MR. J. POPE DYER

With pride and honor, the Class of 1963 dedicates its yearbook to Mr. J. Pope Dyer, respected by his professional colleagues, admired by the citizenry, and esteemed by his students. Last year Mr. Dyer, who has served Central for 30 years, was elected Master Teacher by the faculty of Central; he has been featured as Judge of the Day in the daily Times, and he has achieved national recognition for his contributions to the National Freedom Foundation.

MISS EDMUND HOOSER

A Tribute

Miss Edmund Hooser, former member of the English department, retired at the close of the 1962 school term. Miss Hooser served Central High School faithfully and efficiently for thirty-seven years. She is remembered and respected for her devotion to learning, as evidenced by the thoroughness of her teaching practices. We extend to you, Miss Hooser, every sincere wish for good health and happiness in the years which lie ahead.

The Assistant Principal

"Keenly conscientious and dedicated to his work" is a phrase that aptly describes Mr. Everett O'Neal, our assistant principal.

Mr. O'Neal is the student's friend and is ever ready to extend a helping hand. He truly contributes much in making our Central High the fine school that it is.

W. Everett O'Neal

The Principal

Dear Seniors:

Congratulations to you, the fifty-sixth graduating class of Central High School. You are an excellent group of young people who are worthy of the many honors bestowed upon you and upon your Alma Mater during this memorable year.

On October 11, 1963, Central High School will be the recipient of the 22nd annual National Bellamy Flag Award, one of the highest honors which can be bestowed upon a secondary school. With this outstanding award comes great responsibility. Let us rededicate ourselves to those fundamental principles which have made our nation a great one. Our constitution guarantees us many freedoms. They should be as vital and as sacred to us today as they were to our forefathers who, for those freedoms, were willing to pledge their lives, their fortunes, and their sacred honor. Let us all cherish our heritage and assume our responsibilities to God and to our country. May we practice by word and

deed the precepts which Jesus gave us for Christian living and good citizenship.

As you leave us, remember that our growth and future service is directly proportional to your interest in Central's total educational program. With your interest and support, she will continue to serve the youth of this community as she has during the illustrious years of her existence.

My prayer is that His hand will direct and protect you and that you will have a happy and rewarding life.

Sincerely yours,

W. H. Millsaps

Guidance

Guidance is an organized program through which we help boys and girls to understand and to use wisely the educational, the vocational, personal potentialities, and the opportunities which they have, or can develop. With such a concern, a wholesome climate should prevail for all students to develop in a positive manner. Counselors are willing to assist students with all school problems. Mr. Hale is the director of the program at Central, and Miss Hodges and Mr. Brown serve as counselors. Guidance services focus upon individual pupils. These services are thought of as organized activities designed to give systematic aid to pupils to assist in their learning about the large complex and changing world of opportunities.

Business Education

The Business Education Department has designed its program to meet the needs of all the students.

For those who plan to secure a vocational competence, excellent training is offered for secretarial, bookkeeping, clerical, or stenographic positions.

For those who plan to go to college, courses are included which give valuable basic training for their work there.

Lastly, for all students, the department provides a non vocational education which creates an appreciation and understanding of the business world.

Art

The objectives are to give the student a special means for personal and individual statement, thus helping to increase his realization of his own worth as one human being capable of doing something well and responsible for using well his peculiar abilities. To furnish the pupil with the special vocabulary of art: color, line, form, light, dark, paint, brush, paper, clay, stone, metal, cotton, silk, wool, and man-made fibers. To arouse the imagination to the point where the pupil will strive to put into form his own ideas, rather than turn to "the book" for something to do. To furnish only what technical skill the pupil may need to express his idea. To give some experience in a number of art areas so that the pupil may have some basis for choice in further art study.

Speech

The Speech Department offers beginning speech and dramatics to all students, grades nine through twelve.

The aim of the program is to help students to develop competency in participation of school and community activities.

