We've Made The

Class Prophecy

— Joe Nabors

Welcome. I am Joe the mediator. So you want to know your future. Let me concentrate. Let me think. Yes, yes, it's becoming clear to me. I'm beginning to see images appearing now. The year, the year 2000 A.D. Let us begin on our journey into the future. I see the first member of the class of 1985 appearing. Let us see what the future has in store for you.

Denise Adams will change her name so that she won't be first all the time. Chris Richardson will play for the Lookouts and continue to ride the bench.

Stewart Schussler will change his name to something people can spell. Carmen Triett will be named queen of Motown. Brian Phelps will become national president of the My Three Sons fan club. Anthony Maurice Toney will play pro basketball and become known as Mr. Smooth. Mickey Swafford will have 3 mopeds, 4 bicycles, 2 cars and a mobile home stolen and be charged with insurance fraud. Emmitt Dooley will travel to the Far East and become a Ninja. Dave Williams will become the demolition derby king. Greg Saxton, Tim Petty and Tony Kuka will form a wrap group called the Brothers and Kuka. Some of the class of 1985 will fill teaching positions. Robbie Croxall will become a basketball coach. Pam Humphreys will take over the economics department. David "Daniel Boone" Walker will become librarian and Brad Hailstone will teach Biology and will be known as "Birdwalking Brad". Melissa Gann and Jamie Duggan will become board members at the Baylor school, while Kim Harper will become principal at Ooltewah. Tim Green will become trainer of Donkey Basketball. Denise Knowles will be named Miss Back to Nature campfire girl to go with her other

36 titles. Tim Shippley will become a door-to-door encyclopedia salesman. Steve "Nasty" Smith will grow a real beard and move to Florida and never be heard from again. Ricky Smith will still be making car payments. Chris Thompson, David Duggan, and Noel McDaniel will open their own hair salon. Chris and Noel will handle the styling while David will handle the hair coloring. David Greenhill will get a date. Billy Joe Randolph will move to Hollywood to pursue a career in comedy. Ty Clark and Jan Cain will write a book entitled "How to Control Hyperactive Children." Bobby Henson will own his own used car lot. David Mayo will start a heavy metal rock group called Heavy on the Mayo. Dale Johnson and Dale Johnson will discover that they are Siamese twins separated at birth. Powell Jean Blue, Jr. will change his name to Powell Blue Jean Jr. and star on Kaptain Kangaroo. It will be determined that Jill and Steve Rogers are actually brother and sister.

Angie Carter, Karen Jones, Kim Stokes, Gary Woodall, Ken Hobbs, James Capehart, Tim Hicks, and Debbie King will die of cancer from asbestos poisoning. Kim Planchard will own a chain of video bookstores. Tim Cruise and Rodney Wilson will graduate. Jamie Vetterick, Lisa Lloyd, Kandy Highsmith, Eddie Bartlett, Julie Chandler, Kim Champion and Scott Monroe will

join forces to form the Scott Vern Monroe Band. Steve Stroups will start a day care center. Ronnie Baker will become Vice President of the United States. Tina will become president. Kelly Goza won't graduate. He'll be absent. David Owen will become a sumo wrestler. Tracy Baker will take a trip to Africa and be mistaken for a starving Ethiopian.

Joey Fenstamaker will open a stereo shop and become known as Captain Video. Paul Short will start his own terrorist group. Cara Porter will move to South America, but Rick Curvin will find her there, too. Terri Cox will have an operation to remove Rob Ripple from her side. Sandra Morris will get a job at the leader working as a mannaquin. C.L. Lowe will be hit by a car while trying to cook a opossum. Larry Arp will move to Brainerd to start his own jewelry store. Tonja Johnson, Stacey Clements, Lynn Nelson and Dionne Henley will move to Florida to start their tanning salon and beach resort.

Stacey Forester will compile all her stories from her notebooks and write a best-selling novel. Ronald Hool will marry Kathy Fullam and have triplets named Little, Red, and Riding. Susan Massengal and Alan Carney will combine their talents and open a bakery. Seems only fitting since Susan is such a good cook and Alan has been known to spread things on real thick. Jason Parton, Betsy Minnis, Mickie Ritchie, James Moore and Becci Jetter will start a counseling service for kids who leave Central and want to come back. Kim "Birchwood" Reavis will run her own strawberry picking plant. Nancy Defreise will move to town and discover that she doesn't have to pack a lunch everytime out. John Rymer will return to McCallie to graduate after two years absence. Sharissa will marry Steve and they will have lots of little guitar playing preaching kids.

