must Separate Wheat From Chaff

Educators must separate the wheat from the chaff among the new ideas and new theories of educational philosophers, Hobart Millsaps, principal of Central High School, told the Civitan Club Friday.

Millsaps is president-elect of the National Association of Secondary School Principals.

Some thinkers in education are afflicted with the "zero hunting syndrome," Millsaps said. "They want to forget the past and start over anew."

"Everything is not right in education; neither is everything wrong," he said.

He shared some of the problems of educators, naming insubordination, student and teacher militancy, drugs, race relations and vandalism.

"A lot of young people today have a very different attitude...

Farmer, who retired from the Naval Reserve command with rank of commander, was offered the head coaching post first, but he turned it down.

"I just felt like it should have been given to a younger person, not that I didn't have the ambition, but if it would have been 10 years ago, it would have been a different proposition. Coach Archer has been with us for 10 years and I am confident that he will serve in an outstanding manner," Farmer explained.

The 34-year-old Farmer is a graduate of City High where he was an All-City center. He played college football at Emory and Henry, where he graduated in 1968. He received a master's degree from Columbia University.

"Following in Ester's footsteps is a tremendous challenge for Jack and I. Central is now a community school and it will be awhile before we can be a contender. People can't expect us to field teams like Central has had in the past. The school at Dodd Avenue and the school on Highway 58 are two entirely different schools," Farmer remarked.

Archer, who played half-back under Strappy Moore at UTC, was also a professional football player with the Chattanooga Cherokees. An amateur baseball player, Archer assumed the head baseball membership at Central last year and his team won the III. AA Division and district championships. Finishing second in the region.

He also heads the Fort Oglethorpe recreation program in the summer. His Dixie Youth football team at Fort Oglethorpe has won the state championship in Georgia three of the past four years.

"I consider myself very fortunate to have served under Coach Ester. I think that the greatest thing that ever happened to me was getting the assistant's job under him right after I graduated from college.

"A lot of young people today have not been able to attain a successful identity," Millsaps said. "They have determined to have a failure identity. They follow any new theory or ism."

He said however, that the "great, great majority of young people are sincere, reliable and sophisticated and dedicated to reasonable academics."

"Before you can effectively train the mind to its greatest potential," he said, "you first have to discipline it."

Millsaps described an experiment which began in 1960 in New York City to try to teach every child to read. The budget for eight years was spent in six years and in 1966, the percentage of students who couldn't read was higher than in 1960.

"Money is not necessarily the answer," he said.

Ryan, Butler, Brainerd, Tyner Among Top Teams Entered in Meet

By CONNER GILBERT

Well, it is almost time for the first high school wrestling tournament of the new decade to start, and what a meet it should turn out to be.

In case you haven't been keeping up with wrestling during the holidays, it is the first annual Central High Invitational Tournament, which starts tonight.

Included in the 16-team field are defending state champion Father Ryan of Nashville, also winner of the Red Bank Invitational last year; Butler High of Huntsville, Ala., runner-up in the Red Bank and Alabama State tournaments last year, and Glenoliff High, also of Nashville.

Among the local teams in the event are unbeaten Brainerd (5-0), once-beaten Tyner (5-1); its only loss was to Brainerd; East Ridge (2-1), Red Bank (2-1), City (1-2), Notre Dame (1-2) and host team Central (2-1).

Preliminary action will start at 7 p.m. in the new Central gymnasium. The school is located on State Highway 38 at Harrison, Tenn. The semifinals will be held Saturday at 1 p.m. with the consolation and championship finals will start at 7:30 Saturday night.

Trophies will be presented to the top three teams and medals will be awarded to the top four wrestlers in each weight class. Scoring for team points will be on a 10-7-4-3 basis.

Brainerd's Danny Brown and City's Benton Hood are the only local champs who will return to defend their crowns which they won at Red Bank last year. Brown will be in the 150-pound class while Hood will be in the 132-pound class.

The Tennessee state championships will also be in the 16-team format. Martin Francis of Notre Dame in the 86-pound class and Steve Argue of Brainerd in the 132-pound division.

McCallie Hosts TMI, Baylor Faces West Rome, Trojans Home

Two Chattanooga high school wrestling teams take to the road for out-of-town matches today, but there is still some other tilts on the schedule here.

Getting the action started, McCallie was to host TMI in a 3-45 encounter; Saddy-Daisy was to entertain Ringgold at 4:30, and at 6 Baylor will host West Rome.

Tyner will meet Morristown, East Ridge at 7:30 in Morristown, while unbeaten Brainerd will be in Montgomery, Ala., and Robert E. Lee High tonight and Lanier High on Saturday. It will be a homecoming at Lanier for Brainerd's coach Whitmore. Markham attended Lanier his sophomore and junior years in high school before moving to Chattanooga.

In Thursday night prep action, East Ridge blanked Riverside 45-6, Red Bank defeated Saddy-Daisy 42-11, and Central edged Cleveland 22-18.

It was the fifth win for East Ridge as Steve Dixon is unbeaten in seven dual meets, while Mike Rice, Chuck Strickland and Rodger recorded pins

for the Panthers. It was also the fifth victory for Red Bank as Eddie Wheeler, Tom Williams and Don Eason got pins for the Lions of coach Tom Haysen.

Hixson got pins from Robert Copeland, Mack Crain and Lamar Lueley en route to their triumph. The Trojans' Don Speed ran his record to 6-0-1 en route to a pin.

Central got only one pin, that being by heavyweight King Howell as the two clubs battled on even terms. It was the pin that gave Central the victory.

In a match reported in the Free Press Wednesday, we had Riverdale and Ketchikan tying 21-21, and Riverside was the victor 27-21. Edward Green and Roy Drubin captured pins instead of decisions which accounts for the error. The Free Press is happy to make the correction.

In a junior high tilt, McCallie edged Dalewood 29-24, as Pat Graham, William Brown, Paul Houghton and J. Ballair collected pins for the victors.

Rogers Kutschka, David Hill, Doug Strick got pins for Dalewood in the meet at Dalewood.

# REBS' LATE RALLY HANDS POUNDERS 4TH LOSS IN ROW

A second-half Brainerd rally, capped by key buckets by Dick Steek and Tom West, carried the Rebels past Central, 41-37, Friday afternoon. The victory ended Brainerd's record at 2-3 and the loss was the Pounders' fourth without a victory.

The Purple Pounders led by eight at the half but the Rebels fought back after intermission and finally got even at 37-37 on Heck's basket with 2:40 remaining on the fourth period.

A few seconds later West dropped in a layup and was quickly charged on the play, but Central's Rick Ducean missed the first shot on a one-and-one and West grabbed the rebound.

The Rebels kept the ball 40 seconds before losing it on a floor mistake. With 1:33 left the Purple's Ron Milton went to the line but missed and Heck came down with the ball with a minute left.

Brainerd held onto the ball for 44 seconds before calling time and then 19 more seconds before Jim Elliot was fouled. His two free throws with 5:22 seconds left led the Rebel victory.

Neither team recorded a field goal for the first six minutes of play and neither team had a player score as many as 19 seconds in the slow-paced contest. Brainerd hit 15 of 50 from

the floor for 30 per cent and Central 13 of 45 for 28.8 per cent.

Although happy to get 4th victory, Brainerd coach Tom Wright was far from happy with his club's play.

"They just made more mistakes than we did in the last part of the game. They out-mistaken us. It is so far Lavette did just about all of the rebounding we did and (Fred) Rohrhard did a pretty good job, too," he commented.

Central's Gordon Smith, said, "We're still trying to get experience. We've too green and make too many mistakes."

The Pounders had a big edge rebounding, 40-19, with Nathaniel Hunter grabbing 12. Lavette had nine for Brainerd.

The Pounders, with only eight players, suffered a dramatic blow when Jerry Mackey fouled out late in the third period and Hunter left with five fouls with two minutes left in the fourth act.

Skip Eldredge scored 17 points and Ted Shipley 12 for the Raiders in addition to Coaker's 22 as the Reds boosted their record to 5-2. Central went 1-11 in defeat.

Nathaniel Hunter's performance was a bright spot in the Purple offense as he flipped in 25 points, but no other Pounder could hit in double digits.

In B-team action Wednesday, McCallie remained undefeated in six outings by whipping TMI 66-43 and Central opened Baylor 32-26.

REBELS' DICK HECK SHOOT'S OVER POUNDERS' RICK DUNCAN

# City, Rebels Win In Round Robin

City High, which missed its first six shots, matched the weather outside the Dynamo gym Tuesday night by raining buckets in the second and fourth periods and beating an out-cashed Notre Dame quiet, 76-62, in second night action of the City Round Robin.

In the nightcap, Brainerd's Rebels blitzed the Pounders of Central and went on to post a 60-44 triumph.

The final night's slate tonight has Brainerd and Notre Dame meeting in the opener at 7 with City and Central clashing in the second contest of the 11th annual holiday event.

The streaking Dynamoes, who have now won seven straight games while snapping two opponents' victory streaks including Riverside's at 66, were led by hot-headed Randy Russell with 28 points. Russell, captain of City's squad, got 20 points from the foul line as he hit 10 of 11 attempts, six in a row. Mark Eaton was the other Dy-

minutes without a bucket—or anything resembling one.

Dick Greene paced the Rebels to their fifth triumph against four losses with 18 points. Freddy Heberlein, improving with each game after getting football out of his system, added 12 points for Brainerd.

Jerry Mackey, not a spectacular eye catcher but one who gets the job done, sparked Central with 15 points and Valdemar Hunter, a jump-and-lack center, added 12.

Brainerd's Dick Heck started

the second half with four fouls and finally went to the bench late with five. He got seven points before retiring. Joining Heck on the Rebel bench with too many fouls was Davis May. Rick Duncan of Central also fouled out of the game played before an almost empty gym in the fourth period.

Central pulled to within five at the half after falling by as much as 11 throughout the half. But the disastrous cold streak in the third period vanquished any hopes of a victory for Central, which has lost nine times in 10 games.

five seconds left to exp the scoring.

He was not happy about coming on the short end of the score but Central coach Gordon Smith was proud of the way his team played.

"We finally came up with a good solid game for four

periods," said the veteran coach. "We started out the season as very inexperienced team, but now we're beginning to get some poise and experience."

City center Jim Pflizer was not happy about the way he thought his team played in that match. "We got out that milters," Pflizer also noted that he

## Trojans Win 64th Straight Conquest

Riverside's awesome press produced the Trojans 64th win in a row, a string that has included two state championships. It was 11-11 at the first rest stop, but the Trojans quickly played, with 12 Riverside players getting into the action.

Rick Wood, tossed to 14 points to lead the winners, playing sparingly. Gary Baker had 13 and Ernest Coleman 10. Junior Rick Duncan tallied 14 to lead Central.

Wood, playing with a lame foot, led the rebounding, and saw Riverside pull down 46. Riverside (10-0) scores 14. Andrew Baker 11, Davis 4, Greene 4, Heberlein 4, Hunter 4, May 4, Phillips 4, Smith 4, Tomlinson 4, White 4, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 27, 28, 29, 30, 31, 32, 33, 34, 35, 36, 37, 38, 39, 40, 41, 42, 43, 44, 45, 46, 47, 48, 49, 50, 51, 52, 53, 54, 55, 56, 57, 58, 59, 60, 61, 62, 63, 64, 65, 66, 67, 68, 69, 70, 71, 72, 73, 74, 75, 76, 77, 78, 79, 80, 81, 82, 83, 84, 85, 86, 87, 88, 89, 90, 91, 92, 93, 94, 95, 96, 97, 98, 99, 100.

Mark Eaton was the other Dynamo in double figures with 16, most of them coming on long jumpers from the safe.

Greg Russell led the Irish with 15 points and seven rebounds. However, Steve Green paced the Notre Dame rebounders with eight. City outrebounded the Irish 33-21 in the game, something it has been doing most of the season.

The Dynamos converted 26 of 37 charity throws opposed to 14 of 20 for the lockless Irish, who lost their seventh game in nine outings.

"We certainly played a much better game tonight than Monday," a pleased Jim Phifer of City stated following the game. "Again we were up and down. The second period was a good one but we let down in the third. We won and that's what counts," he added.

After City's slow start, Eaton and Russell connected on two consecutive three-point plays and from that point on the Dynamos were headed to their ninth victory against three losses, seven in a row since a loss to Oak Ridge.

The Dynamos hit 25 of 63 shots from the field for 39 per cent while the even cooler Irish made 14 of 47, good for 29 per cent.

Braicord's Rebels, finding themselves ahead by only five points at intermission, 30-25, broke the game open in the third with a steady, relentless attack. Central's defense was early in the period and then went almost six

## 12 LOCAL MAT MATCHES SET THIS WEEK

Central, Notre Dame Enter Father Ryan Tourney at Nashville

By CONNER GILBERT  
Nashville Press, Dec. 31, 1969

With the Christmas vacation over and school starting again tomorrow, the wrestling season gets in full swing after the exciting Central Invitational Tournament.

The wrestlers waste no time in getting into action as two matches are slated Monday night. Cleveland comes to Notre Dame while at Red Bank, the Lions of Tom Runyon host East Ridge in what should be a tough match. Both matches start at 7:30.

It will be a busy week for the Irish of Notre Dame. In addition to the Monday match, they travel to Tynor on Wednesday for a battle with the tough Rams starting at 7:30. That is the only match of the night. But Friday, the Irish along with Central, journey to Nashville to participate in the Father Ryan Invitational Tournament.

Four matches are on tap for Tuesday, all afternoon encounters. Saddy-Daisy and the McCallie "B" team get things started when they face each other at 2:30 on the "Blues" mat. Riverside hosts Hixson, unbeaten Brainerd goes to Cleveland and Kirkman hosts City, with all the dual meets set to start at 4 p.m.

Only two matches are slated Thursday, both starting at 7:30. Brainerd hosts Kirkman, and City entertains Riverside.

With Notre Dame and Central going out of town Friday, there are still three dual meets. Hixson hosts Saddy-Daisy starting at 1:15. Cleveland comes to Red Bank for a 3:30 battle and Tynor hosts City starting at 7:30.

GOING FOR PIN—Danny Brown of Brainerd has Father Ryan's Doug Hazard in a good position and seeks to force Hazard's shoulders down for a pin Saturday in a 100-pound semifinals match at the Central Invitational Wrestling Tournament. # Central Nips Tyner 62-60 for First Cage Victory at New School

## Soddy-Daisy, Sale Creek Streak; Riverside, Red Bank, Kirkman Win

By DAN COOK

Life From Sports Editor

Central's Purple Pounders, in an illustrious athletic past, wrote a bit more history into its long list of wins Tuesday.

But it came by the hardest, the hosts winning their first basketball game on campus since switching to new site this year.

The deed was done 62-60, in a full house of happy students who were dismissed from classes to witness the hard-fought game.

It was only Central's second win of the season, the first coming in a battle at Notre Dame. The loss ended a three-game winning streak for Tyner.

In other Tuesday clashes, Riverside topped Notre Dame 42-27, Red Bank topped East Ridge 77-75, Soddy-Daisy blew past Hickox 73-23, Sale Creek upset Blount County 84-23, Kirkman downed Riverside 49-41, Bradley County lowered Brainerd 72-46, Ooltowah clipped Birchwood 77-66, Lakesview slipped by Dale County 53-52 and Trion dished Chattanooga Valley 44-41.

"We just lost our pulse and winning clubs don't do that," said a calm Central coach Gordon Smith. "We missed some easy shots and had a number of floor mistakes."

Nathaniel Hunter netted 25 points and Ronald Milton 14 for the Pounders. Wayne Combs has 13 points, Barry Roach 14 and Jesse Murphy 10 for the Rams, now 2-1. Tyner lost Mike Bower, Mickey Walker and Roach in the fourth quarter on fouls.

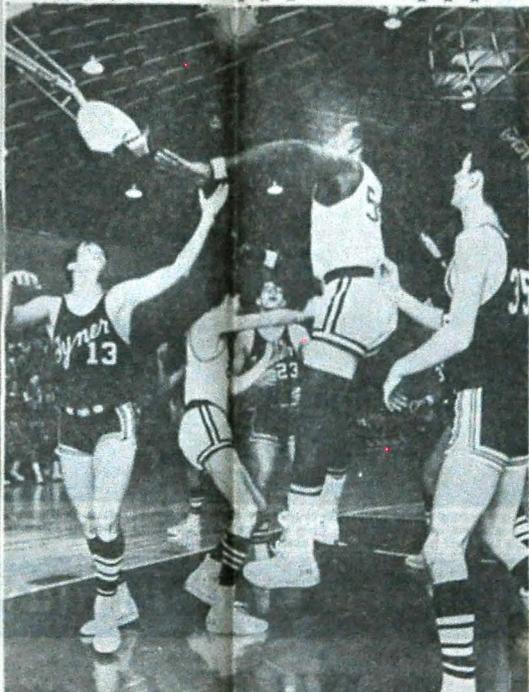

It was a thriller all the way with Central jumping off to a 5-2 lead. Later, it was cut at 3-3 before Tyner sported to a 10-5 lead.

Ronald Milton stole the ball and drove the length of the court for two points, 12-5. He bombed for two more seconds later, giving his team an 11-10 spread.

Central led by as many as eight points in the second period, and the Pounders led by 20-21 at intermission.

A layup put Central in command at 62-58 with mere seconds left. Two shots from the line by Tyner brought it to 62-60, but a long throw down court as the buzzer sounded was futile.

SWAN DANCE — Tyner's Wayne Combs (13) and Central's Nathaniel Hunter (14) appear to be doing a swan dance with their eyes focused on the basketball. Combs and Hunter led their teams in scoring as the Pounders won the tight contest 62-60. The winning drive almost forgotten in the second half episode came in the first period. Madison, led by All-State candidate Culler, went 19-17 to pay dirt.

Months earlier, pallid Central defender hosted a Madison bid at the Founder 19. But Redford fumbled ground up the middle and Central regained possession, and this set up the winning drive.

Madison quarterback Mike Santl, coming up with key third-down plays all night, made a bid move on fourth and one to the seven, and halfback David Bickenshield over from the one on fourth down for the TD. Bickenshield kicked the winning extra point with 1:07 showing

## BOWL WINNING STRING ENDS AT FOURTEEN

### Defense Sparkles; Radford, Saddler Lead Rushing

By DAN COOK

TULLAHOMA, Tenn.—A last-gasp 49-yard field goal attempt by Central was snuffed by a high snap from center in the waning seconds of the 53th annual Civic Bowl here Saturday night and powerful ground machines Madison brought Coach E. H. (Red) Elter's long post-season record to an end with a 7-6 win over Central.

The final score was the same as that of last time, but there's a good chance that one of the

5,000 fans who sat at Wilkins Field would have believed this would be the final score.

Brilliant defensive work staved out in this hard-fought collision between two Tennessee prep powers with the rushing of Central fullback Henry Radford and awesome Lennie Saddler of Madison providing its share of the fireworks. Madison ended its year at 9-2, while Elter's Pioneers finished 8-3 with the loss. It was the first time in 13 years—since the veteran Elter had failed to go home a winner.

Central's late drive leading to the field goal attempt, beginning at the Ponder four, was something to behold.

Gully quarterback Randy Gains rolled left and hit receiver Johnny Turner with an aerial goad to the Central 19, picking up the first of five first downs the halting Pioneers were to earn before the field goal try went awry.

At his own 35 on second and 10, Gains hit Turner with a pass to the flat and the alert receiver quickly lateralized to Radford on one of the hair-raising plays. However, this produced only six yards.

But later, in add to the dazzling series, Turner faked a punt near his own 41 and raced to the Madison 41 to keep the march alive.

It was seconds later, on fourth-and-fourteen, that kicker Jim Barclay could never get a foot into the ball.

The winning drive almost forgotten in the second half episode came in the first period. Madison, led by All-State candidate Saddler, went 19 yards to pay dirt.

Moments earlier, gallant Central defender bailed a Madison end at the Ponder 19. The backfield fumbled going up the middle and central Tennessee possession, and this set up the winning drive.

Madison quarterback Mike Senti, coming up with key third-down plays all night, made a big move on fourth and one to the seven, and halfback David Bell crashed over from the one on fourth down for the TD. Danny McDonald kicked the winning extra point with 1:07 showing on the clock.

### Bengal Ace Only 13 Points Away From All-Time Scoring Leadership

BIRMINGHAM, Ala. (AP)—Pistol Pete Maravich soon will have to change his nickname—he is about to become the Big Gu.

The Louisiana State basketball sharpshooter begins the second half of the season this week with a clear shot at the all-time collegiate scoring target.

Maravich is averaging 47 points in the first starts of his senior season at LSU. He averaged 43.8 as a sophomore and 44.2 as a junior for a total of 2,850 points in 64 games.

Moments earlier, gullish Central defenders halted a Madison bid at the Ponder 18. But back just behind went up the mid-air, and the rest of the winning drive.

Madison quarterback Mike Senti, coming up with key third-down plays all night, made a big move on fourth and one to the seven, and halfback David Bell crashed over from the one on fourth down for the TD. Denny McDonald kicked the winning extra point with 1:07 showing on the clock.

Central's score came after Madison took the opening kick-off and drove to its own 42, where Ponder Mike Cagle pounded on a loose Sam football.

He ripped off six yards to the 48 and Radford and Jim Hunt provided big yards to the 11. Cagle personally delivered the ball on a beautiful run down the right sideline for the score. Bartley's try for the PAT was futile, leaving the score at 6-0 with 8:31 to go in the first period.

Senti was elected most valuable back for the winners by a vote of the press. Rick Moyer was chosen top lineman.

Goins and Mike Underhill were voted the standouts for the Ponders.

E. B. (Red) Etter, who has coached Central High to eight state football championships, is leaving the school after 27 years at the helm to accept the coaching position at Baylor School.

The official announcement of Etter's resignation at Central and acceptance at Baylor will probably not be made for approximately 30 days since it is understood that Etter gave the county board of education a 30-day notice.

Baylor Headmaster Dr. Charles Hawkins said he had been instructed by the Baylor board of trustees not to release any information at this time, that a statement might be forthcoming before a month's period, but as of now it is unlikely.

The 56-year-old Etter, who began coaching at age 21, said his prepared statement would not be released until he was given permission to release it.

Central High Principal Herbert Millsaps said that plans concerning Etter's future would have to be made by someone in authority to do so. Millsaps said his personal opinion of Etter's immediate future was conjectural and could be in error.

Information concerning the well-guarded secret was learned Saturday morning and

### Tyner Hosts Central; Hixson Visits Kirkman

Riverside, Brainerd; Lakeview,  
LaFayette on Friday's Menu

By TERRY HARDWICK

*News-Free Press Sports Writer*

The Chattanooga high school football season reaches its halfway mark this week with 12 more attractions on the menu.

All games this week, including the HIL skirmishes, are scheduled for Friday night. The kickoff is slated for 8 p.m.

Brainerd visits Riverside in an HIL Upper Division tilt while Tyner entertains Central and Saddy-Daisy hosts Notre Dame in a pair of HIL Division contests.

Friday's appealing list of games include Hixson at Kirkman City vs. Tallahassee at Brainerd, Howard at Nashville North, Red Bank at Greenville, Notre Dame at Saddy-Daisy, Outlook at Copper Basin, Sewanee Military at McCallie, Darlington at Baylor, LaFayette at Lakeview and Chattanooga Valley at Westside.

For Central and Tyner, the game will be the first since 1911 that the schools have played. Central has won each of the eight previous outings, none of them close, with the Founders averaging 28 points per game and the Rams being shut out six of the eight outings and scoring only 14 points total.

Brainerd and Riverside have played only two times, the past two years. The Reds were 14-6 victors in 1962, 27-6 in '68.

The series between Saddy-Daisy and Notre Dame is knotted at 7-7-2. The Trojans won the last contest 25-13 in '67 as well as the first game in '41, 13-0. The Irish best streak came in 1949-50 when they won 15-0, 35-0.

Hixson has won four of the six engagements with Kirk-

man, including the past three. Kirkman was two of the first three games of the series, but the Wildcats have been on top 6-0, 28-13 and 16-0 in '67-'69.

McCallie has dominated its 15-game series with Sewanee, winning 14, EMA's only victory came in 1944, 6-0. The scores through the years include, 15-0 in '43, 9-0 in '44, 23-0 in '46, 14-0 in '47, 13-0 in '48, 27-0 in '49, 38-4 in '50, 29-0 in '51, 14-0 in '52, 26-13 in '54, 35-0 in '55, 7-6 in '56, 20-13 in '57, 20-13 in '58 and 25-7 in '59.