This department is responsible for the production of school plays, the presentation of speeches on Senior Day, Class Day, and Commencement.

History

The History Department, led by Mrs. Virginia Skates, offers a number of courses in order to improve the quality of citizenship and to help students understand national and world problems.

Tennessee history is taught in the seventh grade, and United States history is taught in the eighth grade. Bible is offered in grades nine through twelve. World history is open to sophomore, junior, and senior students; and American history is required in the senior year.

Music

Our Music Department is one of the best, with opportunities for all in almost any field of music in which one wishes to participate. By participation, we broaden ourselves and learn to distinguish that which is good and at the same time study music that will enrich our life.

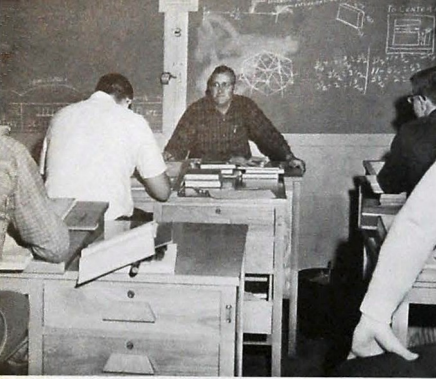

Home Economics

Students in the Home Economics Department get acquainted with the problems met by the entire family: physical, social, material, and emotional.

Consideration of individual problems such as reducing diets, personal grooming, and proper styling of clothes, adds to the self-confidence of the individual.

One of the basic objectives of home economics is to raise the standards of home living. This purpose is provided by a program which includes budgeting, management, child care, clothing, planning, and preparation for nutritious and balanced meals.

Industrial Arts

The Industrial Arts Department is led by Mr. J. J. Fletcher. This department includes mechanical drawing, woodworking, printing, and auto mechanics with a major offered in each. The purpose of this department is to give students knowledge and guidance in practical skills useful for future occupations. This year there are three hundred fifteen students enrolled in these useful courses.

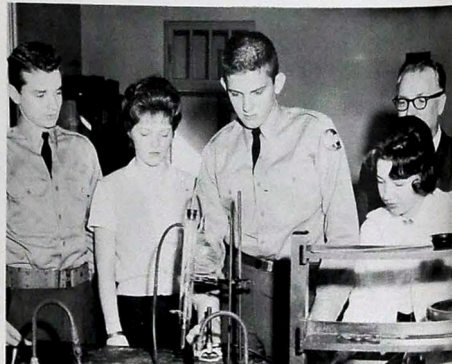

Mathematics

The mathematics curriculum consists of those courses, activities, and units of instruction designed to contribute to the common and specialized mathematics needs of secondary-school pupils. The curriculum places particular stress on developing accuracy and facility in the use of computational processes in practical situations. Provisions are made for pupils to develop skills and abilities in the mathematics areas of geometry, graphic representation and interpretation, elementary analysis, and scientific thinking.

Science

The Science Department is composed of seven instructors with Mr. J. Arlie Hoodenpyl as head. Within the department there is a composite one hundred and two years of teaching experience. Included in the department are general science, biology, chemistry, physics, and photography. During the present school year there are eight hundred fifty students enrolled within this department, whose purpose is to instruct the students in scientific knowledge and its practical application.

Social Science

The chief purpose of education is to train every student to become the best citizen he is capable of being. The social science subjects have the above purpose. They cannot achieve this aim entirely; they contribute to the achievement of it. Civics, economics, sociology, and psychology are comparatively new subjects in the curriculum. They are enriching subjects. They seek to acquaint the student with his background and environment and to contribute to his maximum usefulness in our society.

Languages

ENGLISH

The English Department, composed of twelve instructors, offers courses to meet the needs of all students in the school. In addition to the basic courses in composition, vocabulary, and drill, special features of the department are courses in reading, journalism, creative writing, speech, and dramatics. Both school publications, the *Digest* and the *Champion* are sponsored by the English department.