Reigning With

Class Day Poem

By Brent Evitt

Life's a game of chancing
A barrage of endless faces.
May cautious, patient, cunning skill
Provide us happy places.

The mysteries of success
Surround us every day.
I beseech us not to fear to delve
Into these mysteries today.

For it is here and now we must begin
To seek our separate dreams.
Of love, or fame or peace of mind.
The time is now it seems.

Years spent here we felt were long.
Though they have quickly passed us by.
We have the talent, skill and luck.
Now it's in our hands to try.

The future lies within our grasp,
It's our choice whether to reach.
You and I, we hold the key
To unlock and let it teach.

Though we've proven ourselves at Central
And our visions have come alive.
The world awaits and deserves the best
From the class of '85.

Class Of 1985 History

— By Rick Curvin

On September 2, 1981, 227 proud freshmen began their four-year journey through Central High School. Our freshman cheerleaders, Wendy Brown, Andrea Harris, Deonne Henley, Tonja Johnson, and Tuesday Reese, led us in the first display of our new-found pride in Central High.

This freshmen class got off to a good start with the election of Myron Vasquez as president, Gina Brooks, vice president, Denise Knowles, secretary and Robbie Croxall, treasurer.

We had two members of the girls' varsity softball team — Gina Brooks and Betsy Minnis. Our freshmen boys' basketball team finished the season with the best record in the county.

Denise Knowles was our representative on the majority corps. We didn't make it completely on our own; Mrs. Dorothy Stone and Mr. James Rogers, as our class sponsors, helped us achieve this great start.

As sophomores, we elected Terri Lowery as our president, Jason Parton, vice president, Tonja Johnson, secretary, and Deonne Henley, treasurer.

Our class really began to show its talent with Powell Blue, Brenda Buck, Margaret Farmer, and John Leischer being chosen as members of the Ensemble.

Steve Smith was one of only three members of the varsity track team to qualify for the state meet in which he placed third. Gina Brooks was named to the TSSAA All-State Softball Team.

We started our junior year by electing Joe Nabors, president, Tracey Baker, vice president, Sandra Morse, secretary, and Denise Knowles, treasurer.

Shirley Brady won first place in the State FBIA Accounting contest.

Davin Owens, Craig Curtis, Robbie Croxall, Steve Stroops, Billy King, and Dale Johnson were named to the All-County Baseball Team, as they led the "Pounders" to a 28-5 record. Craig Curtis had the

distinction of receiving the County's Most Valuable Player Award.

Chris Richardson placed fourth in the Karna Invitational and third in the Central Invitational wrestling tournaments.

Kim Harper and Donna Tolliver were chosen to represent us at Girls' State, while Scott Monroe, John Linder, and Steve Wilson, represented our class at Boys' State.

Our Senior class began its final year by electing Ronnie Baker the president, Mark Nabors, vice president, Sharissa Helton, secretary, and Denise Knowles, treasurer.

Our class marshalls were Lisa Lloyd, Tina Reid, Dale Johnson, Beverly Thomas, Sally Dural, Gina Brooks, Cissy Sharp, and Andrea Harris.

Donna Tolliver was a finalist in the National Merit Scholarship Contest.

Denise Knowles was chosen Homecoming Queen. Scott Monroe and Julie Chandler received the "Best in Class" Drum Major Award at the Tri-State Band Festival.

Ronnie Baker and Billy King were named to the Chairanooga Times All-Star Football Team, and Dave Williams qualified for the State Wrestling Tournament.

The 1985 Mr. and Miss Central Court included Gina Brooks, Sandra Morse, Sally Dural, Denise Knowles, Sharissa Helton, Ronnie Baker, Billy King, Scott Monroe, Joe Nabors, and Dave Williams. Ronnie Baker and Denise Knowles were crowned Mr. and Miss Central.

The valedictorian of the Class of 1985 was Dave Williams, and the salutatorian was Donna Tolliver.

We, the Class of 1985, sincerely wish the underclassmen the success and happiness that we have found at Central High.

By Scott Monroe

I, Serita Brundidge, will all the Seniors the best of luck in the years to come.

I, Paige Simmons, being of fairly sound mind will Libby Barnett and Lorena Stitts the ability to keep their wits about them and their crazy sense of humor as they go along at Central High School.