Baylor has controlled its series with Darlington, 12 games to three, but Darlington has won three of the past six years. Baylor has five shutouts in the string, 21-0 in '52, 7-0 in '59, 21-0 in '61, 22-0 in '66, 23-0 in '67 and 7-0 in '69.

LaFayette humiliated Lakeview 29-0 last year, but the Warriors lead the series 5-3, including a 54-0 conquest the first year of the series in 1964.

Eugene Bonaparte Etter, husband of a former "Miss Central High" Helra Gross Etter, and father of both Gene and Bobby, has coached his teams to a phenomenal record of 213 victories, 34 defeats and 13 ties.

Etter joined the Central coaching staff in 1942 and a year later became head coach of the Panthers when Dean Peterson went to the Army. He has been with Central ever since.

His enviable won-lost mark is the best of any active high school football coach in Tennessee and may rank No. 1 among all state coaches.

Etter's teams won state championships in four consecutive years — 1951, '52, '53 and '54 — as at least one of the major high school football polls. His clubs of 1955, 1962, 1967 and 1968 also won state titles in either Associated Press, United Press International or Lithianews Ratings.

Red's first unbeaten year — Central lost only one game in nine separate years under Etter — was in '52 as his son Bob, presently playing for the Atlanta Falcons, kicked 26 extra points.

Bob, recently chosen to be all-time Southeastern College Football Team as a kicking specialist, set kicking records in his three varsity years at the University of Georgia that have fallen only this past season.

When E. B. joins forces with Haylor, he will be working with his son Gene, presently the Red Raiders' sixth grade head grid coach. Gene, who graduated from the Uni-

# Central's Proposed Athletic Complex Will Be Community Asset

**HOPING TO MAKE A DREAM A REALITY**—This is an aerial photo of the new Central High School, left, and J. R. Brown Junior High School at the right, with the proposed athletic complex drawn in by architect EA Howard. Number 1 area shows where the baseball field is to be located, number 2 is to be the football stadium and seats, number 3 is the proposed football field, number 4 is to be the track, and number 5 will be the football practice field. Contractors estimate four months to complete the

job. If the current fund-raising drive is successful and the county school system matches what has been pledged or given toward the new complex, Central High School will be able to open its 1970 football season on its home field for the first time in 63 years. Anyone wishing to send a donation for the current fund-raising drive should send it to Central Boosters Club, P.O. Box 128, Harrison, Tenn., 37341. # Wayne, Favorite to Win Oscar, Considers Mexico '2nd Home'

HOLLYWOOD (UPI)—John Wayne, favored to win his first Academy Award Tuesday night, thinks of Mexico as his second home—he travels there for movie locations and vacations, taking his family with him.

The big, hard-living, outspoken Wayne goes his own way the big way had never come and is pleased when everyone else does the same.

For the second time in his 40 years as a motion picture actor, Duke—as his friends and acquaintances call him—has just a good part in a hit picture nominated for an Oscar, going for him. There is no nomination and after that, too.

He was first nominated in 1949 for "The Sands of Iwo Jima."

Like Charles Chaplin and Cary Grant it was always something of a mystery why Wayne goes his own way the big way had never come and is pleased when everyone else does the same.

As Hester Colburn in "True Grit," he turns in his best performance.

But Wayne has more than a movie nomination. He has a Best Actor nomination for "True Grit," he turns in his best performance.

From all appearances, he likes it. He's quit smoking but chews tobacco.

Currently starring in "Rio Lobo," his latest movie, Wayne has starred primarily in westerns, war pictures and action-adventure yarns.

Physically strong himself, Wayne—now past 60—enjoys doing as many of his own stunts as possible.

Between films the actor lives in a rambling beachfront home in Newport Beach, Calif., playing with his children by his sequestered wife, Pilar, and a handful of grandchildren by a previous marriage.

He takes frequent trips aboard his yacht, a converted Navy mine-sweeper and visits his cattle range in Arizona where his herd roams on 80 sections of land.

"At my age, I can't play leading men," Wayne says. "But . . . who wants in, I'll stick to westerns. I like 'em better anyhow."

With the "second effort" for which Central High School teams have been noted for since its beginning 63 years ago, the Central High Alumni Association, in cooperation with the Central High Boosters Club, is going "all out" to raise more than \$35,000 in the next 12 days to make the dream of an athletic complex for the school a reality.

Why the next 12 days? "Because that's the day the Hamilton County School Board will meet in its regular session," Jerry Summers, president of the alumni association explained, "and we want to be able to show the board that the alumni, friends and patrons of Central, as well as the residents and businesses in the Highway 58 area are in earnest about building this complex."

"We intend to show them how much money has been contributed to the fund," he contin-

ued, "and then we will ask the board to allocate at least as much as we have collected to build the first athletic home for Central since 1907."

### GIFTS TAX DEDUCTIBLE

"Every donation to the school is tax deductible," Mr. Summers, who is also an attorney, emphasized, "and we desperately need more funds."

"We have such a short time to raise such a tremendous amount," he continued, "but I am confident we can do it."

Ray Moss Jr., who is heading the fund-raising project, said the entire complex will cost some \$78,000, "and we need at least half this amount before the board meets."

Mr. Moss said the complex, which will consist of a baseball field, football field, stadium, track and practice field, will be more than just an asset to Central.

"It'll be an asset to the entire community, as well as the county," he asserted, "because it will be shared by J. B.

Brown Junior High, which adjoins the Central property, and also by Harrison and other area elementary schools."

Mr. Summers pointed out that residents of the area now with pre-school children will "share in the athletic complex. Even though the children are not in school now, they will probably become students at Harrison or Lakeside elementary schools, then graduate to J. B. Brown, and finally to Central High School to complete their secondary education... so, they'll be reaping the rewards and enjoyment of the complex for many, many years."

### SECOND QUARTER KICK-OFF

The alumni association has set a Second Quarter Kick-Off Coffee March 24 at the school cafeteria for progress reports from fund captains and other members. "We want all the captains, team members, alumni and friends of Central, and residents of the area to be at

that meeting and become involved in making this dream come true," Mr. Summers said.

Glenn Fussell, another leader in the campaign, noted that workers are calling on community business and residents to try to meet the goal. "We want the folks in that area to be expecting out workers," he said, "and get involved in this drive and invest something in the future of the community."

He said "any amount" will be appreciated. Mr. Fussell particularly noted the recently formed "Century Club" for those who donate at least \$100. "We're going to put each donor's name, who has given at least \$100 to the fund, on a large plaque, or put his name on a brass plate on one of the stadium seats on the 50-yard line," he said, "and the donor will also get two free season passes to the 1970 season, with the option to renew those 30-yard personalized seats year after year."

Mr. Fussell said final plans have not been arranged as to how the \$100 donors would be

honored, "but they will be recognized in some way or another."

The alumni association collected in excess of \$9,000 at its first meeting, March 24, when the drive began.

"But it's getting down to the nitty-gritty now," Mr. Summers said, "and we mean to do everything we can to make sure that Central High School teams have a home field on which to play... this means a lot to those boys who are out there giving their last bit of fight for their school."

Mr. Fussell, reminiscing over the past, smiled and said, "He's right, it sure means a lot to know that you're playing on home ground... and this is something Central High School has never done."

Mr. Summers smiled and said, "That's right, and if those Pound Purple Pounders can win state championships and other honors by playing on 'swee-nowed' fields, just imagine what they will do with a modern stadium and athletic complex of their own."

# NEWS-FREE PRESS NAMES 22-MAN ALL-CITY FOOTBALL TEAM

## REBS, DOGS, LIONS HEAD GRID PICKS

Brainerd Lands 5, Rossville 4, Red Bank 3

Brainerd places five players, Rossville four and Red Bank three on the News-Free Press 22-man All-City football team. Central and City each have two griddees on the squad with Hixson, East Ridge, McCallie, Baylor, Howard and Tynes each contributing one player to the first team.

All the players on the first units are seniors with Brainerd's Ed Nelson and Central's Bobby Downs being the only repeaters.

Central and Ochsleah each put three griddees on the second team. Brainerd, Red Bank, East Ridge and Notre Dame each have a pair. All but five on the squad are seniors. The five juniors are Ochsleah's Larry Lindsey and Manuel Butler, Rossville's Pete Summers, Tynes' Mike DeFossant and Hixson's Johnny Wallace.

Red Bank leads the first-string offensive club with three selections — Bobby White, Randy Ragan and Sam Gortney.

The offensive team, picked by position, includes:

**TOM WEST**, Brainerd, End — 5-3, 175, "... the best receiver I've ever seen in high school," according to his coach, Pete Potter. West has a propensity for coming up with the big catch at the right time, anything in his area was caught.

**RANDY RAGAN**, Red Bank, End — 6-4, 180, "... Caught 17 passes for 239 yards and four touchdowns ... scored 42 points ... kicked extra points and field goals ... labeled "a fine blocker with good hands" by Coach Frank Colier ... also kicked off.

**STEVE EVANS**, Tynes, Tackle — 6-2, 212, "... went both ways for Tynes, captain of team ... made 119 tackles, counting one for individual and 14 for assist ... "son of the best line-man I've ever coached, does excellent job of downfield blocking, major assets are deflection and leadership," said Coach Ed McIlwain.

**HARRY HIXSON**, Hixson, Tackle — 6-0, 190, "... another player who excelled both ways ... "Always had the most points after we graded the films," said Coach Tony Martinec ... on defense, excellent lateral movement and good punt ... very quick sidestepper.

**RON ROBERTSON**, City, Guard — 6-4, 190, "... versatile player who captained the Dynamones ... excellent at line-backer ... "most rank with the best guards City has had," says Coach Bob Davis ... downfield blocking ... punts well, consistently makes big play ... plays best in big games ... outstanding leader and student.

**SAM GORTNEY**, Red Bank, Guard — 5-8, 170, "... He's been our leader on defense all year," says Coach Colier ... made 110 tackles ... ran back a 40-yard pass interception for a touchdown in the Central upset ... best game against Hixson with 15 individual tackles.

**BOBBY DOWNS**, Central, Center — 6-6, 190, "... captain of team ... "went both ways, do-

ing a good job of blocking and a good job of barking up the line," comments Coach Red Eiler ... "repeater from last year's Free Press team ... steady, consistent performer ... leadership, attitude, desire unbeatable.

**JAMES CLARK**, Rossville, Halfback — 5-9, 165, "... rushed for 1,224 yards in set school record formerly held by Ricky Huff (90) ... scored 80 points, 16 touchdowns ... had 80-yard pass interception scoring against Dalton ... ran punt back 60 yards against Cherokee ... made five or six TD-saving tackles ... "one of the most outstanding backs since I've been at Rossville," says Coach Lynn Murphy.

**BOBBY WHITE**, Red Bank, Halfback — 5-9, 145, "... carried ball 164 times for 1,133 yards, average of almost seven yards per carry ... "pound for pound one of the best ever at Red Bank and one of the best in state," says Colier ... scored 66 points ... made up for lack of size by desire and "great competitive spirit."

**HENRY RADFORD**, Central, Fullback — 5-11, 205, "... human buttering ran ... though played with injuries for ever half of season, still rushed for over 1,000 yards ... "Henry gained as much yardage rushing as any back we have ever had," according to Eiler ... also is good blocker ... scored 18 points.

### Prep Staff Panel Makes Final Picks

The News-Free Press prep staff presents its 2069 All-City football team today.

The 22-man first team and 22-man second team were chosen in consultation with the local high school grid coaches.

Stories were written and information compiled by Terry Hardwick and Sam Woolwine. All photographs were made by the paper's photography department. The N-FP prep staff tried to select the best boy at each position. Our method was to trade information and make a decision based upon the facts available to us. We also buttressed each coach on his opinion of his own players and those he played against.

High School, Russell was president of the Student Senate there and treasurer of the Kentucky-Tennessee District of Key Club International.

A political science major and now a junior, Russell was the first sophomore at U.C. ever elected president of the SGA. As a freshman he ran for the Student Council (now the Student Senate) and was elected. He was re-elected as a sophomore to the Student Senate (after the name change) and served in the cabinet of SGA President Harold Haggard. SGA president in 1968.

notes, however, that "UT and UTC are entirely different, with different problems and circumstances," and that if "the trend to follow Knoxville continues there will be some friction."

Russell says students are anxious for UTC to be "a part of the community and command a good public image." He adds that "as students we recognize an obligation to the taxpayers and we don't feel in any way from public concern." In return for "giving the public a clear understanding of campus activities," however, he feels the public should fully support the university.

On getting acquainted with Russell King it is likely that many of the over 30 group will feel considerably more confident about the future.

## Dynamos Escape 54-48; Rebs Surge, Win 63-49

### Eaton Scores 26 Against Pounders As Greene Gets 26 Against Irish

By WARD GOSSETT

Brainard and City, by right, both have more than New Year's Day to celebrate—and possibly Central, too. The Rebels Wednesday outgunned Notre Dame 63-49, while City held on to a four-point half-time lead in clip the Pounders 54-48 in the 11th annual Round Robin Game at City.

Central played perhaps its finest ball game of the season, although the Pounders came out on the short end because of late fourth-quarter leads.

City scored first on a foul shot, then Central got one. The Dynamos collected two more on foul shots, and the Pounders got the first basket to tie the game at three-21. With both teams using a man-to-man defense, the game remained clogged in the scoring department, and City took a 19-7 lead to close the first 15.

It remained tight in the second period as City took a 19-9 scoring edge as Mark Eaton and Randy Russell chipped in with four points apiece.

However, it was the night for slender Eaton, only a junior, as he torred one-man wrecking crew by bombarding the basket for 27 points, 12 of which came at the charity stripe.

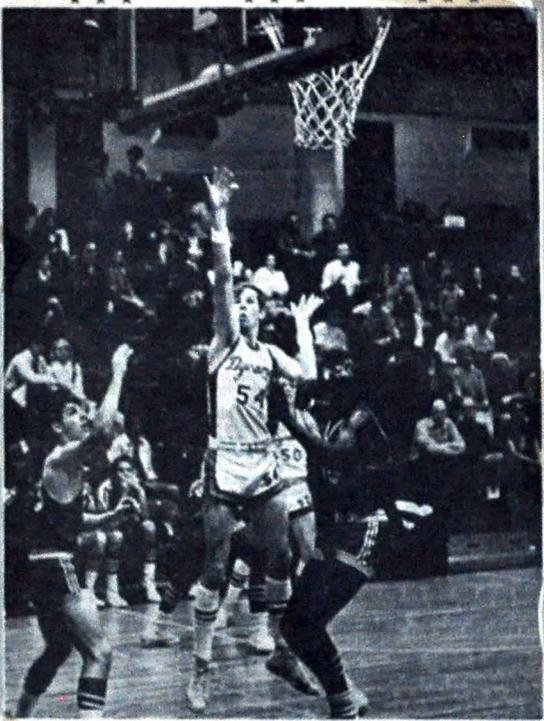

City outscored the game Pounders 18-15 to pick up three more on the lackluster Central squad as Eaton collected 19 on a third-period binge.

Little Ken Smith, Dynamo sparkplug, could possibly have made the difference in the final act as he dropped in three shots from the foul line to protect the slim City lead. Probably not, standing over 5'4", the fireballer was all over the court, mastering the Dynamo defense and mastering the Pounder offense.

Credit must be given to Rick Duncan and Ronald Milton who each scored six points in that final period when the Pounders pulled within three points of the Dynamos. Jerry Mackey paced the Central scoring with 14, nine of which came in the first half, to keep the Pounders within striking distance.

Dick Greene, 6-foot, 2-inch center for Brainard and the tallest man on the "short" Rebel squad that played in the round robin, showed no mercy to the Irish as he hit on 10-foot jumpers, shots under the goal after a rebound, and just about anywhere he took a notion. He was the game's top scorer with 28 markers.

Guard Fred Ehrhardt, who did the passing for the Rebel football squad, used the galloping arm on several pin-point

The Central Purple Pounders posted their third straight victory and fourth of the season Tuesday night when they outlasted the Notre Dame Irish 53-52 at the Central gym.

The Purples jumped off to an 11-4 first quarter margin and were never headed the rest of the way, although the Irish closed the gap to two points with 1:20 left in the game, and then cut the margin to tie final one-point deficit with just 40 seconds to go.

Wallace Massengill led the Central attack with 13 points while Nathaniel Hunter chimed in with 12 more. Notre Dame had three players in double figures. They were Greg Kimbell with 12, Terry Eason with 11 and Ralph Kimbell with 10. Greg Kimbell also was the game's leading rebounder with 12. Jerry Mackey had 11 for the losers.

## Riverside Wrestlers Fall to Central, 39-15

McCallie Meets Pounders Today; East Ridge and Red Bank Travel

By ROY EXUM

Notre Dame's Fighter Irish will have its hands full tonight—if the snow doesn't interfere—when Fairfield High, Alabama's reigning Class AAA champs, comes calling at 7:30.

Fairfield, a powerful team from Birmingham, will meet the Irish, who now have a 2-4 worksheet after the Notre Dame Junior High takes East Ridge in the first half of the scheduled doubleheader.

Central High, fresh from a 28-15 decision over the Riverside Trojans yesterday, will be at it again today as it wrestles but will be up against stiffer competition in the form of McCallie, winning by scores like 6-0, 10-0, etc., and undefeated with a 5-0 mark.

Other matches scheduled for today—weather permitting—are East Ridge at Nashville's Hillwood, Barter Jr. High at Dalewood, Kirkman at Cleveland, East Side Jr. High at McCallie and Red Bank at Atlanta's South Springs.

Only one Riverside wrestler, 157-pounder Fred Lattimore, could over-come a charged-up

Central squared yesterday in the Trojan's gym as all but one Central wrestler triumphed in a rout.

Lattimore won via pin over Central's T. L. Young but other than two forfeits in favor of the Trojans, the Central machine rolled in its fifth win in four starts. Other winners in yesterday's sparse action were McCallie's B-team with a 26-13 win over Soddy-Daisy and McCallie Jr. High as it downed Tyrner's youngsters, 29-14.

180-pounder John Stannel, 117-pounder Darrell Townsend and 125-pounder Victor Howe got Central off to a sure-fire start with three consecutive pins but sandwiched in between was a forfeit in Riverside's 180-pounder, once-beaten Calvin Tasey.

Central's Frank Key then took a 9-0 decision in the 121-pound class and Randy Finsell grabbed a 6-3 verdict in the 138-pound class. Jim Holman, the Pounder's 147-pound man, then came up with a pin in 2:32 and Central was on its way.

137-pounder Joe Kilgore won a hard-fought 9-7 victory over the Trojans' Leo Foster before Allan Black, in Central's 167-pound slot, nailed Riverside's Vernon Hubbard in 5:42. Bart Slatton, the Pounder's 175-pounder, won by pin also in 2:30.

## Central Eyes Staff Vacancy

E. B. (Red) Etter's decision to retire from the Central High School staff and join Bayler School leaves Central with a problem it hasn't had in 27 years—finding a head football coach.

Although Etter's retirement hasn't officially been announced, Central obviously must start thinking about a successor for the man who guided the Purple Pounder football fortunes for 27 straight years, dating back to 1930.

First consideration probably will be given to any interested assistant on the Central staff. The football staff includes Stan Farmer, who has been with the Pounders as line coach for more than 20 years, J. M. (Jake) Sexton, 38-year-old end coach, and Jack Archer, 23-year-old former University of Chattanooga halfback who spent his 19th season with the Pounders this year.

Sexton said Sunday he would not be a candidate for the post. Farmer and Archer would not comment Sunday but it is almost a certainty that Archer will be a candidate.

Archer is a native of Dayton, Ohio who came to Chattanooga as a scholarship football player under A. C. (Scrappy) Moore.

In addition to football, he also has coached grid and baseball for the Pounders.

Central Principal Robert Milligan said he could not elaborate on the procedure by which Etter's replacement will be named.

Central now had 36 points but Riverside's Lattimore won via pin and heavyweight Clyde Stevenson took advantage of the forfeit as Central's ailing heavyweight, Jack Moore, was out with strained ribs.

# LSU Has a Pistol; Rhea Central Toting Double Barrel Gunners

By LARRY FLEMING  
Chattanooga Times Staff Writer

DAYTON, Tenn. — Around these parts, LSU's Pete Maravich is second hand news. The big story here is a couple of double barrel gunners named Jerry Banks and Harold Williams. They're the Pistol and Pete of Rhea Central High School.

Banks is a 17-year-old sophomore. The last one year of eligibility remaining) averaging 25.8 points a game through 12 contests. Williams, a 16-year-old junior, is averaging 32.7 for 11 games. Banks a 5.7 guard who is attracting college interests has scored 204 points and Williams, a 6.1 forward, has connected for 274 points.

"Jerry," Rhea coach Richard Williamson states, "directs

the attack. He's an excellent outside shooter and the best ball handler I've seen in high school this year." To prove that statement, Banks has 58 assists credited to him and 15 come to one game. And these assists are given only when they lead directly to a basket — in the lane.

"The most phenomenal thing about Banks," Williamson says, "is his jumping ability. I saw him guard the plays weak side wing on a 1-3-1 zone defense, a 6-8 boy from Cumberland County and he blocked two straight jump shots the guy attempted."

Banks is shooting 42 per cent from the field, hitting 118 of 284 shots. Williams, on the other hand, is around 35 per cent, connecting on 190 of 541

shots. Williams has also blocked 100 rebounds, second to teammate Gary Louallen who has grabbed 167.

Williams, who is creating quite a stir among college coaches, too, is probably the most consistent Yellow Jacket senior. "He's always around his average. I guess the highest he's scored is 74," Williamson explained.

To show the Rhea Central balance, other starters Louallen has 110 points, James Calbaugh has scored 112 and Dicky Arnold has 101.

The only difference in Williams and Banks is scoring. Williams is the much-talented player. He's played only one quarter and three minutes but still managed to score 14 points. Banks finished the

game and tallied 23.

As for the squad, don't count the Jackets out yet. Rhea had a 7-6 record going into a Saturday game with Midway.

"I feel like we have a good chance in our district," the Rhea capo manager said. "If we play our regular brand of basketball I feel we can stay with anybody. Nobody scares me. I respect them, though."

The Yellow Jackets have played a pretty tough schedule and the only club to beat them, had was Sody-Daisy.

"We've lost four games by a total of 12 points," Williamson explained. "Sody-Daisy really drilled us."

But Rhea Central won't be running scared come tournament time.

You can "bank" on that.

## Kirkman Edges East Ridge; Central Shades Notre Dame

By TERRY HARDWICK and SAM WOOLWINE  
Newspaper Staff Writers

Twenty-seven hundred shouting fans overflowed Sody-Daisy High's gym last night to watch the spine tingling battle between Sody-Daisy and Sale Creek.

Sody-Daisy won the game 60-52 behind the 19-point rebound points scored by Junior Johnson, who fired in 13 third-quarter points on five fielders and swished in nine free throws in the fourth stanza, including seven in the last 1:44.

Spreacher Davenport grabbed 20 rebounds and scored 12 points. Arnie Stoele nailed 10 points and Joe London basketed down 10 caroms.

In other games, Riverside (published City 58-54, How a 4-1 pulled Red Bank 79-66, McCallie romped Russellville 77-47, Central edged Notre Dame 53-52, Kirkman shaded East Ridge 42-33 and Hoggard nudged Lakeview 54-47.

Davenport, who picked up three fouls in the third quarter, played the last seven minutes of the game with four rebounds. His rebounding enabled Sody-Daisy to control the backboards 58-24.

Kenneth May, scoring 13 first-half points on his leapers from the corner, paced Sody-Daisy's scoring with 18 points. Larry Everett tallied 11, Milo Smith and Mike Astinger 10 each.

Everett captured 17 rebounds for the Panthers in the first half, which was tied six times in the first half.

Both clubs were undefeated going into the match and each had a 7-0 HILL A Division record. Sale Creek had breezed past 15 straight opponents and Sody-Daisy had tripped 14 consecutive foes. The win puts the Trojans in excellent position to capture the HILL A title.

The host Trojans could score only two points in the first 2 1/2 minutes of the first quarter and had fallen behind 48-47, but Sody-Daisy played like a state champion in the last 2 1/2 crucial minutes.

Davenport's short hook shot went 2-26 to go. The Trojans in front 49-48 and Johnson stuffed in four charity losses in a row to make it 53-48 with 36 seconds left.

May's two free throws eight seconds later cut it to 52-50 and it was 55-52 with only 17 seconds showing. At this stage, desperate Sale Creek lost its poise, committing turnovers and Sody-Daisy added five more points to its total.