FOREIGN LANGUAGE

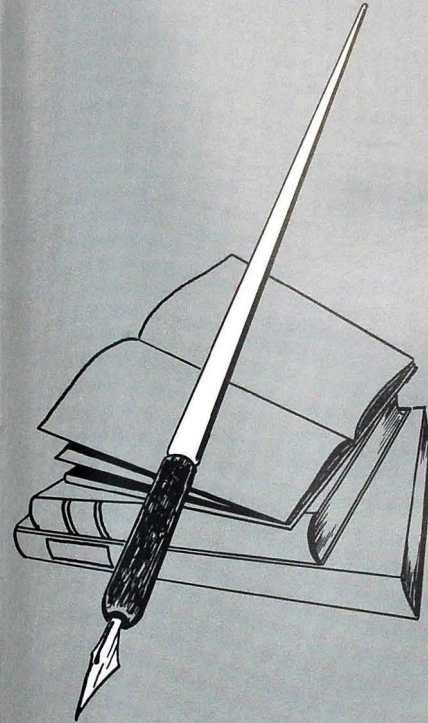

In our Foreign Language Department we are trying to develop facility in reading and writing the language, together with a more realistic approach to understanding and speaking the language.

To achieve the latter, the role of the language laboratory in the instructional program looms increasingly important, since it provides regular practice in listening and repeating the foreign language as presented by educated native speakers.

Listening practice is intended to lead to the ability to understand the spoken language, and the acquisition of a language laboratory should be of real value in attaining this goal, not to mention its value as a means of motivating the student in his language efforts.

Bellamy Award Nominee For 1963 . . .

MR. W. HOBART MILLSAPS, Principal—The proficiency of Mr. Millsaps was the foremost factor in our winning the Bellamy Award.

TEN FACTORS FOR DECIDING THE WINNER

Principal's Proficiency—Mr. W. H. Millsaps, as a conscientious and loyal administrator, has presented an excellent image of the school, staff, and alumni in which he has great pride.

Freedom Foundation Awards—In the past ten years Central has received eight of the annual awards which are given for outstanding display of patriotism.

CHMAQUE Brochure—Central High Means All-round Quality Education is a pamphlet sent to area junior high students.

Alumni — Central's active alumni association promotes scholarship awards and projects for the improvement of the school.

ROTC and Girls' Battalion—"These units develop patriotism, respect for authority, and qualities of leadership."

Bible Classes—These classes place emphasis upon the contribution of the Bible to history, literature, art, and music.

Teachers—The teachers of Central have an unusual record of long terms of service.

Public Relations — Business-Industry-Education Days and community projects, such as the recent 'Improving Americanism' theme, are examples of effective public relations programs.

Administration's attitude—The administration's willingness to teach all students and to care for all phases of their development.

The Honor Code—"This code exemplifies the Central Spirit."