I, Marianne Williams, will all underclassmen the ability to find a great bunch of friends like I had. Thanks Lisa, Carla, Julie, Laura, Katie, Jason, Mark and Scotty.

I, Paul Alfred Short, being of sound mind, hereby leave to the up coming classmen these words of advice:

"Trust not in yourselves, but always in God. Never compromise for second best in anything else you may do.

I, Julie Trapp, will any underclassman girl to find such a good bunch of friends as I have had — thanks Marianne and Robin.

I, C.L. Lowe, will to Wayman Sims the ability to smile when someone is bugging him.

I, Margaret Farmer, will lots of love to Michael "OP" Spohn.

I, Brent Evitt, Will Dave Williams the ability to do less than 50,000 dollars worth of damage to an automobile in a week.

I, Alan R. Carney VI, will return.

To all upcoming Seniors, I, James D. Moore, leave the ability and the proud feeling of a Central High graduate senior and the will power and the great pride of becoming a United States Marine.

I, Wayne Veasey, will to my brothers David and Doug the ability to stay out of trouble.

I, Betsy Minnis, will to Sheri White my softball ability of running "gracefully" to first base ... and falling over it.

I, Dani Pido, being of unstable mind and not-so-sound body, do will Scotty McKeon a light switch to turn down his clothes.

I, Deanne Henley, will Gina Brooks a knife.

We, Karen Jones and Kelly Brewer, will Rhonda Reason a pair of skis to go with her slope.

Honors

I, Russell Campbell leave to Jennifer and Holly the enjoyment of every day summer land.

I, Cara Porter, will to David Porter in his junior year my ability to constantly miss school and to avoid the humiliation of driving "the tank" and to Rick Curvin I will myself.

"I, Jan Cain, will all the underclassman my ability to keep at least one friend for a week.

I, Jill Oaks, will Danette Broome a permanent hair color and a permanent boyfriend so she will leave mine alone.

I, Keith Jones, will my eloquent ability to explain anything and to talk my way out of any situation to this years freshmen class, who will by this years actions, definitely need it in the future.

I, Debbie King, will to Susan Roark the ability ... to grow.

I, Richard Smith, will try again and again till I get it right.

I, Donna Tolliver, will Greg Mann and Keith Clonts the ability to advance to the maturity of six-year-olds.

I, Steve Wilson, will my love life to anyone who likes peace and solitude.

We, Sally and Stacey, will Dana Bice a stronger pair of binoculars so she can focus on Tom Cole all the way in New Mexico.

We, Kimberly Bell and Kandy Bell, the senior Boom-Boom babies, will Melody Prady and Lorie Galloway the strength to put up with another year of carrying bass drums in heels, dresses, and broken straps along with new covers since we are taking ours with us.

I, Tony Kuka, will James Newby my upper lip and a pint of blood.

I, Lisa Watkins, will Vicki Evans and her older friends the ability to be true friends with real personalities.

We, Ronnie, Mark, and Dale will Terrence Meadows a real body to brag about.

I, Rick Curvin, being of sound mind and healthy body will Curt Beatty two straight shoulders and some real legs.

I, Travis Watson, being of unsound mind and long hairy legs, will to any up-

coming senior the ability to leave during first period and go to Hardees before second period to get Miss Ogle breakfast and her not know you ever skipped class.

I, Joe Randolph, being of sound mind and body, will my brother Allen the ability to chew gum in any class especially in Miss Ogle's without being caught.

We, Brian Phelps and Chris Clayton will Sue Sillico a years supply of paper so she won't be bumming off her friends next year.

We, Jennifer Frye, and Dana Bice will the ability to leave school without getting caught to any underclassman who is brave enough to try it.

I, Ken Adams, will Mr. Preston a pair of camouflage fatigues and face paint so he can sneak around the halls better.

I, Bobby Henson, will Samantha Howard the ability to get all of Sally Dural's boyfriends.

I, Jamie Duggan, will Donna Fann the ability to keep her reputation unlike her sister.

We, the boys of summer, Brad, Dave, and Rick will our infinite affection and floral supply for Jan Caine to any underclassman who feels they can live up to it.

I, Lori Cantrell, will to Melissa Caldwell a towel to cover herself from Willie the next time she goes to Washington, D.C.

I, Glenn Lemons, being of sound mind and body will Jamie Denise Wright one thing and one thing only — a prayer, 'cause Lord knows she needs something.

I, Wendy Brown, will all my unused cheerleading abilities to next years squad members who desperately need them.