The Panthers could not penetrate the tough Trojans' zone defense all night, Sale Creek being forced to shoot from outside and from the corners. Sody-Daisy's superior height was a big factor in gaining control of the boards, getting more attempts from the field and drawing more opportunities from the foul line.

The Trojans had one of their poorest nights from the charity stripe in the pressure-packed game, hitting only 14 of 31. Johnson was nine of 13 on free losses.

The Panthers actually made two more shots from the line although they had nine fewer chances. Sale Creek sank 16 of 22 for 73 per cent.

## Sidelights

By WIRT GAMMON JR.

### When Purple Reigned

I remember Central High basketball in the days of Tom Poe, Norman Hitterman and Bernard Eggerston. Eggerston once scored 75 points in a junior high game and that is probably still a record.

A few years later names like David Vaughn, Eddie Teal, Simon Cole and Wayne Standefer grabbed the headlines.

Central had over 2,000 students in those days and the talent poured in from all sections of the city and county to keep the Purple Panthers a consistent power in district, region and state basketball circles.

With the building of Franklin and East Ridge High Schools, the Central enrollment dropped some and with the drop the flow of talent was thinned. But the Panthers were still tough, especially in the last half of the season and the tournaments.

The saying was, "Central starts slowly, but they'll be ready by tournament time."

Now, in its first year in the new school on Highway 58, Central is the throne of the west basketball league. In harmony. Going into Saturday's game with only twice the Panthers had won only twice in 12 games.

GORDON SMITH

I asked Gordon Smith, who has been coaching Central basketball since 1952 and who has had his clubs on top or close to the top of the heap most of the time, what had happened. Why had the bottom dropped out?

"For the last two or three years," he began, "we just haven't gotten the good junior high boys. We've probably worked harder with the boys we have now than any we've ever had, but some of them didn't even play basketball in junior high school."

He pointed out guard Jesse Murphy, center Nathaniel

Hunter and forward Jerry Mackey as three who began their organized basketball in the Central gym.

"The boys on this year's team have worked real hard and put a lot into it. We had to make some unexpected changes just before the season started and that set us back a lot," he added.

Smith said that he did not see hope for much improvement in the next two or three years, pointing out that some of the younger players had ability but there were no big boys coming up.

In its present location Central is almost entirely dependent on J. B. Brown Junior High as its sole source of talent. If J. B. Brown has good athletes, in any sport, Central will have good athletes. When J. B. Brown suffers, Central suffers.

When talking about Central High athletics, one should refer to either Dodds Avenue Central or Highway 58 Central. Dodds Avenue Central had 2,000 students, was centrally located and drew students from all points in the city and county. Highway 58 Central is about 15 miles from downtown Chattanooga, draws its students from the surrounding community and has about 800 students.

There's no comparison.

## Central Downs Raiders, 43-42

Ricky Duncan scored on a layup with 20 seconds left in the game as Central battled from behind to nip Baylor, 43-42, Saturday night at Baylor.

The Raiders had led until early in the final quarter when the game began to reverse.

Nathan Hunter, the only Panther in double figures, scored 21. Ted Shipley scored 21 and Skip Eldridge 15 for Baylor.

Central made 20 of 52 shots from the floor for 39 per cent and four of seven free throws, 57 per cent. Baylor made 16 of 27 fielders, 41 per cent, and 10 of 22 free throws, 45 per cent.

Central is 3-17, Baylor 6-4.

Central's schedule at this time:  
 Home at Morrisville, 4:30 p.m. at 7:30 p.m.  
 Baylor 6:00 p.m. at 8:00 p.m. at 8:00 p.m.

to make an announcement," he said.

Another person close to the situation, Central High principal Hobbs McShane declined to comment on the change. He said, "I feel any announcement should come from Coach Etter, Baylor, or Superintendent Sam McConnell."

Etter, who teaches math and Latin at Central, compiled a fantastic 215-96-15 record after taking over the head coaching job for the Purple Ponderas in 1942.

### Feared Name

He made Central High a feared name in Southern high school football circles, winning mythical state championships in 1946, 1951, 1952, 1953, 1954, 1957, 1962 and 1963.

He had only one unbeaten untied team, the powerful 1962 team which he later said had more excellent football players on it than any other he had.

The team that Etter dominated most completely was arch-rival City High. The soft-spoken redhead never lost to his cross-town foe and the City alumni went through several coaches trying to find one who could break the spell he had over the Maroon.

A list of the top players who wore the dreaded purple of Central reads like an honor roll

Etter, 50, is a graduate of Central and the University of Chattanooga. He is married to the former Miss Helen Cross, Miss Central in 1926.

Etter's two sons, Gene and Bobby, both played football at Central under their father and Gene went on to play football at the University of Tennessee and is still playing professional baseball. Bobby was many games for the University of Georgia as a placekicker and is now the placekicker for the Atlanta Falcons.

Etter began his coaching career at the age of 21 taking jobs at Frothingham Institute at Hendersonville, N. C., and Morgan School at Petersburg, Tenn. After a brief stay at Brainerd Junior High he was made principal of Park Place Elementary.

In 1942 he took an assistant football coaching job at Central. When head coach Doug Peterson went into the armed forces, Etter took over the head coaching job and the Purple Ponderas were on their way.

## Etter to Leave Central; Could Be Baylor Coach

By WIRT GAMMON JR.

After 27 years, 215 victories and eight mythical state championships, Eugene Boonpartie (Red) Etter has submitted his resignation as head coach and athletic director at Central High.

Etter confirmed that he has requested retirement from the county school system by letter which was mailed to the superintendent's office on Thursday.

Dr. Charles Hawkins, Baylor headmaster, refused to confirm or deny that Etter was going to become the next Baylor head coach. "We are not ready

## Look to Future, It Will Be Hard

By HUCK JOHNSON

I had heard it at least a hundred times. "Did you know Red Etter's leaving Central? He's going to Baylor."

Do your job. Check it out even if it does sound ridiculous that a 56-year-old man would even think about starting a new career. You get the same answer, "We're not ready to make an announcement." You say, "Let's don't go through this stuff like the Doug Dickey story again. Red Etter's too big a man for that."

"We're not ready to make an announcement. I hope you understand."

Days and days pass. You're worried again. "Get a tip for you. Red Etter's leaving Central." "I'll believe it when I hear it from The Man," I reply.

The Man finally broke his silence Saturday. "Yes, I have requested retirement," he said, "and my future plans will be announced at the discretion of the other parties."

And with that statement Red Etter began to squeeze the scissors which would sever his ties with Central, ending a football legend.

And there is no joy at Central today. The only joy to be found is at his new assignment. And those folks choose to remain silent. Doug Dickey would love them.

Tremendous loss to Central's less of Coach Boonpartie. The impact won't hit for a while

and when it does, it will be hard to take for many.

The All-American, the Atlanta and lineen of the year, it states you read about; the unsung player who will never know; the run-of-the-mill student he befriended—all beneficiaries of his knowledge and kindness—can tell you the story of Red Etter better than I.

But there's some things about Red Etter that even the most casual observer picks up almost immediately. He's a winner. He's intelligent. He's never relaxed. He seems to be a step ahead of everyone else. He's highly respected. He doesn't smoke, drink or swear. He commands respect and gets it. He's a champion.

And these qualities of his have given hundreds of Central students a father image for 27 years. And, through his giving of himself, his students have been inspired to give of themselves more than they could have imagined and the result was a football dynasty at Central. A dynasty which made Central a feared name throughout the Southland and made the Etter name well-known in coaching circles.

On 296 occasions he has taken his teams into gridiron battle. On 215 of these occasions he returned the victor and only 86 times he suffered defeat. And, along the way, Central was state champion eight times.

You could always spot Etter on the field. He was the man with the clipboard cradled in his arms with one hand

## Atlanta Lauds Manning, Greer

ATLANTA—Of Miss Archie Manning and Georgia's Steve Greer were honored as the SEC's All-American and lineen of the year at the Atlanta Touchdown Club's 21st annual banquet here Saturday.

Weyman Gers of Alabama presented "Every day is new. You look to the future and forget the past. There are always new games to play, new teams, new boys. It's a thrill to watch them develop physically, mentally and in personality from boys into men," he has often said.

And he spoiled his boys if it's a team and helped mold the individuals into men. This is Red Etter.

He would never take credit for winning a game. "The coaches prepare the boys," he once said, "the boys play the game." But he would take credit for losing a game. "I have always felt that when we lost a game by less than a touchdown, we could have won if I had done a little better job of scouting," he once told a coaching clinic audience. This, too, is Red Etter.

In the middle 40s halfbacks Bob McCoy and Ed Nobles, tackle Lamar Wheat, and end George Gilbreath were among the notables.

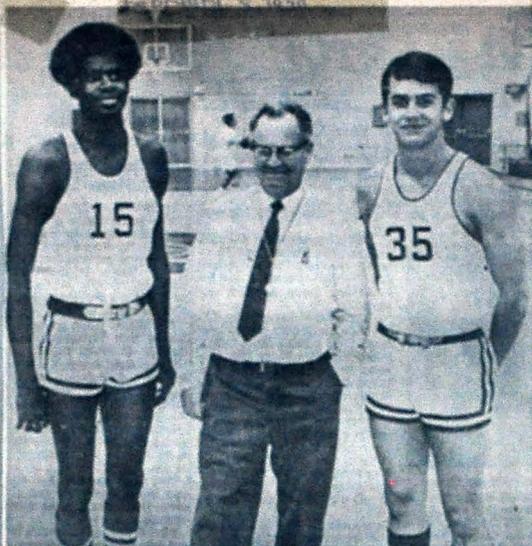

Dobby Hoppe, who lettered four years, was tabbed by Etter as "probably the most sensational player we ever had." Etter recalled a vital game in Nashville against Isaac Linton in which Hoppe gained over 300 yards.

Norman Hoffertman, an end, was a top player around 1900 and Ray Moss a standout center in the late 30s. Mentioned on the talented 1942 team were guard Don Randall, tackle Charlie Green, fullback Glenn Jones and halfback Terry Parks.

Larry Dickey on the 1946 team was called "The Greatest quarterback we probably ever had."

## Central Cagers Practice Hard, Win Four of Past Five Games

By TERRY HARDWICK  
Special Staff Writer

"The worse we were beaten, the harder we practiced," said Central High head basketball coach Gordon Smith in explaining how the Pounders became a competitive team.

Central began its season by getting shellacked 61-29 by Red Bank, 61-36 by Howard and 79-37 by Riverside, then began playing better but nonetheless losing 13 of its first 14 games.

Suddenly, the Pounders began to click, slipping Tynes 40-40, leading over Bayler 43-45, sneaking past Notre Dame 53-52 and edging Bradley County 58-51 before heading 59-41 to Riverside.

"This team has worked hard," lambed Smith, who has more victories than any boys' coach in the area. "To start with we had a sandlot club. Some boys had no experience and others didn't even make the B team last year, but they've come a long way. We've gradually improved over the season and our scores aren't as glaring or frequent as they once were."

Smith, who won his 300th game in 1963, is suffering his second losing season since taking over the reins at Central in 1958. Through '66, Smith's record stood 389-192, a 79 per cent winning percentage.

The Pounders won the district title seven of the first eight years Smith guided Central basketball fortunes.

Despite the over-all mediocre performance of the Pounders, this season-record-wise, Smith said that he's been pleased with the improvement of his '70 club.

"Evaluating their natural ability — they were not polished and had little experience — the effort had to be good to overcome what we were doing wrong," he said. "Our lack of success hasn't been lack of practice, hustle or team

## Wynn Bag

By KEN WYNN

I hereby beg the indulgence of The Chattanooga Times sports paper-reading public, who here let it be known, "We are tired of all this Elter business."

Red Elter is glib, cunning, suspicious, brilliant—frankly one of the best football minds in the country. Jack Archer is big, affable, moon-faced, humorous, serious on occasions, a great student of Elter's football philosophies and the new head coach at Central High.

Elter has made in his image, the Central High Pounders. Under Red, they won, and won, and won, and won. . . Under Archer, they must win, or his neck will be in the of hangman's noose.

Archer has been sitting up nights since he was named as Elter's replacement. He has been drawing plays, watching films, making notes, getting ready for football.

Monday, the day arrived. Spring football practice began at Central High School. He told the squad, "Boys, I only hope you will give me the same respect as you gave Coach Elter. Twenty-six players are graduating off this past team and every position is open.

"We just want you to go out there and show us who you want to play football for Central High. I want you to knock people down and get serious. I don't know as much football as Coach Elter, but I had a good teacher. There will be some changes but nothing drastic. Why change a winning system?

"Let's just get out there, get busy, do our jobs and get ready for Kirkman, our first game next season."

Archer is excited about his new position. It's something he has dreamed of for years. Jack is out to win football games. And, he's not out to do it alone. Jack is open for suggestions from his assistants. That's the thing which has always made Central such a great football organization—an interplay of ideas. Elter had a great mind but don't sell this guy short. Jack does, too.

### Brilliance Rubs Off

Archer will be a lot like Red Elter—it has rubbed off as an assistant coach at Central for 19 years. Before that, Archer played football under Scrappy Moore at UC and Woody Hayes at Ohio State.

Archer was on the Rose Bowl team of 1955 and the tutoring he got from these great football minds has stuck with him.

"Every coach wants his boys to have size and quickness," emphasized Archer. "You can't always have that in high school. I want boys who can get the job done. I want them to have character, be hard-headed, attitude and speed.

"We are going to run the wing-T, I formation, multiple offense, pro set—the same Central series with a few of my own ideas. Of course, my own ideas don't always work," added Jack.

Archer made an example with an incident in a game with Bradley County in 1965. Central was three touchdowns ahead and the Pounders had a play (a pass off a double reverse) it hadn't used all season.

"I told Coach Elter this was the perfect time to use the play, Red disagreed. He said it wouldn't work. But I kept after him and he finally agreed. We ran the play and lost 25 yards. All Red said was, 'I told you it wouldn't work.'"

What is the biggest thing Coach Elter did that you would like to duplicate?

"That's easy," commented Coach Archer. "Halftime adjustment. In the 19 years under Red, he never got excited during halftime. He first talked to the assistants for information and then to the individual linemen. He questioned them about blocking and tackling and made a change.

"Just a simple blocking assignment, a change in the count, a pass on first down and as always it was the difference in the ball game.

"And, his preparation. He usually knew more about the other team than they knew about themselves. And, he always had his team ready for the opponent. They were never down, he wouldn't allow it," continued Archer.

### Punt on Second Down?

There have been serious moments and humorous situations for Archer under Elter. Jack likes to talk about last year's game with East Ridge.

"As you remember, it was just a mud bath. We were leading 6-0 and that's just like kissing your sister. You can't play any and you can't take chances.

## Punt on Second Down?

There have been serious moments and humorous situations for Archer under Etter. Jack likes to talk about last year's game with East Ridge.

"As you remember, it was just a mud bath. We were leading 6-0 and that's just like kissing your sister. You can't play easy and you can't take chances.

"As I remember, we had the ball on our own 35-yard line. We ran a play up the middle for two yards. Coach Etter grabbed Johnny Turner by the arm and told him to go in and kick it.

"I stopped Coach Etter and said--surely we aren't going to kick on second down, Red. He turned and said, Can you give me a play we can gain those eight yards? I told him to kick it."

This spring Jack Archer and his staff will put together a new team, a new image.

"We are going to change our offense and defense in every game just like we did under Coach Etter," emphasized Coach Archer. "All it takes is a new wrinkle, a new look, a new play and you fool the opposition.

"I want to win all my games, but I'm not fooling myself. We'll lose some. I just hope we never get humiliated."

Archer already has the players at Central believing in him. One said, "I would run through a brick wall for him."

Central fans are going to see something new next season. They are going to see some plays Etter never run before. Archer designed them. Back there some place, however, seeing everything, is Red Etter.

Tomorrow: What makes Jack Archer tick.

# Lila Believes Jack's Pounders Will Win

By KEN WYNN

Every coach or athlete has some driving force, some goal, some ideal — Jack Archer has Lila.

Win?

Lila, his wife, a 34-year-old, brown-eyed ball of enthusiasm with smiling but Central spirit. If you are glad Jack is the new coach at Central High School, thank Lila.

Jack had plenty of offers at other schools in Tennessee and in Ohio in past years but Lila talked him out of them. She wanted him to stay in Chattanooga at Central.

"I have loved Central High since Jack's first day at the school," commented Lila. "I have never missed a football game and few of Jack's baseball or wrestling matches. Once you become a Central fan, you will always be one."

When Jack was offered the job to replace E. B. (Bud) Elter as head football coach, he had to talk to Lila first.

"This was his chance. But his happiness of being chosen as successor was overshadowed with Bud's decision to leave. He is worried. He always thought he could succeed as a head coach and now he has the chance to prove it."

"I may be prejudiced but I don't think he has anything to worry about. He produced winners in baseball and wrestling. He will in football, too," emphasized Lila.

## Where Did It Begin?

Lila fell for Jack Archer when he was a star athlete at Fairmont High School in Dayton, Ohio, and she was a cheerleader at cross-town rival Miami High.

"We have argued about it for years but I'll have to admit, Fairmont had the best team. But, Jack had a lot to do with it."

"We met in high school and were good friends but never really dated. We really started going together after he played in the Rose Bowl with Ohio State in 1965. We were married in 1966 and I have never regretted it," emphasized Lila.

After Ohio State, Jack came down to the University of Chattanooga and the next few years were awful hard for Lila and her football playing husband. Lila worked for a law firm and Jack did all kinds of odd jobs to pick

up extra money. He drove an ambulance, cut weeds in fields, unloaded box cars, hauled freight, loaded furniture and retrieved ball games.

## Woody Fired Him

"I don't remember why Jack left Ohio State to come to UC," commented former head coach and now athletic director A. C. Scroggys Moore. "I guess Woody Hayes fired him."

Coach Moore heaped praise on Jack as being one of

UC's finer ball players. "He never had a bad game. He was consistent and a real fine runner. He had to be powerful to do all we called on him for at halfback and defensive back. One thing, he never complained."

After graduation from UC, Jack became an assistant coach at Central High School and the Purple Pounders have been at his life every since.

"I think what drew Jack and I together was my love for sports," reminisced Lila. "My father was a big sportsman and I loved going to all games with him and meeting scores of ball players and coaches. I played basketball and volleyball and later became a cheerleader at school. Sports was then and has always been a big part of my life."

## Sporting Family

And, if you want to find the most sport-minded family in town, visit 134 Park Drive in Fort Oglethorpe.

Jack Archer's family has been a part since 1966. There's little J (12), Laurie (9) and Michele (2).

Little J will be going to J. B. Brown Junior High next year and then on to Central. But he won't be alone. Most all the boys on the block say they are going to Central and all the boys who played on Jack's DVB baseball teams in the summer say they are going to play under Coach Archer in high school.

"We have always got plenty of kids, cars and others, around. We have always got something going on. There's nothing dull about our life and we all take part in the games. It's just a big family, community affair and we all love it."

When Jack is home, the family tries to do things together but Lila and Cochr try to talk.

"He gets upset when Central loses but that is not too often. He gets excited when they win. But he is a winner. He plays everything to win, whether it be cards, ping pong or football. He teaches this to the youngsters. They love him for it and they respect him. They know when he speaks, he means business. He's a great husband, a great father and mark my word — a great coach," concluded Lila.

Lila! A great Central fan. A lady who prepares Jack Archer's favorite dishes, spaghetti and homemade pizza. A woman who loves sports and loves Jack Archer. She's a one of a kind. She makes Jack tick.

TROPHIES GALORE—Eleven Central High gridblers received awards at the school's banquet last night. 42 players were presented letters and next year's captains were elected. From left, kneeling, are Henry Radford, All-City; T. L. ## DYNAMOS TOPPLE POUNDERS BY 7-2

Jerry Gill collected three hits and drove in four runs and Freddy Hilliard drove in a pair with a triple and home run Thursday night to direct the City High Dynamos to a 7-2 victory over Central's Pounders at Darwin Field.

Gill had a single, double and triple in his plate appearances. His two-out three-bagger in the sixth gave City three of its runs. Hilliard tripled in David Carlton in the first and blasted his solo homer in the fifth inning.

T. L. Young's single drove in both Central runs in the sixth frame. Tommy Hyler walked and Rick Duncan singled before riding home on Young's hit. In City's half of the sixth and two outs, Bob Corker singled, Carlton reached on an infield hit and Hilliard was hit by a pitch to load the bases. Gill quickly pushed all three home with a long blast to left centerfield.

Hilliard scored three times in the game while Carlton and Corker tallied twice.

Getting the mound victory for City was Bobby Leffler, 9-1, as he struck out nine and walked two. He fanned three batters in the sixth to get out of a slight jam.

# Central Mat Tourney Starts Friday Night

## Ten Teams Slated for Event, Finals Are Set for Saturday

By CONNER GILBERT

Staff-Press Press Sports Writer

The first annual Central Invitational Wrestling Tournament will get under way at the new Central High School gymnasium Friday night at 7 p.m. with several local teams and three out-of-town teams slated to participate in the event.

John Farr, Central wrestling coach, is serving as tournament director, and said that the drawing will be held after weigh-ins Friday afternoon.

Teams entered in the tournament are Tyner, Notre Dame, East Ridge, City, Brainerd, Red Bank and Central from Chattanooga and Father Ryan and Glenciff of Nashville and Butler High of Huntsville, Ala.

Preliminaries will start at 7 p.m. Friday. The semifinals will start at 1 p.m. Saturday with the consolation preliminaries set for 2:30 with the consolation and championship finals slated to start at 7:30 that night.

Awards will be presented to the first four individual places and team trophies will be given the first three teams. Also a best-wrestler award will be presented.

Admission will be 50 cents and \$1 for Friday night and Saturday afternoon sessions, \$1 and \$1.50 for the finals Saturday night.

# Madison, Chattanooga Central in Civic Bowl Here Saturday

(Starts on Page 1-A)  
 bowl game to help raise funds for a new gymnasium center.

**Special Ball Shows**  
 Madison's band is directed by W. T. Coward, and Central's is directed by Bobby Duggan.

Clear, warmer weather is forecast for tomorrow and a good crowd is expected, according to James H. McKenzie, bowl chairman. He said good reserved seats still are available in Section "A" on the "home" side of the stadium. Reserved seats are \$2.50 each and are available at McClure's and Weddington's. General admission will be \$1.50.

**Wife of a Game**  
 "We have two exceptionally good football teams representing two areas of the state," Mr. McKenzie said. "The weather is going to be good, the weathermen says, and all we will need for a good bowl is a good crowd. Football fans will not be disappointed in these teams. Both are noted for stonewall defenses and crushing offenses. It will be a whale of a ball game."

Teams and school officials will be guests of the council at a banquet following the game in the Tullahoma High School cafeteria. Trophies will be presented both to teams and to players selected as most outstanding back and most outstanding lineman.

The two outstanding players will be selected by sports writers and radio announcers attending the game, which will be broadcast by WJHG in Tullahoma, WENN in Nashville and WDDH in Chattanooga. The game will be taped by WMCW-TV, Channel 17, Nashville, for televising at 4 p. m. Sunday.

The two teams are scheduled to arrive at 2 p. m. Saturday. Madison's home will wear orange and white, and Central's Pounders will wear purple and gold.

**Repeat Appearance**  
 It will be Central's second appearance in the Civic Bowl. The Pounders edged Franklin County's Rebels 13-6 in the post-season game two years ago.

Coach E. B. (Red) Eiler says this year's team ranks with some of the best he has had at Central. Three of his players are on Chattanooga's All-City team, two were placed on the second glitter squad, and five received honorable mention.

All-City players are Henry Radtke, a versatile center who has scored 56 points; Bobby Downs, a senior, who repeated as center on the all-star squad, and Alan Houck, a senior guard. Houck and Downs are linebackers on defense.

Mike Cagle, a back, and John McHarge, an end, were placed on the All-City second team. Honorable mention was given quarterback Randy Goins, guard Jim Tarver and backs Johnny Turner and Jim Hunt.

Madison, coached by Cliff Goodman, finished second in the Eastern AAA Division of the Nashville Interscholastic

Rain on the second all-star team. Honorable mention went to William Jenkins, Tommy Davis and Mike Roehle. Gates at Wilkins Stadium will open at 1:30 p. m. and will be manned by Jayceen, Civitans and members of Tullahoma Swim Club. Paul Grimes and Bill Tippi are co-chairmen for ticket sales. Committee members are Milner Carden, Ken Uastion, Sam Uastion, Fay Stamp and Earl Williams.

Programs will be sold by Jayceen, Civitans and Swim Club members. Harry Nisbett is chairman of the program committee. He was assisted by Charles Leggett and Earl Land.