R. O. T. C. at Central

Sgt. James F. Shields

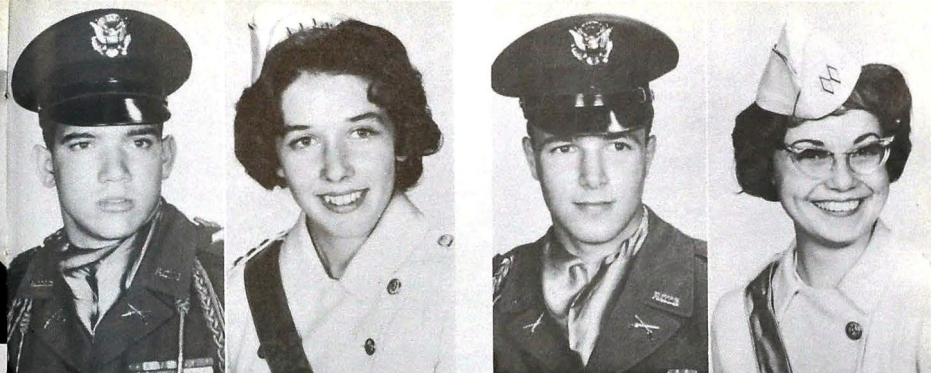

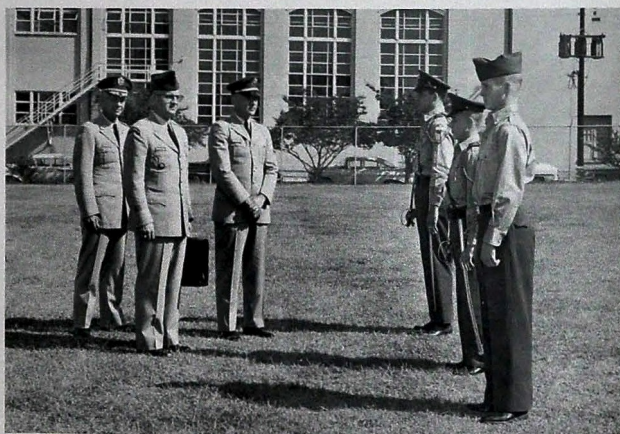

Sgt. Waymon L. White

M/Sgt. John A. Laughran

The Reserve Officers Training Corps of Central High School was organized on December 29, 1919, when an order to establish such units in Chattanooga high schools was issued by the Secretary of the Army and signed by the Adjutant General and Chief of Staff.

This unit is now in its forty-fourth year of operation and has proven to be an important factor in discipline and behavior throughout its long history.

The military department offers three years of study, two of which are required. Classes are conducted on leadership, drill and command, map reading, care and cleaning of weapons and equipment, small unit tactics, first aid, and other subjects related to the history and organization of the Army. Commanding the Military Department of both City and Central High Schools is Major Richard W. Brown. Teaching the Central Classes are a staff of instructors headed by Sgt. James F. Shields and consisting of Sgts. Carl G. Hammonds, Waymon L. White and M/Sgt. John A. Laughran.

E. B. ETTER
Head Coach

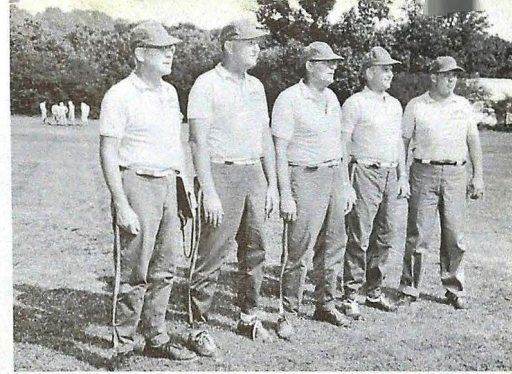

The fall of 1962 saw the Purple Pounders beginning what was to be the most successful season in Pounder history. Being undefeated for the season, winning the State Championship, winning the Meninak Bowl, and being rated fifth best high school team in the nation were among the honors that the team received.

E. B. Etter, our head coach, received many honors also. Among these were the *News-Free Press* "Coach of the Year" for 1962, and *The Chattanooga Times* chose him as "1962 Greater Chattanooga Football Coach of the Year." Coach Etter has been at Central for twenty years. He has made an outstanding record, which includes having led seven teams to the state crown.

Dick Phillips, alternate captain, received the Tom McAnn award, best blocker, and most outstanding player on the team. He also was selected All-City, All-State, All-Southern, and All-American. Steve Bevil, Terry Parks, George White, Glen Jones, Don Randall, and Charles Glenn were also selected to the All-City squad. Bobby Etter set a new city-wide record for converting extra points with 34 completions.

Buzz Kelley received the Coaches' Player Award; Scott Campbell received the best team man award, Bobby Etter the best all around award, Jim Crownover the most improved player award, and Charles Sedman the highest scholastic average award.