I, Emmitt Dooley, with a wacked mind, leave Dawn Duke the ability to open her own locker and get back to class on time. Please all teachers realize I'm not there so give her a break.

P.S. Make sure you get the right books.

I, Tammy Scott, will Susan Gass my promise ring, since it doesn't match my wedding band.

I, Tim Hicks, being of sound mind and free will do leave to those who follow me some advice: "Hold on, don't lose it, stay sane because some day you'll be seniors; then you can let go, lose it, and go crazy."

I've been trying oh so long to let you know
How I feel. And if I stumble and if I fall,
Please help me back so I can make you see.
(Chorus) Please give me one more night.
Give me one more night. One more night
Cause I can't wait forever. Give me one
more night, oh, just one more night. Just
one more night, cause I can't wait forever.

I've been sitting here so long.
Wasting time just staring at the phone.
And I was wondering should I call you, then
I thought maybe you're not alone. Chorus:
Like a river to the sea, I will always be
with you, and if you say no way, I will
follow you. I know there'll never be a time
you'll ever feel the same. And I know it's
all you want. . . . But if you change your mind-
you know that I'll be here, and maybe we both
can love. Give me just one more night! Chorus

Central High School Alumni Association

To The Graduates Of The Class Of 85'

The officers of Central High School Alumni Association are happy to extend greetings to the graduates of the Class of 1985. They are aware of your attainments and your ambitions. They wish for your success in proportion to your ability, ambition and application. These are crucial days and we urge you to continue your progress in education by attending the college of your choice.

The Alumni Association seeks to serve Central High School. Our projects are too many to list here. We constantly are looking for ways to improve our school. In order to serve the maximum, we need each graduate to join our association. When you are in a position to assist us, we ask you to join in this cooperative movement for the assistance of our school.

We wish for you the best in the future and we ask you to, at all times, elevate the name of our school, community and nation.

We Think You Better Close Your Eyes

The Principal's Address To The Class of 1985:

Tonight we have come together to honor you, The Class of 1985. You have put "Pride" back into the vocabulary at Chattanooga Central High School. You have instilled "School Spirit" back into our lives. For this I thank you.

Tonight you have been challenged to take control of your future so that this country will continue to thrive and be shining light for all countries to emulate. My message to you tonight is "Don't be afraid to take hold of your future." Take the initiative to tackle any problem you may come upon. The galleries are full of critics. They play no ball. They fight no fights. They make no mistakes because they attempt nothing. Down in the arena are the doers. They make many mistakes because they attempt many things.

Ford forgot to put a reverse gear on his first automobile, and then went on to revolutionize the Automobile Industry with his Model T. The man who makes no mistakes lacks boldness and the spirit of adventure. He never tries anything new. He is a brake on the wheels of progress.

Be persistent in all that you do. Nothing in the world can take the place of persistence. Talent will not; nothing is more common than unsuccessful men of talent. The world is full of educated derelicts. Persistence and determination alone are everlasting. The slogan "Press On" has solved and always will solve the problems of the human race.

Don't be discouraged when things don't go your way. Don't listen to those who say, "It's not done that way." Maybe it's not, but maybe I will. Don't listen to those who say, "You're taking too big a chance." Michelangelo would have painted the Sistine Floor, and it would surely be rubbed out today. Most important, don't listen when the little voice of fear inside you rears its ugly head and says, "They're all smarter than you out there. They're more talented, luckier and have connections."

I firmly believe that if you follow a path that interests you, not to the exclusion of love, sensitivity, and cooperation with others, but with the strength of conviction that you can move others by your own efforts, and do not make success or failure the criteria by which you live. The chances are you'll be a person worthy of your own respect.

In conclusion, I would simply say that this road we call life is filled with challenges large and small. However, the rewards for meeting those challenges are great. Therefore I ask you not to be afraid to struggle, do not be afraid to give your best. Hopefully at the end of your life you, like Apostle Paul, know that you have fought a good fight, have finished the race and have been true to yourself. If so, then you will be able to look back on tonight as more than just one special night in your life, but rather an event truly marking a new beginning.

As you leave your footprints in the sands of time, always make sure they point in a commendable direction. May God Bless YOU and keep you in his care.

Mr. Charles H. Preston

And Let Us Guide You To Our Purple Reign!

"Sometimes the world's a storm

One day soon the storm will pass and all will be bright and peaceful

No more tears or pain

If you believe, look to the dawn and

Fearlessly bathe in the
Purple Reign!"