Members of the Lions Club are in charge of concessions. The American Legion will usher. The Chamber of Commerce has assisted with correspondence and

will provide game trophies. Richard Brown, city recreation director; Creed McClure, principal of Tullahoma High School; and Bobby Merton, head THS football coach, are in charge of facilities. The flag will be raised by members of the THS Key Club.

Teams for the bowl were selected by Mr. McKenzie, Mr. Grimes, Jimmy Murray, Joe Majors and Bill Pack.

## Dynamo Prevail, 9-5; Lions Rip Hawks, 11-6 Soddy-Daisy Sale Creek, Howard, Central, Ooltewah Post Victories

A lesser team than City and a lesser player than Fred Hilliard may have given up after a missed sign cost the Dynamo a chance to score with the bases loaded and none out.

That's what happened to City in the fifth inning with red-faced Hilliard being rudely tagged out of the plate when a teammate missed a squeeze bunt sign, but when Hilliard came up in the sixth with the bases loaded and City trailing 5-4, he delivered which two-run single and the Dynamo were off to the races.

City defeated Brainerd 9-5 at Engel Stadium last night to complete its season by clinching at least a tie for the Hill AA Division baseball title.

It's out of the trying pan into the fire for Brainerd which has a double-leader against Kirkman this afternoon and Red Bank tonight. Because of the racial tie at Brainerd, the Rebels have had to play the bulk of their AA schedule at the end of the season. This means that the Rebels couldn't change pitchers last night because of the double-leader tie.

The Hill AA Division race is a tight one with City finishing up 4-1, Red Bank currently 3-1 and Brainerd 4-1. Red Bank could tie for the title by beating Brainerd tonight or Brainerd could grab a share of the division by winning both of his games.

Red Bank exploded for 38 runs in the first inning Thursday to quickly settle the issue with Kirkman which went into the game with a 4-1 chart. The Hawks battled back before bowing 11-6.

In other games Thursday, Howard squeezed past Riverside 6-5, Sale Creek topped Hixson 2-1, Soddy-Daisy outscored East Ridge 11-6, Central shaded Notre Dame 2-5 and Ooltewah turned back Birchwood 9-2.

East Ridge with teammate Gary Kiefer doubling and singling twice.

Central tripped Notre Dame in the bottom of the seventh on Bobby Rogers' single. Rogers also had a double. Frank Hepler's double tied the game. Notre Dame is the top of the seventh. T. L. Young had two hits for the Pounders. Four Irish batters walked in the sixth.

Gary Hill, Stan Whinner and Curtis Atkins each collected three hits as Ooltewah squared its record at 5-7. Tommy Morrow had two hits for Birchwood.

Kenneth Strickland and Garrius Martin each had a pair of safeties and A. L. Nance was tough in the clutch in Howard's narrow win over Riverside. Edvard Strickland socked two hits for the Trojans.

## Central Shades Riverside, 4-3

The Central Purple Pounders, trailing 3-2 at the end of the fifth inning, pushed across two runs in the bottom of the sixth to defeat the Riverside Trojans 4-3 and chalk up their first pep baseball victory of the season in a game played Wednesday afternoon at Warner Park.

Central did not get a hit in scoring the tying and winning runs in the sixth. Four straight walks and a hit batsman accounted for the two runs.

Steve Long and Mike Wiley combined for a three-hit effort for the Pounders while Rick Duncan collected two singles to lead the hitting.

# Madison, Chattanooga in Civic Bowl Here

Chattanooga Central's Pounders and Madison's Rams will lock horns in the fifth annual Tullahoma Civic Bowl football game tomorrow night at Wilkins Stadium.

Both teams have 5-2 season records and are sprinkled with all-stars from the Hamilton County and Nashville interscholastic leagues. Experts give the Pounders a slight edge and predict a low-scoring defensive battle. Game time is 8:10 p. m.

The bowl program will open at 6 p. m. with a game between the Falcons and the Yellow Jackets, the two top Tullahoma teams in the Pop Warner Football League.

A ceremony featuring the combined hands of Chattanooga Central and Madison will start at 7:45 p. m. Presentation of homecoming queens—Janie Arnold of Central and Kay Sanford of Madison—will highlight the pre-game ceremony.

Mayor Jack T. Farrar will welcome visitors. Flowers will be presented the homecoming queens by Paul Grimes, chairman of Tullahoma Civic and Service Council, sponsor of the bowl.

## Brainerd Victor On Stansell Rap

Ken Stansell unloaded a grand-slam home run in the bottom of the seventh inning to power Brainerd over Central 7-6 in an Hill AA baseball game at Brainerd Thursday.

The Rebels had taken a 2-3 lead in the third inning on a two-run homer by Jim Elliott. The Pounders jumped back out front with two in the fourth on Bobby Few's home run with a man on, setting the stage for Stansell's blast.

Davis May fanned 13 in gaining the victory for Brainerd, which is now 4-1 for the year.

## Central Needs a Coach

After compiling one of the greatest win-and-loss records of any high school in the nation under only two head coaches for 38 seasons, Central High School finds itself in the ironic position of "seeking" a coach to replace Jack Archer who has resigned in favor of a similar position at Lakewood.

At least two well-qualified coaches at other schools have expressed interest in the Central post but neither has seen fit to follow through, according to those observers.

Meanwhile, Stanley (Blomer) Farmer, the athletic director, frets. He feels the school at 334 Harrison has much to offer any qualified coach but fears many who ordinarily would be interested are holding back because of the recent chain of events that cost E. R. (Red) Etter to Baylor and Archer to Lakewood.

Actually, the decision to leave Central were personal ones for both Etter and Archer but those close to the situation feel that applicants may read things into the picture that simply aren't there.

Farmer, of course, would appear to be the logical choice as head coach but that's the sticking point, as he puts it, are numbered and he is primarily interested now in seeing Central land a qualified coach who will help get the new program off to a solid start.

Central, of course, is not going to have the stranglehold on top-notch area junior high athletes that it once had. But

tradition and alumni backing are there and there is little reason to view the competitive future of the school with apprehension.

For years, Central coaches have enjoyed the support of a united alumni association. Now, the school also has a booster club. Together, these two organizations defied odds and raised quickly \$40,000 toward an on-campus football field. This

will be let alone and the Purple Founders, after years of being something of a "road" team, will have a home schedule of their own next fall.

But, right now, the Purple Founders need a head coach. And just think for years Dean Peterson and Red Etter were considered as having the very best coaching jobs in school-boy athletics.

Some bright, ambitious, determined young coach is missing a lot. For that matter, Farmer probably would be delighted to see a mature, seasoned coach walk into his office and hand him a letter of application. That is the man, we understand, who is saddled with the task of finding a new coach—and, as far, he hasn't stopped on any business or minimum age restrictions.

## TYNER SAILS; OOLTEWAH '9' TOPS CENTRAL

Rossville Upends Baylor; Riverside Blanks Birchwood

By TERRY HARBWICK  
News-Free Press Sports Writer

East Ridge broke City's seven-game winning streak, Ooltewah beat Central with a last-inning thrust, Red Bank nipped Soddy-Daisy, Tyner measured Kirkman, Rossville scrambled past Baylor and Riverside skunked Birchwood in local high school baseball games Tuesday.

Soddy-Daisy and Baylor will each be out to get back on the winning side of the ledger at 4:15 today. The Raiders entertain the Trojans in the only local prep tilt scheduled.

In Tuesday's games, it was East Ridge 4, City 2; Red Bank 1, Soddy-Daisy 0; Ooltewah 5, Central 4; Tyner 5, Kirkman 1; Rossville 8, Baylor 5 and Riverside 4, Birchwood 0. The plaques awarded to the plaques in the third inning for East Ridge as the Pioneers used four hits, a walk and three City errors to rack up six runs at Engel Stadium last night.

Tom Enly, who scattered five Dynamo satellites, had a best single and double to the East Ridge uprising. Tom Harrison stroked a two-run double and Ronnie Peck added a single in the frame.

Jerry Gill produced both City runs with a single in the sixth. David Carlow faced two singles for the Dynamos.

Joe Swafford was the main chapter in the Red Bank story at Red Bank Junior High's diamond last night.

Swafford surrendered only two hits and drove home the game's only run with a sharp single to left field in the sec-

ond, snipped a 3-1 tie with two runs in the fourth and added two for insurance in the seventh.

Pete Summers, Randy Deck, David Jones and Bill Chester each rapped two hits for Rossville as the Bulldogs scored four runs in the second inning and three in the fourth in bomb-bombing Baylor pitching for 12 hits.

Summers gave up five hits, including two to Richard Dudley. Summers found himself behind 3-0 in the first, but Rossville's bats weren't to be silenced for long.

Samuel Wynn allowed only a first-inning single in hurling a one-hitter as Riverside 4-0 breezed 6-4. Wynn struck out eight batters and walked two.

Riverside's seven-hit attack was led by Ernest Coleman's triple and single, Lonnie Stewart's triple and James Logan's double.

## Central

By SANDY DOANE

With the approach of the Christmas season, the word at Central is action. The idea that there is only one week left of school in the year 1963 is making both students and teachers enthusiastic.

On Dec. 4 the Y-Teens selected their Ideal Boys. Chosen as the first Y-Teen Ideal Boys were Mike Haddock and Jack Moore.

During the course of the year that these two boys reign the Y-Teens will do things like carrying their books, opening doors, and carrying their lunch trays for them. Mike and Jack will

be treated like kings for the rest of the year.

Members of Central's 1963 Christmas Prom Court have been announced. Candidates for Christmas Prom Queen are Patti Dukas, Tricia Pyle, Julia Massey, Debi Breen and Susan Spears. Candidates for King are Steve Meyer, Jack Moore, Jim Barclay, Randy Finnell and Mike Haddock.

The Central Christmas Prom will be held Dec. 19 in the Commons at the school from 8 o'clock till 11:30 p.m. The attire for the dance will be semi-formal and it is suggested that the boys buy favors for their dates. Tickets will be sold at \$3 a couple. No one is allowed to come without a date.

If you intend to bring a date from another school or one that's out of school you must pick up your date forms from Debi Breen.

Pictures will be made at the dance. If you wish to have pictures made, contact Ann Smith. Pictures will cost \$4.

The Key Club has chosen 12 senior Calendar Girls and three

sweethearts, one from class, to dress up their calendar.

Key Club Sweethearts senior, Jayne Arnold; Jo Karen Askew, and sophomore Ann Legg. Calendar girls: their respective months: Roswell Owens, January; Price, February; Patti D March; Kerry Upton, April; Susan Spears, May; F. Burns, June; Debi Breen, Ann Smith, August; Vicki ris, September; Linda March, October; Karen Mo November; and Jan Temp December. Calendars will sale before Christmas and will cost \$1.

## Betty Crocker Awards Made in Area Schools

Winners in area high schools grant. Additionally, first-place in the 1959 Betty Crocker home-owners from the 31 states for the American Homeowner of the District of Columbia — Tennessee have been announced. Selected on the basis of their record in their respective areas in a District of Columbia — Tennessee home-making knowledge and attitude examination for which a record 408,841 senior girls in 11,949 of the nation's high schools were entered, the young women are now eligible for state and national honors. Each will also receive a specially designed silver charm from General Mills, sponsor of the annual educational program.

Test papers of all school winners in the state are currently undergoing additional judging, and a State Homeowner of Tomorrow will be named in March. She will be awarded a \$1,500 college scholarship, with the second-ranking girl in the state receiving a \$500 educational

scholarship. The Betty Crocker Search is the only national scholarship program exclusively for high school senior girls. The test, which forms the basis for selection of winners is prepared and scored by Science Research Associates, Chicago educational testing organization which is responsible for all judging. Schools of state winners are awarded sets of Encyclopaedia Britannica by Encyclopaedia Britannica Inc.

Homeowners of Tomorrow for area schools are:

David Oglesby, winner of a \$1,000 scholarship, will receive an educational tour of Washington, D.C., and Colonial Williamsburg, Va., this spring. Sally Breedlove, winner of a \$1,000 scholarship, will receive an educational tour of Washington, D.C., and Colonial Williamsburg, Va., this spring. Myron Casada, winner of a \$1,000 scholarship, will receive an educational tour of Washington, D.C., and Colonial Williamsburg, Va., this spring. Charles Campbell, winner of a \$1,000 scholarship, will receive an educational tour of Washington, D.C., and Colonial Williamsburg, Va., this spring. Edwin Rogers, winner of a \$1,000 scholarship, will receive an educational tour of Washington, D.C., and Colonial Williamsburg, Va., this spring. Janie Matthews, winner of a \$1,000 scholarship, will receive an educational tour of Washington, D.C., and Colonial Williamsburg, Va., this spring. Linda Gregory, winner of a \$1,000 scholarship, will receive an educational tour of Washington, D.C., and Colonial Williamsburg, Va., this spring.

## Eight Students of Area Schools Win National Merit Scholarships

By CHARLES PENNINGTON

Seven Chattanooga area students and a McCallie School boarding student have been named to receive National Merit Scholarships.

They are Linda L. Gregory of 3212 Midwood Dr., a student at Christ Preparatory School; David A. Oglesby of 4865 Sheridan Dr., student at Park Ridge High School; Edwin S. Rogers of 797 Woodvale Ave., student at Brainerd High School; William E. Moore, Harrison Lane, Rt. 2, student at Saddy-Daisy High School; Myron L. Casada of Harrison and a student at Central High School; Janie C. Matthews of 3556 Northshore Dr., student at Central High School; and Linda Gregory, a student at Central High School.

Miss Gregory, who will go to Vanderbilt University and major in French, won the National Merit \$1,000 Scholarship, which is a nonrenewable, one-time, unrestricted award.

Charles H. Campbell of Sandersville, Ga., is the McCallie boarding student who won the Emory University Merit Scholarship and will, of course, attend Emory.

Miss Gregory, who will go to Vanderbilt University and major in French, won the National Merit \$1,000 Scholarship, which is a nonrenewable, one-time, unrestricted award. She is the only student from Chattanooga to win a National Merit Scholarship. She is also a member of the National Honor Society at GPS, holder of the Grace McCallie Scholarship, chairman of the Senior Literary Society, National Thespian Society, secretary-treasurer of the Glee Club, winner of the math award and the English award. She also works as a volunteer at Stakis Rehabilitation Center.

BIBLE AWARD TO FRANK CARPENTER—Frank Carpenter, Central High School sophomore, accepts a Bible as his award for serious work in Bible study and Christian character from Mrs. Mary L. Moore as Miss Margaret Winstlett, Bible teacher, looks on. The presentation was made at Central's annual Bible Day, marked by an address by the Rev. Ferman L. (Rocky) Young, chaplain of the McCallie School. —(Staff photo by George Moody.)

CENTRAL DENIED USE OF UC FIELD

From Page One

The field in top condition for the university's opening game.

The UC directive, if applied throughout the season, would leave Central in a bind, with a new high school under construction at Harrison and seven home games scheduled.

Formal Request

Gross said the board has asked Sam McConnell to make a formal request to UC president Dr. William Masterman to permit the high school to play on the field.

Neither Coach A. C. (Scrappy) Moore, UC athletic director, nor UC coach Harold Wilkes could be reached for comment Friday.

Etter has written the school board, explaining the situation and asking the county to assist in a crash program to provide partial facilities at the Harrison campus.

Site preparation for a stadium was included in the original plans at Harrison, but construction of the field is still in the future. Central has asked for concrete slab seats to be built into the bleachers on one side of the field and three rows of lights, all at a cost of some \$35,000.

Used for 20 Years

Central has used Chamberlain Field for the past 20 years, paying at the beginning about \$75 per game. When the university built the Vine Street side of the field, the charge was increased to 15 per cent of the gross receipts, or a minimum of \$200, Etter said.

In the past 20 years, "Central has easily paid over \$50,000 to the university," he said, and "they get all the concessions."

In financing a new site for its football battles, Central requested the board above \$0-50 in the works in the new field, which would mean the county would contribute about \$17,000.

The pressing needs for classrooms and building improvements at other county schools may prove to be obstacles to this plan, however.

The board voted to "make a special effort to secure the field at UC — especially since we have been doing business with them for 20 years," Dr. McConnell said.

CENTRAL DENIED USE OF UC FIELD

Central High School has been denied use of Chamberlain Field at the University of Tennessee at Chattanooga this fall but may be able to use the field after UTC plays its first game.

The ban was discussed at the executive session of the Hamilton County Board of Education Thursday night.

Central has been told by Robert Fensit, UTC comptroller, that the university isn't "going to let any school play there," Coach E. B. (Red) Etter said Friday.

School board chairman Wylie Gross said however that UC requested that Central not use its field at least until after the university had played its first game, set for Sept. 27 against Wofford University.

Three Games

By this date Central will have played three games.

"This implies, at least to my way of thinking, that the high school may be allowed to use the field after UC's first game," Gross said.

Hobart Millsaps, principal at Central, said the high school had not used the field last year but had played wherever it could find an empty stadium.

He said UC did not want Central High to use the field until after the university had because UC wanted to keep the grass on

The weather does not seem to be on the side of Central. After rain-soaked Homecoming activities, snow provided an icy setting for the ceremony honoring the first Mr. and Miss Spirit. Overcoming the odds of the ice storm, however, Junior Bonnie Wingate and senior Mike Robinson were chosen by the cheerleaders as the two who best exhibited the Central spirit. They were presented a purple and gold spirit stick and a free pass to all home basketball games.

This was not the only first last week. Red-painted noses pushing pennies through the halls and blushing boys proposing marriage to their teachers highlighted a series of initiations for new Key Club members. Other students had been going through what seemed like an initiation until last Friday when lockers were distributed. The Labor Staff has selected five officers to assist chairman Brenda Sewell and vice chairman Judy Womack: Linda Ault, secretary; Amanda Rhodes, treasurer; James Busck and Carolyn Chaney, co-chairmen; and Barbara DeMa, social chairman.

Three members of the Pounding grid squad were named to the Chattanooga Times' All-City Team: Captain Bobby Deven, center; Alan Houta, guard, and Henry Radford, back.

On Nov. 9 Central held the dedication of its new building on Highway 28. Many distinguished guests were present.

One such was the founder of the National Bellamy Flag Award, Dr. Margarette E. Miller. Central was the recipient of this award in 1962. Dr. Miller presented the first Bellamy Flag Emblem ever given to Jimmy Stratton, Jimmy's a senior at

Central and was a delegate to the Bellamy Flag Award ceremony in Holyoke, Mass. in October.

Another student recognized was Cadet Col. Jim Barclay. He was given the Army's Legion of Honor Cross by Charles H. Corbridge, a holder of the Medal of Honor. Only three of these awards are given in the district annually.

At the annual Alumni Association banquet Nov. 13, a joint project with the PTA was dis-

ussed. The sale of Christmas trees is the project. The trees are Norwegian white pine and Scotch pine and will sell at the price of from \$5 to \$9.

Senior class officers Jim Barclay, Debi Breen, Patti Dukes, Alan Houts, and T. L. Young were also present. Benjamen Housnell Owens provided entertainment with his renditions of "By the Time I Get to Phoenix" and "Gentle on My Mind."

Last Friday Spirit Sticks were presented to a boy and a girl

chosen by the cheerleaders as the two students displaying the most school spirit. The students chosen as the 1963 Mr. and Miss Spirit were Ronnie Wingo and Mike Baskette.

### 31 STUDENTS IN YOUTH SHOW Symphony, Chorus Concert in Knoxville

Thirty-one high school students from Chattanooga will be among 300 young musicians from Tennessee, Kentucky and Indiana participating in a regional symphony and chorus concert in Knoxville on Dec. 2.

The regional concert is part of a nationwide series of similar concerts produced by American Youth Performs and sponsored by American Airlines.

Knoxville's concert will be held at 8 p.m. in the James White Memorial Auditorium and conducted by the renowned conductor Carmen Dragon.

Mr. Dragon and the young musicians representing 26 high schools in the three-state area will be joined by two professional guest artists—soprano Joyce Mathis and trumpet soloist Emerson Head.

American Youth Performs, now in its fifth year, is a non-profit organization dedicated to providing practical experience for young artists under professional direction, and to provide the young artists a measure of recognition and encouragement toward further achievement.

her talent, a baton and dancing routine, on Thursday night.

She was the 1948 homecoming queen at Central and the Key Club Sweetheart, chaplain of the National Honor Society and treasurer of the student council.

Planning to enter UTC this fall, Janie wants a career in elementary education. "I enjoy being around children and would enjoy knowing that I had helped in their learning," she, the hazel-eyed Junior Miss said.

She is a member of Oakwood Baptist Church and secretary of the Sunday School. She is also in the youth choir and Good News Singers.

Demonstrating her talent with physical fitness was Knoxville's Junior Miss, Deborah Gehron. She performed a difficult gymnastic's dance which won her the judges' votes. She is the daughter of Mr. and Mrs. Harold Gehron of 1721 Rugby Ave., Knoxville, and a senior at South High School.

Besides being a gymnastic enthusiast, Deborah also loves to

ing their own, brown-eyed good said. She plans to enter UT this fall.

Her artistic honors include having several paintings on display in Knoxville galleries and one permanently placed in the Board of Education Building.

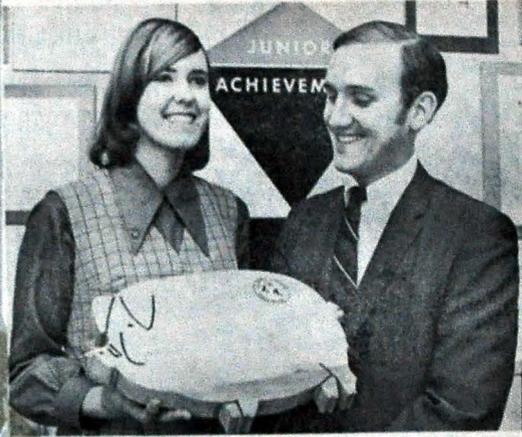

Winning the poise and appearance and youth fitness awards Thursday night and the Scholastic Achievement Award last night was Blount County's Junior Miss, Virginia Hutchens.

She is a student at Ever High School in Maryville, where she is in the National Honor Society, member of the French and Drama clubs and a majorette.

Singing "I'm Just a Girl Who Can't Say No," was Virginia's talent presentation in the pageant last night.

The Junior Misses have a bus practice at 9 a.m. and have an informal luncheon at Shoney's at 11:45. They will arrive at the theater at 7 p.m. to prepare for the pageant which will be held at 8 p.m. in the Tivoli.

# 'Porky Board' Salable JA Product

MISS SMITH AND SCOTT WITH "PORKY BOARD"

"Porky Board," a unique cutting board manufactured by GILCO, has been named by the second most "salable" Junior Achievement product in the southeastern United States, Gerald D. Scott, executive director of JA of Chattanooga, announced Friday.

The cutting board, produced from laminated beechwood, is in the shape of a pig and has an "Inspected and Passed by JA" stamp similar to the U.S. Department of Agriculture stamp found on

meat products.

GILCO president Janet Smith said the board sells for \$2.50 and may be purchased by contacting the Junior Achievement office. Janet is a junior at Rossville High School.

The "Porky Board" was selected by the Sales and Marketing Executives of Nashville in competition with other outstanding products from the 367 JA companies operating in six southeastern states.

GILCO is cosmeled by Gilman Paint and Varnish Co. Adult advisers for the firm

are Robert Berg, Larry Gaddis, Ed Kaylor and Charles Wright.

Other offices of the mini-corporation are Joey Beckett, Notre Dame High, sales vice president; William Johnson, Kirkman High, manufacturing vice president; Debra Bennett, Central High, corporate secretary; Charlie Neff, Brainerd High, treasurer; Wayne Williams, Rossville High, personnel director; Bill Russell, Chattanooga High, safety director; Mike Sibley, Central, purchasing manager.

Mrs. Gary Lee Houts (Formerly Miss Brenda Kay Sewell)

## The Houts, Sewell Marriage

The marriage of Miss Brenda Kay Sewell and Gary Lee Houts was solemnized on Saturday, Feb. 28, at 4 o'clock in the afternoon at the Lookout Valley Baptist Church. The Rev. Bill Steele officiated at the ceremony and a program of nuptial music was presented by Alastair Houts, organist.

The bride is the daughter of Mr. and Mrs. Johnny F. Sewell and the bridegroom is the son of Mr. and Mrs. Grady L. Houts.

Mr. Sewell gave his daughter in marriage. They were a long gown of organza over organ de sole trimmed with pearls and dangle lace with a fitted bodice with a natural waistline, long sleeves tapering to a calls point over the wrists, a sabrina neckline edged in lace and an A-line front skirt falling into full back terminating in a demi-cathedral train. Her bouffant veil of silk illusion was held by a lace halo and she carried a bouquet of white pompons centered with a white orchid.