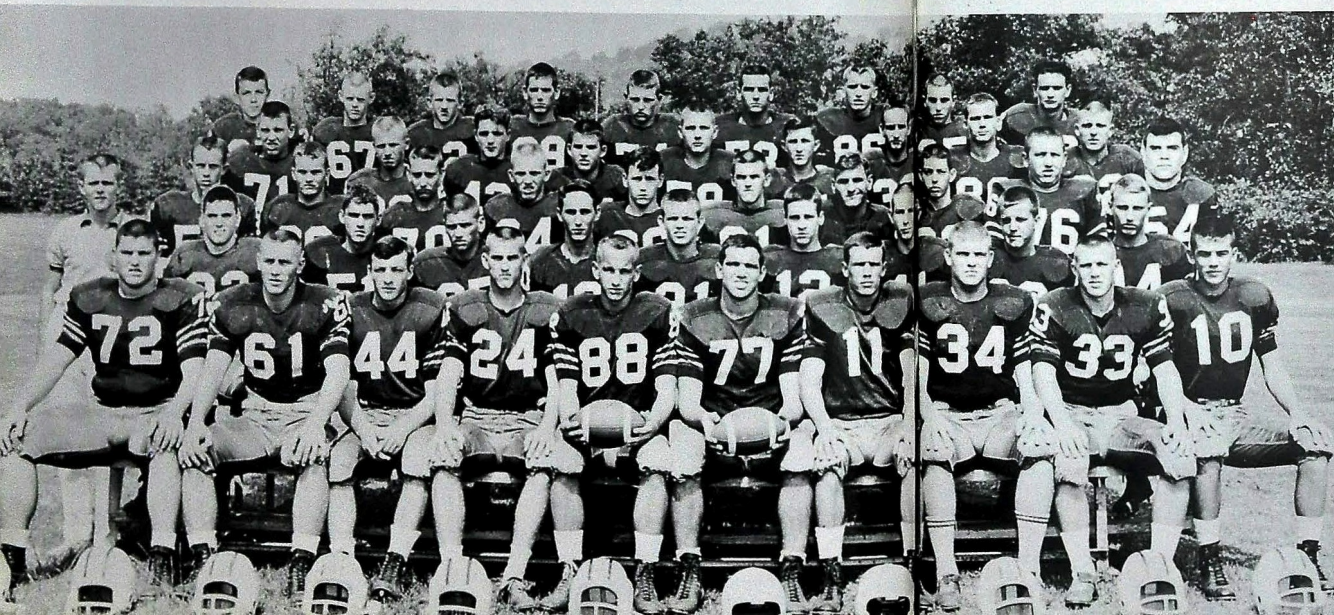

The seniors want to wish next year's Pounders, under the leadership of John Slaton and Freddy Stewart, all the luck and success they enjoyed this past season.

CENTRAL	14
JOHNSON CITY	0

For the fifth year in a row the Pounders dealt Johnson City a shut out. Tommy Turner crossed the goal line twice for the Pounders with runs of 10 and 17 yards. Bobby Etter split the uprights twice, and the Pounders left Johnson City with a 14-0 victory.

CENTRAL	21
DECATUR	13

Central came roaring from behind in the second half to defeat Decatur, Alabama. Steve Bevil scored for the Pounders in the first half, while Tommy Turner and Terry Parks scored in the second half. Bobby Etter converted all 3 extra points.

CENTRAL	27
CLARKSVILLE	0

In their first home game of the season Central romped over Clarksville. Tommy Turner, Terry Parks, Harry Phillips, and Scott Campbell scored TD's, while Bobby Etter collected 3 extra points. Central's defense, led by Dick Phillips, George White, and Charles Glenn, held the Tigers scoreless.

CENTRAL	38
KINGSPORT	7

Central went out to scalp the Kingsport Indians and did just that. Central's defense sparkled by holding the Indians to only two first downs, which came late in the fourth quarter. Steve Bevil, Harry Phillips, Glen Jones, and Gary Quarles scored TD's, and Bobby Etter made a field goal and 5 extra points.

CENTRAL	19
ELIZABETHTON	0

Once again the Pounders traveled to upper East Tennessee, this time to meet the Cyclones of Elizabethton. Scoring for the Pounders were Scott Campbell, Tommy Turner, and Steve Bevil. Bobby Etter kicked 2 extra points.

CENTRAL	25
BRADLEY	2

Playing before 13,000 fans, Central defeated the Bears of Bradley County. Harry Phillips, Steve Bevil, and Terry Parks crossed the goal, while Bobby Etter converted 3 extra points. Once again the Central defense sparkled holding the Bears to only 2 points while Central collected two safeties.

CENTRAL EAST RIDGE 35 0

Playing before a capacity crowd at Shanks Field in East Ridge, Central racked up victory number 7 against no defeats. Harry Phillips, Scott Campbell, Steve Bevil, Terry Parks, and Glen Jones collected TD's. The Central defense was led by Dick Phillips, Charles Glenn, and Don Randall. Bobby Etter booted 5 more extra points.

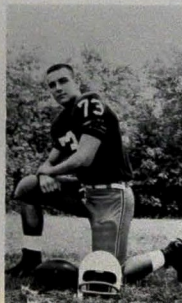

CENTRAL RED BANK 21 0

The Purple Pounders knocked down another barrier on their way to the state championship by handing Red Bank's Lions a 21 to 0 defeat. Glen Jones, Neil Kaplowitz, and Terry Parks scored TD's while Bobby Etter converted 3 extra points.

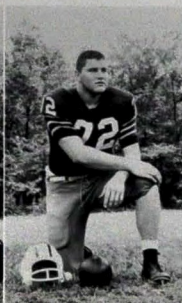

CENTRAL McMINN 34 6

Central romped over McMinn 34 to 6. Glen Jones scored twice, while Terry Parks, Neil Kaplowitz, and Gary Quarles scored once. Etter collected 4 more extra points.

CENTRAL KNOXVILLE CENTRAL 14 9

A fired up band of Knoxville Central Bobcats held the Pounders to only 14 points. Harry Phillips and Tommy Turner scored TD's, Bobby Etter made 2 extra points. This was victory number 10 for the Pounders against no defeats.

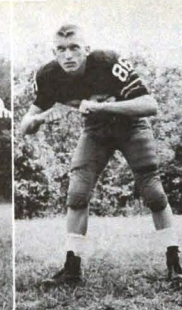

MENINAK BOWL

CENTRAL ROBERT E. LEE 28 12

For the final game the Pounders traveled to Jacksonville, Florida, to play in the Meninak Bowl. Steve Bevil and Terry Parks dashed across the goal line twice each, and Bobby Etter converted all four extra points. The game made the final record for the Pounders stand at 11 wins and no losses.

Baseball 1962

The 1962 baseball season brought the Pounders a tough schedule. The team compiled a regular season record of six wins and seven losses, while beating Kirkman, 6 to 0 and losing to Red Bank 3 to 5 in the District Nine Tournament, for a season's record of seven wins and eight losses.

Leading the Purples under the direction of Coach Hale were Captains Kenneth Mink and Aaron Masters. Jerry Pace was our leading pitcher.

The 1962 seniors extend best wishes to the team of 1963.

To the Graduates of the Class of 1963:

The officers of the Central High School Alumni Association are happy to extend greetings to the graduates of the Class of 1963. They are aware of your attainments and your ambitions. They wish for you success in proportion to your ability, ambition, and application. These are crucial days and we urge you to continue your progress in education by attending the college of your choice.

The Alumni Association seeks to serve Central High School. Our projects are too many to list here. We constantly are looking for ways to improve our school. In order to serve to the maximum, we need each graduate to join our association. When you are in a position to assist us, we ask you to join in this cooperative movement for the assistance of our school.

We wish for you the best in the future and we ask you to, at all times, elevate the name of our school, community, and nation.