Miss Janice Sewell, sister of the bride, served as maid of honor. The bridesmaids were Misses Debbie Barnes and Judy Harness. They wore long gowns with strawberry brocade bodices with a scoop neckline, short sleeves and fitted Empire waist and skirt of pale pink with a back panel of brocade. They wore pink crown headpieces with matching veils and carried deep pink long-stemmed roses. Regina Sanders served as flower girl and wore a long gown of pale pink crepe with strawberry brocade trim and matching train.

Brendy Houts attended his brother as best man. The groomsmen were James Sewell and David Broom.

For her daughter's wedding, Mrs. Sewell chose a mint green jacket dress with matching ac-

cessories and wore a white orchid corsage. Mrs. Houts, mother of the bridegroom, chose a light blue dress with matching accessories and wore a white orchid corsage. Following the ceremony, a reception was held at the church. Miss Glynnda Sanders kept the bride's book. Assisting with serving were Misses Kerry Upton, Sandy Gist, Elaine Schrimpsfer, Charlotte Price and Anite Hall. Mr. and Mrs. Houts will reside in Albany, Ga.

## J. Pope Dyer

Gayle Young Features

Central High Teacher

To the Chattanooga News-Free Press.

I am writing this letter to thank a man who does so much for his friends, students, and Central High School, Mr. J. Pope Dyer.

I have known Mr. Dyer since I was a seventh-grader at Central High School, but I have become more closely related to him in my senior year.

He always speaks and greets his students in the class or in the halls with a friendly smile and enjoys complimenting and commending anyone who has received special recognition.

Recently he asked several students to be his guests at a citizenship banquet where he had one of his outstanding students as a speaker, Mr. Gary Gober.

He is a fine Christian man and takes much pride and concern for his students. He often writes encouraging columns in the paper for the youth and people of our country.

Mr. Dyer, I would like to say a thousand thanks for all the "words of wisdom" you have given me and for everything you have done for Centralites. If more people would take the cheerful attitude that you have about life and exhibited your fine characteristics, I believe the world would be a better place in which to live.

Mrs. Caudle gets the attention of, from left, Millsaps, Central principal, and Floyd Delaney, who is trustee of Evans Foundation.

Mrs. Louise H. Caudle, a teacher in the business education department at Central High School, has been named winner of the \$600 award of the Evans Foundation.

The award, created by the late Mrs. Nell Evans Johnson to honor people who have shown exceptional competence as educators, is presented each year to a faculty member at each of the city high schools and Central High school. The city school awards were made during graduation week.

Established in 1961, the award goes to a teacher elect-

ed by fellow faculty members through secret ballot. To be eligible the teacher must have held his or her position for three years. No one in an administrative capacity is eligible for the award and a teacher may not receive it more than once in a five-year period.

Mrs. Caudle, wife of Hardie E. Caudle, has been on the Central faculty since 1963. She began her teaching career in 1939 at Hixson High School, where she started the school's first business courses.

A graduate of Chattanooga High school and McKenzie Business School, she received a degree in business admin-

istration from the University of Chattanooga.

At Central she is secretary of the National Honor Society Council, sponsor of the school publicity staff, and a member of the compilation committee in addition to teaching duties.

Mrs. Johnson, who established the foundation for philanthropy in education, religion, health and welfare, was the mother of H. Clay Evans Johnson, David F. S. Johnson and Dr. Joseph W. Johnson Jr., all executives of The Interstate Corp. and trustees of the foundation. The board of trustees also includes Floyd C. Delaney and J. E. Whitaker.

# Central Teacher Pope Dyer Pens Book on State History

By BILL COOLEY  
Times-Free Press Staff Writer

J. Pope Dyer, head of the general studies department at Central High School, is the author of a new publication, "Tennessee History Made Easy," a supplemental guide for serious students of the state's history.

Prof. Dyer, an ardent student of history, is the author of several other publications on the same subject, including his history of the Sequatchie Valley.

The latest guide, which will sell for 50 cents, is to go on sale at area book outlets Monday.

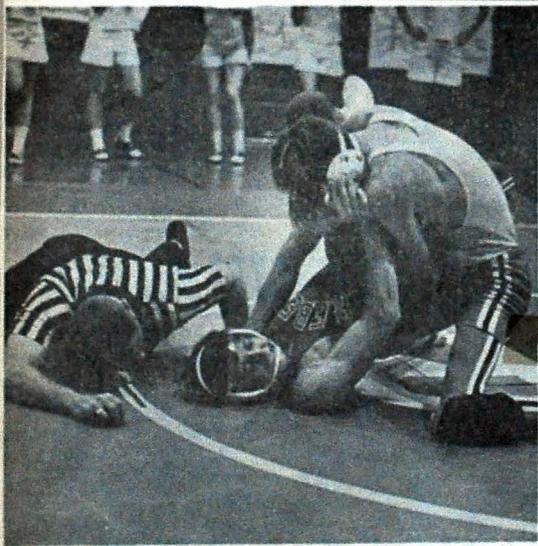

was learned. Many little-known facts about the colorful past is brought to mind in the supplement, including a reference to the notorious Harps brothers of Knoxville, whom historians of the early 1800s referred to as "the meanest men in the world," because of their blood-soaked trail of sadistic threat - slashing from Knoxville to Louisville.

The Harps' method of killing was to visit a wilderness home and engage the mother to prepare food for them, while one of the Harps would sneak into other rooms and slaughter the children. The mother would be forced to observe the bodies between her own throat was slashed.

A posse caught the eldest Harps brother, decapitated him and attached his head to a post on a lonely road in Knox County. The road is still known as Harps Head Road, the other brother was hanged when recognized by Andrew Jackson on Natchez Trace in Mississippi.

# Words of Praise

## Individuals and Organizations Recognized for Service

To The Chattanooga News-Free Press:

Not so far from my home on Signal Mountain is a small park maintained by the Town of Signal Mountain and Mrs. Fred Lawson has done a tremendous amount of work to keep it in great condition. In this small park is a monument and there is a marker which lists the names of the young men who gave their lives in World War II to insure the continuation of the American way of life. I visited that park again a few days ago. I shed some tears as I read the names of the young men on that marker. Some of them I had taught. I recalled their splendid qualities of loyalty and cooperation. I could recite many pleasant memories of each one of them. As I read the names again, William Alexander, Jesse Brown, George Guy, Fred Grayson, Robert Shannon and Paul Goodman, my eyes were filled with tears. I had, in a small way, taught them a few lessons about life.

People of Chattanooga should be grateful to the Episcopal denomination and their representatives for their progressive step in purchasing the Bethel Bible School facilities on Signal Mountain and converting it into a home for the rehabilitation of an unfortunate group of our city. They are to be highly commended for this most worthwhile constructive endeavor.

Chattanooga has many schools and centers that are made possible by the generosity of great citizens.

I think of the Siskin Center with its great facilities for the assistance of the handicapped.

I am a booster of the Orange Grove School. Dr. John Barnes and his staff are unexcelled in their work.

The work for the needy done by the Highland Park Baptist Church deserves the greatest of praise.

The Bethel Bible School is an outstanding school for the disadvantaged whose parents are institutionalized.

Moccasin Bend Psychiatric Hospital is one of the finest in the United States. Too few people know of the outstanding program there.

Since the Bethel Bible School has recently moved to the Hixson area, the people of Chattanooga and Hamilton County will give praise and recognition to those of the Episcopal Church for this new venture.

I am constantly filled with gratitude to those who have been so kind to me. In my race for the Metro charter Commission, hundreds of people worked diligently for me. Men like Burkett Powell, Jim Cooley, Lewis Reno, Oliver Pfifer, C. O. Schoocraft and a young lady, Jimmie Lee of Sale Creek, were only a few. There were many who did not want their names mentioned.

I am frequently criticized for writing about seeing so much good every day. I shall continue to recognize and write about it. Some will be bored and some will be happy. I feel that the latter outweighs the former.

## Delores Jett to Marry John P. Farr March 21

The engagement of Miss Delores Jett and John Paalzow Farr is announced today by her parents, Mr. and Mrs. Edgar Lee Jett.

Mr. Farr is the son of Mr. and Mrs. George Harris Farr.

The wedding will take place March 21 at Platten Chapel. Miss Jett is the sister of Ed Hanlin Jett and the granddaughter of Hugh Carey Hanlin, the late Mrs. Hanlin, the late Mr. and Mrs. Edward Jett and the late Mr. and Mrs. Houston Proffitt.

The bride-elect was graduated from Red Bank High School and attended David Lipscomb College in Nashville. She received a B.S. degree from the University of Chattanooga, where she was a member of Alpha Delta Pi Sorority and the University Scholars. Miss Jett is an English teacher at Red Bank Junior High School and is a member of Central Church of Christ.

Mr. Farr is the father of Elizabeth Virginia Farr and John Paalzow Farr Jr. He is the grandson of Mrs. John Faber Paalzow, the late Mr. Paalzow and the late Mr. and Mrs. John M. Farr.

The prospective bridegroom was graduated from the Baylor School and from the University of Chattanooga, where he received B.S. and master's degrees and was captain of the wrestling team.

Mr. Farr teaches history at Central High School and is head wrestling coach there. He is a captain in the U.S. Army Garrison 307 USAR and is a member of White Oak United Methodist Church.

to make an announcement," he said.

Another person close to the situation, Central High principal Hobart Millsaps declined to comment on the change. He said, "I feel any announcement should come from Coach Etter, Baylor, or Superintendent Sam McConnell."

Etter, who teaches math and Latin at Central, compiled a fantastic 215-56-15 record after taking over the head coaching job for the Purple Pounders in 1943.

### Fearful Name

He made Central High a feared name in Southern high school football circles, winning mythical state championships in 1946, 1948, 1952, 1953, 1954, 1957, 1962 and 1965.

He had only one unbeaten team, the powerful 1962 team which he later said had more excellent football players on it than any other he had.

The team that Etter dominated most completely was arch-rival City High. The soft-spoken redhead never lost to his cross-town foe and the City alumni went through several coaches trying to find one who could break the spell he had over the Maroons.

A list of the top players who were the dreaded purple of great reads like an honor roll.

Etter, 56, is a graduate of Central and the University of Chattanooga. He is married to the former Miss Helen Gross, Miss Central in 1936.

Etter's two sons, Gene and Bobby, both played football at Central under their father and Gene went on to play tailback at the University of Tennessee and is still playing professional baseball. Bobby won many games for the University of Georgia as a placekicker and is now the placekicker for the Atlanta Falcons.

Etter began his coaching career at the age of 21 taking jobs at Fruitland Institute at Hendersonville, N. C., and Morgan School at Petersburg, Tenn. After a brief stay at Brainerd Junior High he was made principal of Park Place Elementary.

In 1942 he took an assistant football coaching job at Central. When head coach Dean Peterson went into the armed forces, Etter took over the head coaching job and the Purple Pounders were on their way.

## Look to Future, Forget the Past; It Will Be Hard to Do at Central

From F 1

The room was always a telltale sign, simply because when Red Etter speaks people listen. That is the mark of respect of him held by his peers.

His football ideas at Central have been copied by hundreds of coaches and his ideas on athletics in general have been accepted throughout the state. The present football classification among high schools is an outgrowth of Etter's ideas.

It will be with regret that his resignation be accepted because his loss to the public school system will leave a void most difficult to fill.

That void will be felt most in the hearts of Central students and alumni, but the Spirit of Central that Red Etter helped build will blossom again under the leadership of his successor who will face the future much like Coach Etter did 27 years ago.

And when Coach Etter goes across town to new challenges, the legend will follow.

"You look to the future and forget the past," he said. Forgetting the past is something he won't do. It's also something Central cannot do.

A list of the top players who wore the dreaded purple of Central reads like an honor roll of great high school football.

In the middle 40s halfbacks McCoy and Ed Nobles, a Lamar Wheat and end Bill Gilbreath were among standouts.

By Hoppe, who lettered years, was tabbed by Etter probably the most sensational player we ever had," recalled a vital game in which he led the team to a 35-0 victory against Isaac Litton. Hoppe gained over 300 yards.

## Look to Future, Forget the Past; It Will Be Hard to Do at Central

By BUCK JOHNSON

I had heard it at least a hundred times. "Did you know Red Etter's leaving Central? He's going to Baylor."

You do your job. Check it out even if it does sound ridiculous that a 56-year-old man would even think about starting a new career. You get the same answer, "We're not ready to make an announcement." You say, "Let's don't go through this stuff like the Doug Dickey story again. Red Etter's too big a man for that."

"We're not ready to make an announcement. I hope you understand."

Days and days pass. You're cornered again. "Got a tip for you. Red Etter's leaving Central." "I'll believe it when I hear it from The Man," I reply.

The Man finally broke his silence Saturday. "Yes, I have requested retirement," he said, "and my future plans will be announced at the discretion of the other parties."

And with that statement Red Etter began to squeeze the scissors which would sever his ties with Central, ending a football legend.

And there is no joy at Central today. The only joy to be found is at his new assignment. And those folks choose to remain silent. Doug Dickey would love them.

### Tremendous Loss

Central's loss of Coach Etter is immeasurable. The impact won't hit for a while

and when it does, it will be hard to take for many.

The All-American, the All-star you read about; the unsung player you will never know; the run-of-the-mill student he befriended—all beneficiaries of his knowledge and kindness—can tell you the story of Red Etter better than I.

But there's some things about Red Etter that even the most casual observer picks up almost immediately. He's a winner. He's intelligent. He's never relaxed. He seems to be a step ahead of everyone else. He's highly respected. He doesn't smoke, drink or swear. He commands respect and gets it. He's a champion.

And these qualities of his have given hundreds of Central students a father image for 27 years. And through his giving of himself, his students have been inspired to give of themselves more than they could have imagined and the result was a football dynasty at Central. A dynasty which made Central a feared name throughout the Southland and made the Etter name well-known in coaching circles.

On 226 occasions he has taken his teams into gridiron battle. On 215 of these occasions he returned the victor and only 11 times he suffered defeat. And, along the way, Central was state champion eight times.

You could always spot Etter on the field. He was the man with the clipboard cradled in his arms with one hand

touching his chin. Always straining for a new idea that could be the difference between victory and defeat.

### Forget the Past

"Coaching is a constant challenge. Every day is new. You look to the future and forget the past. There are always new games to play, new teams, new boys. It's a thrill to watch them develop physically, mentally and in personality from boys into men." he has often said.

And he molded his boys into a team and helped mold the individuals into men. This is Red Etter.

He would never take credit for winning a game. "The coaches prepare the boys," he once said, "the boys play the game." But he would take credit for losing a game. "I have always felt that when we lost a game by less than a touchdown, we could have won if I had done a little better job of scouting," he once told a coaching clinic audience. This, too, is Red Etter.

HOBART MILLSAPS

MILLSAPS TO HEAD 30,000  
MEMBER NASSP

W. Hobart Millsaps, principal of Hamilton County's Central High School, is the new president-elect of the National Association of Secondary School Principals. He was first elected to the NASSP Executive Committee in 1965 and to its Board of Directors in 1967. The distinguished service he has rendered and the valuable experience he has gained in the last five years will serve him well when he takes the helm of the national organization of secondary school principals.

Millsaps has served the Tennessee public schools for more than thirty years. First as a teacher at Hixson High School (where he also coached basketball, baseball, and track) and later at Lenoir City. In 1940 he joined the Hamilton County system, taught at Central High for two years, then moved to Red Bank High as principal. He assumed his present position as principal of Central High School in 1950.

Millsaps is active in all of the professional associations—local, regional, state, and national. He also serves on the TSSAA Board of Control.

Millsaps and Central High School had their finest hour in 1963 when the school received the 22nd National Bellamy Flag Award. The bronze plaque proclaiming Central

winner and reproducing the original *Fledge of Allegiance* in Francis Bellamy's own handwriting is now in Central's possession.

#### LOOK MAGAZINE ANNOUNCES "TEACHER OF THE YEAR" FINALISTS

Look Magazine and the Council of Chief State School Officers have announced the names of five finalists for the nineteenth "Teacher of the Year" Awards. They are: Robert C. Alward, sixth grade teacher at Fort Wainwright AFB, Alaska; James Knox Braboy, fourth to sixth grade teacher in Dillon, South Carolina—and the first Indian ever selected as South Carolina's "Teacher of the Year"; Johnnie T. Dennis, a nuclear physicist in Walla Walla, Washington; Theodore C. Molitor, chemistry instructor and chairman of the science department in Roseville, Minnesota; and Trudy Plummer, English teacher in Columbus, Ohio.

The "Teacher of the Year" Awards—the world's oldest national awards project honoring classroom teachers—are sponsored jointly by Look Magazine and the Council of Chief State School Officers. Tennessee's "Teacher of the Year," nominated for this award, was Vallie Huddleston Hunter, English teacher at Putnam County Senior High School. Mrs. Hunter, who has taught at Putnam County for thirty-nine years, is considered one of the great assets of Putnam County Schools—past, present, and future. (See TEA NEWS, February 15, 1970.)

# Central Names Dunn Head Football Coach

Was Most Valuable  
UC Player in 1967

By TERRY HARDWICK

Joe Lee Dunn, high school All-America and honorable-mention Little All-America at the University of Chattanooga in 1967, has been hired as Central High's head football coach. It was learned by The News-Free Press this morning.

Assistant County Superintendent of Education Jack Rodman would neither confirm nor deny the report. He said the Central coaching vacancy would be taken up at the board's next meeting, May 31. Dunn must be confirmed by the board before his hiring is official.

Central Principal Hubert Millspaugh could not be reached and athletic director Stanley Farmer said he had no comment to make, that any release would have to come from the school board.

### MOST VALUABLE

Dunn, a high school All-America at Columbus, Ga., was voted University of Chattanooga's most valuable grinder and on captain for 1967. Now 23, Dunn played tailback, safety and quarterback for the Mocs.

Joe still holds the record for the Moccasins on punt return and kick-off return yardage.

A member of Scrappy Moore's last football team, Dunn is often referred to by Scrappy as "pound-for-pound one of the best I've ever had."

Although he never weighed more than 155 as a player, Joe

lettered all four years at UC and starred two of them.

After graduating from Chattanooga in 1967, Dunn went to Columbus High to coach the backs for one season, came back to UC to assist in coaching while working on his master's degree the next year and has spent the last three months as assistant coach at Thomasville (Ga.) High.

# Central's Everett O'Neal To Retire After 45 Years

Everett O'Neal, whose 45 years in education will end June 30 when he retires from the Hamilton County school system, still believes his greatest satisfactions came from teaching a class.

O'Neal is assistant principal at Central High School, but he began his career at Hixson High School in 1925 as a math and science teacher. His retirement was approved Thursday by the county board of education.

He taught at Hixson 15 years before transferring to Central. He was named assistant principal in 1951 under Hobart Millsaps, who still is principal. Of the 45 years, 39 of them were without an absence.

"Thousands of students have passed through Central during my years there," he said Friday. "My association with them has provided a lot of satisfaction.

"But my greatest satisfaction always came from beginning a class in algebra or geometry and seeing students, many of whom had never heard of the subject, pitch in and begin to learn," he said. "I think many other teachers probably would say the same thing."

O'Neal graduated from the University of Chattanooga in 1935 with a bachelor's degree and later took the state examination to receive a pharmacist's license.

He was working as a pharmacist when J. R. Walker

EVERETT O'NEAL

county school superintendent at the time, called and offered him a teacher's job.

When he began at Hixson, "there was no music program at all so I started one," O'Neal recalls. "We had a five-piece group the first year, which later expanded. I wrote all the arrangements for the first few years."

He received his master of education degree from UC in 1954.

O'Neal is married to the former Rebecca Jones, whose

father, the late J. T. Jones, was principal at Hixson many years. They have two children, Everett O'Neal Jr., who teaches music and math at Red Bank Junior and Senior High schools, and a daughter, Elma, who works in New York.

O'Neal's post-retirement plans right now are simple.

"I plan to rest up for a year or two," he said. "I have a good 35-millimeter camera and I want to take a lot of pictures, just like I've been doing since I began this hobby in 1938."

He has a lot of recording tapes and figures it will take a little while to get all of them in order. Also, he plans to use his record player.

# Siddens, Wells, Lam Will Conduct Wrestling Clinic Here In August

By CONNER GILBERT

News-Free Press Sports Writer

John Farr, Central High wrestling coach and Tennessee state chairman of the United States Wrestling Federation, announced that Bob Siddens, wrestling coach at West High School in Waterloo, Iowa, will be the number one coach on a wrestling clinic Aug. 2-8 at Baylor School.

Siddens, who has coached for 19 years, has compiled a phenomenal record of

1225 wins, 34 losses and two ties. He is the man who coached Dale Anderson, a two-time NCAA champion at Michigan State and Dan Gable, a two-time NCAA champion at Iowa State. He has coached 41 individual state champions at Waterloo, has won eight state titles, officiated in 14 NCAA tournaments and is a member of the Helms Hall of Fame in wrestling. He is also chairman of the Junior Development Committee of the United States Wrestling Federation.

In addition to Siddens, Farr will serve as the clinic director and Baylor wrestling coach Luke Wornham will be assistant director.

Other personnel on the staff will be Wayne Wells, Bill Lam and UTC wrestling coach Jim Morgan.

Wells placed first in the NCAA tournament in 1969 and second in 1968 in the 162-pound class. He is now a student in the Oklahoma University Law School. He will participate in the World Games in July in Edmonton, Canada.

Lam is wrestling coach at Norman High School, Norman, Okla. He finished third in the NCAA tournament in 1964, second in 1963 and was undefeated in dual meets in 1966 before he sustained an injury and did not wrestle in the tournament. He was a member of the Oklahoma University team.

Morgan recently closed out his second year at UTC. He has coached Jim Glasser and Randy Faires to two unbeaten seasons and two Southeastern Intercollegiate Wrestling Titles.

Faires also won the Georgia Tech Invitational meet this year. He coached Jerry Fraiser to the Nation Scouting Tournament title in Fort Lauderdale, Fla. this year. He has coached nine years and won three intermarital titles

JOHN FARR

while attending the University of Chattanooga.

The clinic will be a state-wide event and the number will be filled on a first-come first-serve basis. There will be two sessions per day and they will cover all phases of wrestling and also the Greco-Roman wrestling.

The United States Wrestling Federation is a new organization, and consists of representatives from the Athletic Institute, Independent Athletic Clubs, the National Collegiate Athletic Association (NCAA), the National Federation of State High School Athletic Association, the National Junior College Athletic Association and Allied Coaches and Officials Association.

The USWF represents over 200,000 amateur wrestlers and more than 15,000 coaches and officials, and is dedicated to the expansion of amateur wrestling and to the improvement of the sport under the international rules.

"We have as fine a staff for our clinic as I've seen for a

clinic, especially for the first year," said Farr. "We planned the event for Baylor where we could house students. Tentatively it will cost \$60 for dormitory students and \$20 for commuter students which will include one meal," said Farr. Under the USWF division, Tennessee is in the sixth region, which includes Arkansas, Kentucky, Louisiana, Mississippi and Alabama. On the state level, Farr is the chairman; Shack van Dusen is in charge of finance; Jim Morgan, in charge of tournaments and clinics; Ralph Brewer in charge of membership; G. P. West in charge of programs and Joe Drennan in charge of public relations.

Farr said he should have application blanks for the clinic within the next three or four days. For further information about the clinic contact John Farr at 211 Brownlow Road, or call him at 677-6391.

**Ronnie Cole to Leave Job  
As Cage Aide at Central**

Ronnie Cole, a member of some of Central High coach Gordon Smith's most powerful basketball teams who returned as assistant coach at his alma mater, confirmed Tuesday that he plans to resign his position to return to graduate school.

Cole, who has been assistant to Coach Smith for the past two years, said Tuesday, "I have made application at the University of Georgia's graduate school and things are looking real good for my acceptance. If accepted, and I think I will be, I will leave Central after this school year."

Cole, 30, was a member of the 1968 Central team which was defeated by Lenoir City by one point in the state tournament finals. He was a first team Times All-City selection and was named to at least one All-State team. He went on to become a starter on the University of Chattanooga basketball team and later served four years with Army security in Vietnam and Germany.

RONNIE COLE

Cole, an art major, will continue in art education at Georgia.

"I have really enjoyed working at Central and especially with Coach Smith," he said. "Coach Smith is a brilliant man and I hope to be working with him again some day."

**The Guessing Game Is On at Central High**

By WIRT GAMMON JR.

The sports rumor mill has been working overtime for the past week and the main topic has been the Central High School coaching staff. The main questions arising have been:

1. What is the status of Joe Lee Dunn, the man most people think is dead-certain to succeed Jack Archer as head football coach?
2. Will Stan Farmer quit as athletic director to become assistant principal?
3. If Farmer quits, will Jake Seaton step aside to give Dunn the opportunity to select his entire staff?
4. Will Gordon Smith resign his head basketball coaching position?

You can answer the last two first with a solid "No." As long as Gordon Smith's health continues to be good, which it is now, he will be in there fighting to return his Purple Pioneers to the basketball

FARMER SEATON

pinnacle they once occupied. Despite his brilliance as a math instructor, Coach Smith years for another basketball champion and you can look for him back another year.

If Stan Farmer steps aside, and there is a possibility there, Jake Seaton will become the most valuable link between the players and the new coaches. He will be the one who was with them during spring drills and his knowledge of the personnel will be too great for him to

step aside this year. No, look for Jake to be back at least another year.

It is known that Farmer has been showing an interest in education administration. Last Thursday the Hamilton County Board of Education accepted the retirement request of Central assistant principal Everett O'Neal and, if Farmer wants the job he undoubtedly would be the leading contender for the position. There is plenty of room for speculation on question No. 2.

That brings you back to Dunn, the former Little All-American football performer at the University of Chattanooga.

A few weeks ago it was revealed that Dunn, 23, single, and coach at Thomasville, Ga., High School, was Central's choice to succeed Archer who took over as head coach when E. B. Ester moved to Baylor. Archer will

SMITH DUNN

become head coach at Lakeview next year.

The board of education did not act on the Central football vacancy last week because Dunn had not been through the customary procedures of interview with Supt. Sam McConnell. This interview is expected to take place within the next few days and a recommendation by McConnell and Central principal Hobart Millsaps would practically lock up the job for Dunn.

Dunn, who also coached at Columbus, Ga., and as a student assistant at UTC, can be expected to request that he be allowed to become athletic director and fill his staff with men of his own choosing with the approval of the principal, superintendent and the board of course.

Regardless of how you might look at the situation, one thing is certain — there will be a new look at Central High next fall with vacancies already existing in the head football job, at least one assistant football position and the assistant basketball coaching job which will be vacated by Ronnie Cole in favor of graduate school.

The best bet? Put Joe Lee Dunn in as head football coach and athletic director. Put Stan Farmer in as assistant principal. Put two Joe Lee Dunn men in to fill the other vacancies.

And leave Gordon Smith and Jake Seaton alone.

## Central Gains a Coach, But Loses Ronnie Cole

Central High School, already two coaches short, gained one but lost another Thursday at the regular monthly meeting of the county school board.

Joe Dunn, the former University of Chattanooga grid star, was officially elected by the board as a teacher and his appointment as head football coach was confirmed by Central principal Hobart Millsaps. The move had been rumored locally for several weeks.

The board also confirmed the promotion of Stan Farmer to assistant principal, succeeding Everett O'Neal who retired. Farmer, however, will retain his duties as athletic director for the time being, but without the official title. "I am asking Coach Farmer to assume the responsibilities of athletic director for the present without the official title," said Millsaps.

"We are in the process of looking for another coach. Mr. Dunn and Mr. Farmer will make their recommendation to me and I will, in turn, relay a recommendation to Supr. McConnell." He said four or five applicants are being investigated, but indicated only one of the vacancies will be filled before school begins.

The board also granted a leave of absence to Ronnie Cole, the Central assistant basketball coach, to enter the University of Georgia graduate school.

Don Patterson, former Tennessee football player and Ringgold coach, was elected to the Red Bank High faculty. It was reported that Patterson

will fill the vacancy created by the resignation of Dickie Phillips.

Patterson, it is assumed, will be head track coach and assistant football coach at Red Bank. Roger Cole, already a member of the Red Bank faculty, will assist Patterson in track.

Delbert Hale, former head football coach at East Ridge Junior High who has been on a leave of absence, was returned to the East Ridge faculty but will not be coaching.

## Farmer Will Remain As Athletic Director

### Central Coach Is Promoted to Assistant Principal; Dunn Confirmed

Stanley Farmer was promoted to assistant principal at Central High by the county school board yesterday, but will remain as athletic director for the time being.

The veteran Central coach has been asked to assume the responsibilities of athletic director for the present without the official title, according to principal Hobart Millsaps.

Farmer was elevated to athletic director last January when E. B. (Red) Etter resigned that post and the one as head football coach to go to Baylor. Jack Archer was named head football coach then, but he resigned a month later to move to Lakeview. Joe Dunn, former DC star, was named the head football coach, and the board officially confirmed his appointment yesterday, along with that of Farmer as assistant principal to succeed retiring Everett O'Neal.

A leave of absence was granted to Ronnie Cole, assistant basketball coach at Central, to enter University of Georgia graduate school.

"We are in the process of looking for another coach," Millsaps said. "Farmer and Dunn will make their recommendation to me and I will in

STANLEY FARMER

turn relay it to Supr. McConnell." Farmer has been on the Central staff as line coach since 1948. The ex-City High star athlete had coached at City before joining Central.

## Engineer Grant To Central Grad

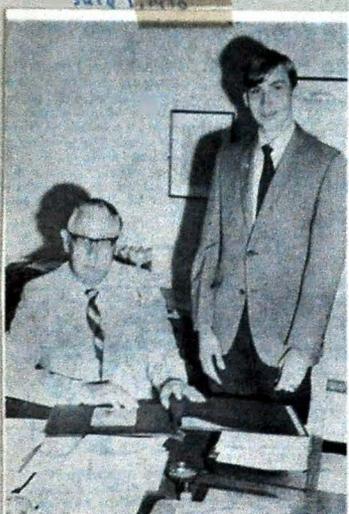

William D. Kennedy has been selected by the scholarship committee of the University of Tennessee at Chattanooga as the 1970-71 recipient of the Chattanooga Times Scholarship.

Kennedy, who plans to enter UTC's engineering program this fall, was a member of Central High School's Senate, National Honor Society and ROTC Disc and Diamond Club. He ranked in the upper 10 per cent of the 1970 graduating class.

He is the son of Mr. and Mrs. David Kennedy of 2708 Taylor St. and a member of the East Chattanooga Methodist Church.

The scholarship, which carries a stipend of \$200 a year, is awarded alternately to a Chattanooga High School and a Central High School graduate.

### Evans Award Presented to Miss Morgan of Central High

MISS MORGAN

Miss Minnie Lee Morgan, for 33 years a teacher at Central High School, has been given the Evans Award for superior teaching.

The recipient is chairman of the language arts department, sponsor of the senior class, coordinator of commencement activities, chairman of the senior compilation committee and served as general chairman of the program for the dedication of the new Central High School.

She also has sponsored the school yearbook and the school newspaper and various clubs.

Miss Morgan, a 1933 graduate of Central, holds a B.A. and a master of education degree from the University of Chattanooga. She is a life member of the National Education Association and has membership in the Hamilton County Education Association and the Classroom Teachers Association.

### Three Named to Positions in Housing Authority

GRADY HARRIS SR.

JAMES WOOD

WILLIAM WHITESIDE

William (Bill) Whiteside, manager of Spencer McCallie Homes and an employee of the Chattanooga Housing Authority for 12 years, has been promoted to community organization specialist, Billy C. Cooper, executive director, announced Monday.

In that capacity Whiteside will work with residents in the development of the urban renewal program for the Orchard Knob area.

Coper also announced the appointment of Grady Harris Sr., formerly with North Carolina Mutual Insurance Co., as manager of McCallie Homes and James Wood, guidance counselor at Central High, as tenant services coordinator.

Whiteside will help citizens of the area included in the Orchard Knob urban renewal program, establish organizations with emphasis on citizen participation in the project.

This will involve obtaining the desires of the residents, and seeing that these are considered by the proper officials working

on the program and the interpretation of CHA plans to the area residents.

Whiteside joined the CHA as a relocation adviser when the Golden Gateway Urban Renewal Project was first started in 1968.

He managed the Maurice Puss and Emma Wheeler Homes housing projects before being assigned as McCallie Homes manager in 1966. The McCallie project has 506 units.

Whiteside also has been recognized in Chattanooga for the development of the Good Neighbor Club which devotes its time to helping those in need.

Harris, who was born and educated here and attended Morehouse College in Atlanta, was with North Carolina Mutual for 33 years before resigning last April.

At the time of his resignation Harris was manager of the Chicago West Side office of the company. He started here as an agent in 1957 in was promoted to assistant district manager

and then district manager before being promoted to manager of the Chicago West Side office in 1963.

He has been active in the Baptist Church, the YMCA and the National Association for the Advancement of Colored People.

Wood, who was born in Chattanooga, graduated from Chattanooga High School in 1961 and from David Lipscomb College, Nashville, in 1964. He has attended the University of Tennessee graduate school, majoring in education psychology and guidance.

He has been guidance counselor at Central for five years.

As tenant services coordinator, Wood will implement the CHA program of assisting tenants in contacting the proper agencies to resolve their particular social problems. He will also serve as liaison between the CHA management and the tenants, explaining management policies to tenants and bringing to management the wishes and desires of tenants.

## Dickey Spotlights Steady Play Of Carroll in Vol Front Four

Special to The Chattanooga Times

KNOXVILLE — Tennessee's great linbacking duo of Steve Kiner and Jack Reynolds has been widely acclaimed as perhaps the finest in all of collegiate football but the work of the Vols' front four has also played a big role in Tennessee's success in 1969.

Much has been said and written about Kiner and Reynolds, and rightfully so, but it is too infrequently pointed out that the work of the front four frees them to do their thing.

As Vol Coach Doug Dickey pointed out, "It's those front four who protect the linbackers and keep the blockers away from them so they can make tackles."

Dickey dished out plenty of praise for tackles Frank Yarnes and Steve Carroll and ends James Woody and Vic Dugas. "We've gotten steady play from these boys and they've contributed a great deal to our season," the Vol skipper said.

"Take these boys who are playing end, for instance. In some ways it's an entirely new position for them because they are really playing a combina-

STEVE CARROLL

tion tackle and end position. "Vic Dugas and his backup man, Ronnie Drummonds, actually received training as ends but under our new defensive set up it's a new position altogether because there's so much tackle-type duty attached to the job.

"Woody has made the transition from middle guard to end in fine style and he's been doing a fine job, coming up with the big plays that we have to have

from our ends. Actually, all of these boys have been getting their share of the big plays.

"Yarnes and Carroll have had to shoulder the burden of tying up the three middle offensive linemen since we no longer have a middle guard. And by doing this, they free Reynolds and Kiner and Jackie Walker to make tackles." They've also been doing a good job of rushing the passer."

Lee Coleman, husky sophomore tackle from Winston-Salem, N.C., comes in for some praise. "At times Lee has looked awfully good," Dickey said. "He does his job and does it well. And our other reserves, Drummonds and Tom Bennett at ends and Coleman, Gary Wemlinger and Tim Persinger at tackles, have made solid contributions."

Bennett, a 6-2, 200-pounder from Somerville, was coming so strong in his sophomore season until a shoulder injury sidelined him. "Tom's best trait seemed to be that he rushed the passer well late in the game when that passer was beginning to get more chances on the defense," Dickey said. Library

## Vols' Steve Carroll Involved In Accident En Route to Game

Times 11/9/69

By JACK HODGES  
Chattanooga Times Sports Writer

KNOXVILLE, Tenn. — For I told my wife to brace, and mer Chattanooga Central star Steve Carroll didn't receive his hardest lick Saturday from the South Carolina Gamecocks. He got it from a utility pole.

The senior Tennessee tackle was involved in an accident on his way to the game.

"My wife Cheryl and I had just left our baby with my mother at the Ramada Inn," Carroll explained. "Suddenly I realized I didn't have any tires on Sunday afternoons for brakes, and this Volkswagen relaxation, had Carroll falling was right in front of me. So the story over and over.

I ran into a telephone pole."

Mrs. Carroll wasn't seriously hurt in the accident, but did suffer a fractured pelvic bone, and was retained in a hospital. Steve came out of it with a sore leg. "It tore our car (a Buick) up pretty bad," said Steve.

Jack Reynolds, who enjoys running a teammate's jeep into a wall, had Carroll falling was right in front of me. So the story over and over.

# MTSU Coach Lover of 'Justice'

By JOHN WHEELER JR.  
Last year Middle Tennessee State University finished dead last in the Ohio Valley Conference, posting an unimpressive 2-8 record. This year, under the direction of a new head coach, they are still dead last and with only one victory thus far are struggling to match last year's performance. They average playing 21 freshmen per game.

But to every black cloud there is ideally a silver lining, and Don Fuoss, the new MTSU mentor, has found his in a freshman running back called Reuben Justice. According to Fuoss, "We recruited over 45 freshmen this year, and I wish that every one of them was a Reuben Justice."

Extravagant in his praise for the former All-State runner from Central High, Fuoss continues, "Pound for pound, there's not a better football player in the conference (OVC) than Reuben. He's small and he gets injured a lot, but I would like to be able to run him every play."

"He's a fine boy, and he's a winner. He's got a knack for running, making the turns and dodging the holes. He knows where the goal line is."

Fuoss must find it relieving to know that someone on his team does know where the goal line is; the blue leaders have managed to push across it only infrequently all year. And it is Justice, the freshman who could boast

only of a minus-yardage average for the first three games of the year, whose 24 total points is double the net of any other MTSU player with the sole exception of the kicker.

Reuben turned in the best performance of any back on the team for the whole season when he picked up 146 yards in 17 carries against Western Kentucky last Saturday, including one 49-yard burst that set up a Haidler score.

In addition to such minor accomplishments, he has caught seven passes for 44 yards and one touchdown and has returned 13 kickoffs for 456 yards and two tallies, one a 95-yard run that set a new OVC record.

The fleet freshman—he runs the 50 in 4.7 and on the opening day of practice in August outdistanced the whole team in the mile run—was leading the OVC and was among the top ten in the nation in kickoff return yardage early in the season, before sustaining a bruised hip and ribs that kept him from playing for several games.

Despite the fact that most teams now kick the ball away from him to force him to run independent of his protective wedge of blockers, Justice still averages a respectable 30.4 yards per return.

Reuben credits a Riverside coach for helping him get a start in football in the ninth grade. "Coach Polk inspired me," he said.

Although working daily during the summer at a Department of Education day

REUBEN JUSTICE

camp for underprivileged children, mostly slow learners from a bad home environment, Reuben still found time to train in preparation for this fall by running and working out in Warner Park every morning with his close friend and former Riverside teammate Calvin Florence.

A sociology major with a minor in physical education, Reuben contemplates no professional athletics in his future, but "might play a little intramural basketball when a football season is over."

Reuben, who lists fishing and dancing as his hobbies,

won the 146-pound state wrestling championship in his senior year of high school. He plans to spend the winter months with his studies and training with weights.

Although admitting that he was "a little nervous" before the season opener with Pensacola Navy, Reuben stated that he enjoyed college football and college life in general. When asked to give his reaction to the fact that he as a freshman is leading his team in scoring and is the No. 3 ground-gainer on the squad in spite of his games missed with injuries, he responded quite spontaneously, "You know, I hadn't even thought of it!"

Reuben is carrying 13 academic hours, which he says is about the average for athletes. After football, however, he wants to get into a modern dance course. "I dance pretty good," he grins, "even if I do say so myself."

Coach Fuoss says that Justice's outstanding performance at MTSU is "a tribute to a great high school coach, Red Eder of Central. Coach Eder turns out some fine athletes, real good boys."

The biggest thrill of the year for Reuben was homecoming, a game in which he scored two touchdowns. Why was it his best game? "Because we won," he said.

Reuben thinks about dancing and smiles. He thinks about fishing and smiles. He

thinks about homecoming and smiles.

And Don Fuoss, freshman coach struggling with a freshman team and a losing season, thinks about the one bright star among his many dark clouds, and he smiles, too.

3 NCO'S ASSIGNED  
UTC ROTC DUTIES

Cavendish, Alligood and  
Boatwright Served  
in Vietnam

Three uncommissioned officers have arrived at the University of Tennessee at Chattanooga to take up new duties with the ROTC program, Lt. Col. Donald Purrington, chairman of the military science department at UTC, said Thursday.

The new instructors are Sgt. Maj. Lewis C. Cavendish, M. Sgt. Arthur V. Alligood and Cgt. I.C. Irvin G. Boatwright.

Cavendish, a native of Cleves, Ohio, volunteered for the regular Army after graduating from Taylor High School in his home town. This year marks his 27th year of active duty.

He comes to UTC directly from Vietnam, where he served for a year with the 4th Infantry. During World War II he served in the European Theater and received the Purple Heart while fighting with the 1st Armored Division.

**Other Honors**  
Other military honors he has received include the Bronze Star with an Oak Leaf Cluster, the Air Medal with an Oak Leaf Cluster, and the Army Commendation Medal with two Oak Leaf Clusters. He is also the recipient of the Good Conduct Medal and the Combat Infantryman's Badge.

Cavendish will teach map-reading and small-unit tactics at UTC.

Alligood, a 34-year-old man, was reassigned to UTC from Georgia Tech.

A native of Moultrie, Ga., he attended Moultrie High School and volunteered for the Army in 1952.

He is the recipient of the Purple Heart, the Bronze Star, and the Silver Star for his service in Vietnam with the 22nd Division.

Alligood's new duties will include maintaining training files and lesson plans and some drill instructing.

Boatwright is a Chattanooga graduate from Central High School. He has previously served 16 years of voluntary active duty in the U.S. Army.

Prior to his arrival here, he served for a year in Vietnam and returned to the John F. Kennedy Center for Special Warfare at Ft. Bragg, N.C.

Boatwright will be administrative NCO of the ROTC program at UTC.

ANNE MOFFITT,  
EX-TEACHER, DIES

Native of Chattanooga  
Taught English  
at Central

Miss Anne Moffitt, retired Central High School teacher, died Wednesday in a hospital in Winston-Salem, N. C.

At the time of death, Miss Moffitt was visiting her sister-in-law, Mrs. James Moffitt in High Point, N. C.

She was the daughter of the late Rev. William A. and Mrs. Manolis Price Moffitt, longtime residents of Chattanooga.

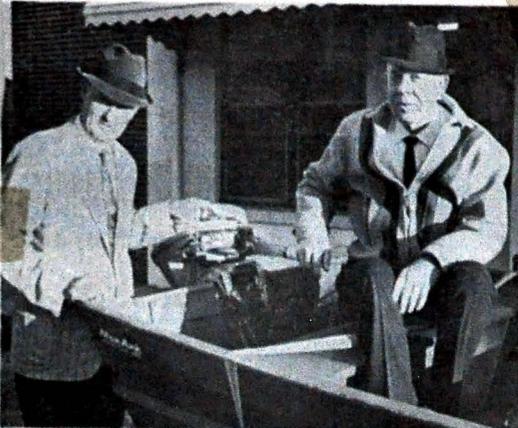

Miss Moffitt was a graduate of Central High, Carson-Newman College and Columbia University, New York. She began her teaching career at Dossy High School and later transferred to Central High School where she taught English for many years.

She was active in the First Baptist Church where she served in the church library. Miss Moffitt was a member of the American Association of University Women, the Retired Teachers' Organization and the Christian Women's Club.

Survivors include several nieces.  
Funeral services will be held at 2 p.m. Friday at the First Baptist Church with the Rev. W. Eugene Spears officiating. Burial will be in Forest Hills Cemetery.

The Chattanooga Funeral Home has charge of arrangements.

Miller Sells Contracting Firm

MILLER AND WILLIAM C. THORNBURG

By W. C. KING

J. L. Miller, who has been in the plastering contracting business in the tri-state area since 1925, announced Saturday that he had sold his business and, with the exception of handling some of his rental property, was retiring.

J. P. Wilson, contractor, 2000 8th Ave., was the purchaser of Miller's business, machinery and equipment and plans to consolidate the new holdings with the business he has operated for about 15 years.

Miller, an ardent fisherman, was born in Bradley County but moved to Chattanooga at an early age and graduated from Central High School in 1924 and went into business on his own a short time later.

Johnny, as Miller is known to intimate friends, worked as a plasterer's helper on one job and then contracted for another job on his own. He bid on jobs and then worked under experienced men on his projects in order to learn the trade.

One of Miller's most recent jobs was in the remodeling of the Hamilton National Bank Building where, he said, his pay roll reached as high as \$2,500 to \$4,000 per week in contrast to the \$21.00

weekly payroll he had to borrow from a brother on his first contracting job.

Miller started out in residential construction but later branched out into commercial-type buildings such as schools, hospitals, banks, warehouses and store buildings.

Memorial Hospital; Red Bank, Brainerd and First Baptist Church, the vocational school at Pikeville and the hospital at Copper Hill were among the jobs done by Miller's workmen.

Upon retirement, Miller made a presentation of a boat, motor, trailer and accessories to William C. Thornburg, who has been soreman on Miller's jobs since the start of the business.

One of Miller's stipulations in the sale of the business, according to Wilson, "was that I keep Thornburg as a member of my organization." Wilson, a native of Clarksville, Ga., also moved to Chattanooga as a lad and is a graduate of City High School.

from which to "go fishing and keep up with some real estate."

Before going into contracting on his own, Wilson was connected with Sewanee Coal and Supply Company and T. T. Wilson Co. and one of his many jobs was that of plastering the addition to The Chattanooga Times Building, which houses the press, mailing room and offices. Miller will keep the property on Vine Street, from which he has operated for several years and will rent the warehouse space located behind his office which he intends to keep as a base

How Local College Stars Fared

# Justice, Burgner, Morris, Eckenrod Have Big Days

Reuben Justice, last week's most outstanding offensive player of the week for Middle Tennessee, came back Saturday to speak the Blue Raiders' offensive effort which scored 21 points against the tough defensive unit of Ohio Valley Conference champions East Tennessee State. However, the Bucs climbed the OVC table with a 27-21 verdict.

Justice, a freshman who earned All-State honors while playing for Chattanooga Cen-

tral, picked up over one-third of his team's rushing yardage. He gained 67 yards on 20 carries, and scored a touchdown in addition to catching two passes for 23 yards and returning one kickoff 21 yards.

The fleet running back has been used extensively this year, as has another Chattanooga, offensive guard Jimmy Inglis from Tyner.

While Tennessee's third-ranked Vols suffered their worst defeat in over four decades by

dropping a 20-9 decision to upset-minded Mississippi, former Rossville quarterback Bobby Scott, who has directed the Vols' winning campaign thus far this year, had to leave the game with injuries early in the second half. He completed only 6 of 15 passes against the Rebels.

Clemson's Grady Burgner successfully completed 96 of 65 blocking assignments from his post as offensive guard to place second highest on the Clemson

team with a 72 per cent rating as the Tigers lost 22-15 to North Carolina. Grady, a one-time star for Brainerd, is one of 14 Clemson seniors who will be against South Carolina next playing their last varsity game Saturday.

Kentucky tackle Tomny Morris, formerly of City, turned in an 88 per cent rating to lead all Wildcat linemen even though Florida ripped coach Johnny Ray's crew, 34-6. Another Wildcat lineman, ex-

Notre Dame center Pat Eckenrod, graded 84 per cent and was praised by coaches for turning in his "usual consistent performance."

Other Chattanoogaans seeing game action around the South were Austin Peay linebackers David Phillips and Bo Elliott; Memphis State linebacker John Allen; Western Kentucky tackle Jerry Harris; and Virginia Tech tackle Eddie Johns.

## GAF Promotes Mann and Stone

THOMAS G. MANN

WAYLON T. STONE

## He Tends a Unique Concept

By CHARLES PENNINGTON

Polluted air moves around without regard for state lines. Polluted water flows across state lines. Problems common to a densely populated area exist regardless of state lines.

But states attack these problems individually, often without regard for methods used by adjoining states. Sometimes they conflict.

There is one exception. In the vicinity of Chattanooga, Tennessee and Georgia are attacking common problems in a manner believed to be unique. The agency through which this is accomplished is the Chattanooga Area Regional Council of Government, or CARCOG.

It serves Hamilton County in Tennessee, and Walker, Cassess and Dade counties in Georgia. It was organized in July 1967 under provisions of the 1967 Federal Housing and Urban Development Act and the Demonstration Cities and Metropolitan Act of 1966, which requires many local applications for federal loans and grants to be submitted to an area-wide planning agency for review. It is funded one-third by HUD and one-third by local contribution based on population of participating governmental units.

A similar agency, Southeast Tennessee Development District, was established by the State of Tennessee to help resolve problems both urban and rural in a 16-county area in the southeastern corner of the state. Three-fourths of its money comes from the federal Appalachians program; the remaining one-fourth is supplied by the state and local governments.

Since the functions of the two agencies overlap to some extent in Tennessee it was sensible to coordinate their activities in one office with one staff.

Charles Lebron Thraillkill is executive director of both, and he feels that the possibilities for solving the problems of this area through them are unlimited.

"This concept is so simple and so natural that it frightens people at first," Charlie says. "Then they wonder why we didn't think of it 50 years ago. If we had many of our problems that are critical now might not even exist.

"The beauty of CARCOG is that everything it does is accomplished by duly elected public officials. The commissioners, councilmen, mayors and county judges must make the decisions affecting their counties and municipalities. CARCOG doesn't put pressure on anyone, it just lays out the

interceptor system rather than attempt to build their own.

While CARCOG never bars the press from its meetings, the agency doesn't seek regular news coverage. Charlie says, "We prefer to work at our problems quietly without a lot of public discussion, then when we feel we've accomplished something it's announcement has more meaning."

Its biggest undertaking to date has been a study of solid waste disposal planning by a firm of engineering consultants. It recommended coordinated disposal methods, either by incinerator or landfill.

Eventually, Charlie believes, every major physical problem confronting this area will be tackled by CARCOG — and probably solved.

"Its potential is so great that just the thought of what it can accomplish amazes me. It's a new approach — one in which everybody works together for the common good but without interfering in each other's local government. We're going in new directions in the planning and development process. Our problem in the past has been that we were planning for today, not tomorrow.

"I think I have one of the most challenging jobs in the

program was canceled and Charlie was transferred back to the infantry. He went overseas and was wounded during the Third Army's long drive into Germany. On March 13, 1945, his unit encountered a German force entrenched on a hilltop and firing the dreaded M's. His outfit, armed only with rifles, suffered heavy casualties. Charlie, who still has shrapnel fragments in both legs, was so badly hit that his buddies thought he was dead. Emergency treatment in a field hospital saved his life. He was hospitalized, first in France, then in Dayton Beach, Fla., until October, when he was discharged from both the hospital and the Army. He was awarded the Purple Heart.

Back in Chattanooga he joined his father, a painting contractor, in business. He met the former Miss Willie Mae Piomom, a nurse at Erlanger Hospital, and they were married about a year later, on July 19, 1946. They live at 3400-B Lisa Dr., East Ridge and have a daughter, Mrs. Linda Darlene Pears of Hallifax, Va., and a son, Lonnie (Charles Jr.), 19, who will soon go into the U.S. Air Force.

Charlie studied at the University of Buffalo while in the Air Corps cadet program, and later at McKenna College where while working part time

## Mutual Promotes Two

JACK HENSON

FLOYD L. FULLER

Floyd L. Fuller Jr. has been appointed general agent of the Mutual Benefit Life Insurance Co.'s, local office, succeeding Jack Henson who has been elected second vice president and director of agencies by the company's board of directors, it was announced today in Newark by President John J. McGovern.

A native of Chattanooga, Mr. Fuller graduated from Central High School and received his B.S. degree in industrial management at the University of Chattanooga in 1959. He was employed by the Quaker Oats Co. for several years before es-

tering the life insurance business in 1962.

He was supervisor with another company before joining the Mutual Benefit Life earlier this year.

Active in local association affairs, Mr. Fuller has been instructor in business insurance school of the Life Underwriters Training Course for three years and a member of the board of directors of the Chattanooga Association of Life Underwriters. He is holder of the National Quality award for six years.

He is well known in the field of sports, having played baseball at Central High School and coached a Little League baseball team for five years, producing a championship team for Silvermont in 1962.

Mr. Fuller and his wife, the former Shirley Zarzow, and their four children reside at 600 North Valley Drive. They are members of St. Jude's Church.

Mr. Henson, just completing 13 years of service with the Mutual Benefit, won the President's award for over-all agency excellence and production in 1966. During his tenure the agency grew from four men to 12 men and tripled its production.

Some of his many accomplishments include: member of the Million Dollar Round Table, and holder of the National Quality Award for five times.

He received his B.A. in English from Oklahoma Baptist University, and is a past member of the Oklahoma City Underwriters Association, the Chattanooga Life Underwriters Association and was member of the General Agents and Managers Conference.

Charlie explains that much of the money for the program is to be undertaken will

"The beauty of CARCOG is that everything it does is accomplished by duly elected public officials. The commissioners, councilmen, mayors and county judges must make the decisions affecting their counties and municipalities. CARCOG doesn't put pressure on anyone; it just lays out the problems. After they study all the facts the elected officials come up with the answers and solutions best for the area."

Charlie explains that much of the money for the programs to be undertaken will come from the federal government—and that "it's really our money. The money we receive in federal grants for necessary programs is our own tax money collected by the federal government because we wouldn't raise it for ourselves on the local level."

He points out that Tennessee and Georgia, by working on their problems through CARCOG, eliminate separate agencies doing the same job but fighting one another for the available tax dollars. Their two planning agencies — the Chattanooga-Hamilton County Regional Planning Commission and the Coosa Valley Planning and Development Commission — maintain a close working relationship and their professional staffs plan CARCOG projects and programs.

"I can remember when many of the elected officials of this area didn't talk to one another; now they're in almost daily communication. They're all members of the board of directors; they fix the priorities. When they examine the problems together they tend to eliminate political considerations and do what is best for all the people of the area."

Charlie notes that several communities in the area, faced with mounting sewage disposal problems, decided to tie into the big Chattanooga

each other's local government. We're going in new directions in the planning and development process. Our problem in the past has been that we were planning for today, not tomorrow.

"I think I have one of the most challenging jobs in the country."

It is not Charlie Thrailkill's first challenging job, however.

In 1961 he ran for a post on the East Ridge City Commission and was elected. The next year the commission hired him as its full-time city manager and held that post until 1968 when he left "reluctantly" to become executive director of CARCOG.

When he accepted the East Ridge post the city furnished no municipal services to its citizens except street maintenance and sewer service. Today it provides all the municipal services except fire protection. During his service under three commissions the city made a major charter change, adopted the Southern Standard Building Code, restored police power to the commission, prepared a city code, installed garbage service, police protection, created a city court and extended sewer lines and streets.

Charlie was born in Rossville, Ga., on Dec. 29, 1924, second of the six children of James W. and Hazel Brown Thrailkill. He was reared in the East Lake section of Chattanooga, where his parents still live. He attended East Lake Elementary and East Lake Junior High, and then Central High School.

He went into the Army in 1943 and after basic infantry training he transferred into the Army Air Corps cadet training program. One week before he would have entered pre-flight training the cadet

Halifax, Va., and a son, Lonnie (Charlie Jr.), 19, who will soon go into the U.S. Air Force.

Charlie studied at the University of Buffalo while in the Air Corps cadet program, and later at McKenzie College here while working part time at Sears, Roebuck & Co. Later he became a division manager at Sears but left to join the Army Engineer Corps as a civilian employe in rehabilitating Volunteer Ordnance Works for TNT production during the Korean War.

He went to Holston Ordnance Works at Kingsport in a similar capacity, then returned to VOW here in 1955 and joined Atlas Chemical Industries to create its property disposal unit. He remained there until he became city manager of East Ridge.

Charlie is a member of William E. Blair Post 95, American Legion, East Ridge Masonic Lodge No. 755, and Jones Memorial Methodist Church. A past president of the East Ridge Lions Club with a 13-year perfect attendance record, he served on its board eight years and as secretary-treasurer of District 12-0, Lions International.

He is a member of the Chattanooga-Hamilton County Regional Planning Commission, member of the board of Scenic Cities Beautiful Commission, and a member of several Chamber of Commerce committees, including the Area Beautification Committee. He is a consultant to the Tennessee Municipal League's Environmental Health Committee, and the Tennessee Highway Functional Classification and Advisory Committee.

After many years of playing softball, Charlie's hobbies now are golf and hunting.

### Louis Stein, 73, Dies in Hospital; Retired Social Security Officer

Louis R. Stein Jr., 73, retired district manager of the Social Security office here, died Sunday in a Chattanooga hospital.

Mr. Stein issued the first social security numbers to Chattanooga residents while working as a temporary employe of the Post Office Department. He had passed the civil service examination in 1936 and was officially appointed to the Social Security Administration in April, 1937. He opened Chattanooga's first Social Security office on June 1, 1937.

Born in Chattanooga, Aug. 31, 1881, he was the son of the late Louis Rudolph and Ida Shank Stein. His father, a native of Mecklenburg, Germany, was a naturalized U.S. citizen who was foreman for the Southern Railway terminal station here.

Mr. Stein was graduated from Central High School and Mountain City Business College in 1914, where he taught penmanship and spelling. He served in the U.S. Army in 1918-1919 and was discharged as sergeant. He was married to the former Ruby Moore on Jan. 28, 1921. He became a policy writer for Provident Life and Accident Insurance Co. Mr. Stein prepared the company's "No. 1" life policy issued to the late Robert J. Macfiehan, then president of Provident, later he worked as a life underwriter and field supervisor. He was an avid photography buff and belonged to the

### Let Down but Not Out

# Gene Etter Is Released By Orioles Farm System

By KEN JONES

If every professional baseball player loved the game like Gene Etter, there would be no Richie Allen and Joe Pepinios going AWOL simply because something didn't strike their fancy.

For nine years Gene Etter packed up every spring and trekked off to an training camp somewhere, and although he has spent five straight years in Triple-A baseball Gene has had to know for three or four years that he was never going to make the big time.

Nevertheless, he packed up every year and left for spring training because he loved the game that much. He loved it enough to twice be voted a most popular player award by the fans where he played, and he loved it enough to leave his teaching profession two or three months before school was set to pursue it.

So there must have been some heartbreak involved when the eldest son of E. H. Etter, the ultrasuccessful football coach who just left Central for Baylor, got the news early this week that he had been released outright by the Baltimore Orioles farm system.

"It wasn't really a shock," Gene said Friday morning between classes at Baylor, "but I must admit there was a little letdown. I guess they think I've just about had it."

Gene Etter started his pro baseball career in 1961 at St. Cloud, Minn., after finishing his college football career at the University of Tennessee.

GENE ETTER

A fullback in Bowden Wyatt's single-wing, Etter had his glimpse of fame one Saturday afternoon in 1966 when he broke off a long run that sent Ole Miss staggering to one of only two defeats, 18-16.

From his own 25-yard line in the fourth quarter, Etter skirted right end to go all the way. He was trapped at midfield by a tackle who held one foot for three or four yards before Gene broke it.

Making that story even more dramatic was the fact that only the week before the Vols had fallen to Chattanooga for the only time in UT history.

From St. Cloud, Gene went to Palatka, Fla. of the Florida State League in 1962 and then back to St. Cloud in 1963 where he hit .302 in the Northern League. The following year he moved to Wenatchee, Wash., of the

Northwest League and hit a solid .315.

That earned him a promotion to Triple-A baseball at Dallas-Fort Worth, and there he was to spend the remainder of his playing career.

Gene was such a success and so popular in the Texas twin-cities that he was demanded by the Houston Astros when that team bought the franchise from the Chicago Cubs before the 1968 season. The franchise went to Baltimore in 1969 and one of the stipulations of that deal was that Etter would remain in Dallas-Fort Worth.

He was selected to the Texas League All-Star team two years ago when he hit .280 as an outfielder. But then came the news in 1969 that resulted in the release Gene learned about early this week.

Now he's uncertain about his future except that he will remain in teaching and hopes to get a coaching job. He is now helping coach football on the ninth-grade level at Baylor, and he was asked if he expected to move up to the varsity level as an assistant to his father.

"I don't really expect to right now," he said. "Dad has told me he wants to keep all the assistants that are now. But maybe before too long..."

If Gene Etter pours as much into coaching as he did playing baseball he has no fear of there's a 1-2-3 evidence that he does. He's carrying a cast around on his right arm now because he broke it scrimmaging with Baylor's ninth-grade basketball team, which he coaches this year.

## LSU, Rively Are Winners In SEC Meet

AUBURN, Ala. — Louisiana State University's wrestling team clinched the first annual Southeastern Conference Wrestling Tournament team cup here Saturday night as the Bayou Bengals had four individual champions.

Auburn and Alabama had two champions at the end of the two-day meet while Tennessee had one champ. Georgia also had one.

James Plaisance and Steve Metra pummed their opponents in the championship final, helping the Bayou Bengals to an 80-60 margin over the Plainsmen.

Plaisance pinned Auburn's John Butcher in 3:31 to win the 142-pound class while Metra won the 158-pound class by pinning Florida's Jeff Shaffner in 3:34.

Auburn's Steve Brown scored the only upset in the finals when he outpointed LSU's Bruce Bennett in the 177-pound class.

Alabama finished third with 44 points, followed by Georgia with 43, Tennessee 23 and Florida 23.

Chattanoogaans figured into the meet as UT's champ, Glenn Rively is a former Central wrestler and Auburn's John Butcher, a former Red Bank product, took a second place.

Tom Holliday, who tore his Achilles tendon last week in the SEIWA tourney, was unable to compete in the tourney and that might have costed Auburn's Holliday was a sure-fire threat in the 158-pound class.

# Larry White Doesn't Know When to Quit, Will Try Again for Class 'A' Pro Status

By ROY EXUM

Houston-Free Press Sports Writer

It started when he was about fifteen years old. It was right after his brother, Jimmy, beamed him with a three-wood, causing a wound that took eight stitches to close and poor Larry White hasn't been the same since.

Instead of shying away from the weapon that was capable of such a devastating blow, Larry grew to love the crisp morning air, the glint of steel shafts and the solid, almost beautiful sound a golf ball makes when hit squarely.

And all because Larry Edward White didn't know when to quit.

Sure, there have been times when he wished he never had picked up a club. Like the time he placed third in a pro tournament, expecting to pick up a cool \$750 but only to learn the tourney, in the meantime, had gone bankrupt.

Or like the time, last October, he was trying to qualify for his PGA Class "A" touring card and missed by one stroke. Or like this past weekend, when, playing in the First Flight Open in Memphis, he three-putted the last three greens to end up with a 74 and a fourth.

"But you gotta remember the good times, the good rounds. Those are what count," said Larry, the teaching pro at Eastgate, earlier in the week.

And Larry's good rounds outweigh the bad by a vast margin.

Larry started playing when he

was a caddy at Brainerd. "I was 11 or 12, I forget which, and saved the money I earned until I was 13 and could buy my own membership.

"Then I started playing every day. I would get on the course at dawn and play until dusk," he chuckled, remembering. "My father bought me a set of clubs and some days I would play as many as 72 holes, stopping only for a Coke."

And those long days spent trudging over Brainerd's grounds paid off all because he didn't know when to quit. He earned a varsity berth at Central High by the eighth grade and, during the five-year tenure under Jack Archer, was captain three seasons.

He placed second in the State high school tournament in 1962, won the event in 1964 and placed second again in 1965. But he still hadn't reached his peak.

"I guess I really started playing well when I was 17 or 18. Coach Archer really helped me; too. He made me practice and

got me a scholarship at Houston."

But Larry played a big part in that scholarship, too. Any college coach would jump at the chance to land a high school senior that could fire as low as 63 at Valleybrook and Brainerd. And Dave Williams did exactly that.

Larry shortly found himself playing at Houston's No. 1 freshman and then three more years he played on Houston's varsity—the same varsity that has won 16 of the last 18 NCAA titles.

"I learned a lot at Houston. Coach Williams taught me not the buckle under pressure and the boys also showed me a lot," he remembered. And Larry also remembered how he, despite rain and cold, edged Bob Barbarosa for the L.R. Goldman Intercollegiate Tourney title by one stroke as a senior.

"A lot of people have helped me out and I'll always be indebted. Morton Center, a local chemical executive, gave me summer jobs and taught me a lot I won't forget. Coach Archer, who is now at Lakeview, gave me a lot of help and got me started on the right foot.

"Mother and Daddy stood by me all the way, too. They will be behind me in whatever I do. And Ira Templeton g-

me this teaching job and an opportunity to work on my game here at Eastgate. How do you think a great guy like that?"

"When I teach somebody, I try to stress the proper swing and the right fundamentals. I like to teach. I like to see people improve. Look, if I can teach somebody something that I have

RON PATTERSON QUINETH ROBERTS

## Patterson and Roberts Swap Mound for Plate

### Former Pro Baseball Pitchers Lead Golden Gallon Slow-Pitch Team

By CONNER GILBERT  
News-Free Press Sports Writer

Two of the best high school baseball pitchers to come out of Chattanooga in the last dozen years are now two of the best hitters, on probably the best slow-pitch softball team ever assembled in Chattanooga.

Quineth (Red) Roberts and Ron Patterson, who played high school baseball here and then in the minors are now feared sluggers in the Southern Major Slowpitch Softball League, members of the unbeaten Golden Gallon team.

Roberts was a star hurler for Central and graduated from there in 1926. He went to Auburn and signed a professional contract after his sophomore year with the Detroit Tigers organization. "I only had one hit, and that's what the game decision in AAA ball. I played most of the time in AA," said the personable red-head. Roberts beat the old Chattanooga Lookouts in 1963.

He hurt his elbow in June of 1955 and had to give up a promising career as a big-league hurler.

The powerfully built Patterson hurled for Kirkman and graduated in 1960. He later signed with Kansas City and was on their major league roster in 1962. "I played most of the time in AA ball in Albuquerque, N.M.," he said.

The two hurlers gave up baseball and are now members of the Golden Gallon team. Roberts started playing slowpitch with the old FVW Rebels and then played two years with Kobax before joining Golden Gallon last year. Patterson played with Kobax and joined the Gallon team this year. Roberts plays the outfield, but does pitch some. Patterson is a catcher but lately has been playing in the outfield. "Because I hurt my knee and I can't bend it a lot," he said.

Both players have built a reputation in the league for "tearing the cover off the ball." This reporter saw one of their games last week and in four trips to the plate Patterson had four hits, two of them long, towering homers over the right-center-field fence on Cooke 1. "I had a bad night that game," said Roberts with a grin. "I was zero-for-three, but after all I pitched that game," he said laughing.

Asked why more and more players are going to slowpitch, both agreed that "slowpitch is really a fast game. People o-

all ages can play. The only thing slow about slowpitch is throwing the ball to the batter. There is a lot of hitting, running, good defense, and homers, and that's what people like to see."

Patterson uses their strength to overpower the ball. "I guess it is power," he said. "I like to hit, and that's what the game is all about, so I just try to hit the ball solid."

Talking about their present ball club, Roberts said: "I think this is probably the best

slowpitch team ever assembled here. We have good speed, good defense, and plenty of bat power." "Right," chimed in Patterson. "This team has got the makings of a world champion."

They might be right, and if they do take all the marbles, some of the credit will have to go to the two former pitchers, who are now dreaded sluggers.

Mrs. Ronald Burch Wheeler  
(The former Miss Rebecca Earlene Rievley)

### Wheeler, Rievley Nuptials

The marriage of Miss Rebecca Earlene Rievley and Ronald Burch Wheeler was solemnized at a 6 o'clock in the evening on May 2 at King's Point Baptist Church with the Rev. William Mauldin as the officiating minister. Miss Sherri Crawford, organist, and Mrs. Susan Bible, soloist, presented the nuptial music.

The bride is the daughter of Mr. and Mrs. Earl H. Rievley Jr. and the parents of the bridegroom are Mr. and Mrs. Charles K. Wheeler.

Given in marriage by her father, the bride wore a gown of white peau de soie and embroidered Alencon lace trimmed with seed pearls and teardrops. The Empire bodice was designed with a high scoop neckline, elbow sleeves and detachable circular chapel train. Her fingertip veil was attached to a forward cap of white peau de soie roses and lace petals. She carried a white bride's Bible carried by her mother and topped with a cascade bouquet of a white cattleya orchid, white roses and stephanotis.

Miss Gail McPhee served as maid of honor. Bridesmaids were Miss Gayla Wheeler, Miss Sharon Rievley and Miss Sybil Smith. All attendants were attired in slipper length gowns of maize dotted Swiss and featured oval necklines, brief sleeves and satin folds with Venice lace outlining the waistlines. Their bridesmaids wore tulle tier boxes with bouffant veils and they carried Colonial nosegays of daisies and baby's breath. Miss Tammye Collins and Miss Kelli Butler who were the flower girls, wore white dresses of silk organza embellished with yellow. They carried yellow baskets of daisies and rose petals.

Kin Choate acted as best man. Groomsman were Gary Mastlock, David Rievley and Glenn Rievley.

For her daughter's wedding, Mrs. Rievley chose a mint green silk shantung ensemble with a lace bodice, mint green and white accessories and a white cattleya orchid. The mother of the bridegroom, Mrs. Wheeler, selected a dress of periwinkle blue fashioned with a lace bodice and pleated skirt. Her corsage was of a white cattleya orchid and she chose white accessories.

The reception was held in the fellowship hall of the church. Those assisting in serving were Mrs. Patie Longest, Mr. Susan Bible, Mrs. Linda Wheeler and Miss Karen Butler. Miss Susan Rievley kept the bride's book.

### Central Performs Heart Transplants

A pair of patients turned turtles this week at Central High School, in the cause of science.

But for a few minutes, before their untimely demise, two turtles made medical history by swapping hearts.

The delicate operation was performed by some 25 students in two science classes taught by Dr. Ed Owens. It took more than five hours to complete, the instructor said Tuesday.

How long did the patients live with their turnaround tickers?

"We think about two hours," he said. "At least there was movement that long — I don't know whether there was life or not. With that type of animal you can cut their heads off and their heart will continue to beat for four hours."

(Future bride of Gary Earl Matlock)

### Revill, Matlock Engagement

Mr. and Mrs. Daniel Henry Revill announce the engagement of their daughter, Miss Pamela Alice Revill, to Gary Earl Matlock, son of Mr. and Mrs. Earl Mitchell Matlock.

The wedding will take place Aug. 29 in a ceremony at the Memorial Baptist Church in Hixson.

The future bride is the sister of Mrs. William Edward Palmer of Knoxville and the granddaughter of Mrs. Samuel Harjensen Revill of Durham, N.C., and the late Mr. Revill and the late Mr. and Mrs. Thomas Boone Davis of Roxboro, N.C.

Miss Revill is a graduate of Red Bank High School, attended Carson-Newman College. She is presently employed by Provident Life and Accident Insurance Co. Her church affiliation is with the Memorial Baptist Church.

The prospective bridegroom is the brother of Mark Daniel Matlock and the grandson of Mrs. Henderson Bud Baker of Dickson and the late Mr. Baker and the late Mr. and Mrs. Wayne Beauregard Matlock of Dickson. Mr. Matlock is a graduate of Central High School, attended Middle Tennessee State University and is presently employed by Stein Construction Co.

### Rievley-Smith Vows Are Repeated

Miss Sylvia Smith, daughter of Mrs. Mildred Ruiz of Chicago, Ill., became the bride of Mitchell Glenn Rievley Jr., son of Mr. and Mrs. Mitchell Glenn Rievley Sr. of Harrison, in a ceremony performed Sept. 22 at the Bartlebaugh Baptist Church. The Rev. C. E. Rievley officiated and music was provided by Rodena and Becky Cook.

M. Y. Davenport gave the bride in marriage. She was attired in a floor-length gown of princess line with a trest lace panel. A chapel-length train highlighted the gown. Her veil of illusion was held by a Designer's bow and she carried a Bible topped with a white orchid surrounded by white roses.

Becky Wheeler attended as matron of honor and Janice Smith was maid of honor. Bridesmaids were Julie Painter and Susan Davenport.

The attendants wore floor-length gowns of moss green with white bodices and white organza sleeves trimmed in moss green buttons. The Empire waistlines were accented with pink and green trim. They each carried one long-stemmed pink rose.

Tammy Evans, flower girl, was dressed identically to the other attendants. Gregg Rievley served as ring bearer. Courtney McIntruff acted as best man. Groomsmen were Keith Rievley, Thomas Mathis and Benny Smith.

For her daughter's wedding, Mrs. Ruiz chose a pink A-line dress accented with a large bow at the V-neckline. She wore a white orchid corsage. Mrs. Rievley, mother of the bridegroom, wore a pink dress accented with a white waistband. Her corsage was a white orchid.

A reception in the fellowship hall of the church followed the ceremony. Serving were Susar Rievley, Janet McNabb, Janet Smith and Lydia Blevins.

For her wedding trip to Pensacola, Fla., the bride selected a beige dress with accented neckline and brown crushed patent accessories.

The couple is residing at 232 Kingston Pike, Apt. 511, Knoxville.

Out-of-town guests were Mr. and Mrs. Jim Davis of South Pittsburg, Pat Rabedaux and Mrs. Lee Castrell of Atlanta, Ga.

MILLSAPS, SUMMERS AND MOSS (FROM LEFT) AIM FOR \$50,000 ATHLETIC COMPLEX

By BEECHER HUNTER  
Appointment of Ray Moss Jr. as general chairman of a campaign to raise \$50,000 for construction of a football stadium and athletic development at Central High School was announced Thursday.

Selection of Moss, who is president of Golden Gallon Milk Stores Inc. and Ray Moss Farms, was disclosed in a press conference in the office of Attorney Jerry Summers, president of the alumni association.

enough — we want a home," Summers declared.

"And we're going to have a home," Moss added.

The drive is being sponsored jointly by the alumni association and Boosters Club. The athletic facilities will benefit Central, J. B. Brown Junior High and Harrison Elementary — all on Highway 56 — Summers said.

The campaign officially gets under way with a coffee at 7:30 p.m. Tuesday in the school cafeteria to discuss plans.

(Summers said.)

"All persons interested in assisting in this campaign, including alumni, parents of students and residents of the Harrison community are urged to attend the kickoff coffee March 24," Summers asserted.

The athletic complex, which would include a 5,000-seat football stadium, lighting, a baseball field and track, is estimated to cost about \$76,000. Summers and others appointed a committee to see Page Twelve, Column Six.

# MOSS TO HEAD FUND DRIVE

## New Stadium Sought for Central High

Ray Moss Jr., a local business and civic leader, has been named general chairman of one fund-raising campaign for a football stadium at the new Central High School at Harrison.

The announcement of Mr. Moss' appointment was made by Central High Alumni President Jerry Summers and Principal Hobart Millsaps.

The alumni association and the Central High Boosters Club will kick off the campaign to raise \$50,000 for the stadium on Tuesday night at 7:30 p.m. with a coffee in the school cafeteria.

Mr. Moss, president of Ray Moss Farms and the Golden Gallon Milk Stores, was one of Chattanooga's outstanding high school football players at Central under Coach Red Etter and later went on to Tennessee where he was a linebacker.

While at Central, he was president of his class for three years, represented the school at Boys' State, an ROTC cadet officer, member of the Disc and Diamond Club and the C Club and won the senior superlatives leadership award and the Thom McAn Sportsmanship trophy.

He won All-State football honors for four years as a center and linebacker and was also All-City, All-Southern and All-America in high school.

MONEY GIVEN FOR ATHLETIC DEPARTMENTS—The Harrison Ruritan Club recently gave a total of \$319 to the athletic departments of Harrison Elementary, J. B. Brown Junior High and Central High schools. The money was raised over the past few months by ham and turkey dinners the club held during the winter and the profits from the concession stands, operated by the club members' wives. These present for the ceremony include, from left, R. E. Kidd, publicity director; Henry Colston of J. B. Brown, Stan Farmer of Central, Luther Miller, president of the Ruritan Club, and Charles Bean of Harrison Elementary.—(Staff photo by John Goforth.)

# Central Stadium Given Green Light

By REX SANDERS  
Herald-Free Press Staff Writer

Central High School today got the go-ahead sign to put out bids for its stadium from the Hamilton County Board of Education.

The go-ahead came in the way of a statement by the board that it would participate in the Hamilton County Council approved its 1970-71 fiscal budget. The board made no specific money commitment.

Tom Claxton, a member of the Central High Boosters Club, appeared before the board and reported that the fund drive for the stadium complex has a total of \$40,000 in cash, pledges, or rentals or labor already committed.

Mr. Claxton noted that the track will be ready for use next Monday and the baseball field should be ready for use next week.

Mr. Claxton told the board that the cost of the stadium complex has now been estimated at \$109,500 rather than the \$78,000 previously estimated.

The boosters club and the alumni association are hopeful.

that the board will pay at least 50 per cent of the cost of the stadium complex.

The board told Mr. Claxton that the funds it will use to aid in building the complex will have to come out of next year's budget, which will not be approved until later by the county council.

In other business, the board agreed to see a 30-minute film on sex education produced by the John Birch Society.

Changes in personnel approved by the board include the hiring of several teachers.

They included Miss Carolyn Colvard for Harrison Elementary, Mrs. Phyllis W. Treva for Hixson Junior High, Mrs. Faye J. Smart for Tyne High School, Mrs. Virginia DeBrooks for Bakewell Center.

**Pounder Drive  
Raises \$25,000**

The Central High School athletic fund drive, spearheaded by the school's Alumni Association, has reached the half-way point toward a goal of \$50,000, according to Jerry Summers, president of the group.

"We've got around \$25,000 in cash so far," stated Summers. "Also, we have pledges worth \$5,000 and are awaiting a couple of pretty large donations from industries. It's been slow and a little rough this past month," Summers added.

A contract has been awarded to construct the concrete at the football field. The track and baseball field have been completed and work is centering around the football facility.

"The stadium will hold 2,700 fans," said Summers. "With seats from goal to goal on one side of the field. Lights and a press box are included in the program."

By TERRY WOODS

The weather does not seem to be on the side of Central. After rain-soaked Homecoming activities, snow provided an icy setting for the ceremony honoring the first Mr. and Miss Spirit. Overcoming the blizzard, however, Junior Bonnie Wingo and senior Mike Baskette were chosen by the cheerleaders as the two who best exhibited the Central spirit. They were presented a purple and gold spirit stick and a free pass to all home basketball games.

This was not the only first and week. Red-painted noses washing pennies through the sails and blushing boys proposing marriage to their teachers highlighted a series of initiatives for new Key Club members. Other students had been going through what seemed like an initiation until last Friday when lockers were distributed.

The Labor Staff has selected two officers to assist chairman Brenda Sewell and vice chairman Judy Womack: Linda Ault, secretary; Amanda Rhodes, treasurer Janice Buuck and Carolyn Chaney, cochairmen; and Barbara DeSha, social chairman.

Three members of the Pounder grid squad were named to the Chattanooga Times' All-City Team: Captain Bobby Downs, center; Alan Hawk, guard; and Henry Radford, back.

**Ex-Moc Halfback Will Replace Charles Pruett**

Central High School, which has had only two head football coaches in the past 38 years, today lost its second chief grid member in the past three months.

Jack Archer, given the position only last January, was named athletic director, head football coach and head baseball coach of Lakeview (Ga.) High this morning, subject to approval by the Chattooga County Board of Education which meets later this month.

Lakeview Principal Huston Black and Hamilton County Superintendent of Education Dr. Sam McConnell issued a joint statement on Archer today.

Archer will replace Charles Pruett as athletic director and football coach and Paul Barrett as baseball coach. Pruett stepped down earlier this month after 11 years at the Warrior helm and Barrett resigned to take over as head grid coach at Section 1A.

Archer, who has lived in the Fort Oglethorpe community for the past 18 years and handled the Dixie Youth program there, already knows many of the players he will be coaching in high school.

At Central High for 10 years under T. B. (Red) Elter, who resigned in late January to accept the position as athletic director and head football coach at Baylor School, Archer's resignation comes less than three months after he was named head football coach of the Pounders. He is a former halfback at UTC.

in a commendable way the past 26 years. We are grateful for his services and wish him success and happiness in his new assignment. I believe he will do everything in his power to do a good job at Lakeview. They are fortunate to attain his services," said Millage.

At the county board of education meeting this morning, Central was given the go-ahead to take bids on building its new stadium. The track has already been completed and the baseball field will be finished next week.

Twelve members of the Tri-Hi-Y are participating in the annual Tennessee YMCA Youth Legislature this weekend during which they will present a bill providing for lowering the voting age.

Delegates are Mary Snyder, Karen Aske, Dale Wyatt, Mary Alice Barnett, Cathy Perry, Judy Strood, P. M. Shipley, Marianne Tinker, Becky Cook, Linda Corwin, Jan Templeton, and Cathy Botton.

Seven juniors will represent Central in the Boys and Girls State Conventions this summer. They are Karen Askew, Sante Vaul, Becky Watson, Chuck Flora, Joe Hollerback, Ted Moon and Danny Sharp.

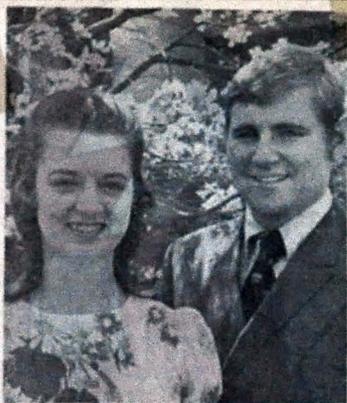

Alternates are Mary Alice Barnett, Ann Helton, Cathy Perry, Rick Duncan, John McQueen, Clyde Moore and John Morgan.

Gail Womack will serve as next year's FHA president. Other officers are Starr Ivester, vice president; Pam Cain, secretary; Linda Crowmover, treasurer; and Susan Bankston, chaplain.

The girls also selected selector Jan Templeton as their 1970 Sweetheart.

Purple from 1922-43 and Etter managed the Pounder football over the next 27 years.

In addition to his duties at Central, Archer has been named recreation superintendent of the Fort Oglethorpe Recreation Department. His salary for his work here will be the same as it was last year with no supplement being given him from the recreational department for his duties at Lakeview High.

Archer, in his statement this morning, said, "My 16 years at Central were very pleasurable. I feel I learned a lot of football there. I have lived in the Fort Oglethorpe community for 16 years. It's a growing community and has some mighty fine athletes. I'm looking forward to working with Mr. Black at Lakeview. I know that this is going to make some people at Central disappointed, but I'm looking forward to the challenge at Lakeview."

Archer, originally from Dayton, Ohio, was a star halfback with the Moccasins in the late '30s. His resignation, effective June 5, leaves two vacancies on the Central High staff and means that the new head football coach at Central will probably come from outside the present staff.

A prime candidate for one of the vacancies would be Dickie Phillips, a former high school All-American at Central, and now on the Red Bank coaching staff. He starred at the University of Georgia.

At the same time Archer was named head football coach at Central in January, Stanley Farmer, long-time assistant to Etter, was given the athletic director's post. But there have been reports Farmer may give up this job for a principal's position or another assignment in the school system.

Hobart Millsaps, Central High principal, said that the vacancies would be filled and the decision would be made jointly by himself, the superintendent of schools and Stan Farmer, Central athletic director.

"We regret coach Archer leaving the instructional and coaching staff at Central. I think he served the school in

### PRINCIPALS GOING TO CONFERENCE

Administrator Meeting in Gatlinburg Set to Start Sunday

Several Hamilton County school principals, as well as a number of education department administrators, will attend an administrators' conference Sunday through Tuesday in Gatlinburg, Tenn.

Theme of the conference will be "Issues Imperative for Action in Education Today."

Dr. J. Fred Johnson, pastor of First Cumberland Presbyterian Church, will speak to the group on Sunday evening.

On Monday, speakers will include Dr. D. P. Culp, president of East Tennessee State University, and Dr. Hugh V. Perkins, professor of education at the University of Maryland. A meeting of the Hamilton County Principals' Association will conclude Monday's activities.

Tuesday speakers will include E. C. Stimbert, superintendent of Memphis City Schools, and W. H. Millsaps, principal of Central High School and president-elect of the National Association of Secondary School Principals.

Several group discussions also are planned for the conference. Lewis, a native of White Ha-

### Nomination to High Office

#### Eyed for President Secondary Schools

Central High School has had only four principals in its 62-year history.

Prof. A. R. Darrall served as the school's leader from 1907 until 1912, when he was succeeded by John Ziegler, who served until 1921, when Stacy E. Nelson became principal.

W. Hobart Millsaps succeeded Mr. Nelson in 1928. It was during the administration of Mr. Nelson that all major additions to the old school building on Dodds Avenue were made. Among the additions were the gymnasium, the cafeteria, the auditorium, the library and the two wings.

Mr. Millsaps is widely known in educational circles and is presently a nominee for the presidency of the National Association of Secondary School Principals. The election will be held during this school year.

Mr. Millsaps has been active in other educational organizations at the local, state and national levels. He has served as the president of the Tennessee Association of Secondary School Principals, the Hamilton County Education Association, the East Tennessee Education Association and Lookout Schoolmasters Club.

In 1963 he was instrumental in Central's receiving the National Bellamy Flag Award, an award given annually to only one school in the nation in honor of the memory of Francis Bellamy, author of the nation's Pledge of Allegiance.

The Headmasters Association, a nationally known organization to which only two other Tennesseans belong, invited Mr. Millsaps to become a member last year.

Dr. Margaret S. Miller, founder of the National Bellamy Flag Award, will lead in the recitation of the pledge of allegiance to the flag.

The varsity Glee Club, directed by K. W. John, and the band, directed by Robert Dugan, will perform together in playing "The Star-Spangled Banner" and "America, the Beautiful." The glee club will sing "Bless This House," a cappella.

Responses will be delivered by E. B. Etter for the faculty, Bobby Downs, senior class president for the student body, and by the Rev. Samuel R. Spruce, who will represent patrons of the school.

Guests will be welcomed in the administration area of the school, where copies of the program and of the school newspaper—the Central Digest—will be distributed.

W. HOBART MILLSAPS

A reception for all visitors will be held in the commons from 3 until 5 p.m.

Classes in the new school began in September. The school's 62-year history on Dodds Avenue ended in May, the result of an unfavorable evaluation made in 1964 by the Southern Association of Colleges and Schools, which after a regular 10-year evaluation, reported that the old building was "inadequate to house the program of a progressive and rapidly expanding school."

The association informed county school officials that unless renovations or a new building were planned, Central would lose the accreditation it had held for 44 years.

It was estimated that satisfactory alterations would cost \$200,000, excluding the normal costs of maintenance. Among the alterations deemed necessary were the replacement of the steam boilers and the enclosing of the four open stairwells at a rotunda in the heart of the building.

The Hamilton County Board of Education voted to request the County Council to request appropriate funds for a new school building and recommended that it be constructed in the rapidly growing Harrison area, where the school was built.

Specifications for the building written by committees composed of Central faculty members and supervised by representatives of the Southeastern Center of Educational Facilities Laboratories Inc. of the University of Tennessee.

The history of the school began with a legislative act in 1906, and the doors to the school, then located at 500 Dodds Ave., were opened in January of 1908. The school was the first full four-year secondary school in the county. Prior to its opening, pupils attended classes in a nearby building in Ridgeland.

Central completed its first year with 19 of the 22 senior class members graduating. At that time, there were 11 faculty members.

The school has been fully accredited by the Tennessee State

### Millsaps President-Elect Of High School Principals

By BILL CARTELL

William Hobart Millsaps, principal of Central High School since 1928, was elected president-elect of the National Association of Secondary School Principals during the 1970 NAASSP convention Wednesday in Washington.

He will automatically become president of the organization in 1971.

Millsaps has been a member of the NAASSP since 1948. He has missed only one national convention during that time.

He was elected to the NAASSP executive committee in 1963 and to the board of directors in 1967. Millsaps is a past president of the Tennessee Association of Secondary School Principals.

More than 10,000 members of the 35,000-member organization attended the convention. NAASSP sponsors the National Honor Society and the National Junior Honor Society as well as the National Association of Student

### Honor to Millsaps

His friends, associates, former students and others will congratulate Hobart Millsaps on his election to the presidency of the National Association of Secondary School Principals. To his long association with this large group with its geographical breadth and experience, Mr. Millsaps has brought the same kind of personable, friendly and helpful approach that has helped win many an award for Central High School, of which he is the veteran principal. By 1971, when he is scheduled to take over the NASSP post, Central will have been well on the way to new vistas out at its new location in Harrison.

### Honor for Hobart Millsaps

The National Association of Secondary School Principals is an organization of 35,000 members across the country. Obviously, it is an honor to be its president. All the citizens of our community who have had an opportunity to know of the character, devotion to duty and ability of William Hobart Millsaps are pleased that he has been named president-elect, to succeed automatically to the presidency in 1971. Hobart Millsaps is a local man who has dedicated himself single-mindedly to the education of local youth. He long has been known as the outstanding principal of Central High School.

He is a man who has unashamedly raised a lofty standard for his students. God and country and love of school and the value of personal responsibility have been the foundations of his leadership. He has helped to carry on the fine traditions of Central High. He has made a tremendous personal contribution in our community. For good reasons, there are countless local citizens who applaud this honor accorded a man by leaders across the nation who have seen some of the good qualities we know Mr. Millsaps to possess.

### MILLSAPS GETS NASSP POST

#### Will Succeed President in '71

Principal Hobart Millsaps of Central High School has been elected president-elect of the National Association of Secondary School Principals at the annual convention in Washington. He will automatically become president next year.

A graduate from Milligan College with a B.S. degree in chemistry, Mr. Millsaps has been principal at Central since 1959. He became a member of NASSP's executives in 1963 and was named to the board of directors two years later.

The principal is a native of Soddy and began his teaching and coaching career at Hixson High in 1953. Five years later he entered University of Tennessee and earned his master's degree. In 1959 he coached and taught at Lenoir City. The following year he came to Central as a teacher.

Fri. - Feb. 20, 1970

Challenging what he called the "zero busting syndrome"—the tendency of critics of education to cast heritage and progress aside and go out on a limb—educator Robert Millsaps today urged concern and coordination among home, church and school, "if our so-called sick society is to recuperate."

In his address to the Chattanooga Civitan Club, the Central High principal, who last week was named president-elect of the National Association of Secondary School Principals, insisted that there are "many things right with education — not all things are wrong."

"Modern times do demand that we as educators must have wisdom and vision to separate the wheat from the chaff . . . that we be flexible, fluid and open-minded toward new ideas, but we don't want to be the first to cast the old aside or the last on which the new is tried," he asserted.

He told the luncheon assemblage at the Hotel Patten that the vocal and militant minority "doesn't speak for the great majority who are concerned over the purposes and objectives of education."

The educator called for mental, physical, emotional, psychological and moral discipline on the part of educators, parents, students and citizens.

## DISCIPLINE FIRST

"Before a mind can be trained to its greatest potential, it must first be disciplined."

"We can't wait until a child gets into elementary or secondary school to teach proper attitudes and actions which are conducive to good citizenship and character," he declared.

Mr. Millsaps, who has been a coach, teacher or administrator in the

east Tennessee since 1933, took issue with articles critical of education that appeared in recent issues of national magazines.

He dwelt at some length on an article by John Holt in the Jan. 13 issue of Look magazine, which advocated, among other things, abolishing compulsory attendance, certification for teachers, required curriculum, all testing, grading, I.Q. tests, admission requirements, etc.

"I disagree vehemently with most of these ideas . . . here is where educators must have wisdom and vision to separate the wheat from the chaff," he asserted.

"This is a period of adjustment and readjustment, evaluation and re-evaluation," the educator declared, "what we are trying to do is be relevant and keep an open mind."

Civitan Roy E. Scruggs, former member of the Hamilton County Board of Education, introduced the speaker.

3 NCO'S ASSIGNED  
UTC ROTC DUTIES

Cavendish, Alligood and  
Boatwright Served  
in Vietnam

Three uncommissioned officers have arrived at the University of Tennessee at Chattanooga to take up new duties with the ROTC program, Lt. Col. Donald Purrington, chairman of the military science department at UTC, said Thursday.

The new instructors are Sgt. Maj. Lewis C. Cavendish, M. Sgt. Arthur V. Alligood and Cgt. I.C. Irvin G. Boatwright.

Cavendish, a native of Cleveland, Ohio, volunteered for the regular Army after graduating from Taylor High School in his home town. This year marks his 27th year of active duty.

He comes to UTC directly from Vietnam, where he served for a year with the 4th Infantry. During World War II he served in the European Theater and received the Purple Heart while fighting with the 1st Armored Division.

**Other Honors**  
Other military honors he has received include the Bronze Star with an Oak Leaf Cluster, the Air Medal with an Oak Leaf Cluster, and the Army Commendation Medal with two Oak Leaf Clusters. He is also the recipient of the Good Conduct Medal and the Combat Infantryman's Badge.

Cavendish will teach map-reading and small-unit tactics at UTC.

Alligood, a 34-year-old man, was reassigned to UTC from Georgia Tech.

A native of Moultrie, Ga., he attended Moultrie High School and volunteered for the Army in 1952.

He is the recipient of the Purple Heart, the Bronze Star, and the Silver Star for his service in Vietnam with the 22nd Division.

Alligood's new duties will include maintaining training files and lesson plans and some drill instructing.

Boatwright is a Chattanooga who graduated from Central High School. He has previously served 16 years of voluntary active duty in the U.S. Army.

Prior to his arrival here, he served for a year in Vietnam and returned to the John F. Kennedy Center for Special Warfare at Ft. Bragg, N.C.

Boatwright will be administrative NCO of the ROTC program at UTC.

ANNE MOFFITT,  
EX-TEACHER, DIES

Native of Chattanooga  
Taught English  
at Central

Miss Anne Moffitt, retired Central High School teacher, died Wednesday in a hospital in Winston-Salem, N.C.

At the time of death, Miss Moffitt was visiting her sister-in-law, Mrs. James Moffitt in High Point, N.C.

She was the daughter of the late Rev. William A. and Mrs. Manolis Price Moffitt, longtime residents of Chattanooga.

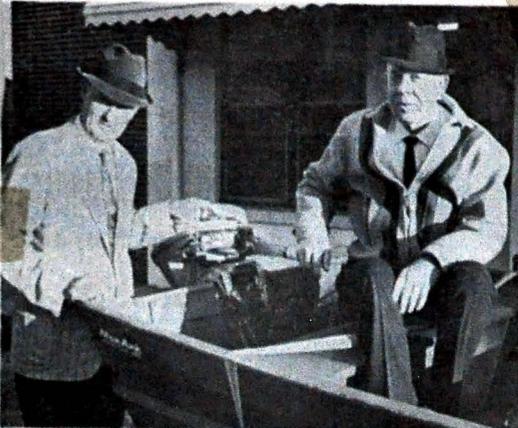

Miss Moffitt was a graduate of Central High, Carson-Newman College and Columbia University, New York. She began her teaching career at Dossy High School and later transferred to Central High School where she taught English for many years.

She was active in the First Baptist Church where she served in the church library. Miss Moffitt was a member of the American Association of University Women, the Retired Teachers' Organization and the Christian Women's Club.

Survivors include several nieces.  
Funeral services will be held at 2 p.m. Friday at the First Baptist Church with the Rev. W. Eugene Spears officiating. Burial will be in Forest Hills Cemetery.

The Chattanooga Funeral Home has charge of arrangements.

Miller Sells Contracting Firm

MILLER AND WILLIAM C. THORNBURG

By W. C. KING

J. L. Miller, who has been in the plastering contracting business in the tri-state area since 1925, announced Saturday that he had sold his business and, with the exception of handling some of his rental property, was retiring.

J. P. Wilson, contractor, 2000 8th Ave., was the purchaser of Miller's business, machinery and equipment and plans to consolidate the new holdings with the business he has operated for about 15 years.

Miller, an ardent fisherman, was born in Bradley County but moved to Chattanooga at an early age and graduated from Central High School in 1924 and went into business on his own a short time later.

Johnny, as Miller is known to intimate friends, worked as a plasterer's helper on one job and then contracted for another job on his own. He bid on jobs and then worked under experienced men on his projects in order to learn the trade.

One of Miller's most recent jobs was in the remodeling of the Hamilton National Bank Building where, he said, his pay roll reached as high as \$2,500 to \$4,000 per week in contrast to the \$21.00

weekly payroll he had to borrow from a brother on his first contracting job.

Miller started out in residential construction but later branched out into commercial-type buildings such as schools, hospitals, banks, warehouses and store buildings.

Memorial Hospital; Red Bank, Brainerd and First Baptist Church, the vocational school at Pikeville and the hospital at Copper Hill were among the jobs done by Miller's workmen.

Upon retirement, Miller made a presentation of a boat, motor, trailer and accessories to William C. Thornburg, who has been soreman on Miller's jobs since the start of the business.

One of Miller's stipulations in the sale of the business, according to Wilson, "was that I keep Thornburg as a member of my organization." Wilson, a native of Clarksville, Ga., also moved to Chattanooga as a lad and is a graduate of City High School.

from which to "go fishing and keep up with some real estate."

Before going into contracting on his own, Wilson was connected with Sewanee Coal and Supply Company and T. T. Wilson Co. and one of his many jobs was that of plastering the addition to The Chattanooga Times Building, which houses the press, mailing room and offices. Miller will keep the property on Vine Street, from which he has operated for several years and will rent the warehouse space located behind his office which he intends to keep as a base
